# ZELO RESTAURANT AND NIGHT CLUB

First of all, I need to say that Zelo is great for any date, party or group function. I had the chance to try out its food and dance floor at a recent semi-formal with my fraternity. We were served a buffet dinner of spaghetti, teriyaki chicken, bread, salad and the best-tasting steamed vegetables. We reserved the whole restaurant for our 70-person group, and we had the club bumpin'. If you can get enough people together, rent out Zelo and it will give your group a great deal.

For dinner, Zelo has a wide selection of entrees that will suit anyone's appetite. Entrees include crab-stuffed salmon, halibut and a variety of meat and pasta dishes all priced between \$7.95 and \$15.95. The dinner atmosphere is calming, with low lighting, fancy tablecloths and friendly service.

For those who have the desire to drink a little, it offers a well-stocked bar. I had a piña colada, a glass of chardonnay and a strawberry margarita; all were very tasty, and they hit the spot. The drinks are reasonably priced, and you will definitely get your money's worth. So, stop by Zelo for an amazing meal and an after-hours groove in the nightclub. Either way, you are going to end up having fun, and I promise you will want to go back!

# GOLETA CAMERA CENTER

5666 Calle Real  
(805) 692-2050

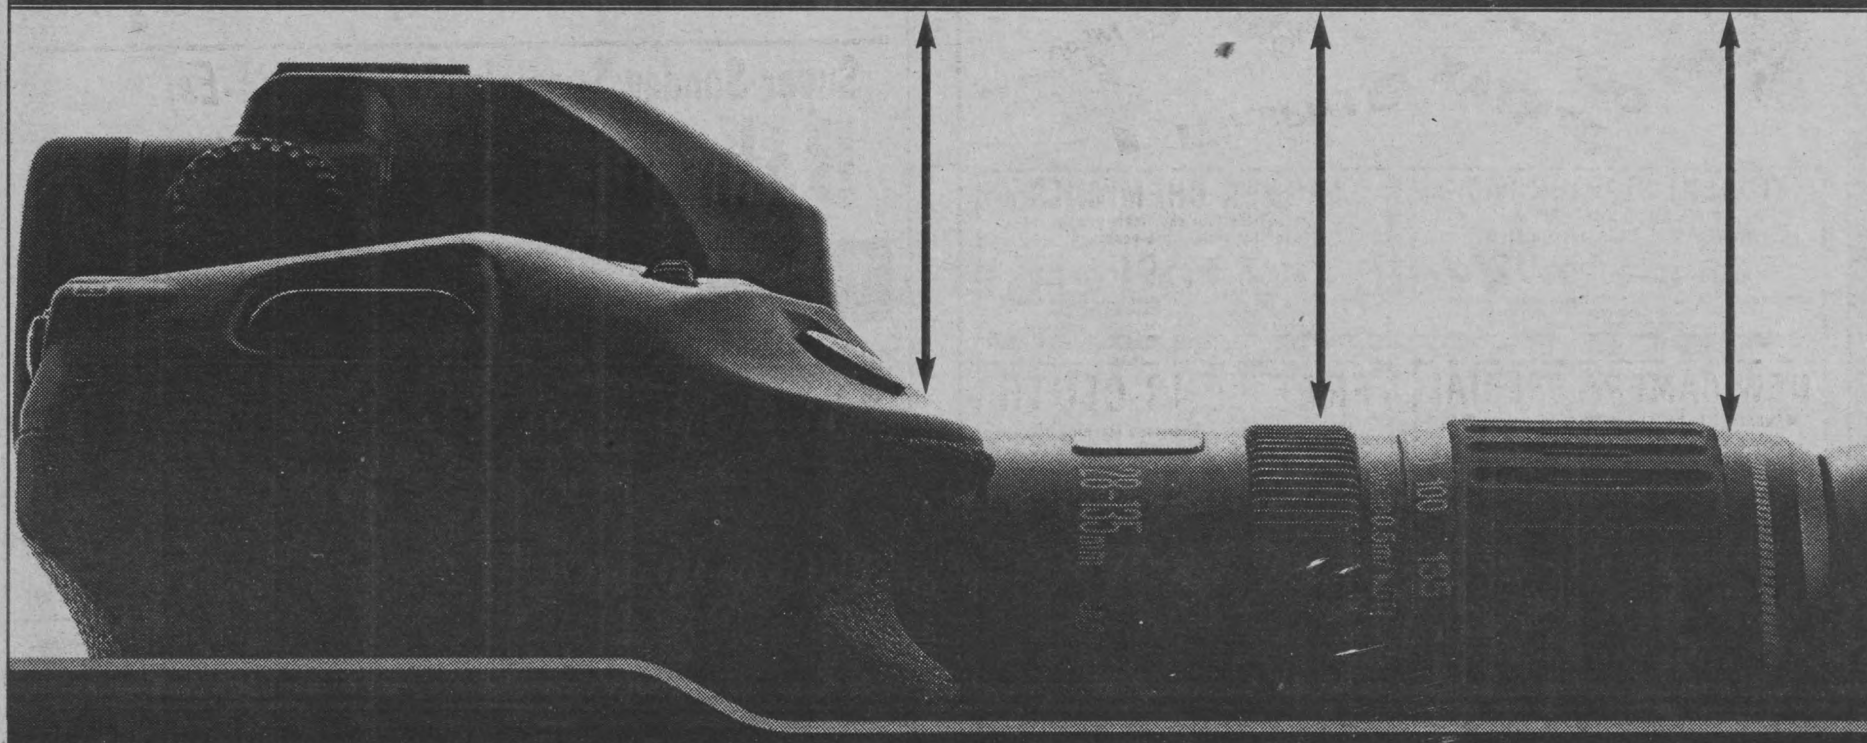

Considering that it was my first time in a professional camera shop, I wasn't sure what to expect. I have searched the market for a good camera for a few months now, and I was hoping that Goleta Camera would be the final destination. Upon walking in, I noticed a large selection of cameras for all levels of experience. Frank assisted me for over an hour, answering my questions about the best camera for my minimal amount of photographic knowledge.

I ended up choosing the Canon Rebel 2000, probably because I wish I could be Andre Agassi (with his money). The store matched another price offer, and I ended up with the best deal for my money. Another great thing is that there is a 10-percent student discount. I used the savings to purchase extra supplies. I highly recommend that any photo newcomer go to Goleta Camera.

For experienced photographers, the store has a wide accessory selection including lenses, bags, tripods and developing chemicals. Goleta Camera is a family-owned business, and Bruce Stein, the manager, informed me that "The key to his success was hiring knowledgeable help with working photographic experience." If you are interested in buying a new camera or want to pick up this fascinating hobby, stop by the store on Calle Real. You won't be disappointed!
