SUMMER SESSION

July 31, 1958

GOLETA, CALIFORNIA

## TO 1958 SUMMER SESSION STUDENTS

### NATURE STUDY INSTITUTE

Two units of upper division credit in biological sciences may be earned by those with a teaching credential or bachelor's degree at the Institute of Nature Study and Conservation, which opens a two-week program Monday, August 4.

Headquarters for the field classes in several areas of nature study will be the Museum of Natural History in Santa Barbara. University Extension sponsors this institute for which \$35 is charged. For application forms and information, contact the UC Extension office, 129 E. Carrillo St., phone 2-9118.

### FOLK DANCERS SLATE CONFAB

The Folk Dance Federation will be the final conferees to take over Santa Rosa Hall this summer, with their annual week-long conference scheduled Aug. 24-30. With a roster of nationally known dance instructors, the Federation gathers for a marathon of practice and study of dances from almost every nation.

Anyone interested may join the conference regardless of previous dance experience. One semester unit of upper division credit is allowed. Applications and information may be obtained from University Extension, 129 E. Carrillo St., Santa Barbara.

### NOTICE TO VETERANS

P. L. 550 and State (CVEI) veterans are reminded to sign their vouchers in the Dean of Students Office on Friday, August 1 to insure getting checks on time. Remember again, no voucher, no check!

### TO 1958 SUMMER SESSION STUDENTS

This week concludes what we believe to have been a most successful summer session. We hope it has been successful for you.

Plans are already underway for next year's session, where we expect to have a more comprehensive program than this year. Much of the planning will be based upon the results of the questionnaires you have filled out. Until a detailed study is made of these, specific programs cannot be announced.

As soon as our announcements are ready for next year's session, we will send you a copy and hope that you can be with us again. If you have any specific suggestions or ideas concerning our future planning which were not indicated in the questionnaires, I would be very happy to hear from you.

You might be interested in knowing that next year, if the Regents approve, instead of an overall fee for any work up to six units, we will charge a stipulated amount per unit. On a trial basis, Santa Barbara will be the only campus of the University of California to offer this plan.

I wish you every success and sincerely hope that you join our summer community again.

LEWIS F. WALTON  
Director of Summer Session

### HANDICRAFT EXHIBIT

Various handicraft processes will be on display Thursday, July 31 in Bldg. 429, room 210 between 10 a.m. and 4 p.m. The exhibit is the work of elementary school teachers who have developed the projects in class as teaching aids. Such items as flannel boards, weaving samples and puzzles will be included in the display.
