Replacing the annual Faculty reception, the faculty committee is sponsoring a student body picnic for all members and their guests, Friday, October 1, at Oak Park.

Each student must bring his main course, and eating utensils. The faculty will furnish coffee, various desserts and paper cups and plates for coffee and dessert. Volleyball, baseball, dancing and other games will be the entertainment for the evening. Equipment for the dancing games will be set up about 4 p.m. with dinner starting at 5:30 p.m. After the deserts have been served, square dancing and games will be featured.

Many affairs of this sort were held during the summer season, and it is hoped that the fall picnics will be as much fun.

Nurses Aid Course Offered State Women

Commencing October 18, a nurses aid course will be offered to interested State College women. The course will begin on October 18 and will continue for nine weeks until the semester's end in February and is a credit class of one unit, meeting twice a week.

Dr. Helen Sweet, assistant Dean of Women, asks that all women interested in taking such a course, contact her in the Dean of Women's office at the earliest convenient time.

Women will receive their nurse's aid certificate after completing 45 hours of training at a hospital; also, persons who take the course are expected to volunteer for a minimum of 150 hours per year at some medical institution.

A regular Red Cross course, it is being offered early in the year so that the community as well as the individual will profit. Instructor for the class is not as yet chosen, but she will be a qualified Red Cross nurse.

Women who have the time and would like to help are urged to participate as the community is in desperate need of more help in its hospitals.
AMERICAN HEROES
BY LEFF

It was in Tunisia. The enemy's artillery was pounding our forces. Corporal John W. Percer of our Field Artillery saw his section chief fall, ran to the officer and studies shell with a megaphone. The shell was intense, the Corporal threw himself between the wounded man and the exploding shells to shield him until it ended. For that he won the Silver Star.

Your extra Third War Loan Bonds help Corporal Percer and all others like him.

Back Your Leaders; Attend Activities

Tradition is a heritage. And so, when we are forced to break away from tradition, we must find an adequate substitute for it until we can once again return to our former ways and measures.

To those of you who are entering college for the first time, it may seem lifeless and colorless; and to those of you who are returning, compare it with the past. Since both our enrollment and activities are to be curtailed, it is up to us, both new and old students to take an active and interested part in all the dances, parties and programs that have been planned.

This coming semester can be packed with activity or not, as you, the student body, choose.

It is up to you, the campus leaders that you are behind them in whatever they plan and that you're ready, willing and able to back them in any kind of activity that they outline.

Nani Leiland Holds Meeting

Holding their first meeting, members of the Nani Leilani chapter of Phi Beta Psi, met at the home of Barbara Senseny on Monday, September 20.

Among the forthcoming activities planned was the "Get Acquainted Party" for new members. A discussion was held as to the financing of future activities and despite limitations placed upon organizations by the war situation an eventful future is looked forward to.

DISCRETION . . . OR VALOR?

"What was you running up the street for this morning?"
"I was running to stop a fight."
"What was fighting?"
"Me and another fellow."

Congratulations to ELEANOR O'BOYLE, newly appointed vice-president of the student body . . . a good woman for a good job.

Funniest thing I've heard for a long time: ODIE MYERS was wearing a white tennis sweater to council meeting last week, and GLORIA GHERINI and MABLE BARKER admired it. "It's Barbara's," Odie admitted modestly. BARRARA BURTIS then admitted that it had been given to her by her fiance LORENZO DAL'ARMI. "Yes, I know," Gloria told them. "I gave it to him for Christmas." Four pretty girls with four pretty red faces.

Entertaining the Marines at their sorority house, members of Alpha Theta Chi last week had an informal waffle party. Among those present were ex-Gauchos BILL STAAR, WALLY COLE, DON NAGLE, and CHUCK MANUEL, now serving in the Marine Corps at Redlands.

Two more chocolate-passing events recently revealed were those of MARY ELLEN FINDLEY, Gamma Delta Chi, to LT. JEROME L. MILLER of the Army Air Corps, and ELINE L. MILLER, of the Army Air Corps, and ELINOR HUDDLESTON, Tau Gamma Sigma, to ED RICE, U.S.M.C.

DON TAPIE, ex-Sigma Alpha Kappa, has reported for duty at the Army Air Corps Bombardier School at Carlsbad, New Mexico. Tapiel started his training at Santa Ana Air Base.

JEAN AUSMAN, Alpha Theta Chi, surprised her gal friends and the neighbor Delta Zetes with her announcement of her engagement. Seems as if Jean will be married about the last of October or the first of November.

She: "The man I marry must be a hero!"
He: "Oh, you're not so bad as all that!"
Sport Dance To Be Held October 15 At Marine Base

Working industriously to bring social activities once again to this campus, the student body has scheduled a joint dance for the women at school and the Marine Corps at Goleta. It is to be held October 15, at the Marine auditorium, and transportation will be supplied.

The number of girls who can attend will be limited to 150, and tickets will be supplied.

This is the first of such dances and the Marine Recreation department, and the Associated Student Body of Santa Barbara hope not the last. Plans are being formulated which will enable us to entertain our hosts of October 15 at Rockwood in the near future.

Music is being supplied by the Port Hueneme band, and intermission entertainment will be presented by a unit of State College girls. Informal street dress will be appropriate.

Good attendance is hoped for, because the success of this dance will be an adequate measure of future social activities.

Dates For Annual Faculty Teas Set

September 20 marked the first meeting of the Pan Hellenic council which was held in the A.W.S. club room. Dates for the faculty teas were set at October 17, 31, November 14 and December 5. The affairs are to be kept very simple, and each sorority is to choose a convenient time and sign up in Dean Bennink’s office.

Helen Webster notified the council that her student teaching would make it impossible for her to continue her presidency duties.

Miss Bennink introduced Dr. Sweet, the new Assistant Dean of Women, replacing Mrs. Arthur Wentz.

October 24 is the date of the Pan Hellenic Tea to which all new women will be invited. Plans were discussed for Intramural basketball and volleyball. It has been decided that volleyball will be played throughout the year, and basketball during the second.

Informal Tea Honors New Women

Las Meninas, sub-chapter of Phrateres, held an informal tea from 3:30 to 5:00 on Thursday, September 30, at 1917 Alameda Padra Serr.

Honoring new women, freshmen and transfers, the tea was very successful. Various games were played enabling the girls to become better acquainted.

President of Las Meninas, Grace Walker, was in charge of the affair. Other officers are vice-president, Margaret Walker, secretary, Alma Fisher; treasurer, Betty Jean Horne.

Phrateres Opens Year With Open House Tea

The Phrateres Open House Tea for the Fall Semester was held in the A.W.S. room Sunday, September 19, from 4:00 to 6:00. Dean Bennink, Mrs. Wentz, Dr. Erickson, Miss Phoebe Steer and Miss Firth poured.

The Phrateres president and the presidents of the sub-chapters were in the receiving line to greet the 140 girls that attended the tea. The sub-chapters displayed their books and pins.

Phrateres would like to welcome the new women students and the old members to attend their Whirl-Wind party to be given soon.

Las Espuelas Plans Initiation

Discussing and planning the A.W.S. freshman initiation will constitute the main business of Las Espuelas, honorary sophomore women’s organization, when they hold their first meeting, October 8, at a breakfast sponsored by Dean Bennink. Breakfast will be served in the school cafeteria.

Joyce Evans is president of the sophomore women’s society. Betty Patterson serves as secretary-treasurer.

Wentz Resigns
Post of Dean

Last week the loss of another important person, Mrs. Arthur Wentz, was felt by students at Santa Barbara College. Mrs. A. Wentz had assumed duties as Assistant Dean of Women in February of 1942.

Mrs. Wentz had attended Wesleyan and Ohio State as a biology major. Her experience which made her an eligible person for the post of Assistant Dean of Women included a year of work in adult education, work with the Tuberculosis Association, and of most importance, complete knowledge of The National Youth Administration and its duties.

As Assistant Dean Mrs. Wentz supervised housing and health programs, supervised the N.Y.A., and was general aid to Dean Lois M. Bennink.

Dr. H. Sweet, teacher of pre-medical physiology and other related subjects, has been selected to fill the place left vacant. Great interest has always been shown by Dr. Sweet in the students and their activities. Her knowledge of health education will serve in good stead, for many are the problems confronted concerning crowded living conditions.
