Pres. Phelps
Greetings New, Old Students

Cultural Entertainment and Recreational Activities

Greetings and best wishes. We are glad to welcome those who are returning to the campus and to see the many new faces here for this session. We hope that you will find both pleasure and profit in your pursuit of knowledge in the work of the courses offered and that you will be pleased with the beaches, the mountains, the ocean and the varied possibilities of cultural, entertainment and recreational activities.

We would especially recommend that you start in at the beginning with the idea that you are going to participate in as many activities as possible. Work and play are not incompatible and in these long days there are daylight hours for sufficient accomplishments in both.

C. L. Phelps, president.

New Students Welcomed by Mrs. Abraham

Enriched Program Is Offered; Invites Students to Participate

Greetings to former and new students of the summer session of 1935.

Santa Barbara State is on its "toes" to give you the best program of work and pleasure that it has ever given. All that you need do is to participate joyously in all activities. Please remember that the college needs the cooperation of each student to make the summer happy and successful.

El Gauchito, formerly Stray Feathers, is published for your editing and pleasure. The editor welcomes news items and is glad to help promote any merited project of departments and the student body.

Know that department heads and faculty members are glad to make any needed adjustments in programs when possible. It is YOUR summer session. Use it—and us.

Cordially,

Jane Miller Abraham, Registrar.

NEW TEACHERS ADDED TO STAFF FOR S. SESSION

NEW CHANGES

With the “Winds of Change” blowing over the campus, many changes have taken place since the last summer session.

The opening semester of 1934 found the school’s name changed from the Roadrunner to El Gauchito, the Argentine cowboy. Next in the path of the raging wind was the passage of the education bill 174, and its signature by Governor Merriam, eliminating the word “teacher’s” from the name of the State colleges in California and thereby legalizing the name of Santa Barbara State college. We hope that the general public learns that we are a four year college with authority to grant A.B. degrees as well as teaching credentials.

The final change of the windstorm is in the name of the State colleges in California and thereby legalizing the name of Santa Barbara State college. We hope that the general public learns that we are a four year college with authority to grant A.B. degrees as well as teaching credentials.

The College Chess Club meets every Monday evening at 7:00 o'clock in the men’s club room.

All interested in learning, playing or watching others play are invited.

Last summer this organization had a great time checking, double checking, and making friends.

The Santa Barbara Chess Club was challenged and nine of our college players made a very credible showing, winning several matches.

While players will be given special attention and made to feel welcome, there is no charge. Come and join the fun.

STATE WORKS ON COLLEGE ROADS DURING SUMMER

State highway authorities have recently surveyed all of the campus roadways which are to be repaired and paved this summer, according to President Clarence Phelps, and their report of the details of construction and costs will be sent to him within the next week.

All of the campus roads are to be improved, especially the one around the administration building which will be opened and paved with asphalt and a new parking space at the west end of the building will then open to students. It is hoped that the congested parking conditions of the main road will be relieved, and that the problem of noise around the classrooms will be solved.

ERICSON HEADS COMMISSION FOR
ADULT TRAINING

Mr. E. F. Ericson, head of the in-
dustrial education department, has
been appointed to the State com-
mission for adult and continuation
education by the State department
of education.

The purpose of this commission
is to work out teachers' training
progress for teachers in this field.
There will be many meetings at
which problems of training and
certification of teachers will be dis-
cussed.

Santa Barbara State college stu-
dents will be offered opportunity to
attend adult courses both in the
summer and fall semesters.

Dr. George Mann, together with
four other members chosen from
executives of schools in Southern
California, make up the committee.

Stage Revival Play

at Lobero Theater

The Lobero theater of Santa Bar-
bara will present a revival of J.
Hartley Manner's romantic comedy
"Peg O' My Heart," Friday and Sa-
turday nights, June 28 and 29.

An attempt has been made to re-
produce faithfully the first produc-
tion of "Peg O' My Heart" as given
at the Cort theater, New York City
in 1912.

There will be a matinee perform-
ance Saturday. State college stu-
dents will be admitted for twenty-
five cents after 8 p.m. upon pre-
sentation of student body cards.

Young men's paradise—the Uni-
versity of North Dakota (Grand
Forks): The Senior Prom com-
mittee recently ruled that no col-
lections could be worn.

In a questionnaire given to 41
students at Ohio Wesleyan Uni-
versity (Delaware), 36 declared
there was something wrong with
the present economic system.

Students Travel Far
for Summer Session

Again as in the past summers,
Charles W. Mitchell of Wheeling,
West Virginia, takes the prize
for coming the farthest distance
to attend summer session in Santa
Barbara.

"Just a casual jaunt of about
4000 miles," remarked Mr. Mitchel,
a teacher of auto mechanics in the
Wheeling school system, "I always
look forward to the summer which I
can spend in this city of Santa
Barbara."

To this club of long distance trav-
ellers also belongs Walford Petersen
of Mankato, Minnesota, a teacher
there in industrial arts.

With rights of a Montana license
and a car looking as if it had come
through rain and mud "aplenty,"
the third place goes to Charles M.
Silverthorn, of Bozeman, Montana.
These three gentlemen are all mem-
bers of the industrial educa-
tion department and loyal support-
ers of Santa Barbara State college.

Busses Available
for Students

Bus service to the college is avail-
able every twenty minutes between
the hours of 8 a.m. and 10 p.m.
Busses leave the beach at ten,
three and fifty minutes after the
hour, and leave the postoffice cor-
ner at the even hour, twenty and
forty minutes after the hour, and
arrive at the college ten minutes
later.

Mail Schedule for
Summer Announced

Student mail during summer may
delivered in care of the State
college. The mail will be distribu-
ted to the lower set of mail boxes
in the main hall under alphabetical
divisions. Students are asked to visit
the box daily for mail and other
notices.
Lincoln Fellowship Visits Local Library

The Lincoln library at the college was visited Saturday by members of the Lincoln Fellowship of Southern California, following a luncheon meeting of the organization at El Paseo.

Miss Della Haverland, who has charge of the library, gave a talk on the history and purpose of the collection, which contains material about Lincoln, the Civil war period, and slavery. Miss Haverland was invited to become a member of the Lincoln Fellowship, which includes students of Lincoln's life who have produced Lincolniana or who are interested in the collection and preservation of such material.

William Wyles, donor of the Lincoln library, is second vice-president of the fellowship. Other officers are Ralph G. Lindstrom, president; Dr. F. F. Blakewell, first vice-president; F. R. Ray, registrar, secretary-treasurer, and Allen H. Wright, executive committee.

The luncheon was attended by Mr. and Mrs. Wyles, Miss Margaret Ellison of the Santa Barbara Daily News, Miss Haverland, President Clarence L. Phelps of the college, and Dr. William H. Ellison, head of the history department and director of the Lincoln library.

June Graduates Get Teaching Positions

Chloe Vincent, '35, received word of a teaching position in Lompoc. She will teach in a junior high school there.

Miss Vincent is returning to her home in Maui, Hawaii, this Friday. She plans to spend the summer there with her parents. On returning to California, she hopes to bring a younger sister to State college.

Kay Case, '35, has signed a contract to teach home economics in San Bernardino.

Dean Wm. Ashworth Reads Current Plays

William Ashworth, dean of men, will present a series of readings of current plays every Tuesday, at 3:30 o'clock in room 45.

The plays chosen to be read will be selected from recent current successes of the American stage.

These readings are one of the culture features of the summer program, according to Dean Ashworth. All those interested are invited to attend.

WIDE VARIETY OF NEW BOOKS IN LIBRARY

New books covering the different phases of education, home economics, art and psychology as well as other topics have been added to the stock of books in the library.

Miss Katherine Ball purchased the books, which number over a hundred, and will place them in the state library.

The new volumes, classified according to type, are as follows:

Literature — Lawrence: Last Poems; Van Doren: Anthology of World Poetry; Baas: Year's Work in English Studies; Brown: English Lyrics of the 19th Century.

Biography, History, and Travel — Slaison: Thomas Lodge and Other Elizabethans; Brooks: Western Wind; Roberts: Santa Barbara; Arner: Southwest; Kelly: When History Began.

Music — Cowles: Music Appreciation; Mursell: Human Values in music education; Earhart: Meaning and Teaching of Music; Jones: Childhood in Song and Rhythm.

First Assembly Call Favorably Attended

To the tune of "Hello, Hello," led by Morgan Smith with Mrs. Barnett at the piano, the first student body assembly of the summer session opened with a bang.

Following the singing, various announcements were made by members of the faculty.

President Phelps, who presided over the meeting, gave a timely address on the subject: "Education of Teachers in This Country." His talk included a summary of the development of teachers colleges during the last decade and voiced his opinion on many current problems in this field of education.

Election of student body officers for the summer session concluded the meeting. Mr. Dwight Adams, former student body president of last year's session, was in charge of this part of the program.

Bill Mann, past president of the Squabble club, was unanimously elected student body president for the next six weeks of school with Leo Paul chosen as secretary.

'Lost and Found' is Run by Mrs. Stewart

A "Lost and Found" department is conducted by Mrs. Stewart's office. Articles found on the campus should be turned in immediately. Losses should be reported at once.

A register of lost and found articles is kept, and all unclaimed articles are sold at the end of the summer session.

Clubrooms Open to Students for Summer

Men and women students are invited to make use of the respective clubrooms, which will be open daily.

The men's clubroom is located on the west side of the quad building. The women's clubroom is directly opposite on the east side of the quad building.

New and Old Faculty Members Return
