ARE YOUR DRINKING BUDDIES THINKING BUDDIES?

Good times mean getting together with good buddies and Budweiser. There's something about a couple of beers with friends that makes for great camaraderie.

Beer is meant to be enjoyed by adults socially. It is also the beverage of MODERATION. Good judgment should be used whenever you drink.

Make sure "your drinking buddies are thinking buddies" and exercise good judgment. Especially if they drive! When they need a good friend... think for them! Don't let them get behind the wheel — the outcome could be disastrous.

At Anheuser-Busch, we are concerned about you, our valued customer. We support research, education and treatment programs aimed at combating alcoholism and alcohol abuse.

To obtain your personal key ring guide to responsible beer drinking, send \$1.50 which includes postage and handling to:

IT'S HERE!

THE GIGANTIC 1984 LA CUMBRE HAS ARRIVED!!!

LA CUMBRE 84 will be available IN FRONT OF UCEN
Finals' Week (Mon-Fri), 8:00 - 5:00

CONGRATULATIONS, you are now a proud owner of a 1984 *La Cumbre Yearbook*.

As you may have noticed, there are no page numbers in the book anywhere. Also, the index has some funny numbers followed by a star.

The numbering system in the book is similar to that of the TIME OF DAY, with ☆ as the a.m. symbol (first half of the book) and ★ as p.m. symbol (second half of the book).

A clock at the bottom right hand corner of each spread indicates the time at five minute intervals. Good luck in finding out what time it is—have fun!

By the way, the time starts at the beginning of the EVENTS section and ends at the end of INDIVIDUALS (portraits). The rest of the pages are floating around in never-never land.

If you are interested in the page-count and do not want to do the counting yourself, the book contains 728 pages. It also tips the scale at 7.84 lbs.

Check out the next to last page for more information concerning this uniquely different book.

Dear Students:

A big THANK YOU to UCSB this year for all your supports and cooperations in making LA CUMBRE 84 a great success!

The number of books sold doubled any of the past dozen years' and the page-count stands as the all time high of 728 pages.

Of course, all were not smooth sailing. The staff had to overcome many barriers to deliver a book of such caliber. At times, the only thing we had going for us was the thought of "the BIGGEST and the BEST, EVER."

Red tapes and criticisms seemed to be all the things we received for our efforts.

All that has ended. 1983-84 came and on the step of leaving. This is the time when the yearbook gets its glory. As a once-a-year publication, the next ten days or so will be the payoff for a year of efforts by a small group of very dedicated people. It is now that everybody (well, almost everybody) wants to be in the yearbook (which is much too late) and wants a copy of the yearbook (which could be too late).

To those of you who helped or contributed to the yearbook in any way, many thanks, LA CUMBRE 84 was possible only with your input.

Those of you who criticized or hindered the progress of LA CUMBRE, #*%*?*\$@!*. Thank you for your feedback, but no thanks. We could have done without you.

Thank you CLASS OF '87, '86, '85. CLASS OF '84, thank you and good luck.

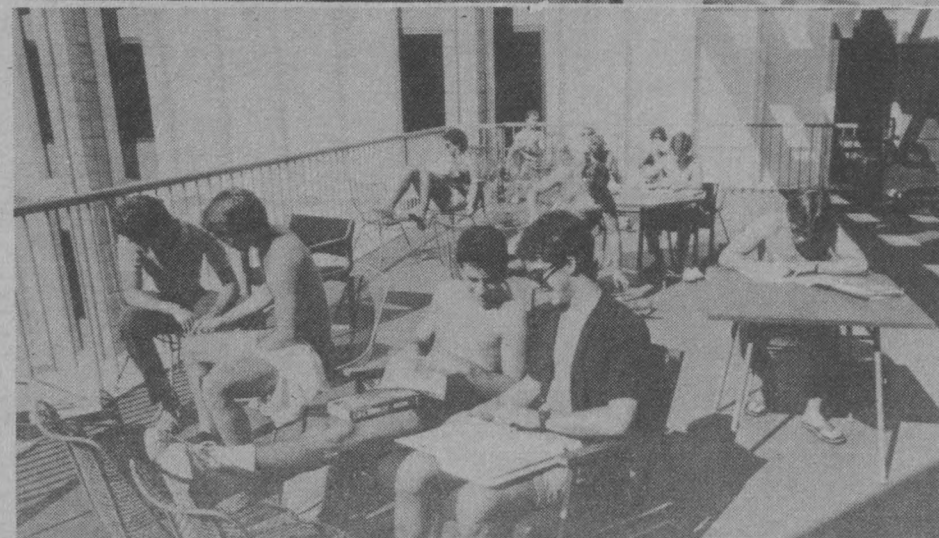

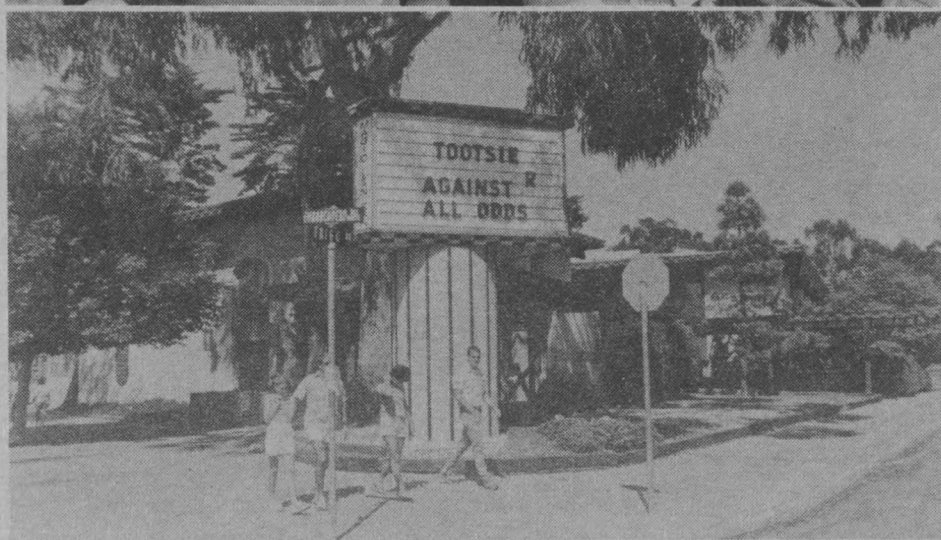

Tom Truong

To the Residents of Francisco Torres 83-84: THANK YOU!

Hey 1 and 2 South!!! It's hard to believe but our time has come to an end. Remember.... move in day? Our first floor party (3 kegger)? The Hawaiian party? It seems they all happened ages ago. We've come so far, grown so much (some up, some out). Although we all complain, I don't think any of us would have wanted to live anywhere else but on 1 or 2 at F.T. Take with you the memories and good times.... sloshbrawl, broomball, beach BBQ... and have a good rest of life. Don't forget to visit and invite me to your parties next year! Craig.

Dear "Three South",

I just want you to know how much I have loved the experience I have had getting to know each of you. We have had some hard times together, yet I am sure we will only remember the good. The experience of being an R.A. will be one I will never forget, yet the experience with Three South will be one I will always hold close to my heart.

Good Luck Everyone!
All my love,
Kelly

To the animals of 4 South, Alias (✓-16); this is for all you wanna-bees that never got a personal. I just want to wish you all my best and thank you for a fun year.... unusual..., but worth every minute. I hope you found your experience at F.T. (and under my rule) rewarding. You're a special group of people. That's enough of this mushy crap. May your kegs runneth over and your eighth's burneth forever! Aloha, Vidamen. P.S. Dodgers are #1!

Attention 5 South Party Animals: I hope all of you had an enjoyable and productive year. Just grin and remember the good times - slosh softball, 6 keg pajama party, movie night, progressive party, and tapestry removal? You are all really great and I would like to wish you all the best in your future endeavors. Have a fun and relaxing summer. Take care, Mr. T.

Hi Six South Troopers! Your loving Resident Assistant wants to extend his thanks and gratitude for being the fantastic floor this year (is it really almost over?). Reflect always on: the "heave" list, broomball, formal dinner and awards banquet, Goleta Beach BBQ, several parties, Super Bowl Sunday popcorn "ex-

travaganza", movie nights I and II, cookie, pie, and ice cream socials, "Talking about Sex" and the long poster, dances, ultimate frisbee, and several hundred other fun-filled times. Love you all and already miss you all.... Good luck on finals. Your "big toe", Steve.

F.T. 7-South,

I think I can say with confidence that we were the most outstanding floor this year - who else had shopping cart races and a baby picture contest?! (Not to mention an incredible talent show). I can't thank you enough for making this the most memorable and fun year ever!

Each and every one of you are special to me and I love you all so much! Be sure to come visit me next year at Alpha Phi. I'm sure you can talk me into going to happy hour with you - after all, why change anything?!

Stay happy
Love Always,
Trish

To all 8 South Animals... Woo Woo! Thanks for all of your help and support throughout the year. It's been a darn good time! Good luck to all of you and crank out those finals. Have a tubular summer! See you next year.... Your fearless leader, Pete Johanson.

TO ALL YOU CLOUD NINERS,

In all sincerity, serving you as RA has been one of the most significant experiences in my entire life. I couldn't have asked for a finer bunch of residents and friends! I would venture to say that we have one of the BEST floors to ever reside at FT!!! You're all the greatest! I wish you the best of luck in your future endeavors and come visit me at San Raf next year! Long live the spirit of Cloud Nine!!!

Love,
Your friend and big toe,
-Emile

10 South - The nice but naughty nunnery! You girls made 10 South the tops! Thanks for all the fun - watch out for those priests. I'll miss you! Love, Kathy.

To all the members of Ground and 1 North: Most of us have experienced both adversity and pleasure during the course of the year. Because of this, we all have been seasoned with personal growth. Since there are close to 80 mature adults on the floor, this year has been both pleasurable and rewarding for me. Thanks. Let's keep in touch. Rob.

To my beloved 2 North Floor. It hasn't been long, but it has been sweet. I hope you had as good a time as I had. Good luck on your finals and have a sweeeet summer. Thanks. C. Kay.

3 North - Thanks for a great year! Good luck on finals and have a great summer! Come visit me next year on 5 South. Love, Lori. P.S. Debbie and Evrin - thanks for all your help!

4 North-
The best of luck on finals. I've enjoyed being your friend and R.A. Keep in touch; I'll be on 2 North next year. Scott.

Dear 5 North: To those that returned I wish it could have been as good as old 3 North, but it sure wasn't boring! Disneyland - Red Rock, Broomball - Beach Room 6 kegs! Secret Santas - parties in 521. It's too bad AP hit so hard. I hope everyone enjoyed their stay and learned a lot at the vacation wonderland of the world, "Camp F.T.". The memories will last forever, for it will never be again. How many floor couples? Good luck in the after life kiddies! Thanx everyone for a great year. I'll never forget especially those that really cared. See all you arrogant No. Cal. bad people later. Take care, Fire Chief Giar.

To My Sixth North Hoodlums -

We've definately had a tremendous year, but there's still FINALS.

So, let's get psyched for exams, and then... let the good times roll.

How hot is that?

Good luck on finals, and have an awesome summer!

See ya!
Nina

Dear 7 Northerns: Thanks for being a great floor. Take good care of yourselves and ace those finals! Love, Nedra.

8 North - It has been a great year. Good luck on your finals and have a good summer. Thank you. John.

To the Wild and crazy partiers of 9 North.

Thank you all so very much for a wonderful year! You guys are absolutely fantastic! Good luck on finals... I love ya all!

Sabine

10 North - It's been a fun, good year - yeah! We made it! You gals have made my year a special one. Thanks! I know we'll all take some special memories with us of this past year. (Can you believe it's over already?) Here comes summer! Have a good one, see you all next year. You know where to find me--- 10 NORTH! Lisa.

The F.T. Staff and Management wishes you the best of luck on finals and in all your future endeavors.

-Take Care.

FOTECH
1 Hour Color Labs

Fotech Color Lab is the place to go when you want your pictures to make an impact. That's because Fotech's "Big Shot" service, produces pictures that are bigger and better. • Consider Fotech's standard Excel (XL) print, (which is anything but standard). The Excel (XL) print is 37% larger than the old format 3½ x 5 pictures and therefore includes more of your actual negative. And Excel (XL) print quality stands second to none. • Consider Fotech's same day enlargements. Big Shot enlargement; from 5 x 7 to 8 x 10 to 8 x 12 to 11 x 14 can be ready for you the same day if you order before noon.

FOTECH FOTOCARDS ANOTHER BIG SHOT

Your personal postcard is sure to please and impress. Fotech has several messages you can choose from and you can have them the same day if you bring in your negative before noon.

Fotocards are \$7.50 for a set of 12 or \$1 each for less than 12.

RE-ELECT JUDGE LODGE

TO: Members of the UCSB community:

For more than two decades Judge Joseph Lodge has been closely associated with this campus through his popular course in Political Science and through friendships with faculty, students, and staff.

In this coming June 5 Primary, Judge Lodge seeks re-election to the position he has held so long and so ably. His quarter century of service on the bench has been marked by continuing interest in reform of a legal system that has become too expensive, too time-consuming, and too technical. He has consistently favored conciliation and mediation with less resort to lawsuits for the resolution of disputes. He believes that a judge has a special responsibility to treat all people equally, to be firm but fair.

We urge that you join us and countless others in the UCSB community in helping retain Judge Joseph Lodge in the Santa Barbara Municipal Court.

Santa Barbara police report that last Thursday evening (5-31) a lambnapper was apprehended outside of Chico's Cantina while trying to make his getaway. The description given to federal agents investigating the lambnapping matched the suspect exactly. 6 feet tall, blond hair, glasses, and answering to the name of **CHASE LANGFORD** the suspect has been released on bail pending arraignment on the charges. Previous reports of Mary S. Little-Lamb's death may be disregarded. The lamb was returned to its owner, Mary, Thursday evening at the restaurant. Santa Barbara police and federal investigators wish to thank accomplices of the alleged lambnapper for providing such an accurate description of him.

DEN,
Summer is about to start and so is life for us. I hope you are ready, because I am! I LOVE YOU, Dawn.

--MARY H., CONGRATS--
New Asst. SPORTS Ed!!! Such the Nexite Cub Reporter.

BRAD (MAMA) MASON AND ROCKY (SPEECH 11) ANGELINI-

What a fun year it's been! Brad - thanks for making fun of me ALL the time. It helped build my character. Rocky-you've been a super next-door neighbor... of course anything's better than those people from south of the border who used to live there, and the girls who left me all that hot cereal! Brad I'll always remember that night you stayed in the bathroom and washed your hands for over an hour - HAPPY BIRTHDAY. Also thanks for all the "stories" about animal husbandry and very young girls. They kept me on the edge of my seat. Finally, hang on to your nickel collection, you can use it against Roger next year. Rocky, I'll never forget the night you ate that pizza while Mike and I watched. What a pig!! Also, I'm glad you finally managed to find the door knob on your front door. Remember it's more to the left. Last but not least who could forget the night of doom? Dancing and drinking sure don't mix do they. But, after all, we know it was Barbara's fault that it happened anyway. Next time, though, you get to clean the bathroom!!

KNOW THAT I'LL BE THINKING OF YOU GUYS while I'm stuck at home this summer. We WILL get together this summer, if it kills me. Remember me while I'm in D.C. with all the bent over pages!

THE PARTY GENERAL

GAIL, I won't tell anyone about your bellybutton or those other things...provided you talk to me next fall. P.S. ..Thanks for the cables. A. MENSCH.
