

CHARITIES CHAIRMEN—"Friendship Bricks for Clinton High School" is the theme of the charities drive to help the people of Clinton, Tenn., rebuild their school. Clinton High School was bombed recently, allegedly by persons who objected to integration in the school. The drive, which will begin Monday, is headed by Sharen Holden (left), chairman and Peggy Wood, chairman of the AS Charities Committee. Seventy-five cartons bearing stickers with the slogan "Friendship Bricks" will be distributed to all departments on campus, residence halls and sororities and fraternities. —Photo by Bob Quittner

SPRING HOUSING DEADLINE TODAY

Today is the final day to file re-application forms with the Housing office for the 1959 spring semester for on campus living quarters, according to Miss Velma Morrell, housing supervisor.

These re-application forms are to be filled in at the housing office. Contracts will be issued at that time. Each student must make his own re-application for housing.

The same procedure will be followed for the off-campus students who desire to live in the residence halls next spring.

Miss Morrell reminds students that unless they apply today accommodations on campus cannot be assured.

Two Comic Movies Will Run Tuesday

On Wednesday, Nov. 12, the Associated Students Assembly Committee will present a double feature of W. C. Fields' comedies, including "Bank Dick" and the famous "My Little Chickadee."

There will be one showing of these films at 3 p.m. and another at 7 p.m. in the Classroom Auditorium.

In "Bank Dick" Fields portrays a tipsy bank guard who almost becomes a criminal until the accidental capture of some bandits makes him a hero instead. "My Little Chickadee" is considered one of the finest W. C. Fields comedies. In this film Fields is aided by Mae West in a satire on westerns.

"Juno" Opens Here Thursday; Playing In Berkeley Today

by Arlen Collier
News Editor

"Juno and the Paycock" by Sean O'Casey will open at the Little Theatre next Thursday evening at 8:30 p.m. The play had its premier performance at the Davis campus last night and will be staged in Berkeley today. The tour is part of the cultural exchange between the various campuses of the University. The play will be performed for Riverside campus on Nov. 24.

The author, Sean O'Casey (along with Eugene O'Neill) is recognized by many as the greatest playwright of the current century. The play was first performed at the Abbey Theatre in Dublin in 1924. It established O'Casey's preeminence in the field of drama.

The play grew out of the Irish Revolution and takes place in a tenement house in Dublin. The characters are universal in their reactions to society. The play is not only a moving story of an Irish family, but a tragic insight into mankind.

Cast Change

Diane Percell who was cast as Juno, the female lead, had to leave the cast because of illness. With just a few rehearsals to go the director, Dr. Theodore Hatlen put Ann Zantop, who was originally cast as the second lead, into Diane's role.

Miss Zantop is a freshman and this is her first play at UCSB. She attended high school at Alen Park, Michigan, where she

won the annual drama award and the most outstanding student award. She studied drama at Interlochen, a music camp in upper Michigan. She played St. Joan in Maxwell Anderson's "Joan of Lorraine", which is every actress's dream. She has also played leading roles in "Our Town" and "Ladies in Retirement."

Allen Knight will play the role of Joxer, a drinking "buttie" of the Paycock. This will be Knight's first major role in a dramatic production at UCSB. He was in the "Hit and Run" review last Spring. In junior college he appeared in such memorable plays as "Hasty Heart", "Time of Your Life" and "Brother Rat."

The Paycock

Dr. Stanley Glenn of the Speech Department will play the lead role of Captain Boyle, the Paycock (Irish for peacock). Glenn directed the first production of the current series, "A View From The Bridge." He has acted extensively in television. Dr. Hatlen in naming Glenn for this role called this "an extremely difficult and demanding one" calling for a person with professional experience. Glenn thinks this is one of the best plays of the century and his role is one an actor can really have fun doing.

The set was designed by Robert Crumb to fold up so it could be taken on tour with the company.

Friendship Bricks: Gauchos Contribute Money for Clinton

by Jerry Bradley
Council Reporter

A "Friendship Bricks" drive to send money to Tennessee's wrecked Clinton high school was set in motion by UCSB's Legislative Council in its Nov. 4 session. Gaucho students were invited to contribute to the drive, running through next week, to show UCSB's approval of Clinton integration.

The Clinton school was one of the first to eliminate racial segregation in compliance with the recent Supreme Court ruling and continued integrating despite threats and violence which culminated in the leveling of the school by dynamite. (See Editorial).

In other action, the council took final steps to adopt an employment-insurance plan for employees of the Associated Students—for instance, the Graduate Manager. An addition to the by-laws provides that the plan will be reviewed when the number of employees receiving benefits from the plan reaches ten.

Council announced that it is sending a letter of commendation to the Gaucho drill team, praising its spirit and fine performance. A letter from Vice-Chancellor Noble relayed university president Dr. Clark Kerr's thanks to UCSB students for their support of Prop. 3.

In All-Cal rulings, council directed that 300 copies of this issue of El Gaucho be delivered to the Berkeley campus for distribution this morning. Chairman Stan McGinley delivered Vice-Chancellor Noble's statement that although today's classes are not dismissed, students who must be in Berkeley for official functions are excused and the scheduling of exams for today is discouraged.

SNIDECOR SPEAKS ON HUMAN VOICE

"The Human Voice as an Instrument for Speech and Song" is the title for the All Cal Lecture which will be held on Tuesday at 4 p.m. in the Classroom Building Auditorium. Dean John Snidecor, Dean of Applied Arts and an expert on the human voice will be the speaker.

As a basis for his lecture Dr. Snidecor considers the fact that "what the voice and hearing can do in speech and sound is something that no musical instrument can imitate. No musical instrument is a direct analogue to the human voice. In some ways the voice operates like a bassoon and in other ways it operates like a trombone. The voice has a unique resonating system."

Different Voices

He intends to develop the differences between the child's voice, the adolescent's voice, the mature male and female voices and the voice of old age. Snidecor considers the male soprano or altered male voice and the esophageal voice the two most unusual.

The esophageal voice, on which Dean Snidecor has done some very recent research, is that voice which is sounded through swallowed air. On this subject Snidecor has just written an article on "Duration and Pitch Characteristics of Superior Esophageal Speakers".

Voice Science

His first publication in the field of speech and hearing came out in 1938. Entitled "Voice Science," it was the first study of this type. A third prominent article on these lines is "Acoustical Studies of Superior Woman Speakers."

During World War II Snidecor worked with the Navy on speech intelligibility under high level noise. After the war he was consultant to Secretary Forestall.

30,000 Students Expected For "Live It Up" Weekend

by Phyllis Fisher, Gaucho Reporter

Today UCSB Gauchos join students from other UC campuses at Berkeley for the opening of the traditional All-Cal Weekend of games, parties and other social activities.

Originating in 1948 under the direction of University Past President Robert Gordon Sproul, All-Cal is one of the largest collegiate functions in the nation. Over 30,000 students are expected to attend All-Cal this year and over 80,000 spectators will attend the UCLA-Berkeley game, according to Art Herman, UCSB chairman who is acting as a liaison between the Gauchos and Berkeley, this year's host.

All-U Meeting

Many UCSB Gauchos arrived in Berkeley this morning and were welcomed by Cal students during a doughnut-and-coffee reception as a kickoff for the All-Cal Weekend. Following this get together they will attend the All-University Meeting which is featuring speakers from the eight UC campuses.

Rally-Dance

Friday night the All-Cal Rally and Dance are the major events for the evening, but will in all probability not be the only function of the evening. The various houses will be having the usual Yankee version of Germany's fasching, in which the participants will exist on quantities of beer and little or no sleep.

Football

Football is the key word for Saturday. In the morning the Gauchos will vie against the Aggies in the UCSB-Davis game. Starting at 2:15 p.m. over 80,000 fans will crowd Memorial Stadium for the UCLA-Berkeley game. UCSB students will have their own rooting section on the shady UCLA side of Memorial Stadium and will take part in the half-time ceremonies.

The 11th annual All-Cal weekend will come to a close Saturday night as individual living groups sponsor open house for "party-time" to all UC students.

RESERVE TICKETS

All season ticket holders are reminded to make reservations soon for the UCSB production of Sean O'Casey's *Juno and the Paycock* to be presented in the Little Theatre Thursday through Saturday, Nov. 13-15 and Nov. 20-22, at 8:30 p.m. Seats may be reserved by calling 7-1221, extension 2248, or 7-1227 evenings.

Poland Prof. Speaks At Science Seminar

A science seminar featuring Professor A. Bajer from the University of Konkov, Poland will be presented Monday in the classroom auditorium, according to Dr. James L. Walters, Associate Professor of Biology. Dr. Bajer will lecture on his newly discovered method of live cell photography. The program begins at 4 p.m.

Professor Bajer has presented his discovery at the International Congress of Geneticists this summer in Montreal. Here it received acclaim from the noted scientists in attendance, according to Dr. Walters.

Since then Dr. Bajer has been lecturing in laboratories and colleges in Canada and the United States. Recently he spoke at the University of Rochester, the University of Chicago, Cal Tech, and UC at Berkeley.

Professor Bajer's development of superior microscope photography now enables scientists to study the actual division of cells with a greater degree of precision.

RHA FORMAL NOV. 14, KING, QUEEN TO REIGN

For the first time in the history of the Residence Halls Association, a royal court will reign over the Fall Formal. This year's theme is "Autumn Swirl."

The dance, held Friday night, Nov. 14, will take place at the Coral Casino (of the Santa Barbara Biltmore Hotel in Montecito) between the hours of 9 p.m. and 1 a.m. The music will be provided by I. Newton Perry and his orchestra.

Male candidates selected by each women's hall and female candidates representing men's dormitories will vie for King and Queen of the Land of the Swirling Autumn of 1958. Pictures of each candidate will be posted in Laguna Commons on Monday, Nov. 10.

Voting will take place the night of the formal and the crowning is scheduled for midpoint in the dance. The King will carry a gold scepter, while Her Majesty will wear a crown of flowers.

The price of bids is included in RHA dues. Presentation of

RHA cards at the door will satisfy the admission cost. Persons without RHA cards will be charged \$1.25 per couple.

"Autumn Swirl" is the first of the many events planned by RHA Legislative Council this year.

Republicans Sweep Survey Election, Prop. 18 Passes

by Kerry Gough, Editorial Director

Although Tuesday's balloting ended in the election of Democrat Edmund G. "Pat" Brown for governor and resounding defeat of Proposition 18, an overwhelming Republican sweep and emphatic approval of the "right-to-work" issue was recorded in the Gauchito Survey Ballot. Voting were 170 students, or about 6.3% of the student body.

William Knowland, Republican candidate for governor, received 111 votes, or nearly twice as many votes as his Democratic opponent Brown, who tallied 56.

KNIGHT WINS

Governor Knight, Republican candidate for U. S. Senate, defeated Clair Engle, Democrat, by 33 votes, scoring 100 to 67.

Perhaps still aware of difficulties in obtaining summer employment because of no union affiliation, UCSB students gave their approval to Proposition 18, voting "Yes" 102 times to 61 "No's."

16 and 17 Defeated

Propositions 16 (taxation of schools) and 17 (tax rates) were soundly defeated, with 125 to 42 on 16 and 118 to 37 on 17. Complete Gauchito Survey Ballot results are listed below.

NO GAUCHO TUES.

Due a conflict with deadlines and All-Cal weekend today, there will not be a Tuesday issue of the El Gauchito. Many of the staff members will be in Berkeley for the festivities.

Also the budget requires that one issue of the paper be eliminated. The next El Gauchito will come out Friday, Nov. 14.

Graduate Work Set For Panel Debate

On Thursday Nov. 13 Epsilon Pi Tau will present a panel discussion on graduate work at 8 p.m. in the New Classroom auditorium.

The panel will be headed by three of UCSB's faculty members. They are Dr. Giruetz, chairman of the philosophy department and author of "From Wealth to Welfare;" Dr. Webb, vice-chairman of the faculty and past chairman of the physical sciences department; and Dr. Seefield, head of the industrial arts department.

Questions for the panel to discuss may be listed and dropped into question boxes to be set up around the campus. The panel will also accept queries from the audience.

GAUCHOS VS AGGIES TOMORROW

All-Cal Final UCSB Prep; 3 Teams Seek CCAA Title

by Tom Morgan, Sports Writer

It's "last chance" week for Coach Ed Cody and his Gaucho grid-ders. The University of California at Santa Barbara pigskinners, involved in a three-team stalemate atop the CCAA standings along with Fresno State and defending kingpin Cal Poly, head northward this weekend to help participate in tomorrow's football-filled All-Cal festivities.

Gauchos 'Hot-Cold'

Sporting a 4-2-1 seasonal card and a 3-1 conference mark, the UCSB crew will help lift the lid on an All-University of California gridiron program when the "hot and cold" Gauchos lock horns with Davis at 11 a.m. in Berkeley's famed Strawberry Canyon.

The first half of the day's traditional twin bill will be followed by an important PCC contest involving UCLA's invading Bruins and Cal's surprising Bears, who are still clinging to hopes for a Jan. 1 Rose Bowl berth.

Final Road Trip

This will be the final road trip of the current campaign for Santa Barbara, and it will be the last chance for the Gauchos to add a bright note to an otherwise mediocre season away from home. Both of UCSB's setbacks and last week's 6-6 deadlock with Occidental were suffered on opponents' home territory, while the Gauchos have mustered only one of their four victories on foreign turf.

It will also be the final chance for Cody to polish his Santa Barbara attack under game conditions, as the Gauchos return home Sunday to await their Nov. 21 showdown with Cal Poly's well-drilled Broncos, the 18th best small college grid power in the nation according to a United Press International poll.

Aggies Seek Revenge

Davis Aggies, who will be gunning for revenge after being whitewashed, 39-0, by Santa Barbara in last season's All-Cal Coliseum duel, will also be hoping to snap a mid-season tailspin. They dropped a 27-14 decision to San Francisco State last week, the same team the Gauchos whipped in their homecoming performance recently, 20-14.

But the string of injuries that had plagued the Gaucho attack all season and kept the campus infirmary at capacity all season has not ceased, with stellar-halfback Duke Ellington being the latest to join the disabled ranks.

Ellington suffered a severe ankle injury in last week's game at Oxy, and Cody will be leaving "The Duke" out of tomorrow's starting lineup so that the fleet-footed Gaucho star will be ready for the all-important Cal Poly clash.

Injured Players

Ellington joins teammates Ken Steele, Ned Permenter and John Crawford in the injury lineup, a lineup that has all but spelled disaster for the UCSB offensive machine.

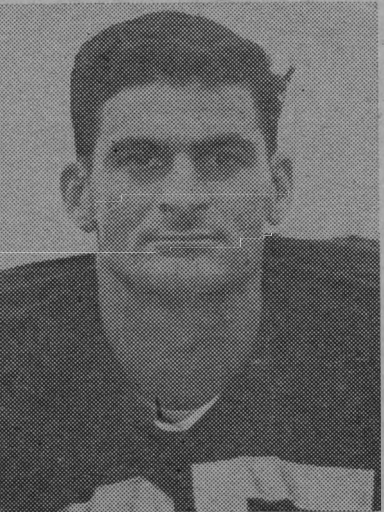

But as long as the husky, hard-charging Gaucho forward wall

and veteran signal-caller Jim St. Clair remain healthy, Santa Barbara figures to prove a thorn in the side of the Aggie squad.

Davis has recovered from an almost disastrous 1957 season, when the Aggies won only a single outing and boasting a squad sprinkled with 17-lettermen, hope to do something about Santa Barbara's 10-4 lead in a gridiron series that dates back to 1938.

Must Wear White

Students must wear white at the football game at Berkeley in order to be admitted into the rooters section. The tickets purchased for the game are not good for admission unless the student has on a white blouse, shirt, etc.

Because of the University building program currently in progress in Berkeley parking anywhere near the stadium is an acute problem.

Educational Discussion

An educational symposium on religion, psychotherapy and philosophy will be presented at the Repertory Theatre Tuesday, Nov. 11 at 8 p.m. Students showing their AS cards are admitted free.

Speaking on religion will be Dr. Berkeley Blake, retired minister of the Unitarian faith. Dr. Prynce Hopkins, fellow of the American Psychological Assn., will speak on psychotherapy and Dr. Hubert Fingarette, Associate Professor of Philosophy at UCSB, will talk on philosophy.

The program is sponsored by the Santa Barbara Mental Health Association.

Wins Fumbled Away . . .

"We should be unbeaten, we're beating ourselves . . . three fumbles have kept us from having an undefeated season," said Gaucho pigskin mentor Ed Cody. He went on to relate how a fumble was a decisive factor in the losses to Long Beach and Whittier and in the tie with Oxy.

While the Gauchos have had altered scores because of these miscues, they hold the conference's second best record. In the bobbles department they are second to San Diego State with 15 fumbles and 8 recoveries.

This writer concurs with coach Cody's remark that the Gauchos should have an unblemished record—it has the potential and with a few breaks and seven points would have a spotless slate.

Pre-game prognostications pegged the Green and Gold as favorites in each contest they did not emerge the victor. In comparison the Gauchos beat both Fresno St. and San Francisco St. while playing the underdog role.

In the All-Cal meeting tomorrow with the Aggies the Gauchos will enter the game as an underdog because of their poor road record.

With two games remaining on the schedule fans hope for a healthy QB Jim St. Clair for if he's injured there is no John Crawford to replace him. But if this happens fans will see the entrance of "T" caller Jerry Huot in the ballgame . . . an untried quarterback in actual game conditions.

Halts Tony Baca, Frank Scott and Pete Westerline with end Gary Knecht have well proved their capability in the last two outings. Regulars, tackle Len McCabe and guard Larry Popkin, have been playing good aggressive ball at their positions while tackle Ray Schaach and center Leon Schumaker are playing their usual fine game.

Having the needed potential on the ballclub the Gauchos efforts will rest on two intangibles in the Aggis game—desire and spirit.

FOOTBALL SEASON HIGH-LIGHT—An unprecedented event was brought about by the Gaucho pigskin squad this season when they beat Fresno 25-22 and San Diego 25-0. UCSB has never been able to beat both colleges in the same season in the series which dates back to 1926.

WATER POLO ALL-TIMER—In its second year of competition the water polo team opened the season in grand fashion and

UCSB's first water victory with an overtime 8-7 win over Cal Tech, Don Smith scoring the winning goal. Even with the 7-3 loss to L. A. State over last weekend the mermen still claim a two win, three loss record. Although water polo is not a large spectator sport it is an exciting contest—fans may see the Gauchos in their home contests in the college's pool.

STRONG FINISH BY GAUCHO HARRIERS UPSETS POETS, 25-31, FOR 1ST WIN

Coach Ernest Carter's UCSB harrier team took revenge and accomplished what the football team didn't do, in beating Whittier last Saturday, 25-31, in a cross country meet while garnering their first win of the season. With three outstanding runners in Joe Zamora, Roland Cordobez and Jerry Mullins, Coach Carter looks forward to the CCAA meet on Nov. 23 with optimism.

While Whittier took the first two place finishes, five Gauchos filed-in consecutively and then a 10th place finish by Gaucho Dennis Cavanaugh kept the Poets from lowering their score.

With a time of 19:03, Poet Don Perez grabbed blue-ribbon honors followed by teammate Phil O'Brien. Zamora, Cordobez and Mullins were first in for

UCSB, in that order, with Robert Oldham and Coyt Davis supplying the then-needed points for the win. Kenneth Bevers finished in the 13 spot to complete the Gaucho finishes.

"I was surprised with the win; the men ran real well—they're just beginning to round into shape. We have some fine runners and when they reach their peak we hope to place high in the CCAA meet," commented Coach Carter.

San Diego, a perennial powerhouse, will be favored again this year as in past years to take the loop title for they've won it for the last six years—ever since Cross Country began having championships.

METHUSLAB'S DIET

Methuselah ate what he found on his plate,

And never as people do now,

Did he note the amount or the calories count,

He ate it because it was chow.

He wasn't disturbed while at dinner he sat

Destroying a roast or a pie

To think it was lacking in granular fat

Or a couple of vitamins shy.

He cheerfully chewed every species of food,

Untroubled by worry or fear,

Lest his health might be hurt by a fancy dessert,

And he lived over nine hundred years!

Make Check List For Cal Weekend Wardrobe Musts

by Pat Gower
Feature Editor

Santa Barbara co-eds, bound for Cal, had better take a quick inventory of their fall wardrobes, if they intend to stand out among our fashion conscious northern sisters.

Make a list of all the events you plan to attend during the big weekend, then plan—to the last hook and zipper—what you will wear to each event. It'll pay, in confidence alone if nothing else, to be prepared.

For that trip on the train, or for a fast shopping spree in the City take along an afternoon dress. The T-strap open shoe, plus the carry-all bag, are fashion extras (a wise gal won't be without), but the hat and gloves are a must in the San Francisco locale.

The true fashion leader this weekend is bound to be the pleated skirt. It's going to show up on thousands of female Cal rooters at the game, at afternoon Open Houses on the row and on the Berkeley campus proper. If cool weather prevails, bring out your new woolen ensembles and team them with the "black-legged look."

With the big items neatly packed away, double check: stockings, at least two pair, seamless; proper jewelry for the big night, "on the town", a coat and/or jacket OR one of the new long shaggy sweaters, and a big purse.

Uniqueness in your personal fashion taste is up to you. All packed? All aboard for All-Cal.

WHERE TO GO FOR ALL-CAL

by Stan Aspittle and
Jerry Bradley
Staff Reporters

There are a lot of interesting sights to choose from in Berkeley and San Francisco, so here's a check-list of tried and true pleasure stops for All-Cal visitors.

RESTAURANTS

In Berkeley; Larry Blake's at 2367 Telegraph Rd. Telegraph is the biggest street in Berkeley and Blake's is the biggest place on Tel. Any time from 7 a.m. to 1 a.m. you can dig the steaks and then go downstairs to the Rathskeller for beer. Unbeat but quite cool.

Spenger's Fish Grotto at 1919 Fourth St. is open daily from 11:30 a.m. to 1 a.m. Great sea food and low prices.

Co-existence Bagel Shop No. 1 at 2461 Telegraph. Beat kids come here for existentialistic pstrami.

North Gate at 1841 Euclid Ave. Sandwiches and folk singing. The place for the Cal crowd.

The Best Beach

In the City; North Beach is neither north nor on the beach. It is, however, headquarters for San Francisco's beat renaissance. Put on your sweater and sandals and fall by Ann's 440 Club at 440 Broadway. Nightly from 4 p.m. to 2 a.m. Young unknowns provide the entertainment from 9:30 'til the cops arrive.

Then go down the block to Finocchio's at 506 Broadway where the entertainers are also nonprofessional. (Finocchio is "fairy" in Italian—Dig?)

Wharf Notes

Tour Fisherman's Wharf or you haven't seen San Francisco. Wander the decks of the *Balclutha*, the old three-masted schooner that saw service around the Horn and in the Bering Straits.

Right next door is Tarantino's with fabulous food and a fabulous view of San Fran's fishing fleet. Try the lobster.

Best In Town

Near the Wharf is Trader Vic's at 20 Cosmo Place. You can TRY to get into this best of San Francisco restaurants from 5:30 p.m. to 1 a.m. Prices are high and the food is sensational.

NIGHT SPOTS

Saturday night drive over the Bay Bridge from Berkeley, contemplating as you do that you are 216 feet above the Bay on the \$77 million six-lane structure—the world's longest.

Park your car at the Hungry i at 599 Jackson. This haven for hungry intellectuals is Mort Sahl's alma mater.

Dig The Sound

While you're at it, the Black Hawk at 400 Hyde St. is the home of Dave Brubeck and often hosts jazz giants like Shorty Rogers and Andre Previn.

DAYTIME DISTRACTIONS

Some of the best things in San Francisco are free. Drive through Golden Gate Park, a 1,017 acre monument to the determination of crusty Scot John McLaren, who fought sand, sea and city hall to make a green oasis out of a duned desert.

For Free

In the park is the excellent Steinhart Aquarium, the North American and African Halls of Natural History, the Japanese Garden—perfect for strolling hand in hand—and the Fleishacker Zoo, topped only by San Diego on the West Coast. All open from 10 to 5 and all free.

If you have some idle time

and an extra two-bits, drive across the Golden Gate Bridge. Largest single-span suspension bridge in the world, the Golden Gate also tops the list for suicides—at least 173.

You might take a look at the Hongwanji Buddhist Mission at 1881 Pine St. This first Buddhist church in America enshrines bone fragments from the body of Buddha given by the king of Siam.

The Mission Dolores on Dolores St. between 16th and 17th is open daily from 9 to 5. Founded by Padre Francisco Palou, this church is the final resting place for many great names of early California, as Capt. Luis Arqueillo, first governor of California under Mexican rule.

The Silver City

You're sure to find other places of interest in San Francisco. It's the kind of City that's always exciting no matter how many times you've been there. After a couple of visits you begin to understand the old Bay saying, "I feel sorry for the chil-

NEWS POLICY EXPLAINED . . .

In an attempt to avoid further misunderstanding concerning the news content of El Gaucho, the Board of Editors makes the following explanation of its news policy.

1. The selection of copy for publication, of necessity, is done by the Board of Editors—the Editor, the News Editor and the Editorial Director. Sports stories, however, are for the most part edited and selected by the Sports Editor.

2. El Gaucho is primarily responsible to the student body in general and not to any particular group or organization.

3. Material submitted to the El Gaucho for publication is subject to editing, even to the point of completely eliminating the story.

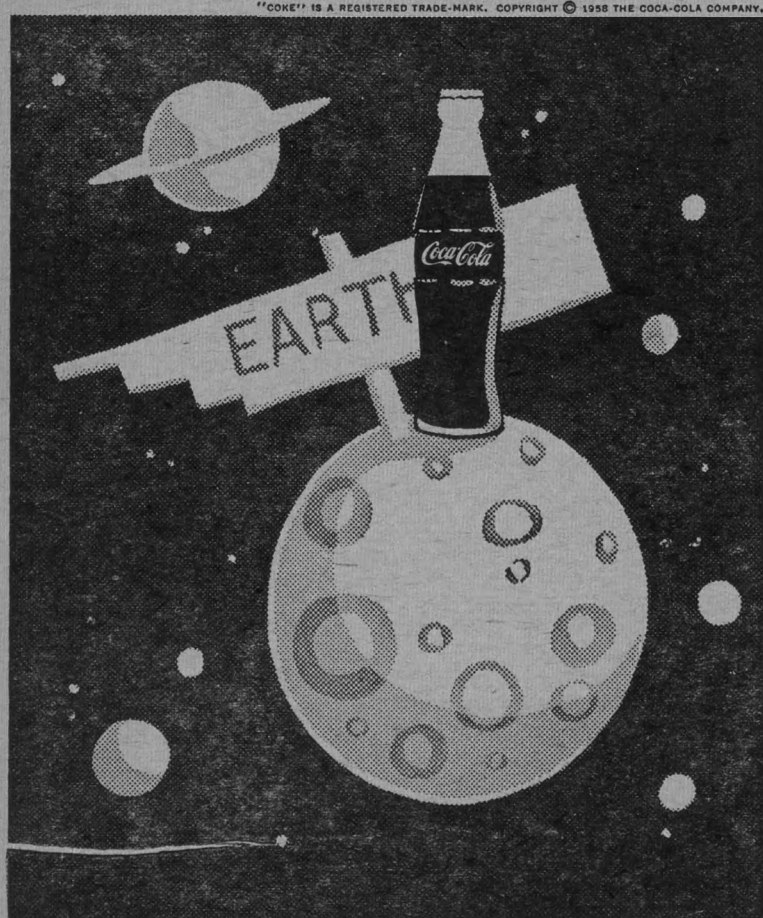

4. Since the El Gaucho is published only twice each week certain limitations are unavoidable. The paper has a contract with the printer which sets inconvenient but necessary deadlines for copy. For Friday's paper the printer must have most of the copy Tuesday afternoon. This means by the time the paper is printed stories newsworthy on Tuesday may be old copy by Friday. Therefore when selecting news copy El Gaucho must be primarily concerned with its news value on the date of publication rather than at the time the story is written.

5. El Gaucho does not have enough news space to publish all the the articles that students and groups feel warrant publication. From 45 to 55 percent of the total space in the paper is of necessity devoted to advertising. With but few exceptions, the Gaucho has had enough copy to fill an eight page paper every issue.

6. Although the Editors of the Gaucho have had intensive journalism experience the paper will continue to hold room for improvement. El Gaucho welcomes any suggestions from students. Constructive comments can either be expressed through a Letter to the Editor, or by personally contacting one of the editors.

COURAGEOUS CLINTON: VOTE "YES"

On Nov. 4 democracy was strengthened in two ways—one major, one minor. Fifty million people had the chance to vote in the nation-wide elections. And twenty-eight hundred students have the chance now to do something that is in some ways just as important.

Series of Seminars On Religious Beliefs

Basic beliefs of some of the major religious groups of today will be explained in a series of religious seminars, "Know Your Religious," sponsored by the Hillel group of the University Religious Conference.

The seminars will be held in the following order:

Nov. 10—Rabbi Kert on Judaism.

Dec. 1—Father Virgil on Catholicism.

Feb. 9—Ishaq Shahrar on Mohammedanism.

March 2—Rev. George Hall on Episcopalianism.

March 23—Mr. Crane on Unitarianism.

April 20—Rev. Weiss on Baptism.

May 11—Bishop Haws on Mormonism.

The seminars will be open to all and will be held at the U.R.C. building at 781 Embarcadero del Mar, Isla Vista. The seminars will begin promptly at 4 p.m. and will end promptly at 5 p.m.

The first of the seminars will be given by Rabbi Max H. Kert and will be on the subject of Judaism. The Rabbi will welcome any and all questions.

On Nov. 4 the Charities Committee launched a "Friendship Bricks" drive for the bombed-out high school in Clinton, Tennessee. Its purpose is to raise money from UCSB students to help the people of Clinton rebuild their school, destroyed by segregationists when it began integrating in compliance with the Supreme Court ruling.

In giving money, the student does more than just contribute to a charity. He casts a vote of approval. Clinton is one of the few Southern communities which have made every effort to comply with the desegregation order. By sending money, the students of UCSB—and of other schools throughout the country—will show that they are with Clinton in this.

It is not important that a lot of money be collected in this drive. What is important is that everyone give something. Every cent is a vote for the law-abiding, against the terrorists. So much publicity has been given the Southerners who resist integration that these Clinton Southern-

ers who, like it or not, have accepted the Supreme Court ruling as the law of the land, may feel forgotten.

Now we have a chance to remind them that they have our respect and approval. How can we refuse?
