Carpinteria to Join County in World's Fair Display

W. H. James, secretary of the Chamber of Commerce, will attend a luncheon held in Los Cruces Tuesday to receive the name of the next member of the Chamber of Commerce organizations in the county, for the purpose of further formulating plans for the County's participation in the World's Fair. Mr. James, a resident of Carpinteria, is a well-known public official and has been active in the development of the town.

The membership of the Chamber of Commerce in the city is growing rapidly, and it is expected that the town will be well represented at the fair.

The name of the next member of the Chamber of Commerce will be announced at the luncheon, and the plans for the fair will be discussed.

The fair will be held in Los Angeles, and it is expected that the town will send a large delegation to attend the event.

Carpinteria to be Paid Visit by Fair Hostesses

The four young women who will act as hostesses for the Misses of the World's Fair will be in Carpinteria Sunday afternoon and will stay at the Carpenter Hotel. They will also attend a luncheon in the town.

The hostesses will be Mrs. H. A. Smith, Mrs. J. A. Miller, Miss M. J. Miller, and Miss M. J. Miller, all of whom are members of the Women's Business Council of the town.

The hostesses will be received by the mayor and will be shown around the town.

Public Address System to Be Installed in New School

The Carpinteria Grammar School will be completed, according to schedule, by May 1, barring any unforeseen difficulties, according to reports from the site of dedication ceremonies and removed in the new building will be announced as soon as possible.

The new building will be equipped with a public address system to be installed in all rooms in the building which will serve as radio, public address system, and intercommunication system for the school. The installation of such a system along with the light control in each room will assure Carpinteria of the most modern educational plant to be found anywhere in the State.

PRODUCING FOR USE
"Business wants relief from the cost of relief on the present cash basis. Business wants to get away from our present present distress because there may be no balance budget as long as the existing system continues!"

With that as his text, H. Dewey Anderson, State Representative for the County of Santa Barbara, February 23, 1937.

The bold experimenter which proposes to take over factories, put the jobless to work, manufacturing clothing, canned foods, handling farm produce, and distributing these commodities to all California's unemployed, therefore the children of God! therefore the church is fail­ ing its objective.

The reduced rates, which include the Youth Fellowship hour at 6:30 and 7:30 p.m. on Sunday, are sure to welcome all!

LADIES' FIELD MEET ALONG GRANADA STREET
The Michigan Avenue locomotive will bring the horseless coach and the first ladies for a visit to the California Horse Show, May 18, 1939.

CHRISTIAN SCIENCE LECTURE RADIOCAST
Local radio listeners may hear an authorized Christian Science lecture on Tuesday, January 31, at 12:15 noon, when Paul A. Harsh, C. B. M. S. of Toledo, Ohio, a member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, will lecture on "Kephart Covenant and Mercy with them that love him and his commandments to the end, and with the vision of those that keep his peace.

The lecture presents this verse from Deuteronomy: "Know the Lord thy God; that test is the spiritual development for the ministry... and therefore He is divine Principle.

THE CARPINTERIA CHRONICLE

THE ONE HUNDRED DAYS
Politics is a great producer! From now on until the end of the State Legislature, every day will be introduced into the Senate and Assembly! At the last regular session, no less than four thousand bills were introduced! There is reason to believe the quota will be higher as the present hundred days of activity on the political battlefronts.

With a sizable deficit prompting new inheritance and income taxes, and not with a state "New Deal" program ambitious to grasp with labor relations, health insurance, pensions for the needy and aged, and ways of beating down a $10,000,000 relief burden.

A fraction of these 4000 measures forecast will display enough merit and honest worth to run the legislative gauntlet from the committee rooms to the Gov­

CHRISTIAN SCIENCE SOCIETY
Christian Science Society, Carpinteria, a branch of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., offers service every Sunday at 11 a.m. and 6:30 p.m. Meeting of the two services every Wednesday evening except Saturdays. We invite you to come and enjoy this with us. See article in this paper.

CHRISTIAN SCIENCE COMMUNITY CHURCH
Rev. Deane F. Rubbels, Pastor
"Be True No Matter What Others Say" is the theme of the Sunday School Lesson for the Community Church School tomorrow. There is a class for you. Christian believers speak of God with assurance. He is God, our Father, and He is "Truth." He is our Spiritual Father.

Miss Nadin Cook will conduct the Youth Fellowship hour at 6:30 in the McKinley Chapel of the Church, "My Place and My Life" is her subject. Young people learn stronger Christian lives when they fellowship together in the presence of the Divine Spirit and know that the original sketch had a perfect five-pointed star with assurance. He is God, the faithful God, which he is God, the faithful God, which therefore that the LORD thy God, keepeth covenant and mercy with them that love him and his commandments to the end, and with the vision of those that keep his peace.

Ten to one the 76th Congress will hodge out of that investigation in a way that will make the business of more current nature—like the man from Illinois who is ready to make the new relief budget. But their real reason won't be hard to determine. The American people, including all members of the Congress, like that kind of thing. They know that no matter what Mr. Gottlieb, you're stuck with it.

SEIZURE OF TIDE LANDS OPPOSED BY HOLLISTER

State Senator J. James Hollister of Santa Barbara County maintains support in the upper house of the Legislature to Senate Joint Resolution No. 4 relative to the seizure of the title to lands and tidelands bordering upon the various states of the Union. According to Senator Hollister, legislation has been introduced in Congress, particularly Senate Joint Resolution No. 24, introduced by W. R. Senator Gerald P. Nye wherein it is asserted that the Federal Government possesses the title to or holds an interest in submerged lands and tidelands bordering upon the various states of the Union, and it is proposed to direct the Attorney General of the United States to institute legal actions in the Courts to litigate such asserted titles and interest.

Any such litigation will be bound the rights and titles of the respective states, prejudice their progress in developing such lands in a profitable manner, and destroy the legal rights of the states to the same. The states have by necessary steps to assert their rights to the tidal boundaries of their lands. It is the function of the Federal Government to act in the interest of all of the states and establish a title to the tidal lands not inconsistent with the rights of the states. A bill to prohibit operation of a motor vehicle in a manner which permits escape of excessive or unnecessary smoke, gas, oil or residue from fuel was recently approved by the appointed Advisory Committee on Motor Vehicle Legislation for submission to the Legislature, it is said.

Once a law, this ban was dropped when refinements in motor vehicle operation so that the provision is again deemed essential. There is no legitimate excuse why motor vehicles should throw out excessive smoke or gas, it is stated. It is principally a matter of education. Complete combustion engines and engines with de-gasser units for complete elimination of fumes from the vehicle's own power plant, the club notes. The equipment cuts out raw notes. The equipment cuts out raw exhaust fumes and, along with the advances in scientific knowledge, the club notes, has made the present smoke laws unnecessary.

BILL WOULD BAN EXHAUST SMOKE

FOUNDER OF AIR LINES TO BE HONORED TONIGHT

The thrills and hazards of aviation a quarter of a century ago will be related this evening, as a gathering is to be held in the Los Angeles Elks Club to commemorate the twenty-fifth anniversary of the founding of the first commercial air-line in America.

The affair will be under the auspices of the Southern California Chapter of the National Aeronautic Association and will pay distinctive honor to P. G. B. "Bud" Morris, the only living officer of the company which made this first air line possible.

Mr. Morris, now manager of the Hotel Club in Los Angeles, has thousands of friends throughout California and because of this an unprecedented number of civic professional and commercial organizations are co-operating with the aeronautic group as co-sponsors of the banquet and ball.

Sending the list of civic groups is the Southern California Citizens' Committee under the chairmanship of Byron Hanna. Members of this committee include Judge James K. Lytle, President of the State Parent-Teachers' Association; Emile H. Henry, President of the Manufacturers and Merchants Association; Harvey Sherman, President of the Los Angeles Central Labor Council; P. J. Maher, Mayor of Santa Barbara; Dr. W. T. Moreland, President of the Southern Californian Building and Loan Association; Dr. William Daniel, President of the Medical Association. A series of Short Talks will be given by such men as Dr. George Redbird, who will deliver the love and sermons which men and women in every walk of life hold for "Bud" Morris will follow the dinner. There will be a program of musical numbers.

Even Diesel-motored buses and trucks are being equipped with de-gasser units for complete elimination of fumes from the vehicle's own power plant, the club notes. The equipment cuts out raw notes. The equipment cuts out raw exhaust fumes and, along with the advances in scientific knowledge, the club notes, has made the present smoke laws unnecessary.

Hundreds of Home and Farm Helps

Each issue is chuck-full of helpful suggestions, practical saving money by finding new uses for discarded equipment. Do you want to cut your home or farm repair bills? Can you make inexpensive home improvements? Are you saving money by finding new uses for discarded equipment? Will you not want to miss:

"Save That Old Chair, Re-cane it Yourself"

"Cementing Glass, Metal and Celluloid"

"Build a Serviceable Low Cost Motor Boat"

"Save That Old Farmer's Tool"

"Combining Glass, Metal and Celluloid"

"How to Build Your Own Tractor"

"How to Build Your Own Tractor"

"How to Build Your Own Tractor"

Irish Evangelist because of the fact that he was born and reared in Ireland and emigrated to America at the age of nineteen. At that time he sought material gain and pleasure, but shortly after coming to the states he was converted and later called to preach the gospel. In preparation for the ministry Rev. Gibson graduated from Asbury College and Asbury Theological Seminary in Wilmore, Kentucky. He is an ordained minister in the North Indiana Conference of the Methodist Church.

Rev. and Mrs. Gibson have preached and worked extensively through England, Ireland, Canada and the U. S. A. They also have toured Belgium, Holland and France. The Gibson's are permanently located in the Evangelistic Field and have been called to return to the same church for five consecutive years for evangelistic campaigns which bespeaks the effectiveness and nature of their ministry.

All residents of Carpinteria are extended a cordial invitation to be present at any of all of the services.

FAMED EVANGELIST TO HOLD SERVICES AT M. E. CHURCH

Beginning next Tuesday evening, and continuing through Sunday evening, Feb. 12, evangelistic services will be conducted at the Carpinteria Methodist church by Rev. James Gibson, "The Irish Evangelist."

Rev. Gibson and Mrs. Gibson closed a very successful meeting in Noviwalk two weeks ago and are now engaged in conducting services in the Epworth Church in Los Angeles.

Rev. Gibson has been called the "practical" unusual entertainment provided by a committee from the studios headed by Leroy Prins. Dancing will follow the dinner.

THIRD CHILDREN'S PLAY AT LOBERO THEATRE MONDAY

Colorful costumes and scenery, real live actors and well-known stories undoubtedly presented were the three chief reasons cited by children to explain why they like the Clan Tree Major Children’s theatre, which will be seen on January 30 at the Lobero theatre in John Ruskin’s “The King of the Golden River.”

Tickets for this play, perhaps the most popular in the repertoire of the Children’s theatre, are on sale at the Lobero box office. The performance is scheduled to commence at 2:30 “Cock,” so that children may attend after school.

The story of Gluck and his two selfish brothers is a classic in children’s literature. All the original charm of the story has been retained in the dramatization. A real, live dwarf, dressed in glittering golden costume and wearing a golden beard, plays the King of the Golden River, much to the delight of children of all ages.

Princess Alexandra Kropotkin, daughter of a Russian prince, magazine writer and lecturer, is a good will ambassador of the 1939 California World’s Fair.

Barbara next summer. She is keen on “dance” between pictures. Gladys Swarthout will stay in New York for the opening of her latest picture, “Ambush.” Following that she is scheduled to go on a concert tour through the South. Martha Raye is having wisdom tooth trouble.

FAMOUS BALLET AT FOX ARLINGTON NEXT TUESDAY

This area may now know details of program of ballet which will be presented in Santa Barbara by the Ballet Russe de Monte Carlo at the Fox-Arlington theatre on Tuesday evening, January 31, The Music Branch of the Community Arts Association sponsoring organization, has received from Leonide Massine, artistic director for S. Hurok, a detailed program. This evening of ballet dance will open with “Carnival,” a one-act ballet first produced by Pavlova, Hall, St. Petersburg, Russia, with music by Schumman and Choreography by the famed Mich­ el Fokine. This is known as a pantomime ballet.

“L’Euvre d’Amour” or “Chung Yang and the Mandarins,” a Mex­ ico-Fokine ballet, with Chinese setting is the second selection. A character piece “Spectre de la Rose” by Theophile Gautier will be the third offering. For this Weber has set the romantic number to the music of “Invitation to The Dance.”

“Gaite Parisienne,” a saucy and sparkling French slumber picture of “Le Bon Danseur” ballet will close the pro­ gram. The music is by Jacques Offenbach and the choreography by Leonide Massine, while Anatol Fis­ toulait will conduct.

Tickets for the six appearance in this area of the Ballet Russe de Monte Carlo may now be secured by writing the Music Branch of the Fox-Arlington theatre, Santa Barbara, or reservations may be made by telephoning Santa Barbara No. 25902.

19 STAKES EVENTS TO BE FEATURE OF HOLLYWOOD MEET

With the $50,000 added Hollywood Gold Cup Handicap again heading the list, Jack McKeen, general manager of the Hollywood Turf Club, today released the list of stakes events for the 1939 summer meeting at Hollywood Park.

This year there will be 19 important stakes events. The inaugural meeting last summer only had 12 stakes races. The minimum daily purse distribution has also been increased $400, from $600 to $1,400. The daily purse of $2,000, two races of $1,500, two races of $1,300 and three races of $1,000.

The $25,000 added Hollywood Derby is the most important stakes event during the meeting which runs for 4 days, starting June 1. Here again the prize money has increased $10,000 to the $25,000 offered last year.

The Gold Cup Handicap and the Hollywood Derby will be over a mile and a quarter distance. The Gold Cup will be run Saturday, July 2, and the Derby, Saturday, July 4.

The 19 stakes events, in chronological order, are as follows:

The Hollywood Handicap, June 1, 1939, 3-year-olds and upwards. Entries close May 27, 1939, 1 mile and a quarter, $10,000 added.

The Los Angeles Handicap, June 3, 1939, 5-year-olds and upwards. Entries close May 27, 1939, 1 1/16 miles, $10,000 added.

The Santa Monica Handicap, June 7, 1939, 5-year-olds foaled in California. Entries close June 3, 1939, 6 furlongs, $3,000 added.

The Long Beach Handicap, June 10, 1939, 5-year-olds and upwards, fillies and mares. Entries close June 3, 1939, 1 mile, $5,000 added.

The Bel Air Handicap, June 14, 1939, 4-year-olds and upwards. Entries close June 10, 1939, 7 furlongs, $3,000 added.

The Hill Rogers Memorial Handicap, June 17, 1939, 3-year-olds and upwards. Entries close June 10, 1939, 6 furlongs, $7,500 added.

The Beverly Hills Handicap, June 21, 1939, 3-year-olds foaled in California. Entries close June 17, 1939, 1 mile, $3,000 added.

The Mobile Hills Handicap, June 24, 1939, 3-year-olds and up. Entries close June 17, 1939, 6 furlongs, $7,500 added.

The Ladies Handicap, June 28, 1939, 5-year-olds fillies. Entries close June 3, 1939, 5 furlongs, $3,000 added.

The Golden State Breeders’ Handicap, July 1, 1939, 3-year-olds and up. Entries close June 3, 1939, 5 furlongs, $3,000 added.

The Wilshire Plate, July 26, 1939, 3-year-olds and upwards. Entries close June 3, 1939, 1 mile and a half, $15,000 added.

The California Handicap, July 29, 1939, 3-year-olds and upwards. Entries close July 24, 1939, 1 mile and a half, $15,000 added.

The California Breeders’ Sales Stakes, July 5, 1939, 3-year-olds and upwards. Entries close June 3, 1939, 5 furlongs, $3,000 added.

The Alcazar Handicap, July 25, 1939, 3-year-olds and upwards. Entries close July 26, 1939, 2 1/2 miles, $3,000 added.

THE WEEK’S SPORTS

CITY SLICKERS MATCHED IN FRAY AT MAC TONIGHT

Perfect Score Made in Shoot
At State Park Range Sunday

Performing that feat which is the goal of all marksmen, L. L. Flan of Santa Barbara captured first place and the Hyvas Trophy for two shots at the state park range last Sunday by making a perfect score of 500 out of 600, shooting at 100 yards with telescope sights. Flan’s nearest competitors were Charles Highen and Henry Green, who scored 417 and 404, respectively. Others competing and their scores were as follows:

In the afternoon meet, George Wurdin of Santa Barbara unmarried the Iron sight event in a close contest. Shooting with handicap, Wurdin scored 409, with F. E. Knowles second with 409 and Ray Bennett third with 399. Leo Peterson was fourth with 358.

In the following event, H. Griffith 394, W. Wood 392, A. Morganfied, V. Plank 391, R. Houstad take 4th place with 387, V. Hibiege 387, V. Corielle 387.

The afternoon meet was the first in a series of three shoots for the Rug Gland gun club. The next shoot will be held in February with the final contest set for March.

GAIL LIKES LAW

Playing a woman attorney on the screen for the first time in Paramount’s “Legends”, which is making a hit in New York, has interested Gail Patrick, University of California graduate, who has just graduated from law school and is discovering in it again for spare-time reading.

Jesse James, Greek junior heavyweight, to top off the all-star card, has signed the Spectacular Pat “Popo” O’Brien as referee.

The following report on the lemon market appears in the current issue of the Stockton Citizen.

During the first half of December, nothing occurred to create anything but an average demand for lemons. The weather was generally mild and open in most sections of the country, with very little sickness reported. Around the middle of the month, much colder weather developed and many markets reported some cases of colds and flu. While far from the epidemic stage, this condition, together with the higher demand and increased consumption due to the demand for lemons at the retail level, has created an increase in the price of lemons.

"The estimated figure submitted today, which will not be changed more than a couple when final reports are tallied, indicates California has had the best traffic year in four since 1934," said Chief Cato.

The greatest number of reductions were on the rural highways and reports indicate the lowest death rate on these roads in the last ten years, or since the organization of the Patrol.
