Hi, I'm Dr. Mark L. Duell, Sr., Doctor of Chiropractic. Perhaps gentleness in chiropractic is a new concept to you. It was to me before I began the six years of college training necessary for my doctorate degree. During those years I learned the precise locations where light pressure can bring chiropractic relief to pain.

In addition to my doctorate, I have a bachelor's degree in Human Biology. Since college I have completed courses in Activator, Nutrition and X-Ray. Even now I devote three days every month attending a nationwide seminar on chiropractic.
