FIRST STEPS TAKEN FOR FORMATION OF NEW FIRE DISTRICT

Petition Presented by Property Owners Asking for County Action

FIRST steps for securing adequate fire fighting equipment for this district were taken this week when a petition of property owners in the Carpinteria Union High School District requesting the formation of a fire district here was read and accepted by the county board of supervisors on Monday.

The petitions were prepared and put in circulation by Cyril Hartley, chairman of the Fire Committee of the "Carpinterians."

"The high school district extends from Rincon Creek to Ortega Hill in Summerland," Hartley pointed out yesterday. "In order to get action from the supervisors the petitions must bear the signatures of 25 percent of the property owners in the district. Over 160 have already signed, and the petitions are still being circulated both in Carpinteria and Summerland," he added.

"The signers realize that this is an opportunity to secure something that the valley has long needed at a minimum cost," Hartley continued.

Following is the procedure necessary to provide equipment for the district, as outlined yesterday by Hartley.

Notice of a public hearing on the petition will be published very shortly, when any so minded property owner in this district will be given the opportunity to appear at the court house and protest the move. In the absence of any valid protest the next step will be the election of a board of three trustees for the district, who will work out an itemized budget of equipment and maintenance costs for the first year. This will be presented to the board of supervisors for approval.

When the budget has been passed by the supervisors, the equipment can be purchased and a volunteer fire fighting company formed. The equipment will be purchased with county funds, and the costs added to the tax rate in this district.

Hartley, who has had considerable experience with such companies, has spent time and study on the problem to be faced by a local organization. Commenting on the petition yesterday he stated, "It looks as though Carpinteria Valley will soon have equipment which will reduce fire risks in the rural as well as the town areas both here and in Summerland. All who have not yet signed the petition and who wish to do so should call me at once. This proposition offers us the best chance we've had to protect ourselves against an ever-present hazard that has long kept insurance rates up and property risks high."

COMING EVENTS

TODAY—

P. T. A. meeting, Grammar school, 3 p. m.

TONIGHT—

Lions Ladies Night, G. S. Auditorium, 7 p. m.

SATURDAY—

21st Annual Russell Cup Meet, All day, beginning at 10 a. m., Hawley Field.

SATURDAY NIGHT—

Gay Nineties Follies and Costume Ball, H. S. Auditorium, 8 p. m. Giddyap, Maude!

SUNDAY—

Baseball, Carp. vs. Fillmore, local field, 2:30 p. m. First league game.

Beach Club Pier May Be Improved For This Summer

County Planning Commission Sees Chance to Secure Aid from New ERA

Tilton Revives Faint Hope For New Pier Here

Possibility that the present stub pier at Cerca del Mar may be made useable for fishing before the summer season, and proof that a faint spark of hope still burns concerning a new Carpinteria pier, is contained in the following letter received yesterday by Charles Batsch, chairman of the "Carpinterians" pier committee, from Deming Tilton, director of the County Planning Commission:

Mr. Charles J. Batsch, Carpinteria, California.

Dear Mr. Batsch:

With reference to your letter regarding the Carpinteria pier, will say that it is our plan to urge the State Park Commission to fix the present wharf at Cerca del Mar up so that it will be safe and useable for fishing during the coming summer. It is expected that labor will be assigned to this Park under the new unemployment relief set-up.

We will also keep in mind the desirability of constructing a new pier at the end of Linden avenue, and will give this project aid where ever possible.

Very truly yours,
L. DEMING TILTON

School Properties To Be Put Up For Sale

Two pieces of property belonging to the Carpinteria Grammar school district, will be advertised for sale within a few days, it was announced last night by members following the board's regular meeting.

The property consists of the present Aliso site at the corner of Walnut and Coast Highway, and slightly more than one acre on Santa Monica Road that was the site of one of the valley's first schools.

Money raised from the sale of these properties will go towards retiring the bonds for the new Aliso school, it was stated.

Petitions, bearing the signatures of 87 percent of the grammar patrons, were read endorsing the moving of the present Aliso site, a technicality required by state law before a school site may be changed.

The board tendered a vote of appreciation and gratitude to Bessie Humphreys, who last night terminated 12 years of service as grammar school trustee. Mrs. Humphrey resigned this year, and is succeeded by Donald Butler.

Man About Town Saw :

Jim Smalling, his 6-foot-plus frame contorted in an attempt to remove some chewing gum from the seat of his trousers, with the aid of a hand mirror, a can of dry cleaner and an old apron.

Postmaster Lewis naively inquired "Do you happen to know where I might borrow some old-fashioned clothes?" As though we haven't all been trying to for the past week.

Burchell Upson chatting with a state truck inspector who turned out to have been a school mate in Sacramento Grammar school back in 1904.

Manny Solari's small daughter beaming over an ice cream cone she had just been presented with by her UNCLE Stanley Isle.

Benny Bailard go to sleep while sunning himself in his Ford in front of Verner's Market.

GAY 90s WILL LIVE ONCE AGAIN AT FOLLIES AND BALL

Bustles and Cutaways Will Grace Ballroom Floor Saturday Night

SUCH a gathering as the valley hasn't seen since "bustle" was a noun, fans, feathers and frills were the vogue, bicycles were a mite skittish and grandpa got his first uppers, will fill the high school auditorium Saturday night when the "Gay Nineties Follies and Costume Ball" winds up the festivities attendant to the Russell Cup Meet.

Cut-aways, ostrich plumes and high top hats are at a premium this week and if half the natives appear on the street with cobwebs in their hair it's just because they've been cleaning the attics for clothes of yesteryear.

The committee in charge of the event, which is sponsored by the Women's Club, announced this week that, although it is hoped that nearly everyone will be in costume, inability to secure Gay 90s apparel should not keep anyone from attending.

The presence of Frank Greenough and his Music assures a well-filled dance floor, and the "Follies" program, given in outline below, promises a new high in novelty and entertainment. Here's the program, minus the cast, which is to be more or less of a mystery until the fatal evening:

I. "Leaves From the Album:" 1—The Old Spinning Wheel; 2—Beach Costumes; 3—The Fatal Wedding; 4—Female Quartet; 4—Two Little Girls in Blue; 5—Male Ballad Singers.

II. "Gems From the Attic," or "Curios From the What-Not:" 1—In My Merry Oldsmobile; 2—Sweet Bunch of Daisies; 3—Bicycle Built for Two; 4—Waltz Me Around Again Willie; 5—Chorus Ensemble.

III. "Gently Down the Stream of Time:" The Floradora Sextet; 2—The Man on the Flying Trapeze.

Besides the cast of more than 35, the following production staff has labored long and late to make the show a success: Director, Eloise Mays; Stage Properties, Martha Jayne Gooding and Mary Rystrom; Accompanist, Mrs. David Cummins; Stage Manager, George Senteney; Costumes, Mrs. H. D. Baylor, Mrs. Orin Hales, Mrs. Emma Safwenberg.

The general committee for the Woman's Club, composed of Mrs. Baylor, Mrs. Orin Hales and Mrs. Safwenberg, has announced that a buffet supper will be served during the evening for a small charge, that there will be cards for those who do not dance and that spectators will be welcome.

The admission is 40 cents per person, 75 cents per couple. Git out the buggy, Silas, we'll be a-seenin' ya at the performance!

Nursery School Nears

Rebecca Earl, head of the State Nursery Schools, will be here this morning to inspect prospective sites for the local nursery school which is to be started shortly.

School officials have selected three prospective sites, and the decision will be made today by Mrs. Earl. Possible locations being considered included the Woman's Club building, the Girl Scout house at Serena and Cerca del Mar beach club.

If any of these three sites meet with her approval the local school should be well started by May 1.

Vivian Chaffee and Ethel Hudson have made applications to George Chester, E. E. P. director for this district, for teacher's positions. Any prospective patrons of a local nursery school who have not already done so should communicate immediately with either Miss Chaffee or Miss Hudson.

Lions Install Officers And Entertain Ladies At Tonight's Meeting

Local Den Initiates Two New Members at Tonight's Quarterly Banquet

Varied Musical Program In Honor of Lionesses

Installation of officers for the coming year, initiation of two new members and varied entertainment will be features of local Lions' quarterly "Ladies Night" program to be held tonight in the Grammar school auditorium.

Dinner will be served at 7 p. m. and will be followed by the initiation of Sully Maddox and Leslie Carter, new members of the local den. Installation of officers for the coming year will be followed by a program which is to include violin solos by Lynn Cadwell and Arline Thurmond, numbers by the Sciots' quartet of Santa Barbara and—for the first time on any rostrum—a vocal solo by Donald Stockton.

Officers to be installed include: E. Solari, president; Frank Smith, 1st vice president; John Hudson, 2nd vice-president; John E. Jones, secretary; Jesse Hawley, treasurer; Hugh Thurmond, tail twister, and Merton Lewis, Lion Tamer.

Charles Verner retires as president of the group, while Charles Batsch joins the ranks of ex-Lion Tamer, Hudson steps up from Tail Twister and Marc Latham retires as treasurer.

A large delegation of Santa Barbara Lions is expected, and plans are being made to accommodate nearly 100 Lions and Lionesses at tonight's banquet.

New Ball League Is Formed; First Game Played Here Sunday

The valley's newest nine, the "Carpinteria Valley Merchants," make their debut here Sunday afternoon at 2:30 when they cross bats with the Fillmore "Tolucas" in the curtain raiser for the Ventura Inter-county League.

The league consists of eight ball clubs, each of which will play two games with every other league member for the possession of a gold baseball trophy, put up by Hickey Bros. company for the winner of the series.

Members of the new association include: Ventura Merchants, Oxnard All-Stars, Santa Paula Saragossas, Santa Paula Merchants, Sespe Saragossas, Fillmore Cardinals, Fillmore Tolucas, and the Carpinteria Valley Merchants.

The local team, sponsored, as the name indicates, by Carpinteria business men, will wear the names of local firms on the backs of their suits.

Members of the newly formed aggregation are: Vic Aldrich, captain; V. Alonzo, manager; Joe Granada, J. Jimenez, A. Jimenez, C. Velasquez, H. Bersera, B. Haggarty, L. Larco, L. Luera and M. Moreno.

All are home products with the exception of Aldrich, well-known Santa Barbara hurler, and Larco, also from Santa Barbara.

The battery for Sunday's game will be Aldrich and Alonzo.

Woman's League Picnic

The losing side in the recent contest between members of the Woman's League of the Community church will be hostesses to the winners and their children on Friday, April 20, at 2:30 p. m., at a beach picnic luncheon at the end of Linden avenue.

In case of unsuitable picnic weather the luncheon will be held at the Community church at 12:30 p. m. where no children will be included but will be cared for in the afternoon as usual.

RECORD ATTENDANCE INDICATED AT 21ST ANNUAL CLASSIC; FAMED SPRINTER TO RUN IN TWO EVENTS

Public Address System and Grandstand Assured; 400 Athletes, 20 Schools in 70 Events

ON its twenty-first birthday Saturday, Carpinteria's Russell Cup Track and Field Meet really comes of age with the following evidences of maturity:

1. More than 2,000 out-of-town visitors are expected to attend the meet, from a score of towns and cities.

2. Frank Wykoff, "world's fastest human" and co-holder of the world's record time for the hundred yard dash (9.4 seconds) has entered the 'open hundred' and will run against picked sprinters from Occidental and other colleges.

3. More than 400 athletes from twenty high and prep schools will compete on what is conceded to be one of the fastest tracks on the Pacific Coast.

4. Competition will be keener than ever before. The meet is being held two weeks later than usual, and in that time coaches have been able to season their entries and to better classify them according to their individual qualifications. Athletes will be entered only in those events for which they have proven themselves best adapted.

5. Special grandstand facilities assure seats for all spectators, thanks to the generosity of the Santa Barbara Polo Club who have loaned their portable grandstands for the occasion.

6. A public address system, furnished by the Standard Oil company, will be audible from all parts of the field, and will keep the audience informed as to events, results, standing of various schools, records broken, etc.

7. Because of the large entry lists from schools far removed from here, an unprecedented number of week-end visitors is expected.

8. Arthur Badenoch, A. A. U. official who officiated in the 1932 Olympics at Los Angeles will act as chief starter for the track events.

Word that Wykoff would participate in the open hundred was received here yesterday. The famous ex-Trojan sprinter, who is now teaching at the Moran School for Boys at Atascadero, will be accompanied by a relay team from the Moran school.

In competition against "the world's fastest human" will be picked sprinters from Occidental and possibly from the University of Southern California, Pomona and other colleges.

Due to the large number of events (nearly seventy) and the big entry list, all heats will be run in the morning, starting at 10 o'clock.

Field events in the "C" class will begin at 11 a. m.

Following are the schools and number of entries from each, that had been received late yesterday afternoon: S. B. High, 52; La Cumbre Junior High, 7; S. B. Junior High, 12; Lompoc High, 11; Fillmore High, 31; Santa Paula, 44; Oxnard, 56; Ojai High, 4; Ventura High, 27; Ventura Junior High, 22; Chino High, 16; Covina High, 26; Antelope Valley, 13; Moran School, 5; St. Clair School (Oxnard), 1; Carpinteria High, 14.

In addition to the above, the following (Continued on Page Four)

Things To Remember:

Remember when these old timers were making athletic history? Dick and Harb Morris were pillars of strength on the track team at Throup College, since changed to "California Tech."

Rege Thomas brought home the bacon for California in the 100 yard dash—and he pitched for the Berkley nine, too.

Joe Schweizer broke state records for the mile run at Cal. Poly.

Keith Lockard was California's ace in the hole, and came back from the I. C. 4-A. meet at Harvard with a first in the broad jump.

Bob Bailard captained the Stanford soccer team for two years—and what a team it was!

Marc Latham was one of Oregon U's best bets in basketball.

OUR HAT IS OFF TO—

CYRIL HARTLEY

without whose interest, diligence and perseverance Carpinteria would still be just as far from badly needed fire equipment as ever.

THE RUSSELL CUP MEET

FOR the twenty-first consecutive year Carpinteria plays host to the participants and guests of the Russell Cup Track and Field Meet this week end.

The development of this now famous classic is but one phase and reflection of the growth made by Carpinteria schools since the first meet was held, back in 1913.

Local athletes have, in times past, brought Carpinteria more than her share of the glory of these contests. And when they've lost, in losing they have brought home something even more to be prized, the well-earned reputation of being clean contestants and good losers.

Besides the sportsmanship engendered and the publicity derived from this annual event, Carpinteria has been afforded a nucleus for cooperative endeavor. And, as is customary in such matters, a major part of the work falls upon a few willing shoulders.

For weeks Fred Greenough and his assistants have worked overtime, sending invitations, filing entries, answering inquiries,—doing the multitudinous duties that never "show up" on the day of the meet.

Coach Mather has thrown away his watch and worked with his athletes until dark, night after night. And the boys he worked with have trained earnestly and conscientiously in order to turn in a good showing for their school Saturday.

Principal Jesse Hawley has devoted extra time to see that all departments were functioning, that no cogs in the machine failed to mesh smoothly, and that no detail was overlooked.

Charley and Melvin Treloar have labored overtime to maintain their reputation of providing Russell Cup entrants with "the fastest track on the coast." And wait 'til you see the results of their efforts.

The high school's commercial and printing departments have concentrated on getting out all the necessary forms and printed material required for the event.

The art department has cooperated by making the athletes numerals, the ground signs, markers and posters.

And this year, for the first time, local business men have united in an effort to provide Carpinteria's Russell Cup guests with a well-planned and budgeted week-end.

And to round out the entertainment program, the Woman's Club is sponsoring something out of the ordinary in entertainment with its "Gay Nineties Follies and Costume Ball," preparation for which has added numerous gray hairs to the heads of the production staff and cast. S. E. Henkin, manager of the Alcazar Theater has gone to no little trouble and expense to secure movies of the 1932 Olympics, which will be shown on Friday and Saturday night here as a part of local business men's "budgeted week-end" for out-of-town visitors.

This year, more than ever before, Carpinteria will demonstrate that she can do big things, and in doing them develop within herself a faculty for cooperation that will lead to still bigger things.

BREVITIES

Miss Lillian Foliart of Los Angeles, spent the week-end with Mr. and Mrs. Willard Sinclair.

Miss Grace Windsor and Miss Blanche Hardy, of Santa Barbara, and Ralph Windsor, of Los Angeles, were guests of Mr. and Mrs. Clark Catlin during the week-end.

Mr. and Mrs. Arthur M. Clark and J. W. Young attended a reunion of Kansas State Normal students at the state picnic in Los Angeles, Saturday.

Mrs. James A. Lewis is visiting

at the home of Mr. and Mrs. Harold Lewis in Whittier.

Mrs. Fred Rystrom and Mrs. Ruth Stombs visited friends in San Diego during the week-end.

Miss Billy Winter and her friend Miss Vinette Ward, of Los Angeles, will spend the week-end at home and attend the Russell Cup Meet.

Mr. and Mrs. Paulsen Visel have returned from Yosemite where they visited their son who is with the forestry service in the park.

Mr. and Mrs. Ray Barrett, of Torrance, were guests of Dr. and Mrs. Jerome F. Tubbs over Sunday.

LEGAL NOTICES

NOTICE TO CONTRACTORS AND BIDDERS

The Board of Trustees of the Carpinteria Union School District, County of Santa Barbara, California, will receive sealed bids up to 1 p. m., Tuesday, May 1st, 1934, at the office of the Board of Trustees in the Carpinteria Grammar School Building at Carpinteria, California, at which time and place said bids will be opened and read in public for furnishing labor and material in connection with the construction and completion of a wood frame school building on the New Aliso School site at Carpinteria, California, in accordance with plans and specifications prepared therefor by E. Keith Lockard, Architect.

Bids will be received separately on segregated portions of the work as follows:

Proposition No. 1, Roofing.
Proposition No. 5, Plumbing and Heating.
Proposition No. 6, Sheet Metal Work.
Proposition No. 8, Finish Hardware.

A cashier's or certified check or bidder's bond issued by a Surety Company represented by a local agent and accredited by the Board of Trustees for an amount not less than ten per cent of the amount of the bid shall accompany each proposal, drawn payable to the Board of Trustees, as a guarantee that the bidder will within five days after being informed of the acceptance of his bid, enter into contract with said Board of Trustees in accordance with said bid and that he will furnish the necessary surety bonds; said check or bond to be forfeited to the said Board of Trustees should the bidder fail to execute contract and furnish bond as mentioned.

Notice is hereby given to bidders that the work is and will be carried on by labor furnished by the Federal Civil Works Administration of California, which labor will be used in so far as possible for the installation of material and equipment for which bids are hereby invited. In the event that further labor than the above is necessary for the completion of the work or any portion thereof the Board of Trustees reserves the right to order such labor and for this purpose each bidder shall submit with his bid a price per diem for such labor as may be required.

Notice is hereby given to bidders that, pursuant to the provisions of Chapter 397, Statutes of 1931, State of California, the Board of Trustees of the Carpinteria Union School District, County of Santa Barbara, has ascertained the general prevailing rate per diem wages for each craft or type of workman or mechanic needed to execute the contract which will be awarded the successful bidder and that these prevailing rates were ascertained and adopted by the Board of Trustees of said District on March 7th, 1934 and are as follows:

Plumbers and Steam Fitters, \$8.00 per 7 hour day.
Roofers, composition and tile, \$8.00 per 8 hour day.
Sheet Metal workers, \$7.00 per 7 hour day.
Any classification necessary which is not mentioned herein not less than \$4.50 per 7 hour day.
Not over Eight hours shall constitute a day's work between the hours of 8 a. m. and 4:30 p. m.
Not over thirty hours shall constitute a week's work.
Overtime rates are time and one-

half from 4:30 to 12 midnight. Double time from 12 midnight until 8 a. m.

Double time for all Sunday work and the following holidays: New Year's, Decoration Day, Fourth of July, Armistice Day, Thanksgiving, and Christmas. No work on Labor Day.

Notice is hereby given bidders that, pursuant to said statute, it shall be mandatory upon the contractor to whom the contract is awarded, and upon all sub-contractors under him to pay not less than said general prevailing rates per diem wages as above listed, to all laborers, workmen and mechanics employed by said contractor in the execution of the contract.

Notice is hereby given bidders that pursuant to the provision of Chapter 398, Statutes of 1931, State of California, no alien shall be employed upon any work done in the execution of any contract executed pursuant to the acceptance of any responsible bid made pursuant to this notice to bidders; the term "alien" as herein used being any person not a born or fully naturalized citizen of the United States of America.

All bids must be made out on form furnished by the Architect. Plans and specifications for all the above work may be seen at the office of the Architect, E. Keith Lockard, 117 E. De la Guerra Street, Santa Barbara or at the office of the Board of Trustees, Carpinteria Grammar School, Carpinteria, California. A limited number of plans will be loaned out from the office of the Architect to bidders upon deposit of \$5.00 for each set, said deposit to be refunded to the bidder if the said plans and specifications are returned in good condition to the Architect within Three days from the time taken out in the case a bid is not to be submitted by the contractor. In case a bid is submitted the contractor may hold the plans and specification until the date set for bids to be in at which time the \$5.00 deposit will be returned to him upon presentation of the plans and specifications in good condition.

Said Board of Trustees reserves the right to reject any or all bids and to waive any informality in any bid received, and to determine who in its judgment is the lowest responsible bidder.

By order of the Board of Trustees of the Carpinteria Union School District, County of Santa Barbara, California.

April 11th, 1934.

BURCHELL UPSON,
President.

JOHN B. HUDSON,
Clerk.

BREVITIES

Please telephone all social and personal items to Mrs. W. Guy Stockton. Telephone 3454.

Mrs. Calvin McCray, chairman of the county P.-T. A. will install the newly elected officers of the local unit at the meeting this afternoon. The program will include a one-act pantomime "Unspoken," given by the pupils of the English V class of the high school. Those taking part will be Rena Main, Audrey Lockard, Laura Stewart and Majorie Robertson. The new officers are president, Mrs. W. C. Winter; first vice-president, Mrs. Lloyd Hales; second vice-president, chairman of program, Miss Dorothy Clarke; secretary, Mrs. Lester Buell; treasurer, Mrs. Daniel Stone. Chairmen for the year will be publicity, Mrs. Linn Unkefer; publications, Mrs. J. C. Bailard; hospitality, Mrs. Donald Butler; child welfare, Mrs. Percy Houts; historian, Mrs. Harold Cadwell; Father's day, Mrs. H. B. Franklin; home room mothers, Mrs. Frank Chaffee; membership, Mrs. Joseph Hendy; safety, Mrs. Joseph Schweizer; American citizenship, H. A. Lintz; auditor, Mrs. M. W. Robertson.

The music committee of the First Baptist church, Santa Barbara, announces "An Evening of Roses and Music" at the church, Thursday April 12 at 8 p. m. The "Beautiful Rose Gardens of America" will be illustrated by 100 colored slides lent by the American Rose Society. Miss Merle Bethune will give a half-hour organ recital of request numbers. Admission free. Silver offering.

The regular meeting of the Woman's Association of the Community church will be held Wednesday afternoon, April 18, at 2:30 o'clock, in the church social rooms. The topic is "Keeping God in American History." Leader Mrs. Clarence Sawyer. Devotionals led by Mrs. James A. Lewis. Hostess chairman, Mrs. C. Vaughan.

Mr. and Mrs. C. B. Hamilton motored to Fillmore Sunday to attend the celebration of the sixty-third wedding anniversary of Mr. and Mrs. C. C. Elkins, Sr., who are Ventura county pioneers. The affair was held on the Elkins picnic grounds and beautifully decorated tables were laid for sixty relatives and friends.

Pupils of the seventh grade of the Grammar school will be entertained at a hard times party at the Girl Scout house tomorrow evening. Costumes, games and refreshments will carry out the "depression" idea. The committee in charge of the party is Mr. and Mrs. Percy Houts, Mr. and Mrs. Richard Kistler, Mr. and Mrs. S. H. Romero, Mr. and Mrs. Cyril Hartley and Mr. and Mrs. E. P. Rowe.

Mrs. William Hohmann entertained the members of the Stitch 'n Chatter club Tuesday afternoon. Those present were Mrs. Thomas Church, Mrs. Cyril Hartley, Mrs. Albert Jarvis, Mrs. John Young, Mrs. Merton F. Lewis, Mrs. Lee Lyman, Mrs. C. C. Heltman, Mrs. B. J. McKenzie, Mrs. Frank Stewart and Mrs. Guy W. Stockton.

Construction has begun of the new home for Mr. and Mrs. W. C. Robbebeck on Vallecito Road. Mr. and Mrs. Robbebeck and daughter, Miss Rozella, are making their home at the Hunter Thurmond Ranch until their new home is completed. They come to the valley from Hinsdale, Ill.

Mrs. J. C. Bailard motored to Claremont during the week-end returning with Jean Bailard and her friend Miss Jerry Hass of Ann Arbor Mich., who are enjoying their spring vacation from Pomona college. Jean had just returned from Catalina where she spent several days with the Pomona Girl's Club.

Mrs. John C. Furby gave a book

General Mobilgas
with TETRAETHYL of course

FROM Arctic Circle to Death Valley... from below sea level up the dizzy heights of Mt. Whitney... from coast to coast without radiator or water... under punishment of climatic and physical extremes of unbelievable severity this new motor fuel was born. The result is a gasoline immune to heat or cold... unaffected by altitudes, by moisture, by dryness or any other climatic condition.

To climax perfection, Tetraethyl of Lead is added... the same identical anti-knock fluid used in General Ethyl premium gasoline... except in lesser quantity. And even with Tetraethyl... General Mobilgas costs you no more.

MOBIL OIL
is the largest selling motor oil in the world.
New grades... 100% Pure Pennsylvania.

Fill up your tank today with General Mobilgas from the pump displaying the Flying Red Horse

RELAYS

Class "C" 440 Open Relay; class "B" 660 1 Medley; class "A" 880 2 Medley.

Lintz Appointed To Educational Council

Election of Harry Lintz, local grammar school superintendent, to the state council of the California Elementary School Principals Association, this week brings added recognition to local schools, both because of the position's importance and because of the fact that Carpinteria is by far the smallest district to be represented in the group chosen by the organization's nominating committee.

Other Southland representatives are: Prof. Peter Snyder, San Diego; Mrs. Lela Aultman, Los Angeles; Mrs. Cloe Buckaby, Inglewood.

New officers are: George N. Hale, Bloomington, President; Harry H. Haw, San Diego, vice-president; Miss Betty Elliott, Inglewood, secretary; Vincent I. Correll, Long Beach, treasurer.

On the board of directors Los

Angeles city will be represented by Miss Elizabeth Sands; Los Angeles and Inyo counties by William Gastrich, Compton; Orange county by Aubrey Glines, Santa Ana; San Bernardino and Riverside counties by H. F. Heisner, Colton; San Diego and Imperial counties by Leonard G. Hummel, National City; Santa Barbara and Ventura counties by Robert Bruce, Santa Maria. An added director is Mrs. Gertrude Hammond, Los Angeles, the junior past-president.

Barrick-Jenkinson

Fred S. Barrick, long a resident of Carpinteria, and Mrs. Cora Jenkinson, of Los Angeles, were married here yesterday in the home of Judge Jerome F. Tubbs, who performed the ceremony.

The couple will make their home in Carpinteria on Palm avenue.

Local Ladies Crash Times Columns Again

If the activities of the Carpinteria Woman's Club had "made" the Woman's-page of the Los Angeles Times, that would NOT have been news in the home town, judged by the New York Sun's time-honored definition: "If a dog bites a man, that is not news, but if a man bites a dog, you have a story."

But when the aforesaid club is distinguished by being picked upon by the Hon. Ed Ainsworth, in his sprightly "Along El Camino Real" column, we have something to talk about. Here is what he wrote last Sunday:

"Motorists who whiz through Carpinteria must be prepared for a great shock. It is possible that they will be able to see some of the scenery before long. Irrate women have decided that many of the unsightly billboards hemming in the town must be removed.

"In times gone by it has been a problem to know just when you were out in the open country on account of the garish boards. Now, however, under the new State Law which imposes definite restrictions on billboards, the clubwomen of Carpinteria feel that they can 'talk turkey' to the advertisers.

"If women in other towns will

take up the idea I imagine that in thirty days the scenery along El camino Real can be doubled at the expense of the unsightly boards."

A vote of thanks is due Mr. Ainsworth for discovering that Carpinteria has a deserving place in the news of the Southland. This well might take the form of an invitation to spend part of the approaching summer near Carpinteria's velvet beach.

Former Carpinterian Announces Candidacy For County Assessor

Wallace Blair, formerly a resident of Carpinteria, has announced himself a candidate for the office of county assessor in the primaries to be held in August.

Blair has been a resident of this county for fourteen years, and was employed locally by the Standard Oil company in 1928.

For the past six months he has been acting as appraiser for the Home Owners' Loan Corporation.

A member of the Lions Club of Santa Barbara, the American Legion and of the Strollers Club, the candidate is well known throughout the county.

Wallace Blair

Home Owners' Loan Corporation

Howard Walters, who has been practice teacher at the high school for the past six weeks leaves tomorrow for Pomona, where he will resume his studies for teacher's credentials.

John Rodriguez returned to Tiburon Sunday after spending a week's vacation with his parents, Mr. and Mrs. John J. Rodriguez.

Mr. and Mrs. Clifford L. Holmes and sons of Whittier spent the weekend with Mr. and Mrs. John Holmes and Mr. and Mrs. Percy Houts.
