COVER, TEXT AND PICTURES ALL SUBMITTED BY MEMBERS OF THE GREEK COMMUNITY

A letter from Mark

I would like to take this time to congratulate the newly elected officials of Fraternity and Sorority Council - we all have complete faith in your abilities to lead the greek system and wish you luck as you take of-fice soon. We also have many greeks running for A.S. positions this year; I implore you to give your support to them on election day. I would like to remind everyone that the Greek Awards will be April 23, and I hope to see you all there. I would like to thank the FSC

executive board for their never-ending hard work and commitment to the greek community, the OSL, A.S. GCB, and Matt Slatoff and Tybie Kirtman of the Daily Nexus.

Finally, as I step down after serving on the IFC board for two years I would like to congratulate the new IFC executive board that will

continue the work of the old board. This new board will inherit a balanced budget that will allow us to operate greek recruitment during the summer and brand-new bylaws to help this organization run more effectively next year. The GPAs of all houses have improved for their third consecutive year, and the number of people

going through Rush has also system stronger. We have increased drastically due to the new passport system initiated last year. However, none of this would have been possible without your support and hard work. I would like to thank everyone that worked with me this year, we might not have agreed on everything, but we did everything to make the greek

Daily Nexus

achieved this goal and much more this year, and next year I feel will be even better than this one. Once again it has been my pleasure to serve you for two years and I wish everyone good luck with their future endeavors.

> Mark Gorecki Troika/IFC President

Phi Gamma Delta

The brothers of Phi Gamma Delta are extremely excited about Spring Quarter, and for good reason. This year Fiji hopes to see an even larger All-Greek Soccer Tournament. Last year's Soccer Tournament, which benefited the Isla Vista Youth Project, boasted 28 teams from UCSB, UCLA and Cal Poly San Luis Obispo, and was successfully capped off by a concert featuring Blink-182 and 98 Mute.

Spring Quarter 1997 also saw our Annual Islander Benefit Concert, the proceeds of which went to the Surfrider Foundation. In the past, artists to perform at this concert have included Sublime, 311, Mudsharks and Pato Banton. At last year's Sixth Annual Islander, the bands featured were Goldfinger, Buck-O-Nine and Isla Vista's own Henchmyn. Along with the many other philanthropies of the greek community, the

The Fiji social calendar not only includes social events with the many sororities on campus, but also brotherhood events including paintball, road trips to Yosemite and Las Vegas, and in-house surfing competitions.

Delta life.

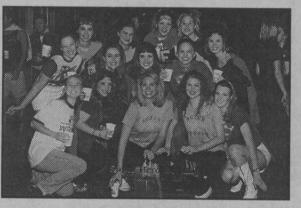

As one can see, Fiji can offer many things to many different types of people. The most important facet that stands true to all of the

brothers is the education that we strive to achieve here at UCSB. Study hours, inhouse tutors and experience in a broad variety of majors makes Phi Gamma Delta a very complete house. The four facets of fraternal lifesocial, brotherhood, philanthropy and education cannot be brought together more completely than they are by the brothers of Fiji. Experience college to the fullest: Come experience Fiji.

Alpha Phi

The Gamma Beta chapter of Alpha Phi had an amazing and unforgettable Winter Quarter. Many new and exciting changes came to Alpha Phi last quarter, starting with the elections for the new executive board. Sisterhood became a key theme during the winter, and many of our activities and events focused on building a strong sisterhood bond.

Niño, Alpha Phis have kept themselves busy with an abundance of sisterhood and scholastic events. Every other week last quarter, Alpha Phi had a study night where girls went to study, have snacks and get help from their fellow sisters. Sisterhood events such as movie nights, fireside chats and ice-cream parties were also a chance for girls to enjoy each other's company.

PAID ANNOUNCEMENT

Beta Theta Pi

Since 1839, over 200,000 men have been a part of Beta Theta Pi. Again this quarter, men from UCSB have been extended an opportunity to rush Beta. The first Beta chapter, established at Miami University in Ohio, instilled in us the ideals and values that continue today. Brotherhood, tradition, and commitment to the cultivation of the intellect. These are the standards that the brothers of the Santa Barbara chapter hold high. And as another quarter begins, we are again ready to excel in academics, athletics and community service.

USA Today recently named Beta Theta Pi as one of the top three fraternities in the nation for academic excellence. We take school very seriously at UCSB and are the only fraternity on campus to require a minimum GPA of 2.5 to be initiated. Since our founding at UCSB, our chapter has three times received the Sission Award, given by the General Fraternity for overall chapter excellence.

In athletics we consistently finish in the top three in all intramural sports. Last year we won the Fraternity Soccer Tournament for the Annual Goleta Lemon Fesfourth time since our founding here at UCSB. Beta also won first place in our inaugural All-Greek Softball Tournament. We finished

in the finals of the Fraternity Football Tournament and in the Fraternity Basketball Tournament. We are looking forward to another quarter of outstanding performance in athletics.

Our national philanthropy is Operation Outon a successful year thus far. the Day at the Races exchange and other events.

reach, the Children's Burn Awareness Program. The program is designed to teach America's youth about fire safety. Our chapter supports Operation Outreach by hosting a softball tournament to raise proceeds for it. In addition, we work locally with Devereux, a school for the developmentally disabled, and Isla Vista Elementary School during Halloween. We volunteer at the tival and also have an Adopt-A-Big-Brother program for less fortunate boys

Socially, Beta looks back

ages hard work and superior achievement. We recognize these as objectives worthy of the highest aim. Our chapter has a long history of athletic and academic success. The house works as a unit without suffocating the endeavors of each individual. We have no "mold" each member must fit; it is our unique talents and ideas that make Beta great. We welcome the well-rounded individual who is looking for an experience to enhance his college vears - as well as the rest of his life - and we look forward to meeting you this spring.

An Open Letter From the UCen Governance Board

At the Spring elections, you will vote on a fee referendum sponsored by us, the student majority UCen Governance Board. The survival of the UCen depends upon your vote. This Operating Support Fee of \$9 per quarter will assure that the UCen can continue to pay the costs of maintenance for the public areas of the building (everything except Bookstore, Dining Services and Administrative Offices).

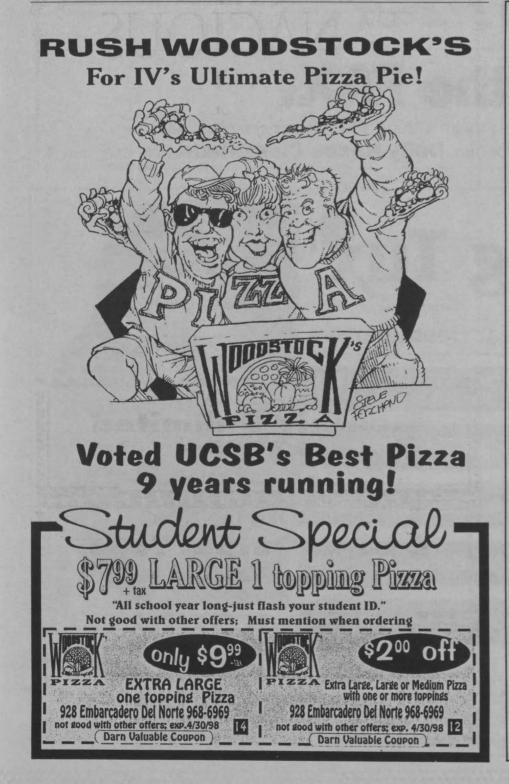

Without this fee assistance, the UCen faces cost cutting options such as:

- · Evening & weekend hours eliminated
- · Dining Service hours reduced
- · Many student jobs reduced or eliminated
- · Free use of meeting rooms and offices for student groups eliminated
- · Program support funds for student groups eliminated

If the fee proposal passes, we can maintain the UCen as it is and even make these improvements:

- Increased lounge seating
- Increased internet access & free computer use
- New: A 24 hour study lounge and coffee house area
- Increased concerts & special events
- · Expanded Post Office hours
- · Increased student wages

Please help us maintain the UCen as a valued part of campus life and let us respond to student suggestions and improve it even more. Vote yes to support the UCen.

Our Mexico Date Party and Las Vegas Formal went well. We also look forward to the Annual Bedrock Date Party,

Pi Beta Phi

Pi Beta Phi is a special sorority for a number of reasons. Our house is full of diversity, and we often plan events that reach out to the community. Many Pi Phis volunteer at the Transition House, and others are mentors that tutor elementary school students. Our house is full of athletes who play soccer or intramural sports here at UCSB. Another extremely important aspect of our sorority is our academics. Pi Phis are constantly held annually. During

their grades and achieve great academic standing. The diverse group of girls in Pi Phi is what makes our sorority unique.

This year Pi Beta Phi has been very busy. We started off our year with a huge concert for multiple sclerosis. Pi Phi and Theta Chi put on Rock MS, which featured Beth Hart, Southern Cross, Common Sense and The Pharcyde. The concert was a huge success and will now be working hard to maintain Winter Quarter, we had our

Sigma <u>Chi Omega</u>

The Sigma Chi Omega fraternity is one of the strongest fraternities you'll ever see on the UCSB campus. Since our founding during the Fall Quarter of 1993, the brothers of Sigma Chi Omega fraternity have worked diligently to serve our members and the UCSB community by enhancing friendship and diversity awareness. We believe that diversity yields a special alliance.

Sigma Chi Omega focuses on strength through the mind, the body and brotherhood. Each of these beliefs helps us form a diverse group of individuals. We encourage individuality in the fraternity as well as promote scholarship and philanthropic service.

Aside from sound academics and community sports, such as football, basketball, weight training, camping, surfing and skydiving. We hope to see you at our upcoming Second Annual Spring Jam 3x3 basketball in the Spring Quarter.

For the last couple of years we have had a successful time building a strong household at our longstanding fraternity house, located at 6703 Sueno. We have a great relationship with the Zeta Sigma Phi sorority of USC - recognizing them as our official sister sorority. We also have a long-standing relationship with the Alumni of Sigma Chi Omega, who are doing very well in the worlds of business, film and other careers.

Besides our many fraterservice, we engage in many nity activities, we are busy Omega fraternity is a major at 685-4622.

annual Professor Dinner, where we invite our professors to enjoy a dinner made by our chef, and academic awards are given out. This is a great way for us to talk to our professors one-on-one, and it enables us to have good relations with the university. One extremely fun activity we planned this year was an Easter egg hunt we had at our house for the community children. Our philanthropy chair dressed up as the Easter Bunny so the kids could take pictures with her. The day was extremely fun and successful. Right now we are especially

looking forward to ISVT, the annual volleyball tournament held in Santa Monica. We are the reigning champs, so our team has been practicing hard in hopes of another victory.

The friendships we have made in Pi Phi are extremely important to all of us. We plan special events throughout the year where just the girls can hang out and spend quality time together. It is these times that we most enjoy, and they allow us to remember the importance of the special friends we have made in Pi Phi.

Delta Gamma

chapter of Delta Gamma has been active on the campus of UCSB for the past 48 years. As the years go by, the women of Delta Gamma grow stronger, both academically and in their lifelong friendships formed with one another. Twice a year Delta Gamma holds two major events that benefit our philanthropy, Aid to the Blind.

The event that we are holding this Spring Quarter is called Anchorsplash. This fun-filled event brings together the greek community in an attempt to help those less fortunate. events such as barbecues, Anchorsplash is a water- TGs, a rush party and two relay event in which all of the fraternities participate. It involves many silly races and

The Gamma Kappa ends in a water ballet or synchronized swimming skit that is judged by the sorority house mothers.

In addition to holding our own philanthropic events, our sorority participates in other greek events which benefit their philanthropies. These include Sig Ep football, Fiji soccer, Beta softball and the Lambda Inter-Sorority Volleyball Tournament in Santa Monica.

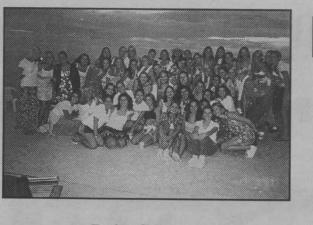

Along with DG's commitment to helping others, we also know how to have a good time. This spring is filled with many exciting date parties. We know that this spring will be the best one yet.

Alpha Tau Omega

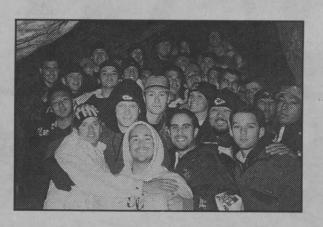

Going greek at Santa Bar- brotherhood. Along with all bara is a decision that many students face each year. It is a tough decision and one that is definitely not right for place set aside for men of ineveryone. For those who do tegrity and virtue. ATO is decide to go greek, Alpha the only national fraternity Tau Omega has the most to whose goal is 100 percent offer. At Alpha Tau Omega, our success comes from the brotherhood that has helped us grow over the years. It is this brotherhood that has helped many men through of the intramural leagues as some of the most difficult well as having numerous intimes of their lives.

With a bond as strong as right itself and as lasting as humanity. These are the words that best describe our is not a day that goes by that

of the traditions that have been developed over the years, ATO has become a graduation and 100 percent job placement. Along with these high scholastic goals, we also pride ourselves on athletics. Competing in all house tournaments, such as pledge-class olympics and volleyball, basketball and football tournaments, there

Delta Gamma

Alpha Tau Omega

a group of ATOs is not involved in some sort of a competitive sport.

We understand that in order to have the complete college experience, a solid social life is desirable. At ATO our year is packed with events that keep us busy year-round. Whether it be a brotherhood paintball war or our weekend formal in Laughlin, Nev., it is hard to find a weekend where we are not enjoying ourselves to the fullest.

Aside from our scholastic responsibilities, we feel the need to help those less fortunate than ourselves. At last year's Greek Awards, we won the award for best philanthropy program. With over 2800 hours of volunteer service put toward others, we tried to do our duty to help out the community.

Most people will say that college can be the most enjoyable time of your life. At ATO, we make sure of this.

Kappa Alpha Theta

So far, this year at Kappa Alpha Theta has been fun- filled with tons of fun hapfilled as always with numerous social, philanthropic, events planned are spending and sisterhood events. good time to get a few laughs at the comedy and magic show event, but also to participate in various philanthropic projects with other greek members.

Greek Life

Speaking of philanthropies, Sigma Kappa stayed busy with various events this quarter. We continued to visit Friendship Manor, but this past quarter we tried new things with them. For Valentine's day we had a sisterhood event making cookies for Friendship Manor's Valentine's Day party. In Spring Quarter we plan on attending their talent show and other sing-along nights. Some other philanthropies we participated in included a homeless feeding night for CAB and a sorority psychology experiment that donated money to our charities.

We are busy preparing for our biggest philanthropy of the year in Spring quarter,

Lambda Phi Epsilon

The Gamma Chapter of Lambda Phi Epsilon was founded at UCSB on Nov. 21, 1986. Lambda Phi Epsilon is the first and only nationally recognized Asian American interest fraternity with chapters throughout the nation. The brotherhood of Lambda Phi Epsilon, Gamma Chapter, prides itself in serving both the university and community, promoting Asian American culture, providing philanthropy for worthy causes, stressing academic excellence and developing leadership skills and everlasting brotherhood for its members.

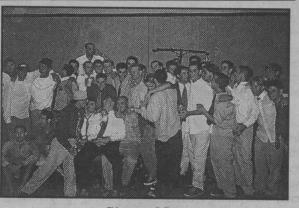

Some of the activities we take part in are the annual Asian American Culture Week and Charity Ball. We have adopted Ellwood Elementary School and have been working closely with them to provide tutoring and companionship for over

two years. We take part in various exchanges with sororities from all over Califor-

We do work with the Special Olympics and take part in I.V. cleanup. The brothers also hold various house parties throughout the year and have been busy preparing for our upcoming Slamfest basketball tournament.

If you are curious about the brotherhood of Lambda Phi Epsilon, we encourage you to come to our house during Rush week. The Lambda Phi house is located at 6510 and 6514 El Greco, across the street from Sigma Chi. Drop by anytime! Note: Although the

fraternity stresses ethnic heritage and values, it does not discriminate against interested people of any ethnic descent, nor does it seek to inhibit their participation in house-sponsored events.

Sigma Nu

Delta Delta Delta

Tri Delta continues to grow in friendship, fun and accomplishments. During Winter Quarter we had many exciting social events, including a "Pajama Jammie Jam" TG, numerous happy hours, and wine and cheese parties. In addition, we held a "Tri Delta Goes Hollywood" date party, where

people dressed as famous Hollywood couples. We also held our annual father/ daughter ball, which our chapter prides itself on because we are the only sorority on campus that holds such an event.

In addition to parties, we also strive for success in academics. We are currently

Gamma Phi Beta

a great year and is looking forward to an awesome Spring Quarter. This past quarter we have had some really fun events such as a "play day" with Isla Vista Youth Projects, a date party with a Mardi Gras theme.

Gamma Phi Beta has had and our most recent fundraiser known as the Suitcase Party. The Suitcase Party is our annual fundraiser in which many prizes are raffled off including the grand prize - an allexpense-paid trip to Las Vegas. A large amount of

holding onto a strong second in the all-sorority GPA and are well above the allwomen's GPA for all UCSB female students. We hope to continue to succeed and eventually work our way into first.

This Spring Quarter we have a lot planned. Our members are looking forward to displaying their competitive drives in athletic events. We hope to have

the money raised will go to MADD in honor of our sister Kim Ellis, who was killed in a car accident due to a drunk driver.

Gamma Phi is getting excited for our seniors this upcoming quarter. Each year we have a senior week in which each senior gets spoiled by a mystery sister. Most of our seniors are grastrong team play and lots of support and participation in Lambda Phi Epsilon's Slamfest Basketball Tournament, Beta's Softball Tournament, Fiji's Soccer Tournament, and ISVT Other events that our

members are anxiously anticipating are our spring formal and mother/daughter weekend.

Besides our exciting social events and parents program,

duating this quarter and have great jobs lying ahead of them. Many have done past internships and are presently pursuing careers in accounting, pharmaceuticals, publishing, and many other business administration positions. Sigma Chi

The Sigma Chi fraternity was founded June 25, 1855, at Miami University in Oxford, Ohio. With 225 international chapters throughout the United States and Canada, Sigma Chi boasts such alumni as Mike Holmgren of the Green Bay Packers, David Letterman, Woody Harrelson and the Duke himself, John Wayne.

Sigma Chi has evolved through the years by recruiting men of different temperaments, talents, convictions

them with an avenue for personal growth, maturity and learning. The Sigma Chi house offers a great opportunity for personal advancement through the development of skills necessary for life in the real world that can not be experienced through the university.

Within the chapter, Sigma Chi provides a strong brotherhood stemming from each individual's commitment to the whole. Sigma Chis develop friendand ages, and providing ships based upon trust and

commitment that will last a lifetime. We share the experience of being part of an eternal brotherhood and taking responsibility for

Greek Life

maintaining its tradition. Besides participating in almost every intramural sport and greek tournament, members of Sigma Chi rep-

resent six NCAA Division 1 teams, with 13 Division 1 athletes and four professional athletes. The brothers of the Zeta Kappa Chapter are represented by the university's #1 singles tennis player, six members of UCSB's nationally ranked volleyball team (including four of the six starters), two members of the UCSB baseball team, three members of 142 years of personal deve-Jays.

Lambda Chi Alpha

As Spring Quarter begins, the brothers of Lambda Chi Alpha prepare for the busiest time of the year. Between the numerous four-ways, TGs and date parties, we host the world's largest intersorority volleyball tournament, our annual surf-off contest and our infamous White Rose Formal at Mojave Lake all in the same 10 weeks. We will be having a concert to kick off Spring Quarter featuring

Every fraternity here at

UCSB has something un-

ique to offer, but Sigma Phi

Epsilon is the only fraternity

to have offered its unique-

ness for 50 years. As the old-

est fraternity at UCSB, Sig

Ep has withstood the test of

time and in 1998 is doing as

our brothers, both active and

potential, is to be a balanced

and Gravity Skateboards, Barbara, which makes for this event brings some of the best surfing talent to Santa The next event we host is

some skillful competition.

from all over the West Coast, including Oregon, Washington and Arizona, not to mention participation from almost all UC and Cal State schools. This day on the beaches of Santa Monica involves hard work but always provides fun for all, benefiting the Los Angeles United Way. The final event for the brothers is our annual date party/houseboat trip to Mojave Lake. Four days are spent on the lake relaxing and partying in addition to a couple of nights of gambling

ISVT. This volleyball tour-

nament attracts sororities

in Laughlin, Nev.

Aside from the social aspect of our house, we take pride in continually being ranked amongst the top five fraternities scholastically as well as winning last year's Greek Man of the Year award. The numerous events, social functions and scholastic achievements help form Lambda Chi as a very well-rounded fraternity to assist in the development of strong individuals. These qualities, memories and friendships that evolve from our fraternity fully enhance the college experience.

fraternity football tournament.

Academically, we have just as much to offer. With brothers majoring in almost every field, compulsory study hours and our annual Balanced Man scholarship, academics remains one of our top priorities. Perhaps our best aspect is knowing how to wind down from the stress of academics. Our Rocktoberfest, our El Niño,

ter. We all drove down to Disneyland and stayed two nights in a hotel and went one day to Disneyland with a dinner and dance banquet following. Winter Quarter we also had our Alumni Weekend, which reinforced what makes this fraternity stand out: Brotherhood. With a tight brotherhood, we were able to relocate our house to a spacious piece of property, jointly located at 6555 Segovia and 842 Emand our spring Polar Ice Cap and Extravaganza parties are the highlights of our "winding down." As openly social as we are, we keep our ties strong within the greek system through many functions with other sororities. As part of the greek community we open a lot of doors to our potential members, and as Sigma Phi Epsilon we offer something of much greater value - a brotherhood.

barcadero del Mar. Complete with a full basketball court, a volleyball court and a 10,000 square foot courtyard, this place has it all. Along with happy hours, date parties and other surprises, we encourage all to stop by for Spring Rush and visit the brothers of Alpha Epsilon Pi. We hope that you can share in our continuing success through the rest of the year. And don't forget ... Mayday is coming!
