

Committee to Hear Complaints On Cafeteria at 4 p.m. Today; Student Suggestions Wanted

Complaints on Cafeteria food will be aired today when the Student Investigating committee meets to receive and discuss suggestions at 4 p.m. in the Conference room at the rear of the Student Body office.

The meeting will be held to allow all students with complaints to present them to the committee either by being present at the meeting or by submitting written ones before 4 p.m. today. Written complaints should be placed in the mail box of Bob Christofferson either in the student body office or student mail boxes. Students may attend the meeting to discuss the situation and get the facts as well as offer suggestions.

Complaints Compiled

Complaints will be compiled and sent to the Legislative council and valid ones will be passed on to the Cafeteria management.

Prior to 1946 the Cafeteria was managed by a faculty group and run by members of the Home Economics department. In 1947 the University took it over and placed it under the system by which it is managed today.

Non-Profit

The Cafeteria is under the direction of Mr. J. A. D. Muncy and is run the same as 23 other departments under him, on a self-sustaining basis. The Cafeteria must break even and any profit that is made is put back into the food. It is run on a non-profit system. Each year the books are sent to President Robert Gordon Sproul for approval and are inspected by an expert from UCLA.

The problem in the Cafeteria is caused by labor costs, physical facilities, and rising food costs, according to Mr. Muncy. It has been estimated that a daily average of 30 or 40 meals are served which is said to be too few to handle profitably.

Line 2 Opens

A snack line will soon be opened in the Cafeteria because of student requests. Coffee, donuts, sandwiches and other light foods will be served there.

Investigation of the possibility of returning to five cent coffee, and installing hamburger and milkshake facilities is in progress. Coffee costs will force coffee to be sold at a loss at this price, and if the price is lowered the loss will have to be absorbed by other food items, according to Mr. Muncy.

Members of the Investigating committee which will be present at the meeting today are AS President Bob Christofferson, Vice-President Marie Allen, and Barbara Curtis.

Educators Gather For Research Parley

Putting latest findings in education to work comprised the theme for the third annual state Conference on Educational Research held in the Hotel Mar Monte last Friday and Saturday, October 19 and 20. Dr. I. A. Mather, professor of education here, was chairman of the committee on arrangements.

Some 150 delegates from various sections of the state attended the parley, which was launched on an experimental basis three years ago and which has proved of great benefit, according to officers, in presenting new findings relating to teacher training and the field of education.

A state advisory council consisting of 15 educators met Thursday, October 18, to map final details of sessions with Dr. Frank W. Parr of San Francisco, director of research for the California Teachers Association, serving as chairman. The regular schedule began with a general session at 9:30 a.m. Friday and short greetings from Roy

(Continued on page three)

Many Awards Given For Revue Skits, House Decorations

by Catharin Stuart

The 1951 Galloping Gaucho Revue was climaxed by the presentation of awards for Greek house decorations and Revue skits. First place award for house decorations went to Kappa Sigma for their "Push the Poets" theme. Delta Gamma won second place, Alpha Delta Pi, third.

Chi Omega walked off with the first place trophy for their skit "You Must Have Been a Beautiful Baby." Kappa Alpha Theta and Lambda Chi Alpha won second and third place, respectively.

Thursday's Revue was highlighted by the presentation of Homecoming Queen Gerry Cox and Princesses Lura Bousman, Kris Johansen, and June Murphy. Also presented to Pi Beta Phi was the Panhellenic Scholarship Cup, awarded annually to the sorority with the highest grade average. Honorable mention went to Kappa Alpha Theta and Delta Gamma.

A variety of entertainment and talent was presented to a full house both nights. Nine black-swathed Chi Omegas swayed to "You Must Have Been a Beautiful Baby," then surprised the audience suddenly by exposing their monkey-masked faces.

Lionel Purcell, Delta Tau Delta, as "Cyrano Da Bird Daog," sporting an oversized forehead instead of nose, did a take-off on the classic of a similar name.

Pi Beta Phi presented the tune "Come On a My House" as might be done in cave-man days, Indian times, the roaring '20's, sophisticated '30's, and SBC 1951.

Tau Kappa Alpha, dramatics honorary, poked fun at the foibles of men and women in their "Vice Versa."

John Bresnahan and Bob Gottschalk, Lambda Chi Alpha, mouthed and gyrated their way through Spike Jones' version of the "Tennessee Waltz."

Sigma Tau Gamma made a splash with their rendition of "The Tragedy of Roseanna McCoy."

Delta Gamma reviewed the different styles of bathing suits from grandmother's day of the late 1900's to Miss Typical 1951, squirmed by Phil Jacks, not a DeeGee.

Weatherby's Drug Store, presented by the Dance Club, showed some snappy dance routines.

Kappa Alpha Theta's "Lush Rush" was a satire on sorority rushing, exaggerating the various types of rushees.

A most un-typical blind date, "Date the Blind," was done by Sigma Phi Epsilon.

Mask and Scroll's "Syncopated Justice," easily the hit of the entire show, was a Charlestonin' courtroom scene with Fred Goerner as the jivin' judge.

"Take Care of My Little Boy," Sigma Pi, was a satire on the movie of a similar title.

Joe Constantino was the smooth-voiced M.C. Providing pleasant entertainment between acts were Pat Jennings, Nancy Whitman, Vince Di Fiore and Des Kencaid. Banjo-plucking Rusty Buchanan brought the house down with several lively numbers.

Organizing the production were Director Ed Monreal, Ann Havekorst, Carol Glasnow, and the Rally committee.

Poetry Reading Today by Dr. Frost

Dr. William Frost, assistant professor of English, will read a group of short poems by W. H. Auden in the AWS room at 4 p.m. today as the second in a series of poet readings.

Dr. Frost taught at Wesleyan College in Middletown, Conn., last year.

TRANSPORTATION FOR ALL-CAL BEING PLANNED

Students desiring transportation to All-U festivities may sign up for it on lists posted outside the ASB office, according to Bob Christofferson, student body president.

"If there are enough students to warrant it, we'll charter a bus or train," commented Christofferson.

Approximate rates for the bus will be between \$2.50 and \$3 for a round trip, and a special car on a train will cost \$6.15. Those who sign up should put down their name, phone number, and preference for either bus or train.

Those who are taking cars down to UCLA and want riders to share expenses are also asked to sign up on the "All-U" bulletin board outside the ASB office so that students who want rides in cars may contact them.

University-approved hotels will be listed on the bulletin board, and students are advised to contact the hotels themselves for reservations, as they will not be handled through the college.

Christofferson pointed out the necessity for students to buy tickets for the football games and the rally dance at the graduate manager's office right away, since tickets bought at the game will be \$3, which is twice the price of \$1.50 charged here. The game ticket is for both the Cal-UCLA game and the Santa Barbara-Davis game.

Tickets for the rally dance, which are 75c each or \$1.50 per couple, are always sold out long before All-U Weekend, and should also be purchased immediately.

GIRLS--YOU STILL HAVE A CHANCE!

Pure hogwash! Who's that idiot who said there were ten women to every man on this campus? He didn't know what he was talking about.

Actually, with an enrollment of 810 men and 835 women, there are only 1.0309 women to every man. This means that there is honestly a whole 97 hundredths of a man to every lucky woman! What is this world coming to?

According to information released by the Registrar's office, this is the first semester since the fall of 1948 that men have been outnumbered by women. Here are the records for the past seven semesters:

This semester there is an enrollment of 810 men and 835 women, totaling 1645. The ratio of men to women is .97.

Last semester there were 938 men and 804 women for a total of 1742, the ratio being 1.1166. Last fall there were 1056 men and 907 women, totaling 1963 for a ratio of 1.163.

The spring semester of 1950 brought about a total of 2130. Broken down, this was 1256 men and 875 women with a ratio of 1.435.

The fall of 1949 had an enrollment of 1645.

Alpha Phi Wins Sweepstakes In Gala Homecoming Parade; Large Crowd Views Events

Alpha Phi sorority was awarded the grand sweepstakes prize for their float "String of Pearls" as highlight of the list of presentations during half-time of the Whittier-UCSBC game Saturday night.

'NO GOLETA MOVE BY '52' -- SPROUL

The proposed move of Santa Barbara college to the new campus is impossible by the fall of 1952, according to Dr. Robert Gordon Sproul in an interview recently.

Dr. Sproul, president of the University of California, who was here in connection with a reception for new students, offered no substitute date for the move but said that even when set the 1952 goal was optimistic. A tightening of sources in material, delays in planning and war uncertainties reflected in enrollment had now made such a date for moving out of the question.

"We have a very definite objective and are moving steadily toward it; we are sure that it will be achieved in significant manner," Dr. Sproul stated.

The conversion of some 70 buildings on the former Marine Corps Air station site of 408 acres is moving along on schedule, but the construction of the new permanent building deemed essential before the college moves to its new site constitutes an entirely different question.

Reflecting the general trend of declining college enrollment, Santa Barbara college is not in a position where it can make an urgent plea to the State legislature for capital funds, Dr. Sproul said, although considerable funds are earmarked for this branch of the University.

Three Vacancies In Colonel's Coeds

Three vacancies for juniors, whose rank is major, are open in the Colonel's Coeds, it was announced today.

The Coeds promote interest in the ROTC program among the student body at large, assist at social functions of the ROTC such as the annual Military Ball, and lend charm by their presence at ROTC parades and ceremonies. The group was organized three years ago.

Those juniors interested should get applications from the office of the Dean of Women. The application must be turned in by November 2 with a picture or snapshot for bulletin board publicity during the week of November 6 through 9. They will be voted on by members of ROTC on November 13 and 14 in class room sections, and those elected will receive their commissions at the ROTC Military Ball on November 17 at the Montecito Country club.

At the group's meeting held on Tuesday, October 17, Grace Pope

Lecture Tomorrow By Dr. Davenport

Dr. Demorest Davenport, assistant professor of zoology, will speak third in the All-College Lecture series on "Life in the Channel and On Island Shores," Wednesday, October 24 in Pine Hall 100 at 4 p.m.

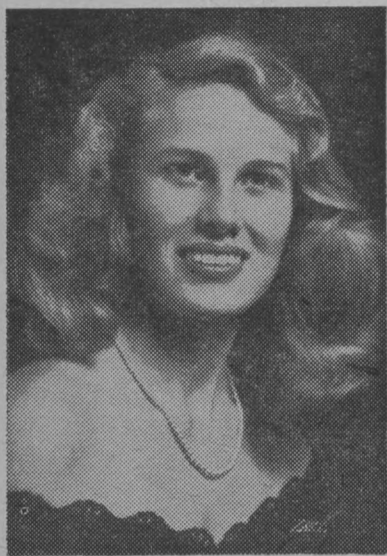

Illustrating with colored slides and basically speaking on marine biology in the Santa Barbara channel, Dr. Davenport will lecture on knowledge gained and episode experienced while cruising aboard an oceanographic vessel, the Orca, in August of this year.

Also aboard the Orca from Santa Barbara college were Dr. Elmer Noble, professor of zoology, Dr. Donald Wootton, instructor of zoology, Dr. John E. Cushing, assistant professor of bacteriology, and students Charles Stasik and Lucian Sprague. The group visited the islands off Santa Barbara coast for one week.

CRUSADE FOR FREEDOM

Scrolls will be distributed this week for student signatures to be used in the Crusade for Freedom. Signed scrolls will be sent to countries under Russian domination to show American interest in the security of the people there.

The drive will take place throughout the week with emphasis on Wednesday as the main day for signing.

Gerry Cox was crowned Homecoming Queen of 1951 Thursday night at the annual Galloping Gaucho Revue by AS President Bob Christofferson. Named as attendants were Lura Bousman, June Murphy, and Kris Johansen. Queen Gerry was sponsored by Sigma Tau Gamma fraternity who has sponsored the winning queens three years consecutively.

Frosh, Sophs, Mud Will Meet Friday

"Here's mud in your eye!"

That's what freshmen and sophomores will be saying to each other Friday afternoon when they gather for the opening event of the Frosh Tribunal.

The mud brawl will take place at Phelps Field at 3:30 Friday afternoon. The field is located in Mission canyon behind the Riviera campus. All freshmen are required to attend the brawl, and frosh bibbles will be stamped. While the men are battling it out in the mud, the girls will be well indoctrinated by the Spurs. The Men's gym will be available for cleaning up afterwards.

The tribunal will begin at 7:15 in the Quad. Don Noble, sophomore class president, will act as prosecuting attorney. Bob Christofferson, ASB president, will sit as almighty judge. The other mighty judges will be Adran Adams and Dave Corrie, senior and junior class presidents. Punishment for violations of rules set up by the sophomores will be inflicted by such contraptions as an old fashioned torture rack, etc. Frosh bibbles will be collected at this time, and will be checked against a master list of all freshmen. In this way a thorough check will be made to keep frosh in their place.

A Hallowe'en dance will follow the tribunal from 9 to 12 p.m. in the cafeteria. Cottons and cords will be the appropriate dress. Decorations will be in keeping with the Hallowe'en theme. Booths will be set up on the terrace above the cafeteria, and confections such as popcorn, candied apples, donuts, and cider will be sold there.

All students are urged to attend all parts of the Frosh Tribunal, and especially the dance, stated Don.

Don also reminded all freshmen that if they win the mud brawl, their beanies and bows may be burned, but if they are unsuccessful in their attempts, the green must be worn until November 3, the date of All-Cal weekend.

FLASH!

All-Cal tickets must be purchased in the Graduate Manager's office by Friday.

Editorial

You Have a Chance to Speak . . .

Today at 4 p.m. students will be given the opportunity to air any complaints they have about the Cafeteria and to offer suggestions as to changes.

There have been many such complaints voiced around campus. Whether they were sincere or merely "talk" will be shown today by whether they are given their chance to be helpful by being presented to the Investigating committee. The Cafeteria management can only do their best to please if they know what changes the student wants.

Now is your chance to express yourself. Speak!!!

It Is How, Not Who . . .

An editorial was written on the system of queen election in the last issue of *El Gaucho*, praising the new way of choosing Homecoming Queens and condemning the old. Unfortunately, the editorial was interpreted by some students as a slam at their organizations. It was not meant as such and if it was so toned, apologies are offered. It was the manner of election, and not groups participating in the election at which criticism was aimed.

It is the purpose of editorials to express the opinions of the editor or whoever writes them. It is the opinion of the editor that the choice of queen should be left to persons who in no way benefit by the results of the election. In that way alone can we be assured that standards nearer to those intended for the choice of queens will be used in measuring the qualities of candidates.

And a Good Time Was Had By All . . .

The past weekend ushered in one of the finest Homecomings ever witnessed at UCSBC. Hearty thanks are extended to Ted Troy, Pat Welch, and a fine committee for weeks and weeks of hard work which they donated. The results were well worth the effort.

One somber note of the affair was the time of the semester when it had to be held. This was the only time when the event could take place and it made a very crowded social schedule groan to capacity. It was humorously portrayed at the post-game dances by many heavy eye-lids.

Homecoming was well organized and received maximum participation by all. Congratulations to everyone who took part.

Some 30 coeds and three new faculty members were on hand when the west's newest school of nursing opened its doors on the Los Angeles campus of the University of California recently.

NEW FANGLED MACHINES
 DON'T WORRY PAW NOW
 SINCE HE LET US
 SHOW HIM HOW.

Dear Editor:

This may sound like a crusade (people are always being accused of crusading), but I feel that the word should be given the freshmen and if possible all students of UCSBC.

Being a freshman myself, I was shocked to note that out of a class of 375 freshmen only 31 bothered themselves to stop on the lawn in front of the gym to vote on the run-off election last Friday.

The election wasn't publicized at all, but the fact that there was a table set up should have moved a great many more people to at least see what was going on.

All of this may seem silly and juvenile to the older students, but must a person become sophisticated and mature to the point where he doesn't care what happens to the world he is living in, just because he has become a college student?

And I notice that the same condition prevails in other activities too, such as rallies, games, etc. Maybe we should open our eyes and start living, not in a cave with candle and a philosophy text, but in a free and wonderful world with other people around us.

Sincerely,
 John Smith

Dear Editor,

There seems to have been a change in the news policy of *El Gaucho*. This change is, in my opinion, a vast improvement and consists mainly in the printing of more non-sorority and non-fraternity news. In the past few semesters non-Greek activities have received very little publicity in *El Gaucho* columns, which concentrated mainly upon the choicest bits of fraternal gossip. Students who did not belong to sororities or fraternities not only found little of interest in these columns but found little encouragement to join other organizations. By including these other organizations in news stories and features, *El Gaucho* is arousing student interest in them. Thus the paper is now representative of the entire student body, rather than of a chosen few.

El Gaucho is also to be commended not only for including intra-scholastic news but for printing All-University releases.

Sincerely yours,
 M. A. Steyart
 (Ed. Note—Bless you, my child)

An Open Letter . . .

To All Students and Faculty:

This year, as has occurred in past years, the Associated Students' constitution is going to be completely revised. These revisions will correct many obsolete and inconsistent data and add policies and rulings which were brought up in past years and are in effect now.

The purpose of this letter is to bring to the attention of students and faculty the intended revisions and corrections in the constitution. There are many people concerned about the present situation, as far as the constitution is concerned, so now is the time to start formulating plans for any changes or additions desired.

Any student or faculty member interested in the proposed revisions of the Associated Students' constitution, please contact Bob Christofferson or Marie Allen in the Student Body office any time between now and November 5.

We would appreciate your cooperation in this matter.

Sincerely,
 Marie Allen

Dear Editor:

Thank you for your excellent editorial entitled "Those Long Line Blues," which I hope will bear fruit. And while we are on the subject of the Snack Shack, might I add a word regarding other situations there?

While I am sure we all realize that the campus facilities are primarily for the students, and the faculty and administrative staff are here to help them in every way possible, the students in turn should show consideration for others, as you so clearly pointed out in your article. One point I wish to bring out regarding the Snack Shack is that many students seem to think that the tables are for study purposes, as well as eating. After they have finished their meal or refreshments, they continue to sit there to study, regardless of whether there is room for others or not. This may be all right at certain times of the day when the tables are not in great demand, but not at the rush hours. After all, there are plenty of other places on campus which would be more conducive to quiet study and concentration.

Another point is the lack of consideration in leaving dirty cups and debris on the tables. There is a trash receptacle at the end of each table and others conveniently located, so that there is no excuse for leaving the tables in such a

Servicemen's Dances Need Women Students

Any women students who wish to attend any of the following servicemen's dances should come into the Dean of Women's office as soon as possible:

1. Open houses each Sunday afternoon, Recreation Center, 2 to 5 p.m. Games and general entertainment. (Sponsored by Women's club.)

2. Dance, Saturday nights each month. Next one is November 17, Carrillo auditorium, 9 to 12. (Sponsored by Assistance league.)

3. Dances, first Saturday of each month. Next one is November 3, AWVS Center, 8 to 12 p.m. (Sponsored by AWVS.)

4. Each Saturday and Sunday afternoon and evening there is general entertainment at the AWVS Center from 3 until 5 p.m. and from 8 until 11 p.m. This is also sponsored by the AWVS.

The cooperation of college women in the above events is greatly appreciated, according to Helen Sweet, dean of women.

dirty, disorderly condition for others.

These are just other opportunities of practicing the Golden Rule.

Yours appreciatively,
 A Secretary

Dear Editor:

What happened to the attitude of friendship and the give-and-take sportsmanship of the Frosh indoctrination? Can't the Sophomores be rivals without being enemies? My cry isn't against the treatment but against the attitude of revengelike determinism of the Sophomores. How about a sincere guffaw instead of the bitter chuckle of satisfaction as some Frosh gets his.

Being a second semester Frosh my sympathies are torn in both directions, so I am not just trying to get even by this. On the contrary, I think that the whole indoctrination program is good for the spirit of the school. But, and it's an important but, let's be friendly enemies.

CAMPUS CLUES

FROSH CAPER . . . The big week for the Frosh has begun. The question is will they or won't they win their freedom from the Sophs? (Ah, no more beanies or bows.) Much is in store, "Miss Junior's," for these lowly ones.

All the meetings and busy times call for quick changes of costume. Beautiful sweaters in the latest fall shades at only \$4.95 combined with a multi-plaid or soft jersey pleated skirt (\$7.95) are always best bets in campus garb. Sporty blouses, jackets, and jeans make tremendous appeal to the onslaught of Soph attack at the Tribunal.

Then that big dance to top this week's activities calls for smooth fashion date dresses. Velvetens in exotic black and smoke gray hues in one piece and two piece ensembles are featured in "Miss Junior's" wide collection of the best in college wear. A new special surprise for the coed is the latest embroidered taffetta skirts in white, gold, and red. An added glitter of a necklace, earrings or a pin in any desired color or size will complete the evening's date.

Mrs. Lorch has just returned from a fabulous buying trip. Come in and take a look at the finest fall fashions for fifty-one. I would love to help you in selecting your campus clothes, so stop by and ask for Dill.

With many plans ahead and new officers the Freshmen are beginning an active year. Good luck to the Frosh Class!

PATRONIZE THE

"It's to our Advantage"

RANDOM RAMBLINGS

It seems rather difficult for me to say just why, but last Saturday's game with Whittier left me with a dissatisfied feeling. The question troubling me is, was Whittier's defense so strong that the team which hit Fresno for 20 points in one quarter was only good for 19 against the Poets in an entire game?

Of course you can make the rationalization "Whittier is improving with every game," but isn't it to be expected that the Gauchos will improve with age also?

Off hand the chief defect in the offensive game seemed to be nothing more than poor judgment, especially in our scoreless first half. Just who's judgment, or lack of same, is hard to say.

Everyone was certain that Santa Barbara should have won, and that Santa Barbara deserved to win, but the margin of difference in score should have been greater than Ternquist's 80-odd-yard kick-off return, and Lasken's conversion.

Getting away from the local subject: In the results to date, it does not seem to be getting too far out on the limb to predict Southern

Three Vacancies In Colonel's Coeds

(Continued from page one)
 was elected president; Barbara York, vice president; Babs Benning, secretary-treasurer; and Barbara Curtis, publicity chairman.

Members include Dottie Davis, Claire Maher, Eleanor Denholm, Marie Allen, and Joy Ritter, colonels; Barbara York and Barbara Curtis, majors; Janice Macabee, Doris Clare, Joyce Breen, Babs Benning, and Betty Jo Hoeven, captains.

It is planned that the Colonel's Coeds will be guests of honor in the reviewing stand at the Armistice Day parade on November 12. The entire cadet battalion will be excused from classes on that morning to enable them to represent Santa Barbara College in this important community event.

The nudists decided to have a costume party and some of the ladies were worrying about what to wear. "Well," drawled one, "with my varicose veins I think I'll go as a road map."

Cal versus the University of Illinois in the Rose Bowl on New Year's Day.

Jess Hill and Co. right now seem to have a definite lead in not only the race to Pasadena, but also for the Coast Conference championship. The Trojans face only Stanford and UCLA in their remaining conference games, while Stanford, the other logical contender, has to get by Washington, Washington State, Southern Cal, Oregon State, and California, all better PCC teams, on consecutive Saturdays.

Also on the matter of Southern California: A large bouquet, or what have you, to Phil Jacks, Jr. Young Jacks is evidently the only person in or around Santa Barbara who thought the Trojans could bump the Bears. I heard many comments that they might be able to, but no one would make any definite statement. Phil not only called it, but did so in public.

Speaking of Phil Jacks brings to mind the completely worthless bit of information that the first sporting event presented at the "old" Madison Square Garden was a six-day bicycle race on October 23, 1891.

With that I take my leave.

Girls--You Still Have a Chance!

(Continued from page one)
 ment of 2328 with 1329 men and 999 women, the ratio being 1.339. The farther back you go, the better it gets. In the spring of 1949 there were 1378 men and 928 women, totaling 2306 with a ratio of 1.5.

During the fall semester of 1948 the ratio dropped slightly. This time there were 1461 men and 1046 women. The ratio was 1.39.

This semester the senior class is the luckiest from a girl's point of view, and the freshman class the luckiest from the boy's viewpoint.

The senior class has 316 men and 215 women for a total of 531. The ratio is 1.47 men to every woman. The junior class drops a little, their total being 437. There are 236 men and 201 women. The ratio is 1.174. The sophomore class is the smallest in the school, having only 292 members. There are 133 men and 159 women for a ratio of .836. The freshman class is somewhat larger, but its ratio is quite a bit smaller. There are 116 men and 251 women, totaling 367. The ratio is .462 of a man to every woman . . . that's getting pretty low!

My girl friend looks
 Like a perfect stranger,
 Since her face got caught
 In my record changer.

Test Applications Are Now Available

Applications for the December 13, 1951 and the April 24, 1952 administrations of the College Qualification test are now available at the Selective Service System local boards throughout the country.

All eligible men students who intend to offer this test on either date should contact their nearest Selective Service local board for application and pertinent information.

Upon following the instructions in the bulletin of information, the student should complete the application and place in the envelope provided. It is most important that these applications be mailed immediately. Applications for the December 13 test must be post-marked no later than midnight, November 5, 1951.

The Educational Testing service, which prepares and administers the College Qualification test for the Selective Service system, stresses the following points:

Cross Country Takes Fifth at UCLA Meet

Don Crie and Wayne Piercy took 14th and 15th places, respectively, as the Gaucho cross country team took fifth place at the UCLA four mile cross country meet last Saturday. Completing the team for Santa Barbara were Walter Houtz, 22nd place; Bob Cossarek, 31st place; and Bob Taylor, 36th place.

Don Wyman of San Diego State won the race, as the San Diego team placed first. Team results were: San Diego State, N.T.C., Culver City Athletic Club, San Diego State Frosh, and Santa Barbara. Eight teams entered the meet, with 40 men running.

Santa Barbara is host to the next AAU cross country meet, which will be held Saturday, October 27, at La Playa field. Distance will be four miles.

Presbyterian Choir To Broadcast Soon

The minister and choir of the First Presbyterian church in Santa Barbara have been selected to present a nation-wide broadcast, the Columbia "Church of the Air," on Sunday, October 28.

Dr. Joseph M. Ewing will be the speaker and Mrs. Emma Lou O'Brien will be the organist. Many Santa Barbara college students are members of the choir, which will be conducted by Dr. Walter Buchanan in choral selections by Palestrina and others.

The broadcast will originate in the studios of KNX in Hollywood and will be aired at 10:30 a.m. Eastern Standard time.

Gauchos Score Fourth Win Of Season With 19-12 Edge Over Whittier Poets Saturday

Coming from behind, the Gauchos scored their fourth straight win last Saturday night in La Playa stadium in the 28th annual Homecoming with a 19-12 victory over Whittier college. Trailing 6-0 at the end of the first half, the Gauchos tallied two touchdowns in the third period and one in the fourth.

Whittier jumped out in front with a touchdown early in the first period. After a quick Poet kick put Santa Barbara on their six-yard line, each team exchanged the ball on intercepted passes. However, a Gaucho fumble was recovered on their own 19-yard line by the Poets and three plays later, Whittier halfback George Sackman drove over from the 2-yard line for the score. The attempted conversion was blocked after two offside penalties on the Gauchos moved the ball to the one-half yard line. The Poets led at this point, with six minutes gone, 6-0.

Scoring Drive

Not until the end of the first period did the Santa Barbara team put together any signs of a scoring drive. Just before the quarter ended, a Santa Barbara drive bogged down and the Gauchos were forced to punt.

However, the Gauchos dominated play in the second quarter. Starting from their own 20-yard line, the Gauchos drove deep into Whittier territory only to have a penalty and an attempted pass on which quarterback Bill Davis was thrown for a big loss break up the drive.

Santa Barbara started another drive from the Gaucho 25 and similar circumstances ended the scoring threat with Whittier taking over on their own 30. The gun ending the first half of play sounded showing Whittier holding a 6-0 lead.

First Score

On the kickoff opening the second half, Ron Ternquist took a reverse from Dave Gorrie and returned it 85 yards for the initial Gaucho score. Bob Lasken's extra point gave the Gauchos a 7-6 lead which they never relinquished.

Whittier was unable to go anywhere on the following kickoff which fell dead on the Poets' two-yard line. On third down they punted and Santa Barbara took over on the Poet 45-yard line. With Bill Davis doing the pitching and Dave Gorrie most of the catching, the Gauchos drove to the Whittier 16-yard line through the air. Davis hit Adran Adams with a pass in the end zone with the clock showing five minutes of the third quarter elapsed and the Gauchos holding a 13-6 lead. Bob Lasken's try

for extra point was no good. The remainder of the third quarter found most of the play in midfield with neither team driving past the opponents' 30-yard mark.

Whittier Recovers

Early in the final quarter, a Gaucho fumble was recovered by Whittier on the Santa Barbara 23. A pass netted the Whittier eleven 14 yards down to the Gaucho 9 with first and goal to go. A determined Gaucho forward wall held the Poets to six yards in four plays, the Gauchos taking over on downs on their own three-yard line. Punting out of danger, the Gauchos held Whittier for four plays, taking over on their own 33 on downs.

After a Santa Barbara pass was intercepted, Whittier fumbled on the following play with Kemp Richardson recovering for the Gauchos on the Whittier 46. Four plays later, Ron Ternquist broke off left tackle for 22 yards and the final Gaucho score. Lasken's conversion attempt was no good and with four minutes left, the Gauchos were sporting a 19-6 lead.

Final Tally

Whittier took the ensuing kickoff and in three minutes and five plays traveled 63 yards for their final tally. George Sackman's pass to Jerry Porter gained 43 yards to the Gaucho 11. With 50 seconds remaining in the game, Gordon Siemens crashed through center from the one-yard line to score. Frank Chiros' conversion attempt was no good, the score board showing the Gauchos holding the advantage 19-12. An onside kick was attempted by Whittier but to no avail as the Gauchos were in possession of the pigskin and in their four downs ran out the clock.

Educators Gather For Research Parley

(Continued from page one)
 Simpson, state superintendent of public instruction, E. A. Jacobson, Santa Barbara superintendent of public schools, and Provost J. Harold Williams.

"Are We Putting Research to Work" was the topic of the morning address given by Dean William A. Grownell of the School of Education, U.C. at Berkeley, following which the delegates divided into eight section meetings for various discussions.

Herbert S. Conrad, U.S. Office of Education in Washington gave the afternoon address and Dr. Edwin A. Lee, dean of education at UCLA spoke in the evening. At 9 p.m. Santa Barbara education department, Santa Barbara college, played host at a social hour in the Cabrillo pavillion.

The conference ended Saturday with a speech by Dr. Joseph McDaniel followed by a business meeting.

Hilltop Talk . . .

Another Homecoming has come and gone. All the big doings are over now, but talk still lingers on about the many things that happened . . . most of it about the game and the prizes.

Congratulations to all the groups that won all those trophies . . . the floats and house decorations could not have been better. The Delts must have really had a terrific time in the parade . . . acting just like they naturally do singing all those songs. And the finishing touch on the SAE float was those saddle shoes . . . whose brilliant idea was that? Kenny Kellogg was seen trying to carry on a conversation with a carload of fellas in the parade . . . what was it he didn't want to tell the public?

An enormous crowd turned out at La Playa to cheer the Gauchos on. Shirley Melshiemer-Jack Hoskins, Nancy Whitman-Ken Dietrich and Mary Otten-Dave Daniels were yelling their lungs out. Also cheering loudly were Pattye Reily-Adran Adams, Marlene Maag-Don Sherwin, and Bev Looper-Don Bradshaw.

The Delts had three or four or more parties going on. Barbara Rasmussen-Bob Holland, Roxy Marble-Dalton Hatch, Carole Wells Al Lewis, Joan Ortman-Alec Haides, Bette Etter-Foster Stanfield, Connie Harder-Don Noble, and June Murphy-Bob Lasken had fun all the places they went.

June Murphy and Benny Droste had a gala cocktail party at their apartment, and Marvel Blakeman Jones and husband Bud had guests in for a party at the Ming Tree.

Barbara Lettie-Chappy Bortz, Ruthe Manning-Larry Taylor, Jackie Baciu-John Stead, and Barbara Mulaney-John Smith were really in high spirits for all the activities.

Pulling a sister act were Thelma and Carol Fintzelberg. Carol and husband Bob Shipman came up for homecoming and double-dated with Thelma and Dave Townley. Imagine the two sisters' surprise when they showed up wearing identical dresses and accessories.

"Five," William Phipps, Susan Douglas

UP ON THE HILL . . .

By Joe Costantino

UP ON THE HILL . . . the question is repeatedly asked, "Just how do I carry on all these activities, and still maintain my grades?" There have been a few geniuses who have been able to maintain a high level of accomplishment in both fields, but these have been indeed rare. Most of us find that we have to rob Peter to pay Paul, and the result is that our studies usually suffer . . . since they are less fun.

There is one possible solution. Every school needs the extra-curricular activities. Why not give academic credits to the people who work long and hard on such activities as *El Gaucho*, Student Council, *La Cumbre*, and the various standing committees? For instance, a student gets much more practical experience, and actual know how out of working on *El Gaucho* than he would from reading the ideas in a book.

Why not have our journalism class put its students on part time work at *El Gaucho* with full credit for all articles turned in? The same could work for student council members. Give them three units

elective credit for each semester's service. Therefore, a student could carry 12 academic units, plus an activity for which he would receive 3 units, and therefore have his full quota of 15 units.

This isn't too hard a problem to work out if the administration would set about finding a solution. I'm not talking about a facet of college life that effects just a few. We're a small campus, and almost everyone has to pitch in on events such as Homecoming, Roadrunner, and such other activities. Lately there has been much talk about the poor quality of some of the student productions, and a little investigation will reveal that it is not lack of talent . . . it's lack of time that is lowering our standards. We have an over-abundance of talent. We just need the time to develop it. (Ed. note.: Amen!)

EL GAUCHO

Published every Tuesday and Friday during the school year except during vacations and examination periods by the Associated Students of the University of California, Santa Barbara College, Santa Barbara, Calif. Opinions expressed herein are those of the staff unless otherwise indicated. Entered as second-class matter May 23, 1947, at the post office at Santa Barbara, Calif., under the Act of March 3, 1879. Mailing charge is \$2.00 per year, payable in advance.

The same thing happened last year too.

Bob did a very good job of leading yells along with other alums Bob Lorden, Vic McCarty, and Bill Cunningham, all former yell leaders up here.

One of our favorite alums, Ted Knudsen, greeted many, many old friends with Sally Carter. Al and Greta Hardy renewed old acquaintances, too. They're taking off for Brazil in about six months and will be gone for three years. It'll be quite a long time before they see another Homecoming. Bob and Patty Woolridge were also among the alum rooters as were Max and Mary Diamond, Dick and June Church, Lucy and By Kimball, Berry Armer Worsham and husband Dwight.

An old familiar pair were together again when Teo Rodriguez came up from San Diego, where he's teaching, to enter into Homecoming activities with Nancy Ashley. Laird Stabler is another one who returned for Homecoming and Elouise Butler. Suzie (Smith) and Gordon Chauncey also entered into the spirit of things.

Barbara York-Bill Myers, Ellie Denholm-Don Melvin, Pat Smith-Dick Stratten, Marilyn Baymiller-Joe Zoller, and Jill Kerns-Phil Bostwick were among others at the events.

Myra Jaccard and the other Spurs were probably the most flabbergasted of all when their received third prize in the organization entries in the parade. They hadn't even thought about winning anything at all.

So ended Homecoming 1951.

History Club Meeting Tomorrow Evening

Gen. K. E. Koenig, U.S. Army Ret., will be the speaker at the regular History club meeting, Wednesday, October 24th in the AWS room, Alan Collins, club president, announced.

Gen. Koenig, who has travelled extensively and is an expert on military affairs in the Near East, will speak on the present situation in Iran.

The meeting will start at 7:30 and there will be a discussion period following the talk. Refreshments will be served and the meeting is scheduled to close at 10:00 p.m.

FROSH MEETING

A required freshman class meeting will be held at noon Thursday, October 25, in the auditorium.

INFORMAL TALKS ARE SET FOR MEET

Coming attraction at the next CSTA meeting, to be held Thursday, October 25 at 7:30 p.m. in the AWS lounge, will be informal talks by three first year teachers from Santa Barbara schools. Their topic will be their experiences in first year of teaching.

Another topic of interest will be the planning of a regional conference to be held in Los Angeles.
