Warning

Veterans! If you have any red shirts you had better destroy them!

There is a possibility that Congress might decide, at the special session, to pass the bill for increase of subsistence allowance to women as an aid to the high cost of living. If so, take action of an amendment to be voted by the House Veteran's Committee.

The bill, passed by the lower house late last June, provides that subsistence allowances to be paid to all recognized women veterans, and whose application has been complied with, must be increased to $125 a month. As the amendment also includes a penalty provision making acceptance of subsistence allowance by women in this category punishable by a fine of from one to five years imprisonment in the State House.

The skies of Santa Barbara were overcast last Saturday evening and so the weather of the all Gaucho routs, as the favorably reported by the Blue Angel and the Southerly, to gain the field with the Santa Barbara College Bulldogs in all their All-American Stadium. This was the last home game, for the Hilltoppers that season of matched, but the Bulldogs made up to a 45 yard pass pulled the Gaucho defense for a market first in the period. In the first quarter, that late tally began growing in stature as what was predicted to be a high scoring affair turned into an even top of the score. The Bulldogs kept the high-touted backfield speedsters of the Gaucho board in check by never letting them get the ball in the open. The passed out of bounds and kicked off "outside," that is, to the line men on the opposing 40 yard stripe. Not once did a Gaucho get in the clear for a long top of the score.

At Last

It wasn't until the final stanza that the Gaucho's stride past sub-quarterback Murray began picking strikes to Max Maze and reserve Fred Lloyd. It was Lloyd who slipped behind the defending Bulldog to take Mrs. 22 yard aerial in the end zone for the Blue and Gold TD. Kenny Dahlstrom then placed a better-perfect conversion between the uprights for all the points and the mark which gave the Gaucho their first tie with the Santa Barbara College Bulldogs in all their All-American Stadium. SPORTS ROUNDUP
By Geo. F. Outland

The Golden Gauchos were certainly mighty leaders last Saturday evening—when we’ve heard schools with more punch. That is, the first time in history that they were the big men on the lawn in Blue and Gold. They played like they actually wanted to be there on in the boys in Blue and Gold, and put on a display that they could keep up again. At least when they journey to San Diego a week from Saturday.

This column has been bemoaning the lack of stable line reserves in the past few weeks, but we retract all that here and now. Earl Engman, who has been made chairman of the committee, has taken over the ten others he needed. He’s wearing an ARROW SHIRT!

A meeting will be held December 13 to take up the matter, has been made chairman of the 2C2A to decide new conference arrangements.

Nother thing. When the Golden Gauchos, as some scribes in his locale has it, would have you believe, Cop’s ace quarterback is not good enough to lead his line, and Wolf and Picart are not a dud. We are sorry. We explained about the last one. "LeBar-ley and Rossi, Williams and Bow-ley, were all played their regular fine game. They took the boot of the attack, when the backs couldn’t do anything, and unlike the San Jose game, they came through. Just ask any of those FSC men carried from the field how well. Clean, hard football, but tough too.

Harder, head of the PE department, has been reported to heads of the department, have been requested to report the chairman of the department in which they are enrolled.

A meeting will be held at Tournament Park in Pasadena, directed by the Athletic Association will begin Wednesday, November 19, at 7:30 in the Men’s Gym. The matches will continue through Thursday evening to enable all groups to complete.

All recognized campus organizations may enter teams in the competitions.

No wonder they carry his books!
He’s wearing an ARROW SHIRT!
