Associated Students Board

SOCIAL ACTION

COMMUNITY AFFAIRS BOARD (CAB): CAB is dedicated to enhancing the educational experience of all UCSB students by providing easy access to community service work. Through a diversity of projects and community outreach, CAB seeks to augment classroom experiences, to create opportunities for career exploration, to connect UCSB to the community in a meaningful way, and to promote the ethics of Public Service.

INTERNATIONAL EXCHANGE COMMITTEE: IEC provides exchange opportunities for UCSB students with international universities not currently served by Education Abroad Program.

ISLA VISTA COMMUNITY RELATIONS: This committee is responsible for the education of the campus and student communities regarding issues within Santa Barbara County and Isla Vista that have an effect on students. Such issues may include but are not limited to; safety, police/community relations, emergency and other vehicle access in Isla Vista, parking, and County and University funding for programs and services in Isla Vista.

COMMISSION ON THE STATUS OF WOMEN: The A.S. Commission on the Status of Women is a group of committees funded by the UCSB undergraduates to advise the Legislative Council on all aspects of campus concerns pertaining to women. These committees include; Affirmative Action, Violence Against Women, Rape Prevention and Education, Women's Health, Publicity & Graphics, Lesbian issues, and Cultural Awareness.

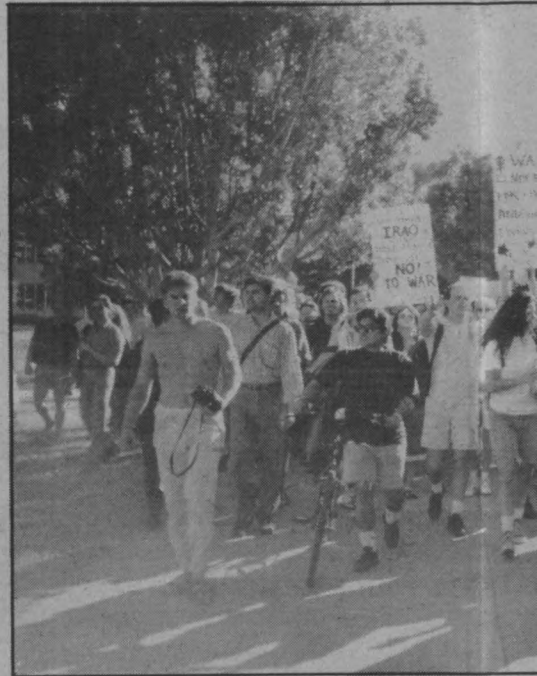

RECYCLING COMMITTEE: The purpose of the Recycling Committee is to work for the proliferation of recycling efforts both on and off campus. This committee should

continually explore the expansion of recycling through Associated Students in conjunction with other campus and community groups and organizations. The Recycling Committee is also responsible for allocating and managing the Recycling Trust Fund Account.

STUDENT COMMISSION ON RACIAL EQUALITY (SCORE): This commission constitutes a body funded by the UCSB undergraduates concerned with providing a positive and comfortable learning environment for persons from diverse and underrepresented social backgrounds. Its purpose is to confront and pro-actively resolve issues concerning the campus and community that affect students of UCSB. This commission also implements and supports rules and regulations that will help provide a more comfortable atmosphere for minorities on this campus, network with other groups, campus departments or other universities to help combat racism at UCSB and other educational institutions.

STUDENT LOBBY: A.S. Student Lobby is a collective of extremely motivated and creative people. Lobby is intended to help students with particular issues and achieve their goals related to these issues. For example, Lobby helped fund many of the rallies to oppose the U.S. defense build-up in Saudi Arabia. Lobby also contributed to the enormous success of the Gulf Crisis Teach-in, the legalize marijuana rally and the anti-apartheid rally.

UC ACTION NETWORK LOBBY (UCAN): The purpose of UCAN is to unite women's groups systemwide and on the UCSB campus; to increase the political participation and awareness of women students through lobbying efforts on campus and with state legislature; to act as a liaison to the "Women Students' Project" desk in the UC Student Association office in Sacramento.

A.S. Legal Scene

CONSTITUTION & BY-LAWS: This committee is responsible for recommending on all matters pertaining to the ASUCSB Legal Code. The committee will study the code and make recommendations on needed legislation.

JUDICIAL COUNCIL: Judicial Council is the third or judicial branch of the A.S. government. Within the A.S. structure we are roughly analogous to the United States Supreme Court. The council's duties are: the power to hear and decide any case under original jurisdiction as set forth in the Article V of the A.S. Constitution. Included in this provision is the responsibility to adjudicate completely and diligently questions pertaining to the A.S. Legal Code, and render a just and equitable resolution. Cases are brought to Judicial Council involving of the A.S. Constitution or By-laws, and hear those cases in an open hearing where both sides argue their case, and they meet in closed session and render a decision.

ATTORNEY GENERAL: The Attorney General acts as an investigator and prosecutor in those cases which are brought to Judicial Council on violations against the A.S. Constitution and By-Laws. The Attorney General may also serve as an advisor to those who wish to bring a case to Judicial Council themselves.

Money Matters

FINANCE BOARD: Finance Board listens to requests from different student groups to transfer funds into different accounts and to approve travel requests. It makes recommendations to Legislative council about how to spend the unallocated funds. Each week it listens to requests by students to use the unallocated monies.

A.S. INVESTMENT ADVISORY COMMITTEE (ASIAC): ASIAC acts as an advisory committee to the Legislative Council and the Associated Students for the investments of A.S. funds. The Legislative Council will make final decisions on all investments.

A.S. UNDERWRITE: The A.S. Underwrite Board was established to assist campus organizations for fund raising activities. They encourage these organizations to put on fund raisers by loaning them money to reduce their overhead costs allowing them to have the event. After the event, the organization pays back the loan (interest free) and keeps the profits. The Board's duties are to decide who shall and shall not receive underwrites using the criteria developed at the beginning of each term of office.

CONTROLLER: The controller is responsible for assisting Legislative Council with their accounts, analyzing proposed capital expenditures, advising Boards and Committees on the formation of a budget, and advising on overall increase of cost effectiveness.

Academic Concerns

ACADEMIC AFFAIRS BOARD: The Academic Affairs Board's purpose is to increase the quality of undergraduate education at the University. AAB provides services that help students find and define their educational goals, and also tries to increase the contact between students, faculty, and the Administration.

FACULTY AND COURSE EVALUATION SURVEY (FACES): F.A.C.E.S. provides detailed faculty and student information about general education courses so that students can choose courses according to their personal academic needs and preferences. In its second year on this campus, it is staffed by students who all share a concern for our university and a desire to emphasize the importance of a quality undergraduate education. Paid positions include coordinators, editors, and runners.

Conflict Resolution

COLLECTIVE BARGAINING COMMITTEE: The CBC is responsible for the monitoring of all issues, actions, laws, and communications pertaining to collective bargaining in the UC system. The CBC also is responsible for assisting and representation, mediation and conflict resolution on behalf of any and all students at UCSB in any situation where a student is the plaintiff against UCSB administration, UCSB faculty, and the UC system.

STUDENT ADVOCATE: The Student Advocate works with the Collective Bargaining Committee and provides information for those students who have concerns or disputes regarding University policy.

Ties to the Media

LA CUMBRE EXCELLENCE COMMITTEE: This committee is in charge of finding ways to improve the yearbook. They must select an Editor, meet with staff periodically and provide advice to the La Cumbre staff. Board members are expected to keep up with various national agencies, make comparisons with other collegiate yearbooks, and make their findings available to the yearbook staff and the Associated Students.

PRESS COUNCIL: Press Council has the duty to approve/amend budgets, select Editors-in-Chief, and be the editorial oversight body for all student funded papers at UCSB. Press Council is officially the publisher of all student funded papers at UCSB. It does not want to control the generic. Press

Council see's itself as a necessary division of power to ensure the freedom of the Press and first amendment rights.

RADIO COUNCIL: This council is the governing board of KCSB. Radio Council sets broad policies which include reviewing and setting station goals and purposes, descriptions, codes of conduct, and budgetary approval.

STORKE GOVERNING BOARD: The A.S. Storke Governing Board makes policy recommendations to the Legislative Council in the areas of the Communications Office, Storke Building maintenance, UCSB Map & Directory, and all other communications areas not specifically provided for by Press Council, Radio Council, and La Cumbre Excellence Board.

Campuswide Affairs

BUSINESS SERVICES: The A.S. Business Services Committee oversees and helps set goals for the following Associated Students' Businesses and Services: A.S. Bike Shop, A.S. Cashier's, A.S. Publications, A.S. Word Processing, A.S. Notetaking, A.S. Legal Services Resource Center and any new services which may be developed by the Subcommittee. In conjunction with the business managers, Business Services will make recommendations to Finance Board regarding the yearly budget. It will review, evaluate, and ensure compliance with business policies and contracts. It will also serve as a liaison between A.S. Business Managers, Student Employees and Legislative Council. Finally, incorporated in this committee will be a sub-committee whose charge shall be drafting, reviewing, and implementing proposals for new A.S. Business Services.

CAMPUS DEVELOPMENT COMMITTEE: The A.S. Campus Development Committee is responsible for monitoring campus development. It conducts research into the quality of life and education as they relate specifically to undergraduate and graduate students. Furthermore, this committee is responsible for the creation of a Student Impact Report each quarter in order that this research may be continuously examined as development progresses.

COMMUNICATIONS BOARD: The A.S. Communications Board assumes responsibility for outreach to the undergraduate student body as a whole and for providing non-biased information on Associated Students to all undergraduate students.

ELECTIONS COMMITTEE: The main responsibility of the A.S. Elections Committee is to organize the spring quarter general election and for special elections during other quarters if the need arises. The committee for the current year consists of seven members and one chairperson. It meets weekly to discuss the aspects of elections to which it has been assigned. Elections Committee is a good opportunity to meet and work with the candidates and keep up on student issues.

PROGRAM BOARD: This board dedicates its time and energy to producing and supporting entertaining and culturally diverse events for the UCSB campus and surrounding community. This board provides an opportunity for students to gain a wide range of experience in planning and producing university activities and entertainment. Check with the Program Board office for more information regarding available positions.

The Campus Administrative Committees and Advisory Boards serve two functions (1) to respond to requests for advice and (2) to identify needs or concerns within the charge

the committee and to recommend action. These committees are *advisory* only, and do not have policy-making authority.

Administrative Advisory Committees

ADMISSIONS: Recommends on admission policies, selection criteria, procedures and guidelines.

ARTS AND LECTURES: Works with Arts and Lectures on the development of Arts and Lectures programs.

BIOSAFETY: Assists the Environmental Health and Safety area in developing guidelines for safe use of biohazards.

CAMPUS ACTIVITIES CENTER ADVISORY: A forum for discussing and making recommendations about the services provided by the Campus Activities Center to aid the center in carrying out its responsibilities and its interactions with the campus community.

CAMPUSWIDE ELECTIONS: Make recommendations on all issues related to campuswide elections. This includes, but is not limited to ballot wording, election timing, election operations, policies, practices and violations.

COMPREHENSIVE CHILDCARE ADVISORY: Studies childcare issues and develops recommendations for addressing the childcare needs of the campus community.

COUNSELING AND CAREER SERVICES: Provides advice on policies and programs pertaining to Counseling and Career Services.

DIVING CONTROL BOARD: Establishes and/or recommends training programs. Recommends changes in policy. Recommends or approves locations, new equipment or techniques.

FINANCIAL AND ADVISORY: Advises and recommends to the Director and staff of the Office of Financial Aid

HUMAN SUBJECTS: Establishes and administers policy on the protection of human subjects.

INCOME AND RECHARGE: Reviews and makes recommendations on rate structures and proposed changes to rates submitted by campus service units for goods and/or services.

INTERCOLLEGIATE ATHLETICS POLICY: Provides advice on policies and procedures (excluding eligibility) pertaining to intercollegiate athletics programs and club sports.

NATURAL RESERVE SYSTEM: Recommends to the Systemwide committee concerning potential reserve sites. Reviews the activities of the reserve advisory committees and assumes any other responsibilities which may fall within its purview.

OMBUDSMAN: Serves as ad advisor to the Ombudsman Office.

PARKING AND TRANSPORTATION: Reviews plans, policies, operations, rates, and budgets for the UCSB transportation and parking program.

PHYSICAL PLANNING: Provides advice concerning the physical development and alteration of the campus.

PROGRAM REVIEW: Participates in the periodic external site reviews of undergraduate and graduate academic programs and departments.

PUBLIC SAFETY: A forum to discuss, evaluate, and make recommendations to campus officials on public safety issues on campus, including bicycle safety.

RADIATION SAFETY: Reviews and recommends on safety policies and procedures, purchase of radioactive materials, resolution of potential safety problems.

RECREATION GOVERNANCE BOARD: Address policies governing the Rec Center's purpose and image, facilities, services, programs, activities, scheduling, access and establish user fees.

Authority over operation and development of the Center with respect to matters involving policy and have authority for approval of Rec Cen budget.

SCHOOL AND COLLEGE OUTREACH AND VISITATION: Provides advice and recommendations to the Director of Admissions and the Director of Public Relations regarding the school and college visit plan.

STATUS OF WOMEN: Research and advises the Chancellor on issues relating to the status of women at UCSB and makes recommendations to the Chancellor concerning these issues.

STUDENT/FACULTY CONDUCT: Recommends disciplinary action in response to inappropriate student conduct in academics, and in all other areas, with exception of the Residence Halls. Also reviews readmission requests. Advises on organizational discipline and regulation interpretation.

STUDENT FEE ADVISORY: Advises on activities supported by income from student registration and education fee supported programs and recommends priority for funding.

STUDENT HEALTH: Define and make recommendations for the solution of college health problems, to allow students to examine, evaluate, and make specific recommendations regarding service on issues relevant to the operation of the Student Health Service.

UNIVERSITY GOVERNANCE: Develops policies which affect all areas within the University center including budget, long range planning, operations, programs, facilities, purpose, and image.

WOMEN'S CENTER: A forum for discussing and making recommendations about the services provided by the Women's Center to aid the center in carrying out its responsibilities and its interactions with the campus community.

Applications for these committees are available NOW in the A.S. Main Office, 3rd floor UCen, 893-2566

The faculty participates in administration of the campus through the Academic Senate and its committees. Because of its inclusiveness and the power it yields (both by

and strong tradition), the Senate is regarded as highly influential determining the policies of the campus. Many Senate committees include students but as non-voting members.

Academic Senate Committees

ACADEMIC FREEDOM: To study and report to the Faculty Legislature concerning any condition which may affect the academic freedom of the University, especially with regard to acceptance of university appointments, resignations from such appointments, and to the reputation of the university and individual members of its faculty.

ADMISSIONS AND ENROLLMENT: To consider and report to the Faculty Legislature and to the Chancellor on matters involving admissions, enrollment and redirection at Santa Barbara.

AFFIRMATIVE ACTION: To study and report to the Faculty Legislature on all matters of affirmative action including (a) academic personnel and policies affecting women and ethnic minorities; (b) access of women and ethnic minorities to graduate and undergraduate programs in all academic areas, (c) seeking information and making recommendations regarding actions necessary to remove and correct inequities of opportunity.

AMERICAN HISTORY AND INSTITUTIONS: To formulate policies for the administration of the Senate Regulations regarding American History and Institutions, and to review the application of these policies by duly authorized officers and agencies.

ATHLETIC POLICY: To determine eligibility for intercollegiate competition. To consider and report to the Legislature and the Chancellor on matters involving the intercollegiate athletic program.

CAPITAL PROJECTS: To establish, from within its membership, a Capital Planning Subcommittee whose responsibilities shall be to work directly with the administration and its professional planners in reviewing the academic impact of major capital projects and to delineate the criteria used in developing detailed plans for particular major capital projects. The committee shall also establish, from its membership, an Architecture, Physical Planning and Environment Subcommittee whose responsibilities shall be to work directly with the administration in the selection of professional

architects, planners and landscape architects; work with administration and planners in setting and reviewing campus planning goals and implementation; review specific planning and design proposals pertaining to campus landscape and architecture; consult with facilities management respecting maintenance and alterations of campus facilities, including landscaping.

COMPUTING, INFORMATION TECHNOLOGY AND TELECOMMUNICATIONS: To represent the division and its faculties on all matters affecting academic instruction and research policy involving the use of computers, information technology and telecommunications; and to advise the Chancellor and/or designees on all matters concerning computers, and information and telecommunications technology.

EDUCATION ABROAD PROGRAM: This committee represents the Santa Barbara Division in all matters concerned with the Education Abroad Program.

EDUCATIONAL POLICY AND ACADEMIC PLANNING (CEPAP): To formulate and recommend on educational policy as its primary responsibility in all matters of Divisional concern. To establish, from within its membership, a Planning and Resources Subcommittee, whose responsibilities are: (a) to formulate recommendations to the Chancellor regarding the long range educational plan of the campus and the university, and (b) to formulate recommendations to the Chancellor regarding the university budget for the Santa Barbara campus.

EFFECTIVE TEACHING AND INSTRUCTIONAL SUPPORT: To promote good teaching, to propose programs that will foster it, and to develop criteria for its evaluation. To formulate and recommend to the Chancellor general policies concerning instructional support activities of the Santa Barbara campus.

EXTENDED LEARNING: To advise the Chancellor on any matters concerning the functions and the educational and related

budgetary and personnel policies of University Extension and of Off Campus Studies. To report to the Faculty Legislature on matters affecting University extension and Off Campus Studies.

FACULTY WELFARE: This committee advises the Faculty Legislature on matters concerned with the economic welfare of the faculty such as salaries, benefits, insurance, retirement, housing, and other matters that affect the conditions of employment.

GENERAL EDUCATION: To study every aspect of the general education program at Santa Barbara, make comparisons with similar programs in other institutions, consider recommendations from members and committees of the Division, and in general seek to provide a common cultural experience for all students. To determine standards governing the general education requirements for the degree of Bachelor of Arts and Bachelor of Science, and specify the means of satisfying these requirements, subject to ratification by the faculty Legislature.

LIBRARY: To advise the Chancellor regarding the adequacy and growth of the Library at Santa Barbara

STUDENT AFFAIRS: To meet regularly with the Vice Chancellor for Student Affairs and to consult with him on matters affecting the relationship between the administration of student affairs and the academic mission and goals of the University.

UNDERGRADUATE COURSES: To exercise plenary powers regarding the authorization, discontinuance, supervision, and final approval of undergraduate courses, including the power to determine the appropriateness of the assignment of an instructor to a specific course.

UNDERGRADUATE PREPARATORY AND REMEDIAL EDUCATION (CUPRE): To monitor and conduct periodic reviews of preparatory and remedial education and to supervise placement examinations.
