V. Kersey Addresses Conclave

Faculty Takes Part in Cap and Gown Procession

Bands Gives Concert Reception and Dance at Rockwood Ends Celebration

Plans for the 25th anniversary of the founding of the college to be celebrated March 17 on the campus are nearing completion. One of the features of the program in the afternoon will be an academic procession of faculty members in caps and gowns. Vierling Kersey, superintendent of public instruction for the State of California and Lewis P. Crutcher, president of the state board of education, will make addresses.

Luncheon at 12 Noon

Beginning at 12:00 o'clock, state educators, alumni, and college students will meet in Ebbet's hall for a luncheon at which Dean William Ashworth will preside. Reservations for the luncheon may be phoned to Fred Allred, comptroller, and should be made by Friday evening, March 16. It will be possible to secure tickets the day of the event in Ebbet's hall.

In between the luncheon and the 2:30 program, the college band will give a concert in the quad. At the conclave formal addresses will be given on the historical development of the college, the present education standing and the institution's outlook for the future. In the evening there will be a reception and dance at Rockwood. Students are urged by Mrs. Jane Miller Abraham, registrar, to bring their parents and friends. The College dance band will furnish the music.

Committee in Charge

Serving on the program committee for the luncheon and conclave are Miss Winifred Frye, Mrs. Helen M. Barnett, Mrs. Jane M. Abraham, President Clarence Phelps, Dr. Charles Jacobs and Dean Ashworth. Decorations will be in charge of Mrs. Isabel Fish, Mrs. Doolittle, Miss Mildred Freeman, Fred Griffin, and S. O. Werner. Miss Charlotte Ebbets, chairman, Miss Helen Sweet, secretary, Miss Elsie Pond, Miss Edith Leonard, Miss Gladys Van Fossen, Mrs. Laura Price, Mrs. Mary Crosswell, Mrs. Winifred Hodgins, Dr. William Ellison, E. E. Ericson, Hal Davis and Dean Ashworth have been working on the invitation list.

Publicity committee members are Miss Margaret Burke, Miss Della Haverland, Miss Helen Noel, Dean Lois Bennink and Marcus Cravens. Two student committees assisted Marcus Cravens and Dean Bennink. Miss Hazel Severy and Mrs. Abraham are handling the finances. Working on luncheon plans are Miss Edith Churchill, chairman, Miss Florence Clark, Miss Alice Bradley and Mrs. Abraham.

Printing is in charge of Dean Ashworth, President Phelps and Ralph Porter. On the reception and dance committee are Dean Bennink, Mrs. Barnett, Mrs. Hodgins, Dr. Bishop, Dr. Ellison, Dr. Ralph Scanlon and Dr. Frederick Ganzert. Dean Bennink and a student committee will act as hostesses. Campus survey committee members are Mrs. Price, Miss Frye, Miss Clark, Miss Leonard and Harrington Wells. Working on the history book and luncheon program cover are Mrs. Crosswell, Roy Lawthorne and Walter Cheever. Selling luncheon tickets are Miss Ora Willits, Miss Wilhelmina Menken and Fred Allred. Dean Bennink and Dorothy Dowling will handle the tickets for the reception and dance at Rockwood.

Dept. Heads Go to Occidental Campus

A teacher's training conference to be held Saturday, March 10, at Occidental college has been called by Vierling Kersey, state superintendent, according to Dr. Charles Jacobs who will attend the meet. Department heads who will attend the conference are Mrs. Laura S. Price, Miss Elsie Pond, Miss Edith Leonard, and President Clarence L. Phelps.

I OBSERVED:

Georgia Scott out on the break water one moonlight night.

"Humpy" Homfeld display an unlimited amount of attention on the percussion player from San Diego.

Mary Tomlinson admitting that she had a grand time during her few weeks in bed with a cold.

Jean Townsend back on the campus after a case of the measles.

Margaret McKee break a light bulb in the gym, by serving a volleyball too high.

Every seat taken at the Lobero theatre for the All-Southern California College Symphony concert.

Ben Palmer sharing his hamburgers won at the circus in the rope climbing contest with Doris Coker and Beth Briggs.

W. MacLellan Speaks Before Student Meet

"There is a renaissance starting in the Orient and in 150 years the east will dominate the world," said George W. MacLellan, Santa Barbara county treasurer, in his address to the assembly on Tuesday morning.

"For 150 years Europe has dominated the world, for the next 150 years the United States will control the economic situation, but the success of the following 150 years will belong to the Orient. This will come about through economic changes and not through the kind of warfare world has known for the last hundreds of years. The next war will be an economic war. All nations interested in true peace must be willing to sacrifice some of their demands or there will never be an economic peace," the speaker said.

Abandon Modern Warfare

"There will be very little bloodshed in the next 150 years as compared with the last years but there will be an evolution rather than a revolution a bloodless but not necessarily a painless process," stated Mr. MacLellan.

According to the speaker Mexico in the next 25 years will become so Americanized that trade will be carried on over the present borders and no borders will be recognized. This assembly was a joint dean's meeting with extra time turned over to the International Relations club. Mary Smiley, president of the club introduced the speaker.

SPEECH TUTORS MEET IN FRESNO FOR CONFERENCE

Dean William Ashworth, head of the English department, attended the conference of the teachers of speech at Fresno State college Saturday.

The representatives, teachers of speech from the seven State colleges, were entertained by the Fresno Theatre Guild of the college and were asked to be judges at the fourth annual drama final tournament of San Joaquin county high school and junior colleges Saturday evening.

A luncheon, tea and supper party held in the lovely rooms of the College Theatre were given in honor of the visiting teachers.

Dean Ashworth left Santa Barbara Saturday morning with his family and Martin Verhoeven.

Members Take Life Easy as Pledges Strive for Merits

Sorority sisters and fraternity brothers are sitting back and taking their ease these days. Their motto is "Let the pledges do the work."

The pledges are suffering, mostly in silence, and anticipating the coming horrors of "hell week," when, it is said, the brothers have proven that they can be even meaner than the sororities.

Demerits which sorority pledges gain through failure to be respectful, wear pins, obey commands of superiors, can be counteracted by bringing flowers or candy to the very superior superiors. To their credit, let it be said that the superior least severe receives the maximum amount of sweets.

Wm. Ashworth Praises Work of Musicians

By DEAN WILLIAM ASHWORTH

The All-Southern California College Symphony orchestra is an unwieldy title for an organization with such nimble flights as were displayed Tuesday night at the Lobero theatre. In fact, a new level of excellence was reached, surpassing all previous records established by this organization. On all sides there were excited comments on the fine ensemble playing and on certain solo parts carried for a short time by various members of the orchestra. From the gracious introductory remarks by Mr. Henry Eichheim, the orchestra's admirable director, to the final, climactic strains of the Dances from Prince Igor there was nothing to mar the complete satisfaction of the audience as the difficult and exotic music was presented with a flourish and a finish of remarkable degree.

Audience Is Enthusiastic

The audience did its share in rapt attention and enthusiastic applause. Eager spectators make a performance successful. Tuesday night the harmony existing between audience and players was the kind rarely felt even at more outstanding professional performances. The musicians were on fire to play, and the audience was electric in its response. Round after round of applause swept the theatre, and the whole house thrilled with insuppressible acclaim.

Tschaikowsky's Fourth Symphony was the first number on the program. Always a satisfactory number, the rendition at this time was again equally enjoyable. From the very first, the intelligent reading of this symphony was apparent. At once the audience was pleasantly aware of the unity of players and director, and the entire symphony moved majestically to an end highly satisfying to every one. Either

(Turn to Page 2, Column 4)

SYMPHONY HEADS THANK STUDENTS FOR COOPERATION

The executive committee of the symphony wishes to compliment the Associated Students for the spirit of cordiality with which our guests from other colleges were received, and entertained. The impression made upon the musicians was so favorable, that it brought forth much comment that will be carried back to other southern California colleges.

Symphony Successful

The Symphony, a decided success, has proved itself at last, due to the cooperation received through student organization of which Miss Dorothy Dowling was chairman. The organization reached large proportions and included: the News Bureau, under the direction of Miss Margaret Burke; the printing department; the home economics department, and Miss Edith Churchill who fed between 90 and 100 people twice daily; the Roadrunner; the social committee; a welcome committee composed of the presidents of student organizations; campus organizations which acted as guides and transportation committees; sororities which furnished table decorations for all meals, and for the Lobero coffee tables; and other sororities which cooperated

Local Director Will Be Given Engraved Cup

By DEAN WILLIAM ASHWORTH

Leedy Founder of Collegiate Symphonies

Clifford Leedy, State college music instructor, organized the Santa Barbara State college band in 1931 and in the same year founded, with the assistance of Wesley Dickenson, the All-Southern California College Symphony orchestra which Tuesday night completed its fourth annual concert in the Lobero theatre.

He has been a member of the State college faculty since 1929. Mr. Leedy was graduated from Santa Barbara High school and attended Santa Barbara State for one and a half years before going to U.S.C. where he completed his B. Mus. and B.S. degrees. He plans to complete his master's work at the school of music at Yale university. While at U.S.C., Mr. Leedy was a member of the Trojan Male chorus.

In addition to his orchestral interests, Mr. Leedy has studied pipe organ with Harold Gregson of Santa Barbara and Dean Skeele of U.S.C.

Since 1932 Mr. Leedy has been director of men's musical organizations at Santa Barbara State college.

COLLEGE PREXYS MEET MARCH 16

The monthly meeting of the Student Body Presidents' Association of Southern California will be held here next March 16 and 17 in conjunction with the celebration of the twenty-fifth anniversary of Santa Barbara State college 'Founders' day.

The presidents and their guests will arrive Friday evening, according to Marcus Cravens. The dinner and meeting at 6:30 o'clock in Ebbet's hall will start the conclave. A theatre party has been planned after the dinner.

Saturday, March 17, President Cravens is planning a conducted tour of Santa Barbara and Montecito. Such places of interest as the Old Mission, Street of Spain and prominent estates are to be shown the visitors. In the afternoon the visiting presidents are to be the guests of honor at the luncheon and celebration of Founders' Day.

The convention will conclude Saturday night after a dinner in the faculty room of the State college dining hall and the anniversary dance to be held at Rockwood.

Students Asked to Attend Conclave

Reservation for the Founder's Day luncheon to be held in Ebbet's hall, March 17, at 12:00 o'clock must be made by six o'clock Friday evening, March 16, according to an announcement from Mrs. Jane Miller Abraham, registrar. Reservations may be made by calling Fred Allred's office, 28060.

"We are planning an excellent program for this luncheon," Mrs. Abraham stated, "Please plan to attend." Tickets are 75 cents.

Star Writer Will Be Given Engraved Cup

Roadrunner reporters will be eligible for a new trophy known as the All-Star Reporter award which the college paper and Pi chapter of Alpha Phi Gamma, national honorary co-educational journalism fraternity will present in June for the most conspicuous reportorial service during the spring semester. The award will be an engraved loving cup.

Competitors for the award will be judged for their work throughout the semester. Versatility in handling all types of assignments, a consistent effort to maintain professional journalistic standards and dependability in completing assignments are points to be considered in selecting the all-star reporter.

Open to All Students

Students not listed on the reportorial staff at this time may become eligible to compete by notifying the editor of the Roadrunner that they wish to report for the paper. Those holding other positions on the paper may compete by signing up for reportorial service in addition to their other work.

The award is designed to encourage high journalistic standards among those who write copy for the paper and to give suitable recognition to the students who contributed the best reportorial service during a given year.

Register With Editor

Those expecting to compete for the trophy must notify the editor immediately as a complete file of the copy submitted by the competitors will be kept for the rest of the semester.

The committee arranging details of the award and judging the work of reporters includes Ralph Porter, editor of the Roadrunner, Allan Otitley, president of the local chapter of Alpha Phi Gamma, and Miss Margaret Burke, newswriting instructor.

STATE STUDENTS CONCLUDE C.C.C. PROGRAM SERIES

Concluding a series of 15 weekly programs, a group of State college students presented their last entertainment yesterday to members of the C.C.C. camp at San Marcos. Several people dined with the men and officers in the mess hall previous to the program.

Features on the program included numbers by the college dance orchestra and by Bobby Goux and his trio. Evelyn Cregan gave some readings. Mercedes Berger sang, accompanied by Anita Cochran on the piano. Margaret Beddome and Ruth Karges also took part.

This month concludes the six month enlistment term for C.C.C. members and a new bunch of men will take their places.

The series college-sponsored programs, given for the past 15 weeks have included both instruction and entertainment, according to Dr. William Ellison, member of the program committee. Such noted speakers as Dr. Raymond Moley, President Clarence L. Phelps, and David Banks Rogers, curator at the museum, have addressed the men.

Entertainment has included music by glee clubs, the band, and other groups. Twice groups have come to the college to attend plays, once to see "Good Morning, Bill," and at another time to see "Hay Fever."

Volunteer Group Completes Work on Repairing Buildings

"Last weeks activities around the buildings and grounds have practically put everything in perfect condition with the exception of a few minor necessities which will be fixed in the near future," according to Fred Allred, controller, who has been supervising the reconditioning of the gym and other buildings on the campus.

In the men's dressing room new showers were installed and the lockers painted and numbered. The walls were also repaired, and a new system of ventilation put in. Lockers and walls in the women's section were also painted.

Ventura Invites Women to Lecture

Associated Women Students of Ventura Junior college will learn the secrets of make-up at a lecture given by a representative of Max Factor's next Wednesday, March 14, at 3:00 o'clock in the Junior college auditorium.

The women students of Ventura junior college sent an invitation through Betty Hopkins, president of Santa Barbara State A.W.S., to all women students who would be interested in attending the affair.

The play production class and some members of the Player's club are going to attend in a group.

A list will be posted on the bulletin board, according to Betty Hopkins, and anyone wishing to go must sign the list by next Friday afternoon.

Hylton Writes of Successful Meeting in East

Paul Hylton, who has been representing Alpha Rho chapter of Kappa Delta Pi, national honorary society in education, at their national convention at Cleveland, Ohio, will return to Santa Barbara today. He is receiving much valuable information from the conclave and is preparing to pass on this fund of knowledge to his fellow fraternity members.

In a letter received recently by Dr. Charles L. Jacobs, counsellor for the local chapter, Hylton says:

"Just a note to say that I have a wealth of valuable information to present to our chapter when I return. The convention closed at 3:00 o'clock this afternoon, (February 28, 1934) and I am now turning my attention to the N.E.A. meetings and exhibits. I can conceive of no way in which the meetings could have been more helpful or inspiring than were those of Kappa Delta Pi.

Can hardly wait for the opportunity to pass on this help and inspiration to the rest of you. Have decided already that I am going to make every effort to attend the next convocation, no matter where held, or what I am doing. The associations and fine friendships of the past three days will never leave my memory. More of this after I reach Santa Barbara on March 8. Very sincerely yours, PAUL HYLTON.

COUNCIL SELECTS ASSISTANTS FOR S. B. COMMITTEE

Florence Longawa and Jack Porter were chosen by the student council to assist Roger Casier on the extra curricular activities committee at a meeting held on the campus last Tuesday evening.

In an effort to regulate traffic on the campus and to prevent disturbing noises while classes are in session, the council selected a committee consisting of Ralph Porter, Harry Killian and Fred Allred.

The exact date for clean-up day has not been decided upon yet but it will coincide with the all Santa Barbara clean-up week, according to an announcement by Melville Homfeld, representative of the activities committee.

Mrs. Katherine Kitley reported on the W.A.A. convention which will convene here in April. The convention will include two delegates from various schools in the states of Wyoming to Mexico.

Added Restrictions

"The restrictions are such that only about one-half of the allotted 69 students will be placed," President Phelps stated. "To be eligible for government jobs students must have no funds with which to continue their college education. A difficulty in establishing the Federal Emergency Relief work on the local campus lies in the fact that there are two times as many women enrolled and in need of work as there are men, while available jobs are chiefly outdoor work. All of the work carried on under the student aid fund will be done on the local campus proper," President Phelps asserted.

Dean Asks Students to Register for Work

All men needing work this semester should leave their names in Dean William Ashworth's office, according to Ray Dutcher, in charge of the Men's Student Employment bureau.

Last semester of the 13 men who filed applications for work, all received work. There were positions open to 26 men and since there was only 13 applications over half of the positions had to be refused, according to Mr. Dutcher.

National Gov. Aids Students

Two Other Teachers' Colleges Obtain Federal Funds

Jacobs Directs Work Money Will Be Used for Campus Projects

Santa Barbara State college this week became one of the first California institutions of higher learning to benefit under a system of state emergency relief grants for part-time employment of needy students, with the announcement by R. C. Branion, state relief director, that President Clarence L. Phelps has been granted \$1035.00 per month to employ 69 students during the current month.

Pomona college and Chico State Teachers college were the first two institutions in the State to receive this Federal aid.

Dr. Jacobs Directs

Dr. Charles L. Jacobs, appointed by President Phelps to direct the employment on the local campus, in an interview late yesterday gave the following facts in regard to the Federal Emergency Relief program: "For some weeks President Phelps has been working on some means for securing aid for needy students.

"The allotment for this institution seems to be \$1035 per month. There are, however, restrictions, or conditions, which may make it difficult, if not impossible, for us to withdraw the total appropriation. These restrictions are that 25 percent of students reporting and assigned to work must be students who have entered since January and furthermore, it is required that at least two-thirds of those employed under the aid must be women since the proportion of women to men in our school is two to one.

"Students who are interested in being listed for this aid should call at the Associated Student Body office and sign the register there."

Work to Be Done

By using this money Santa Barbara State college will be able to employ 69 men and women for part time work monthly for an indefinite period of time. This aid which will amount to about \$15 per month per student will be in the nature of pay for services rendered here similar to that for which the college already pays students and includes work in the library, dining hall and grounds, and other campus buildings.

Wages will be apportioned on the same basis as is at present used on the local campus, namely, 40 cents per hour for ordinary labor, and 50 cents for employment requiring considerable skill.

"Assignments to employment will be made within the provisions of the limitations already mentioned and upon the basis of need and in order of registration," stated Dr. Jacobs yesterday.

Added Restrictions

"The restrictions are such that only about one-half of the allotted 69 students will be placed," President Phelps stated. "To be eligible for government jobs students must have no funds with which to continue their college education. A difficulty in establishing the Federal Emergency Relief work on the local campus lies in the fact that there are two times as many women enrolled and in need of work as there are men, while available jobs are chiefly outdoor work. All of the work carried on under the student aid fund will be done on the local campus proper," President Phelps asserted.

Dean Asks Students to Register for Work

All men needing work this semester should leave their names in Dean William Ashworth's office, according to Ray Dutcher, in charge of the Men's Student Employment bureau.

Last semester of the 13 men who filed applications for work, all received work. There were positions open to 26 men and since there was only 13 applications over half of the positions had to be refused, according to Mr. Dutcher.

Official publication of the Associated Students, Santa Barbara State college, Santa Barbara, California. Edited and published weekly on the State college campus. Entered as second-class mail matter Sept. 17, 1926, at the Postoffice, Santa Barbara, California, under act of March 3, 1879. Subscription price, one dollar per year, 50 cents a semester, mailed.

Student Emergency Program

Failure of students to fully understand the significance of the Federal Emergency Relief program, which was recently granted to this institution, has prevented many from signing the petition that was posted on the bulletin board in the administration building. After hanging on the board for three days, the petition was removed to the student body president's office with only five signatures attached to it. Evidently students mistook the federal student relief to be a charity matter or misunderstood the value and operation of the program offered to them.

The money in the federal relief fund is offered to those students needing assistance while attending college. It is not given to them, but opens a pathway for needy students to earn money during their spare hours while attending school. The work to be performed is limited to varied projects on the local campus. The work will be allotted to women as well as men; and each job will be delegated to a person capable of efficiently handling the work. According to the rules regulating the local allotment, more women than men students must be employed in the Federal Emergency Relief work on this campus. This apportionment was made because the majority of students registered in Santa Barbara State are women.

It is also necessary that one-fourth of the students securing help from the fund are freshmen that have entered this institution during this semester. According to Dr. Charles Jacobs, who is in charge of the program on the local campus, it is still possible for students, who have been held out of school because of financial difficulties, to enter for this semester's work and secure help through the emergency federal relief work. You might assist a friend or acquaintance by informing them of this opportunity.

It seems a shame that more students have not availed themselves of the opportunity to secure aid from the fund. It surely is no more disgraceful to apply for work with the federal government than it is with a local resident or a local business establishment, and by attaching your name to the petition you have simply made application for work. The federal emergency relief program was outlined to assist students in their financial problems. Make use of the program if you need help. Dr. Jacobs will assist you if you are in doubt about any of the provisions.

Success of Symphony

Tuesday evening's performance of the symphony was an example of how a thing can be done when all departments of the school get solidly behind it. For the first time Santa Barbara was made really conscious that the intercollegiate symphony was something worth supporting. For the past three years musicians have increasingly realized the possibilities of the symphony. This is shown by the fact that each year the orchestra has improved upon the previous year's performance, speaking from a musical standpoint, until such a group as was heard Tuesday night could be assembled and produce such a concert in 16 hours of rehearsal.

The success of Tuesday's concert was not due solely to any one factor in the school or off the campus. Many factors were present in the organization of the concert this year, which contributed greatly to its success. First of all Henry Eichheim's consenting to conduct the orchestra again gave the assurance that the musical end of the concert would be in capable hands. Then the assurance that the student body was backing the project with an appropriation permitted the concert to be given in a place more suitable for such an occasion, as is Lobero theatre. In the third place, through the splendid cooperation of the State college committee of the chamber of commerce and the Santa Barbara Woman's club, the ticket sales were virtually taken out of our hands and put across for us. No little appreciation should be extended to those two bodies for the fact that the concert was as brilliant financially as it was musically. Finally, the newswriting class under Miss Margaret Burke's direction deserves credit for the fine way in which the publicity for this project was handled. The State College News Bureau furnished publicity material for all three of the downtown papers in addition to stories for the Roadrunner over a period of six weeks, news stories which were sent to papers of the home towns of the visiting musicians.

These factors stand out above the rest in importance as contributing directly to the success of the symphony but these alone would have been powerless without the smooth running which existed in the many minor committees, and the cheerful cooperation which was given by many of the individual students and faculty.

—C.M.G.

RAFT ENJOYS SPORTS

The agility and strength developed by George Raft in the boxing ring and on cabaret and theater stages, proved an unexpected boon to him in the most strenuous work of his career, the dances he brings to the screen in Paramount's "Bolero," coming on Sunday to the Fox Arlington theater.

In the "Bolero" number, the climatic dance of the picture which is executed to the savage strains of Ravel's famous composition, from which the picture takes its title.

SOCIAL GROUPS ATTEND CONCERT

Actives, alumnae members and pledges of Tau Gamma Sigma, and Delta Zeta Delta, social sororities, attended the concert given by the All-Southern California Symphony orchestra Tuesday evening.

Tau Gamma Sigma's attending were Phyllis Cole, Thelma Fent, Esther Ibsen, Betty Roulston, Barbara Clark, Lois Jo McPeeters, Marjorie Williams, Deborah Taggart, Betty Roome, Helen Mattson, Merle McGowen, June Marie Ryce, Sue Knox, and the patroness Mrs. Helen Barnett. Following the concert the group were guests of Barbara Clark at a buffet supper and bridge party held at her home, 116 East Valerio street.

Members of Delta Zeta Delta attending were the Mesdames Ester J. Ludcke, Jean Powell, Lester Girsch, and the Misses Helen Smith, Esther Clevering, Rose and Betty Greenwell, Julia Lynch, Georgia Lyons, Carrol Zerby, Elizabeth Leonard, Florence Stewart, Margaret Beddome, Lita Boeseke, Lois Leonard, and Lillian Talbot, and the patroness, Mrs. Jane Miller Abraham.

Paul Hylton Gives Report of Conclave

Kappa Delta Pi, national honorary educational society, will hold its regular monthly meeting Wednesday evening, March 14, at 7:30 p.m. in the faculty dining room, to be open to members only.

Roy Smallwood, Santa Barbara violinist, will play several selections during the evening.

The greater portion of the evening will be occupied by Paul Hylton, president of the local chapter, who will present a report of the national convention of Kappa Delta Pi, held at Cleveland, Ohio, February 26, 27, and 28, from which he is returning to Santa Barbara today.

Mr. Hylton was sent to the national conclave as a delegate from Alpha Rho chapter.

Plan Spring Meeting for Pacific Academy

Local representatives of the Pacific Southwest Academy met on the local campus yesterday to formulate plans for a convention that will be held in Santa Barbara April 17.

The topic for discussion at the spring convention will be "Crime and Delinquency." Members of various women's clubs, university clubs and colleges which are affiliated with the Academy will attend.

The convention was planned by a committee consisting of President and Mrs. Clarence Phelps, Dr. H. J. Profant of the Santa Barbara University club, Dr. William Ellison, Dr. Kost Skelton, Miss Margaret Whittemore, Arthur Evans, Dr. Charles Jacobs, and Dr. Elizabeth Bishop.

Students Thanked for Cooperation

(Continued From Page One)
to clean all the coffee service used at the Lobero, after the concert.

Of special mention is the work of Dorothy Dowling, and Thomas Merrill on the housing project which was efficiently planned and carried through by an expert staff of workers.

The executive committee is certain that the Associated Students wish to join in extending sincere thanks, and congratulations to Henry Eichheim, through whom such a musical triumph for the college was achieved.

PATRONISE ROADRUNNER ADVERTISERS

The LONGBOW

By A. R. O.

The stir that Upton Sinclair, the socialist sage of Pasadena, has been making lately in his early campaign for the governorship of this state has recalled our once reading his rather startling book "The Goose Step." To the pronounced capitalist that book should bring a flush of shame, and to the general college student it should prove a bit edifying, to say the least. Never have we seen college officials and the controlling elements of our universities so castigated. It was first published by the author at Pasadena in 1923, and in the paper binding edition costs about \$1.20.

That popular dance, the carioca, which was brought to the attention of many local collegians in the recent showing of the picture "Flying Down to Rio," may be only a creation of Hollywood or some American dance master, instead of being the real Brazilian product. Dr. Ganzert, who not only knows his Brazil from "a" to "z", but also from the capital "B" to the "I", assures us that carioca means a native of Rio de Janeiro. The word comes from the Indian and means "house of the white man" It was applied by the Portuguese settlers who settled in what is now the beautiful city by the Sugar Loaf.

American interest in South America has been quite pronounced in these past few years, but our personal interest in the southern continent rests principally in the past,

when great fleets of sailing ships carted enormous quantities of nitrates and guano from the West Coast to Europe and our East Coast ports. The Germans before the war, with their great Hamburg shipping firm, Reederei F. Laeisz' Flying "P" line, were particularly active in the nitrate trade. Alan J. Villiers, writing in his book "Grain Race," says that Chile declared war against Germany in 1918 for no other purpose than to seize the dozens of magnificent big German steel windjammers that had taken shelter in Chilean ports during the war. Historians should be interested in that point.

Now that Random House has brought out the first licensed American edition of James Joyce's brow-raising book, "Ulysses," we fear that there is going to be a goodly lot of startled college students who unwarily dip into the book for some source in contemporary novel. The experience, we feel, will be novel. "Ulysses" was first published in 1925 in Paris, but no other country would knowingly allow a copy within its borders. And some critics believe it to be the most significant novel of modern times. A friend of ours once smuggled a copy in from Canada (where it was thought they had all been suppressed) but it was snatched away from us before we had read even to the third chapter. A recent court decision has at last permitted its publication in this country, and we are among the eager ones to see what it really is all about.

Sophomore Soliloquies . By Chris Martin

It is the opinion of the writer that something should be done about it. Last Tuesday we had the pleasure of having a speaker come to State and give much of his time to deliver a talk that most students would walk a mile to hear.

But, before the man could get to the platform and listen to about fifteen minutes of announcements pertaining to various activities and dances to be held in our institution. This is not the first time this has happened. Other speakers have gone to much trouble to make a scheduled appearance in our school and then are required to sit upon the stage and listen to student announcements. Why can not these announcements be placed at the end of the program and perhaps save a bit of the speaker's time?

Tuesday night the school presented the Southern California Collegiate Symphony orchestra. Undoubtedly the most far reaching activity the school presents. How many fraternities postponed their meetings so that students could attend? Their argument was that they had already postponed their meetings the night before for the dance. Campus organizations? Phooey.

"THEY'RE MORE REFINED"

Mrs. Crowell Gives Class in Applied Art

4-H representatives from Ventura, San Luis Obispo, and Santa Barbara counties will gather on the State college campus Saturday to receive instruction in arts and crafts at the request of E. F. Smith of the County Agriculture department of Santa Barbara county.

Courses will be under the direction of Mrs. E. T. Crowell, head of the art department. Book-ends, books covers, thong plaiting, and toy making will be among the arts taught. The purpose of the conclave is to prepare 4-H members for direction in summer camps and their own individual clubs.

At present 55 representatives have signed. Miss Churchill will serve luncheon in the dining hall for the guests.

Mrs. Crowell attended the convention in December at Morro Bay meeting several state leaders in extension work. She has been invited to present a series of lectures at Santa Cruz during Easter vacation giving instruction to 4-H clubs in arts and crafts.

Glee Club Practices for Coming Concerts

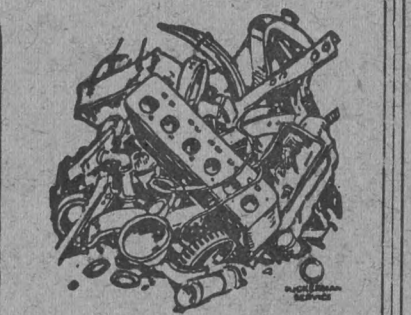

Plans for three programs to be presented in the near future by the men's glee club and the band, are being formulated by Clifford Leedy, director of the organizations.

A home coming concert will be presented in the Santa Barbara State college auditorium on March 16. The band is scheduled to give a program at the Founder's Day celebration in the auditorium, March 17, and glee club members will sing at the Presbyterian church on March 18.

Class Demonstration Attended by Faculty

Elementary school principals of the southern section met in Santa Ana Saturday for discussion of elementary class demonstrations led by elementary teachers. After each of the 16 demonstrations a discussion group led by the teacher was held.

Miss Edith Leonard, Mrs. Laura Price, and William Scalapino, principal of the Jefferson school, attended the conclave from Santa Barbara.

CLUB SCHEDULES CABIN TRIP FOR COMING WEEKEND

Outing club members and all others interested are invited to make an over-night trip Saturday and Sunday to the Juting club cabin about two miles above Paradise camp. This is one of the regular scheduled trips of the club, and following the customary procedure, the charge for non-members will be 35 cents and for members 25 cents, according to Willis McCullough, Outing club cabin manager. This fee will include only the barbecue lunch Sunday noon. Those who will remain over night are expected to take their own meals aside from the Sunday lunch, and they should provide their own blankets.

Those who expect to drive cars to the cabin on Sunday are requested to meet at the college at nine a.m. in order that those who need transportation may be provided for. Chiefly through the efforts of Fred L. Griffin, club sponsor, and several of the members, the cabin has recently been completely furnished and is in much better condition than heretofore," said McCullough the first of the week.

Dancing, cards, hiking, swimming, baseball, and other activities will furnish ample entertainment for those making the trip this weekend.

Three Teas and Easter Vesper Service Planned by A. W. S.

Three teas in addition to an Easter vesper service are on the calendar as A.W.S. activities for the semester.

The date for the Easter Vesper services has been set for March 22 in the Women's club room.

Another tea on the schedule is an annual event given about two weeks before school closes in June for senior girls of the local high school.

Working on the constitutional revision committee are Margaret Keeley, Elizabeth Leonard, Miriam Firkins, Betty Hopkins and Dean Lois Bennink.

CHOOSE NEW MEMBERS

Eight new members of the Gnome club were chosen at a dinner honoring the prospective members at the Plantation last Monday evening.

Members chosen were Laura Coats, Effie Gill, Shirley Warner, Dorothy Ritchie, Connie Allen, Stella May Smith, Katherine Cornwall, and Miriam Alexander.

Campus Coffee Cup Capers!

The disappointed trio, Al Scott, Bill Hoyt, and Jack Von Eflaw, were all singing the blues Monday night 'cause their gals stepped out on them.

"Here we sit in the C.C.C. And there is the girl With whom I should be But the guy is an awful Lot bigger than me"

"So off I go to rove the Sea." Ben Palmer, sports editor, fed his three "Supremes" won in the rope climbing contest to Doris Coker and Beth Briggs.

Ida Lindsey affianced to Harris Brakeman, staff member of the institution, visited the hamburger bean brummel over the week end. She's the belle of Glendale J. C. and Brakeman the exchime of L.A.J.C. He's grinning like a fox.

Advertisement for Victor the Florist, featuring a corsage illustration and contact information at 135 E. Anapamu, Phone 28667.

Advertisement for Radenbeck's sandals, featuring an illustration of a sandal and text: "SANDALS! ... For Parties ... For Dancing ... For Street Wear ... For House Wear ... THEY ARE HERE ... At Prices You'll Like \$3.45 - \$3.95 - \$4.95"

The College Widow

Weary feet, sore shins, temperamental eyes and little ambition ... a few results of the week-end lengthened by the Symphony Hop.

Judging by the number of people who walked out of assembly Tuesday, guess we don't like folks who read the newspapers on the platform.

Eyes like Madge Bunch. Ambition like Bod David. Ability to get away with things like Lillian Talbott.

Chic-Chat

Spring's sprung! (So goes the saying) And isn't it too lovely out of doors to be in classes?

Linen, piques, poplins, ever-fasts, muslins, silks—plus many other materials all are finding popular places in fashion—in the style books and on THIS campus.

Taking a glance about the campus we find Phi Kappa Gamma's prexy, Kathryn Myers, wearing a dainty yellow and brown two-piece linen. The skirt is yellow and so are the short sleeves and shirt-waist collar.

Georgia Scott—the tall, big brown eyed one, chooses a bright but soothing-to-the-eyes, green everfast for one of her wash dresses.

CLUBS SPONSOR SAINT PATRICK'S DANCE AT HOTEL

Carrying out the "wearing of the green" motive the annual inter-club's dance will be held Saturday, March 10, at the Vista Mar Monte hotel.

In accordance with the Saint Patrick's theme, the programs will be of green paper with a gold shamrock on the front, and the hall will be decorated with green and white streamers.

The dance is open to all club members and each member can invite one guest. Sponsoring the affair are the following clubs: Gnome, Hui Eleu, and Po Ko How.

Last semester's inter-club council consisting of Irene Parker, chairman, Jo Newstetter, Evelyn Maitland, Lucille Bolton, Edvena Elliott, and Clara Jensen are making plans for the occasion.

Doug Hoags six piece orchestra will provide music for the dance.

Ashworth Praises Symphony Concert

(Continued From Page One) better players make up the orchestra this year, or they are learning to play together with more effective ensemble.

Original Numbers Popular The two Oriental numbers composed by Mr. Eichheim himself were received with flattering applause. Exotic, impressionistic, weird, and strangely fantastic, these sketches captivated the audience with a tingling excitement.

Retiring and incoming officers of the elementary education department were entertained at a dinner Wednesday evening at 6 o'clock by Mrs. Laura Price, head of the department.

Guests invited included Robert Serbian, president of the department for both semesters, Marcelina Rabuffi, Marguerite Audureau, and Georgia Lyons, incoming officers; Wandalyne Linker, Irene Parker, and Marvine Jones, retiring officers.

Miss Barbara Clark Hostess to Friends

Barbara Clark was hostess to a group of friends at her home on East Valerio street Tuesday evening following the All-College Symphony concert.

Guests included Lois Jo McPeeters, Sue Knox, Betty Roulston, Deborah Taggart, Ruth Dowling, Thelma Fent, June Marie Ryce, Helen Mattson, Merle McGowen, Esther Ibsen, Margie Williams, Phyllis Cole, and Betty Roome.

Know Your Own Campus

Santa Barbara State's library offers a wealth of research material for its students.

Approximately 25,000 books and pamphlets are now among the collection. At the present time the educational section is the strongest with extensive reference offered in history, English literature, and classical foreign books including French and Spanish works.

The library subscribes to 148 magazines, two local newspapers, the Los Angeles Times, the Saturday Review of Literature, the London Times, the New York Sunday Times, the Statesman and the English publication of Nation.

Twice a year the library receives some current publication of international relation problems from the "Carnegie Endowment for International Peace" to encourage the study of international relations.

Of interest to students and faculty is the exhibit case in the front of the library. Various exhibits of interest are contributed by faculty and students. Displays from the library and Lincoln library are also used.

The largest Lincolnian collection west of the Rockies is offered in connection with the main library.

Miss Johnson Hostess at Formal Dinner

Miss Helen Johnson was hostess at a formal dinner last Saturday evening, March 3, at "Emoha," home economics department practice house. Guests included Mrs. Muriel Edwards, superintendent of schools of Santa Barbara county, and Dr. and Mrs. Charles Jacobs of the faculty.

The home economics department will sponsor a noon dance in the school cafeteria next Wednesday during the lunch hour. An invitation has been extended to all students to attend.

Department Officers Entertained

Retiring and incoming officers of the elementary education department were entertained at a dinner Wednesday evening at 6 o'clock by Mrs. Laura Price, head of the department.

Guests invited included Robert Serbian, president of the department for both semesters, Marcelina Rabuffi, Marguerite Audureau, and Georgia Lyons, incoming officers; Wandalyne Linker, Irene Parker, and Marvine Jones, retiring officers.

Plan Tea to Raise Funds for Trip

In order that the kindergarten-primary department may go on a booster trip to the south in May, members are giving a benefit tea to the student body Sunday, March 11 in the Women's club room from 2:30 to 5:00 o'clock.

Publicizing the department, about 12 college women and a faculty adviser will appear before junior colleges and high schools of southern California.

RETURNS HOME

Mrs. Helga Strandskov, freshman student who entered State in February, has been removed from the St. Francis hospital to her home.

State Honors Visitors With Sport Dance

Acting as hosts to students from several southern colleges, the fourth annual Symphony Hop was held Monday night at Rockwood, from 8:30 to 12:00 o'clock, under the auspices of the associated student body.

In the opinion of many who attended, "success" was again the word going around the campus the following day. The novelty of the affair was in the fact that the symphony students had been playing classics and then enjoyed themselves with "jazz."

The hall was appropriately decorated for the occasion with red and white streamers over the orchestra and on the balcony. A large welcome sign was in the background of the orchestra. Many favorable comments were made about the novel way in which the dances were announced. The numbers were announced through the use of a folder representing music.

Frank Greenough's orchestra played for the evenings dancing. Don Coker, Frank Gilmore, Mercedes Berger and Bob Goux offered several songs as entertainment. Faculty members present were Mr. and Mrs. Arthur Barnett, Miss Elsie A. Pond, and Dean Lois Bennink.

Sport Comment
By BEN PALMER

Swish! Can those tracksters run? Probably never before has there been such an interest displayed in track. At the present time intramural track is being run off with great success although the turn out hasn't been as good as it might have been if the rains hadn't broken into the middle of activities. If the weather is O.K. during the rest of the week all events in intramural track should be finished by Friday.

State's new athletic field in Mission Canyon is in a nice setting and with a great deal of labor could be made into an excellent place for athletic contests, however it is not a place to hold contests between colleges. There is no place for spectators in the first place and the soil is not suitable for such sports as track. This has been shown during the intramural contests as the running time of almost all of the races have been very slow. Hard and soft places are found in the track, nor is it level on the straightaway or banked on the turns. This year we have a very fine schedule as far as track meets are concerned and all home meets will probably be held on Phelps' field.

Speaking of schedules the baseballers have a very fine schedule also. Be sure to note the games that are at home as State should have a good team this year and every college student should enjoy seeing them.

All-Stars Take Close Basketball Tourney

Fighting one of the closest games of the season, the Treloar All-stars took a game from the Jayvees last Saturday night by a score of 29-23, the game being played in the old junior high gymnasium.

During the last minute of the game referee Kelliher called a foul on Harry Killian and Gibby Martin of the All-stars made both of the foul shots. The decision of Kelliher was loudly booed by the spectators who witnessed the match as the referee seemed to have his eye on the locals all during the game, calling fouls right and left.

Those that played for the Treloar squad were Cy Treloar and Gibby Martin, guards; Bud Treloar, center; and Little Gibby Martin and Barrick, forwards.

For the locals Mahoney and Moore, forwards; Moss, center; and Douglas Kirkpatrick and Killian, guards.

Young Democrats Trounced by Jayvees

Last night the Junior Varsity squad under the direction of Harry Killian beat the Young Democrats by a 26-21 score in the junior high gymnasium.

A new whiz-bang guard, Earl Jensen, played his first game last night. Although a little weak on defensive was excellent on offensive.

High point men for this game were Mahoney with nine digits, Moore with eight, and Morrissey tallying seven baskets. Bell accounted for the remaining two.

Bell acted as captain and filled the center position. Others in the fracas were Moore and Mahoney, forwards, and Morrissey and Moore as guards.

This was a fast and hard fought game.

Aztecs Winners of Basketball League

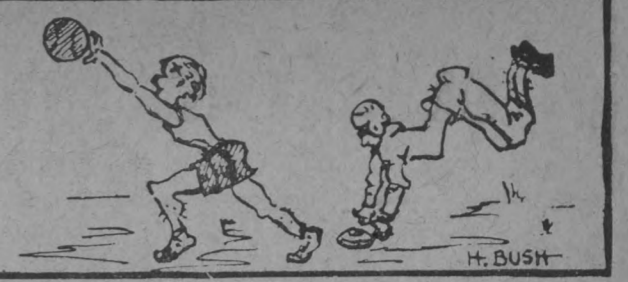

With two wins over the La Verne college Leopards, San Diego State college became the southern California intercollegiate basketball champion for the 1934 basketball season. Redlands took second, Whittier third, and La Verne tied with Occidental for fourth place.

San Diego won the two games by 46 to 38 and 32 to 25 scores. Martie Carter of the Leopards took all scoring honors in the Conference this year by scoring a total of 147 points in 12 games played, an average of 12.25 points per game.

SPORTS

BEN PALMER—Sports Editor

LOYOLA TRACKSTERS HERE SATURDAY

BASEBALL TEAM BEGINS SEASON

Schedule Opens With Santa Maria Sat.

By FRED HENDRIXSON

Baseball season was started in earnest Monday afternoon when 11 men reported to Pershing park for tryouts for the Roadrunner nine this year. Already facing one of the strongest schedules in the history of State's baseball activities Coach Hal Davis is at present trying to arrange a game with the U.C.L.A. nine in the near future. Definite arrangements from three of the Southern Conference teams, namely Occidental, Caltech, and La Verne college.

"Pomona and San Diego are definitely out of the conference running this year, due to lack of financial support," according to Coach Davis. "The Seattle Indians are at present practicing on the Pershing park diamond and we will endeavor to arrange at least two games with them to fill in some of the vacant dates left open by Pomona and San Diego declining from conference competition," said Davis.

Interest Shown

Practice is being held every afternoon at Pershing park at 4:00 o'clock and anyone interested in trying out for the team is requested to report as soon as possible. Thirteen men reported for the second night of workout and Charley Hoffer reported last evening for the first time at State.

The Roadrunners open their season's games Saturday afternoon when they meet Santa Maria J.C. there. Fritz Zapf has quit school to begin surveying work for the government and his loss will be greatly felt by the local nine during their present season.

Competition High

Killian, Drennan, and Hoffer are trying out for 1st base; Stockel, Muegenburg, Harry Moore, and Lebeck, are competing for 2nd base. Muegenburg, and Lebeck are the only ones out for short, and likewise Ball is the only man out for catcher, and Muegenburg, Miller, and Boucher will twirl the ball for the locals. The fielding positions have as yet not been chosen, according to Davis, but there is plenty of good material for these valuable places, he asserts.

Warren Rouse, a transfer from University of California, is out for practice with the Roadrunner nine, but as he is ineligible, according to conference rules, he will not compete with other conference teams.

"I look forward to great things from Rouse next year on the local campus, as he was pitcher on California's varsity last year," said Davis in an interview yesterday.

Charley Hoffer is expected to show up quite well, as he has had several years of experience in the east. This is his first year on the local nine since he entered college here about three years ago.

State's probable lineup for the Santa Maria game Saturday is as follows: Killian, 1st; Lebeck, 2nd; Muegenburg, short; Ball, 3rd; Aspitte, catcher; Boucher, pitcher. Fielders will probably be Stockel, Moore, and Drennan.

Locals Resume Track Meet as Weather Clear

Even though rain left Phelps' field muddy and extremely wet, the State track men returned to the battle grounds last Monday to continue the postponed intramural track and field meet. As a result of Monday's and Tuesday's events SAK increased the lead to an unchallenged first place with 42 points. BEX is second place with 27 digits and is followed by Q-Z, 23 1-2, and A-P with 17 1-2. Tau Omega holds the cellar position without dispute with no points.

Monday afternoon at Phelps' field two extremely spectacular events took place. "Doc" Kelliher, BEX, took first place in the pole vault with a vault of 11 feet 6 inches, and Bill Crow stepped out and ran the 440 yard dash in 53 seconds to win.

"Greek" Rezzonico, Q-Z, captured the second in the pole vault to keep the BEX from getting a clean sweep in the event as Bill Lasarzig and Harry Killian placed third and fourth respectively. Bill Crow was followed across the finish line in the 440 by Cravens, A-P, second; Dick Jackson, A-P, third; and Johnny Westwick, SAK, fourth.

The 100 yard dash featured Tuesday's events, and it was won by "Doc Iron Man" Kelliher in the fast early season time of 11 seconds. Rezzonico, Cravens, and Crow, all

Carter Top Scorer at End of Season

San Diego	5	1	833
Redlands	5	1 1/2	769
Whittier	4 1/2	2	692
La Verne	4	2	667
Occidental	3 1/2	3	533
Pomona	3	3 1/2	461
S.B. State	1	6	167
Caltech	0	7	000

LEADING SCORERS

Carter, f, La Verne	12.20
Wilson, f, San Diego	9.25
Bostrum, f, San Diego	9.13
Pupis, f, Oxy	8.90
Linkletter, c, San Diego	8.60
Kitch, c, Redlands	8.22
Glecek, g, Pomona	8.00
Longaere, f, Pomona	8.00
Peterson, f, Redlands	7.33
Meyerette, c, Whittier	6.72
Calvert, g, La Verne	6.33
Chisler, c, Whittier	5.70

lighter men, were slowed up by the softness of the track, but finished after "Doc" in the order named.

The second event was the 880 yard run won by Julio Bortolazzo, prominent frosh distance runner of last year. Johnny Westwick and Dave Larsen finished second and fourth respectively, giving SAK three places in this event. Third place was capped by Ashed, A-P.

Other events that have been run off are broad jump, won by "Doc" Kelliher, BEX; shot put captured by Willis "Tiny" McCullough, SAK; javelin taken by George Harper, SAK; high jump won by Allan Garber, SAK; and the discuss and hammer won by "Tiny" Roe, Q-Z.

Junior Varsity Meet Phantoms Friday Evening

Friday night the Killianites hope to take a step upwards in the Open League by defeating the Phantoms. The games is to be played at 7:00 in the junior high gym.

At the present time the Jayvees are holding down third position, the same position that they ended the season with during the last half of the Open League tournament. The Phantoms hold second place and are in close running to take the lead before the season ends.

Losses of Captain Pensinger, due to outside activities; Allan Garber; and Willis McCullough will hurt the Killianites a great deal during the remainder of the season. However, with the addition of the new material gained this semester; the new star, Earl Jensen; and the new manager-player, Bob Lowe they will be well compensated for losses.

"The Phantoms are a tough team," says Harry Killian, "and have been bolstered during the second half of the tournament by a new center."

"Cheesy" Robbins is the new man on the Phantom team and plays center. With Chet Myers, who has been playing a bang up game all season, that team should be very difficult to beat.

Interest has been lacking with the Junior Varsity men, but with new material and a good chance to win a top position, the spirit is growing.

STATE GINDER MEN PRACTICE FOR INITIAL TRACK MEET OF SEASON

Loyolans Bring Many Men to Enter Events

Beginning a season that looks far brighter than any for many years at Santa Barbara State college, the Roadrunner tracksters are meeting Loyola in a meet here next Saturday afternoon on Phelps' field.

According to Coach Denno, State has much good material out this year, thus the locals should show up well against the invaders. The results from the intramural meet which has been running for some time also shows that competition will be high for any college that tackles State in a track and field meet.

Enthusiasm Revealed

The Roadrunners will not have many meets with conference teams this season, however, almost every Saturday the local men will meet some organization or participate in relays about the country. As real enthusiasm is being revealed through the conversation of the track men, on the campus, they should show real pep in contests.

Line-ups for State college have not been issued as yet, however, "Doc" Kelliher, "Tiny" Roe, George Harper, Willis McCullough should show up in the field events, while

State's Baseball Schedule Is Full

Bortolazzo, "Doc" Kelliher, and Bill Crow will probably help lead in the distance runs and sprints.

Many Participate

Loyola has a very large group of tracksters. In the sprints, including the 100 yard, 220 yard, quarter mile, and half mile they will probably use McCEachen, Callanhan, Reeder, Atzet, Pichett, Berry, Ganahl, Vandrier, Kellogg, Gain, Cantu, Hoss, and Sweeney. Distance runners, including the mile and two mile, will be Franklin, Metrangola, Casey, Stember, Rogan, and Dundas.

On the field Loyola will use in the shot: Duvall, Quinlan, MacDonald and Murphy; discus, Ferrari, MacDonald, and Murphy; javelin, Ferrari; high jump, Weber and Fox; pole vault, Jeffries, Bower, and Cebirlio.

Why — Men and women say They Satisfy

FOR SOMETHING to "satisfy" you, means that it pleases you—that it's what you want. This applies to cigarettes or anything. A cigarette has to taste right—not raw or too sweet. For a cigarette to "satisfy" it has to be mild—not strong, not harsh. You can prove for yourself whether a cigarette is milder—whether a cigarette tastes better.

And it's because smokers can prove these things about Chesterfield that so many men and women say they satisfy. Try them.

Chesterfield

the cigarette that's MILDER · the cigarette that TASTES BETTER
