NUMBER 48

Purposes of Zoning Ordinance Discussed In Series of Articles

The following is the first of a series of articles dealing with a proposed zoning ordinance covering the Carpinteria district.

This statement is issued at the request of the Carpinteria Chamber of Commerce as an aid to a better understanding of the proposed plan for creating various use districts in Carpinteria Valley.

Carpinteria Valley a Community Unit

Carpinteria Valley is a community unit in every sense. It has natural boundaries which define its limits very clearly and within those limits embraces all the elements of a well balanced, self contained area.

The town of Carpinteria is the center of this community. It is the center of the population, in which most community activities take place. It is the business and social center, the railroad and highway distribution point.

Surrounding the town is a rich agricultural area upon which to a great degree the town depends. This area has been developed over a long period of years and large investments have been made here. These, in turn, have made the valley a valuable part of Santa Barbara County where property values have consistently maintained high levels and have paid dividends on the high quality development which has taken place.

Carpinteria Valley has developed as a community of homes and ranches. This is obviously its highest and most effective use. It is not and probably will never be an industrial area, nor will it become a great business metropolis.

Recognizing these facts, the people of Carpinteria Valley then, are interested in continuing this natural development to serve its purpose most efficiently.

Drift to the Open Country

People who like to live in Carpinteria Valley, because they like

BOY SCOUTS WIN HONORS IN FIRST AID COMPETITION

On Friday, January 20, ten boys of the Carpinteria Troop No. 1, journeyed to Santa Barbara to take part in the annual Mission Council First Aid Contest. The boys were unusually successful in winning two "B" banners for proficiency in their first aid work. Two patrols took part, the Rangers and the Schads. They won 846 and 866 points respectively out of a possible 1000.

Those boys who accompanied Scoutmaster Kent were: James Amos, Bennie Alvarado, Sei Dyo, Bill Hohman, Les Johnson, Ted Storr, Alvin Anderson, Dick White, Jr. White, Robert Whitcomb.

In celebration of Boy Scout week starting February 8, the high school Boy Scouts will put on a special assembly featuring moving pictures and a play. A special speaker is being furnished by the Boy Scout office.

cape the congested streets, high rents and taxes, noise, increasing business pressure and other objectionable conditions of the city. They enter the country for the purpose of enjoying qualities which the country offers in abundance. Modern inventions have made civilized life in the country possible, but unfortunately, as matters now stand, there is often little assurance that those qualities which have superior value and which men buy property to enjoy will be preserved.

This has become evident in the growth of Carpinteria to some extent. Some of the disagreeable complexity which is evident in many of our cities has grown up in unincorporated territory due largely to the same modern conveniences which have made the

(Continued from page 8)

CARPINTERIANS TO GRADUATE FROM S. B. STATE

Miriam Hendy Henderson, daughter of Mr. and Mrs. J. H. Hendy of Carpinteria, will be among the February graduates of Santa Barbara State College, according to the graduate lists released this week. Miss Hendy, a graduate of Carpinteria High school, has been a member of the Elementary Education department of the college throughout her career here.

Another Carpinteria student recently honored at Santa Barbara State is Carl Jorgensen, son of Carl C. Jorgensen of Foothill Road. Jorgensen won himself acclaim here for this dramatization of Mr. Craig in the recent college theatre production of "Craig's Wife." He has also starred in other college dramatic presentations, including Macbeth, the summer session production of Midsummer Night's Dream, and others. Jorgensen is a member of Tau Omega and the Player's Club.

C. OF C. MEETING CALLED FOR FEBRUARY 2ND

The membership of the Carpinteria Valley Chamber of Commerce and the officers and directors will meet next Thursday evening, Feb. 2nd at 8:00 p. m. in the reception room of the Veterans' Memorial building.

The chief business of the evening will consist of a report from the zoning committee and a report from the constitution committee concerning an amendment in regard to changing the meeting nights.

Dave Safwenberg, president of the organization, and W. H. James Secretary, particularly request that every member who possibly can attend this meeting in order that many more may become acquainted with what the organization is doing to benefit the Carpinteria Valley and its citizens.

LIQUOR LICENSE DEADLINE NEARS

On-sale liquor licensees in Southern California who have not applied for renewal of their licenses, which expired on December 31, are warned by William G. Bonelli, member of the State Board of Equalization, that licenses are now under suspension.

Reinstatement may be made within 30 days by filing application for renewal with the board, together with payment of the license fee plus a delinquency penalty not to exceed 25 per cent.

Licenses not reinstated in 30 days are automatically revoked and selling liquor thereafter is a misdemeanor punishable by heavy fine or a jail sentence or both.

Local Drive for Infantile Paralysis Fund in Progress

CARPINTERIA TO BE PAID VISIT BY FAIR HOSTESSES

The four young women who will act as hostesses for the Mission Trails Association at the World's fair, and who are now on a tour of the coast area which they will represent, will visit Carpinteria on Saturday afternoon and will be at the Chamber of Commerce office about 4:00 p. m.

The young women are scheduled to arrive in Santa Barbara on Friday and after touring the northern end of the county will be guests of honor at a dinner at El Paseo on Friday evening. After a luncheon at the Samarkand hotel on Saturday they will tour Montecito and reach Carpinteria via the Foothill Road. While in Carpinteria they will visit the beach, lemon packing houses and local hostels associated with the Mission Trail's organization.

The object of the tour is to give the hostesses first hand information regarding recreational facilities, tourist accommodations and chief agricultural products or industries of communities represented by the Mission Trails organization so that they may be able to give accurate and detailed information to inquiries received during the course of the fair.

GRAMMAR SCHOOL STUDENTS MAKE TRIP TO SOUTH

Pupils from the seventh and eighth grades were taken on a field trip to Los Angeles Sunday by their teachers, Miss Vivian Rodriguez and James Kent making the trip in the school bus. They visited Olivera street, Chinatown, saw the ski exhibitions at Exposition park, visited some of the M. G. M. sets and beaches.

Those making the trip were Jessie May Barrick, Carla Bradbury, Virginia Carpenter, Shirley MacDonald, Joyce Miller, Dorothy Rosebro, Phyllis Southworth, Jean Wullbrandt, Gloria Curtis, Joyce Richardson, Katherine Koehler, Minoru Ota, Kenneth Britain, Sie Dyo, John Jennings, Charles Pierce, John Romero, John Rowe and Raymond Vind.

Public Address System to Be Installed in New School

The Carpinteria Grammar school will be completed, according to schedule, by Feb. 15th, barring any unforeseen difficulties, according to latest reports and the date of dedication ceremonies and removal of the new building will be announced in the near future.

Bids are now being advertised for a public address system to be

Carpinteria residents may now join in "The March of Dimes" drive to raise funds for the study control and rehabilitation of victims of infantile paralysis according to Dave Safwenberg, chairman of the local committee which includes C. B. Franklin and Mrs. Emma G. Wood. Buttons bearing the words "Fight Infantile Paralysis" may be secured at the bank, both packing houses, all schools and at Van's and Safeway stores.

Fifty per cent of the funds raised will remain in the State and will be turned over to the sectional Advisory Committee and County Chairmen to spend for the correction of physical impairments and for vocational rehabilitation of those suffering after-effects of this disease.

The National Foundation will use its half of the fund to continue research and epidemic relief activities looking to eradication of infantile paralysis. As a part of this work the National foundation has already allocated \$7,000 for a survey that is being made in California to determine how many persons are suffering from the effects of this disease, complete case histories and treatment that has been given. Another important objective of the survey is the vocational results of such rehabilitation work as has been possible. There are in California alone more than 500 rehabilitation cases between the ages of 25 and 35 who would have to pauperize themselves in order to qualify for aid under California laws and the National Foundation is directly concerned with finding means of helping the rehabilitation of these cases.

Each dime contributed by man, woman or child will aid in providing the funds that must be raised if the important work outlined above is to be continued and all residents of the Valley are urged to secure their buttons at once and to wear them until Jan. 30th at which time the drive will end.

SENIORS MAKE TRIP TO SNOW ON DITCH DAY

Seniors of the high school, accompanied by their sponsor, Miss Elizabeth Platt, motored to the Los Angeles playground yesterday and spent the day in the snow as their annual "ditch day." Those taking cars were Edwin McKnight, Rev. Deane F. Babbitt, C. E. Neuman, J. L. Fraga, David Cummings and James Barker.

Carpinteria to Join County In World's Fair Display

W. H. James, secretary of the Chamber of Commerce, will attend a luncheon held in Las Cruces Inn today for secretaries of all Chamber of Commerce organizations in the county, for the purpose of further formulating plans for the County's participation in the World's Fair. Eugene E. Kellogg, agricultural commissioner, is to be present to assist in the selection of products which best represent each community within the county.

The last meeting of this group was held on Jan. 12 at Las Cruces Inn, at which time it was announced that Santa Barbara County Exhibit Days at the fair would be April 15th to 30th, July 15th to 31st, October 29th to November 12th and that Santa Barbara Coun-

ty days would be held during the exhibit days. It was decided that Carpinteria, Lompoc, Santa Maria, Solvang and Santa Barbara have colored 16mm motion pictures available for use in the Exhibit Room during the Exhibit Days and suggested by Mr. Kellogg that exhibits feature flowers, motion pictures and recreational facilities and that each city furnish samples of its principal product such as lemons from Carpinteria, flower seeds from Santa Maria, flowers and flower seeds from Lompoc, Danish music from Solvang and Spanish music and Entertainment from Santa Barbara. Plans also call for a supply of literature to be made available by each community for distribution during the fair.

PRODUCING FOR USE

"Business wants relief from the cost of relief on the present cash basis. Business wants to get away from the staggering costs of the present dole system because there can be no balanced budget as long as the existing system continues!"

With that as his text, H. Dewey Anderson, State Relief Administrator, sets the stage for California's debatable excursion into production-for-use.

Before launching the State into this \$100,000,000 experiment, it is to be hoped that Administrator Anderson will institute thorough and exhaustive studies of its probable effects on business, labor, and private enterprise. An impartial survey is essential. If the large and continuing costs of providing unemployment relief threaten on occasion, to put us on the frying pan, let us make sure a new "solution" does not make us leap into the fire!

The bold experiment which proposes to take over factories, put the jobless to work, manufacturing clothing, canning foods, handling farm produce, and distributing these commodities to all California's unemployed, faces these challenging questions. Will production-for-use goods, distributed free or at half price to thousands of jobless, hurt the sales of private enterprise? Will unemployed-operated factories break down the prevailing rate of wages? Where will production-for-use logically end? Its beneficiaries, as now planned, would not only include unemployed, but the aged and all others now receiving State aid. Would its net effect depress business and private employment so far as to leave them in worse condition?

These are serious questions that must be met. Administrator Anderson recognizes some of them. Unless California studies them earnestly, we may seemingly rid ourselves of one evil—in exchange for worse ones!

THE ONE HUNDRED DAYS

Politics is a great producer!

From now on until the end of the State Legislature's present session, an average of forty measures a day will be introduced into the Senate and Assembly!

At the last regular session, no less than four thousand bills were introduced! There is no reason to believe the quota will be diminished during the present one hundred days of activity on the political battlefronts.

Not with a sizeable deficit prompting new inheritance and income taxes, and not with a state "New Deal" program ambitious to grapple with labor relations, health insurance, pensions for the needy and aged, and new ways of beating down a \$1,000,000,000 relief burden.

A fraction of these 4000 measures forecast will display enough merit and honest worth to run the legislative gauntlet from the committee rooms to the Gov-

The Churches

Carpinteria has a number of Churches, whose pastors and members will be glad to welcome you to their services.

METHODIST CHURCH

Rev. John J. Woodson, Pastor

10 a. m. Church school. A class for every age and a competent instructor for every class. As the church is responsible for the religious education of the children, the church school is the church by educational methods seeking to realize its objective.

11 a. m. Sermon by the Rev. C. P. Moore. Rev. Moore having been pastor here for several years endeared himself to many people in this community who will appreciate another opportunity of hearing him. Come and bring your friends.

6:30 p. m. Meeting of the two leagues. As pastor we appreciate the interest being shown by the young people in the leagues. Loyalty is natural to young people. We see it in loyalty to the team, the fraternity, the college. Volunteers for crusades have always been most easily found among young people. Religiously, it has always been from the youth group that the largest numbers have dedicated themselves to the cause of Christ. Decision for the ministry and mission fields are almost invariably made in youth. Yes, we are proud of our young people.

7:30 p. m. Sermon by the pastor. There is but one test of a church, its organization and method; that test is the spiritual development of the people. Is there a rising tide of spirituality in the community? if so, the church is succeeding. Are the people forgetting God? if so, the church is failing in its task.

Rev. James Gibson, "The Irish Evangelist" and Mrs. Gibson will be with us in a series of meetings from Jan. 31st to Feb. 12th. Every evening except Saturdays. We invite you to come and enjoy this with us. See article in this paper.

CHRISTIAN SCIENCE SOCIETY

Christian Science Society, Carpinteria, a branch of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., holds service every Sunday at 11 o'clock a. m., Sunday School at 9:45 o'clock. Mid-week meetings every Wednesday evening at 8 o'clock.

A reading room is maintained in the church building, open Tuesday afternoons (except holidays) from 2:30 to 4:30 o'clock.

"Love" is the subject of the Lesson-Sermon on Sunday in all Churches of Christ, Scientist. The Golden Text is from the Psalms: "How excellent is thy lovingkindness, O God! therefore the children of men put their trust under the shadow of thy wings."

One of the Bible selections in

CHRISTIAN SCIENCE LECTURE RADIOCAST

Local radio listeners may hear an authorized Christian Science lecture on Tuesday, January 31, at 12:10 noon, when Paul A. Harsch, C. S. B., of Toledo, Ohio, a member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., lectures over KFAC (1300 kc), from Philharmonic Auditorium, for Ninth Church of Christ, Scientist, Los Angeles.

the Lesson-Sermon presents this verse from Deuteronomy: "Know therefore that the LORD thy God, he is God, the faithful God, which keepeth covenant and mercy with them that love him and keep his commandments to a thousand generations." These verses from John's first epistle are also included: "Beloved, let us love one another: for love is of God; and everyone that loveth is born of God, and knoweth God. He that knoweth not loveth not God; for God is love. . . . And we have known and believed the love that God hath to us. God is love, and he that dwelleth in love dwelleth in God, and God in him."

A passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "The starting point of divine science is that God, Spirit, is All-in-all and that there is no other might nor Mind,—that God is Love and therefore He is divine Principle."

THE CARPINTERIA COMMUNITY CHURCH

Rev. Deane F. Babbitt, Pastor.

"Be True No Matter What Others Do." Such is the theme of the Sunday School Lesson for the Church School at 9:45 Sunday morning. There is a class for you.

Christian believers speak of God with assurance. He is that creative Spirit behind and in the universe to whom we are indebted for what is ours. He is "Love." he is "Truth"; He is our Spiritual Father. So completely was He revealed by the Christ that we know Him as Righteousness, Justice, and Faithfulness. Because the Christian hopes for a perfected society where God shall be "all in all," the Pastor will speak upon "The Fortress of Faith" at the Eleven o'clock Worship. Find God in the quiet of his sanctuary. We welcome all!

Miss Nadine Cook will conduct the Youth Fellowship hour at 6:30 in the McLean Chapel of the Church. "My Place and My Life" is her subject. Young people lead stronger Christian lives when they fellowship together in the presence of the Divine Spirit.

Princess Alexandra Kropotkin, famed writer and lecturer, praised the beauty of Treasure Island highly when she visited the site of the 1939 California World's Fair.

ernor's mansion. Many others will prove themselves a waste of legislator's time and taxpayers' money before going down under the axe.

Politics as a producer of panaceas for our social and economic ills can't be beaten, but if laws could bring us Utopia we would have arrived there long ago. We have wise laws for maintaining peace and order, essential measures for safeguarding the bulk of California's intra-state commerce and a Highway Carriers' Act to prevent destructive tariff wars, and humane laws providing security for the aged and funds for the needy.

But statutes are like pieces of currency. Poor ones weaken faith in the good ones! Citizens and legislators could do worse than test the mettle of forthcoming bills. It is the effective way to assure California a minimum of poor laws and a maximum of good ones!

WOMEN IN THE NEWS

By LEONE BAXTER

Hardly are members of the 76th Congress settled in their seats, knitting their brows over present emergencies and future plans, when in comes Mr. Theodore Gottlieb, historical researcher, waving a petition and crying out that a grave national error must be corrected and a special congressional investigation toward that end be launched at once!

The error, states Mr. Gottlieb, is that all America credits Betsy Ross, the Philadelphia seamstress, with designing the first Stars and Stripes and making the first flag with her own patriotic hands. He has chased down makers-of-the-first-flag stories for years, he avers in his petition, and finds no solid evidence to support the Ross legend. He isn't sure who did originate the flag, he admits, but is sure it wasn't Betsy. He insists that Congress get going toward an official decision.

There, there, Mr. Gottlieb! Generation upon generation of Americans have learned full well that Betsy Ross was a seamstress and flagmaker—in her twenties and, of course, comely. They know full well that George Washington himself headed the tiny delegation that went to her with a clumsy, man-made, preliminary rough drawing of a flag design. They know that the original sketch had six-pointed stars, and that Betsy suggested five-pointed stars as nicer looking, and that the gentlemen said they thought so, too but were of the opinion that five-pointed stars were too difficult to make, and that Betsy thereupon showed them the skill of cutting out a perfect five-pointed star with a single clip of her scissors. They know that she completed that design, and made the flag—presenting it with a deep, Colonial-age curtsy—and received the warm personal thanks of the Father of his Country.

Why, Mr. Gottlieb! Can you really think America's women—and gallant men—are going to disbelieve that story? That the 76th Congress is going to rob of her honors the real glamour girl of '76—going to rip the pages of that lovely, romantic tale from our history books?

Ten to one the 76th Congress will hedge out of that investigation, pleading, probably, pressing business of more current nature—like the WPA investigation or the new relief budget. But their real reason won't be hard to determine. The American people, including all members of the Congress, like that story. They're stuck on it—and Mr. Gottlieb, you're stuck with it!

S. P. ANNOUNCES EXPOSITION FARES

Reduced roundtrip rail fares between points on its Pacific Lines and San Francisco will be put into effect by Southern Pacific for the Golden Gate International Exposition, according to F. S. McGinnis, vice president in charge of passenger traffic.

The reduced rates, which include intermediate and coach class fares will become effective February 15 and extend until December 2, the announcement stated. Return limits will be 18 days from date of sale.

\$73,000,000 SPAN

The first transcontinental railroad, which Cecil B. De Mille is now glorifying in his sage, "Union Pacific," cost \$73,000,000 to build. About 20,000 men worked on

The Ballet Russe de Monte Monte Carlo which will be presented at the Fox Arlington Theatre next Tuesday evening, Jan. 31st.

SEIZURE OF TIDE LANDS OPPOSED BY HOLLISTER

State Senator J. James Hollister of Santa Barbara County gave strong support in the upper house of the Legislature to Senate Joint Resolution No. 4 relative to memorializing the Congress of the United States to refuse enactment of legislation which would becloud the sovereign rights of the State of California in its submerged lands. According to Senator Hollister, Legislation has been introduced in Congress, particularly Senate Joint Resolution No. 24, introduced by U. S. Senator Gerald P. Nye, wherein it is asserted that the Federal Government possesses the title to or holds an interest in submerged lands and tidelands bordering upon the various States of the Union, and it is proposed to direct the Attorney General of the United States to institute legal actions in the Courts to litigate such asserted titles and interest.

"Any such litigation will becloud the rights and titles of the respective States, prejudice their progress in developing such lands for State and local uses, both public and private, endanger existing investments and impair future projects," said Senator Hollister. "Such a measure if enacted into law would endanger the structure of Spanish land grants and would cause utmost confusion in the matter of California land titles, and for that reason I must oppose it," said Hollister.

BILL WOULD BAN EXHAUST SMOKE

A proposed state law to ban disagreeable smells and smoke pouring from the exhaust of some buses, trucks and other cars is being widely supported, said a report

received yesterday from the Automobile Club of Southern California.

A bill to prohibit operation of a motor vehicle in a manner which permits escape of excessive or unnecessary smoke, gas, oil or residue from fuel was recently approved by the appointed Advisory Committee on Motor Vehicle Legislation for submission to the Legislature, it is said.

Once a law, this ban was dropped when refinements in motor car manufacture eliminated smoking. But the traffic annoyance has re-appeared in commercial vehicle operation so that the provision is again deemed essential.

There's no legitimate excuse why motor vehicles should throw out excessive smoke or gas, it is stated. It is principally a matter of maintaining proper carburetor adjustment.

FOUNDER OF AIR LINES TO BE HONORED TONIGHT

The thrills and hazards of aviation a quarter of a century ago will be related this evening, at a gathering to be held in the Los Angeles Elks Club to commemorate the twenty-fifth anniversary of the founding of the first commercial air-line in America.

The affair will be under the auspices of the Southern California Chapter of the National Aeronautic Association and will pay distinctive honor to P. G. B. "Bud" Morriss, the only living officer of the company which made this first air line possible.

Mr. Morriss, now manager of the Hotel Clark in Los Angeles, has thousands of friends throughout California and because of this an unprecedented number of civic professional and commercial organizations are co-operating with the aeronautic group as co-sponsors of the banquet and ball.

Heading the list of civic groups is the Southern California Citizens' Committee under the chairmanship of Byron Hanna. Members of this committee include Mrs. James K. Lytle, President of the State Parent-Teachers Ass'n; Elmer H. Howlett, President of the Merchants and Manufacturers Association; Harry Sherman, President of the Los Angeles Central Labor Council; P. J. Maher, Mayor of Santa Barbara; Watt Moreland, President of the Southern California Business Men's Ass'n; Dr. William Daniel, President of the Medical Ass'n. A series of Short Talks on early aviation and the love and esteem which men and women in every walk of life hold for "Bud" Morriss will follow the dinner. There will be a program of

Even Deisel-motored buses and trucks are now being equipped with de-gasser units for complete elimination of fumes from the vehicle's own power plant, the club notes. The equipment cuts out raw gasoline which arises during the deceleration and maintains adjustments for most economical operation. Complete combustion engines are also provided for gasoline trucks.

Rev. James Gibson, "The Irish Evangelist" who will conduct services in the Carpinteria Methodist church starting Jan. 31, and continuing through Feb. 12th.

FAMED EVANGELIST TO HOLD SERVICES AT M. E. CHURCH

Beginning next Tuesday evening, and continuing through Sunday evening, Feb. 12, evangelistic services will be conducted at the Carpinteria Methodist church by Rev. James Gibson, "The Irish Evangelist." Rev. Gibson, assisted by Mrs. Gibson closed a very successful meeting in Norwalk two weeks ago and are now engaged in conducting services in the Epworth Church in Los Angeles.

Rev. Gibson has been called "The unusual entertainment provided by a committee from the studios headed by Leroy Prinz. Dancing will follow the dinner.

Irish Evangelist because of the fact that he was born and reared in Ireland and emigrated to America at the age of nineteen. At that time he sought material gain and pleasure, but shortly after coming to the states he was converted and later called to preach the gospel. In preparation for the ministry Rev. Gibson was graduated from Asbury College and Asbury Theological Seminary in Wilmore, Kentucky. He is an ordained minister in the North Indiana Conference of the Methodist Church.

Rev. and Mrs. Gibson have preached and worked extensively through England, Ireland, Canada and the U. S. A. They also have toured Belgium, Holland and France. The Gibson's are permanently located in the Evangelistic-field and have been called to return to the same church for five consecutive years for evangelistic campaigns which bespeaks the effectiveness and nature of their ministry.

All residents of Carpinteria are extended a cordial invitation to be present at any or all of the services.

MRS. JOHN C. FURBY NAMED ASSOCIATE MATRON OF O.E.S.

Members of Vallecito chapter, Eastern Star, held a special election Tuesday evening to fill the office of associate matron made vacant by the resignation of Mrs. Crystal Tucker who has moved to Long Beach. Mrs. John C. Furby was elected to the office and chose W. Lewis Gann as her associate patron. Mrs. Ray Doell was elected conductress and Mrs. F. L. Smith associate conductress. The district deputy grand matron, Mrs. Dora Boardman of Ojai, assisted in the installation. Mrs. Wanda Johnson, worthy matron of Santa Barbara chapter, was a guest.

Refreshments were served at the close of the ceremonies by a committee composed of Mrs. W. H. James, Mrs. David Cummins and Mrs. S. C. Snow.

WOMAN'S CLUB HEARS SPEAKER FROM EQUALIZATION BOARD

J. P. Green of the state Board of Equalization spoke on many of the phases of the board's work at Woman's club Thursday afternoon, telling in detail of the administration of the sales tax and the liquor tax. The talk was preceded by a piano solo by Will Headley who played a Chopin Nocturne. Hostesses for the tea were Mrs. Neil Bailard, Mrs. Henry D. Baylor, Mrs. D. A. Carton, Mrs. Percy Houts, and Mrs. W. W. Humphrey.

This morning the American Homes department will see a demonstration of meat cutting by Davenport Phelps, western representative of the National Livestock and Meat board. Following luncheon Mrs. W. G. Ross of Bell, state chairman of handicraft, will talk on her department work and will give instruction in making some of the articles which she will exhibit. Hostesses for luncheon will be Mrs. Donald Bailard, Mrs. Henry D. Baylor, Mrs. Harold Cadwell, Mrs. Francis Castro and Mrs. James L. Kent.

MR. AND MRS. RALPH WOOD ENTERTAIN WITH FAMILY DINNER

Mr. and Mrs. Ralph Wood were hosts at a family dinner Sunday at their home on Casitas road. Their guests included Mrs. Lulu Willis of Kansas City; Mrs. Maude Callahan and Glen Simpson of Los Angeles; Mrs. Lillie Burnett and son Floyd, Mrs. Minnie Simpson and grand-daughters Patty Jean and Shirley Ann Simpson, Mrs. Etta Faulding and Mrs. Matilda Westwick, all of Santa Barbara.

MANY ATTEND GIRL SCOUT DINNER IN SANTA BARBARA

Many members of the Girl Scout committee and troop leaders attended the dinner for the Santa Barbara Girl Scout Council of which the local committee is a part, at State College Monday evening. Maunsell Van Rensselaer, director of the Blakesley Botanic Garden, was the speaker of the evening and described in detail the new camp site for Scouts on Mt. Pinos which is being leased from the government. Miss Helen Murphy was reelected Scout Commissioner.

Local women attending were the chairman, Mrs. Estelle Hebel; Mrs. Stanley Shepard, Mrs. J. H. Schweizer, Mrs. John F. Rock, Mrs. Chester Miller, Mrs. Harline Henderson, Mrs. Marc Latham, Mrs. Richard Westcott, Mrs. Emory Peterson, Mrs. Irvin Treloar, Miss Elizabeth Platt, Miss Vivian Rodriguez, Miss Alice Langdon and Miss Ellynne Mallery.

MRS. C. R. BOWEN ENTERTAINS BRIDGE CLUB

Mrs. Clinton R. Bowen was hostess at luncheon Tuesday for the members of her bridge club at her home on Casitas road. Her guests were Mrs. J. F. Tubbs, Mrs. J. W. Dorrance, Mrs. E. F. Pendergast, Mrs. R. W. Morris, Mrs. Alice Thurmond, Mrs. J. W. Schweizer, Mrs. D. A. Carton, Mrs. Nelson F. Smith, Mrs. Harbron Morris, Mrs. H. C. Henderson and Mrs. David Safwenberg.

MRS. G. A. FRANKLIN HOSTESS TO BRIDGE CLUB

Mrs. G. A. Franklin entertained the members of her bridge club at luncheon Tuesday at the Gordon tea room on Foothill road. Mrs. Walter Drake of Santa Barbara was a guest. Members of the club attending were Mrs. Ben F. Bailard, Mrs. Lewis I. McGeary, Mrs. R. O. Thomas, Mrs. B. W. Upson, Mrs. C. E. Bailard, J. Henry Shepard and Mrs. Harry Pine Drake.

ALISO MOTHERS' CLUB STUDIES NEW PROJECT

A new project was taken up by the Mothers' club of Aliso school last Thursday afternoon when Mrs. Albert Jarvis demonstrated the making of rugs from burlap sacks in a special meeting at the Memorial building. Miss Irene Fagin, county home advisor, demonstrated the baking of simple cakes. The meeting was arranged by the club sponsor, Mrs. Lucie Treloar.

YOUTH FELLOWSHIP TO GIVE SKATING PARTY

Members of the Youth Fellowship of the Community Church will leave the church at 4:30 Saturday afternoon for a picnic supper and a skating party at the Ventura rink. Social chairmen, Bill Jorgensen and Madelon Southworth have arranged to charter the Rink for the evening and all young people who enjoy skating are invited to join the party.

The group will be chaperoned by Mr. and Mrs. Henry W. Sturmer, Miss Clarabel Lewis, Del F. Kent and Rev. Deane F. Babbitt.

LOS ANGELES COUPLE MARRIED HERE

Frank Elmer Barks and Mrs. Leila Egan Monks both of Los Angeles were united in marriage last Sunday by Judge C. P. Moore at his home on Maple avenue with members of the family of Judge Moore witnessing the ceremony.

Miss Ellen Bailard of Santa Paula came Friday to attend the high school play and visit her parents, Mr. and Mrs. Ben F. Bailard.

Attending the P.E.O. Founders' Day Banquet in Ventura Monday evening were Mrs. B. E. Clark, Mrs. Allan C. O'Banion, Mrs. W. Guy Stockton and Miss Leona Smith.

The Modern Woodmen of America will hold installation of officers at their regular meeting on Friday evening, Jan. 27. Refreshments will be served and all Woodmen are invited to be present.

Mr. and Mrs. Joseph H. Hendy motored to San Diego Friday to be present when the California State docked enroute to Valparaiso, Chile, on a cruise. Their son, Jas. Hendy, is one of the students of the California Nautical school, this being his last cruise before graduating next summer.

Mrs. H. L. Beckstead has called a meeting of the women of the Community church tomorrow to sew for a mission school. The ladies will meet at the church tomorrow morning, and are asked to bring sandwiches for lunch.

Mrs. Ray Barrett of Huntington Beach spent the week-end with her mother, Mrs. Jerome F. Tubbs.

Angna Enters, famed dance mime, who comes to the Lobero Theatre for one performance Friday evening, Feb. 3rd.

Mrs. Merle Staub substituted for Mrs. Lucie Treloar at Aliso school Monday.

Mr. and Mrs. Eugene Nelson left Tuesday evening for San Francisco where they were called by the serious illness of his mother.

Gobby (Ken Randall) returns, after a long absence, to his former friend and master, Gluck, in "The King of the Golden River." At Lobero Theatre Mon. Jan. 30

Robert Donat and Rosalind Russell in "The Citadel" coming to the California Theatre on Saturday, Sunday, Monday and Tuesday. Also Deanna Durbin in "That Certain Age."

Claudette Colbert and Herbert Marshall in "Zaza" now playing at the Fox-Arlington Theatre. Also on the same program "Charlie Chan in Honolulu" with Sidney Toler.

Your Hollywood Correspondent Reports . . .

As soon as Claudette Colbert completes her role opposite Don Ameche in "Midnight", she plans to leave for Sun Valley, Idaho. She's getting all sorts of warnings from Director Mitchell Leisen because Mrs. Leisen broke her ankle last week ice skating. Ray Milland is back in Hollywood following six weeks in London, to start working with Gary Cooper in "Beau Geste." Barbara Stanwyck is vacationing in Palm Springs, with time off from the current Cecil B. De Mille picture, "Union Pacific." Gracie Allen is there too, resting before starting her next picture, "Gracie Allen Murder Case."

Ellen Drew's father and step-mother, Mr. and Mrs. Joe E. Ray, are daily visitors on "The Lady's from Kentucky" set, where Ellen is working with George Raft. They plan to return to their home in Kansas City the end of the month. Patricia Morison, who makes her debut in Paramount's "Persons in Hiding," gets long distance phone calls twice weekly from Ernest Heyn, editor of Photoplay in New York. Her Imperial Highness, the Grand Duchess Marie of Russia, spent a day at Paramount taking informal shots of Claudette Colbert, Irene Dunne, Isa Miranda, Dorothy Lamour, Jack Benny, Cecil B. DeMille and Akim Tamiroff for a new Eastern magazine. J. Carrol Naish will have his hair bleached for his forthcoming role in "Beau Geste."

Bert Lahr, who is getting such raves for his performance in the current Claudette Colbert-Herbert Marshall picture, "Zaza," has turned down four offers to appear on Broadway this season. Edward Arnold came to Jack Benny's rescue when Jack got all tangled up in a suit of armour on the "Man About Town" set. Jack has to get in and out of the suit gracefully for scenes in the picture.

Marie Wilson, looking anything but the "Dumb Blonde" type she portrays on the screen, lunching with her fiance, Nick Grinde, who is directing Paramount's "Sudden Money." Mary Boland is planning to build a small home in Santa

THIRD CHILDREN'S PLAY AT LOBERO THEATRE MONDAY

Colorful costumes and scenery, real live actors and well-known stories understandably presented were the three chief reasons cited by children to explain why they like the Clare Tree Major Children's theatre, which will be seen on January 30 at the Lobero theatre in John Ruskin's "The King of the Golden River."

Tickets for this play, perhaps the most popular in the repertoire of the Children's theatre, are on sale at the Lobero box office. The performance is scheduled to commence at 3:30 o'clock, so that children may attend after school.

The story of Gluck and his two selfish brothers is a classic in children's literature. All the original charm of the story has been retained in the dramatization. A real, live dwarf, dressed in glittering golden costume and wearing a golden beard, plays the King of the Golden River, much to the delight of children of all ages.

Princess Alexandra Kropotkin, daughter of a Russian prince, magazine writer and lecturer, is a good will ambassador of the 1939 California World's Fair.

Barbara next summer. She likes to live there "between pictures." Gladys Swarthout will stay in New York for the opening of her latest picture, "Ambush." Following that she is scheduled to go on a concert tour through the South. Martha Raye is having wisdom tooth trouble.

FAMOUS BALLET AT FOX ARLINGTON NEXT TUESDAY

This area may now know details of program of ballet which will be presented in Santa Barbara by the Ballet Russe de Monte Carlo at the Fox-Arlington theatre on Tuesday evening, January 31. The Music Branch of the Community Arts Association sponsoring organization, has received from Leonide Massine, artistic director for S. Hurok, a detailed program.

The evening of ballet de luxe will open with "Carnival," a one-act ballet first produced by Pavlova Hall, St. Petersburg, Russia, with music by Schumann and Choreography by the famed Michel Fokine. This is known as a pantomime ballet.

"L'Eureuve d'Amour" or "Chung Yang and the Mandarin," a Mozart-Fokine ballet, with Chinese setting is the second selection. A choro-graphic poem, "Spectre de la Rose by Theophile Gautier will be the third offering. For this Weber has set the romantic number to the music of "Invitation to the Dance."

"Gaité Parisienne," a saucy and sparkling French sister of "Le Beau Danube" will close the program. The music is by Jacques Offenbach and the choreography by Leonide Massine, while Anatol Fistoulari will conduct.

Tickets for the one appearance in this area of the Ballet Russe de Monte Carlo may now be secured by writing the Music Branch office, Lobero Theater, Santa Barbara, or reservations may be made by telephoning Santa Barbara No. 27902.

FAMED DANCE MIME COMING TO LOBERO FRIDAY, FEB. 3RD.

Now that Angna Enters, that incomparable genius of the dance, is to appear here on Friday evening, February 3rd at the Lobero, it will not be amiss to point out the proper pronunciation of a name as unique as the personality to whom it belongs.

Angna—the 'g' is soft as in 'angelic.' It is an evident derivation from the French 'ange' (angel) and a slight variant of the more common French name Angele. Spelled backward, it is still Angna.

Miss enters will be seen in a program which she has entitled "Episodes and Compositions in Dance Form." It is a brilliant phrase to describe a combination of the arts of sculpture, painting, mime, and dance.

STATE PICNICS SCHEDULED FOR SOUTHLAND

Two State picnics are scheduled to be held in the south in the near future. The first is the annual "Kansas Day" picnic reunion which will be held in Bixby Park, Long Beach, next Saturday, Jan. 28th. All former residents of the Jay-hawker state are invited to attend.

All former residents of the State of Illinois are invited to attend the Illinois Picnic Reunion which will be held next Thursday, February 2 in Sycamore Grove park.

THE WEEK'S SPORTS

A fast horse and a fine jumper is Severo, above, property of Mrs. Elena Bullock. Severo, with Henry Bowyer in the saddle, has scored two wins and a second in recent steeplechase events at Riviera Country Club. Mrs. Bullock's entry is favored to capture the steeplechase to be held next Sunday at Fleischmann field, Santa Barbara.

STEEPLECHASE AT FLEISCHMANN FIELD SUNDAY

Something new in the Santa Barbara sports orbit, a steeplechase, which will be presented next Sunday at Fleischmann field, at 2:30 P. M., has aroused considerable interest among local horse-lovers.

The chase, a two-mile affair with no less than 22 brush fence jumps for the horses to negotiate, will follow a polo game between two high-goal teams.

Arrangements for the polo clash have not been completed as yet, though officials of the Santa Barbara County Polo Association claim it will be one of the best games of the season.

T. B. Blakiston, a former winner of the Maryland Cup, is lending his knowledge of steeple-chasing by serving as chairman of the race committee. Blakiston said yesterday that the 20 top-ranking jumpers will compete for first honors and the \$250 added purse.

Worshippers at the cinema shrine should also be present next Sunday in goodly number, since a host of Hollywood stars, starlets, producers, and directors will be present.

Early favorite in the chase is Severo, a spring-legged nag owned by Mrs. Elena Bullock. Entries are as follows:

Hopeful Jim, owned by Mrs. John Hay Whitney; Harry Shaffer, rider.

Severo, owned by Mrs. Elena Bullock; Henry Bowyer, rider.

Lindun, owned by Bing Crosby; Mark Foley, rider.

Peso, owned by Mrs. Vanderbilt; G. Nash, rider.

Westbound, owned by Mrs. Manuel del Campo; Dick Lord, rider.

Pal Jose, owned by Count Anthony Landi; Arthur Preece, rider.

Ivanho, owned by William Gray; William Gray, rider.

19 STAKES EVENTS TO BE FEATURE OF HOLLYWOOD MEET

With the \$50,000 added Hollywood Gold Cup Handicap again heading the list, Jack MacKenzie, general manager of the Hollywood Turf Club, today released the list of stakes events for the 1939 summer meeting at Hollywood Park.

This year there will be 19 important stakes events. The inaugural meeting last summer only had 12 stakes races. The minimum daily purse distribution has also been increased \$2400, from \$8000 to \$10,400. The daily purses offering will consist of one race of \$2,000, two races of \$1,500, two races of \$1,200 and three races of \$1,000.

The \$25,000 added Hollywood Derby is the second most important stakes event during the meeting which runs for 43 days, starting June 1. Here again the prize money has been increased \$10,000 over the \$15,000 offered last year.

Both the Gold Cup Handicap and the Hollywood Derby will be over a mile and a quarter distance. The Gold Cup will be run Saturday, July 22, and the Derby, Saturday, July 8.

The 19 stakes events, in chronological order, are as follows:

The Hollywood Handicap, June 1, 1939, 3 year-olds and upwards. Entries close May 27, 1939, 6 furlongs, \$7,500 added.

The Los Angeles Handicap, June 3, 1939, 3-year-olds and upwards. Entries close May 27, 1939, 1 1-16 miles, \$10,000 added.

The Santa Monica Handicap, June 7, 1939, 3-year-olds foaled in California. Entries close June 3, 1939, 6 furlongs, \$3,000 added.

The Long Beach Handicap, June 10, 1939, 3-year-olds and upwards, fillies and mares. Entries close June 3, 1939, 1 mile, \$5,000 added.

The Bel Air Handicap, June 14, 1939, 4-year-olds and upward. Entries close June 10, 1939, 7 furlongs, \$3,000 added.

The Will Rogers Memorial Handicap, June 17, 1939, 3-year-olds. Entries close June 10, 1939, 7 furlongs, \$7,500 added.

The Beverly Hills Handicap, June 21, 1939, 3-year-olds foaled in California. Entries close June 17, 1939, 1 mile, \$3,000 added.

The Inglewood Mile Handicap, June 24, 1939, 3-year-olds and upward. Entries close June 17, 1939, 1 mile, \$10,000 added.

The Ladies Stakes, June 28, 1939, 2-year-old fillies. Entries close June 3, 1939, 5 furlongs, \$3,000 added.

The Golden State Breeders' Handicap, July 1, 1939, 3-year-olds and up foaled in California. Entries close June 24, 1939, 1 mile and a furlong, \$15,000 added.

The California Breeder's Sales Stakes, July 5, 1939, 2-year-olds foaled in California. Entries close June 3, 1939, 5 1/2 furlongs, \$3,000 added.

Perfect Score Made in Shoot At State Park Range Sunday

CITY SLICKERS MATCHED IN FRAY AT MAC TONIGHT

Giving the fans what they want is an old trick to Manager Poole of the Mission Athletic Club. Last Thursday night saw him overdoing himself in offering just what we have all been waiting for for a long time. The Hillbilly pair really won a decisive victory over their opponents, Orth and Belcastro. The climax of the match took place when Orth threw good judgment to the winds and tangled with his own partner, thus allowing the Hillbillies to pin them. This bit of trickery on the part of Orth has started a "feud" between Orth and Belcastro. Belcastro is bellowing for an opportunity to avenge the wrongs done him last week.

In accordance with this, Manager Poole has arranged for the two in a two-out-of-three falls match tonight. This week's complete card shows four headline bouts. Each of the bouts are billed as two out of three falls with an hour time limit.

The opening main event brings together Tiger Taskoff and Eddie Rogers, while the second bout introduces the most colorful star to invade California in several years,

The Hollywood Derby, July 8, 1939, 3-year-olds. Entries close June 3, 1939, 1 1/4 miles, \$25,000 added.

The Western Shore Handicap, July 12, 1939, 3-year-olds and upward. Entries close, July 8, 1939, 1 1/4 miles, \$3,000 added.

The Starlet Sweepstakes, July 15, 1939, 2-year-olds. Entries close June 3, 1939, 6 furlongs, \$10,000 added.

The Brentwood Handicap, July 19, 1939, 3-year-olds and upward. Entries close July 15, 1939, 6 furlongs, \$3,000 added.

The Hollywood Gold Cup, July 22, 1939, 3-year-olds and upward. Entries close June 3, 1939, 1 1/4 miles, \$50,000 added.

The Wilshire Plate, July 26, 1939, 2-year-olds foaled in California. Entries close June 3, 1939, 6 furlongs, \$3,000 added.

The Aloha Handicap, July 29, 1939, 3-year-olds and upward. Entries close July 22, 1939, 1 1/2 miles, \$15,000 added.

Performing that feat which is the goal of all marksmen, L. I. Plank of Santa Barbara captured first place and the Hyvas Trophy in the first of two shoots at the state park range last Sunday by making a perfect score of 500 out 500, shooting at 100 yards with telescope sights. Plank's nearest competitors were Charles Higbee and Henry Griffiths who scored 497 and 496, respectively. Others competing and their scores were as follows:

E. F. Knowles, 496; Harry Smith 495, Geo. Worden 492, Walter Wood 493, A. Morganfield, R. G. Bassett 488, G. Higbee 475, V. Ceriale 474.

In the afternoon meet, George Worden of Santa Barbara annexed the Iron sight event in a close contest. Shooting with handicap, Worden scored 401, with E. F. Knowles second with 399 and Ray Bassett third with 398. Leo Peterson was fourth with 395. Also taking part in the event were:

H. Griffith 394, W. Wood 392, A. Morganfield, V. Plank 391, R. Broulette 390, H. Smith 387, S. Higbee 387, C. Higbee 387, Ceriale 386.

The afternoon match was the first in a series of three shoots for the Roy Gradle gun stock. The next shoot will be held in February with the final contest set for March.

GAIL LIKES LAW

Playing a woman attorney on the screen for the first time in Paramount's "Disbarred" has so interested Gail Patrick, University of Alabama graduate, that she has dusted off her law library and is delving into it again for spare time reading.

Jesse James, Greek junior heavyweight.

To top off the all-star card, Poole has signed the Spectacular Pat "Popeye" O'Brien as referee.

LEGAL NOTICE

ADVERTISEMENT FOR BIDS

Notice is hereby given that the Board of Trustees, Carpinteria Union School District of Santa Barbara County, California, will receive bids for furnishing all labor, material, transportation and services for the furnishing and installation of a Public Address and Inter-communicating Sound System for the Carpinteria Union School, Carpinteria Union School District of Santa Barbara County, California; each bid to be in accordance with plans, specifications, and other contract documents now on file with the Architect, T. C. Kistner, at 412 Architects' Building, Los Angeles, California, where they may be examined and copies obtained upon deposit of \$5.00 per set, which deposit will be refunded upon return of such copies in good condition within five (5) days after the bids are opened.

Notice is also given that pursuant to the statutes of the State of California, or local law thereto applicable, the Board of Trustees Carpinteria Union School District of Santa Barbara County, California has ascertained the general prevailing rate of per diem wages and rates for legal holiday and overtime work in the locality in which this work is to be performed, for each craft or type of workman or mechanic needed to execute the contract which will be awarded the successful bidder.

Trade or Occupation	Minimum Hourly Wage Rate
Electrician\$1.50
Unskilled mechanics75
Skilled mechanic not otherwise mentioned 1.00

Each bid shall be made out on a form to be obtained at the office of the Architect; shall be accompanied by a certified check or cashier's check or bid bond for 5% of the amount of the bid made payable to the order of the Board of Trustees, Carpinteria Union School District of Santa Barbara County, California; shall be sealed and filed with the said Board of Trustees on or before Feb. 2nd, 1939, at 2:00 o'clock P. M., and will be

opened and publicly read aloud shortly thereafter on that day in the office of the said Board of Trustees at the Carpinteria Union Elementary School, Carpinteria, California.

The above mentioned check or bond shall be given as a guarantee that the bidder will enter into the contract if awarded to him and will be declared forfeited if the successful bidder refuses to enter into said contract and deliver the required Bonds, after being requested so to do by the awarding authority.

The awarding authority reserves the right to reject any or all bids or waive any informality in a bid.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.

Dated: Carpinteria, California, January 19, 1939.

(Signed) E. D. Solari,

Clerk of the Board of Trustees, Carpinteria Union School District of Santa Barbara County, California.

LEGAL NOTICE

NOTICE OF SALE OF REAL PROPERTY AT PRIVATE SALE No. 180342

In the Superior Court of the State of California, in and for the County of Los Angeles.

In the matter of the Estate of WILLIAM THOMAS SUMMERS, also known as WILLIAM T. SUMMERS, Deceased.

Notice is hereby given that under and pursuant to the law made and provided, the undersigned, FRANCISCA D. SUMMERS and WILLIAM T. D. SUMMERS, Executors of the last Will and Testament of William Thomas Summers, Deceased, will sell at private sale, to the highest and best bidder, subject to confirmation of said Superior Court on or after the 10th day of February, 1939, at the office of Chandler P. Ward, their attorney, 210 West Seventh Street, in the City of and County of Los Angeles, State of California, all the right, title and interest of said deceased at the time of death and all the right, title and interest that the estate of said deceased has acquired by operation of law or otherwise, other than or in addition to that of said deceased at the time of death, in and to all that certain real property particularly described as follows, to-wit:

Lot Nine (9) in Block Five (5), Map One (1), The Riviera, in the City of Santa Barbara, County of Santa Barbara, State of California, according to the map thereof recorded in Book 7, Page 85, of Maps and Surveys, in the office of the County Recorder of said County.

EXCEPTING therefrom that portion thereof as conveyed by William E. Browning to George A. Batchelder and Mary W. Batchelder, his wife, by deed dated December 17, 1924 and recorded March 10, 1925 in Book 54, Page 20 of Official Records of said County, described as follows:

Commencing at the north-easterly corner of said Lot 9 marked by a brass cap monument; thence along the northerly line of said Lot, South 81°22' West, 25.00 feet; thence South 42°53' East 44.76 feet to the easterly line of said Lot; thence along said easterly line,

LIONS CLUB HEARS TALK BY USC COACH THURSDAY

Carpinteria Lions entertained the Santa Barbara den at dinner last Thursday evening when Bob McNeish, backfield coach from U. S. C., reviewed outstanding sports events of the past year, including the New Year's game in the Rose Bowl. Novelty music numbers on the piano, guitar and harmonica were played by William Crawford of Milford, Illinois, who is visiting in the valley. Mr. Crawford recently won a radio contest with his number which brought him the trip to the coast. The two Boy Scouts entertained last week were Junior Stemper and Kenneth Brittain. The program was in charge of Frank Wykoff.

Guests in attendance included the president of the inter-county council, Frank Colsten from Simi Valley. From Santa Barbara were the den president, Frederick H. Duffey; Nick Liatas, H. P. Van Horn, Dr. Albert J. Holzman, R. V. Jackson, E. H. Bowman, George Clapp, Thomas E. White, Bill Donaldson, I. T. Steiner, J. W. Bylling, Hugo Ebmeyer, R. E. Brice, R. H. Osborne, Elmer Schwarzburg, Harry Slocum, Ludwig N. Ackerson, L. E. Frederickson, A. D. Brown, R. E. Smith, Wes Montgomery and K. D. Barr.

COMMUNITY CHURCH ELECTS OFFICERS FOR COMING YEAR

Reports of departments were heard and new officers were elected at the congregational meeting of the Community church last Wednesday evening following a potluck dinner. Mrs. Lillian M. Kent of Santa Barbara was a guest and sang several numbers, accompanied by Mrs. Deane F. Babbitt.

Giving reports were the pastor, Rev. Deane F. Babbitt; Sunday School, Del Kent; Men's club, C. C. Heltman; Youth Fellowship, Beulah Hutchison; Wolf Cubs, Charles Curtis II; Cradle roll, Mrs. Thomas Mayfield; Woman's Association, Mrs. B. E. Clark, Mrs. J. C. Furby.

Trustees elected were Dr. T. M. Shorkley, F. A. Hebel, Carey Demaree and Mrs. John C. Furby. Mr. Demaree was elected chairman of the board and Mrs. Furby elected secretary at a meeting for organization Monday evening. Governors elected were W. Guy Stockton and James A. Lewis.

John Muir, famed naturalist and so-called "father" of national parks, will be honored by a fete at the 1939 California World's next April 22.

North 8°56' West 37.00 feet to the point of commencement. Terms of sale: Cash in lawful money of the United States on confirmation of sale, or part cash and balance evidenced by note secured by mortgage or Trust Deed on the property so sold. Ten per cent of amount bid shall be deposited with bid.

Bids or offers shall be in writing and will be received at the aforesaid office at any time after the first publication hereof and before date of sale.

Dated this 20th day of January, 1939.

HIGH SCHOOL PLAY WINS PRAISE OF LARGE AUDIENCE

"Three Live Ghosts" walked at the high school auditorium Friday evening when the play of that name by Frederick Isham was produced by an all-school cast directed by James Love. Barbara Lyman gave a consistent portrayal of the lovable but crafty Cockney step-mother of the male lead, Dwight Babeock, both carrying off long roles full of dialect in a consistent manner. Nina Anne Miller played the part of the not-too-bright daughter of the landlady, and Lynn Cadwell gave an equally convincing performance of the shell-shocked veteran who kidnapped his own infant and stole his wife's pearls before being restored to normalcy. Don Royer was a brisk and efficient detective abetted by dark and mysterious John Calhoun, Bill Jorgensen and Beverly Humphreys, American sweethearts, were helped out of their difficulties by Rodney Starkey in the role of the American detective. Marilyn Shepard made a regal Lady Leicester, a part that appeared all too late in the play to satisfy the audience.

The play was given as a Junior class benefit. Patsy Hales was assistant director; costumes were in charge of Patty Demaree, Clarence Gorham was stage manager, and Miss Allene Padelford, junior class sponsor, was business manager.

CANADIAN BISHOP TO PREACH HERE SUNDAY

His Excellency The Most Reverend Joseph F. Ryan, D. D., Bishop of Hamilton, Canada, near Niagara Falls, will say the 9:30 mass and preach at St. Joseph's Church in Carpinteria, next Sunday, the 29th. The prelate is on his first visit to California and is a classmate of Father Lambrick, the pastor of the Carpinteria Catholic Church.

LIQUOR LICENSE LIMITING APPROVED

Widespread approval for his proposal to curb the number of places selling liquor in California, has come to him from all parts of the state and from persons in all walks of life, according to William G. Bonelli, member of the State Board of Equalization from the fourth district.

Bonelli's resolution was approved unanimously by the board and sent to the legislature.

"Every thinkink citizen, whether 'wet' or 'dry,' knows we have too many places selling liquor," Bonelli said in discussing his proposal. "Ever since I became a member of the board a year ago, this complaint has been made to me from all quarters, including many in the liquor industry itself.

"Frequently the board has been condemned for granting more licenses and for not upholding the protest of city and county officials against the issuance of new licenses in their communities. Those voicing the condemnation have not known, of course, that as the Alcoholic Beverage Control Act now reads, the board is powerless to limit the number of licenses and that protests based solely on the claim of too many licenses cannot be approved.

"In addition to a flood of letters received at my office, calls in person and by telephone, as well as newspaper articles, all indicate strong endorsement of the proposal.

"The State Board of Equalization has taken the initial step to remedy this undesirable situation. It is now up to the legislatures to decide what action shall be taken and this in turn depends upon what the people want their legislators to do."

ducted on Sunday, Jan. 29, from 8 to 8:30 a. m. over KNX (1050kc) Hollywood, by Archibald W. Edes, C.S.B., of Beverly Hills, assisted by Miss Clemence Gifford, soloist, and Charles W. Adams, organist, under the auspices of the Christian Science Committee on Publication for Southern California.

ZONING ORDINANCE

(Continued from page 1)
the open country and wish to es-
open country livable. The highway,
particularly, has wrought changes
in the character of the erstwhile
country which do not reflect credit
upon the community and which, if
continued may threaten property
values farther into the now open
country.

Highway frontage seems to jus-
tify business, yet everyone knows
there is not likely to be enough
purchasing power in the county to
support business throughout the
entire length of the principal high-
ways.

Furthermore, highway business,
spreading out from the center of
town, destroys substantial values
created in the present business dis-
trict.

The town of Carpinteria, more-
over, has recognized many of its
community problems and has taken
measures to solve them. It has a
sewer system, a lighting district,
a fire department, fine schools and
other improvements made neces-
sary because of natural growth.
But nothing has been done to pro-
tect the small home owner from
objectionable neighbors who might
threaten his investment or inter-
fere with right to light, air, peace,
comfort, safety and well-being.

This is not to say that the coun-
ty should be converted into a pri-
vate park for gentlemen farmers
and the owners of country es-
tates. Auto camps, garages, road-
side restaurants, and filling sta-
tions are necessary in the proper
place. The problem is one of com-
munity development in which all
elements are properly fitted into
a harmonious picture.

The Carpinteria Valley Chamber
of Commerce has recognized this
need and believes something can
be done about it. A committee has
been appointed to investigate
methods of correcting some of
these conditions if possible.

The committee has consulted
with various public agencies, in
the belief that only through pub-
lic action could measures be taken
which would in some measure sta-
bilize the situation. It was found
that legal machinery exists only
in one department of the county
government—the County Planning
Commission. Through its purely
advisory power to the Board of
Supervisors, the Planning Com-
mission may make plans for the
present and future development of
any or all parts of the county af-
fecting highways, roads, parks,
public buildings, conservation and
land use. These plans may be made
by the Planning Commission, but
cannot be used or enforced unless
adopted by the Board of Supervisors.
Neither public agencies, how-
ever, can adopt or recommend such
plans except after proper public
hearings.

The Chamber of Commerce Com-
mittee requested the Planning
Commission to prepare a tentative
land use or districting plan to find

**WHISKERINO EDICT
WORRIES HIGHWAY
PATROL CHIEF**

SACRAMENTO—To raise a lux-
uriant crop of whiskers or not to
is the question perplexing Chief
E. Raymond Cato and his officers
of the California Highway Patrol
stationed at Sacramento.

The committee in charge of the
Sacramento Centennial celebration
during the 1939, has decreed that
every male resident must raise
some sort of crop on his features.

Patterns for the information of
citizens showing the score or more
of whisker styles, ranging from
light, wispy downy moustaches to
frowsy, ferocious looking miner's
all over style whiskers, have been
submitted to Chief Cato to select
from and approve for his traffic
officers.

To date he has held out against
the California Highway Patrol
traffic officers raising fancy and
tricky beards, moustaches, etc.

"Our officers must always ap-
pear neat and clean shaven," said
Chief Cato to the Whiskerino

group at Sacramento. "It might be
disastrous for some of our officers
to raise fierce looking whiskers
and then, late some night, stick
their faces into some automobile
they have stopped; it might fright-
en the daylight out of some lady
who did not understand what the
local committee has required."

out whether it would benefit the
valley and possibly, at least, pre-
vent further unwanted develop-
ment and keep the growth of Car-
pinteria in the same general char-
acter as in the past.

The general purposes of the plan
as outlined would be the promo-
tion of orderly, unified growth in
conformity with the beautiful sur-
roundings of Carpinteria, the main-
tenance of sanitary conditions, the
direction of harmonious and proper
highway development to protect
the entrances of town, the preser-
vation of scenic assets, the pro-
tection of home owners from ob-
jectionable uses of land in resi-
dential areas and the protection
of existing business property val-
ues.

The plan is now complete. A
survey has been made of every
lot and parcel of property in Car-
pinteria Valley, to determine what
existing uses are. Estimates, based
on past experience, have been
made to determine what may rea-
sonably be expected, and allowances
have been made to meet those
needs.

It is the policy of the Chamber
of Commerce and of the County
Planning commission to give full
publicity to this plan. It will be
necessary for the people of Car-
pinteria Valley to show clearly by
petition and in public hearings that
the plan is desired.

(Continued next week)

**HIGHWAY DEATH
TOLL IN 1938
LOWEST SINCE '33**

California's death total result-
ing from motor vehicle travel dur-
ing 1938 will be approximately
353 below any year since 1933.
Figures submitted to Chief E.
Raymond Cato, California High-
way Patrol, Sacramento, revealed
that the previous estimate in re-
duction of 300 deaths for the year
just closed as compared with the
year 1937, would be exceeded by
approximately 53 on the basis of
latest figures compiled by the Bu-
reau of Statistics. The estimated
number of deaths for 1938 were
2786, with 3139 for 1937. This is
the lowest number of traffic fatal-
ities in California since 1934, when
2403 persons were killed.

The following report on the lem-
on market appears in the current
issue of the Sunkist Courier:
During the first half of Decem-
ber, nothing occurred to create
anything but an average demand
for lemons. The weather was gen-
erally mild and open in most sec-
tions of the country, with very
little sickness reported. Around
the middle of the month, much
colder weather developed and many
markets reported some cases of

"The estimated figure submitted
today, which will not be changed
more than a couple when final re-
ports are tallied, indicates Cali-
fornia has had the best traffic
year in four since 1934," said Chief
Cato.

The greatest number of reduc-
tions were on the rural highways
and reports indicate the lowest
death rate on these roads in the
last ten years, or since the organ-
ization of the Patrol.

gether with the holiday demand,
was responsible for a much more
active market, with both volume
of sales and prices showing im-
provement. In fact, December ship-
ments were heavier than during
any of the past five years, amount-
ing to 932 cars, compared with av-
erage December shipments for the
past five years of 745 cars.

Average prices were lower than
in most previous years. Returns
for the fruit depended very mater-
ially on the sizes shipped. The
300s and larger continued to sell
at premium prices, as the sizes in
the shipments again ran heavily
to 360s and smaller. Much effort
was put forth to place the smaller
sizes on the markets where de-
mand is ordinarily for 300s and
larger, and some progress was
made along this line. However, the
trade in many markets are still
quite insistent on having their or-
ders filled with cars of heavy 300s
and larger. In view of the Decem-
ber rains and favorable growing
weather, it is anticipated that
more supplies of the larger sizes
will become available, which should
be helpful in widening distribu-
tion and securing more carlot busi-
ness in private sale markets.

More than just "the kitchen"

**Make yours a showplace
with modern gas appliances**

One of the cheeriest, brightest places in
your house will be the cooking room when
you "go modern" with gas. For the new
gas ranges, refrigerators and water heat-
ers gleam like polished china.

What is still better, today's gas ranges
are cleaner in operation, too. They have
burners that click to assure correct simmer
setting and that enable you to avoid boil-

overs. Modern burners are non-clog and
broilers are smokeless.

Why not let a dealer or one of your gas
company's representatives discuss kitchen
modernization with you—today or tomor-
row? All appliances are available on easy
payment plans.
