Vol. XVI

SANTA BARBARA, CALIFORNIA, FRIDAY, SEPTEMBER 25, 1936

No. 3

## ENGINEERS MEET STATE TONIGHT

### Players Club Opens Season As 56 Confer

Group Picks Heads in Initial Meeting with Speech Leader in Charge

#### DEAN ASHWORTH SPEAKS

Expresses Wish to Open Voice Major After Demand of Many Students

Fifty-six students attended the initial meeting of the Players club held Wednesday evening at 7:30 in the college auditorium. Dean Ashworth and Mrs. June Marie Davis represented the faculty with Elbert Phelps, heads of speech-arts, presiding.

An election of officers took place. Mr. Phelps, manager of speech-arts acting as chairman. Other officers include: Esther Carter, secretary-treasurer; Norman Becchio, social chairman; and Robert Furnas, El Gaucho representative.

Dean Ashworth told of his interest in all dramatics and in the Players club especially. He mentioned several plays which the organization has presented successfully in the last few years including "Outward Bound," "Death Takes a Holiday," and "Dulcy."

"I hope," stated Mr. Ashworth, "we will be successful in building up an enthusiasm for drama on the campus, and that someday we can offer a speech major at Santa Barbara State."

Members of the club, under the direction of Manager Phelps, will be divided into various groups such as, play reading, ticket selling, dressing, stage lighting.

"In view of the tentative arrangement that Ross Lamareaux, formerly of U.C.L.A., will be taking the business of organizing the debating teams from my hands," stated Elbert Phelps, "I expect to be able to devote all my time exclusively to the Players club."

### Dr. W. E. Ellison Returns from Tour of Eastern Cities

After finishing his instruction in summer school, Dr. William E. Ellison, head of the history department, toured the country and visited its many fine collections of Lincolniana.

Dr. Ellison, as director of the Lincoln library at the college, was seeking the various methods of adding to and handling the materials in regard to such collections.

His tour consisted of visits to the Lincoln libraries at Springfield, Fort Wayne, Brown University, and the Library of Congress. Realizing that he should not miss seeing the battlefield at Gettysburg, Dr. Ellison included the famous spot in his itinerary.

While at Washington, he was surprised and greatly pleased to see the statue of Father Junipero Serra done by Ettore Cadorin, former instructor at Santa Barbara.

### Coffee Shop Thanks Staters for Support

The coffee shop expresses thanks to the student body of Santa Barbara State for its support.

Any criticism or suggestions from the students will be appreciated. These statements should be given directly to the department.

"Business couldn't be any better," stated Mrs. Frances S. Klawiter, manager of the cafeteria.

### Elbert Phelps

Elbert "Fuzzy" Phelps, manager of speech arts, and president of the Players club, who presided at the first meeting Wednesday night in the auditorium.

### Allred Merits Public Honors

#### Student Controller Gains Mention of 'America's Young Men'

Fred L. Allred, student controller, has been one of six prominent Santa Barbara business men to be listed in the second edition of "America's Young Men," a volume similar to "Who's Who," in which outstanding professional leaders under 45 years of age all over the country are listed.

Such well-known men as Fred Astaire, Walt Disney, John Edgar Hoover, Henry Morgenthau Jr., Lawrence Tibbett, David Sarnoff and Lawson Little all have their brief biographies in the volume. Other men in Santa Barbara who have been listed are Clarence Rogers, Harold Parma, Robert E. Lewis, Rodney Atsatt and Melvin Polley.

More than 20,000 recommended names of men were secured from fraternities, alumni secretaries, business leaders, professional men, government officials, prominent industrialists and educators. From this number a list of 6,010 men were finally selected to appear in the volume.

### Positions on School Annual Still Vacant

Pictures for the State College annual, La Cumbre, will again be taken at Bartel's photography studio.

Positions are still open on the annual staff, and must be assigned immediately. Students interested in the position of snapshot editor, drama editor, or business manager should see Jean Kandjounzeff, editor of the year book, immediately.

### STATE WELFARE LIST The "black list" of the welfare council is growing larger, according to Dick Waterman, chairman. Latest offenders include:

Mrs. Mary E. T. Crosswell.  
Miss Alice V. Bradley.  
Harry Sloan.  
George Verhelle.  
Ronald Cray.  
Adeline A. Smith.  
Harry Harris.

### Season Opener Promises Thriller as Stantonmen Flash Trick Plays Against Gauchos at Pershing Park

### 40 Lettermen Revive Block 'S' on Campus

#### Block 'S' Revives Traditions Regulations, Standards of Los Gauchos

The Block "S" society, long extinct as a student body organization, is rapidly staging a "come-back" under the leadership of its president, John Twaddell, football star.

To obtain entrance into the society, the candidates must be the possessor of a letter made in football, basketball, baseball or track. At present there are 40 members of the lettermen's club.

The main aims of the group are the promotion of good sportsmanship and fellowship among the student body and faculty; enforcement and retention of campus traditions; placing the Block "S" on an equal basis with other campus organizations; and assurance of a prominent place for athletics in the annual.

Officers of the club are Harold Sanderson, vice president; Bob Johnston, secretary-treasurer; Bill Poole, social chairman; and Dave Rumbaugh, Cliff Willis and Dan Mulock, council members.

President Twaddell announced plans for a bean feed and a Block "S" dance to be held in the near future. The organization met Tuesday night at the Anacapa club.

### The Bystander Observes By KENTON CAMP

#### TYPICAL NAZI JUSTICE

Lawrence Simpson, American Merchant Mariner, arrested 15 months ago by the Nazi police, comes to trial on Monday. He was accused of high treason, espionage, and possession of 5,000 Communist propaganda pamphlets. He is to be defended by a Nazi attorney, who has publicly admitted that Simpson will in all probability be found guilty. His jury will be the permanent one that tries all cases of treason and espionage in Germany. None of the evidence to be used against him has ever been definitely stated. This is just a sample of all 'ist and 'ism justice.

#### SPAIN'S CIVIL STRIFE

The insurgent rebel troops, under the command of General Francisco Franco, were reported to be 18 miles from the outskirts of Madrid. The rebel plans for the attack were drawn despite rumors of a possible surrender by the government. Alcazar is still uncaptured; the rebels repulsed a night attack. The attack was supposed to be the "final attack" on the citadel.

#### ORIENTAL DISPUTE

Japan has demanded an official investigation and explanation of the slaying of two Japanese and the wounding of two others by Chinese demonstrators at Chengtu, August 24, the killing of Junzo Nakano at Pakhoi, September 3, fatal shooting of a consular guard at Hankow, and the shooting of three Japanese Marines in Shanghai, September 23.

### Football Spirit Zooms with Promise of Speedy Clash in Opening Game of Season with Cal Tech

The opening curtain of the 1936 football season rises tonight at eight o'clock in Pershing Park when the Santa Barbara State Gauchos tangle with the Cal Tech Engineers.

The Game undoubtedly will be very fast due to the fact that the Engineers are small and speedy in comparison to the husky Gaucho team and in all probability are expected to resort to a passing attack.

### College Holds Cal Tech Rally

#### Band Makes Premier Play of '36 Appearances; Sing New Song

A rally for the Santa Barbara Cal Tech game was held Thursday night in the Auditorium with yell-king Harry Sloan in command.

Led by songleaders Renata Maccinti and Barbara Sharp, the student body opened the program singing college songs accompanied by the band. It was the band's first appearance this year under their new director, J. W. McAllister.

Sloan introduced the main speaker of the evening, Assemblyman Alfred W. Robertson. His speech was followed with short pep talks by "Spud" Harder, and Fred Pierucci, former State football star.

Harder has slight hopes for a Gaucho victory. "Two of our best players, Mulock and Oldershaw have sprained ankles. I predict that we will be defeated by at least three touchdowns unless our team shows up better than they did against the frosh. Cal Tech has the best team they have had for as long as I can remember," Harder stated.

The new school song, "The Wahoo," written by Harry Sloan was sung for the first time. There were several more yells and the rally ended with the singing of the Alma Mater.

### Women's Social Club Entertains with Tea

Pu Ko How, women's social club, will hold a tea, Sunday afternoon from 2:30 to 5:00, in the Women's club room. Hostesses will be Violet Barnett, Helen Rogers, Wilma Kiesner, Mary Tone, Pauline Stoops and Estelle Stray.

"The purpose of the event is to acquaint new women students with the club. All those who would be interested in attending should Helen Rogers," stated Mary Tone, president of Pu Ko How.

#### JUNIORS MEET TODAY

The Junior Class officers will meet today at noon in the Auditorium, according to Tommy Lindquist, class president. Other officers include, Frances Hoelscher, vice president, Renata Maccianti, secretary-treasurer and Al Anderson, social chairman. They will discuss the organization of the Junior Knights.

#### AUDUREAU MARRIES

Margaret Audureau, Gamma Delta Chi alumnae, '34, is to become the bride of John A. Sabella of this city on Saturday, September 26, in Pomona, California.

Real spirit predominates, not only in the student body but just as much or more in the team itself. Combining the two enthused forces, victory seems almost certain for El Gaucho.

Coach "Fox" Stanton is relying on the fact that the Gauchos have been classed as "over-confident" and has based his attack on tricky plays in order to catch, what he hopes, unprepared Staters.

500 new seats have been bought by the student council to take care of the expected large crowd which threatens to storm Pershing Park. Sections for the rooting Gauchos are arranged and all members of the student body are urged to sit there. Student prices will be 10 cents in addition to student body books.

What is in store for the anxious spectators and rooters remains to be seen at the fracas tonight.

### State Alumni Group Schedules Meeting at Riverside Soon

Holding its semi-annual, the San Geronio chapter of the Santa Barbara Alumni association will meet at Banning, near Riverside, on October 17.

Guests will enjoy a supper at the Women's club house and a program during the dinner. Following this, cards and dancing will be in order.

Mrs. Herbert Wennerberg, (Carmel Leach '33), Miss Daisy Cromwell, '32, and Miss Evelyn Camp comprise the committee in charge.

"We are attempting to develop a closer feeling between the alumni chapters and also between the alumni and those still on the campus, so we should like to urge anyone who is interested or connected with this to come," was the invitation of Carmel Leach Wennerberg, committee head.

### State Council Swaps 25 Football Passes

Meeting at noon yesterday, the student legislative council voted to approve the recommendation of the finance committee that 25 complimentary tickets to the football game be sent to the Santa Barbara high school, in exchange for 25 tickets offered the college.

In addition, a second recommendation from the committee brought acceptance to give complimentary season tickets to Dean Lois Benink, Miss Hazel Severy and Miss Helen Sweet.

A motion from the floor concerning complimentary tickets for five band members was voted down.

A final stipulation was included for the first action which provides that no more tickets will be exchanged with Santa Barbara High.

## Inspirational Cooperation

From far and wide, from all section of the country, come excellent reports, congratulations and commendations to the Santa Barbara down town newspapers on their publication of the all-college edition recently.

The edition, which was published on September 13, contained feature articles, news stories and descriptions of departments, clubs, student political organizations and the college itself. Featured on the first page was a sketch of the new State college plant which is to be built on Leadbetter hill. Pictures of faculty members and prominent students featured the edition.

For an entire week, copies of the publication, stamped and ready to mail were sold on the campus and the local news offices for 10 cents. Campus sales were large, as many students were anxious to send the complete edition to friends and college graduates.

To the Morning Press and Daily News, we extend our appreciation for this excellent accomplishment and our thanks for their inspiration and spirit of cooperation in publishing such an edition.

## True Freshman Spirit

Registration completed, books purchased, beanies worn, the new semester has begun and the time has come for the class of '40 to remember that they are no longer in high school. The work is not a repetition, it is a revision, an enlargement, a final polish. The spirit remains the same, but the intensity magnifies the labor.

In accordance with this change, a new method of study must be evolved. First, a problem; second, a process of solution; and third, a solution. The first and third are positive factors; the second is a variant. There is more than one way of evolving the absorption of a college education, but we state only a certain method—the grind.

This process begins in the class room with note-taking. Remember to take notes, and remember also to use them. Follow the professor, rather than the young thing in front of you. Take the assignment and do not delay work on it. Free periods should be spent in the library. Homework is not compulsory nor is fresh air, but an advance of either is helpful. It is never sufficient to read a text! it must be understood and transferred to your own thoughts. Above all, do not be afraid of your professors. They are ready and willing to aid the students.

Thus, class of '40, remember the advice of one of your own class. Take business before pleasure, and in the Spring, you will be able to prove to the upperclassmen the true meaning of superiority.—F.D.

## On to Victory

As the green-clad Gauchos eleven takes the field tonight in the first game of the football season with the Cal Tech team, all eyes will be focused on the outcome of the fray.

As the team finishes the game tonight, the important item will not be the digits in the score but the cooperation and sportsmanship exhibited by the team and the student supporters. On to victory, Gauchos, as King Football reigns once more.

## CAMPUS CALENDAR

Friday, September 25—Tau Gamma Sigma Pot Luck Supper, 6:00 p.m.; Beta Sigma Chi Open House.  
Saturday, September 26—Get Acquainted Dance, Rockwood.  
Sunday, September 27—Nothing scheduled.  
Monday, September 28—Gnome Club Meeting; Sorority and Fraternity Meetings.  
Tuesday, September 29—Class Meetings, 2nd hour; Home Ec Dinner, Ebbets Hall; Orchestras.  
Wednesday, September 30—A.W.S. Board Meeting, 6:00 p.m.; Band.  
Thursday, October 1—Student Council meeting.  
Friday, October 2—A. W. S. Frosh Initiation; Frosh vs. Bakersfield J. C., There.

## Book Chatter

By Arthur H. Batchelder

Hello, neighbors . . . well, here we are back to the old grind once more.

To some of us this means the end of delightful omnivorous reading, yet to others it is the beginning of the only time they read any thing other than newspapers and magazines.

During the summer I've picked up some thoughts here and there on reading from various sources. One of the most vociferous sources, interestingly enough, was the Summer Session, where more people were willing to bare their soul (reading soul I mean) to utter strangers than I have ever before encountered.

Why, just why, do we read anyway? Why do YOU read?

Some of us read for refreshment, or enjoyment, or to take us out of ourselves. We read "because to learn of other people's experiences and problems helps us to impersonalize our own."

One young lady who works hard and supports herself at college says, that she read "because I love to travel, but can't get away." She went on to say that she wished to become familiar with a country and its people, to learn its customs and background. She travels from country to country in her arm chair.

Still another argument for reading comes to my mind . . . "All this kind of reading, whether summer, winter, spring or fall, whether midnight, lunchtime or vacation, sets a colorful stage on which are dramatized the current happenings around us. Why do we read? Your habitual reader of good books is constantly improving his speech and vocabulary. Whether or not he does it consciously, he cannot be exposed to well written pages and good thinking without being improved thereby."

## Radio Ranglings

Trudy Wood, bluester, heard on the Astaire program, was the runner-up in the finals of an audition contest about two years ago. The winner, whoever it was, must have been plenty good.

Kay Francis and George Brent, one of Hollywood's nicer romantic teams, are to be on Hollywood Hotel tonight in the radio version of "Give Me Your Heart." The story according to the critics is going to be one of the better pictures of the new year for more mature audiences, especially the females.

Chesterfield Dancetime with Andre Kostelanetz, the super band leader, will add Nino Martini to its talent starting Wednesday, September 30, at 6 p.m. over Columbia. The Friday programs starring Kay Thompson, Ray Heatherton and the Rhythm Singers, will be heard at 8:30 p.m.

This Sunday's Ford Symphony hour will have Mischa Elman, world-famous violinist, as guest star.

## Long Shots

By LONGIE

Another day and another column! Saw Frances Jane Miller and Bob Furnas walking down the lane, "mit 'n' mit". Very nice . . . What's going to happen when Mickey and Kenny Camp meet? I'd like to be there.

Margie Davison and Lorne Olson can be seen almost anytime having what seems to be very serious talks, can it be that they're planning things? . . . There seems to be something the matter with the Freshmen girls from the local 'Hi. They aren't making the progress they'd like to.

The Darrow-Clark combination continues to flourish in spite of what happens to Blanton every night during football practice . . . Has Dick James taken the place of Chuck Leister in Jeanette Banks company?

Don't forget the game tonight, and please do something so I can tell the rest of the school about it.

## Frosh Prepare for First Tilt

## Peagreeners Meet MarMonte in Warm-Up Tilt of Stiff Season

Freshman Peagreeners begin their initial season at Atascadero tomorrow against the Mar Monte J.C. aggregation. The game will be a warm-up for the frosh before their annual game with Bakersfield J. C., Oct. 3rd in Bakersfield.

This change in schedule leaves the freshman outfit with no home games, but a few may be scheduled according to Coach Kelliher.

The frosh squad has been through a strenuous practice session for the last two weeks blocking the dummies, practicing punts, running through the signal machines to learn their assignments and a tough scrimmage against the varsity for two nights a week as a climax under the watchful eye of Coach Kelliher.

There are 48 candidates out for freshman football, a pick of some of the best players of California high schools, nine of which were on the C. I. F. championship team from Santa Barbara High.

The shining lights in the backfield will be Bill McArthur of Long Beach who is one of the shiftest men ever to don a football suit, and Charles Bailey, of the Don institution, together with Lloyd Rossi, flashy quarterback.

In the line there will be George Valos one of the best guards ever to leave San Joaquin Valley, and Johnny Echinique, all-valley guard from Bakersfield.

The freshman squad this year, from all pre-game predictions, seems to be potentially the best ever had at the State College. The actual strength remains to be discovered.

Tentative lineup: ends, Maine, Coffey; tackles, Wood, Gray; guards, Valos, Echinique; center, S. Rossi; quarterback, Merlo; halfbacks, McArthur, Jessop; fullback, Bailey.

## SPORTS

## Passing in Review

By JACK KITCHEN

WHO—Santa Barbara vs. Cal Tech.

WHAT—Football game.

WHEN—Tonight, 8:00 p.m.

WHY—To determine the winner.

Well folks that is all the facts we know to date but come around about 10:30 tonight and see what we have to say.

About the two clubs: first, Cal Tech—a very light but fast and powerful team with a surprise always up their sleeve. Santa Barbara—rated by leading sportswriters as one of the toughest, fightingest football clubs in the Southland this year and potentially a top-rater among all the small college elevens of the West.

Tentative line-ups will probably be as follows:

Cal Tech		Santa Barbara
Lawson	REL	Mulock
Weight 165		Weight 185
Wetmore	RGL	Fredberg
Weight 165		Weight 225
Brown	C	Hart
Weight 175		Weight 225
Mann	LGR	Hayman
Weight 157		Weight 208
Van Horn	LTR	Busby
Weight 175		Weight 225
Griffiths	LER	Young
Weight 162		Weight 209
Smith	Q	Pollock
Weight 150		Weight 178
McLean	LHR	Yeager
Weight 149		Weight 175
Miller	RHL	Morelli
Weight 162		Weight 156
Rowell	FB	Sanderson
Weight 176		Weight 190

Despite the fact that the figures show a decided weight advantage in favor of Santa Barbara we must remember that Cal Tech is also aware of the conditions and will be fully prepared to spring their well-known surprises—but we shall see and hope for the best from the team whom we consider the BEST.

## Con Las Amazonas

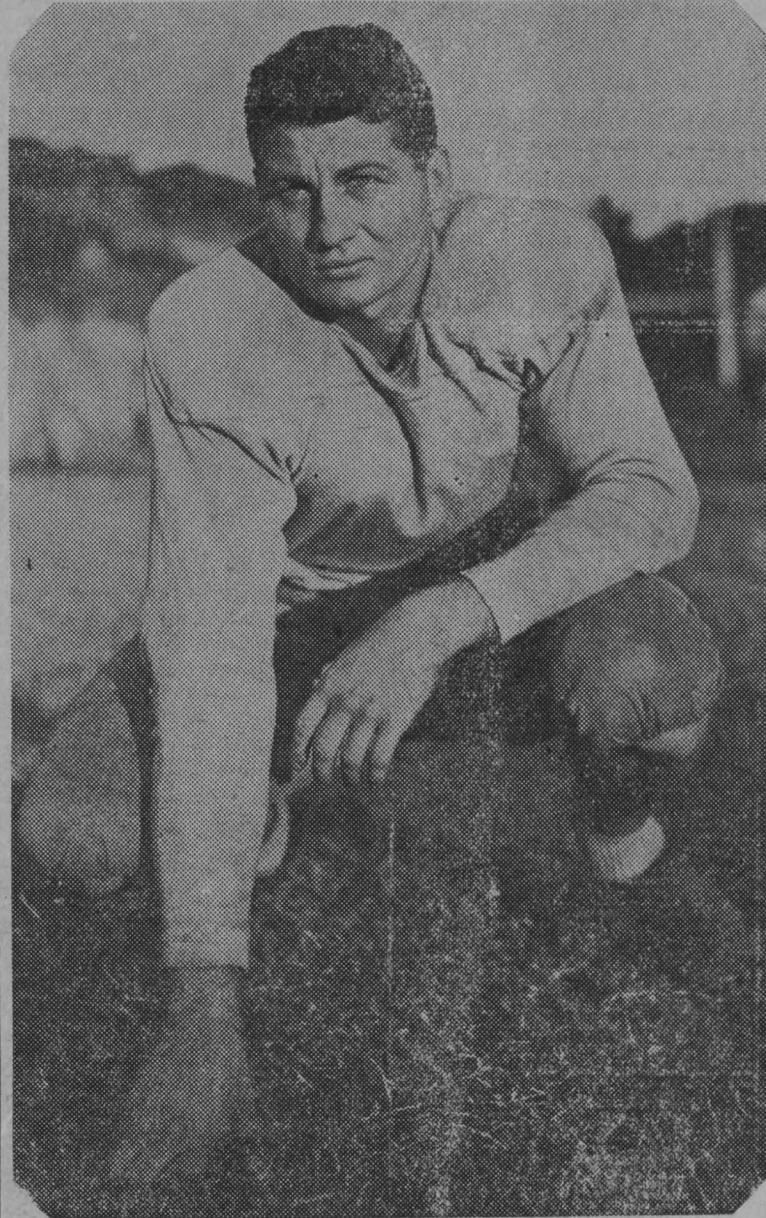

By BETTY CLARK

Forty-five to fifty women have turned out for hockey, the first sport offered this semester for the first nine weeks. Lucille "Tiny" Garman is the new manager of this sport. It is hoped that more women come out for hockey.

The following women are the managers of the major sports offered to the women of the college: archery, Kay Grow; tennis, La Rue Steelesmith, dancing, Olive De Motte; hiking, Jean Goss; volleyball, Rosie Pagliotti; and baseball, Ruth Hooker.

Archery, table tennis and badminton have also started in the gymnasium.

## Dan Mulock

## Opener Finds Mulock Ready for Strenuous Grid Season

## Regular End Returns Despite Injured Ankle for Second Season

By ESTELLE STRAY

In the Cal Tech game tonight a great many people will be watching Danny Mulock display his excellent brand of football in the line. This is his second year as end on the varsity and he has always turned in a stellar performance in every game.

Danny came to the Gauchos from Bakersfield where he played for Bakersfield High school, two years on the lightweight team and two years for the Drillers. In 1934 he came to State and played for the Frosh in an end position, where he has always played. He is exceptionally good as a line charger, putting many an opposing tackle out of the way and running interference for our all-conference half-

back, Bob Morelli. His work on defense is superb; he is a clean player and indeed an outstanding one. His steady, dependable playing rates

## Gauchos Await Opening Signal

## Spud Harder Presents His Gauchos to Critical Public View

By TERRY HILL

When the starting whistle blows tonight at Pershing Park Coach Spud Harder will be presenting to the critical public eye his latest and best edition of the Gaucho football machine.

For the first time in State's history good material is three deep in each position and every man is fighting hard to get first call. At left end, Mulock, a hard fighting letterman will be ably assisted by Erbs and Willis both seasoned players. "Man Mountain" Fredburg will cover the left tackle post like the proverbial ten; but he will be closely pressed by Poole, "Cutie" Twaddell and Ingram. Left guard Doug Oldershaw, well known throughout the conference for his crashing style of backing up the line, will be ably supported by Hale and Stocktil, both veterans. At the center post, Don Hart, gets the call with Jack Joseph and Woody ready to step in.

On the right side of the line Hayman will hold down the guard position but lettermen Gardner and Trotter will see plenty of service. Another little man will cavort at right tackle namely Pewee Busby with Voorhees and Gilkerson a couple of big tough boys in reserve. Al Young, the pass snagging right end, gets first call; although this is his first year at State he is a Jaysee veteran and was all conference choice. Both Seeley and Phillips will see plenty of service at this position.

The famous all-conference backfield consisting of Pollock, brainy quarter, "Scooter" Bob Morelli and "Flash" Yeager at halves and two year letter man Sandy Sanderson at fullback will get the starting call. This we known aggregation will be replaced when necessary by Swanson and J. Monson at quarterback; Toolie Palmer and Lee at left half; Jack Smith and Johnson at right half; and at the fullback post Freddy Monson and Gardenshire.

him as one of the best ends in the conference and his power will always find him a place in the line.

# Alpha Thetes Plan Hay-Ride

## Dillehunt and Garman Head Committees for State Homecoming Day

Plans for a hayride and barn dance to be given October 10 were discussed by members of Alpha Theta Chi, social sorority, at their last meeting.

Cecile Dillehunt was appointed chairman of a committee to handle the sorority float for the Homecoming parade. Lucille Garman was placed in charge of Homecoming open-house.

Blanche Steward, alumna, was guest of honor at the meeting, which was held at the home of Bettie Walker, sorority president. Those present were Ann Seymour, Cecile Dillehunt, Myrna Jullien, Barbara Sharp, Virginia Biller, Catherine Westaway, Evelyn Warner, Madge Bunch, Rena Saccanaghi, Lucille Garman, Mary Alice Halferty, Dorothy Weber, Alice Lamb, Margaret Duncan, Barbara Putman and the hostess, Bettie Walker.

## Social Group Elects McCullough Prexy

Ruth McCullough was elected president of the Gnome club at a meeting held at the home of Miriam Turton and Jean Leive on Monday evening. Jean Gordon, who was elected for the office at the close of school last year did not return.

Other officers serving this semester are Barbara Bennett, vice president; Jean Leive, secretary;

## Statements by the POWERS THAT BE

Anyone wishing to sign up for a golf class with one or one half unit credit, please see Hal Davis, director of athletics, or Allistair Anderson. Hours will be arranged.

Towels for men enrolled in physical education classes can be obtained on Monday, second, third, fourth and eighth hours; Tuesday, first, third, fourth, fifth and eighth hours; Wednesday, second, third, fourth, fifth and eighth hours; Thursday, first, third, fourth, fifth and eighth hours; and Friday, fifth and eighth hours.

Students are asked to have their ten cents ready to pay at the gate for the football game in order to avoid confusion. Any person using another person's student body ticket, will be asked to forfeit the student book immediately. Signed—Fred Lam-bourne, finance committee chairman.

All Students wishing to drop a course from now on, must do so by petition. No courses may be dropped after October 2.

JANE MILLER ABRAHAM, Registrar.

Kathryn Bowers, treasurer; and Verna Wilber, social chairman.

A social is being planned honoring the girls who have already signed the slip in Dean Bennink's office.

## Soph Squires Hold First Org Parley to Discuss Plans

With the sale of Frosh beanies showing a definite rise, members of the Sophomore Squires held a meeting at the Beta Sigma Chi house Tuesday evening to discuss Freshman problems and plan their management of megaphones for the rooting section at the Cal-Tech game.

The group is cooperating to the fullest extent with the Junior Knights and the Block "S" society, in maintaining campus traditions. Sweaters for the group will be ordered soon. Don Roland is acting as president pro-tem for the organization.

## Delta Phi Fraternity Discusses Initiation

Meeting in the Gauchito Club for a pot-luck supper, members of Delta Phi Upsilon, national honorary kindergarten fraternity, discussed plans for initiation of new pledges. Other business of the evening consisted of a report of the convention held at Huntington Hotel in Pasadena this last summer, and the improvement of rituals.

Elizabeth Leonard, president, presided. Others present were Miss Edith Leonard, sponsor and head of the kindergarten-primary department; Miriam Turton, Jane Goslin, Margaret Smith, and Ann Seymour.

## GRADUATES TEACH

Among 49 students graduated from the junior high department last year, 9 have teaching positions, five have gone to universities for graduate work, and one was married.

## Fox Gives Passes to Lucky Staters

Attention students! Two students whose names are hidden in the ad space of El Gauchito each week will receive passes to be good the week of publication.

In addition, students may obtain a new rate at the Fox Arlington theater. With a student body book, students may sit in the loges for 40 cents and in the orchestra for 30 cents on all nights except Saturday, Sunday and pre-views.

The manager reserves the privilege of cancelling the above rates for special performances.

## Gamma Delta Chis Announce Sorority Officers for Year

Gamma Delta Chi, social sorority, met at the home of the president, Jean Goss, at 814 Pedregosa street, last Monday for the first meeting of the year.

With Jean Goss as prexy, the sorority announced Dorothy Watson, vice president; Velma Jean Jones, treasurer; Nancye Clapp, pan-hellenic representative; Helen Andrews, rush captain; and Blanche Baker, historian.

Plans for future activity were discussed, and the meeting closed with the singing of college songs.

Those present were Miss Helen Sweet, Mrs. Paul Miller, sponsors, Miss Florence Longawa, Mrs. Ned Porter, alumnae members, Dorothy Watson, Jean Goss, Velma Jones, Nancye Clapp, Helen Rogers and Frances Waring.

## DALTON TEACHES

Miss Louise Dalton, Gamma Delta Chi, '36, has obtained a position in the Los Alamitas school near Long Beach.

regular sorority meeting. Evelyn Braman and Irene Baptiste will tell of their trip to St. Louis.
