## Over the Fence

By JACK SALYER

### GREEN SHOOTS POPGUN

Green, baffled, angry, and helpless, shot a round of corks at the rainbow when he charged that "dat ol' debil" Lewis and his C.I.O. were in the hands of the Communists. The workers, supposed to be frightened even unto the death, are expected by the venerable Green to come flocking back into the A. F. of L., but they ignored his invitation. He may have remembered the sound advice that Sammy Insull gave his stooges which was "Cry Bolshevik when they start investigating," and his janissaries cried Bolshevik whenever a snoop showed a desire to peer into his utility empire. We may observe in passing that it worked for awhile, but now the populace knows the words as well as the tune. After all, there are only 27,000 paid up subscribers in the Communist party, and since Lewis has nigh onto two million in his union, some of them must be non-Communists. Green is through; everybody kows it except him, and some day it will dawn on him.

## State Offers New Police Training Course Soon

Beginning on Thursday evening, March 11, the first of a series of courses of work in police training will be offered under the auspices of the Santa Barbara State college. This course is a part of state-wide program of training for present and future peace officers for the state of California, sponsored by the State Commission for Vocational Education of the State Department of Education.

The work is open to all college students who are interested in this type of work and who do not carry a maximum program. Credit for the work will be granted through the extension service under Mr. E. E. Ericson.

Training of peace officers of all types is rapidly becoming a scientifically developed program and definite course of instruction and practice are set up by several California institutions according to Mr. Ericson. This program was discussed as a part of the Sacramento Conference in Industrial and Vocational Education, which Mr. Ericson and Mr. Roy L. Soules just attended. The San Jose State college has become known for its offerings along this line.

This field is definitely recruiting future officers from the ranks of college students. A large percentage of the men in the important positions both in the City of Santa Barbara and in the Highway patrol, comes from former students of this college according to Mr. Ericson.

The class will meet at the Santa Barbara City library, on Thursday evenings, from 7:00 to 9 p. m.

## Revue Nears Completion Nightly

Leaders Conduct Rehearsals  
to Perfect Show for  
Presentation

### FEATURES NEW TALENT

Reputation for Versatility  
Assures Ticket Sell-Out  
Each Year

With rehearsals held nightly in the college auditorium, plans for the Roadrunner Revue which will open a week from tomorrow night are rapidly nearing completion according to directors Dave Pollock, Carlos Bee and Sidney Gardner.

The directors assisted by members of the stage show staff and faculty advisors have been putting available school talent through their paces in an effort to utilize the little time left to the best advantage.

### New Talent Seen

Much talent which heretofore has not come to the notice of members of the hilltop campus will make its local debut in next week's show. Among these gifted students are Olive O'Connor, Irish songstress; Marcellus Jones, tap sensation, who has coached dancing students in southern cities; and Edna Arnold, Miss Bakersfield of 1936.

The Anacapa club is donating the services of several of its members in an original skit. Also on the program will be specialty dances, burlesque pantomimes, and song trios, tumbling and many other acts.

According to Sid Gardner, assistant director, who has been connected with previous Revues, this year's program for versatility and uniqueness in presentation will surpass any efforts heretofore given by Staters.

"Students should buy their tickets to the follies early," stated Miss Helen Sweet, "because the college has gained a reputation far and wide for its excellent entertainment, and stage shows of the past four years have had a sell-out for both performances."

## High Seniors Plan Dinner Meeting

The first senior class dinner of the spring semester will be held Friday evening, March 12, at seven o'clock in the garden room of the Carrillo Hotel. The charge for the dinner will be fifty-five cents.

In announcing the gathering, Bill Hoyt, senior president stated that the meeting would be highly important to all seniors, and urged attendances. Mrs. Jane Miller Abraham, class sponsor and registrar, will give much valuable information to the seniors. There will be dancing and cards following the dinner and business meeting.

"We are hoping for a larger attendance to this social evening than any of our previous breakfasts and accordingly the event will serve to create the unity of feeling among the Seniors who are completing their last semester on the campus together" President Hoyt said.

## Star Spot for Irish Ballads

Olive O'Connor Sings Old Favorites

### BY IRENE MINIKIN

Olive O'Connor, featured singer on the Roadrunner Revue next week, has been singing Irish songs and has been interested in music since the age of five years.

Of Irish descent herself, Miss O'Connor was born in Bakersfield, and attended high school and junior college in that city. While in school, she took part in operettas, trios and played leading roles in various stage productions.

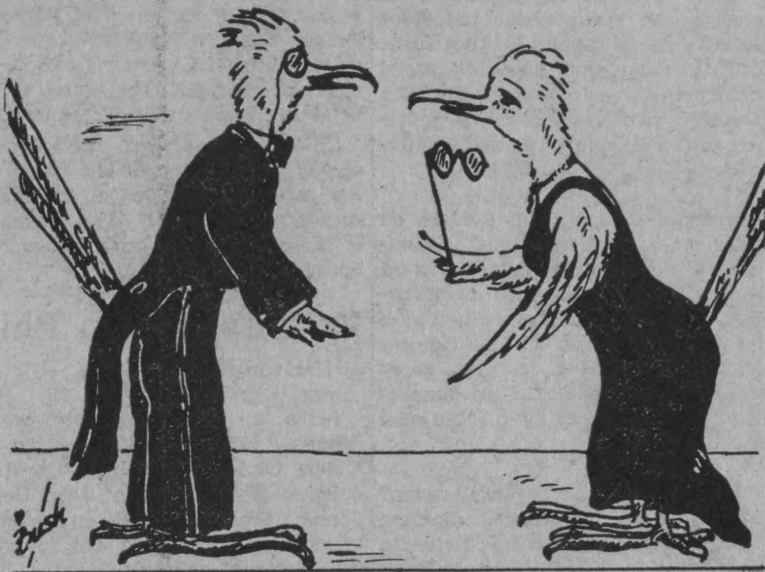

In her senior year at high school, the attractive singer was chosen to represent the institution in a trio

which toured Central California. She had the lead in the annual "Class Stunts" for three consecutive years.

A few years ago, the city of Bakersfield organized a county radio contest, in which Miss O'Connor was the winner. She has also appeared on programs in the South, including Lucca's restaurant.

Especially noted for her comedy and character roles, the titian-haired Stater promises to be one of the Revue's outstanding participants, as she sings the old favorite, "When Irish Eyes Are Smiling."

## Roadrunners Return for Revue

Helen Sweet urges student cooperation as annual Gaucho Follies near completion with Revue cast rehearsing nightly.

## Special Assembly Features Talk

Relative to the dedication of this week, March 7 to 17, as Conservation Week in the state of California, a special assembly will be held tomorrow morning fourth hour. Charles K. Kraebel of the United States Forest Range and Experimental station, will give an illustrated talk on "Water, Soil, and Man."

Alfredo Chavez, assembly director, stated that the speaker is highly interesting and has many pictures worth seeing.

## International Club Holds Dinner

Announcement that the monthly meeting of the International Relations club would be a dinner tomorrow evening, March 11, at 6:15 o'clock at the Mexico City inn, 609 Chapala street, was made today by Mr. Raymond G. McKelvey, faculty sponsor of the group.

Following the dinner, the club members and also the students of the international relations class, will hear Dr. Robert McAlmon, American author and publisher, speak on the revolution in Spain. Dr. McAlmon has, in the past few years, traveled extensively in Europe. He was in residence in Spain at the time of the revolutionary outbreak and hence can give an eyewitness account of the struggle.

Reservations for the dinner should be made today with Allan Frick or with Mr. McKelvey.

## Our Collegiate Colleagues

### RECREATION CHOICES

The students of Pomona college recently conducted a poll to determine what types of recreation they liked the best. The vote was taken on two topics—physical and social activities. The women chose as their first choice the All-College Skate Day; the men seemed to lean more toward a ping-pong club and tournaments. Aside from these mentioned there were hiking, field days, badminton and the All-College Bicycle Day. Under the heading of social activities the women favored the Party-a-Month. Formal and informal musical and dramatic programs, were first with hobbies a close second in votes of the men.

### TRADITION VIOLATORS

Seven violators of the Nevada university traditions were caught red-handed and will be tried and punished by the Upper Division committee. All culprits were lower division students except one who was caught wearing cords on the campus. Most of these will feel the full force of the paddle because they were caught smoking in the halls. Also the committee will see to it that all male members of the campus wear a full grown beard for six weeks during the annual whisker growing spree.

## Frats Sponsor Formal

Lambourne Band Plays at  
Annual Spring Dance  
at Montecito

The annual spring inter-fraternity formal dance, will be held Saturday evening, March 13, at the Montecito Country club, from nine until one o'clock. Bill Poole, head of the inter-fraternity council, announced that Lambourne's eight piece orchestra would furnish music for the affair.

Sponsors of the four fraternities, Gamma Sigma Pi, Tau Omega, Beta Sigma Chi and Sigma Alpha Kappa, and many members of the faculty will be invited guests. In addition to refreshments, novelty numbers by the orchestra and short presentations by pledges of the different fraternities will feature the social gathering.

Members of the inter-fraternity council arranging for the dance include Captain Paul Jones, faculty sponsor; Tom Lindquist, Beta Sig prexy; Robert Johnston, T. O. prexy and Bill Poole, head of the Sig Alphas. Although formal attire will be appropo, dark suits are acceptable.

## W.A.A. Entertains Many Guests

250 students representing high schools and junior colleges in Los Angeles, San Luis Obispo, Ventura and Santa Barbara counties were the guests of the Women's Athletic Association at its annual play-day held on the campus last Saturday morning.

Tib Ramsay acted as general chairman of the day, with Rosie Pagliotti in charge of the program.

Visitors were welcomed in the auditorium by Nancy Clapp, president, and President C. L. Phelps. Games were played in the morning, followed by a luncheon in Ebbets hall.

Eight schools presented stunt programs at the noon meeting.

## Aero-Enthusiasts Hear Lecture Wednesday

The third meeting of the College Aviation club was held last Wednesday, March 3. Mr. V. G. Wilkinson gave a lecture on the theory of flight and opened a general discussion for those wanting to gain more technical knowledge in connection with actual flying.

Since March 3, those interested in model building and flying had access to the general shop and tools for instruction purposes. Membership of both men and women is solicited. Recent Department of Commerce reports show that the number of women in aviation has greatly increased in the past year. The members of the club believe that there are a great number of women in school who would be interested in getting their government pilot's license by attending the ground classes held each week in the general shop.

Flight tickets are available in Fred Allred's office and are good for instruction at the Goleta Airport at the convenience of those interested. Rates are exceptionally low due to the club organization.

Those flying at the airport and taking instructions during the past week include, V. G. Wilkinson, Ed McPhee, Elbert Phelps, and L. E. Miller.

The next meeting will be held at 7 p.m., Wednesday night, March 10, in room 20 in the I.E. building.

### OVER THE FENCE

(Continued from Page One)  
did Sherman, and it was he, in fact, who advised Sherman to live off the land as he advanced so as to be able to keep within firing distance of the retreating rebels. Sherman's crime was a crime against property; that cannot be forgiven. Kill ten thousand men, but don't destroy one barn and all is well. Another reason for the undying hatred nursed against Sherman is that he was a very logical writer. He exchanged letters with the excitable Hood in regard to the war, and exposed the absurdity of the Southern chauvinists. That is another crime; a general shouldn't turn pamphleteer, and use incisive language. He said, to Hood, "You, who in the midst of peace and prosperity have plunged us into war—dark and cruel war—dared and badgered us to battle, insulted our flag, seized our arsenals and forts—turned your privateers and etc, etc. Talk thus to the marines, but not to me".

## GREEK Social-lights

Meeting at their clubhouse at 429 W. Pedregosa, Monday night, members of Sigma Alpha Kappa began plans for the entertainment of the three other social fraternities at a beach party on April 4.

With Bill Poole, president, in charge, the group chose the Hope Ranch Beach Club as the scene of the frolic. Joe Stockill, social chairman, is arranging for the weiner roast. Business of the meeting included regular pledging activities.

\*\*\*

Hearing reports from pledges on their week's activities and discussion of their fraternity formal next month, the Tau Omegans met Monday night at their fraternity house on upper Olive Street. John Coultas and Tom Keating, alumni, were guests of the evening. Refreshments were served following the business meeting.

\*\*\*

For the purpose of a "bull session" of their new organization, Gamma Sigma Pi gathered at the Montecito club on San Ysidro road Monday night. Discussion included plans for an informal dance next month, attendance of the inter-fraternity formal, and a possible date for their spring formal dance. David Westaway, president, presided.

## Indian Skits in Concert

### Ish-Ti-Opi and Partner Appear in Indian Concert

Lobero theatre will present a special matinee featuring a concert of Indian songs and a program of sketches and dances by Ish-Ti-Opi and Ho-Te-Ma-We Friday afternoon, March 12. The price for the performance is 25 cents.

Listed as the entertainment of the program are the songs by the two American Indians, an Indian baritone and a mezzo-soprano. The sketches will be worked out as an interpretation of Indian legends. The dances are in the original fashion of native demonstration.

Ish-Ti-Opi, descendant of Choctaw war chiefs, has as his name what in English is translated as "Ultimate." As well as being a singer, he is a lecturer, author and co-recitalist with Charles Wakefield Cadman.

Ho-Te-Ma-We, maiden of Spanish, Italian and Cherokee nationalities, has a name that is translated "Mockingbird." Her repertoire includes German, French and Italian songs as well as Indian and English airs.

# Helen Jepson tells why she chooses Luckies for her voice

## LOVELY PRIMA DONNA OF METROPOLITAN OPERA SAYS:

"A season of opera and concert means my voice and throat must be consistently in perfect condition. Therefore, although most of my smoking is done while I am on vacation, it is all important to me that I be careful in choosing my cigarette. I smoke Luckies because I enjoy their taste and because I feel it is wiser for me to choose a light smoke for my voice."

*Helen Jepson*

An independent survey was made recently among professional men and women—lawyers, doctors, lecturers, scientists, etc. Of those who said they smoke cigarettes, more than 87% stated they personally prefer a light smoke.

Miss Jepson verifies the wisdom of this preference, and so do other leading artists of the radio, stage, screen and opera. Their voices are their fortunes. That's why so many of them smoke Luckies. You, too, can have the throat protection of Luckies—a light smoke, free of certain harsh irritants removed by the exclusive process "It's Toasted". Luckies are gentle on the throat.

## Frosh-Varsity in Civil War Tonight

### Senior Men Prep for Faculty

Varsity Holds Single Victory Over Freshmen in Past Season

#### PLAYERS RATE HIGH

Yearlings Hold 18 Wins and Three Losses in Career of Hoop Year

"Revenge is sweet so they say I'll take your place someday," and with this thought in mind the Gauchito basketball team will come out from hiding and proceed to throw basketballs and anything else that comes their way at the Varsity in the Armory Gym tonight at 8 o'clock.

The Preliminary will be played between the faculty and the seniors. The has been will be made up of Jones, Wilton, Davis, Harder, and Kelliher.

Repulsed in their first attempt to down the Varsity by a three point defeat the Frosh have strengthened their team and tonight will see them out to gain some revenge for their set back. Part of the attitude taken by the first year men comes because the Gauchos were the first team to stop the fast moving youngsters, and that didn't set so well with the hoop-tossers of '40.

#### Varsity Not Helpless

The Varsity will not, however, be a helpless prey for the Bassett & co. point getters, but will put a team on the floor that has had a lot of experience this season if not a great amount of success. Where Bassett and Ferrante have averaged 11 and 10 points a game, Howsman and Palmer have an average of nine and seven points and this has been kept up while the team was on the losing end of most of the Conference games.

The Big Green came out of a slump to push their last two Conference foes to their utmost to win and even did something that had never been done before when they took a two game series from the La Verne Leopards. The Frosh have a record of 18 wins and only three losses during the season and some of those victories were recorded over the toughest jaysee and frosh teams in Southern California.

The game will have the sharp eyes of Johnny Bassett, Eddie Ferrante, and Bobby Ulrich gunning for the basket guarded by the Gauchos' All-Conference guard candidate, Jim Benton. The offensive thrust of the Varsity will be led by Tooley Palmer, Bill Howsman and Bill Benton.

#### "Willie" Confident

"We're out to get them," was the statement given by Frosh coach Willie Wilton.

### Trackmen Run in Relays

Frosh Sprint Medley Group Cops Second Place

Last Saturday morning the green and white clad tracksters trekked southward to participate in the Long Beach Relays, held on Stephens field at the Woodrow Wilson high in Long Beach. This nineteenth annual meeting of the Southern Pacific Association of the Athletic Union was the second largest in its history. Represented among the approximately 900 entries were 27 high schools, 10 junior colleges, 8 universities, and 7 colleges. U.S.C. alone had 80 entries and U.C.L.A. had approximately 50.

The outstanding performers of the Pacific coast were present, and track and field records were constantly under peril. Some famous stars competing were Walter Marty, Bill Sefton, Roy Staley, Mack Robinson, LeRoy Kirkpatrick, Archie Williams, and Gordon (Slinger) Dunn.

Although this meet was held in early season, there were eight meet records shattered. The classic was conducted in the same fine perfection and dispatch that has heralded previous meets. A crowd estimated at 5,000 witnessed the event.

#### Gauchos Do Well

Although not yet in early season form, the Gauchos did surprisingly well against such fine competition. In the high hurdles heats, Bill (Legs) Gray and Ray Stalmack placed well up in the running. Both placed fourth in their respective heats; however, only the first three men in each heat qualified for the finals. McArthur and Putnam failed to qualify for the finals in the novice 100 yard dash, but received fourth and fifth in their heats respectively. Only the winner and the four fastest second place men out of the six heats qualified for the finals in the race.

In the relays Santa Barbara entered a varsity four man, two mile team composed of Erickson, Shean, Stalmack, and MacDonald, but failed to place. The freshman team of Putnam, McArthur, Gray and Jessup took a second place in the college freshman medley relay. Putnam and McArthur ran 100 yards each, Gray ran a quarter mile, and Jessup a half mile. This team, with Fortress running as an alternate for Jessup also entered the open four man, half mile relay and ran against such notable teams as U.S.C., U.C.L.A., and Stanford, but failed to place.

#### Kelliher Pleased

Competing in the field events for the Gauchos were Elmo Callis and Harold Fortress, who received sixth and seventh places respectively in the open broad jump.

### Horsehiders Take Initial Home Game

Ventura Junior College Falls Before Harder Coached Champions

#### BUSBY LEADS BATTERS

Gaucha Players Take Annual Barnstorming Tour in Easter Vacation

Registering a victory in their initial home encounter of the present practice season, Coach "Spud" Harder's defending championship squad of horsehiders, turned back the Ventura Junior College nine to the tune of an 8 to 4 win, at Pershing Park, last Friday afternoon.

Leading the local hitters with two wallops was "Buzz" Busby. Gaucha Pachydermata (Hippo to the ignorant). The Hardermen were not up to their usual batting abilities as the Pirate chackers let them down with eight hits, while themselves turning the trick to equal the amount of bingles off of "Shires" Erhard, Gaucha chucker.

The Gauchos have once again started to win and will attempt to maintain a spotless record in their next encounter with the Jay See team of Santa Maria, this coming Saturday on the home diamond.

With the annual barnstorming tour looming before them during Easter vacation, Harder has been working his men out in daily workouts to smooth off the rough spots in an attempt to regain the title.

Men performing this year as veterans of last season's team, included Elmo Evans, scrappy third baseman, Jimmie VanMeter, shortstop, Lloyd Erhard, first sacker and pitcher and "Sleepy" Morris, catcher. Footballers Al Young, Busby, and Powell Lee along with sophomores Bill Foley, and Al Bine and "Off again on again" "Cocky" Murray are the horsehiders.

They were jumping against Mack Robinson, Don Skinner, and other notables. In the discus Santa Barbara entered Clark Edgecomb, Jr., who flung the platter 120 feet.

Coach Doc Kelliher, who made the trip with the team, announced that he was well pleased with the showing, but stated that the boys would look better after several more weeks of training.

Ace Players of Pacific Coast Gather in Tourney

Santa Barbara's Community Center gymnasium will be the scene Sunday, March 14 of an open table tennis tournament featuring the paddle-slapping of some of the fastest performers on the Pacific coast. Semi-finals of the tournament are scheduled to begin at 2 p.m. and finals at 7:30 p.m.

One student of the Gaucha campus and two ex-Staters will be among the propellers of the celluloid pellet. Jerry Swatsberg, Pacific Coast champion and city mixed doubles champion, is the Stater entered and Eddie Robbins, California state singles champion, and Louise Lowry, also California state singles champion are former State students in the contest.

Singles and doubles champions of the Pacific coast, Western states, and California and trick shot aces are represented in the persons of Don Siegal, Don Terry, Armando Correr and Bill Weissbruck. Terry and Weissbruck appeared recently in a M.G.M. featured short on table tennis.

Two high school lads of western table tennis fame are entered from the local institution. Victor Lorenz, former Junior Pacific coast champion, and Bill Robinson, former state Junior champion are expected to place well in the competition.

Local devotees of this fast and furious sport have long looked forward to the time when Santa Barbara should play host to a really big time table tennis tournament and it is felt that this event will fully satisfy their hopes.

FRANK DOUGLAS

Towards the end of last December, Wee Willie Wilton, the Wandering Will-of-the-Wisp, issued the following statement, "Are the Varsity men or mice? Will they accept the proffered challenge of the Frosh basketball squad? We have a good team this year and feel that not only would we give the Varsity a good game but we would literally take them to the cleaners!"

After Wilton rendered this into the public eye the Varsity coach, impassive Captain Paul Jones, decided that something ought to be done about this upstart. He turned loose his Big Green and they went to work on the yearlings with the result that the regulars were vindicated by a three point score.

However, Wilton was not yet satisfied that his men did not constitute a better team than the oldsters. Back he came after the completion of the season and again Jones agreed upon putting Wilton's statement to test. Tonight comes the final answer to the question of superiority of class teams. As Wilton struts in confidence Jones shrugs his shoulders and says, "Who won the first game? We can win again if the boys want to."

## Barleycorn at College

Occupying page one under the main heading, "Topics of the Day," in the March 6th edition of the Literary Digest, is an article entitled "Great Boom in Student Drinking" with subheads such as "teetotal enforcement in colleges appears to be crumbling" and "John Barleycorn Goes to College."

Setting out to find the truth, the magazine sent questionnaire letters to 1,475 college heads, 1,475 student editors and leaders. The answers show that student drinking is on the increase everywhere; but there is relatively less drunkenness. They show that students abhor the drunk, admire the man who can drink like a gentleman. Coeds and women students in general have lost their moral revulsion against drinking.

Practically every one of the student editors told of a

plentiful use of hard and light intoxicants by the undergraduate body as a whole. One editor wrote that drinking in his college had increased 500 percent.

From our editorial desk came the opinion that about two thirds of the student body would accept a drink, though would not indulge to excess. Drinking at our own social functions is practically taboo. President Clarence L. Phelps was quoted in the Literary Digest as saying, "Our young people manage their own social affairs through their good taste of values and responsibilities."

The majority of the colleges favor education for drinking, not against it, as a solution of the liquor problem. According to the magazine, coeds are saying, "Let's have another."

## Behind That Curtain

### TWO-SOME AND THEN-SOME

The night was dark,  
(They always are!)

A squishy moon slumped by;  
Fond lovers, like on Noah's Ark,  
In groups of two did fry!

And I was game,  
And so was she;  
Her "line," it got me down!  
I didn't even know her name;  
No less, we "went to town."  
She called me "sweet!"  
Her carmined mou;  
Left smears upon my pate;  
My Arrow shirt, once clean and neat,  
Had met a woeful fate;  
I'd no defense,  
No pistol hid  
To shoot this vampire dead;  
Her perfume reeked, it cost 10 cents,  
Her slimy claws were red;  
She took my coat  
And all my dough,  
My roadster, and my keys.  
I gather I was left "the goat!"  
Excuse me! while I sneeze.
