

Polls Open At 9 a.m. Today For Special AS Election

By Pete Young
News Editor

Barbara Bell and Connie Poynter again run for women's representative-at-large today and tomorrow in a short ballot special election.

One central poll in Storke Plaza will remain open from 9 a.m. to 3 p.m. both days. Presentation of student body cards is the only voting requirement.

Also on the ballot is a constitutional amendment which would change the method of selecting

Miss Bell's 11 vote edge over Miss Poynter in the recent A.S. election was ruled void last week after the EL GAUCHO notified the Elections Committee of several voting irregularities.

An undetermined number of men were not allowed to vote

Charity Dance Held March 22

Campus living groups may win a five-foot trophy for attendance at the Kappa Sigma sponsored Goleta Beach Charity Ball Friday, March 22.

The masked ball will be held in the old gym from 8:30 to 12:30. All those attending must be in mask and costume.

Tickets are on sale for \$1 a piece at the A.S. cashier's window. Proceeds will go to Camp Conestoga.

The trophy will be awarded to the living group with the highest percentage of attendance. In the event of a tie, straws will be drawn to determine the winner. Stag attendance at the dance is encouraged.

UC Art Festival Plans Being Made

Final arrangements are being completed for the All-University Student Art festival to be held April 6-9 at UCLA.

Each campus will send four students and one faculty member in each of six fields including fine arts, design arts, dance, drama, music, and creative writing.

The festival will feature several concerts given by various University groups including the Santa Barbara solo and chamber music group.

UCSB Campus Growth Outlined By Cheadle At Alumni Meeting

More than \$55 million will be needed for campus construction during the next five years, Chancellor Vernon I. Cheadle told more than 250 UCSB graduates who attended an all-day professional alumni conference here Saturday.

Enrollment will shoot up to more than 12,000 and faculty to about 1,000 by 1970, Dr. Cheadle said.

He said increasing space needs will be met by four new academic buildings, an administration building and another high-rise residence hall, all scheduled for completion by 1965.

The Chancellor also noted Santa Barbara always will be primarily an undergraduate campus.

"Even with 1,900 graduate students in 1970, five out of six students on the campus will be undergraduates," he said.

The 1,900 graduate students figure is more than the total undergraduate enrollment of 1954 when the university moved to its seashore site.

for the women's post in violation of the A.S. elections code and polls were closed an hour earlier than posted times.

Robert McCord, Associated Students vice-president and co-chairman of the Elections Committee, reminds that all students are eligible to vote today and tomorrow.

Barbara Bell

The poll will be manned by legislative council members only in an unprecedented precautionary move. Volunteers have staffed voting booths in past elections, though it is customary for a leg council member to supervise proceedings.

Neither candidate is confident of victory because of the close 11 vote margin two weeks ago. "It could go either way," Miss Bell said.

Miss Poynter expects a "People for Barbara or People for Connie" type election. "The result hinges on who gets out and votes," she said.

Appointed temporary women's rep during the interim, Miss Bell is a senior elementary education major and affiliated with the Chi Omega sorority. Her platform called for news letter for women's groups and a RHA-Panhellenic informational and counseling center.

A junior, Miss Poynter is a junior high education major, a member of the Special Events Committee and was chairman of

the Library Committee until her candidacy. She ran on a platform of "fair and equal representation" which she feels she would provide having lived both on and off campus.

The yell leaders amendment was inadvertently omitted from the last ballot because it was not delivered to the polls.

Connie Poynter

It would remove the power of the head yell leader to appoint assistants. Selection of all yell leaders would be by a panel which would include voting members of leg council.

McCord said the amendment would remove the possibility of one living group dominating the yell group. In the past, head yell leaders have tended to choose their friends for assistant positions, he said.

Legal Notice

In compliance with the by-laws of the Associated students of the University of California, Santa Barbara, the following notice of proposed legislation to be voted on by the students of said University.

"That Section III of Article VI of the AS Constitution be amended to read as follows: The head yell leader and up to four assistant yell leaders shall be elected by a panel composed of the voting members of Legislative Council, the AS Business Manager, and the Chairman of the Rally Committee, and the Yell Leaders presently in office if not applying for reappointment. If vacancies should occur they will be filled by appointment by the Head Yell Leader with the approval of Legislative Council."

Burhams In Music Recital Sunday

Linda Burhams, a senior music major, will present her senior piano recital Sunday at 4 p.m. in the UCSB auditorium.

A student of Dr. Wendell Nelson, Miss Burhams will perform works of Bach, Beethoven, Brahms, Ravel, and Poulenc. She has previously performed in a two-piano recital here on campus, and has served as accompanist for 2 senior recitals.

Linda is the accompanist for Modern Chorale, University Chorus, Opera Workshop, and Men's Glee. She has also played with the University Symphony Orchestra and the Santa Barbara Symphony.

Scherer To Speak

Dr. Paul Scherer of the Industrial Arts department will speak on "Family Housing" to the home economics chapter tonight at 7 p.m. in the home economics building, room 106.

Zytowski Holds Recital Tonight

A recital of songs from "Peter Grimes" and "Spring Symphony" by Benjamin Britten will be performed by tenor Carl Zytowski, UCSB music professor, in Campbell Hall tonight at 8:30. There will be no admission charge.

The program also will include folk songs, special arrangements of Henry Purcell songs and Holderlin fragments.

Piano accompaniment will be by Lloyd Browning, UCSB music professor.

Folk songs in the program will include "How Sweet the Answer", "Sally in our Alley", "The Ash-grove", "The Foggy, Foggy Dew", and "The Brisk Young Widow."

Among the Purcell songs are "If Music Be the Food of Love,"

"There's Not a Swain of the Plain," "Music for a While,"

Carl Zytowski

"I'll Sail Upon the Dog-Star" and "Sweeter than Roses".

The Holderlin fragments are unpublished works and will be sung from the publisher's proofs. They include "The Applause of Men," "The Homeland," "Socrates and Alcibiades," "Youth" "The Middle of Life" and "The Lines of Life."

Tenor Zytowski, formerly of the Music Academy of the West, in 1959 directed the world premier of Vernon Duke's opera "Mistress into Maid."

He studied music at St. Louis Institute of Music and the University of Washington as well as in Europe, where his work focused on how opera is staged on the Continent.

The Harold J. Plous Memorial Award was presented to Zytowski for "outstanding performance in a creative activity."

Surf Contest Open

All students are eligible to enter the all-school surfing contest to be held on the campus beach either March 10, 17, or 24 depending on surfing conditions.

Expert surfing ability is not required and 70 contestants will be accepted on a first come--first serve basis.

A 75 cent entry fee will be charged and observers will be asked to pay an optional 75 cents, all proceeds going to Camp Conestoga. Ticket-holders will be eligible for door prizes.

Contest prizes will be six medals.

Surfing Movie Tickets On Sale

The Sophomore Class will present the new feature length surfing movie, "Surfing Hollow Day" Tuesday, March 12.

Advanced tickets are now on sale at the Graduate Manager's Office for \$1.25.

Delta Tau Delta, Chi O's Win Greek Beach Contests

The Greek Week picnic Saturday drew a beach full of Greeks in spite of rough water, sandy hot-dogs and beach towels swept away by the strong winds that hit Southern California over the week-end.

Winner of the combination swimming-paddling relay race was Delta Tau Delta. The only other fraternity that finished the race was Sigma Alpha Epsilon.

Original plans called for six swimmers and six paddlers from each house. Because of the rough surf the number of swimmers was cut to three and paddlers to five. Even then some of the swimmers had to be pulled out of the choppy water in swimming from the beach to the buoy and back.

A quieter and safer contest followed, one to determine which houses could construct the best sand-castle. The winner was a copy of the Taj Mahal in sand built by the Chi Omega sorority with Phi Kappa Psi fraternity.

The beach party was the first function of the annual Greek Week which ends this Saturday with a work day at the Municipal Tennis Stadium in Santa Barbara and a sock hop that night in the old gymnasium. Music for the dance will be provided by "The Rooters."

According to IFC vice-president Rich Sanford, space does not allow for the dance to be an all-school affair. One member of each couple must wear a Greek pin to be admitted to the 8:30 dance.

Pridemore Top In Taco Contest

Last Friday the Isla Vista taco-consumption rate took a sharp upward swing as 14 hungry Gauchos raced against time and each other for the coveted title of 'Isla Vista Taco Eating King.'

Sponsored by Los Tacos, the object of the contest was to see how many tacos one could eat, and keep down, in an hour's time.

Waddling off with the title and first place money of \$50.00 was Lambda Chi Alpha's Trent Pridemore who consumed temporarily, 29 tacos.

Coming in a close second with 27 tacos was Dave Crawford of Chi Sigma. Crawford received \$25.00 second place money.

Mimic To Perform

Pantomime artist, Frans Reynders, will perform Saturday, March 23, at 8:30 p.m. in Campbell Hall.

Reynders, a native of the Netherlands, has toured Europe and the U.S., both as a musical comedy star and as a mimic. For the past four seasons, he has toured successfully to colleges and universities for the Arts Program of the Association of American Colleges.

Potshots

UCSB invites Berkeley to a boxing match. This is one time that 'big brother' is going to be handled with Golden Gloves rather than kid gloves.

Rumor has it that Bishop Pike is working on a prayer for public schools which should pass the Supreme Court. It begins, "to whom it may concern".

RHA reps placed a suggestion box in the Post Office. The box was mysteriously smashed. Could there be a more pointed suggestion?

Recreation News

By Susan Peters

Recreation Control Board is sponsoring many activities for the benefit of the student body this week. Friday, March 8, Rec night will be held in the Robertson Gymnasium from 7-10 p.m. Basketball, volleyball, badminton, gymnastics, folk dancing, shuffleboard, and table tennis will be the activities available. This is open to both men and women students.

For the swimming enthusiasts, the swimming pool will be open from 12-4 p.m. every Saturday and Sunday afternoon. For those who also wish to swim during the weekdays, the pool will be open 12-1 Monday thru Friday.

In order to seek new recruits and to display its dancing skill, the folk dance interest group

will put on a demonstration in the Student Union Plaza Friday from 12-1. The group meets every Friday night from 8-11 p.m.

A 16-foot pushball is available to any on or off-campus organization that wishes to borrow it. For further information call Bud Geitch at 7-5611, ext. 2204.

Any group of students who wish to form an interest group in any recreational area should contact UCSB's recreation supervisor Bud Geitch.

Keep your eyes on the tennis courts! Soon RCB will be installing lights for night playing. The lights will be operated by a coin box, and will aid you in getting in that extra game when you want it.

WINNERS OF GREEK WEEK swimming-paddling contest are Delta Tau Delta fraternity members; (l to r) standing: John Soth, Bill Lippinkott, Rick Thompson, Rich Sanford; kneeling: Fred McCarl, John Moore, Bernie Conrad. Not shown: Blair Ballard. --Campus Photo

Frosh Sweep Doubleheader

Catcher Tony Goering's home run with a man aboard and Mike Cooney's one hitter in the night-cap combined to give the UCSB Frosh a sweep of their opening doubleheader Saturday against the Taft Junior College by 9-7 and 2-1 scores.

In the first game the yearlings held a 5-0 advantage until the visitors broke loose for seven big runs in the fifth inning to take a 7-5 lead.

But the Frosh came right back in their half of the sixth to score four times after two were out. Back to back singles, a triple by third baseman Steve Murray, and then Goering's drive over the right field fence made it 9-7, and the yearlings had only to get three quick outs for the win.

The second game, however, provided marked contrast to the first, but contained just as many thrills as the Gauchos took a 2-1 squeaker.

Mike Cooney pitched a one hitter for the Frosh, yielding a lead off single to the first batter of the game. From then on he retired seventeen men in a row until the sixth inning, when his bid for a shut out was ruined by his own error.

In the sixth Taft got its second base runner of the afternoon when Cooney hit a batsman, and in attempting to field the next batter's slow roller he overthrew first base, which scored the runner on first who had been hit by Cooney's pitch.

Cooney then went on to down the next four batters, ending with having faced only 24 batters, three over the minimum for a seven inning game. He struck out six and allowed no bases on balls.

The Frosh scored their runs in the second, fourth and sixth innings, the latter coming on a suicide squeeze to produce the insurance tally.

Coach Bill Shortell will pit his Frosh squad, possibly the finest in the four year history of Frosh baseball at UCSB, against Dave Gorrie's Varsity this Friday on the campus diamond, starting at 3 p.m.

Who May Win NCAA Regionals?

by Fred Dawson
Want to try to predict how the Gauchos may do in the NCAA regionals in Fresno this weekend?

Four teams will compete for the chance to go to Evansville and the national finals: UCSB, which got the nod after finishing, tied for second in the CCAA; Fresno State, the CCAA champions, Chapman, an independent; and Far Western champs San Francisco State.

What do past records mean? UCSB holds an 83-68 win over Chapman in early season play. Chapman lost to Fresno at the beginning of the season, 77-72, but last weekend while the Gauchos were losing to Loyola-

Chapman avenged its earlier defeat by dropping Fresno, 69-67.

Fresno has in turn defeated the Gauchos on the UCSB court, 59-52. But Santa Barbara dropped the Bulldogs on their home floor by a 56-48 count!!

At press time little information was available concerning San Francisco State, but records from San Diego State, who were twice beaten badly by the Gauchos, indicate that the Aztecs dumped the northerners by twenty points early in the year, indicating that San Francisco may be entirely outclassed.

But in a tourney like this anything could happen, and each club wants that trip to Evansville just as bad as the next.

Frosh Spikers Mimick Varsity

Duplicating the Varsity's win over Pomona, the UCSB Frosh track team dumped the Pomona Frosh in their dual meet with the Sagehens by a 101-43 score.

The Frosh took 12 first places to 5 for Pomona, identical to what the Varsity accomplished. Two double winners were also produced for UCSB, Mike Smith and Rob Denhardt.

Denhardt took the two hurdle events with times of 16.7 and 42.2, while Smith coped the dashes with 10.4 and 23.3 efforts.

Jack Roach set his second meet record in as many weeks by taking the mile run easily in a time of 4:30.9, and Dave Caswell set a Frosh mark for the dual meet in the pole vault with a 13 foot leap.

The Frosh travel south next week and accompany the Varsity in a dual meet with Long Beach.

Golfers Dump Cal Poly, 49-5

Allowing their opponents only five points in team scoring, the UCSB golf team squashed the visiting Mustang linksters from Cal Poly last Friday by a 49-5 count.

Dave Lynch, starting as the number three Gaucho Golfer, was the day's medalist with a 34-39-73. Lynch was followed by Bob Clancy, who started the day in the number one spot, with a 75.

Three Gauchos, Clancy, Al Bills, and Rodger Peterson, blanked their opponents 6-0, while Lew Garbutt, Lynch, and Dick Fisher relinquished only one point each to the visitors.

The UCSB club now holds a 2-1 record, and meets San Fernando State this Friday at La Cumbre Country Club in Santa Barbara in an attempt to make it 3-1.

Debate Team Takes 4th Place

ANDY GARB, DIANA JENSEN, Roy Stacy, and Mary Himmelhoch prepare for Pacific Southwest Collegiate Forensic Association Spring Championship Tourney this weekend. The tourney will be held at San Fernando Valley State College. Recently the Himmelhoch-Jensen team reached the quarter final rounds of the three day long Golden Gate Invitational Debate tourney at San Francisco State College.

--Photo by Dave Dawdy

Mary Himmelhoch and Diana Jensen, top UCSB debate team, reached the Quarter Final Rounds of the three day long Golden Gate Invitational Debate Tourney at San Francisco State College last weekend. They won six out of eight preliminary debate rounds against selected teams from all over the nation.

The UCSB women were eliminated by USC's leading team which went on to take second place behind Loyola University, tournament champions. Third place team was from Kansas State College, Emporia.

The team of Himmelhoch and Jensen will head UCSB's delegation to the Pacific Southwest Collegiate Forensic Association Spring Championship Tourney at San Fernando Valley State College this weekend.

Others entering the Championship Tournament are the teams of Craig Smith-David Hunsaker and Ron Cook-Dimore Nelson. These teams tied for first place in lower division at the Arizona Invitational Forensics Tournament in Tucson, Arizona two weeks ago. Forbes Hill, advisor to the team, said that the Himmelhoch-Jensen team "is expected again to place in the final rounds."

Andy Garb and Roy Stacy will also debate this weekend.

Top Educators To Gather

Prominent educators from all over the United States will take part in a symposium on excellence in education at UCSB March 29-31.

Chancellor Vernon I. Cheadle, said addresses would be given by Dr. Sterling McMurrin, recent U.S. Commissioner of Education; Dr. Arthur Coons, President of Occidental College; Dr. Lee Dubridge, President of California Institute of Technology and Dr. Henry Chauncey, President of the Educational Testing Service.

Last week, UC president, Clark Kerr announced that Dr. James B. Conant, President Emeritus of Harvard University, would open the symposium at a dinner on the evening of March 29 and would also deliver the Charter Day address here.

The symposium is the first in a series of seven conferences to be given on various university campuses during 1963. The subject of the conferences is "California and the Challenge of Growth" and each is devoted to a different aspect of the problems facing our most populous state.

Dr. McMurrin will give the keynote address of the symposium; while Drs. Chauncey, Coons, and Dunbridge will deliver assigned papers to be discussed by a panel of three educators and followed by general discussion by the delegates.

Cadets Advanced

Seventeen ROTC promotions were announced Saturday with the approval of Chancellor Cheadle. Bob McCord was promoted to cadet colonel, and Stephen Campbell, Michael Dowler, and David Olsen were promoted to cadet major.

Promotions to cadet captain include Jon Baake, Robert Broughton, Charles Coventon, James Davidson, Jon Hepper, Gerald Hickman, Steven Mendell, John Millard, Gary Milne, Leland Webb, Kenneth Weeks, Thomas Williamson, and John Stansbury.

Violinist Solos At Granada

Russian violinist Tossy Spivakovsky will appear as violin soloist tomorrow with the Santa Barbara Symphony Orchestra in the Granada Theater.

Spivakovsky received his musical education at the Hochschule fur Musik in Berlin and made his professional debut in Berlin in 1920. When 18 years old he was appointed concert

master of the Berlin Philharmonic Orchestra and remained in the post until 1933.

One of the greatest tributes to the artistry of Spivakovsky came in 1943 when he was selected to give the world premiere of Bela Bartok's Violin Concerto.

He performed this work with the Cleveland Orchestra,

On Campus with Max Shulman

(Author of "I Was a Teen-age Dwarf", "The Many Loves of Dobie Gillis", etc.)

HAIL TO THE DEAN!

Today let us examine that much maligned, widely misunderstood, grossly overworked, wholly dedicated campus figure—the dean.

The dean (from the Latin *Deanere*—to expel) is not, as many think, primarily a disciplinary officer. He is a counselor and guide, a haven and refuge for the troubled student. The dean (from the Greek *Deanos*—to skewer) is characterized chiefly by sympathy, wisdom, patience, forbearance, and a fondness for homely pleasures like community singing, farina, spell-downs, and Marlboro Cigarettes. The dean (from the German *Deangemacht*—to poop a party) is fond of Marlboros for the same reason that all men of good will are fond of Marlboros—because Marlboro is an honest cigarette. Those good Marlboro tobaccos are honestly good, honestly aged to the peak of perfection, honestly blended for the best of all possible flavors. Marlboro honestly comes in two different containers—a soft pack which is honestly soft and a Flip-Top box which honestly flips. You too will flip when next you try an honest Marlboro, which, one honestly hopes, will be soon.

There is not a dry eye in Yutah

But I digress. We were learning how a dean helps poor, troubled undergraduates. To illustrate, let us take a typical case from the files of Dean S. . . . of the University of Y. . . . (Oh, why be so mysterious? The dean's name is Sigafos and the University is Yutah.)

Wise, kindly Dean Sigafos was visited one day by a freshman named Walter Aguincoourt who came to ask permission to marry one Emma Blenheim, his dormitory laundress. To the dean the marriage seemed ill-advised, for Walter was only 18 years old and Emma was 91. Walter agreed with the dean, but said he felt obligated to go through with it because Emma had invested her life savings in a transparent rainhood to protect her from the mist at Niagara Falls, where they planned to spend their honeymoon. If Walter called off the wedding, what use would the poor woman possibly have for a rainhood in Yutah? The wise, kindly dean pondered briefly and came up with a brilliant answer: let Walter punch holes in the back of Emma's steam iron. With steam billowing back at the old lady, she would find a rainhood very useful—possibly even essential.

Whimpering with gratitude, Walter kissed the dean's Phi Beta Kappa key and hastened away to follow his advice—and the results, I am pleased to report, were madly successful!

Today Emma is a happy woman—singing lustily, wearing her rainhood, eating soft-center chocolates, and ironing clothes—twice as happy, to be candid, than if she had married Walter. . . . And what of Walter? He's happy too. Freed from his unwanted liaison with Emma, he married a girl much nearer his own age—Agnes Yucca, 72. Walter is now the proud father—stepfather, to be perfectly accurate—of three fine, healthy boys from Agnes's first marriage—Everett, 38; Wilhelm, 43; and Irving, 55—and when Walter puts the boys on a lead and takes them for a stroll in the park on Sunday afternoon, you may be sure there is not a dry eye in Yutah.

And Dean Sigafos? He too is happy—happy to spend long, tiring hours in his little office, giving counsel without stint and without complaint, doing his bit to set the young, uncertain feet of his charges on the path to a brighter tomorrow.

We don't say Marlboro is the dean of filter cigarettes, but we're sure it's at the head of the class. Get some soon—wherever cigarettes are sold in all fifty states and the Union.
