Vol. 44 - No. 45

## Final home tilt features Gaucho clash with Lions

Tomorrow night the Gauchos make their final home appearance of the season in Robertson Gym at 8 p.m.

The WCAC newcomers, who have rightfully earned the title of the conference's most surprising team, will meet one of the more established league squads, the Loyola Lions.

Gaucho's freshmen team will face the Loyola Freshmen in a preliminary match scheduled to start at 5:45 p.m.

## Distrust told in Social Sciences

Have you read 1984, Atlas Shrugged or some other novel depicting a time when the perverse application of some of the real ideas of social science was destroying useful human life?

If so you have absorbed some of the mistrust of the social sciences, which is common today.

Anthropologist Mead described this feeling Wednesday night as one of the most serious obstacles to the application of social sciences to modern society. Dr. Mead pointed out that much of this feeling can be traced to the so-

## Council approves Memorial money

by DAVE DAWDY  
News Editor

Leg Council approved, in principle, a contribution to the Kennedy Memorial Library in Boston at Tuesday night's meeting.

A local memorial proposal was defeated by the council at the meeting before last. The Library idea was suggested by Carl Allen, director of the Boston project. UC President Clark Kerr, asked Bob Andrews for student opinion on the idea.

Judy Spruel, sorority representative said "I think it (the money) should come from unappropriated reserves." Betty Fletcher called it a "fitting Memorial."

A motion to donate the money from living groups lost 4-4 with two abstentions. A motion to get the money from unappropriated reserves lost 3-5 with two abstentions.

Mike Milakovich termed the memorial a "political issue," near the beginning of the meeting, but later suggested a compromise. He suggested that AS set an amount to be raised, then make up the difference from what living groups donate.

No specific action has been taken. The issue is expected to be brought up again at the next council meeting.

## Pauling's appearance protested

by PETE YOUNG  
Managing Editor

Linus Pauling, the man a Senate subcommittee says "has figured as the No. 1 scientific name in virtually every major activity of the Communist peace offensive in this country," will speak here Tuesday afternoon.

The two-time Nobel Prize winner's talk, "Science and Peace," to be delivered in Campbell Hall at 4 p.m., already has aroused some controversy in the Santa Barbara area.

Associated Students President Bob Andrews has received two letters protesting Pauling's appearance, both from Santa

Barbara women.

Wrote Mrs. J. W. Colt, Jr., "It was my understanding that the next speaker on campus of our tax-supported University after (communist) Dorothy Healey was to be a conservative... I think you will concur with me that Dr. Pauling is far from being a conservative. I protest his appearance."

Marjorie Wetherby asked, "What conservative have you lined up to speak before Feb. 25? As I understand it, there

has not been a conservative speaker for over two years."

Both apparently had read a letter, appearing in the News-Press, from EL GAUCHO Editor Marcia Knopf, who stated that the AS would not invite another communist to speak here before other view points have been presented.

In his reply, Andrews noted that Princess Catherine Caradja, a Rumanian refugee and freedom fighter, told of the Communist takeover in her

home country in Campbell Hall Monday. The AS President also indicated that AS is negotiating with a "high official" of the John Birch Society to speak here later this spring.

### TO JOIN CENTER

Pauling, whose talk is sponsored by AS, recently was appointed to join the staff of the Center for the Study of Democratic Institutions and will take up residence in Santa Barbara in June.

His address will incorporate the major ideas presented in his January acceptance speech of the 1962 Nobel Peace Prize. It will be his third visit to UCSB in recent years.

Life Magazine called the conferral of the award on the former Cal Tech chemist "an extraordinary insult to America."

"In previous years," the magazine noted, "Pauling has deployed his great prestige as a scientist to denounce NATO, to oppose U.S. involvement in the Korean War, to rummage up the signatures of 11,021 scientists from 49 countries (2,749 of them Romanians) to demand the uninspected stoppage of all nuclear tests."

"Pauling has denied under oath that he is a Communist and has occasionally criticized some aspects of Soviet tyranny. But it is hard to quarrel with the verdict of the Senate In-

(Continued on page 3)

## Director job open for 'Holiday' fete

Applications are still available for the directorship of Beachcomber's Holiday, the spring semester's biggest social event.

Also open are six committee chairman posts. Interested students should apply in the Associated Students Office.

Early next month letters regarding participation in the event will be sent to all on and off-campus organizations, Dan Collins, Student Activities Board chairman, said.

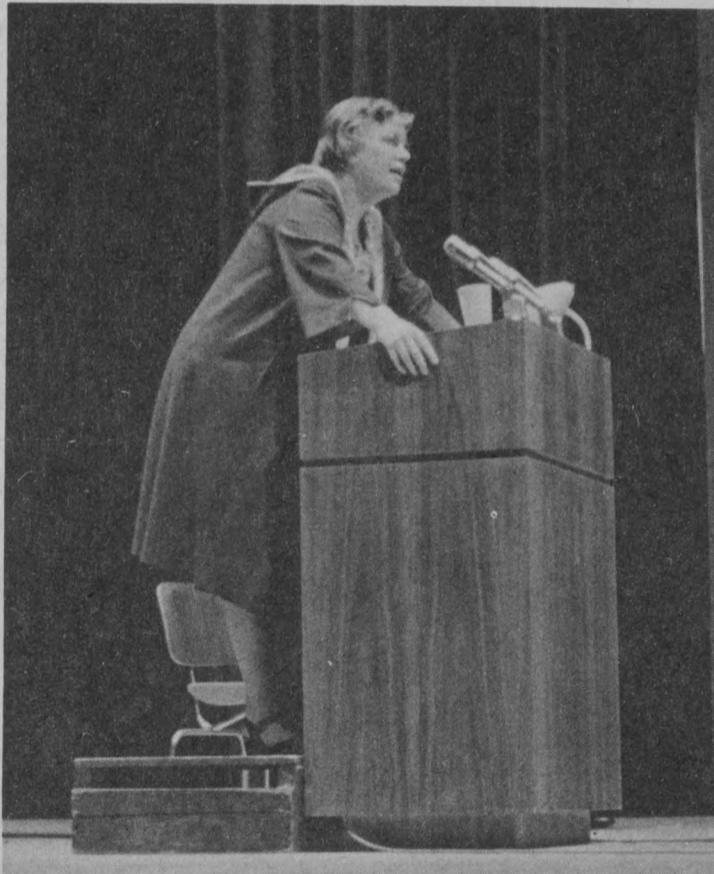

Extensive planning for the event already has been completed, Collins indicated. A director is needed to coordinate the entire event. He will be given authority to approve or reject suggestions and ideas.

Chairmen will head the students who already have volunteered for the committees. Collins said more members are needed to serve on the booth, king and queen, entertainment and events, awards, business and grounds committees.

The Holiday will include a surfing contest, an all school dance, a beard growing contest, a king and queen contest and a carnival on the beach.

Proceeds will be split with 25 per cent going to Camp Conestoga and 75 per cent to the participating organizations.

Fall director, Ward Wardman, after doing the initial work on the project, is academically ineligible for the spring semester job.

FIRST LECTURE--There is distrust of the social sciences, anthropologist Margaret Mead told UCSB students Wednesday night. She will deliver her second Campbell Hall lecture March 4 at 4 p.m.

## Classical guitar duo appears here tonight

Ida Presti and Alexandre Lagoya, European guitar duo, will appear in concert at Campbell Hall tonight at 8:30 during their current Hurok-sponsored tour of the U.S.

Both Presti and Lagoya had been solo concert artists when, in 1955, they joined forces to form a guitar duo. In the years since, Presti-Lagoya have toured France, Holland, Germany, Switzerland, North Africa,

India, Japan, and Australia.

French-born Ida Presti studied the guitar with her father, and at ten was proclaimed a prodigy in Europe and appeared in concert around the world.

Alexandre Lagoya, son of a Greek father and an Italian mother, has played the guitar since the age of eight and made his recital debut at thirteen in Alexandria. After the war he settled in Paris and met and married Miss Presti.

Presti and Lagoya's American debut in 1961 brought forth such praise as the New York Times; "The precision and unanimity of their playing was quite astounding at times."

Louis Biancolli in the New York World-Telegram and Sun reported, "The most phenomenal husband-and-wife team to appear in music in many years made a triumphant debut."

## Play tryouts are scheduled

Tryouts for William Shakespeare's "Much Ado About Nothing" will be held March 2 and 3 in the auditorium.

There will be two tryout sessions on each day. These will be from 3-5 p.m. and from 7-9 p.m. The play will be under the direction of Dr. Alec Alexander.

cial sciences' own activities, which have led the public to distrust their methods. She described in this connection the "stooge" experiments as leading people to think of psychologists in particular as scheming, sneaky people. One example of such experiments took place at Yale, where students were put in two rooms separated by a glass panel.

One set of students was instructed to press levers which would cause the others to be subjected to pain. The other set was told to fake the pain. Apparently few students objected to pressing the levers and watching the other writhe in the opposite room.

The press got hold of the story and interpreted the results as showing that America's youth gets a kick out of torturing each other. Dr. Mead pointed out that few students could have been so stupid as to realize that nearly every psychology experiment has a joker in it somewhere and shouldn't be taken too seriously. This of course not only invalidates the press comments, but throws serious doubt on any conclusions the experimenter may have made. As regards such experiments Dr. Mead said, "They do not give us confidence and they do not give us reliable results."

Dr. Mead pointed out that there were real questions about whether we could properly use the results of modern social science. In response to a question she noted that when psychology and sociology were used by Madison Avenue to create subliminal advertising, people protested loudly.

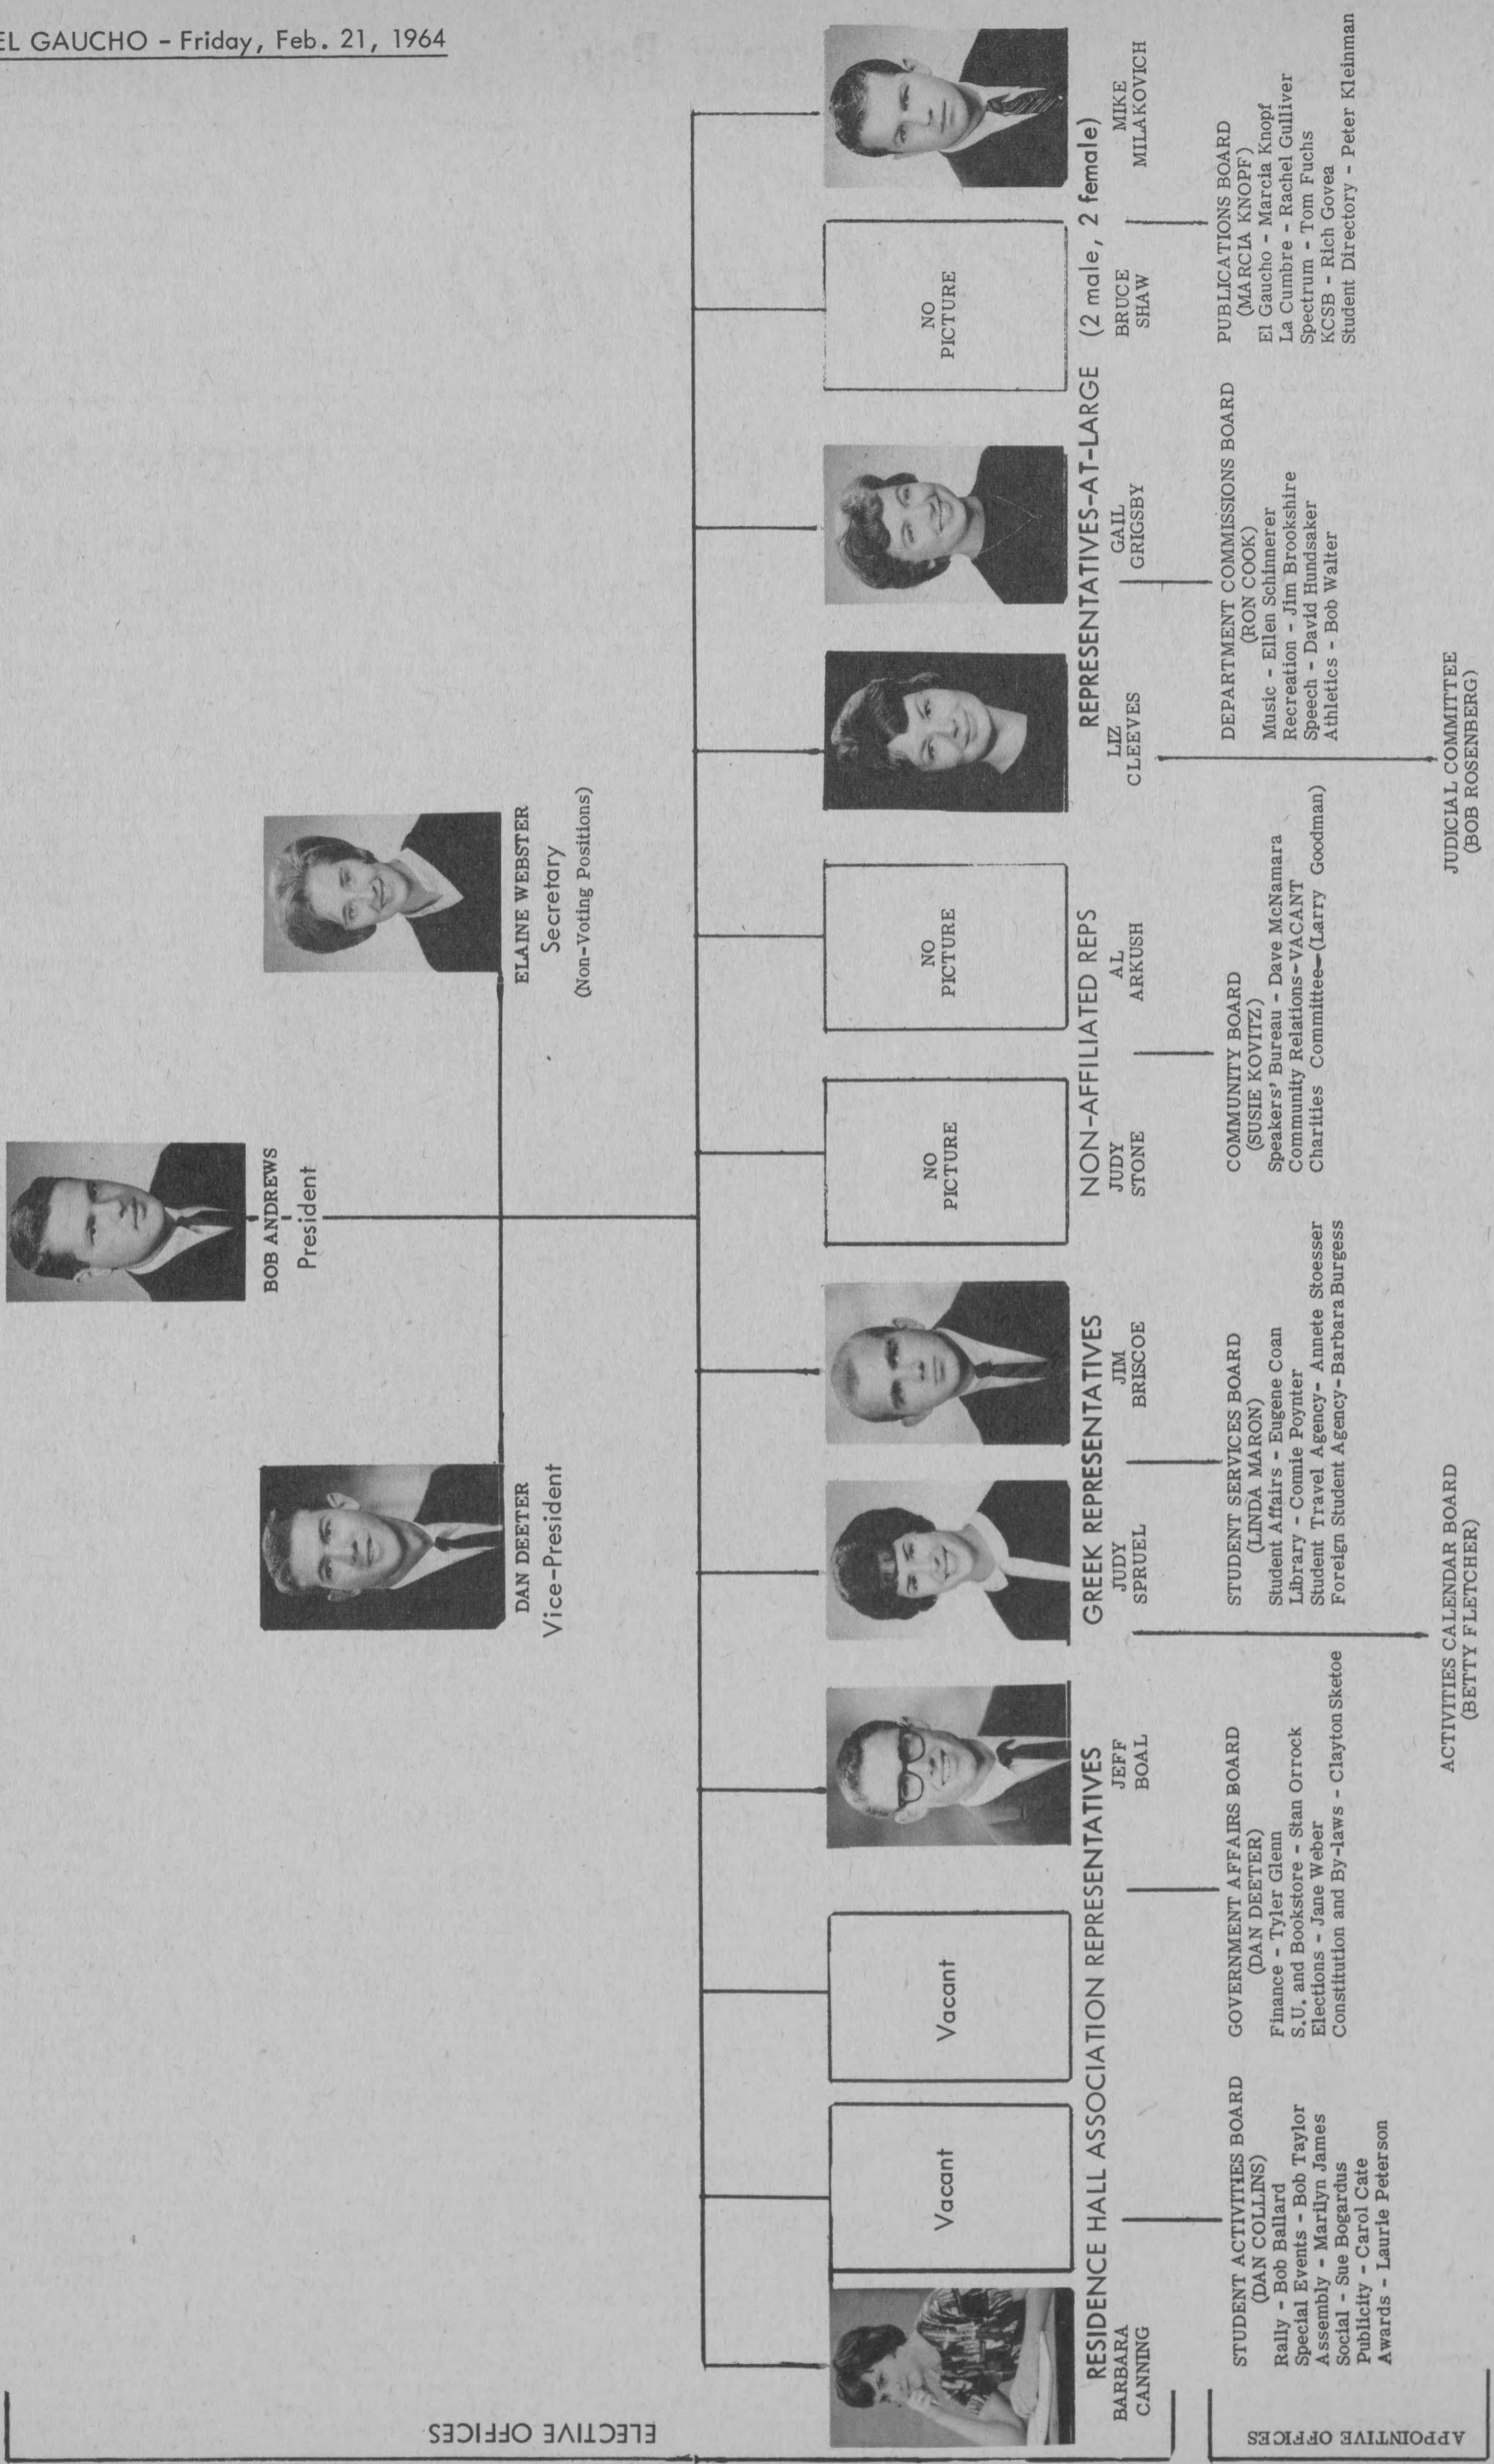

"This was a pretty healthy, thorough going scream," she stated with approval.

She noted that many of the problems of the social sciences have been solved on a technological level. Modern computers can handle tremendous masses of data in processes so complicated that before their general use these would have

(Continued from page 1)  
ternal Security Subcommittee . . ."

## INVESTIGATED

In a report to the Senate Judiciary Committee on Pauling's 1958 petition to the United Nations calling for an immediate ban on nuclear testing, the subcommittee concluded in part that:

● Pauling's petition "bore a marked similarity to the wording of the test-ban petitions put out by the Communists through their creature-organization, the World Peace Congress."

● There is "certainly reason for suspecting that the Communist apparatus played an important role in circulating the petition in the United States and other free countries."

● One-third the signatures on the petition came from Communist countries "where scientists are under automatic compulsion to act in conformance with government policy."

● Pauling has been "connected with various pro-Communist or Communist front political activities and with a significant number of persons whose affiliations with the Communist Party, USA, are a matter of record."

● Pauling has been an outstanding spokesman and organi-

zer in America for organizations which are part of the Communist "peace" offensive.

## PEACE SPOKESMAN

● Study should be given "to the possibility of legislation which will make it more difficult for the Communists, and those who collaborate with the Communists, to abuse the right of petition by utilizing it for their own subversive ends."

Pauling, the 1954 Nobel laureate in chemistry, has said the problem of an atomic war should not be confused by the communist-capitalist split. He hopes his peace prize award will "make it respectable" to work for peace.

In anticipation of an overflow crowd in Campbell Hall, plans have been made to relay the audio portion of Pauling's talk to North Hall rooms 2127, 2131, 2204, 2213 and 2219.

# Bobby Baker invokes Fifth Amendment

by SANDY RHOADS  
Staff Writer

WASHINGTON - Bobby Baker, active in the Senate only three months ago, invoked the Fifth Amendment in a Senate Rules Committee meeting Wednesday. He explained that he might incriminate himself by showing his records to

senators.

Baker was ordered to appear at a public hearing next Tuesday, and warned of possible charges of contempt. Despite Baker's avowal to use the First, Fourth, Fifth, and Sixth Amendments in refusing to answer questions, the committee scheduled a return hearing.

WASHINGTON - First installment of the biggest tax cut in history will be effective

next month. The \$11.5 billion tax reduction passed both the Senate and the House Wednesday, after agreement on final compromise terms.

A 4% reduction of tax withholding on wages should go into effect eight days after President Johnson signs the bill.

WASHINGTON - U.S. ambassadors in Latin America may be called home for major diplomatic discussions.

Published three times a week on Monday, Wednesday and Friday during the school year, except during vacations and exam periods, by the Associated Students, University of California, Santa Barbara. Distributed by the Squires, sophomore men's honorary, Tom Cahill, president. Printed in Goleta by the Campus Press, 82 Aero Camino. Entered as second-class matter on November 10, 1954 at the post office at Goleta, California, under the Act of March 3, 1879.

# THE BELL TELEPHONE COMPANIES SALUTE: DUANE ROMSOS

It's no accident that new telephone booths are so conveniently located in metropolitan Denver. Duane Romsos (B.S.B.A., 1961) planned their location carefully as his first assignment with Mountain States Telephone.

In fact, Duane, with a staff assigned to work under him, made a comprehensive study on where to locate new booths for maximum convenience to the people of Denver. His study has helped increase company revenue.

Duane's abilities to handle responsibility and to super-

wise people were carefully observed by his management. The result: Duane was promoted to Traffic Chief in Pueblo, a more responsible job involving a large group of telephone operators. With the potential Duane has shown so far, there should be many more promotions to come.

Duane Romsos, like many young men, is impatient to make things happen for his company and himself. There are few places where such restlessness is more welcomed or rewarded than in the fast-growing telephone business.

BELL TELEPHONE COMPANIES

TELEPHONE MAN-OF-THE-MONTH

# English professors to attend dinner

Students interested in meeting with professors in an informal and relaxed situation are invited to join the faculty of the English Department for dinner.

Sponsored by Crown and Scepter, the dinner will be held Feb. 27 at 6 p.m. in the De la Guerra Annex.

All interested students should sign up in the English Department Office before noon today. Dining Commons meal cards will be honored; off-campus students will buy their own meals.

English department members who will attend the informal dinner are Phillip Damon, William Frost, George Hand, Genevieve Haight, Robert Robinson, Alan Stephens, Douwe Stuurman, and Homer Swander.

# Tuition waived

University Regents have waived out-of-state tuition for foreign students from UC campuses abroad.

A previous ELGAUCHO article indicated that all foreign students would pay no tuition fees.

# Placement Office holds job interviews

Interviews scheduled for March have been announced by the Student Placement Center. The Center has requested that interested students register with them prior to signing up for campus interviews.

### MARCH 2

First in the series will be the Mar. 2 appearance of a representative from the J. Walter Thompson advertising company. The firm offers a program which leads to positions in marketing, merchandising, public relations, and international advertising. It is open to men currently majoring in any field.

### MARCH 3-4

Pacific Telephone Company will interview prospective management trainees and data processing technicians on Mar. 3 and 4. Job locations include Los Angeles, San Francisco, and

elsewhere, and are available for men majoring in technical and non-technical areas.

Food processing and distribution, as well as accounting, finance, and office management positions, are available with the California Packing Corporation. The company will send a representative on Mar. 3.

Union Bank and Western Kraft Corporation will schedule interviews for Mar. 4. Union Bank is seeking math, Economics, and liberal arts majors for its management training program in the lending, trust, business development, and operations aspects of banking. Western Kraft is looking for Economics majors for its sales trainee program in packaging and paper-making operations.

### MARCH 5

International Business Machines Corporation, which manufactures, researches, and sells data processing and business machines will interview all interested students Mar. 5. Opportunities are available in systems engineering and sales.

### MARCH 6

A representative from the Montgomery Ward retail department store chain will be on campus Mar. 6 to talk to Economics and liberal art majors.

Chemistry, Physics, and Math majors are being sought by Pt. Hueneme's U.S. Naval Civil Engineering Laboratory for research, development, and

evaluation of component systems. Interviews will also be held Mar. 6.

Wells Fargo Bank will send its representative Mar. 6 to interview prospective commercial bankers. The firm prefers male Economics and liberal arts majors.

### MARCH 9

Engineering and liberal arts majors are being sought by Fibreboard Paper Products Corporation to fill positions as engineers and salesmen. Interviews are scheduled for Mar. 9.

Also scheduled for Mar. 9 are the Security First National Bank interviews of Math, Economics, and liberal arts majors for careers in management-level banking.

## WRA weekend

Women's Recreation Association is planning a College Cabin Weekend for all UCSB women students from Feb. 29 - March 1.

Activities will include folk dancing and possibly a horseback ride. Participants will be required to bring a sleeping bag and are urged to bring warm clothing.

Transportation will be provided for those who need it.

The cost is 50¢ a meal. Interested women students should sign-up before Wednesday, Feb. 7. Sign-up sheets are in the gym, and the lobbies of Santa Cruz and Santa Rosa Halls.

### MARCH 10

The Colgate-Palmolive Company will speak with liberal arts majors about job opportunities in the toiletries industry on Mar. 10.

### MARCH 11

The City of Los Angeles is interested in Political Science and liberal arts majors to fill a position as a Junior Administrative Assistant for the City of Los Angeles. Interviews will be held Mar. 11.

Research projects, on the job assignments in business, labor unions, community agencies, and politics, as well as in other areas of general public affairs are regularly given to employees of the Coro Corporation.

A representative will speak to all interested applicants Mar. 11.

Prudential Insurance wishes to train Math and liberal arts majors for careers in administration, sales, and actuarial work. Mar. 11 and 12 have been set as interview dates.

### MARCH 12

Thrifty Drug Store's Mana-

gerial Trainee Program will be explained by a representative March 12.

### MARCH 19

A training program which leads to non-selling, office management careers with the Insurance Company of America will be explained to all interested persons Mar. 19.

Mar. 19 is also the deadline for application for the April 18 Federal Service Examinations.

### MARCH 30

The U.S. Public Health Service will talk to curious Biology and liberal arts major Mar. 30.

### MARCH 31

An Army Special Service representative will be on hand Mar. 31 to speak to liberal arts majors concerning positions as recreation specialists at overseas Army installations.

Careers in the petroleum industry are available to liberal arts majors. A representative from Socony Mobil Oil will talk Mar. 31 about Mobil's management training program in marketing, industrial relations, traffic, and transportation.

## Annex-Dotes

by

MARILYN JAMES  
Campus Fashion Rep

**PRESTI AND LAGOYA** -- Undoubtedly, one of the greatest Spanish duo guitar groups will appear in Campbell Hall Friday night. Their music will provide an entertaining evening filled with unusual innovations for the instruments. Since they joined forces in 1955 they have converted many favorite classics into works for guitar and especially for duo guitars. Since this will be their premiere appearance in Santa Barbara - why not attend?

**CLASSIC AS SPANISH GUITARS** -- would be the only way to describe my newest favorite at the Annex. This beige linen sheath with long sleeves and dropped waistline is really a dazzler with the hound's tooth plaid shirt and bright red belt. What a wonderful dress for almost any occasion -- only \$29.95!

**SHUFFLE THE DECK** -- come up with hearts for next Friday night at the King of Diamonds Dance. Among the greatest of UCSB's turnabout dances. So ask that king in your life and get your ticket early.

**QUEEN OF HEARTS** -- might easily be what 'he' will call you when you appear in one of our newest short formals! Sound delightful? This apricot organza over linen cocktail dress features strapless bodice and soft bell skirt with jazzy organza flower in the back. Best part -- only \$27.95.

## Mead tells of distrust

(Continued from page 1)  
 been simply impossible to work with.

The chief problem remaining is one which is paradoxically true just because of one of the avowed goals of social sciences, to control behavior, she said. The problem that people are afraid to be controlled because they envision a loss of their freedom, must be faced, she added.

While this is not really what social scientists have in mind,

### 'Diamonds' set

Alpha Delta Pi sorority will hold its annual King of Diamonds Dance Saturday, Feb. 29 from 9 p.m. to 1 a.m. at the Rockwood Women's Club.

Dress for the dance is semi-formal and, in keeping with tradition, the dance is girl-ask-boy.

Tickets for the dance will go on sale Monday, Feb. 24, in Storke Plaza, in the Student Union box office, and in front of De la Guerra and Ortega Commons. The cost for tickets is \$1.75 when bought before dance time, and \$2.00 at the door.

### AS seeks new board members

As result of recent changes in the Associated Students By-laws, new members are currently being sought to hold positions on the AS Personnel Board.

Responsibilities of the Board include establishing and maintaining working policies for AS-UCSB employees. It also regulates bonuses and salary changes.

Interested students should sign up in the AS Office.

there are real problems in deciding what behavior should and can be controled.

Control can be achieved, she said, but no one knows whether the results will be desirable.

### Class ratings due next week

Students who have not turned their class evaluations in to the AS office should do so during next week.

For the first time, students have had the chance to judge the effectiveness of their professors, and according to Bill Rauth, "almost all class evaluations have been turned in this week."

Students who have not filed evaluation forms should obtain them from the AS Office.

## Campus bicycle regulations published

Campus bicycle regulations have been published in comprehensive form and approved by Chancellor Cheadle. The rules have their legal basis in Vehicle Code Section 21113. Violation of parking regulations may result in a citation or in

impounding of the bicycle.

Violation of registration regulations may also result in impounding. All bicycles operated or parked on campus must be registered, according to Luigi Dusmet, assistant chancellor, Business and Finance.

The registration fee for bikes is 50¢ annually from Sep. 1. Money is payable at the Cashier's Office, Bldg. 427. The riding regulations contain common sense rules plus specific light requirements: both the headlight and the red taillight must be visible for 300 feet. The rules also provide for pedestrian right-of-way. Areas showing riding and parking restrictions are emphasized.

Safety rules mention using

standard hand signals, riding on the right and passing on the left, and locking bicycles while they are not in use.

# CAGERS HOST LIONS

## Mermen hope to defeat JC

Although Cerritos JC should be tough, we hope to do well was the sentiment issued from Swimming Coach Ray Thornton about today's meet. The meet will be held in the Olympic sized Cerritos pool at 4 p.m.

The swimmers have been maintaining their vigorous practice schedule of early morning and later afternoon workouts. About 4 miles is their daily distance.

With one win and two losses so far, the team must come up with superb efforts to im-

*El Gaucho*

Editor, Wayne Reese

Assistant, Mike Iverson

prove its record.

Excellent times so far have been Don Roth's 50.7 in 100-yd. freestyle, while Franz Nelson has a good time in the 200 yd. backstroke.

Another freestyler who is developing well is Freshman John Mortenson.

## Fans to see four seniors play last tilt on own floor

by WAYNE REESE  
Sports Editor

"They will sure be hard to replace."

This was the comment made by Head Coach Art Gallon about the four Gauchos who will be playing for the last time on the UCSB home court tomorrow night at 8 p.m. against Loyola.

The four "hard to replace" seniors are forward John Conroy, guard John Marincovich, forward Howard Sundberg, and guard Bob Yahne and Coach Gallon had some well deserved praise for each one.

"Conroy has been playing fine ball all season long and his importance is shown by the fact that he is the leading scorer, not to mention the points he has piled up," he said. The big 6'8" forward is now second in scoring with 11.4 points a game.

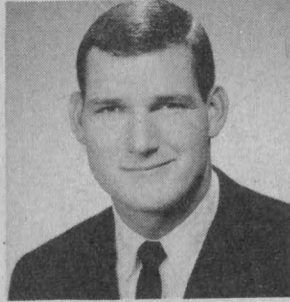

About Marincovich Gallon said, "Unfortunately John hasn't seen much action this season, but he is the type of player that helps the entire team because of his tremendous attitude. I have never heard him grumble, even when there are times that he could. He gives a great boost to team spirit and moral."

"All you have to do is look at Sundberg's scoring average to see how valuable he has been," stated Gallon. Sundberg, at 6'6" is leading the scoring with a 13.3 average. "Besides being the top scorer, he is a fine rebounder and defender," the coach added.

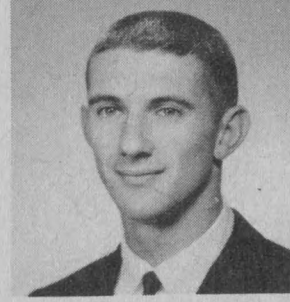

Concerning Yahne, Gallon pointed out that "he has one of the toughest jobs on the team. As the first reserve guard, he generally doesn't get to start, but he must be ready to go in at any moment and do a first class job--and he generally does."

All four of the seniors have one thing in common. They all feel that the team has an excellent chance to finish the season without a defeat, and they also feel that the game against the University of San Francisco will be the toughest.

As Coach Gallon put it, however, "All of our remaining games will be tough, and I hope that everyone will give the ball players the reward they deserve by coming to our final home stand."

## MANAGEMENT TRAINING PROGRAMS MONTGOMERY WARD & CO.

Montgomery Ward's expansion program creates outstanding opportunities for young men to build a successful and secure career. In the western region alone, we plan to open more than forty new full-line department stores during the next five years.

We provide intensive formalized training combined with planned job experience. Advancement is based on careful evaluation of actual job performance. We want men who are anxious to assume responsibility, and who have a real desire to work their way to the top in their chosen field.

Opportunities exist for graduates from almost every scholastic field of study. Openings are always available for men interested in Store Management, Accounting, and Credit Management.

For further information, take this advertisement to your College Placement Office or to your nearest Montgomery Ward store.

### ON-CAMPUS INTERVIEWS

Our personnel representative is scheduled to conduct interviews on your campus on Friday, March 6. Contact your placement office immediately for an appointment. Find out exactly what we have to offer.

UP, OVER -- Varsity pole vaulter Steve Clover is shown clearing the bar at 13' 3". He is expected to bring in a few points this Saturday. Jim Mattinson photo

## Track teams seem strong contenders to take opener

by JOHN YOUNG  
Sports Writer

Saturday at 1:30 p.m. the Gauchos Varsity and Frosh track teams play host to Pepperdine and San Fernando Valley State College in their first triangular meet.

Last year a strong Pepperdine team defeated the Varsity 82-72; while, Pepperdine trailed with 22 points.

Pepperdine's dominance in the running events proved to be the deciding factor.

Returning again this year are several of Pepperdine's top runners.

## Matmen set for top team

Tomorrow afternoon UCSB matmen takes a 4-2 won-lost record into a contest with Fresno State at the Old Gym. The meet time is 3 p.m.

Fresno brings a team with a record of three wins and two losses in dual meets. They are coached by Max Kimberly, who has 16 years of experience.

With the exception of 137 pounder Ron Harmon and heavy weight John Zentner, the team is composed of wrestlers among the top three in the Northern California Collegiate ranks.

At 123 lbs is Steve Johansen who was Northern California Intercollegiate champ at 115 lbs. in 1963. He has lost only two matches in 4 and 1/2 years of prep and college action.

Roy Stuckey was the NCAA District Eight Champ at 123 lbs. in 1963. He now wrestles at 130 lbs.

John Oller wrestles at 147 and was third in NCI competition last year. At 157 pounds is Joe Rossi, NCAA District 8 champ in 1963.

Eric Christenson placed second on the Northern California Intercollegiate in 1963 at 167 lbs. Don Nelson was Northern California Intercollegiate champ at 177 lbs. last year.

John Zentner is Fresno's heavyweight competitor. It appears that the Gauchos will be fighting for their lives for a victory Saturday.

Leading them will be Jerry Reich. In last year's meet he won three events, taking the 880, mile, and 2-mile events.

At present San Fernando is an unknown team except for their fine 14.1 high hurdler, John Chaldu.

Gauchos Head Coach Sam Adams has a number of men who are expected to break Pepperdine's dominance on the track.

Heading them will be quarter miler Jack Burdullis and sprinter Billo'Neil.

Last season Burdullis scored heavily in both the 440 yd. dash and 333 IH, and O'Neil was a consistent winner in the 100 and 220.

Distance men Jim Carroll, Jack Roach, and Jon Brewer should also give the Varsity important points.

In the field events the Varsity has a number of fine performers.

Jim Clark in the javelin and Fred Hokanson in the shot put appear to be likely winners in their events.

Steve Clover, Dave Caswell, and Bob Stoll give the Varsity a strong trio in the pole vault.

The Freshmen meet will be run coinciding with the varsity meet. All races will be separate except for the 2-mile run.

Field events start at 1:30 while running events begin at 2:00.

# Baseball season to open with La Verne tilt today

La Verne College officially gets the Gauchos Varsity baseball season underway today at 3 p.m., on the UCSB diamond.

"We're rounding into shape, and are looking forward to this contest," stated Head Coach Dave Gorrie.

Coach Gorrie anticipates his starting lineup to be: John Cole-IB, Steve Murray-CF, Gary Pickens-2B, Bob Heys or Ed Preston-LF, Jason Franci-3B, Larry Bjork-RF, Jerry Livesey-SS, Joe Morbeto or Tony Goehring C, and Fred Brewer, Ron King, and Mike Foster-P.

With several players in close competition for starting berths, Coach Gorrie feels that he has more depth this year, than last year. At the pitching spot seven players vie for the starting spots.

Besides Brewer, Foster, and King; Joe Hendrickson, Rod Hollander, Ray Ford, and Jim Grant hurl the pellet. "We

## Volleyballers enter tourney

UCSB takes its intercollegiate volleyball team to Santa Monica tomorrow for an exhibition tournament. The tournament, along with a clinic, will kick off the Southern California Intercollegiate Volleyball Association's 1964 season.

With teams such as UCLA and Santa Monica City College in the league, it is highly rated nationally. The league concludes its play on May 6.

will be relying on a good, steady performance from these men to help make the season successful," commented Gorrie.

Hendrickson, Hollander, Ford, and Grant will hurl in the doubleheader at Cal Poly (SLO) tomorrow. "This should be a good game, since Cal Poly is looking hard for a victory over us," Coach Gorrie said.

Hitting should also improve this year according to Gorrie. "We have been hitting fairly well in practice," he said.

"We feel that we will play

## LB golfers face UCSB

The Varsity golf team opens its first season as an independent today against Long Beach State on the La Cumbre Golf Course.

At the present, on the basis of last year's performances, Coach M. S. Kelliher anticipates that the playing team of six men will consist of Bob Clancey, Lew Garbutt, Dave Goldsmith, Dick Fisher, Dave Lynch, and Al Bills. Mark Hamilton, Pat McCorkle, Roger Radcliffe, and Lyle Sumeck are giving them plenty of competition, however.

On the outlook for the season, Coach Kelliher stated, "We are as strong this year as last, if not stronger. Many of the teams we face, however, especially the OCAA teams are also stronger. We will win our share."

a better brand of ball this year. Our morale should be higher, and we should not make some of the mistakes made last year," Coach Gorrie concluded.

## WRA basketball murals to begin

Two of the biggest items on WRA's spring schedule are the "All-Cal Sportsday" to be held March 20-22, and basketball intramurals, which begin Wednesday night.

The Women's Recreation Association is open to all women undergraduate students, living on or off campus. Individual halls generally sponsor teams. However, independent teams of off-campus women are organized in each sport. Participation takes one hour every Wednesday night.

Basketball team entries will be taken at the Women's P.E. Office until Tuesday morning. Teams should provide one extra player to help with keeping time or score.

institutions as the Art Institute of Chicago, Fogg Art Museum, Harvard, National Gallery of Canada, Ottawa, and many others.

The second section will consist of a large group of fine drawings available for purchase from leading galleries from coast to coast. The Santa Barbara Museum of Art is preparing a catalogue for this exhibition.

"European Drawings, 1450-1900" will be inaugurated by a Museum member's reception on Tuesday afternoon, Feb. 25, from 5 to 7. The exhibition will open to the public on Wednesday, Feb. 26, and will continue through Mar. 29.

## Council advised

Legislative Council "offers the best opportunity for students to make their interests known," advised President Bob Andrews in a memo to Council members.

"Ideas and issues should be presented by individual representatives and considered by the entire body," the report continues. "Unfortunately this method of operation did not characterize last semester's Council."

## Andrews seeks committee head

Bob Andrews, AS president, is looking for a chairman for the statewide UCSB Visitation Committee.

Conceived as a program to acquaint accepted students with the traditions, academic, and social life of UCSB, the program head would contact committee members across the state during the summer and coordinate the program.

Anyone interested in this position should contact Andrews in the Associated Students Office.

## 'Schubertiad' set

"Schubertiad," an evening of songs by composer Franz Schubert, is planned for Monday night at 8:30 in Campbell Hall.

Presenting the informal concert are Carl Zytowski, tenor, and Lloyd Browning, pianist. Assisting will be Ralph Pollock, playing the French Horn, and a group from the Men's Glee Club.

The performance format is based on an early 19th century custom in which a series of frequent "house concerts" took place in various middle class homes in Vienna.

## MEETINGS

### Circle K

Prospective members are invited to the annual Circle K softball game tomorrow at 2 p.m. on the field behind Robertson Gym.

The next regular meeting of the group will be Tuesday in the Santa Cruz Formal lounge at 6:15 p.m.

Circle K is a men's service organization sponsored by the Suburban Kiwanis of Santa Barbara. The faculty advisor for the club is Rusty Fairly of the UCSB Athletic Department.

Proposed Circle K activities this semester are the Regional Circle K Convention in San Diego March 19-22, the annual blood drive on the UCSB campus, the annual Circle K-sponsored orchid sale and an activity in Beachcombers' Holiday.

### Hillel

"Judaism and the College Student" will be discussed at the Hillel meeting planned for Sunday at 6 at the URC Building.

Rabbi Jehudah Cohen's speech will be followed by the serving of refreshments.

### Democrats

There will be a meeting Monday at 7:30 p.m. in the Edgewater Apartments lounge. Election of officers will be discussed.

### Signups open

Due to the lack of candidates for RHA men's and women's representatives, sign-ups have been extended through today.

In order for the RHA to be fully represented on Legislative Council, these positions must be filled.

Special elections for these offices will be held Mar. 9.

### Prexy chosen

Judy Jumper was elected President of Westgate Hall at its election meeting.

Elected to serve with her were Marty Laughlin, first vice president; Jaydean Hiatt, second vice president; Gale Freese, secretary.

### Sunday 4-Um

Sunday 4-Um, a discussion group dedicated to the exchange of thought, will hold its first gathering of the Spring semester in the Red Lion Book Shop at 4 p.m. Sunday.

Douwe Stuurman will speak and answer questions on "The Effect of College on Religion."

Atheists, agnostics, and people who believe in God are cordially invited to attend. All others are also welcome.

### Hollister speaks

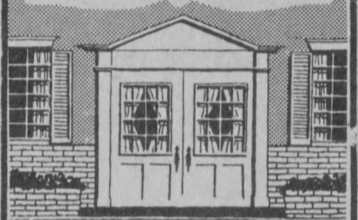

Dr. C. Warren Hollister, associate professor of History is scheduled to deliver a public lecture on "King John of England" at the University of Minnesota on Tuesday.

The historian will also address a class in medieval history and the history honorary society.

### Book sale on

The seventh annual Vassar Club Book Sale sponsored by the Vassar Club of the Tri-Counties has opened at 802 Anacapa St. (The Presidio) and will continue through Mar. 7, from 9 a.m. to 5 p.m. weekdays and 10 a.m. to 2 p.m. Saturdays.

## Johnson, Mateos set for UCLA ceremony

A temporary stadium seating 34,000 people is being erected on the UCLA athletic field for the February 21 Charter Day visit of President Adolfo Lopez Mateos of Mexico and President Lyndon B. Johnson, University officials announced recently.

Both Presidents will receive honorary degrees during the ceremony, which commemorates the 96th anniversary of the creation of the University of California.

Mateos and Johnson will fly to the campus by helicopter from Los Angeles International Airport in time to join the academic procession into the stadium at about 10:00 a.m.

The ceremonies will be opened by UCLA's Chancellor Franklin Murphy.

Governor Edmund G. Brown,

## Conestoga applications available

Camp Conestoga counselors' applications will be available tomorrow at the RHA workshop and Monday in the AS Office.

Counselor applicants are later to be interviewed by members of the camp board. Students with Social Science, Biology, Geology, and Physical Education backgrounds are particularly urged to sign up to take underprivileged children of the Santa Barbara area on field trip and camping expeditions.

The two large, green trucks of Camp Conestoga take classroom groups ranging from second to ninth grades for a day of nature observation and fun in winter, and for overnight trips in summer. A main objective of the program is teaching the children to be self-reliant.

In addition to summer overnight trips, longer pack trips called "preparation and follow-through" will make room for counselors' exercises of even more personal initiative in their volunteer work.

An extensive speaking campaign to publicize the objectives and needs of the camp is to go into effect next week. Living groups may contact Suzi Kovitz at 89001 for speakers and further information about the camp program and counselor applications.

## Students sing at Hootenanny

Four Gaucho folk singers will take part in a hootenanny Saturday night at 7 p.m. in the San Marcos High School Auditorium.

Sponsored by the Ladies Auxiliary of the Goleta Boys' Club, the program will feature Pam Brown, Sue McBain, as well as Melinka Rinker and her Blue Grass Group, all of whom go to UCSB.

Local folk artists such as Tony Townsend, The Juniper Hill Trio, The Channel Singers, Terri Town Trio and Cecilio Rodriguez will also lead in the singing. Master of Ceremonies will be singer Don Robertson.

Proceeds from this hootenanny will go to the Goleta Boys' Club. Tickets may be purchased for \$1.25 for adults, 75¢ for students, and 50¢ for children at Goleta Music Store, Bennetts Music Store, and Audio Center of Santa Barbara, as well as at the box office on Saturday afternoon.

president of the University's Board of Regents, will welcome the honored guests, and President Clark Kerr will introduce the Presidents and confer their honorary degrees.

President Johnson's trip to the UCLA campus will be the second in two years; as Vice President, he was the main speaker at last May's Foreign Press Awards Dinner in the Student Union.

His predecessor in office, John Kennedy, received an honorary degree at Charter Day ceremonies on the Berkeley campus in March, 1962, and former President Dwight D. Eisenhower was similarly honored at UCLA's Charter Day celebration last year.

## Leg Council discusses resignations

One of the Legislative Council's major problems this year, resignations by members, was a topic of the Council's meeting last Tuesday night. Due to reasons ranging from low grades to change of residence, eight members have resigned their posts.

Remaining Council members offered a variety of opinions on the situation. Although Jeff Boal, men's RHA representative, felt that his work on committees was "accomplishing something concrete;" several others expressed dissatisfaction.

Liz Cleaves, women's representative - at - large, stated: "This year's Council has been extremely negative, extremely. Proposal after proposal has been defeated." It was felt that there were no incentives for the members.

Tyler Glenn, Finance Committee chairman, mentioned that Council members are sometimes uninformed; then there is a "lot of babbling." It was suggested by Mike

Milakovich, men's representative-at-large, that old officers meet with candidates for Council posts. He felt it was necessary to let them know what they are getting into."

## Warshaw mural viewed

The Art Museum Council of the Los Angeles County Museum gathered at Ortega Commons yesterday afternoon to view the mural by Dr. Howard Warshaw and to hear an informal talk by the artist.

Following the inspection of Warshaw's mural, the group

toured the campus. Mrs. Beverly Jackson, of the UCSB Art Affiliates, arranged the visit.

Warshaw, associate professor of art, completed the project this fall after four years of work. It was formally dedicated on November 17. The 76-foot mural is based on the theme of Homer's "Odyssey."
