Roadrunner Revue Scores; 2,000 See State Production

Program Includes Dances, Skits, Musical Numbers; Band and Glee Clubs Participate in Show

If an attendance of 2000 townspeople and collegiates at the Fox Arlington theater for the Third Annual Roadrunner Revue last Thursday and Friday nights mean anything, the Revue was an outstanding success.

"Gump" Gumpert, capable director of the Revue, was instrumental in bringing a great deal of variety to the Revue program through skits, musical numbers, dancing numbers and comic scenes well-produced.

Renata Maccianti's interpretation of an oriental dance was particularly effective and thoroughly appreciated by the audience. The movements of the dance were graceful and the interpretation excellent.

Men Impersonate Women

"Donk" Hart as the flowing-tressed Spring in the Spring ballet was as good an impersonation of femininity as may be found anywhere. "Lollipops," a dance performed by the Anacapa club was a laugh-riot and was heartily applauded. A negro quartet consisting of Hill, Shands, Hinton and Christopher sang negro spirituals and popular songs.

The trio—Tim Cornwall, Bobby Goux and "Bud" Lambourne who have performed at every production of the Roadrunner Revue were better than ever. The first encore for the trio was for their fine rhythm and singing but no doubt the audience demanded the second encore to find out whether the mustaches worn by the singers would stay put for another appearance.

"Solitude" and "Star Dust," numbers executed by the instrumental trio was well received. The trio was made up of Bradford Tozier, violin; Evelyn Mellinger, harp and Bob Tenscher, vibraphone.

Dances Received Well

Betty Nye and Albert Ruiz danced the "Rumba" and a waltz. Both these performers have been popular entertainers at Rockwood dances. "Three Shades of Blue" by Anita Cochran and Emma Lou Eppel was played on two pianos.

Much of the success of the Revue was probably due to the clever arrangements played by the band. A musical score of "Metropolis" was performed in a professional manner.

Audience Receptive

There was a total of 19 numbers on the Roadrunner Revue and the fact that the audience seemed to be interested until the last number was concluded proves that the Revue was well-arranged.

The total receipts taken in from the Revue have not been computed since all the bills have not yet come in.

Large Attendance

The attendance outnumbers the attendance at any of the former productions of the Roadrunner Revue. On Thursday night attendance totalled 781 and 1219 on Friday night.

Faculty members who assisted in producing the Revue were Miss Hazel Severy, Mr. Walter Cheever, Mrs. H. M. Davis, Mrs. H. M. Barnett and Mrs. Margaret Bennett.

Students Plan Tour of Orient in Summer

Bud Lambourne, Timmy Cornwall, and Bradford Tozier are leaving July 26 on the Dollar liner, President Lincoln, for a summer tour of the Orient. They will play in the ship's dance band.

Bud will play the trumpet and guitar, Tim the saxophone and clarinet, and Tozier will play the violin. Carl Kriebs, organist at the Fox Arlington will play the piano, while George Watson and Bob Lowe of Ventura will play drums and violin.

Library Exhibits Fraternity Award

In the library case this week is the plaque won by Kappa Omicron Phi, national home economics fraternity at the national convocation held last year in Canyon, Texas. The plaque has inscribed on it "Theta Chapter, Santa Barbara, California, 1935."

Students Have Grand Outing on Island Trip

To the tune of Tiny McCullough's bell, the first boatload of students set off over the dark water, at midnight, following the Friday performance of the Roadrunner Revue—to forget about their troubles and have the usual good time enjoyed on the annual island trip.

With McCullough on lookout in the crow's nest aiding Captain Ira Eaton on the bridge, the trip was made successfully, in spite of rough seas. It was not until the wee small hours of the morning that they disembarked on Santa Cruz island to hob-nob with the sheep in an exciting three-day adventure.

"We had a perfect time and we sure didn't want to come back," was the unanimous statement of fifty-three students who took the Outing club trip to Santa Cruz last Friday, Saturday and Sunday. "What did we do? We fished, hiked, swam, slept, played games and even made fudge."

Two trips were made by the "Pelican" captained by Ira Eaton; one at 12 o'clock Friday evening and one at 10 the next morning. It is reported that only three people were sea sick on the trips, although the water was rough. No excursions around the island and to points of interest were taken because of heavy ground swells.

Trips in Bob Way's two-knots-an-hour motor boat, long hikes to Mount Diablo and companionable hours before a fire highlighted the three day stay. The weather, much better than in the city, induced

All Sports Dinner Fetes College Stars

Preceding the annual Junior Prom the All-Sports banquet, will be staged in the college cafeteria, Saturday evening, May 18 at 6:30. This banquet is being sponsored by W.A.A. in honor of the men and women who have participated in any of the athletic events on the campus throughout the school year.

A snappy program has been planned, with Harrington "Pop" Wells, acting as toastmaster, and Bumpy Moore in charge of the all-talent entertainment, which will be staged at various intervals. Frank Perry, of the Chamber of Commerce and Field Meet, Clarence Schutte of Santa Barbara high school and Dr. Charles Jacobs, chairman of faculty athletic board, will be guest speakers of the occasion.

Following the banquet all the students are asked to attend the semi-formal junior prom, to be held in the quad. A small charge of 50 cents will be made for students attending the banquet.

"It is a student body activity and is up to the students to put it over. If this dinner is successful we hope to have it an annual affair," is the comment of the sponsors.

Tickets are being sold by students on the campus. They can also be purchased at Fred Allred's office. Price is 50 cents.

All-American Won by Local Publication

El Gaucho has once more won the highly coveted All American Honor rating, according to word-received by Miriam Firkins, editor of the paper for the last year. This is the fourth consecutive year that this honorary award has been given to the newspaper of Santa Barbara State college.

All American rating is the highest possible rating given to any publication entered in the contest sponsored by the National Scholastic Press association, which meets at the Department of Journalism, University of Minnesota, in Minneapolis, Minnesota. The paper is judged on general makeup, editorials, entertaining features, literary features and headline writing.

There was little of adverse criticism written in the grade chart and the general appearance of the front page was highly praised. This judgment was made on the papers of the first semester.

Extends Thanks

Thanks, everyone!

Another great Roadrunner Revue has passed into the history of Santa Barbara State. It has meant hours of real work on the part of each member of the cast and staff, and it is this combined effort that has made our great success possible.

To everyone who has given time and effort toward the show, let me offer hearty congratulations and thanks. Without you, the "Roadrunner Revue" would have been an empty pair of words.

Again, thanks to everyone.
ALLAN LAMBOURNE,

State Women Featured in Picture with Tennis Star; Opens Sport Shop Here

By JEANNE WOOD

Twelve State women offered their services as scenery in a series of pictures featuring Keith Gledhill, internationally known tennis player and one of Santa Barbara's star home boys, sponsored by the Santa Barbara Associates at the Montecito Country club last Thursday afternoon. The members of the organization, who make it their business to publicize the city as much as possible, will circulate the scenes all over the country in daily newspapers and through the medium of the Collegiate Digest.

Approximately twenty different poses were snapped by Monty Monakee, staff photographer of the Associates. The girls, clad in shorts and carrying tennis rackets, grouped themselves in various positions about Gledhill, supposedly receiving tennis lessons from him.

Home in Santa Barbara
Gledhill, the main attraction of the pictures, was born in Santa

Barbara and claims it for his home town. Before he went professional a short time ago, he was ranked as eighth best amateur player in the country, and shared first notch at doubles. The big, blond, smiling court flash is 24 years old and attended local schools most of his early training. He started his athletic career in Santa Barbara high school when he took every possible tennis title that the school and Southern California High School conference had to offer. His one-year attendance at State in 1928-29 was characterized by the same success. After graduating from Stanford in 1933 he entered in national matches and reached the top with little effort.

Arriving in Santa Barbara about a week ago, Gledhill has gone into partnership with Glen Hitchcock

managing a tennis supply shop on East De La Guerra street. He will remain here during this summer.

Former State Student

Regarding State athletics he said, "I haven't been following them very closely recently, but from what I hear they've been successful this year. They say that your tennis champion, Julio Bortolazzo, whose playing has been reported to me, is a promising star."

Atmosphere for the pictures was provided by Niva Freeman, Joan Drennen, Irene Minikin, Petie McKinney, Frances Kenny, Dorothy Darrow, Elizabeth Denman, Ann Seymour, Christine McDonald, Jeanne Wood, Marge Brauns and Connie Allen. Ken Noble, well known local publicity agent, had charge of the posing and other arrangements. Gledhill created a flutter among the girls when he offered to autograph their rackets and balls.

"The Valiant," a tragedy by Hawthorn Hall and Robert Middlemore will include Sydney Smith as James Dyke; Alfredo Chavez as Warden Holt; Dick Brothers as Father Daly and Marie Persons as Josephine Paris.

Phyllis English will play the leading role in "The Smell of Powder," a fast action drama by John Fitzpatrick. The part of Lavina Gibson will be taken by Mrs. English; Ruth Gibson will be taken by Jerry Walker. Eloise Watts will be taken by Mary Tone and Captain Hodges will be taken by Alfredo Chavez.

These plays will be presented in the auditorium soon for members of the class and their guests.

OUTING FOR P. E. MAJORS

All P. E. department majors are invited to their last general gathering, a mountain picnic at the ranch of Francis Jane Miller in San Marcos mountains, Sunday, May 19. It is to be an all day affair starting at 9 in the morning. Willis Anderson, vice president of the department, is in charge.

Production Proves Success

The most successful Roadrunner Revue ever presented was given last Thursday and Friday evenings at the Fox Arlington Theatre. Few of us who attended realize the weeks of continual hard work on the part of the cast and of the committee that went into those two thoroughly enjoyable evenings.

Herman Gumpertz, master of ceremonies and director of the Revue, and Bud Lambourne, general manager, didn't miss a single rehearsal no matter how insignificant it was. Their planning and friendly cooperation with the cast was largely responsible for the success of this Revue. Our hats are off to Gumpertz and Lambourne.

Miss Hazel Severy, who acted in the capacity of adviser offered many constructive suggestions which helped to make the Revue a success. Thanks are also due to Mrs. Helen Barnett, Mrs. Harold Davis, and to Mrs. Margaret Bennett.

Fred Lambourne deserves far more credit than he has received so far for his part in the Revue. Without his orchestra the performance would have been much less successful. Each member of the band attended every rehearsal and kept the spirits of the cast at an enthusiastic pitch with their splendid music.

Our thanks are due to Mr. Louis Christ and Mr. Robert Rothwell of the Fox Arlington theatre. Their untiring interest and enthusiasm were of untold value to the members of the cast who contacted them. Billie Winters, Mary Margaret Winters, and others were responsible for the stage set which was designed by Mr. Walter Cheever of the Art department.

Proceeds from the show will be used to put over the La Cumbre. In fact the success of the annual was dependent on the success of The Roadrunner Revue. Buppy Moore, advisor for the Revue, has had three years of experience working on this annual production and our indebtedness to him is now greater than ever. His continual work and his original ideas as well as his act with Jack Knight and Sid De Rosa contributed much in putting the Revue over the top.

The show consisting of twenty-five acts was a credit to Santa Barbara State College affording the college much favorable publicity downtown.

All American Honor Rating

Congratulations are also extended to Miriam Firkins, present editor-in-chief of El Gauchito, for winning an All American Honor Rating for El Gauchito.

For the fourth consecutive year El Gauchito has received an All American Honor Rating which is the highest award given by the National Scholastic Press association. Out of a possible 1000 points El Gauchito scored seven hundred and seventy-five for this year.

The N.S.P.A. receives college papers from all over the United States and each paper is judged in its own class. To win the coveted All American Honor Rating is the greatest achievement an editor can attain, and is a goal which is only reached by hard work.

Traffic Violators

According to Thomas Keating, a former student here at State and at present a member of the police force, a number of college students have been cited for violation of certain traffic regulations.

These infractions although not serious are punishable by one or two methods. A fine ranging from five dollars on up may be imposed or the violator may attend a traffic school which is in session two or three times a week and in addition have his driver's license suspended for specified amount of time.

Not only is this a hardship on the person in question but it is also a reflection on the State college. In the future it may benefit us to "Better be safe than sorry."

Swimming Meet

State's first intramural swimming meet which was staged at the local Biltmore pool last Thursday marks a step forward in the expansion of our athletic program to include more minor sports in our activities.

Although no records were broken and the times could have been improved, the spirit shown by the fellows entering the events proves that with the proper backing and a little coaching Santa Barbara State can develop a team which will be able to compete in the best of aquatic circles.

Those who lay the blame on the other fellow never lay corner-stones for successful careers.

Attention Officers-Elect

Congratulations officers-elect for 1936!

By electing you to lead them in their activities for the coming year, the Santa Barbara State college student body have shown that in you they repose utmost trust and that they have unlimited confidence in your ability to conduct the business of State in such a manner so that nothing but credit will reflect back upon our institution.

It is up to you to see that this confidence is not misplaced.

Elections are now a thing of the past and any party lines set up during that time should be forgotten. Personal prejudices should be set aside and all should cooperate for the betterment of our campus.

Again, congratulations and may you be successful in all that you undertake.

Art—Music—Drama

By C. BRUCE TOMLINSON

It has been a busy week for revue-ers and reviewers with so many events occurring so rapidly in succession (including two examinations). We began last Wednesday by hearing the Compinsky Trio at the Woman's club, a group becoming very familiar to radio audiences. They have been brought to the west coast by U.S.C. and they plan to call Los Angeles their home. Outside of their incomparable trio playing, things interesting to note are their youth, their being two brothers and a sister, and the two string players custom of playing from memory—a rather extraordinary feature, though there is now a quartet in New York doing likewise which makes us wonder if it will become a widespread practice.

The Roadrunner Revue was a swell show as you all know—thanks to Gumpy and the Fox and everyone concerned. Our comments (on Friday)—As an amateur show, the entertainment standard was high; though a few acts fell flat, notably the Anacapa Ballet, which rocketed to great heights and then fizzled dismally. The show seemed long—probably so Thursday, and Lady Fate's Bank Nite stall on Friday was more than an incident. Even so, where as many individuals are incorporated, single appearances should be the rule. Wherever possible, acts should have succeeded each other faster, and in a few cases been shorter. But all summed up, it was a very creditable show.

"A Night at the Opera" with three of the merry mad Marx brothers revived our interest in them mightily. There were eleven scenes in the very best Marxian manner, and what we would like to emphasize is that it is a stage and not a screen manner. Their rapid-fire quips and pranks are hardly suited to a camera's motion, and in the flesh their insane personalities are infectious. Santa Barbara "previewed" the show because, as Mr. Christ said, it represents the most sophisticated audience in the United States. I think Santa Barbara okayed it. More important to the show, Irving Thalberg et ux, sitting behind us, seemed to okay it too.

On the same bill was "Enter Madame" (Landi-Grant), an adaptation of a stage play which we saw in our infancy at the old Potter Theater (Community Arts) with Paula Gates as Madame and Reno Becchio as the cook. Most certainly a first impression hinders an unbiased second. No doubt distance and time lend enchantment. We admit we are prejudiced in favor of the stage. But just compare the two dinner scenes, for instance. Instead of a group picture, the screen flashed a series of individual facials with a single shot of the whole set which Hollywood seems to consider a sufficient introduction. It is, if you sit through the second show (we often do); but we cast our vote for more comprehensive shots and fewer changes. Anyway and anyhow, the audience liked the show.

If any of you are in the public library before the 23rd drop into the art gallery for a few minutes and view the school art exhibition. State College has a fine showing, along with the School of the Arts and the public schools. You will be surprised at the primary grade work; just think back over what you did as a child.

The Mozart Society concert Sunday evening was the last of the season's charming 18th century musicales in period costume at one of Santa Barbara's historic adobes. We suggest it as a change from the restless rowdy age we exist in. The sonatas one for two violins, one for flute, and a third for two flutes were the most interesting and best-performed compositions of the evening.

Announce New I. E. Courses

Next semester Santa Barbara State will have a new course on Garden Planning and Landscape Architecture in the industrial education department, it was announced recently by E. E. Ericson, department head.

It is a practical course in garden planning and landscape architecture designed to give an artistic and scientific background for planning, developing and maintaining landscape projects.

Any person who is a high school graduate with previous experience in gardening can enroll in this course. A limited number of people will be admitted each year.

The laboratory is to be held at the former Franceschi estate which has been donated to Santa Barbara and is within a short distance of the college. In addition to the large estate that is set aside there, partly developed city park and numerous Santa Barbara and Montecito estates are also available for observation and experiments.

Courses included in this new division of industrial education are as follows: freehand drawing, color rendering, contour maps, ground plans, conventional presentation of planting and other material.

Music for the program will be given by Lola Cooper, Pearl Smead and Muriel Brown.

Lorraine Koehly with the aid of Miss Gladys Van Fossen, Mrs. Winifred Hodgins and several committees has arranged the program.

The story of the drama runs as follows: Ysabel, a Spanish-California girl, spends much of her time under the old tree that is the home of the green fairies. Here her uncles find her and ask her to select a gift from the several gifts brought by the captain of a newly-arrived ship. At the commandant's ball in the Presidio, Ysabel meets Don Romero. The two naturally fall in love.

Before plans for the wedding are completed, pirates attack the town and in the battle the Spaniards are victorious but Don Romero is blinded. On the day of the wedding, the Fairy Queen and her subjects are dancing near the Mission when they hear a chant sung by the Indians. As the wedding party comes out of the chapel, the Queen grants Ysabel's one wish—that Don Romero shall regain his sight and with great rejoicing the procession forms and the party moves off.

The woman's glee club will sing "May Morning" at the opening of the May program. Then the fairies

Buppy Moore, Play Director, Outlines Plans for Next Year

By MIRIAM PROCTOR

"One of my first projects will be to cast the plays that are chosen. Only plays which will be thoroughly enjoyed by both spectators and participants will be chosen. Light comedy and melodramas will be given. Only plays new to Santa Barbara audiences will be given consideration."

"The debating team," stated Moore, "will not be neglected. In view of the fact that many students attending this college intend to be teachers I think that debating is invaluable. I plan to send the debating team to compete out of town."

"I sincerely hope," concluded Buppy, "that all students who are really interested will cooperate to help make this project a success. Any ideas or suggestions will be appreciated."

Buppy is affiliated with the Tau Omega fraternity and took an active part in the production of the Roadrunner Revue this year as well as in previous years.

GUACHO GAB

By BILL HOYT

Although it is somewhat out of place here in a sport column, it is still my corner and I should like to take the space and time to congratulate Marilyn Basham on his successful election to the coveted position of student body president. I should like to extend to him, my full cooperation for the coming year and wish for him an extremely eventful and successful administration.

Back to sports—State took it on the chin in the last game of the season against Chapman. Although they out-poled the visitors by five hits, the southerners made the most of Los Gauchos' bingles which were many and numerous. Chapman gathered 7 runs on 6 hits, and the local nine could only rake together 5 runs on 11 hits.

All you trackmen, don't forget to be in front of the gym for the La Cumbre pictures. It's at 2:30 in the afternoon and includes both the freshmen and the varsity. Don't fail. It's your last chance.

Splitting the intramural swimming meet between them and not leaving much room for any other competitors, the frosh and the Anacapa club raced and dove nose and nose in some mighty fine exhibitions of swimming and diving. When the final count was taken our superior frosh had won the meet by a one point margin, 15 to 14.

All the events out at the Biltmore pool were of the best of the better, but the payoff—the classic act of the afternoon was the Morgill and Hart diving combination. "Donk" cinched a first in the art of body hurling, and "Bob" put on a comedy sketch that nearly killed every spectator in the audience with their hilarious body twists, barrel-rolls, loops and power dives.

Frosh Win Swim Meet by 1 Point

Scoring 15 points in the six events on the program, the mighty frosh added another triumph to their long list of athletic accomplishments by copping the intramural swimming meet held last Thursday in the Biltmore pool. The yearlings were pushed to the limit, however, by the Anacapa Club squad, which accumulated 14 points. Sigma Alpha Kappa fraternity scored nine digits, while the sophomore and senior classes tied with 6 each, and Tau Omega fraternity made 2 to complete the scoring.

Norman Coy, who successfully managed the affair, also won high point honors for the day, taking first in both the 100 and 220 yard free style races, besides swimming a lap on the winning frosh relay team. Don Hart followed Coy in the scoring column by exhibiting the best form in the diving event, and then following Dick Jackson to the tape for a second in the 50 yard back stroke.

Inasmuch as this is the first time a swimming meet has ever been held at Santa Barbara State college, and the boys have not had much practice times for the meet were quite slow. Although it is too late to form a team this year, swimming enthusiasts hope that these intramural contests will be held again, and thereby inspire interest in the sport to the extent that regular competitive squads may be formed in the future.

Results of the meet:
100-yard free style: Coy (frosh), first; Pollock (Sig Alph), second; Dunham (Anacapa), third.
200-yard free style: Coy (frosh), first; Findlay (Anacapa), second; H. Hart (Anderson), third.

Diving: D. Hart (Anacapa), first; Knight (Sig Alph), second; Oldershaw (Anacapa), third.
50-yard breast stroke: De Rosa (Soph.), first; Pollock (Sig Alph), second; Van Winkle (Tau Omega), third.

50 yard back stroke: Jackson (senior), first; D. Hart (Anacapa), second; Van Winkle (Tau Omega), third.
Relay: frosh (Moss-R. Smith-Pollock-Coy), first; Anacapa, second; soph, third.

Organizations in Baseball Tournament

Five softball teams will begin to unlimber and get in shape for the intramural baseball tournament next Monday, when a mass practice will be held on Phelps field. The actual games are slated to begin on Tuesday or Wednesday, on the same field. The squads entered in the competition are, frosh, Anacapa club, Beta Sigma Chi, Tau Omega and Sigma Alpha Kappa fraternities.

Players will be eligible to compete for only one team, which will enable more men to see action. Team managers are requested to hand in their lists of players to Mert Miller as soon as possible.

Due to the small number of teams entered, each squad should be made up of classy material all down the lineup, which should make competition exceptionally keen and interesting to watch.

The Intramural horseshoe tournament is also to begin next Monday, on the field behind the gymnasium. Spectators are promised a real treat if they turn out to see such greats as Bill Hoyt, "Tiny" McCullough, and Denny McArthur display their wares.

STATE TRACKMEN SET GOOD MARKS DURING SEASON

Making the best showing since entering the Southern conference, Gauchos trackmen this season shattered six school records, scored dual meet victories over Whittier, La Verne, and Chapman, and placed seven men in the All-Conference meet.

School marks were bettered by Larry Bowlus who lowered both the 440 and 880 yard dash times. He ran the quarter in 50.8 seconds and the half in 2 minutes 2.8 seconds. Roland McDonald hung up a new record in the mile when he negotiated the 4-lap event in 4 minutes 38.8 seconds. Jack David set up a mark of 37 feet in the hop, step and jump. Toby Holcomb vaulted 11 feet 6 3/4 inches, while the relay team composed of Nightingale, Bowen, Bowlus and crew, improved on the old mark. They ran the 4-man mile in 3 minutes 30 seconds. Captain Tiny McCullough heaved the shot 43 feet 10 inches to break his own distance of 43 feet 7 inches. Jean Campbell, frosh weight man, smashed the existing school record by 3 feet and the Freshman All-Conference mark by nearly 10 feet when he flipped the platter 134 feet 4 3/4 inches.

Showing Splendid
Although this was the toughest schedule the Gauchos have ever faced, they came through in fine style, according to Coach Nick Carter. The Santa Barbara mentor believes that with the exceptional crop of freshmen coming up next year coupled with the fact that only three men, Capt. Tiny McCullough, Pat McCullough, and Allen Garber are lost by graduation, the Gauchos should have a bumper year and stand a good chance of annexing the conference title.

Varsity lettermen are: Joe Nightingale, Larry Bowlus, Roland McDonald, Bill Crow, Captain Willis McCullough, Jack David, Allan Garber, Leonard Dorn, George McCullough, Bill Holcomb, Johnny Bowen, Elwood Gorman, Bud Ewing, Elmer Lee, and "Buppy" Moore, manager. Frosh who earned numerals were: Howard Yeager, Dudley Shean, Ian Crow, Dave Rumbaugh, Doug Oldershaw, Don Hart, Bob Morelli, Julius Langlo, Jean Campbell, Virgil Hooper, Charles Shaeffer, and Bill Gray.

Golf Champion to be Picked by Matches

State college golfing aspirants will take their mashies, niblicks, and putters to the Montecito Country club course on Saturday, May 24 to compete for school honors in the annual intramural meet. The first ball is to be teed off at 9 o'clock A.M.

Fraternities and other organizations will enter teams in the competition, but any other students are eligible to compete.

The chief contenders for the honor of individual champion are expected to be Pete Hathaway, who will compete unattached, Charlie Hoffa, representing Beta Sigma Chi fraternity, Jim Coultas and "Bup" Moore of Tau Omega, and Al Anderson, the Sigma Alpha Kappa star. Hathaway is said to be able to tour the par 72 course in about 80 "Bun" O'Reilly, Fred Allred, and Hathaway are in charge of the affair.

JULIE LANGLO, DON HART ONLY FOURLETTERMEN

Winning numerals in football, basketball, track and baseball, Donald Hart and Julius Langlo have won for themselves the distinguished honor of being placed on the record books as two of the few four numeral athletes in history. Hart, was one of the mainstays of the frosh football team. By his fiery spirit from his position at center he was able to add to the team a spirit which made the team the success that it was. He also distinguished himself on the basketball court, where he again played center. Donk managed to take part in both track and baseball at the same time during the past few months, winning a place on the track team with his ability to high jump and taking care of an outfielding job on Coach Cummings' baseball squad at the same time.

During his spare time Donk entered the boxing and swimming tournaments winning the school's heavyweight crown and leading the field to take the intramural diving championship.

Langlo has a similarly fine record. He won his numeral in football by playing fullback, held down a guard position on the basketball squad, and also participated in two sports at the same time to win his track and baseball awards.

Inter. Relations Class Has Dinner

In an effort to obtain something of the oriental atmosphere the International Relations class, taught by Dr. Frederick W. Ganzert, is sponsoring a Chinese dinner at the Shanghai Lo Chinese restaurant on East Cota street tonight at 6 o'clock. All students who are interested are invited to attend.

"Since the affair is purely a social event there will be no speakers," states Marie Van Boven who is in charge of general arrangements for the dinner.

Those planning to attend the dinner tonight should make reservations with Bob Moore or Dr. Ganzert. International Relations club members, members of the class, guests and friends plan to attend.

BASEBALL TITLE WON BY TIGERS; GAUCHOS SECOND

For the second straight year, Coach Bill Anderson's powerful Bengal nine from Occidental has pounded its way through the best competition the conference could offer to wind up far out in front in the final baseball standings. The Tigers lost only one game out of nine played this year, as compared to their perfect record in ten contests last season, which adds up to a grand total of eighteen victories in nineteen starts for the two year period.

This year the Tigers found most of their competition coming from a new source, our own Santa Barbara Gauchos. The Staters finished up with a record of five runs and three defeats, which makes the 1935 season the most successful in the school's history. Only a few loose moments in the field in the two games against the champions kept the Hilltoppers from winning these contests and the pennant.

Redlands displayed a steady brand of ball throughout the season to wind up with four out of seven games listed in their victory column. Whittier, one of the pre-season favorites, found the going tough from the start, and although they were the only team to whip Occidental, they finished next to last in the final ratings. La Verne lost their star pitcher at the start of the year through ineligibility, which weakened them to such an extent that they were unable to register a conference victory.

Final standings:

	W	L	Pct.
Occidental	8	1	.889
Santa Barbara	5	3	.625
Redlands	4	3	.571
Whittier	2	6	.250
La Verne	0	6	.000

Juniors Honor Graduates with Outdoor Formal

The entire student body is invited to dance with the juniors as they honor the seniors at a semi-formal dance to be given Saturday night, May 18, in the quad.

Fred Lambourne and his orchestra will furnish music for the event. An invitation to this junior prom has been extended by Garlyn Basham, representing the juniors, to Martin Verhoeven, president of the senior class, who accepted it in behalf of his class.

As this is a student body dance, the junior social committee will cooperate with Dot Weber, chairman of the college social committee, for the affair.

"The juniors are requested to pay their dues as soon as possible in order to make the dance a success," states Garlyn Basham.

The orchestra will play in front of the pool, and Japanese lanterns plus a colored spotlight will feature the decoration. Dancing will take place along either side of the quad.

Future exhibits have been planned by Mrs. Crosswell and each display will carry the significant ideas of the department. All students are cordially invited to see the numerous projects which are turned out daily by the art students.

A special display has been sent to San Diego which is to feature Santa Barbara State at the Pacific Exhibition this summer.

Statistics Prove Grads Get Jobs

"What's the use of graduating?" wails the college student of today. "When you do graduate you can't get a job."

Evidently popular opinion has been formed by the pessimists of our time. The majority of college graduates do get jobs as proven by statistics.

Thirty percent of the colleges in America placed more than 80 percent of the 1933-34 graduates and only 7 percent of the higher institutions placed less than 20 percent. Santa Barbara State college falls in the category of state and land grant institutions in which 53 percent of the graduates get positions.

So cheer up, seniors! Your chances of getting a job are more certain than your chances of not getting one!

Dr. Bishop Visits Huntington Library

During her trip last week-end Dr. Elizabeth L. Bishop took time to make a short visit to the Huntington library.

"I recognized many paintings, but had never seen the originals before. They were breath inspiring, so vividly colorful," stated Dr. Bishop.
