

# THE EAGLE

VOL. I.

FRIDAY, NOVEMBER 7, 1923

NO. 6

## GLEE CLUBS PRESENT CONCERT

### FOOTBALL TEAM TO ACT AS HOST

### BIG DANCE WILL BE GIVEN AT HOTEL DECEMBER 20

The football team is planning to put on a snappy dance at the Arlington hotel on December the twentieth, managed by the team under the direction of Coach Gilliland.

The object of the dance is to raise money for emblems for the football team. The gate receipts of the past games of the season have not amounted to enough to cover this additional expense.

A very different plan is to be tried at this dance. It will be a program affair, the programs being sold before hand at a dollar per. These programs are to be very original and clever, the exact nature will not, of course, be disclosed, but it is rumored that they will pertain to football.

The dance will be formal, and will start at eight o'clock. Frank Greenough's orchestra will furnish the jazz.

### A. W. S. TEA HELD SATURDAY P. M.

The A.W.S. are holding a "Get-acquainted" informal tea this Saturday from 2 to 5 p. m. The hostesses for the afternoon were chosen by Marian Ogden, the chairman of the social committee. The town was divided into sections and a hostess picked from each section. The girls go to the home of the hostess who lives in their section. It is the hope of the A.W.S. that the girls in this way will find out who lives near them and become better acquainted.

The girls are asked to bring something to keep their fingers busy while they visit. More than likely Christmas will profit by this.

The hostesses for the afternoon are:

Rae Harrington, Alma Roenigh, E. Barnett, Barbara Higgins, Bertha Fuller, Florence Foy, Ruth Tisdale, Irene Cameron, Mary Ratiken, Margaret Cronise, Florence Potter, Frances Jones, Clara Zeigler, Gertrude Ramsey.

The names of the hostesses and their guests are posted on the bulletin board in the girls' club room. Any girl whose name is not there should see Dean Westcott.

All the girls who were asked to Irma Starr's tea are requested to be present at Frances Jones' at 1921 Bath street, instead.

### FRESHMAN FROLIC NEXT TUESDAY

At last the date has been set! After weeks of vague rumors, whispered gossip, and secret rehearsals, the long awaited Freshman Frolic is to be presented to the expectant public, in goodness knows how many scenes, or acts, or reels, or whatever those divisions are called.

The idea for such an entertainment a la Ziegfeld originated in the fertile minds of George M. (Vic) Dunne and Florenz (Al) Baranov over a month ago, and since then the student body has awaited with breathless anticipation further information, but until the "Eagle," with its customary enterprise (adv.) appointed a member of the staff to learn the particulars from the sponsors (see above) dead or alive, no further news had been secured.

Herewith the "Eagle" presents the results of its investigation. (The sponsors are still alive).

The entertainment was to have been given in the court on a Friday evening, but owing to the fact that so many other social functions come at this season, it was decided to give it next Tuesday, December 11, the fourth period.

Here is what the student body  
(Continued on Page 4)

### CHRISTMAS DANCE TO FOLLOW CONCERT

The Student Body Christmas dance will be held following the Glee club concert on December 14, in the gymnasium. It is expected that a good crowd will attend this double header program, for it is the only thing of its kind offered throughout the year.

Besides the good music furnished by the Glee clubs, a good dance orchestra and all sorts of entertainment are to be provided for this particular evening.

### OUTING CLUB PLANS HIKE FOR TUESDAY

Tuesday afternoon the Outing club will hike to Bothin's Lookout, maybe! The last hike was called off because only six people signed up, and three of these backed out at the last minute. Unless more spirit is shown, the Outing club will cease its activities, for lack of interest will kill any organization. Let everybody get behind the club and put over the schedule. Show a little interest in this hike; get the hiking habit! Put your name on the list, then go!

### PRESIDENT PHELPS REPORTS ON MEETING

President Phelps reports an interesting and worthwhile meeting of the Committee of Educational Relations which convened on November 25, in the president's office at the University of California.

Fifteen representatives including those from the State Board of Education, the Superintendent of Public Instruction, the Commissioner of Secondary Schools, the President and Controller of the University, Dean B. M. Woods, Chairman of the University Committee on Educational Relations, and Regent Dickson of the University and delegates from the Teachers Colleges, attended the meeting.

(Continued on Page 3)

### ALUMNI ASSOCIATION WILL HOLD REUNION

"The S. B. S. T. C. Alumnus is noted for brightness, not dumbness,  
For he stretches his tether  
In all sorts of weather  
And balks at too much 'stay-at-hum'-ness."

The above is not a classical quotation; it is merely the product of the high I. Q. of one of our fun-loving profs who is prominent in education circles. The purpose of the jingle was to put the recipients of the very attractive letters announcing the Alumni breakfast at the Biltmore hotel in Los Angeles, December 21, in such a good humor as to assure their immediate decision to attend.

The guest of honor and speaker at this reunion will be State Superintendent Will C. Wood. It is the desire of the Alumni to prove the reputed activity of the Santa Barbara organization by a large attendance of its members.

Reservations for the breakfast at \$1.60 each must be made by check or money order to Mr. E. Bangerter, 4312 Raymond avenue, Los Angeles, by noon, Thursday, December twentieth.

### GIRLS' BASKETBALL SEASON NEARS CLOSE

Basket ball girls are preparing to wind up the season before Christmas vacation. As the schedule now stands, preliminary class games will be run off next week, while final games will be played the week preceding vacation. Training rules must be observed until the close of the season.

### FULL PROGRAM OFFERED DEC. 14

### DANCES AND READING ADD TO MUSICAL NUMBERS

Fourteen worth while, interesting, snappy numbers compose the program for the Glee club concert, which will be given Friday evening at eight o'clock in the gymnasium. The program includes not only singing by both Glee clubs, but special feature numbers as well. Loveliness of the vocal solo will be rewarded with various types of solos sung by both women and men. Those who have heard the cornet solo work of Phil Martin will be gratified to know that one of his solos composes one of the numbers on the program. Ralph DeBolt will give a reading. The program is varied enough to satisfy all comers.

A small admission will be charged, the proceeds of which will be used to defray expenses incurred in the purchasing of music for the clubs. Since the Glee clubs compose an activity of the Student Body, the entire support of the Student Body is desired.

Following is the program of the concert:

Down in the Woodland ..... Elgar  
An Irish Mother's Lullaby.....Lang  
Women's Glee Club  
Tenor Solo ..... Merton Harlow  
Duet .....

Jessie Lemmon and Frances Jones  
(Continued on Page 4)

### MOTHER OF MISS DUNN PASSES AWAY

Mrs. Dunn, the mother of Addie Dunn, a student in the College, passed away on Thanksgiving morning at her home. The students of the College extend their most sincere sympathy to Miss Dunn in her bereavement. Flowers were sent by the A.W.S. and the Student Body as an expression of regret.

### CANDLELIGHT SERVICE HELD BY WOMEN

A simple and impressive service was held by the Associated Women Students on November 27, in the cafeteria. Misses Isabel Lyons and Marian Ogden presided at the service. Several hymns were sung and a chapter from the Bible read. Miss Grace G. Wright of the Presbyterian church gave an intimate talk to the young women on "The Quest of the Best." The Candlelight services are held annually at Thanksgiving time.

## THE USE OF THE LIBRARY

The college library is an almost invaluable institution; the students could do very little reference work without it, and there is no doubt that it is arranged for their convenience. Our library is a fairly well equipped one for the size of the college. Every department in the college is represented on its shelves; there are books for the Junior College, for Home Economics, for General Professional students, for the Community Mechanics men and for the Art and Music sections. This is all well and good and such as a well ordered library should be.

The rub comes when we think of the manner in which some of the students regard this agency for studying and reference work. It seems that a few, we are glad it is only a few, are taking books and magazines without signing for them. Perhaps they are in a hurry, or perhaps they feel that they must have the book no matter who has signed up for it. This is an entirely undemocratic attitude for any one to take. Those students who have been careful enough to sign in advance for their books should not be disappointed. All incentive for forethought and intensive study is removed when the irresponsible student at the last minute runs in, grabs the book, and keeps it as long as he wants it with no regard for his fellow classmates.

We hope that those students who have been making a practice of this sort of thing will endeavor to change their habits, if not for their own benefit for the benefit of the school as a whole.

## THE JUNIOR COLLEGE PROM

The Junior College Prom has come to be an annual event which is looked forward to throughout the entire year. The students at the college here look upon it as the outstanding social affair of the season, while the out of town college students, who are always invited, find it as a place where they will meet again their old friends besides enjoying an unusually hilarious and festive time.

The members of this college who have just entered this year have probably heard something about the dance, but we wish to inform them that while it is not a student body affair, being given under the auspices of the Junior College, that the entire college is invited and that they are expected to take part in the dance and feel that they are welcome. At different times there has been some dissension on the part of various students as to whether the dance is to be considered a Santa Barbara College affair. It will not be advertised as such and it is not a student body dance; we want that understood, but it will be held, probably at Recreation Center, and the Junior College expects the entire college, the juniors and seniors of the high school and the out of town college students, to be their guests.

## ALUMNI NEWS

Dr. P. Mable Nelson, Home Economics department, class of 1912, is now head of the Research Department and a member of the Home Economics faculty of Ames College, Ames, Iowa. Dr. Nelson graduated with high honors from the graduate school of Yale University in June, 1923. She taught in the Home Economics Department of the Santa Barbara College from 1916 to 1919.

\* \* \*

Miss Helen Hales, who had the distinction of receiving the first degree granted by this institution, is now teaching in Riverside. Her work is with vocational classes in weaving and sewing in the settlement house run in connection with the high school there. Miss Malinda Woodworth, also an alumnae of the S. B. S. C., is teaching with Miss Hales.

\* \* \*

Miss Florence Miller, Miss Clara Fraga and Mr. William Taylor, who were members of last year's graduating class, are now teaching in the Gabriel schools.

## HOME ECONOMICS NEWS

In the last meeting of the H. E. Department, the department was favored with a lecture by Mr. Wolf on Commercial Design. Miss Bernice Gange was elected representative of this branch to the H. E. Association of Southern California convention to be held in Los Angeles preceding Christmas vacation.

\* \* \*

Miss Ebetts addressed the Woman's Club of Ventura on the subject of "Home Making." A large crowd was present, and such an interest was shown that the women are seriously considering forming a class and taking special work here at the college.

## COMMUNITY MECHANICS DEPARTMENT

By CARL WIRTHS

The working class is turning out a number of interesting things; among them are cedar chests, a piano bench, a tea wagon, book shelves, etc. One of the toy makers has just finished a coach and four with a tiny doll occupant.

Fred Segert is making a number of hurdles for the coming track season. Architectural drawing students are about to begin their fall working plans for a dwelling. Much time and thought has been spent on preparation and inasmuch as each man is planning a house which he some day hopes to build, some interesting competition is looked for.

Forge shop students are progressing rapidly considering the time spent on this subject, and hooks, chains, porch lanterns, etc., are being made. Mr. Hull hopes some day to have a tank of gas so that he may show us how to weld by oxy acetylene method. That tank has been a long time coming, just like Christmas vacation.

Lee Verrett is back with us again after a trying experience in an auto smash up. Lee's machine was reduced to scrap, but lady luck didn't desert him entirely. We expect to see him blossom forth in a new car soon.

Ellis, Le Fevre, Kilpatrick, and several others in the C. M. class went south during the Thanksgiving holidays. All look as though they enjoyed themselves immensely.

Paul M. Cradler spent the Thanksgiving vacation visiting in Alhambra. He reports that he enjoyed a good turkey dinner and a fine time.

## THE GREAT WARDROBE

Established 1886

**GOSSIP BUZZES**

Among those who went home over the Thanksgiving holidays were: Frances McLain, Pasadena; Bob Howe and Jack DeLand, Venice; Frances Drew, San Bernardino; Helen Culp, Fillmore; Irene Youngken, Sespe; Dorothea Lochen, Atascadero; Marie Girard, Los Angeles; Albert Henning and Dorothy Greaves, Fillmore.

Marjorie Lowe played for the K F H J radio station on last Tuesday.

Many of the College students and several of the faculty were present at the regular Saturday night dance at the Arlington last Saturday.

Several of the students took advantage of the vacation to take a journey to Los Angeles. Some of them were: Clara Ziegeler, Al Goesch, Lydia Miratti, Elsie Le Blanc and Maria Girard.

Charles Mansfield did not go to Bakersfield for Thanksgiving; we wonder why.

Irma Stewart, Mac Watson and Phil Jones are minus some jewelry since a burglar visited their home a short time ago. So far the guilty culprit has not been caught.

Marjorie Gates was in San Francisco over the holidays.

Dorothy Edmonson, who has been ill for some time, expects to return after Christmas.

Sonny Schoen does not seem to be able to give a good account of his doings over the Thanksgiving vacation. He says he went to San Francisco and Lake Tahoe. He also ate some turkey.

Mr. Gunther spent the Thanksgiving holidays in San Francisco. He is said to have had a remarkably good time.

Dorothy Hitchcock and Heler Erichson, former members of the College, who are now attending S.B.U.C., came home for Thanksgiving.

A new typewriter has appeared in the Student Body office. Those who have struggled with the former dilapidated wreck will be glad to have this information.

Emma Blum, a former student here, is now doing office work in Los Angeles. In a card to Dean Westcott she sent her regards to all her friends in the school.

It is said that a certain person in sporting a very good looking engagement ring. The ring appeared a short time ago on the third finger of a charming young lady from Fillmore.

Members of the football team are seen to be growing fatter since the end of the football season. Isn't there something we can do about it? Perhaps we could remove the ice cream machine.

**JUNIOR COLLEGE PROM. TO BE GIVEN DEC. 28**

The Junior College will give its annual Prom at Recreation Center Friday night, December 28, at 8 o'clock. Frank Greenough's orchestra has been engaged to make the occasion a merry one. This group of six boys will be the same that made such a brilliant showing at the California theatre a few weeks ago. A large crowd is expected, as all the College students and Alumni are to be invited.

In accordance with a custom that the Junior College has had since the Prom became an institution, all home-coming college students, all alumni of the S. B. H. S., and high school seniors and juniors will be invited.

The clogging class has learned about five dances now; we are expecting to see them perform in assembly at some near date.

Mary Pratt has been forced to stop school on account of illness.

Miss Mae Hamilton spent her vacation at her home in Delano.

**REPORTS OF MEETING**

(Continued from Page 1)

A discussion of how the Junior College affiliations are working out took place. President Clarke of the State Board of Education, reported on the work of the various Junior Colleges. Indications were, according to President Phelps, that relations between the affiliated colleges are highly satisfactory.

In regard to the local institution the committee expressed itself as desirous to give it as fair a recognition as any institution. President Phelps states that students from this institution will find it advantageous to secure a transcript of their records and a letter from the president before making identifications with the university. Only those students who are without full standing will have any difficulty in securing rating at the university.

A report of the rating of transfers now at Stanford showed that they ranked higher than the average for the university as a whole. The University of California showed a slightly better rating for the first semester for Junior College transfers.

**FRESHMAN FROLIC**

Continued from Page One.  
 is promised by the class of '27:  
 A chorus of fifteen or twenty or more (all under thirty).  
 The latest and best in current syncopation.  
 Some pianoflage by a w.k. student.  
 Two charming solos of a more classical nature.  
 The rest of the program remains a mystery. The Freshmen are withholding further particulars, but promise a number of surprises.  
 Much has been said of the tired business man and much has been done to alleviate his ennui, but until now, nothing has been done to lighten the grind of the student's hours. It is the sincere hope of the Freshmen and those assisting them in their entertainment, that this Frolic will be but the-ergerm of an idea, and will lead to similar, perhaps more fully developed Frolics in the future—even that such a production might become an annual affair. (Thunderous applause).

**STUDENT BODY NEWS**

Student Body officials have arranged a rally next week to arouse interest in the coming concert of the Glee Clubs. In the words of President Keeler, "We want one hundred per cent sale of tickets."  
 The addition to the constitution which concerns budgeting will be voted upon at the Student Body meeting Tuesday. If passed, this addition will make it possible for all managers to expend the money allotted to their special activity without the trouble now necessary. At present managers must secure requisitions from the secretary, which have to be signed by the president and the treasurer, in order to pay out required money for each activity. The addition to the constitution will allow the managers to use necessary money, accounting for its use weekly, without the inconvenience now necessary.  
 In all probability another article will be proposed that will change the article now existing, which includes subscription to The Eagle in the Student Body ticket. If passed, this article will make it necessary to subscribe to The Eagle, thereby providing adequate finances for the publication of the school paper.

**STUDENT'S FATHER DIES**

The school expresses its sympathy for Mable Ellis, who lost her father a short time ago. Miss Ellis attended school here until she was called home to care for her father.

Miss Edith Barnes was a guest of Ruth McMillan at her home over Thanksgiving.

**FIRST ISSUE OF A.W.S. BULLETIN RECEIVED**

"The A.W.S. Bulletin," a paper published for the intercollegiate women students of Southern California at the San Diego College, was received by the women students last week. This was the first issue of a publication which is destined to bring the Southern California college women in closer relationships through a better knowledge of the working of the respective A.W.S. organizations.  
 The activities of the local A.W.S. were prominently featured in the Bulletin. The cordial reception accorded the I. W. A. convention held here last spring, the traditional "Backward Party" given Freshmen, Dean Westcott's tea in honor of the girls, and the organization of a W. A. A. here, were all mentioned as items of interest to the entire association.

"Women's Power" was the subject of an inspiring and enlightening article by Dean Westcott, which appeared in the paper.
