

# EL GAUCHO

## ASSOCIATED WOMEN STUDENTS BOARD SELECTS THREE TEMPORARY OFFICERS; PLANS MARCH ELECTION OF CABINET

Three new officers were elected by the Associated Women Students at their last board meeting, Jean Tahajian, first vice-president; Jane Engel, clubroom chairman; and Gwen Ballard, program chairman. These girls will replace those ineligible this semester.

They will hold office until March 22, when a complete new cabinet will be chosen by the entire AWS membership. This early election date has been set so that the new president will be chosen in time to attend the conference of Associated Women Students organizations to be held at the University of Oklahoma, April 3, 4, and 5. Rules for the election will be announced shortly by Gloria Steers, who is in charge of arrangements for it.

### Meet Candidates

A bean supper for all women students will be held March 20 in connection with the election. The purpose of this event will be to make it possible for campus women to meet candidates for AWS offices. Games and a short program are being planned by the committee for the affair, which includes Gloria Steers, Jean Tahajian, and Gwen Ballard.

A rummage sale is being scheduled for March 14 and 15. The location will be Reeds, 621 Anacapa. Its purpose is to provide travel expenses for the new president's trip to Oklahoma for the AWS convention. Evelyn Shallis is in charge of arrangements.

According to Mary Ann Zane, AWS president, the group plans to sponsor a play for the entire student body early in May. It is to be presented by the Youth Theater group from the Alehecama.

## KEY AND SCROLL WOMEN'S HONORARY JOINS WITH CHIMES

Key and Scroll, junior women's honorary organization, has completed plans to merge with Chimes, a similar eastern organization. The move will affect the local chapter and those at ASC and UCLA.

Carolyn Varner, Santa Barbara chapter president, stated that the Chimes name and jewelry will be adopted, as will the Key and Scroll initiation ceremony and uniform.

The merger will take place at the Chimes St. Louis convention in August. National officers will be elected at that time. The names of Carolyn Warner, Mary Ann Zane, Jean Tahajian, Merilee Robinson, and Evelyn Shallis will be submitted as candidates for these offices.

## HIGHLY PRAISED NEW UN PLAY TO OPEN AT ALHECAMA SOON

Site of the world premiere of the new play by J. B. Priestly, highly praised by New York critics, will be the local Alehecama Theater, according to a release by the Santa Barbara Junior College.

The play, which will open here March 4 at 8:30 for a four night run, has never been produced on the Broadway stage where new plays are usually premiered, but instead will have its first showing under the auspices of the Santa Barbara Junior College.

Mr. Priestly's play, written about the UN, is under the direction of Mr. Frank Fowler and will feature former Gauchos Wes Tackitt and Dr. Rolf Linn.

Tickets for the production will be sold for 90c.

## Scholarship Gifts, Others Accepted By University Regents

Scholarships accounted for almost half of \$3,244 in gifts to Santa Barbara College reported by the President of the University of California, Robert Gordon Sproul, and accepted by the Regents of the University at a recent meeting on the Berkeley campus.

### Research Grant

The second payment of a \$3628.80 grant from the U. S. Public Health Service, amounting to \$1,814 in this acknowledgment, was given to permit Dr. John E. Cushing, Jr., assistant professor of bacteriology at Santa Barbara College, to continue his research on the resistance of microorganisms in sulfanilamide.

The scholarship grants were given to the University for use here by the Santa Barbara City Panhellenic Association, Santa Barbara City Youth Council, California Congress of Parents and Teachers, Inc., and Associated Students of Santa Barbara College.

### Panhellenic Scholarships

Five scholarships of \$100 each were given by the Santa Barbara City Panhellenic Association and are available to upper class women selected by the Committee on Honors and Scholarships, according to Dean of Women Helen E. Sweet, chairman of the committee.

The Youth Council scholarships were presented to the college in January and this marks the formal acknowledgment of the gift by the Regents. It provides for 10 scholarships of \$50 each and is to be limited to applicants from Santa Barbara who will enter Santa Barbara College as Freshmen next fall.

The Teacher Education Scholarship of the California Congress of Parents and Teachers amounts to \$300 and is to be granted to upper division students training to teach in the public elementary schools of California. It may be given in its entirety or divided between two students by the Com-

## STUDENT BODY PRESIDENT DISCUSSES BLOCK C PROPOSAL, ATHLETIC POLICY

By Robert L. Hartzell

At the Associated Student Legislative Council meeting last Thursday evening Frank Goodall submitted a request from the athletic honorary fraternity, Block "C", for permission to section off an area of seats in the student rooting section which are to be permanently reserved for the members of this organization.

A motion to approve the request was made by Dick Bowdey, Junior Class president and a member of Block "C". The motion was seconded by Frank Goodall, Member-at-Large representing the Board of Athletic Control. The reason given for approval was voiced by Goodall, who stated that such a move on the part of the Council would be a grant of privilege to our athletes, said grant would indicate our appreciation for their contributions to our school.

It was further stated that this show of appreciation would prove attractive to potential Santa Barbara athletes and, at the same time, help to remove the blot from our reputation for being a "gyp-college" which does nothing for its athletes.

This is hogwash. When it was suggested that other lettermen making contributions to the college be accorded a similar privilege, the Block "C" champions refused to amend their motion. You see, not all athletes can get into Block "C". We might have a champion tennis player here contributing ten

(Continued on page four)

SHIRLE CASIER, Elections Committee Chairman.

## DEAN'S GRADE LIST BOASTS 62 MEN

Sixty-two men achieved placement on the Dean of Men's grade list for the fall semester of 1949-1950. This group represents 5.4% of the total men enrolled and 2.6% of the entire Student Body. The number of men on this list is considerably in excess of the men on the Dean's list of the previous three semesters.

The following ten men distinguished themselves by securing a 3.00 grade average: Kenneth J. Carpenter, Kenneth J. Dowling, Oliver W. Hulla, Robert L. Mathers, Arthur J. Montgomery, Thomas E. Ogden, Merrill B. Remick, Larry R. Schechter, Theodore J. Smith, and Robert C. Thomas.

### 2.5 and Over

Others attaining a grade average of 2.50 or better are: Franklin D. Robinson, John Craig, Armand Escalante, John C. Long, Richard F. Doctor, Beverly B. Gayman, Daniel H. Carson, George B. Primbs, John D. McLean, Peter P. Panchesson, Warren K. Roeser, Morton O. Beckner, Irwin B. Perlis, Richard C. Smith, Jack B. Huntsinger, Benjamin Ciccati, Robert J. Lagomarsino.

Gordon-Lennox Stafford, Glen W. Neikirk, Gilbert W. Smith, Jr., Theodore Elmgren, Jr., Mark Hamilton, Robert O. Schoffstall, Robert F. Hogan, Allan C. Sherry, James F. Mulick, Peter Lisca, Maxwell Pellish, Otey M. Scruggs, Hugo D. Fuerst, Albert K. Fine, Joe J. Soldevila, William O. Green, Arne Hvolboll, Benjamin C. Gmur, Walter Jean Taylor, Walter R. Clinton.

Gerald S. Drane, Donald F. Groth, Anthony Holbrook, Gilbert C. Horne, Jack G. Millen, William S. Prince, Richard B. Caldwell, Hugh F. Hodgins, Billy Dale Howell, Arnold W. Pearson, Kenneth N. Sweetnam, Theodore E. Vick, Charles F. White, Jr., Philip C. Whitman, and John G. Witherspoon.

## PROPOSE CONSTITUTION AMENDMENT FOR MARCH STUDENT BODY ELECTION ON NAME CHANGE, CLASS OFFICERS

Election Committee Chairman Shirle Casier has announced that a constitutional amendment will be on the ballot in the general student election on March 8 and 9. The proposal is to change Article I, Section 1 of the Associated Students' Constitution to read, "In a regular election the President, Vice-president, Secretary, and three Representatives-at-large shall

be chosen to hold office for one year. The yell leader shall be appointed by the Legislative Council."

## Gauchos Cagers Lose Two Games; Meet Spartans March 3

The away from home jinx of the Santa Barbara College Gauchos struck again over the week end as the Gauchos dropped two 2C2A cage tilts. On Friday the San Diego State Aztecs nosed out the Gauchos 58-56, and on Saturday the Gauchos bowed to Pepperdine by a 42-49 margin.

Both games were very close affairs and were not decided until the final minutes of play. In Saturday's contest the Gauchos got off to a fast start and gained a 22-12 margin midway in the first half, with Bob McCutcheon being responsible for most of the early scoring. McCutcheon scored 18 tallies in the first half but was effectively guarded in the second period and was held to two points.

After gaining a 35-28 halftime edge the Gauchos lost their scoring punch and Pepperdine opened up to score nine consecutive points which pushed them into a 37-36 lead. From then on the Waves managed to stop a determined Gauchero push in the closing minutes and went on to win 52-49.

Friday's game was a very close affair which the Aztecs won on two free throws in the final minute of the game. Both teams were evenly matched throughout the contest which saw Bob McCutcheon once again take the scoring honors with 27 points. Gene Snyder was second with 17 tallies and tied with Dick Barnes of San Diego who was high point man for the Aztecs. Rigo Rodriguez and Bud Milke made the free throws which gave the Aztecs their victory.

The next and probably the last game of the Gauchero cage season will be played on March 3 with the San Jose Spartans.

## Annual High Concert At Lobero March 6

Twenty-eight students from the Tri-County area will perform in the 155-piece California High School Symphony, scheduled to present a concert at the Lobero Theatre March 6, under the baton of the noted conductor, Peter Meremblum.

The students, selected from 20 high schools all over the state, will arrive here March 4, for rehearsals. They will be housed in private homes.

The 10th annual concert given by the teen-age orchestra is under the direction of Meremblum, conductor of the Southern California Junior Symphony, and Maurice Faulkner, Associate Professor and chairman of the Music Department of Santa Barbara College.

Tickets for the concert can now be reserved by calling 3116, the Graduate Manager's office at Santa Barbara College. Tickets will also be available at the Lobero box office after Feb. 25.

The concert is sponsored by the Associated Students at Santa Barbara College in cooperation with the Committee on Drama, Lectures, and Music.

The March ballot also includes the long-disputed name change. Students are asked to vote for retention of the name "Gauchos" or a name change. Another section of the ballot gives three choices of name to be substituted for "Gauchos" if the first measure is passed. These are "Grizzlies," "Cubs," and "Pandas."

### Name Change

Officers to fill the vacancies in Student Council and class cabinets created at midsemester by the ineligibility or graduation of officers also will be voted. The officers and candidates are as follows:

Freshman Class President: Ted Troy, Spud Morrow, and Jere Barlow; Freshman Class Secretary: Barbara York and Gloria Brittan; Senior Class President: Howard Brover, Norman Celse, Arnold Furnai, Joy Tewell, and Bob Woolridge.

Senior Class Vice-president: Ray Andrews, Tom Carter, Jody Dryden, Bob Lagomarsino, Fary Frances Michels, and Audrey Scott.

Sophomore Class Vice-president: Bev Abraham, Marie Allen, and Sally Sipherd.

Representative-at-Large: Ken Bonilla, Bob Brotherton, Ted Knudsen, Don Mills, and Gloria Steers.

## Form Club to Promote Scabbard, Blade Society, MS Fraternity Chapter

The Scabbard and Blade Club held its initial meeting Thursday evening February 23. The club was formed for the purpose of establishing a chapter of the Scabbard and Blade Society, national honorary military science fraternity, on the campus. Officers elected included Ken Bonilla, president; Larry Wathey, vice-president; Dick Schafer, secretary; and Russ Bertell, treasurer. Dick Rosenquist was appointed publicity chairman. Lt. Col. Richard W. MacKee will act as club sponsor.

Plans for a formal military ball, establishment of the Colonel's Coeds, and a booth at the Barbary Coast Carnival were discussed.

### SENIOR MEN

Attention senior men! The position of senior men's representative on the Judicial Committee is now vacant. Any senior men desiring to obtain this position must both contact Miss Betty Mae in the "M" box and appear at the student body office on Tuesday evening, February 28, at 7:30 for an interview. This position is permanent provided that a "C" grade-average is maintained.

## Women Voters Elect Ken Ainge King At Diamond Dance

Coronated at a dance sponsored by Alpha Delta Pi sorority and attended by 192 college couples Saturday evening at the Mar Monte Hotel was Diamond King Ken Ainge and Princes Gene Lonon and Danny Kutch.

Ken Ainge, a Santa Barbaran and Senior economics major, was sponsored by the Sigma Alpha Epsilon Fraternity with whom he is affiliated. He was given a large loving cup and the title of Diamond King on the Campus. He will receive due honors of the position by the ADPi sorority until next February when a new king will be elected.

Diamond Princes of the Campus for the coming year are Gene Lonon, Sigma Phi Epsilon, and Danny Kutch, Kappa Sigma. Lonon is a sophomore art major from Yuba City and was sponsored by the Pi Beta Phi sorority. Kutch, who was sponsored by Alpha Phi sorority, is a junior economics major from Glendale.

## SANTA BARB'RY COAST TO TURN RIVIERA INTO WATERFRONT

Barbary Coast time of the year is fast approaching! Saturday, March 25, is the date of this year's bigger and better Santa Barbary Coast carnival which will turn ye olde Riviera campus into a roaring replica of the Frisco waterfront days.

All campus organizations will have the opportunity to enter a booth in competition for trophy prizes and to earn a little extra "loot" for the org. Everything from dunking stools to burley-q dancers is promised for the evening.

The Special Events Committee, which was in charge of the Homecoming celebration last fall, is planning the event. Members of the committee are Gloria Steers, Ken Trevey, Eleanor Conte, Jim Mulick and Jim Stanley. Mr. Willie Wilton is the faculty sponsor.

## SOPH CLASS PLANS OAK PARK PICNIC SUNDAY AFTERNOON

Sophomores are planning a class picnic for Sunday, March 5, at Oak Park, according to Bob Christofferson and Marilyn Morris, publicity chairmen for the event.

Levis and pedal pushers will be the order of the day for the picnic which will be held from 3 to 9 pm at the south end of the park, near the dance floor. Although this is primarily a class function, members of all classes are cordially invited to attend, either stag or date.

Tentative program includes games such as baseball and volleyball, dancing by the light of the full moon, and a special evening program. Faculty sponsor for the event will be Dr. John Cushing. Student chairmen are: athletics, Gordon Hardy; picnic, Claire Maher and Marilyn Morris; evening program Jim Stanley; ticket sales, Sally Shedd.

Tickets will be on sale Wednesday, Thursday and Friday, March 1 to 3. Price for sophomores with class cards is .25, for all others, .50.

### EL GAUCHO

Published every Tuesday and Friday during the school year except during vacations and examination periods by the Associated Students of the University of California, Santa Barbara, California. Opinions expressed herein are those of the staff unless otherwise indicated.

Entered as second-class matter May 23, 1947, at the post office at Santa Barbara, California, under the Act of March 3, 1879. Mailing charge is \$2.00 per year, payable in advance.

### EDITORIAL

It's so easy just to leave the dishes where they are when you finish lunch or the before class cup of coffee. It's so easy—and by doing it you are cutting your own throat.

All of us complain about the cafeteria food and the cafeteria service. This semester we have an opportunity to bring our complaints before the college business staff. If we want changes made we have to do our share to make them possible.

When we leave our dishes on the table we make it imperative for the cafeteria to be well staffed with bus boys—all of them on salary. The more people the management has to pay the less chance there will be of reduction in prices or improved quality for current prices.

Now you know. Do yourself a favor and put your own dishes in the cleanup room.

### Much Ado by Jerry Noble

That song "Rag Mop" is quite appropriate these days. It reminds one of the state that feminine hair styles are approaching.

Whatever happened to that old business of "a woman's crowning glory"? They're cutting their hair shorter and shorter until some, from the neck up, look more masculine than feminine. In fact some of the women cut their hair shorter than that of a certain young man who trods the campus in beat up sneakers and bell-bottoms.

Don't get me wrong. Some women look fine with short hair. The trims actually have improved the appearance of a few. But there are some women who fall for each new fashion even though they know they don't have what it takes to carry it off.

Native Japanese here might enjoy the hair shearing trend. The most attractive thing about a woman, say the Japanese males, is the back of her neck. There are a lot of them on display.

I wonder, oh horrible of

thoughts, if the girls are going to start painting on those staring eyes like pictured a few weeks ago? I shall become a recluse.

#### Swim Suits Don't Suit

It's about time for the national picture magazines to be coming out with photo stories on beach wear for women for the coming summer. I imagine it will all be just like the previous years that I can remember.

They will show daring new beach costumes and all the fellows will wait avidly for Summer. And then, as usual, the girls will come out in much the same as they wore last year. It's frustrating.

Four words a day is the speech allotment of a mother-in-law in Budapest, when living in a son-in-law's house . . . "Good morning" and "Good night." Now don't say you never learned anything in this column.

the approximate votes cast were 300. Now if this same amount of students again voted on the name change it would mean that 52 students could change the school name to one of the alternatives.

The name Gaucho has been associated with this school for about 10 years and we have the spirit of the rough and ready Gauchos; let's keep it that way. The name panda, grizzly or cub may be good for Boy Scouts but Gauchos we are and Gauchos let's remain.

Dick Ozenghar

#### ELECTION

It has finally gotten to the place where we are having another election on the name change issue. It has been going on for several semesters now and has gotten nowhere. Let's make up our minds this time and have it settled once and for all instead of reappearing on every ballot.

Mary J.

### Announcements . . . Calendar . . . Bulletins

This column is available for all meeting announcements, personals, calendar dates, and other bulletins of a universal interest. For publication they must be in the hands of the editors by noon of the Tuesday or Friday preceding the publication date desired.

#### Psychological Exams

All students who found it impossible to take the entering psychological examination on Monday, February 6, are required to take a make-up test on Thursday night, March 2, at 7 pm, in North Hall 101. The following students and any other who missed the test are required to be there: Robert A. Allan, Ralph Alamillo, Carl Ames, Eugene Brown, Thomas G. Butts, Elmer Coombs, Robert H. Crotsler, Eleanor V. Eby, Alan Feld, Jack R. Garrett, Haring W. Griggs, James Harsh, Howard D. Johnson, Frank Johnston, Claude Manning, Robert W. O'Brien, Charles Rotter, Howard Stringfellow, Virginia Sue Vencill, and Marilyn D. Wolfe.

#### House Presidents

House presidents are requested to check the AWS bulletin board to familiarize themselves with the candidates for office in the Independent Women's Council. The election will be held today between 11 am and 2 pm in the AWS Club Room.

#### Education Fraternity

Chi Alpha Delta, honorary elementary education fraternity, will hold informal initiation of new pledges tomorrow night at 7 pm at 1723 Grand Avenue.

#### Carnation Ring

Chi Omega sorority plans a "Carnation Ring" ceremony to be held May 21. The purpose of this all-Panhellenic affair is to announce the engagements of the past year.

#### Placement Meeting

Dr. Paul A. Jones, Director of Placement of the College, will hold a meeting of all graduating credentialed seniors on Wednesday, March 18, 1950, at 7 pm. The meeting will be held in the auditorium on the Mesa (I.A.) Campus, and concerns placement procedures. All graduating seniors of June and/or August are urged to attend.

#### Physics Club

The Physics Club will meet today at 1 pm in Q 109. New officers will be nominated and elected. Discussion and planning of this spring's program and events will take place. Anyone interested in physics is qualified for membership and all prospective members are invited to participate in this meeting.

#### Veterans, Attention

Remember that, according to the regulations of the Office of Veterans' Affairs, all available books and supplies for requirements must be purchased at the Campus Bookstore by March 10.

#### Dance Tryouts

Tryouts will be held this week for the Modern Dance Concert to be presented in March by the Dance Club and the Women's P. E. Department. The tryouts will take place Tuesday and Thursday at 4 pm in the Women's Gym. Both men and women are urged to try out for solo and group parts in the various dances in the concert.

#### Phrateres Party

The four sub-chapters of Phrateres will be hosts at a joint "get-acquainted" party, Thursday,

## CALENDAR

- TODAY, FEBRUARY 28:**  
1:00 pm—Physics Club Meeting; Q 109.
- WEDNESDAY, MARCH 1:**  
4:00 pm—Informal Music Concert; MH 100.  
7:30 pm—Beta Beta Beta; AWS.  
7:00 pm—Chi Alpha Delta; 1814 Prospect.  
7:30 pm—IFC and PC Joint Meeting; AWS.
- THURSDAY, MARCH 2:**  
7:30 pm—Home Economics Club; Ebbets Hall.  
7:30 pm—Phrateres "Get Acquainted Party"; School Cafeteria.  
7:30 pm—History Club; AWS.
- FRIDAY, MARCH 3:**  
8:00 am—Spurs; AWS.  
8:00 pm—UCSBC vs. San Jose, basketball; there.  
3:00 pm—Tennis, Pepperdine at Los Angeles.

### Students Organize Library Committee To Study Problems

Members of the newly organized Student Library Committee have been selected, it was announced recently. Chairman for the group is Richard Roth, who will be aided by a committee consisting of Graham Mehaffey, Mathilda Albagli, and Claudia Park. The committee was chosen with the purpose of obtaining a cross section of the entire student body.

The aims of the committee as released from the first meeting were as follows: To establish a cooperative spirit between students and the library staff in order to aid the library in meeting curricular and extra-curricular student library needs. To encourage students to participate in the recommendation of book purchases for the library. To help the librarian interpret the objec-

March 2, from 7:30 to 9:30 pm in the College Cafeteria. All women students interested in learning about Phrateres are invited to attend. They should respond to the Dean of Women's office by Wednesday noon.

#### Exchange

Sigma Kappa Sorority will have a desert party this coming Sunday at 7 pm with the Sigma Pi fraternity. The affair will be held at the sorority house at 33 E. Valerio.

tives, policies, rules, and regulations of the library to the student body. To promote general and recreational reading and to increase student appreciation of good literature. To forestall criticism of the library by keeping the librarian posted on student library needs. To help relate the work of the library to instruction. Stimulate student reading in general and recreational books.

#### Activities

The activities of the student library committee will be: Write book reviews for the student paper. Aid in the planning and arranging of library exhibits inside and outside of the library. Give assistance in the selection of books of particular interest to the students. Supervision of residence hall libraries. Encourage by program the building of the student's private library. Assistance in making surveys of student opinion and the use of library resources.

An announcement from the committee states that there will be a student suggestion box posted around the campus in the near future.

Ann Gilbert, Owner

Dear Editor,  
Again the issue of establishing a nickname for we "Gauchos" has arisen. This school has been going by the name Gaucho for nearly 10 years, why change it? Our student body president is in favor of the name "Panda Bear," the other alternatives are Grizzlies and Cubs.

The balloting would be simple, it says here. It would be divided into two parts, top and bottom. The top half would be for a straight yes and no vote for name change. If a name change is desired then you would use the bottom half of the ballot and place a mark before the name you wish of the three alternatives. To be a fair name change it should be done with two separate ballots. The reason for this is that the people who are not in favor of a name change do not have anything to say if the name change wins. In the last name change vote, according to "El Gaucho,"

### Hilltop Netmen Busy In Preparation For First Two Matches

Coach Lyle Reynolds' racket men have been rounding into fine shape in preparation for the coming matches with Pepperdine, March 3, and Cal Tech, March 4. Don Tully, last year's number three man, is presently leading the pack in a round robin singles tourney and should be Reynolds' number one man against the two Southland colleges.

Pepperdine is reputed to have the strongest tennis team in the 2C2A, and they should have little trouble in gaining a victory over the Gaucho squad, though Coach Reynolds believes his boys are

capable of turning the tables and should make a good showing against the Waves, and may defeat the squad from Cal Tech on the following day.

The fact that none have survived the round robin tourney, which is still in full swing, without a defeat, is an indication of a well balanced team that merely lacks an individual of the caliber of last year's Bill Wright. At the present there is but a little difference between the team's top man and its number six contender.

Don Tully has won five matches and lost but one thus far, and should have little trouble in holding on to top spot for the Pepperdine match. Don easily defeated his two top contenders, Dick Dessler and Bill Swain, 6-3, 7-5, and 6-1, 6-1, respectively. His only defeat to date was a 6-4, 6-4 upset pasting handed him by fourth seeded Cal Corry.

Lessler and Swain have dropped

but two of their eight contests, and are hoping to hold onto their number two and three spots for the engagements down south. Close on their heels is Bill Cory, the man who pulled the upset trick on Tully. Bill also has lost but two matches, but has played two less to put him back to fourth place on the ladder.

Two freshmen have found themselves right up among the leaders in this tourney. Stan Greer, Santa Barbara High's number one boy in '49, and Alan Feld, a transfer from Long Beach CC have stood up well against the experienced play of the varsity men. Reynolds looks towards these boys to bolster his team in '51.

Lyle believes this singles tourney will round his boys into fine condition, and though he has yet to have any doubles competition, Reynolds hopes that the better conditioning will well outweigh any lack of efficiency that may be displayed through lack of practice in the doubles game. Coach Reynolds' doubles team will be picked at his own discretion, with the top boys having the inside track for leading positions.

Professor: "What is astoic?"  
Frosh: "De boid that brings de babies."

### Intramural Tourney In Basketball, Track To Get Underway

Coach Dick Kaywood has announced the opening of Spring intramural basketball on the first of March. There will be three leagues: Fraternity "A" and "B" leagues and a club league. About 26 teams are entered and entries may still be turned in to Mr. Kaywood until the end of today.

A league champion will be found for each league by a double elimination round. That is, a team is not eliminated until they have lost two games. With playoffs between the three top teams it will be possible to find the best fraternity team to win the IFC trophy but also an all school trophy winner.

Also in the intramural schedule is the track meet next Thursday. This is the first annual event of this type of competition. Although the inter-class meet is a tradition on campus an intramural meet between school orgs, clubs and individuals is the first meet to be held from which varsity track men are barred. It is hoped that this fact will encourage a large number of men to compete in the various events.

The meet will be held at 3:30 pm Thursday at La Playa under the direction of Nick Carter, Gaucho Track Coach, with the assistance of the track managers and the members of the varsity squad. All of the regular events will be held and entries will be accepted either before or at the meet.

### Wilton Lauds Gauchos For Support at Cal Poly

Basketball Coach Willie Wilton has asked that his personal thanks and those of the basketball team be extended to the Santa Barbara College students who followed the team up to San Luis Obispo last week. "It was certainly a wonderful feeling to play on a foreign court and still find a rooting section from Santa Barbara," Wilton stated. "It was bad enough to lose the ball game," he continued, "but to lose it in front of so many loyal fans who travelled that distance to see us play, really hurt. The members of the squad were really appreciative of this gesture, and I personally was quite proud to be associated with Santa Barbara College."

The Cal Poly game was played before a packed gymnasium, and many Gaucho fans were unable to get in, and many of those who did gain admittance were forced to stand up for the entire contest.

### Class of '52 Victors In Inter-class Track Meet

The class of '52 repeated their last year's inter-class track victory on Thursday, February 23, despite the efforts of sophomore distance pacer Don Crie, who scored three victories and broke two meet records. During the course of the day six new meet marks were established by men representing their respective classes at Santa Barbara College.

**Crie Outstanding**  
Crie walked off with victories in the mile, two-mile, and 880 yard run, earning for himself a trophy in reward for his performance. After turning in two stalwart performances in capturing the mile in a record breaking 4 min., 55.5 sec., and 880 yard run in a creditable 2 min., 9.7 sec., Don startled all by upsetting highly favored Walter Houtz in the two mile event, registering another meet record in his 10 min., 54.6 sec. pace.

**Third Year Trophy**  
The third year men, led by Willie Dancer's 17 points, easily walked away with their second inter-class trophy by outdoing their three challengers with 64 points. The juniors placed men in all events except the discus and took in six victories through the combined efforts of Dancer, Howard Cook, and Ted Vick. Willie was high point man of the afternoon with his seventeen markers.

**Sophs Second**  
Close behind the victors were the sophomores with 44½ points, and following them were the seniors and freshmen with 32½ and 18 points respectively. Cinder-man Ed Grabast turned in a fine performance by taking eleven points for the graduating team. Big Ed put the shot in record breaking form with a mighty heave of 45 feet 7 inches, outdoing the inter-class record of 44 feet 8¼ inches, which he established in '47.

**Records**  
Record breaking paces were set in the javelin, high jump, and high hurdle events. Del Pickarts tossed the javelin 207 feet 3 inches to better his efforts of the previous year. Del was forced to leave the field after his first toss due to a turned ankle. Dependable Willie Dancer came through with a leap of 6 feet 27/8 inches over the cross bar to better his last year's high of 6 feet 2 inches. The other mark set was Howard Cook with his 13.7 sec. effort in the high hurdles.

**Results**  
100 Vick (Jr.) 10.5; 220 Vick (Jr.) 23.8; 440 Westermann (Soph.) 55.4; 330 Crie (Soph.) 2:09.7; mile Crie (Soph.) 10:54.6 (new meet record, old mark 10:57.3 by Walter Houtz, 1948); high hurdles Cook (Jr.) 13.7 (a meet record, no previous running); low hurdles Cook (Jr.) 21.9; broad jump Dancer (Jr.) 20' 6¾"; pole vault (tie) Cooper (Sr.) and Dancer (Jr.) 11'; discus Grabast (Sr.) 128' 1/8"; high jump Dancer (Jr.) 6' 27/8" (new meet record, old mark 6' 2" by Willie Dancer, 1948); javelin Pickarts (Jr.) 207'3" (new meet record, old mark 206' 10½" by Pickarts, 1948); 16 lb. shot put Grabast (Sr.) 45' 7" (new meet record, old mark 44' 8½" by Grabast, 1946).

Team scores: Juniors 64, Sophomores 44½, Seniors 32½, and Freshmen 18.

### Gaucho Horsehidiers Down Alumni

Showing a terrific scoring power the 1950 Gauchos took a double header from the Alumni baseball team Saturday afternoon at Mesa field.

Scoring 19 runs in their six times at bat in the first game they demonstrated early that no mercy would be wasted on the graduates. In the five inning second game the Gauchos had to be satisfied with three unearned runs while facing the pitching of all 2C2A star Hal Abbott.

Eager to show their prowess, Coach Harder's team opened up with a three run barrage in the first inning off hits by Kutch and Robinson, a base on balls issued to Robinson and a helpful error by the Alums.

With the Alums not even yet in the ball game the team really went to town in the second inning when they scored seven runs in a merciless show of hitting and base running. Added to the grads' second error in this inning the score was earned by hits off the bats of Cox, Kutch, Rayburn, Davis, Robinson and one of two long triples during the game by Tom Dailey. Scoring in every inning the home squad had another big inning in the fifth, scoring four runs. In this inning Wirghtson was in the path of a pitched ball and moved to first on a free pass. Not wanting to miss a good thing Hackett followed him to first on another free pass, a base on balls. Consecutive doubles by Johnson and Cox followed by G. Swift's single, which ended scoring for the inning.

**Second Game**  
In the second game the alumni couldn't figure out the offerings of pitcher Corky Johnson. Right Fielder Oren Skeith was the only man to hit him but he was able to do it twice. Johnson almost got into trouble in the last inning when a miscue and two bases on balls loaded the bases. However, he showed his class by retiring the side.

The Gauchos did all their scoring for the second game in the fourth inning when three runs were scored. With Smith and G. Swift on base the sign was given for a double steal. This business ended with Swift on second and Smith steaming across the plate. This was the setting for Alum Cy Williams' three-base error when he let Shortstop Law's long single along the left field foul line get away from him with Law coming all the way home.

## Hartzell's Views On Athletic Policy

(Continued from page one)

thousand dollars worth of publicity to our campus, but he would be excluded from this organization because tennis is a minor sport and the award for a minor sport is a Circle "C". By the same token student leaders eligible for a Scroll "C" or Band members earning the Music award would be barred.

This form of pressure group tactic will cost the Associated Students more in dissension than it can possible earn them as a token of appreciation. As Chairman of the Council I requested that the token be extended to all lettermen or be dropped completely. The motion passed without amendment.

I won't be here next Fall to see how the students take to this exclusive privilege, but I'll bet my diploma on it that those athletes who use it are going to feel awfully uncomfortable. The student section seats only 1800 and last Fall our enrollment was over 2300.

### What We Do

Let's take a look at this problem of recognition and see just what we actually do and what we still can do for our athletes; it is worth considering because whether we like it or not our future growth and development is geared to our athletic program.

First, I want to remind the Associated Students that our athletic program, like all other functions and activities on this campus of an extracurricular nature, is bought and paid for and, to a great extent, directed by Associated Students. That ten dollar student body fee charged at the first of each semester is the basis of our income. We invest that income in athletics, plays, dances, etc., and if we realize anything from it, we either put it into bigger and better enterprises or save it for a rainy day and a Student Union. This past year we have been able to do both.

Now about athletics. This current year we budgeted \$12,727 to buy equipment, provide transportation, medical services, and guarantees to visiting teams. That proved to be insufficient. The cost has risen closer to \$20,000 now that we have been asked to provide salaries for trainers, provide training tables, and buy more equipment.

### Publicity Expense

This does not include publicity expenses. We budgeted \$750 for publicity for our athletes but when the football programs did not sell last Fall, we bailed that publication out with an additional \$733.

Nor does it include awards. The letters, numerals, sweaters, blankets, and cups for our athletes cost us nearly \$1500.

You might ask what does the University provide? It provides the stadium, the lockers, showers, coaches, and courses in sports. Roughly, that is the set-up and we have made it work fairly well. It can and must be made to work better, however. At UCLA and Cal, where the same set-up exists, athletics are assets which provide sizeable revenues to the Associated

## MARCH 3 DEADLINE SET FOR ATWATER KENT AUDITIONS

March third has been set as the deadline for entering the 1950 Atwater Kent Auditions. Requests for applications postmarked later than midnight of that date will be rejected.

The roster of applicants in the \$15,000 contest for singers reads like the files of an employment agency. Over two hundred different job categories are represented among the 2,000 entrants. There are plumbers, preachers, medical students, nurses, laboratory technicians, models, butchers, carpenters, phone operators, farmers, policemen, usherettes, and firemen.

From Northern California the city editor of a newspaper entered the contest. Pasadena contributed a furnace assembler, Los Angeles a trapeze artist, and Berkeley a bacteriology research technician; but the most unusual profession represented is that of a Turkish language instructor at a California Army post.

Although actual auditions will begin within two weeks, non-professional singers between the ages of eighteen and twenty-eight may obtain entry forms by writing the Atwater Kent Foundation, Box 1511, Hollywood 28.

## BERKELEY "TAKE A RIDE" CAST ENJOY SANTA BARBARA SOJOURN

Santa Barbara's hospitality was warmly extended to the cast of "Take a Ride," a Mask and Dagger Society Production from the University of California at Berkeley. They were provided with transportation around town and sleeping accommodations in local fraternity and sorority houses.

The Santa Barbara College Cal Club was the spirit behind this inter-campus welcome for the cast of 40. The traveling troupe presented this traditional UC musical revue in the Santa Barbara College Auditorium Saturday night at 8:30.

Tickets and business arrangements for this 17th annual student vaudeville revue were handled through University of California Extension, who through the auspices of the Arts Exchange Committee are bringing to the Santa Barbara campus theater productions from the other University of California branches.

The campus Committee on Drama, Lectures and Music, under the chairmanship of Upton Palmer, expressed the highest praise for this plan of exchanging shows between the campuses. Santa Barbara College will travel to the other campuses this Spring with the play "Circle of Chalk."

## SCHOLARSHIP GIFTS

(Continued from page one)

mittee on Honors and Scholarships.

An amount of \$130 was given by the Associated Students at Santa Barbara College to establish the California High School Symphony scholarship fund. Applicants for the fund must have participated in the California High School Symphony Orchestra, sponsored annually by the Associated Students and to present its 1950 concert on March 6.

Of the total sum of gifts and pledges accepted, \$192,139.43 was for use on the Berkeley campus, \$52,368.14 for San Francisco, \$32,820.44 for Los Angeles, \$16,522 for agriculture, \$9,084.63 for La Jolla and \$3,244 for Santa Barbara.

## SNIDECOR LEAVES ON SABBATICAL FOR SAN DIEGO WORK

Dr. John C. Snidecor, Professor of Speech and Acting Dean of the Division of Applied Arts, will depart shortly for San Diego where he will take sabbatical leave working on civilian research in the Human Factors Division of the Naval Electronics Laboratory.

There he will carry on descriptive research concerning speech and hearing in the Naval laboratory because it is unusually well-equipped for acoustical studies. The laboratory accepts guest professors on sabbatical leave even though their research has no direct interest to the armed forces.

## Major Bill Reynolds, Oregon '40 Pilot-Professor, U. S. Air Force!

Bill was an all-round athlete. He chose football as his favorite sport, made the varsity teams at Pomona Junior College and also at the University of Oregon.

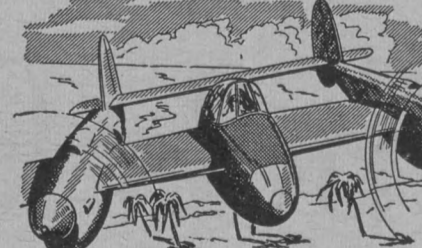

A Theta Chi, Bill enjoyed campus social life. Found that it eased the pressure of rugged athletics and his heavy study schedule in Personnel Management.

Upon graduation, Bill chose a future in the Air Force. He "flew" his first Link trainer as an Aviation Cadet in 1940. By March, 1941, he had won his pilot wings.

The 1st Observation Squadron, Fort Riley, Kansas was Lieutenant Reynolds' first assignment. While there he met the future Mrs. Reynolds. They married a year later and now have two fine sons.

The Squadron moved to Panama, then to the Pacific. Bill advanced from pilot to operations officer to squadron commander. He came home a Major and qualified for a Regular Commission.

Recently commended for peacetime work—organizing and improving instruction techniques—Major Reynolds, a "Pilot-Professor", looks forward to a long and gainful career in the U. S. Air Force.
