TIMES WRITER PRAISES LOCAL COACHES; HORSEHIDERS DROP TWO

Braven Dyer, sports writer for the Los Angeles Times, in his Sunday column had some noteworthy comments about Santa Barbara's Coaches and athletic possibilities—"It was like old times to see Stan Williamson, Nick Carter and Clarence Bishop in Santa Barbara. Certainly they're three of the greatest athletes ever developed in Southern California.

"Williamson captained the 1931 Trojan team which defeated Notre Dame at South Bend, 16 to 14, in the greatest of all S.C.'s thrillers. If I live 'till I have a beard down to my belt buckle, I'll always see Stan shooing Homer Griffith off the field as Johnny Baker lined up to kick the field goal which broke Notre Dame's winning streak of 25 straight.

"Out of the service, as are Carter and Bishop, Williamson is grid coach at Santa Barbara, and they say he's rounded up plenty of talent for next fall.

"Carter's track coach at the same institution. Until Louis Zamperini and Roland Sink came along, Carter was the greatest mile runner ever produced in these parts. Good as Louis was and Roland is, I'd like to see them in a race against the Carter of 20 years ago. That would have been something."

In the same column it was stated that if cooperation can be had from Stanford, California, S.C. and U.C.L.A. an annual relay could be held at Santa Barbara patterned after the very successful Fresno Relays.

The interest shown by the local sportsmen and the press is another indication that the Gaucho athletic policy is on a rapidly increasing up-swing.

May 11th, the 2C2A track and field conference meet was held for the first time since 1942. Santa Barbara took a 14-man squad to face star athletes from San Jose State, Fresno State College and San Diego State.

Our local baseball nine played two of its better ball games the last week of the season, as an eleven inning 1 to 0 contest lost by an error to College of Pacific climaxed a seven-hit pitching duel for "Tuf Luck Pitcher" Ralph Keegan. Saturday's game with San Diego State was another one to cry over as Dale Scott hurled a 10-inning ball game only to lose on an error in the outfield.

Information from the Director of Public Relations at Fresno State College reveals that the Bulldog football team for next year, whom Santa Barbara will play October 19th, will once again be led by Jackie Fellows, All-American half back in 1942. and with eighty men out for spring practice it spells TROUBLE and a tough day of football for the Gaucho come next fall.

Attention! All members of Phrateres. Phrateres' election of officers will take place Monday, May 20, in the Quad. Remember to vote.

'Klean-up Kids' Billed In Phelps Field Frolic

Clean up day for Phelps Field has been definitely set for the weekend of Saturday, May 25 and Sunday, May 26. Dick Brians, clean-up chairman, states that the main part of the work of rejuvenating Phelps Field will be done on Saturday, and the final details of the housecleaning are to be finished up the following day.

Sorority women, fraternity men and all those students affiliated with other campus organizations are urged to promote the increase of student interest in this urgently necessary clean-up campaign.

The work of hoeing and burning weeds, and of cleaning, sweeping, and whitewashing the clubhouse will begin promptly at 8:00 a.m. Saturday morning, and will continue through 12:00. At noon hot coffee and refreshments will be served gratis to all of the volunteer student workers.

Artists Elect Rankin President

In preparation for next year, the art department, now under the leadership of Mirrle Abbott, elected Jerrie Rankins as president, June De Bode, as vice president, Doris Saverud as secretary, Lawrence Mosher as treasurer and Margilou Breslin as display chairman, at a recent meeting.

The new officers are planning the department's annual combination sketching party-weenie bake to be held Sunday, May 26 at the bar-b-que pits at East Beach from 2:00 until 6:30. "The gathering will be free to those art majors who have paid their dues," states Jerrie Jenkins, chairman of the affair. Those interested in attending should sign up as soon as possible on posters provided in the art foyer and outside the art office.

Revue Presents 'Ruptured Duck' in Final Performance

Final performance of the Roadrunner Revue will be held tonight in the Riviera auditorium. Opening Wednesday night, this year's annual musical show, written on the "Ruptured Duck" theme, has played to two near-capacity audiences.

In addition to the acts presented by the directors of the show, Fred Burrous and Mel English, several short skits are worked into the regular routine and during intermissions, sponsored and presented by the dramatics department and other groups on the campus.

Lively competition between campus groups pushing ticket sales during the past two weeks has pyramided attendance for the Revue's three performances.

ATTENTION VETERANS

"Student Veterans", the newly organized club for Santa Barbara College men and women veterans, will hold a special assembly Monday, May 20, in Room 80 of Pine Hall at 12:30, to introduce the purpose and plans for this organization for the coming semester.

Dr. Aeggeler, sponsor, Dean Jones, dean of men, and Mr. Woodhouse, coordinator of veterans' affairs, together with members of the organization committee will be present to briefly outline the purpose of, and the benefits derived from such a club.

All interested veterans are urged to attend and support the ideals of the student veterans.

Vets Wives to Gather for Tea

In an effort to help the wives of college veterans become better acquainted with each other and to come in closer contact with the college and its activities, the College Chapter of the American Red Cross in conjunction with the Associated Women Students will sponsor a tea this afternoon at the Rockwood Women's Club from 3:00 until 5:00.

In charge of the affair is Mrs. Francis Karpe, Red Cross Chairman, with Kay Updegraff taking care of food, Sally Dunlap, entertainment, Elsie Tatum, invitations and Mirrle Abbott, decorations. Joan Frye is acting as chairman of a group of girls who have volunteered to take care of children who might otherwise keep some of the veteran's wives home.

Veteran students are asked to urge their wives to attend.

Subject "A" examinations for all students who have not yet completed this required examination will be held in the auditorium on Friday, May 25, at 1:00 p.m.

Dead, Wounded or Missing

From Gaucho papers of past years, organizations and traditions which has fallen as war casualties, and have not been revived as yet, have been found, checked, and tabulated. As a reference for individuals and groups who are interested in bringing back these factions that had become so much a part of the campus life, these former clubs and traditions may act as both suggestions and incentives.

Blue Key

Blue Key is a national honorary service fraternity. Organized in 1939, it included members with high academic standing, elected by the active membership. Principal activity on the campus was handling the sale and exchange of used texts at the beginning of each semester, simplifying the present system of lists and phone calls. Brother club of Crown and Scepter.

Gavel and Key

Gavel and Key was organized with the purpose of building up school spirit, impressing the student body as to the value of traditions on the campus, and sponsored an annual dance during the fall semester. Membership was the same as that for the Blue-Key. Brother club of Big Sisters.

Sophomore Squires

Possibly the most colorful service club on the campus. Members of the Squires were chosen during the spring semester by the president of the Freshman class. Their function on campus was to "orient" the incoming Freshmen during the following year. Many of the Freshman traditions originated from the Squires, who were recognized by their white sweaters and gold shield.

Most of the freshman traditions have been dropped during the past few years. The practice of wearing green "freshie" beanies has not returned, although the tradition that stemmed from this practice, the Mud Brawl will be held this term. The Sophomore Squires supervised the beanie wearing, as well as the production and sale of college windshield stickers and megaphones for athletic events.

In the field of originality the following episode of freshman "treachery" might be placed:

During the freshman initiation in 1923, a neophyte climbed the tallest eucalyptus tree in the court and hung a large green flag from the highest tip. The story relates, "It did not take the upper classmen long to notice the flag, and in a few seconds the scene assumed the air of a Bolshevik house-warming." After a rough and tumble melee, a sophomore took three shots at the flag without knocking it down. The freshmen drug out the fire hose and the battle started anew. It was not until requested by President Phelps, that the freshmen removed the flag and contentment returned to the campus.

Alpha Phi Gamma

This national journalism fraternity, with its preparation club, Fourth Estate, is in the process of

rejuvenation, and will urn active this term. Sufficient membership has been difficult due to the lack of journalism majors in the student body. Xi Omicron Pi, graphic arts fraternity, was discontinued when publication of the college paper and annual at the Mesa print shop was stopped during the war.

Five Footers

Santa Barbara's chapter of Five Footers received some national publicity for uniqueness during its short history. Membership in the club was restricted to girls not more than five feet all, presumably in socking feet. The club has been inactive for several years now.

Affiliated Greeks

Traditions started by the various Greek social organizations on the campus have suffered from lack of attention for some time now. Some of the returning veterans may remember when the Beta Sig Mardi Gras carnival was an annual event on the social calendar. Omega Rho Gamma, now inactive, always attracted a good crowd for their Gaucho Derby dance during the spring semester.

Tau Gamma's "Hat Revue" dance is almost a forgotten memory now, even among the sorority members, and it has been several years since Sig Alphas held their annual fashion show, at which fraternity members picked the most beautiful model as queen for their Spring ball. Lost, strayed, or stolen, is the huge Victory flag prepared by members of Alpha Theta Chi, and presented to the student body, to be raised on the campus in recognition of every Gaucho victory.

College Night

As a publicity move as well as a goodwill producer, the college used to present an annual College Night program, to which the Santa Barbara townspeople were invited. Organization on the campus sponsored and presented skits, music, and varied entertainment on the program. On the same scale was the PE department's annual Gym-Jinx, a program of exhibitions in tumbling and calisthenics.

Spinsters' Hop

Santa Barbara's adoption of Sadie Hawkins day, in late November has always been the Spinsters' Hop, at which time the men arm themselves against the wiles and attacks of the gals who are out to do or die in catching a date for the dance. The hop was sponsored by the A.W.S.

This Sunday at 1 p.m. the Budget Busters, (I.E. married men's organization) are throwing a big shindig at Hendry's Beach. The policies and activities put into effect next semester will depend upon the officers you elect. We hope to see all of those who are interested in the welfare of our organization present.

ANNUAL BANQUET

This semester, as in previous years at this time, the I.E. club will give the traditional annual year-end banquet. Much planning and preparation is going into the affair, which should prove to be as interesting and successful as it has been in the past.

The dinner will be held at 6:00 p.m., Wednesday, May 29. Tickets for members of the I.E. club are 25 cents. Tickets or guests are \$1.25. Club members are invited to bring their dates.

FRESNO TRACK TEAM COPS TOP SPOT IN NORTH STATE FOUR-WAY MEET

Fresno, with 67 points, copped, as expected, the 2C 2A Track Tournament at San Jose last Saturday afternoon. Fresno was closely trailed by San Jose with 62 points and San Diego won the fight for third with 21 points to Santa Barbara's 15. Three new meet records were established by Jean Lamour, Fresno State shot putter, with a toss of 50 feet 1 1/2 inches; Willie Steele, San Diego broad jumper, with a jump of 24 feet 10 inches, and Merle Mertin, Fresno hurdler, with a 23.6s in the low hurdles. Don Smalley of San Jose equalled the meet record in the 100 with 9.8s.

Coach Carter's appointed squad-captain-of-the-day, Wally Cole, was the standout man for Santa Barbara by taking a first in the high jump at 6 feet, and a third in the 880, in which the first three men did the unusual in that they all ran the distance under the very fast time of 2 minutes flat. The winning time was 1:56.3 by Knowles of San Jose. Cole's point total was 7.

Ed Grabast was up against a whale of competition in the form of Lamour. Ed's commendable throw of 46 feet 3/4 inches placed him second, the spot he was favored for. Ray Cathcart was the only other Santa Barbara man to place twice. He pulled a fourth in both the low and high hurdles against an unusual fast bunch of competition in which records were smashed. The same can be written

A general assembly will be held next Tuesday for the purpose of judging the fight songs entered in the college contest, and approving the budget for the 1946-47 college year. It is urgently requested that all students attend this assembly next Tuesday, 4 hour, in the college auditorium.

about Bill Morgan as the field he ran in the 220 was headed by Smalley who tied the meet record in the 100-yard dash.

After a season of good races but not altogether too consistent running, Mel Patton still lacking his pre-war form, gave evidence that he was getting there anyway. He showed slow and steady improvement throughout the season and his fourth place against record breaking competition was well deserved.

The same day at San Jose our golf team placed third with our tennis team placing fourth. They both were up against a little more competition than anticipated.

Singles Finals in Badminton Set

With two titles already secured, finals in the other badminton events of the annual intramural tournament are scheduled for completion this week.

Joan Anderson and Mal Morehouse defeated Pat Barnes and Warren Finley, 15-4, 15-2, to win the mixed doubles title, while Miss Anderson and Annabel Blue defeated Mary Lou Lewis and Edna Tonello 15-12, 15-6, in a close contest to clinch the women's doubles championship.

I.E.s Initiate Four Pledges

Four members of the I. E. department will be honored Thursday evening, May 23, when they will be formally initiated into Pi Sigma Chi, national honorary industrial education fraternity. The ceremony will take place on the Mesa campus at 7:00 p. m. The four members being admitted to the organization are Mike Hartunian, Bill Monson, James Phillips and Stanley Wauchope.

Swimmers Vie in All-College Aquacade At Los Banos Pool

Plans are complete for an all-college swim festival to be held next Friday afternoon, May 24, at the Los Banos-del-Mar pool at West Beach, from 3 to 4:30 p. m.

Terry Dearborn, swimming coach in charge of the affair, promises a variety of events to attract both men and women swimmers, and spectators, to include races, diving exhibitions, novelty events, paddleboard and canoe contests, a nightgown and pajama relay between men's and women's teams, and a water football game to pit veterans of Army and Navy against each other.

There is no entry fee or pool admission charge. All students and organizations are invited to enter at least one event. A list of events, and the entry sheets, are posted on the sportsboard in front of the Men's gym.

Petitions Entered For A.M.S. Elections

Herb Evans and Owen Van Buskirk are the present nominees for A.M.S. presidency in the election to be held next week on May 25th.

Racketmen Drop Stanford Tilts

The four-man freshman tennis team invaded the Bay region last week-end to play a creditable game, but coming out on the short end of the team score. Playing the Stanford University frosh on Friday afternoon, the Gaucho quartet of Juan Solis, Alan Cobbe, Larry Wathey and Stanford Bingham, took one match to Stanford's five. Alan Cobbe was the victor in second singles.

The C.C.A.A. elimination play at San Jose the following day gave the Gauchos one win in Larry Wathey's decision over George Holland of San Diego. The other players lost to the superior power of veteran racketmen of the conference. The team championship of the conference is to be settled by doubles play between Fresno and San Jose this weekend.

The Gauchos' next contest is with Pepperdine college this Thursday on the local courts. The season will close with a return match here on May 25, against the University of Redlands.

sen. Only one nomination was declared eligible for the position of secretary, that of Carl Schultz.

Dead, Wounded or Missing

(Continued from Page Two) turned out for their Barbary Coast carnival. Sponsored by the student body, all organizations pitched in to compete for prizes in originality and quality in their booths and entertainment schemes.

This is one of the oldest traditions discontinued because of the war.

Final Exam Jubilee

Sophomores have extended an annual invitation to the student body to celebrate the end of fall term final exams with them every year on the last night of the fall semester. This was the closing event before the between-terms recess.

Class Traditions

May was always the setting for the Junior class Leilani Prom, followed soon afterward by the Junior-Senior Jignic, an interclass picnic. All classes cooperated and competed in an annual Interclass Frolic, stunt night with all classes competing. The long bench at the end of the Quad is rightfully the property of the Junior class, won

by them in the first frolic, and for many years no one but a junior could sit on it.

For two seasons, when spirit was high at the college, the service clubs combined efforts to organize special football trains. The first train, in 1937, included a load of seven pullman cars, three coaches, a diner, dance car, club car and observation car. The train carried rosters, band, and team to El Paso, Texas. There they set up headquarters at the Hilton Hotel, took a bus trip to Las Cruces, where the team played against New Mexico Aggies, and returned that night to El Paso for a dinner dance, and started back to California the next morning.

Other clubs and traditions dropped from the present activity program include the Chaparral Knights, service club, Outing Club, which sponsored mountain trips, and such student body specials as the Beachcombers' Ball, annual May Queen dance, and Gaucho Popularity contest.
