SANTA BARBARA, CALIFORNIA, FRIDAY, OCTOBER 28, 1928.

NO. 6

OMEGA XI ALPHA, NATIONAL JOURNALISTIC FRATERNITY, PLEDGES SEVERAL ON CAMPUS

The Eta chapter of the national honorary journalism fraternity, Omega Xi Alpha, will take in the largest number of new members this year of the three years it has been in existence.

Under the leadership of Jack Smith, the fraternity's first president, the society was established both here and in several colleges of the state. Among the colleges are Redlands, Southwestern, Fresno, Cal Tech, Whittier College, and Santa Barbara. It has been growing steadily and with this year several other institutions are expected to join.

At the first meeting in Los Angeles of the delegates from the colleges certain conditions were set up under which the new members were to be selected. The first is a year's work on either the college paper or magazine, carrying at the same time a required number of units of studies and making a grade above or on the average of two.

Frank E. Fenton, who is new on the campus this year, has been asked to become a member of the fraternity. Dr. Maxwell is one of the charter members of the organization and also a member of the Board of Auditors for the entire state.

Bernard Barnes, editor of La Cumbre and president of the Eta chapter, and Marie Cochran, editor last year of The Eagle and secretary-treasurer of the fraternity, are the only active members on the campus. Those who have received and accepted invitations for membership are, Joe McFarland, David Watson, Marjorie Holmes, Emily Wood, Lucille Powers, Doris Rodehaver, Dorothy Cronise, Zenas Leonard, Richard Romain, Elizabeth Neblett, Minnie Meier and Frank Fenton.

The pledging ceremonies consist of the first informal pledge at which time the members will receive a chevron as a mark of recognition. This will be followed by six weeks of pledge servitude. Concluding, the formal initiation will be held, preceded by dinner.

In speaking of the program for the year, Bernard Barnes mentioned meetings at which men prominent in journalism will be (Continued on Page 2, Col. 4)

NOTICE

During the past week The Eagle has received letters from students about the campus who are evidently very much interested in student body affairs. These letters have been addressed to the editor but have not been signed. The editor wishes to state that no letters will be published where the author is not known to him. This is customary with all newspapers and merely as an evidence of good faith of the letters a person should sign his or her name together with the fictitious name which the person wishes signed to the article. The true name of the writer will be kept in confidence.

HOOVER CHOSEN BY STRAW VOTE

Herbert Hoover was easily the choice of the Santa Barbara State College students, winning by a three to one majority over his closest rival, Governor Alfred Smith, in the presidential straw vote conducted last Friday by The Eagle. Norman Thomas, Socialist candidate, and Thomas Varney, representative of the national prohibition party, received a few scattered votes.

The overwhelming majority given Hoover, former Secretary of Commerce, came as a complete surprise to campus followers of the election, who had predicted a close race. Governor Smith was believed to have had a large following of students in the local institution according to the "Smith talk" which had been prevalent.

The results of The Eagle's poll coincides with the verdict of the majority of colleges throughout the country, who are co-operating with College Humor in staging a nation-wide vote. Reports from schools all over the country give Herbert Hoover a lead in almost every college.

An impromptu presidential vote taken of the rooters, including townspeople, in addition to the Santa Barbara State and California Christian students, at the football game last Saturday resulted in practically a unanimous vote for Hoover. This was an even more decisive indication as to the presidential preference than the campus election.

A fairly light vote was cast by the student body in the poll last Friday.

Beta Sigma Chi Men Guests at Beach Home

Members of Beta Sigma Chi fraternity were the guests of Alfred Robertson at his beach cottage on Carpinteria beach last Sunday afternoon. Lunch was served to the members. The use of Mr. Robertson's Outboard motor boat furnished a very enjoyable day for the men. Football and baseball were played on the sand in front of the cottage.

FRESHMEN ARE INITIATED AT A. W. S. PARTY

Amid backward-dressed freshwomen and green painted faces, the annual A. W. S. freshwomen's initiation was held in the cafeteria last Friday night.

Those in charge of the initiation, with Dorothy Merritt, chairman, arranged a very neat initiation program. Several freshwomen were called upon to entertain the high and mighty upper classwomen as part of their initiation. A quartet, composed of Betty Proctor, Elizabeth Schauer, Anita Cochran, and Dorothea Peterson, sang several negro spirituals, accompanied with their ukeleles. Next, Carmie Janssens and Ella Cornwall gave an exhibition of the shuffle and "Frisco." Dorothea M. Peterson sang two solos accompanied by Carolyn Toline; "The Sweetheart of Sigma Chi" and "You're a Real Sweetheart." Mathea Merryfield gave a very good exhibition of the Varsity Drag.

Other freshwomen were called upon by the chairman to give various speeches or answer questions that were asked by upper classwomen.

Following the initiation of the freshwomen, the new teachers were initiated. Mrs. Simonson played a piano solo which was popular twenty years ago.

It took quite a few minutes for each girl to find her name, as it was written backwards on the placecard. After everyone was seated, the dinner was served by various freshwomen. The dinner was also backwards, that is, the potatoes were served in a brick form to represent brick ice-cream, and a meat dish which resembled geletin and hot biscuits. For dessert, strawberry ice-cream was served in tomato shells, garnished with bread crumbs. Coffee was served in punch glasses.

The clean-up was done by the freshwomen, headed by Elizabeth Peacock.

Final Membership Drive Opened by Outing Club

Starting their final drive for membership the Outing Club is staging a membership drive in the form of a group contest. The entire membership is divided into five groups, one of which is the executive board. The captains of each group will be chosen at the Outing Club meeting today at noon.

In the quad a miniature chart will be posted which represents a fifty mile hike. For each new member brought in by one of the groups one mile will be gained on this chart toward the goal. The winning group will be entertained by the four losing quads.

Plans are being formulated for a visit by the entire club to its cabin on the Santa Ynez river, Sunday morning, November 4.

ROADRUNNERS INVADE NORTH TO TACKLE HUSKY SAN MATEO SQUAD IN CONFERENCE TILT

ANNUAL COLLEGE NIGHT TOMORROW

Tomorrow night at 8:30 in the auditorium, the eighth annual College Night, the outstanding function of the State College calendar, will be held.

The first part of the evening will be occupied by roll call of the various colleges of the country. Appropriate yells or songs will be given by each college represented. The remainder of the program will be devoted to the presentation of King Nutcracker, based on the Nutcracker Suite by P. I. Tchaikowsky. The leading role, that of King Nutcracker, is played by Mrs. Alene Elmer. Other members of the cast includes Marjorie Cheroske, Carmie Janssens, Mildred Dorsey, Margaret Jigergian, Rosamond Martin, Janette Sonnesyn, Caroline Tolin, Alvetta Van Tuyle, Margaret Webster, Gladys Oglesby, Ella Cornwall, Blanche Henninger, Isabel Lyon, Geneva Patton, Lina Dardi, Evelyn Dearborn, Margaret Lane, Jean Neilson, Leona Miner, Laura Middleton, Doris Rodehaver, Dora Woods, Marlyn Jameson, Helen Cooley, Marguerite Goddard, Dorothy Kimes, Dorothea E. Peterson, Grace Shorkley, Margaret Bailey, Mary Longawa, Elizabeth Schauer, Margaret West, Elizabeth Peacock, Mathea Merryfield and Frances Snow. This cast has been rehearsing daily under the direction of Mrs. Helen M. Barnett, head of the music department and Miss Winifred Weage, assisted by Miss Van Fossen of the physical education department.

The proceeds of the evening go to the student loan fund. In order to arouse more interest in ticket selling, in 1926, Frank E. Abbot of Mission Canyon donated a silver loving cup to go to the class selling the greatest number of tickets for the performance. The cup is a permanent possession and will be awarded this year by Miss Alice V. Bradley, chairman of the finance committee. An elementary school cup, has also been donated by Mrs. Max Schott which is to be awarded to the class of the elementary school having the greatest ticket sales.

Mrs. Jane C. Miller, chairman of the advertising committee for College Night has employed various means of publicity in order to draw many students and townspeople to this annual function.

Following the performance, dancing is to be held in the college court. However, only those who hold stubs of the tickets of admittance to the play in the auditorium will be allowed to take part in the dancing. Music will be furnished by Victor Janssens' orchestra.

(Continued on Page 3, Col. 2)

The championship of the State College conference will probably be at stake tomorrow when the warriors of the Olive and White take the field in San Mateo against the San Mateo Junior College. Coaches Hal Davis and Paul Gerrish with about twenty-five players are traveling today to the northern city.

With the meeting of San Mateo, the Roadrunners are coming against a real bunch of players. The Blue and White have won from San Jose State by a 19-7 score this year and last week won from Marin by about the same score as did the Hilltoppers. Last year the San Mateans took the championship of the conference as well as handing Santa Barbara a bad beating on its own field.

Little scrimmage has been held this week by Davis for fear of his men incurring injuries. Weak spots in some of the plays has been strengthened and there has been some tackling practice. Long and hard hours have been spent in perfecting each play so that tomorrow they should run off smoother than ever before.

Captain "Gibby" Martin will be seen on the field at the opening whistle of tomorrow's affair for the first time since the Fresno State game three weeks ago. His shoulder is practically well and he should be in the best of condition for tomorrow's affair. Allan Jacobs will be on the other end of the line.

Another injured man will be back in the fray again tomorrow. Bill Mills, a big tackle from Santa Paula, has been out because of rib injuries but will be in again with a big brace to aid him. He (Continued on Page 2, Col. 5)

Have You Noticed?

- High waisted cords on some of the boys?
- The number of college students at Cerca Del Mar on Saturday nights?
- That the Southern Pacific is running a special train to the U. S. C.-Stanford game on November third?
- Albert Terry talking up the G. O. P. organization?
- The color of the women's club room?
- The "stickyness" of the gym floor?
- The Al Smith advocates resenting being called "beer drinkers" at the game last Saturday?
- Bert Clemore back in the line-up?
- That "The Queen's Husband" is coming to Lobero theatre?
- That there is no home game for a couple of weeks more?
- Students leaving the bleachers while Cal Christian was singing Alma Mater?

MANY ATTEND FROLIC HELD IN GYMNASIUM

A large group of the State College student body and also members of the visiting California Christian College football team, frolicked at the annual Hallowe'en hard times carnival in the gymnasium last Saturday night.

The entire decoration scheme was carried out in the Hallowe'en motif. Orange and black streamers, banked greens, booths offering refreshments, consisting of apples and cider, and serpentine, added to the Hallowe'en atmosphere.

Each guest was asked to go through the "Mystery Way" to obtain beans. Without these beans neither cider nor serpentine could be obtained. The "Mystery Way" began at the northwest door of the administration building and the students were obliged to follow a string until he came to the ghost women whose sanctum was in the auditorium. Upon reaching the ghost women each guest received his allotment of beans and the mark of the ghosts upon his forehead.

The remainder of the evening was set aside for dancing. Music was furnished by Wesley Dickenson's three piece college orchestra.

FORMER STUDENT HIGHLY HONORED

Henry M. Batchelder, a graduate of Santa Barbara State, has received high honors at his position at Point Loma High School. Mr. Batchelder graduated from the Industrial Educational department in 1927.

A San Diego paper makes the following comment on the honor received by the alumnus:

The executive committee of the Industrial Teachers Association of San Diego met Tuesday afternoon, and after accepting the resignation of Ralph Troge of the Memorial Junior High as president, unanimously elected Henry H. Batchelder, of the Point Loma High School faculty, to the chair. The association includes in its membership all of the shop, mechanical drawing and industrial education teachers in the city schools. Mr. Batchelder has been at Point Loma for over a year, and his term as president will terminate at the close of the semester.

BARNES STARTS LA CUMBRE WORK

Work upon the 1929 La Cumbre, Santa Barbara State College annual, is progressing rapidly under the supervision of Bernard Barnes, editor.

A tentative dummy of approximately 175 pages has been completed. The size of the book will be about the same as that of last year. Several new features and a larger section for satire will prove interesting variations from previous year books. The English Colonial theme is to be the motif throughout the book.

Photography is to begin at once. Individual photographs are to be taken beginning Monday, October 29.

The Wesco Plan which proved unsatisfactory last year has been discarded in favor of straight advertising.

The members of the staff who have been selected are Sam Williams and Albert Terry, advertising; Zenas Leonard, photography, and David Watson, business manager.

On the editorial staff are included Doris Rodehaver, social editor, and Joe McFarland, sports editor.

Contracts let to date are:

Printing, Schauer Printing Studio, Inc.; engraving, Commercial Art and Engraving Co.; and covers by Weber McCrea and Co. Colonial atmosphere will be the theme of characterization of the annual for this year, in contrast with the Spanish design of 1928.

Fraternities

Members of Beta Sigma Chi gathered at the home of Taylor McDougall last Monday evening for their regular meeting.

Dale Hartley, who is at present working at the Western Auto Supply Co., and Roland Lakin, of Logan & Bryan, were present at the last meeting.

Arthur Evans, ex-'31, was seen on the campus Tuesday morning, renewing acquaintances. Art is at present working in the U. S. Forestry Department.

Sigma Alpha Kappa

Ted Ellsworth, '26, was present at the regular meeting of Sigma Alpha Kappa at Paradise's Coffee Shop last Monday.

Danny Britton gave a very forceful bit of oratory on "Reasons Why I Am for Al Smith." He was quieted, however, with much difficulty.

A letter of general greeting and interest from Otto Larsen, last year's student body treasurer, was read by A. H. Terry.

Tau Omega

James Dinwiddie, '28, who is now teaching at San Pedro, was seen at the bonfire before the Marin county game.

Ansgar Larsen, '28, visited the campus last week. Ansgar is teaching at Oxnard.

(Continued from Page 1, Col. 1) asked to speak. Both Mr. Fenton and Dr. Maxwell will be asked to speak of their experiences in the newspaper world. "On the whole, it will be a profitable year," Mr. Barnes concluded.

MANAGERS ANNOUNCED

Coach Hal Davis, Coach Paul Gerrish, and General Athletic Manager Virgil Gillum have announced the managers of three of the remaining sports for this year. After deliberation David Watson was appointed basketball manager, Ted Neidermuller, track manager, and James Tinkle, tennis manager.

"Managers of swimming and baseball are yet to be chosen and I would be very glad to see any one interested in working for the advancement of these sports," according to Manager Gillum.

(Continued from Page 1, Col. 5) will be aided at tackle by "Swede" Colton, with "Army" Kessler ready for action as soon as a substitute is needed.

Fred Allred and George Barth are the likely ones for the start at guards. Fred has been having some trouble with his side but will likely be in good shape for the start tomorrow. Ralph Johnson is sure to be at center.

After a week layoff Lyman Curtis will be back to take over a position in the backfield. He will probably start at fullback. Fred Pierucci and Cec Hickman seem favored to start at halves. Either Gates Foss or Al Thurmond will be given the nod by the coach for the quarterback position.

CAL CHRISTIAN SHOWS STRENGTH BUT IS BEATEN

Warriors of the Olive and White football team added another scalp to their belts last Saturday when they opened fire on the California Christian College eleven and came out of the battle with a 6-0 victory. Thirteen first downs were made by the Roadrunners to ten by the Los Angeles team.

The strength of the southerners was quite a surprise to most of the local fans. Previous records showed that the Red and Gray had won only one game this season and that from a small school. After the first few plays, however, the Hilltoppers began to realize that they were up against a real bunch of players and began to settle down and play football.

It was the passing of the Christian College team that made Santa Barbara look weakest. The southern passes were thrown with real accuracy and it was only once in a while that one would be broken up by our team. A very strong end run was also used by Cal Christian that went for at least a few yards every time it was tried.

The only score of the game came in the early part of the second quarter. After several reverses that took the ball from mid-field to the fifteen-yard line, Cec Hickman took the ball on a wide end run and dodged tacklers for fifteen yards and a touch-down. An attempted pass for conversion failed.

Two men who have been ineligible for conference games were used last week and showed well. "Speed" Mylnek carried the ball past several chalk marks of the field on reverses and end runs. Bert Clemore also did some fine work as a half-back.

About twenty-five men were used by Coach Hal Davis in the game. Although it was the first string that made the score, the second stringers seemed to hold the opponents and advance the ball as well as the first bunch did. The line-ups were as follows:

COLLEGE PLAYERS TO GIVE ONE-ACT

At a meeting held October 18, the Forum Club adopted a new constitution, changing the name of the club to The College Players, and are making plans for presenting a one-act play, "The Grill," before student assembly in the near future. Under the new constitution the College Players will be a purely dramatic society and new members will be taken in only through invitational try-outs.

The cast for "The Grill" was chosen from among the charter members of The Players, who are Gene Harris, president; Esther Gormley, secretary-treasurer; Rosamond Martin, Richard Zinser, Marion Keep, Alverna Stewart, William Ralston, Richard Romaine, Alvetta Van Tuyle, Evelyn Dearborn, and Thelma Morgan. Mr. Fenton is the faculty adviser.

San Mateo College In Wireless Test

Crackling out radio messages from the South Pole, Byrd's expedition will maintain contact with the outer world through the San Mateo Junior College radio station—6JU. The members of the expedition will send hundreds of radiograms to their relatives, friends, and their financial backers.

Station 6TU is now listed as one of the most powerful and reliable traffic stations on the Pacific Coast and was chosen by the explorers as one of the relaying stations on the North American Continent, and the only communication for the Pacific Coast.

(Continued from Page 1, Col. 4)

Credit is also due to Mr. Charles Meredith of the Community Arts Association and his stagecraft class who have designed and painted the scenes for the Nutcracker fantasy.

TWENTY-FIVE SIGN FOR HIKING SPORT

Twenty-five women have already signed up this season for hiking which shows a marked increase in its popularity. Last year hiking was recognized for the first time as a regular sport for women.

Each woman is required to hike at least three miles in the mountains or five miles on the level before she may begin counting her points, the hike must not be longer than twenty miles.

Legal hikes may be taken any time during the school year with the exception of vacations. Not more than one hundred points or less than twenty-five may be secured in one school year.

A hiking party must consist of at least three women and the hike must be taken in a reasonable length of time, no picnics or long delays are allowed.

Training rules must be kept just as in any other sport, stated Helen Nauman, manager of hiking for the women.

Interclass Schedule For Hockey Announced

The interclass schedule for the next week's hockey games was announced by the manager, Helen Webster. The Juniors and the Sophomores open interclass competition Tuesday afternoon with their match on the women's athletic field. The Sophomores and Freshmen will clash on the following Thursday. Tuesday, November 6th, the Juniors meet the Freshman team.

Margaret Webster leads the Juniors, while Louise Lowry and Arleen Klett are captains of the Sophomore and Freshman teams. The captains have not as yet announced the line-ups, but each woman will have a change to play.

TOWNSPEOPLE of Santa Barbara would certainly be justified in remarking concerning the poor sportsmanship of the Santa Barbara State College rooting section at the game last Saturday.

The worst example of sportsmanship was shown when members of the Cal Christian rooting section stood at the end of the game and sang their "Alma Mater." Did the members of the Santa Barbara rooting section stand respectfully while the defeated sang to their school? No, decidedly not. The local rooters, content that the game was over and won, decided that the best thing to do was to leave the stadium as quickly as possible. It is only common courtesy to respect a group of persons who have made a long journey and after taking a defeat can stand and hail its Alma Mater.

Just why that "straw vote" was necessary or what possible connection it could have with a football game is beyond our comprehension. Giving a yell for Herbert Hoover would be perfectly in form at a political rally but is certainly a mistake at a football game. And as referring to the Al Smith advocates as beer-drinkers—that, we believe, constitutes libel.

Another exhibition of poor sportsmanship was shown when at a critical moment in the game the Cal Christian yell leader called for a continuous "Hold That Line" yell. At the same moment Santa Barbara rooters were advised to yell, "We Want a Touchdown." Yelling down an opposing rooting section is not our idea of good sportsmanship.

We believe that those in charge of such things should profit from experience and begin to realize that common sense is the essence of a good rooting section.

-:- STUDENT OPINION -:-

To the Editor of The Eagle.
 Dear sir:

In the excitement of arguing personalities and individual prejudices, is one of the fundamental issues of the present presidential campaign being lost completely from sight? I refer to the effect this election will have on the choice of candidates by both parties for the next ten, twenty, or even more years. Those familiar with political campaigns may be able to appreciate the present discussions at their correct value; but the people who are not familiar with the usual course of a political campaign, that is, those who for one reason or another are to cast their first votes in a national election, must find the discussions and catch-words of the moment both confusing and misleading. The present campaign must be looked at in relation to other campaigns, both of the past and the future, before even an approximate appraisal of the issues involved can be made. American political history from the time that the government was firmly established to the present falls readily into two periods: the first, from Jefferson to Lincoln, was controlled almost exclusively by the Democrats; and the second, from Lincoln to the present, was controlled largely by the Republicans. During each of these periods the party in power chose for its candidates men of more or less neutral character, men who had not committed themselves on the questions

then at issue, men who would be compliant to dictation from organized groups; in other words, men who could be counted upon to further the interests of the party. The really strong men of the party—Webster, to mention one of many—were seldom selected to be the standard bearers.

Naturally enough, there was a revolt against this sort of thing. Cleveland was elected to the presidency by one such reaction. With the advent of Theodore Roosevelt came a feeling that we were at the beginning of a new era in politics, an era of liberalism and idealism. In 1912, Wilson was nominated and elected for just these reasons. While it might be unfair to call so silent and so hard-headed a man as Mr. Coolidge an idealist, it is a fact that his administrations are famous for real economy in expenditures and for liberal and humanitarian statesmanship. Considering the last twenty or thirty years in this light, it is evident that we are making progress politically. Gradually we are coming to the place where we shall select our best men for our highest offices.

This year the Republicans have selected the man to be their standard bearer, whom the great majority of us believe to be the best qualified for that position. Mr. Hoover's ability and integrity are known the world over. His liberalism and humanitarianism are beyond question. In my judgment, he is not so much the leader of the Republicans as he

THIS AND THAT

If certain members of the faculty were asked to state one of their main objections to Fascist rule in Italy, they would undoubtedly mention the suppression of the press by Il Duce. If they were asked to choose from among the United States documentary clauses, those which are of relatively great importance to our social welfare, they would select the Acts and Amendments in which freedom of speech is duly emphasized.

Yet, when The Eagle prints a bit of fearless journalism in regard to certain blemishes on the fair face of our campus, a mighty grumbling is heard in the bowels of the earth, and this same faculty rises in its unrighteous condemnation of a sound editorial policy.

But, like the brave horsemen riding to their doom, it is, "ours not to make reply; ours not to reason why; because, if we do, we will die." Ho, hum! Serve the beef tea!

Our idea of a real educational political campaign is one in which the whisperers speak and the speakers whisper.

Love, my friends, is an itching around the heart that you cannot scratch.

Cast your straw ballot for William Edward Hickman. He admits his guilt.

Amateur poetry:
 The stag at eve had drunk his fill.

Where sparkled the wine in a downtown grill.

But, his doom was sealed when his way he made
 To a dance in the Canyon's hazel shade.

We men were inclined to criticize the new house rules for women until we discovered how much they improved our daily recitations.

In behalf of the woodchoppers, we will now sing, "The Lost Chord." Time out for Cal Christian.

is the leader of that great host of Americans who are looking forward to the day when all candidates in all parties will be selected because of outstanding ability and integrity rather than because of party usefulness.

On the other hand, it is remarkable that the party that selected Mr. Wilson because of his liberalism, this year has chosen a leader of the organization that worked so hard to defeat the nomination of Mr. Wilson in 1912. Mr. Smith is a Tammany Hall politician. Should he be elected to the presidency the nation will be doomed to a long period of machine made candidates; for it is certain that, should this adventure in better government be unsuccessful at the polls this year, neither party will repeat the experiment for long years to come.

It is evident, therefore, that the kind of president that we shall have for the next ten or twenty years hangs on the issue of this

EUGENE O'NEILL
 INCLUDED WITH
 AUTHORS LISTED

A wide variety of books, ranging from the most complex scientific works to modern novels and poetic works are to be found on the library shelves. The list of books obtained by the library during the month of September is published herewith and contains some of the most interesting publications of the year. Included in the list is "Strange Interlude," Eugene O'Neill's seven-hour dramatization.

The list is as follows:

Frymir, Basketball for Women; Galsworthy, Swan Song; Galsworthy, The Forsyte Saga; Adams, The Education of Henry Adams; Fraser, In the Shadow of the Lord; Lewis, Arrowsmith; Thomas, The Teaching of English in Secondary Schools; Hoffenstien, Poems in Praise of Practically Nothing; Sandburg, The American Songbag; Olcott, The Children's Reading; Russell, Philosophy; O'Neil, Strange Interlude; Wiggam, The New Decalogue of Science; Dawson, Teaching The Social Studies; Norton, Story of California; Swetman, California School Law, 1928 edition; Herrick, Selections from lyrical Poems.

Sigourney, Select Poems; Pope, Poetical Works; Shelly, Poetical Works; Lake, Works of Lord Byron; Smith, Old Testament History; Ossian, Poems; Skeat, Concise Etymological Dictionary of the English Language; Thomson, The Seasons; Thomson, Arabian Nights; Boswell, Life of Sam Johnson; Cruden, Concordance to Old and New Testament; Cowper, Works; Clarke, Stories From Arabian Nights; Gist, Teaching and Supervision of Reading; Webster, Ancient History; Webster, Readings in Medieval and Modern History; Becker, Adventures in Reading; Brooks, Emerson and Others. Robinson, History of Europe; Webster, Readings in Ancient

election. If Mr. Smith and Tammany Hall win, the nation will have taken a step backward. If, on the other hand, Mr. Hoover is elected president, we shall have taken a step forward that will have its effect not only on the United States, but on good government everywhere throughout the world.

—ALBERT Z. TERRY

Dr. Carson Awarded
 Membership in A. A. S.

Word has been received in Santa Barbara that Dr. Lewis C. Carson, instructor of psychology here, has received a high honor in the astronomical world.

At a recent meeting of the American Astronomical Society at Amherst College, Massachusetts, Dr. Carson was elected to membership in the society. Membership is based on personal recommendation and is a much coveted honor in the astronomical world.
