Beta Sigs Sponsor Football Hop Tonite At Montecito Club

Post-game dancetime this week will commence at the "Fumble Stumble" sponsored by Beta Sigma Chi fraternity. The Montecito country club will be the scene of tonight's after-game dance. Beginning at 10 p.m. and continuing through 1 a.m., music will be supplied for the dancing by Al Coffman and his orchestra.

Admissions Limited

The price of admission will be \$.50 per person, and the sale of tickets will definitely be limited to a number which will comfortably fill the dance floor. A few admission tickets will be sold at the door of the dance, with the majority of tickets having been sold on campus during the school week.

Beta Sig President Stan Darrow is in general charge of tonight's "stumble," nobly assisted by Fred Richardson in charge of the check room; Art Carter and his refreshment committee; George Graves and Dick Fox who have handled ticket sales; and the committee on decorations headed by Bob Thomas. Advertising for the dance has been handled by publicity chairman Bob Morlan and Dick Vanderhoof.

"Mardi Gras" Planned

Besides plans for their dance, the Beta Sig's weekly meeting Monday was concerned with plans "Mardi Gras," a traditional cos-tume party and dance, which will be held Friday evening, Decem-ber 6th. This annual event has not been held since before the war, so the stored up spirit of gaiety inspired by this event should make the "Mardi Gras" this year ization, as she outlined plans for one of the best in the history of the traditional affair.

Noted Speaker Gives Lecture

"Student Life in Europe Today" was the subject of a talk presented to students of Santa Barbara college by Miss Mary A. Dingman last night at the Alhecama Theater.

Miss Dingman, a nationally renown lecturer, recently returned to the United States from Europe, stopped in Santa Barbara for several speaking engagements while on a lecture tour of this country. She was brought to this city through the auspices of the As-sociation for United Nations and the English Speaking union, who made it possible for students of this city are able to be smooth this college to hear her speak.

Statistically, the Cal Aggie Mustangs will be the favored squad by a minimum margin in tonight's grid classic in a game preceding the climatic homecoming contest at La Playa field, but it is very probable that the Gauchos could very well take tonight's game in good stride judging by the improved incentive that has been displayed in

Campus Beauties Vie for Annual Queen Honors

Santa Barbara's traditional Homecoming queen will be elected Wednesday, November 20, by popular vote of all male students. She will be chosen from entries made before 3:30 p.m. today.

All women students are eligible for candidacy. Each Greek or-ganization traditionally sponsors a candidate; but the AMS, direc-tors of the chartier control of tors of the election, urges all groups interested to contribute an entry, or if so desiring any girl may independently enter the com-petition. To be eligible for the election, applications must be in Dean Jones's office by 3:30 today, and **must** be accompanied by a picture.

The election will be held Wednesday, November 20, at an AMS meeting, where the queen will be

chosen by popular vote. The queen and the queen's float will be featured at the Homecoming parade, and immediately following, the queen will be crowned at the Galloping Gaucho Review, and thus inaugurate her reign over the remaining Home-coming festivities, which include the football game and the dance.

recent contests, particularly with the Nevada Wolves last week. Mustangs Tie Stanford J. V.

To date, the Aggies have three losses and two ties. Most recently the Mustangs tied the Stanford Junior Varsity ,14-14, in one of their typically hard-fought battles. Prior to this tilt, the Mustangs also tied the Humboldt Lumber-jacks, 7-7. The game was made even more difficult by the natural conflicting element of a potent wind which deflected passes and added uncalled-for yardage to long punts. The Humboldt squad had previously downed both the Chico Wildcats and the San Fran-cisco squad. The tie adds signifi-cance toward the conviction that the Cal Aggies are full of sur-prises this year and are an over-whelming machine once they start rolling.

Cal Aggies Downed by Tigers and Ramblers

A week before the Mustang-Lumberjack tilt the Cal Aggie eleven was dumped by an invading Chico club, 13-0, in a much closer game than the score seems to indicate, and prior to this contest the California Ramblers cop-ped a 21-14 win over the Aggies before a stadium-packed crowd at Berkeley.

Although the Mustangs lost these games their defense work was excellent and their ground gaining described as very good. Had it not been for an intercepted pass in the latter battle, the score could have very well been reversed.

Here's the Cal Aggie record:

Cal Aggies 6, S. F. State 13; Cal Aggies 14, California Ramblers 21; Cal Aggies 0, Chico State 13; Cal Aggies 7, Humboldt State 7; Cal Aggies 14, Stanford Junior Varsity 14 Varsity 14.

Groups Having Floats Meet Next Week

There will be a very important meeting at 3:15 in the AWS club-room Monday, November 18, for all organizations or groups who are entering a float or car in the Homecoming parade. There must be a hundred per cent turn out at this meeting, so all organiza-tions are urged to have a representative there.

Final plans will be made. If a representative is not present, then his club will not be given a place on the itinerary of entries.

Entry Fee Those entering a float should bring an entry fee of \$1.00, and those entering a car should bring 50c. This fee is to help cover the price of awards. Anyone planning an entry who has not given formal notice must be present.

Dick Woods is construction advisor for the parade. Anyone wishing to obtain suggestions or advice should contact him, according to Ed Roeth.

In charge of making these signs is Bonnie Stratton. Serving with her on her committee are Connie Peugh and Lois Ripple.

"We hope students will help us in this campaign to keep the campus clean," state Donna Thomas, Las Espuelas president. "The ap-pearance of the school is import-ant both to us and outsiders who draw thenr first impressions from the condition of the grounds."

EDITORIAL

This week, for lack of a topic for the column, I conducted a poll. What I mean is, I asked two fellows what subject was foremost in their minds, and quick as a flash before you could say "Public Law 346," they came back with, "How do you wrap 65 bucks around the post-war life?"

Now this, I maintain, is a very good question. It is unfortunate that there are no good answers, but the subject is doubtless dear to the hearts of all vets who are seriously trying to carve for themselves a little slice of the American dream.

All of which brings us to the crux of what we've had in mind all the time: namely, the 175 dollar limit placed on the incomes of single students, and the 200 dollar limit in the case of married students.

INEQUITIES OF IT ALL

The inequities of the bill fixing these arbitrary limits are easily apparent. That which we consider the most gross, however, is the arbitrary figure set, which is considered to be adequate. Considered adequate by whom, to be a sufficient amount for whom? Here it should be pointed out that this bill was not aimed at students taking part in the educational benefits, but rather at the On the Job Training Program. One case: the son of the president of a large manufacturing concern was found to be drawing on the job training pay while he was "training" for the job of vice-president, and being paid 700 dollars a month by his father.

It should be said, furthermore, that this bill was passed by a parliamentary trick in the closing days of the congressional session, and a vote was never taken on it. This last in defense of those recently defeated congressmen whose opponents waved a flag and cried Communist, often and loudly.

To continue, the bill has the effect of putting a premium on not working. It discourages the enterprising vet who may have commitments and responsibilities to an extent which demands more money the drain along with whatever than the limit allows. Should the working vet be penalized for his else it might have accumulated parade is expected to include apneeds?

It looks, on the whole, very much like the old story in which the veterans get sold a bill of goods. While there is no relief in sight from this legislation, we can look forward to a better deal after the next congress meets, if you can believe the promises of politicians. Veterans organizations are leading the fight in Washington, and soon it may again be legal to earn enough money to support a family, a car, and creditors.

There was a wide difference of opinion as to what bands and vocalists were popular on the campus. One person said he was sure Goodman would win any popularity poll taken. An-other said that Goodman was definitely through and that Tex Ben-eke would win. The argument went on to vocalists and small groups with no one agreeing.

Who Is Favorite?

Now do you have some band that is your favorite? Would you to see that band acclaimed like most popular on the Santa Bar-bara campus? You're about to have your chance to do something about it.

Crax on Wax is starting a popularity poll! The categories we will ask you to vote for are favorite band, male vocalist, female vocalist and small group (such as King Cole, Andrew Sisters, etc.) If you happen to have any special likes such as a certain song, certain tenor sax player or even hill-billy outfit add it to the bottom of vour list.

THE CAMPUS 🖧 CORNER

After all this "California dew," we ought to have some purty flowers to dress up the floats for the Homecoming parade — that is if they haven't all been washed away.

We have something to keep you from having that "washed away look". (Yuk, yuk, we sure worked that in slyly!) It's a sure lure—beautiful, becoming, bewitching -a dress that is a classic. It's in Sequoai Gabardine with simple and casual lines. A variety of soft shadesmaize, melon, aqua, grey, cocoa and beige. You have to have one and why not for only \$29.95?

Want to be the envy of your boarding house? Here's something to charm your roomies with-Tommycoats for good sleeping, good lounging and they're good looking. Won't bust your budget at \$2.95.

VETS VUES

Election of officers was the main order of business at the Student Veterans' meeting held last week at the University Village.

The club's biggest turn-out was witnessed and ballots were cast for candidates. Virgil Bryan was elected to preside over the newlyorganized club for this and next semester. Other officers include Lucille Vaughn, vice-chairman; Lucille Vaughn, vice-chairman; Kiss Giving, recording secretary; Chuck Roberson, corresponding secretary; Shirley Wolfe, treas-urer; and Hal Williams, sergeantat-arms.

Other business on hand consisted of appointing committees to handle arrangements for the dance to be sponsored by the club on Friday, January 10. Al Schab was appointed dance committee chairman.

Much discussion was held on possibility of obtaining a seat on activity control board by a member from Student Veterans. Because the veterans make up at least 50 percent of the student some representation for them. Petitions were circulated in order to bring it before the student body for a vote. body for a vote.

SIDE LINES **By JOHNNY PLESSMAN**

Our showing against a mighty powerful Nevada Wolfpack eleven as far as the scoreboard shows, 48 to 13, could mean a terrific lacing was administered our boys. But, loyal fans, once again, this writer comes to the rescue to show that our journey to Reno produced more than just a beating.

Nevada was far the better team Saturday and credit must be given where credit is due. Bill Bass, their stellar left half, made two of the Wolves' touchdowns and looked non-stoppable in the important role he played. Bill MacKrides, Nevada quarterback also tossed a Navy Quint Crushed number of passes to keep Nevada high in to top ranks of the nation. The Wolfpack gained 175 yards from passes, but made less in the Gaucho game than any other game for the Wolves this year. In the By SBC Hoopsters kicking role, Horace Gillom, the nation's leading kicker was beaten at his own game by Jack Miller, who averaged over 16 yards per try more than Gillom.

TOUCH-DOWN BOUND

Another of the Sagebrush boys who was continually in our hair ball team scored a 53 to 20 vicwas Kalmanir. This prairie lad ran 55 yards for one of the Nevada tory over the Fall River navy touchdowns, and assisted the Nevada running attack in several other quintet Monday afternoon in a practice game on the Community notable occasions. Center court.

Max Diamond looked like the Diamond of old, as he ran wild on a pass from Buck Billinger in the last seven minutes of play. Billinger was throwing his passes the last part of the game in the way that Stan was hoping his quarterbacks would work all season. On the last play of the men. The Gauchos played of the game Billinger passed to Al Katich, a made-over end, borrowed good defensive ball, holding the from his center position, because of a shortage of available Gaucho flankmen. Al pulled the pass down in the end zone for a touchdown, thereby assuring himself the end position against the Cal Aggie's period. team today.

LOSS TO SQUAD

Willy Peters, Gaucho left end and all-conference material, was dropped from the squad before the Nevada fray because of scholastic difficulties discovered by Coach Williamson. Stan had no alternative other than to cut Willy from the team. Peters is a wonderful ball them to improve. player. Some professional team will gain a whale of an end in Willy Peters.

PLAYERS COMMENDED

Gaucho players who were commended as playing good football last Saturday were Fred Lloyd, who threw several fine passes, Alex Ayala, tackle who played standout ball, Captain Elston Golson, who was praised for his fine showing by the Reno sports writers, along with Tommy White, who broke up the Reno passing game as well as making some brilliant interceptions. Templeton at tackle also played a fired-up, bang-up game of football.

Other setbacks to our squad were Bob Bowman who contracted Brewster flue and lasted only two minutes in the game, Gerald Swift with a De la Torre separated shoulder, Bob Wooldridge who suffered a fractured rib in an automobile accident and aggravated the injury Saturday. George Morrison Anderson at end, also started the game but was taken out with a bad Humphreys knee

The Cal Aggie game this afternoon should be a victory for us. The Aggies have lost three and tied two, against rather questionable opposition. The only comparison we can draw, however, is by our 19 to 6 victory over Cal Poly, while the Poly squad edged out the Staters by a 7 to 6 score.
