## Revue Set for Two Shows

Seventh Roadrunner Revue Show Presents "Molly", a Musical Extravaganza

### JONES WRITES PLAY

Lambourne Band Featured; Cast Includes Putman, Pilling and Manson

MARY ELLEN PUTMAN, the queen of the campus, in so far as "Molly" is concerned, is pictured above. She plays the title role.

JACK MANSON, the sprinter, who wanted to be a weight man, "Tom", of the Show, has been seen in many college productions in the past.

GERRY PILLING, playing the part of "Irene" in the Roadrunner Revue is talented with singing and Thespian abilities.

**BULLETIN**  
 From National F.B.I. headquarters it was learned early this afternoon that the famous Police Dog Watson is returning tonight to Santa Barbara from training school in the east to aid in the search for the Phantom Singer. Both will appear in the 7th Annual Roadrunner Revue, if the Phantom is found within a reasonable time before the show.

A new slant on an old tradition will be seen next Wednesday and Thursday evening when the Associated Students' 7th Annual Roadrunner Revue presents "Molly", a two-act musical extravaganza, in the College auditorium at 8:15 p.m.

The play was written by Captain Paul Jones and directed by Petie McKinney with a cast of 75 collegians taking part in various acts, dance numbers and musical choruses.

Leading the large cast, in the all-student production are Jack Manson, Mike Davis, Mary Ellen Putman, Geraldine Pilling, Norman Becchio, Eugene Burdick, Pat Kelly, and Lloyd Borstelman, who will portray the characters of the story dealing with the love affair and athletic career of "Tom", the college hero, around which the varied program of musical and orchestral numbers revolve.

### 17-Piece Band

Fred Lambourne and his 17-piece orchestra, the "Collegians," will hold the feature spot throughout the show with orchestral accompaniment and specialty numbers. Other accompaniment will be furnished by Josephine McBride and Mildred Fabing at the piano.

Five original songs, written by State students will be used in the show, including four of Bert Fitzpatrick's and one of Franklin Cole's, who has also made musical arrangements for the orchestra.

### Faculty Aid

In advisory capacity, to the student producers, have been Miss Hazel W. Severy, Dr. Helen E. Sweet, and Captain Jones.

Dancing choruses, under the direction of Harry Sloan, are as follows: Horse number: Vivian Girvetz, Marie Navarro, Margaret Parks, Grace Williams, Harriet Ridenour, and Jean McArthur; Waltz chorus, Betty Howell, Janice Daly, Helen Longawa, Dorothy Peacock, Petie McKinney, Herman Schick, Dick James, Bill Sears, Morris Hanon, and Howard Yeager; Swing chorus, Jack Rivers, Redman Beasley, Frank Jones, Don Miles, Walt Kilroy, Miss Williams, Maxine (Continued on Page 4, Column 2)

## COUNCIL AWARDS LETTERS FOR ACTIVITIES

Business of the student council meeting last night in Pine hall was principally concerned with the passing of awards for the spring semester college sports and the awards for service to the council members themselves.

Students on the legislative board who will receive certificates, as underclass representatives, are; Danny D'Alfonso, Jean McArthur, Doug Oldershaw, Rena Sacconaghi, Ann Seymour, Christina MacKellar, Bill McKenzie, Ed Cole, Fred Lambourne, Marlin Nelson, Alice Boeseke, Arnold Rose, Petie McKinney, Miriam Turton, Nat Hals, Norman Phillips and Dorothy Horner.

Sweater and insignia awards will be given students satisfying the necessary requirements in the following sports: track, baseball, tennis, fencing, golf, band, glee club, and women's athletics.

A special council meeting will be held Monday, May 16 in Pine hall to pass on the budgets for next year. President Danny D'Alfonso wishes that all students interested will attend the meeting to avoid delay, by discussion, when the budgets are presented to the student assembly the following day.

MIKE DAVIS, aspiring to be a Broadway producer presents a show in a show next week as "Andre," the College Benefit show director.

## STUDENTS HEAR SIRE MUSIC BY WAGNER

"Danse Macabre" by Saint-Saens, "Die Valkyrie" and siren music from the opera "Die Valkyrie" by Richard Wagner will constitute the 7th presentation of the Music Listening hour, as proposed and sponsored by Mrs. Anita C. Priest, music instructor.

A repeat performance of Ravel's famous "Bolero" will hold a spotlight place on the program if time permits for its playing.

## EMPLOYMENT BUREAU GETS UNDER WAY

Beginning an Associated Men Students' program which promises to be full of activity and welfare for the men of the campus, De Witt Trehitt, president-elect, yesterday, appointed a general working committee for the purpose of securing summer jobs for men of the campus with local business and industrial concerns.

The first action to be taken by Trehitt in response to a certain 12 point policy that was offered when he ran for office begins to develop and the new proposal of the A.M.S. Central Employment bureau, for jobs during the school year as well as summer, has met with enthusiastic response by campus men. A cooperation between all present systems will be attempted in order to form a united and complete agency.

## Trehitt Leads Organization of Estudiantina Plans

### Science Profs Broadcast

Peters Speaks on "Modern Miracles" While Wells Talks on Religion

El Gaucho and his men visited the science department of the college last night as the weekly broadcast of the technique of radio class. Dr. William Peters chose, "Modern Miracles" as his topic and Mr. Harrington Wells spoke on, "Science and Religion." Next week the class will present a western mystery drama titled "Phantom Wolf."

A contest is being sponsored by the College radio class to encourage comment and helpful criticism of the programs as an aid for next year's series of broadcasts.

Ten dollar merchandise orders at Jack Rose's shop and Roy E. Gammill's store await the man and woman who write the best letter of not more than 200 words commenting on all four types of broadcasts. Criticisms of the dramatic plays, the all-varsity show, department visits, and panel discussions must be included. The letters must be post-marked by midnight of June first and the winners will be announced on the program June ninth.

There are several more broadcasts scheduled between now and the time for closing of the semester which will deal with varied programs scheduled.

### Group Provides Exhibits in Four Departments; Give Meal Tickets

Final plans for the Estudiantina were completed yesterday with programs, exhibits and recreational activities scheduled for the open house festivities Friday, May 13 when Santa Barbara State plays host to four hundred high school and junior college students of Southern and Central California. Directions are under the direction of DeWitt Trehitt, executive chairman.

In a special meeting Wednesday, May 4, arrangements were made for guiding, traffic direction and organizational assistance. Alpha Phi Omega, service fraternity, is to handle traffic while the Soph Squires act as campus guides. Las Meninas will distribute free food tickets to college students until Thursday in front of the gym.

### Register in Quad

The day will start with registration of guests in the quad at 11 a.m. From 11 to 2 p.m. there will be exhibits and demonstrations. At 2 there will be a pep assembly at which there will be speakers and Roadrunner Revue skits.

Following the assembly, activities will start at the West beach. There will be organized team competition, swimming and beach sports. Also there will be a boat ride around the harbor. Meanwhile there will be dancing at the Veterans Memorial building with a regular office. Following supper the bonfire will take place. Speakers at the bonfire will (Continued on Page 4, Column 1)

## Whiskerino Ends with 'Brawl'

Hendry's Beach is Scene of Stag Event Today; Prizes and Cup to be Awarded

### TREWHITT IN CHARGE

Steak Barbecue Follows Team Competition and Other Beach Games

Twelve dollars and a silver cup will be given to State college students today at Hendry's beach when the mighty men and the mincing mice of Rancho El Gaucho mingle for the annual celebration of the Whiskerino and the Hobo Brawl. The cash will go in four packages to four individuals of tonsorial dexterity while the cup will go to the victorious organization team.

The Whiskerino will culminate in the presentation of awards based on the judgement of Dr. Harry L. Girvetz, professor of political science and philosophy. Prizes will be five dollars for the best growth, four dollars for the best trim, two dollars for the best color and one dollar for the best attempt.

The Brawl athletic competition will be divided into four events. These will be the obstacle relay, a football carnival, a ring-shoving contest, and a tug-of-war. Competitors will be ten man teams representing recognized campus organizations of which all men on the team must be members.

The ring contest will take place with ten men of each team taking a position in the ring and attempting to shove every one else out. The last team with a man in the ring wins and receives five points. The tug-of-war will be conducted with the ten man teams and the first team to pull a man across the line wins and receives five points. If it is needed a fifth event will be added.

Following the games there will be a steak supper cooker over the barbecue pits. Refreshments will also be served. Jo Stockill will be in charge of food and Marvin Palmer and Bill Sears will be in charge of games. DeWitt Trehitt, president-elect of Associated Men Students, is in charge of arrangements.

### HILE PREPARES PLAY

Rehearsals for "Michael and Mary," by A. A. Milns, the last presentation of the Players' club continued this week under the direction of Frederic W. Hile, technical director of the group.

Showing in the cast will be such campus Thespians as Rowland Foulston, as Michael; Winifred Nichols, as Mary; Dawn Tripp, as Violet; Alice Goff, as Mrs. Tullivant; Bert Fitzpatrick, as Rev. Simon Rowe.

## Classes Elect New Officers Tuesday

Gordon Woosley, Cliff Romer, and Marlin Nelson Succeed Lindquist, Jones and Wharton in Presidential Posts

Three men were elected to the top positions in their classes last Tuesday when next semester's Seniors elected Gordon Woosley, Juniors polled on favor of Cliff Romer and Sophomores balloted for Marlin Nelson for the offices of president for the next year.

## Staters Hear Talk on War

Mrs. George Fitch Speaks on Sino-Japanese Controversies

Mrs. George Fitch, wife of the general secretary of the YMCA at Nanking will speak in Pine hall, Tuesday evening, May 10 on war conditions in China. The lecture is under the auspices of the International Relations club and is open to the public.

Mrs. Fitch has had experience with the Chinese controversies and is personally acquainted with Generalissimo and Madame Chiang-Kai Shek and C. T. Wang, ambassador to the United States. Mr. Fitch was general secretary of the Shanghai YMCA from 1927 to 1936 and general secretary to the Nanking YMCA from 1936 until 1938 when the building was demolished during battles of the Oriental war.

Since returning to Southern California recently on the China Clipper, Mrs. Fitch has been lecturing and raising funds for Chinese civilian relief. She was an eye witness of a great deal of the activities in China and her husband was in the war zone as "Mayor" of Nanking during the time of the Panay bombing.

A three-point program is urged by Mrs. Fitch for the aiding of Chinese civilians. These are by direct monetary relief, which is three cents a day per refugee; preparation of bandages by Church groups; and demanding an embargo on Japan by the American government.

## WOMEN SINGERS ENTERTAIN AT CONVENTION

Full schedules ahead for the Women's Glee club of the College promises a very active program for the vocal group for the rest of the semester, according to Mrs. Anita C. Priest, music instructor.

Tomorrow before the tri-county meeting of Phi Delta Kappa, educational fraternity, the women singers will present a program. On the following Saturday, May 14, a program will be sung for the Southern Section conference of the California Western Music Education association at the Santa Barbara Junior high school.

A memorial program dedicated to Spanish American war dead on May 15 at the new National guard armory, will be the next choral offering of the group.

The official closing of the Glee club's calendar of activities will take place in a formal concert at the Hotel Samarkand on the evening of May 22.

## THREE STATERS GAIN JOBS

With commencement exercises a trifle over a month away jobs for the members of the class of '38 are already being obtained according to Mrs. Jane Miller Abraham, registrar. Three contracts for teaching in Ontario were signed Tuesday by State students.

Alfredo Chavez, January graduate, is teaching the sixth grade and will become principal at the end of two years. At present Alfredo is busy as a broadcaster over KDB where he is announcer for a weekly program of Spanish music and is also manager of a Carpinteria theatre. He is an elementary-junior high major.

Miriam Turton, June graduate, and Phyllis Zimmerman, June graduate, also received jobs. Turton who is now president of the A. W. S. will teach in the kindergarten while Zimmerman will teach in the elementary school.

Meeting in room 42 in the quad, this year's Junior class elected, to serve with Woosley, Betty Westcott, vice-president; Marion Gregg, secretary; and Jim Lyons, treasurer. Officers who will retire at the end of the semester in the favor of the elected executives will be President Tom Lindquist, vice-president Dave Pollock, Secretary Esther Carter, and Council Representative Phyllis La Source.

### Junior's Officials

Romer will succeed David Jones in his office; Bill Russell will take up Alfred Merrill's job of vice-president, while Jean McKimming assumes the secretary's position filled by Lyndell Brundige the past year; David Wright will hand the treasurer's record book to Fred Smoot next semester; and Betty Palmaymesa will act in the capacity of social chairman for the class.

Arnold Rose and Alice Boeseke are retiring council representatives for the class.

Other leaders of the fall semester Sophomores, elected by the Freshmen to fill the places to be vacated by Tom Wharton, president; Josephine McBride, vice-president; Bernice Shedd, secretary-treasurer; and Howard Joham, social chairman, beside Nelson as president were Margaret Parks vice-president; Robert Jackson, secretary-treasurer; and John Jordano, social chairman.

### Mr. Wells Talks

Mr. Wells, freshman class sponsor, addressed the group in a congratulatory manner following Wharton's appointments for Estudiantina Bonfire committee from the man of the class. Fred Baer was appointed Athletic captain for the Whiskerino day at the beach.

Classes did not elect class council representatives this semester as no constitutional amendment has made it necessary for aspirants for this office to run for the position at the regular Student body elections.

## MANY RESPOND FOR TEST ON DISEASES

Nearly 50 students have responded to voluntary tests to detect presence of tuberculosis and syphilis at the Health cottage during the last week in a concerted drive on the part of the newly organized Leaf and Scarab, biology honorary society, to promote the education of collegians on the possible dangers of these diseases.

A simple procedure was followed by the persons taking either the Wasserman or the tuberculosis tests, or both, during the week, and test samples have been forwarded to the State Health office for the purpose of diagnosis and recording. Results will be returned to the Health cottage within the coming two weeks.

## Peace Day Plans for College Formulated by Students

Indignant looks were on the faces of several students last week when for simply choosing to discuss and propose a peace program for Santa Barbara State college, they were tabbed radicals.

However, after the usual uncertainty that follows the initial appearance of something new to an old and fairly stable group and after administrative and student leaders had done a great deal of clarification and dragging of the issues over the coals, the possibilities of a Peace Day as an annual institution for the College seems so much more than an idea that it becomes a reality.

Last week, the World over, colleges and universities were holding strikes, assemblies, riots, authorized meetings, and compromise meetings over what the college student, as the future cannon fodder should do to assure themselves that they should remain sane and humane people in the face of unscrupulous despots and war should it ever again come upon us. Santa Barbara State college was apathetic, generally, about the whole thing.

But now, a working committee is formulating plans to hold an all-college assembly in the very near future at which time we shall go on record as a calm, thinking group opposed to war.

It is true that we cannot do a great deal by talking and holding meetings and "blowing off steam," as some are prone to say, but our concerted and united efforts will certainly show how we stand.

Now add to our mere one thousand, the concerted and united efforts of practically every other college in the United States and "free-speech, free-assembly" nations in the rest of the World and the number of voices raised against war and for peace increases to millions of voices raised against war and for peace.

Millions of voices all yelling the same thing in unison would make an awful big noise.

## The Passing Week of Traditions

Within the passing week four of our College's richest traditions will have passed by for another year.

The only reason that they are given their brief perennial life or existence at all is so that every one of the students of the institution may enjoy them and by this enjoyment appreciate and profit more from the College and its educational opportunities.

Yesterday a tradition in pageant form, one of dancing and lilted music was glorified by fifty lovely, laughing ladies portraying the famous legend of "Sleeping Beauty." The May Queen in all her regal splendour surrounded by her court of beautiful hand maidens looked on. Poetical to be sure, but only a verbal description of the traditional presentation of the Queen of May. The women's day of glory.

This afternoon, the beast, in contrast to the beauty, will stalk the beaches, all be-whiskered and yelling and generally having one good time, when the Associated Men Students wind up the annual Whiskerino by plucking out a hair—a single hair, chosen from the choicest of crops, to be measured to designate the manliest man on the campus, a veritable King of May.

On Thursday night about 11 p.m. the curtain will close for the 8th consecutive year on the Roadrunner Revue. Although posters blare "A New Slant An an Old Tradition," we must be reminded that it is still the old tradition. Our yearbook, the La Cumbre, is the benefactor. Our college should come to see our show. Our college's students should support our traditions.

La Estudiantina will close the week of traditional endeavor and when our visitors have returned to their respective places it will be our fault if they do not say: "That's the college I would like to go to." This traditional party is not so much for ourselves, but we must remember, every sincere and worthwhile thing at sometime or another must help to sustain the whole.

## Music Department Outlook Bright

How many times has it been said that music is a sure way to men's minds?

The musical tone itself does not cause a man to open his heart and say his mind and his deepest and most rational thoughts. No, that is not the point of the statement. People working in a musical atmosphere, who enjoy real, full-toned exuberant music have learned how to ease the stress and strain and every day tautness of the brain and mental machinations. This is proven fact. We find our greatest minds, our greatest practical men coming from places and learning at places where music was an important part of their environment.

Therefore, it is with a great deal of enthusiasm as well as pride that we should welcome to our campus a music majoring department which will enable us to enjoy the works in the field of good music by bringing an atmosphere of good music to the college.

One may laugh and say there is no connection between the two fields of clearer thinking and musical enjoyment but changes will bear out statements made within the future.

## el RODEO

Hello folksies! Again this column by that super-silt-sleuth who lost so many friends and alienated so many people last week by his attempts to tell the "peepul" the truth, the whole truth, and nothing but.

At the Phi Kap formal who did we see but DICK SAXE and DAWN TRIPP tripping the Truck-er's special The sensation of the formal of the sorority of whom it is said "the gals men marry" came true for RUTH WELLER. Yes sir, RON CRARY is the man who took time off from his duties to become engaged. BILL McARTHUR and HELEN ANDREWS again. And at the Buckaroo, too, we hear. Now a El Cortijo, we couldn't help but run into BILL MORRISEY and VALERIE BEAUCHAMP, woo, woo. BILL ROBERTSON and MILDRED FABING are said to be having a bit of a fling.

Sophomore class prez-elect, MARLIN NELSON, is a little interested, they say, in a beautiful high school lass. If she is anything like the one we know, we will O.K. her. ARTHUR SUFFOLK thinks so too to the extent of taking her to our last school dance. It should be anniversary year pretty soon for CAMERON WELLS and JANE LESLIE and also for WRANK O'NEILL and ELISE HESIMAN. While the A.S.B. prezies of Southern California conferred last Thursday eve, local romeos had a thrill in escorting their swain around S.B. for several hours. "ACE" NETHERY, he of the deep dark brown, did his part for the Associated students. We don't mind MANSION being with BETTY PALMAYESA, but when he has to trot in two hours late every Revue Practice he is encroaching too much on our rights. Lesson of the week: a flirtation is attention without intention. But don't pay attention to it boys and girls, it only complicates things so.

### HYPOCRICY IN HIGH

It is a little sickening to witness the antics of the British Foreign office in regard to European policy. Franco, having assured the business men of England that their property in Spain would be safe, has received from the first the covert blessings of the British Foreign office. Mussolini knew it. Hitler knew it. The Loyalists knew it and know it now to their sorrow. But the Americans have been duped into believing that England resented the Fascist move in Spain. By putting over the embargo on arms to both sides, England succeeded in preventing the Loyalists from getting arms whilst a steady stream has flowed in for Franco. Very cleverly done, don't you know. Britain persuaded America—who seems to consider it statesmanship to follow British foreign policy—to agree to the embargo against the Loyalists and the result is that Britain as usual, may wear a sacrosanct smile, murmur pious platitudes, and successfully put across its skulduggery.

### ENGLAND UBER ALLES

As propagandists our little cousins in the tight little isle are without a peer. A swift glance at the history of the World War will convince the dullest patriot that America was yanked into the war by sheer propaganda on the part of those stalwarts who know what the White Man's Burden is and are glad to assume it. Britain throttled American trade, ruined the cotton growing states, illegally hauled American ships into its ports, and did all this without more than a bewildered bleat from our own statesmen. Had it been Germany our daggers would have been drawn and the Hun's throat slashed. Finally, the clumsy Germans realized that there was a complete blockade of its ports—that neutrality as far as the South and Germany were concerned was a legend and followed the same tactics. They threw a blockade around England and sank a British ship, captained by a British captain (who violated his sailing orders) and sent a hundred and a couple of score of Americans to the bottom of the ocean who were sailing on the ship. This created the Lusitania incident. From it but one short step brought us into the war on England's side. Even Britain did not believe that we were such chumps as to pay for the bloody war until later, and American gullibility hit a new high.

### "A NEW SLANT ON AN OLD TRADITION"

say the posters advertising the 1938 Roadrunner Revue, and such it is too. The creation of a musical comedy to replace vaudeville is a change which should appeal to students and townspeople.

The talent of State can be put over just as well, the only difference being that the strain and responsibility of gags and laughs and introductions does not rest on a master-of-ceremonies, but a cast.

### FOR THE BENEFIT OF THOSE

interested, the Roadrunner Revue is the only real student-directed production attempted at college at the present time. Its purposes to stand as the evidence of the work of 75 or 80 interested students, and as THE stage show of the year. It is operated, produced by students; it entertains students and off-campus guests and benefits a student organ. The great majority of the proceeds go to the expense account of the La Cumbre.

### SO IT IS EASY TO UNDERSTAND

why the students take such pride and interest in the show. Incidentally, there is a faculty board of advisors, who look in on a few rehearsals and make suggestions from time to time. As far as taking active part in direction or supervision, they do not. They are "happy" about the whole thing; they help, don't heckle; guide don't glare; they are appreciated.

### IT BOILS DOWN TO

A show plus student cooperation plus student direction plus student

support equals the 1938 Roadrunner Revue. See you there. TODAY IS THE DAY when the Associated Men Students shed their Van Dykes and cookie dusters, but only after they gather at Hendry's beach for a good time, good food and—"The Winnah!" Having met up with several students asking girls questions regarding what they think of the Whiskerino, personally, we think the beardgrowing contest provides a perfect chance for all the fellas to find that they have something in common—they have to shave too much of the time. The Whiskerino promotes good fellowship as animosities are forgotten.

## THE "Filibuster"

By NORMAN PHILLIPS

Why is it necessary for the existence of a "black list" of local places of entertainment that can't be used for State college functions? At best there are few enough places in Santa Barbara available as meeting places for social events and other activities. The college must compete with city organizations necessitating reserving dates months in advance. The principle reason for most of the names on the black list is the presence of a liquor bar in the building. Is the college actually sanctioning the affair, the reason for the black list, if a social event is given in such a place? If so, why not? Has a state school the right to forbid students of age from using their own judgment? Laws have been made to control the actions of minors. The institution should direct its authority in seeing that such laws are enforced and not setting up "blue laws" that don't properly succeed doing what they are intended.

Remember when Gavel and Key existed as an active honorary service organization? The name was built up with an enviable reputation when it was first started by participation in service work. For several months it has hardly existed even on paper. There have been no meetings, no services performed and there will be no page in the yearbook telling

who these honorary members are or the work they have done. Reason for no page was said to be that the money would not be performing a worthwhile service, which sounds like a poor excuse. Crown and Scepter, in contrast, have continued their monthly meetings, will be better known by a page in the yearbook and close the year by awarding a scholarship.

We have an Inter-fraternity and a Pan-Hellenic council why not have an Inter-club council for the many clubs and other organizations that exist? Cooperation on individual and group undertakings would be the principle result. Such a council would be in charge of a general budget and calendar and would authorize the issuing of charters to new organizations.

Comments pro and con: With the final days of revue rehearsal approaching let's have more prompt attendance at practices for the sake of the directors and all concerned. Read "From the President's Desk" this week, a worthy column late in starting and one that should continue. Don't forget the Sigma Alpha Kappa bridge-tea and fashion show tomorrow. Congratulations to May Queen Lyndell Brundige. Class prezies for the coming year are Gordon Woosley, Cliff Romer and Marlin Nelson.

## Scribbles from The President's Desk

### THIS COLUMN ...

comes as the response to a very definite wave of interest in student body administration. The writer has felt, in the past, a lack of opportunity to contact the student body and explain certain attitudes and policies of the student administration. This column, if Ye Old Ed sees fit to continue it, will contain personal comment and facts relative to the handling of student finances and activities.

### THE CENTER ...

of activity at this time of the year is focused on what we think is the most important factor in determining the path which our Association is to follow in the future. This is Budget time. This is the time of the year when we decide how much money each activity shall be allowed to spend next year.

### THE SITUATION ...

of the student body in a few words is this. At the beginning of this school year, when the auditor finished his six or seven weeks labor, it was found that the Associated Students was "in the red" or "in the hole" (take your pick) to the extent of an approximate six thousand dollar deficit. With the help of a very welcomed profit from football and a Scrooge-like attitude on the part of the Legislative Council the deficit has been beaten somewhat into submission, and this year, barring any unpremeditated losses, should be the first year in many, many moons that the Graduate Manager will be able to dip his pen in black ink instead of the customary red ink when putting the finishing touches to his annual balance sheet.

### SO MUCH ...

for the past and present. Now

what about the big year in the life of President-elect, Doug Duckham? Frankly, if the budget is any indicator, we look for an overly expectant attitude on the part of many individuals. The budget for next year does not seem to balance. When a total is made of the individual budgets as each activity has petitioned them for next year, we are disappointed beyond words to find that this sum exceeds our next year's estimated income by a mountainous four thousand dollars. As we write this in the Student Body office, we can hear Graduate Manager Don Follett, on the other side of the partition, emitting between gasps, "Who will provide? Who will provide?" Personally we dread the thought of the inevitable daily meetings of the Finance committee where sleeves must be rolled up (We hope Miss Severy will have some) and conscientious cuts made in the pet plans of certain hard-working individuals.

# Aztecs Win Two Games from Gaucho Squad

### Harder men Lose Series to Red Devils by Two Out of Three Defeats as Erhard, Gardenhire, McNeice Pitch

El Gaucho once more was checked in stride by the ravaging Aztecs of San Diego State college, when the Gaucho baseball team traveled to San Diego for a three game series and came home with two losses and one win. Playing Thursday, Friday and Saturday, the Santa Barbara squad was rained out on Friday and forced into a double-header on Saturday. Scores of the games were 7-3 in the first in favor of the Aztecs, 10-4 on the Gaucho side of the argument in the second game and 9-1 in favor of the "Red Devils" of San Diego in the final.

### Star Doubles Team Takes Runner-up Award in Jaysee Group

Leslie Allen and Mike Koury battled to the final round of the Pacific Coast Intercollegiate doubles in the junior college and freshman division to win a beautiful gold cup for runner-up at the Ojai tournament last Sunday, May 1. They lost a hard match to the strong team from Pasadena junior college in the final. Allen reached the semi-finals in the singles, losing to Reedy of the U.S.C. frosh.

Koury was put out in the second round, while Paul Pearson, men's varsity representative, was put out in the first round by Peacock, varsity performer from California, who later reached the semi-finals. Bob Jackson and Earle Dorrance competed in the men's open doubles and were put out in the first round.

## Salyer Replies to Editorial on Education

To the editor: The editorial regarding modern education over the signature of F.D. which appeared in last week's "Gaucho" deserves an answer. My friend read a paper called "Your Children's Schools" and came to some conclusions which are fascinating, not for their logic, but for their having missed the mark by at least a mile and a half. I think it is only fair to tell him something about modern education so that in the future he can discuss it with an air of really knowing something about the subject.

The object of modern education is to create in the child a felt need for the skill he is learning. Nothing so diabolical about that is there? Also, modern education supposes that a child will learn better in a real life situation than in an abstract, unrelated, and ergo, meaningless situation. In teaching this the modern teacher also takes into account the importance of attitudes and values which we in a democracy consider essential. Space prevents a recital of the techniques used to accomplish these aims, but my friend may be assured that there are just such techniques and furthermore they work. It is not haphazard.

Lifting his eloquent voice in protest, he complained, "It presumes that the student will be discussing city politics in the first grade and voting in the sixth. As for such things as mathematics and spelling all that is necessary is to hand a student a notebook and a pencil and tell him to write an epic or ask him to measure the speed of light."

This is sheer nonsense and even he should know better. It presumes nothing of the kind. It presumes no miracles at all. In fact, it does not make the absurd pretension of certain formal educators that a child is a little automaton whose reactions may be jerked out at the tutorial command, that all the teacher must do is to turn on the arithmetic faucet, or the spelling faucet, and the child will open wide his mouth and drink in these skills. Interest is still a good incentive to learning.

Now just one hint to my friend. If he will slink up to the library some dark night and ask the librarian, she will give him a list of books on modern education and he won't have to go through life in ignorance.

### Preisler Stars

Star of the game as far as fielding went was Preisler of San Diego. He stopped legitimate hits by Hallen and Murray and in another spectacular catch back of second put out Lee. For Santa Barbara the fielding was not sensational and in the pitching division no man on either side did exciting work.

### Doubles for State in the first game

Doubles for State in the first game were made by Hallen, Lee, and Erhard while Hallen scored Lee on a triple and Murray reached third on a triple. There were no extra base hits in the second game. In the final game the only sensational hit was made by Nichols of San Diego in a circuit clout over right field.

### Have Big Inning

Big inning of the series for State was the third inning in the second game. Going into this inning with one run Lee walked, Murray walked, Hallen was safe on an error. Then with bases loaded Russell was put out. Merlo then got a walk and Lee was forced in. Gardenhire walked and was followed by Ripsch who singled. Evans singled and then Erhard and Lee walked. Murray singled and Hallen flew out ending the inning with the Gauchos 7-3 ahead.

A student received this card from the freight office recently: "Sir, please send with out delay for the case of books directed to you which is lying at this station and is leaking very badly."

### Hold Down First

Don Ripsch, veteran of the past season as alternate with Erhard at first, is expected to hold down number one bag against the alumni. He will be back again next year to play steady.

### Plays With Grads

Lloyd Erhard will take his position as first sacker with the alumni tomorrow at Pershing park. The outstanding varsity pitcher and first sacker will finish his play this season and is on the slate for El Gaucho's hall of fame.

### Runs Last Race

Howie Yeager will run his last race for Santa Barbara State tomorrow when he enters the 220 low hurdles at Occidental in the Southern California conference. With an injured leg, he may not be at his top but he has recovered enough to be in the money. It is doubtful if he will enter any other events as he will concentrate on the 220.

## Alumni Assault Varsity of 1939 on Park Diamond

### Miller, Bortalazzo Take Pitching Duties for Alumni Tomorrow

Gaucho baseball will take a new twist tomorrow afternoon at 4:00 p.m. on Pershing Park field when the "gonna-be's" meet the "has-beens" for a full nine inning game. In other words Coach Spud Harder will direct a contest between the alumni of State college and the 1939 varsity.

Playing for the alumni will be men from the class of '28 through the class of '37 and also those men on the Gaucho varsity this year who have used up their three years of varsity play. For the varsity of 1928 will be not only the varsity players who will be in circulation next year but also the freshmen of this year. On the list of alumni are the following men: Robert Rezzonico, Mert Miller, Julio Bortalazzo, Ika Kahn, Jimmy Van Meter, Jimmy Anderson, Tex Williard, Don Fisher, and Jimmy Lebeck. Added to this group are Erhard, Lee and Murray of this year.

Bob Rezzonico, class of '36, was one of the strongest wielders of the stick of all time and against Oxy he once cleared every base with a home run. Through the entire season he was among the leading batsmen and was the man behind the plate for the entire season where he earned an all-conference position. Mert Miller, class of '36, is known as well for his play on the football squad as on the baseball team. He was one of the best centers and on the baseball squad he was as good a pitcher as has ever been seen. He won five conference games in his last year and was a steady batter over .200.

Only reason why Miller didn't pitch every game was that Julio Bortalazzo was a fellow classmate in the class of '36. While he was not outstanding as a hitter he managed to keep above .225. It was in the brain trust division that Bort was a real wizard. Both in the pitcher's box and in right field his headwork helped the team coordination more than any man.

Ike Kahn, class of '35, played for State in the early day of the Gaucho, was a good short stop and general utility man. Jimmy Van Meter, class of '37, was another short stop and one whom people have come to know even better this year as the coach of the victorious frosh. As short stop he was both a good man on his feet and as a hitter.

Probably the best all-around athlete of all time at State was Jimmy Anderson, class of '28. Anderson played back in the early days of the Roadrunner and was one of the few State pitchers to chalk up one hit games. In one game he pitched a

one hit game and allowed one walk. In addition he collected four hits for four times at bat.

Tex Williard, class of '34, was well known for his play in the outfield and occasionally behind the plate. While his batting was not with the best he stood up in the fielding position.

Don Fisher, class of '36, played a center field position on the team that grabbed the co-championship of the Southern California conference in 1936. He managed to hold his batting average close to .350 and was also classed high as a fielder.

Final alumni member of the squad is Jimmy Lebeck, class of '36. Playing at second Lebeck was a steady man although not startling and while playing his position in a satisfactory manner he could hardly stand out in a group like that of Rezzonico, Bortalazzo, and Miller.

Meanwhile the 1939 varsity squad will be made up of Merlo, Wilson, Gardenhire, Wrightson, Jim Fitzgerald, Ripsch, Halferty, Markham, Hallen, Jack Fitzgerald, Wallack Morgan, Fugimoto, Russell, West, and possibly others.

## Sword Squads Battle Here

### Nelson Leads Group into Triangle Combat at Biltmore Hotel

Fencers from Santa Barbara State will compete in a three way meet with Los Angeles junior college and Santa Barbara high tonight at 8 p.m. in the Biltmore hotel. There will be no charge for the meet and invitation has been extended to the public.

Under the direction of Coach John Tatum of Los Angeles jaysee the southern squad will be strong favorites. Strength of the Cubs from Los Angeles is in what they call their "Three Musketeers," Captain Bob Cousineau, Belan Wagner, and Harold Bauer. Other men who will lend support to the Cubs are Pete Ramirez and Jack Hovick in the foil and Lionel Grover and Mac Bowerman in the epee.

The local high school fencers are far from being handicapped in college competition as they have been meeting practically only college competition under the coaching of Captain Frank Carpenter. Outstanding men on the high school squad are Norman Firestone, Bill Ashworth, and George Moore.

Entering the meet for State are Marlin Nelson, captain and coach, Gross and Foulstone in the sabre; Nelson, Gross and Hart in the foil; and Hurst, Gross and Foulstone in the epee. At present it is not certain that Gross will be able to attend the meet which would mean trouble to the State squad.

Santa Barbara State college fencers swept the meet with Pasadena jaysee, Friday April 22, when they invaded the southern city with three three-man teams and won in every division. Men who went south were Marlin Nelson, Jack Gross and Jack Hart with Arthur Mansfield as alternate in the foil; and Bill Hurst, Rowland Foulstone, and Gross with Nelson as alternate in the sabre and epee.

Outstanding men in the meet which took place before five hundred spectators in the college auditorium were Foulstone, Gross and Nelson. Later the group was entertained at dinner by the jaysee team.

## Staters Finish Track at Conference Meet

### Mather Takes Frosh, Varsity to Contests at Occidental as Eight Colleges Tangle in Season Close

By CHARLES BOWEN Eight of the Southland's small college track and field teams write finis to their 1938 seasons Saturday afternoon at the annual Southern California conference meet in the Occidental college stadium. Oxy, winner of the dual meet crown, will attempt to further assert their supremacy with a victory in the conference meet.

## SPORT SHORTS

By WALDO PHELPS Both Coach Spud Harder's varsity baseball crew and Jimmy Van Meter's frosh outfit have completed highly successful seasons of intercollegiate competition, but before the bats and gloves are stacked away for another year why not a game or even a series between the two teams. It certainly would be a fitting climax to the year's activities and also might settle an issue which is hotly disputed in some quarters— which is the better team? The frosh hold a "practice game" decision over the varsity but that cannot be counted as official as four first-string varsity men were not in the line-up. How about it, Jimmy and Spud? Track season also comes to a conclusion this weekend when "Dimmie" Mather takes both his varsity and freshman teams south to the Occidental campus for participation in the annual all-conference track meet. This will be Santa Barbara's final appearance as a member of the Southern California conference. The plans being to free lance it next year. With such strong competition as Occidental and San Diego have to offer, the Gauchos can hardly be expected to roll up a very large point total but several men such as Sprague, Gibson, Yeager, Bowlus, and Captain Bill Gray have a good chance of winning their favorite events.

The weatherman has been known to play plenty of dirty tricks, but dished up the year's prize for Coach Willie Wilton. Willie, as you know, had spent many long hours of work arranging for the local annual open track and field meet which the college sponsors. He had signed up the largest list of star performers ever to appear here in Santa Barbara.

Outstanding men in all events will be on hand to attempt to shove the present league marks into the realm of the forgotten. Schools which will be represented include Santa Barbara State, San Diego State, Pomona, Whittier, Redlands, Occidental, La Verne, and Caltech. Every event seems destined to be a thriller with the 120 yard high hurdles being the most interesting for local fans. Bill Gray of Santa Barbara will battle it out with Ed Brigham and Paul Samsell of Occidental. Brigham defeated Gray in the dual meet but Gray made up ground on him after a very poor start and was very close at the finish. Brigham's time was 14.7.

In the high jump Ogle is favored but could be upset by Clyde Frisholz who jumped as high as Ogle in the dual meet only to lose on the ruling giving first to the man clearing on the fewest tries. The javelin holds hopes for a Gaucho victory. Al Sprague will be out to upset Raitt, Redlands weight man. Sprague is undefeated so far this year.

Bill (bearing burner) McArthur will not run Saturday since he came out second best in a battle with some poison oak recently. Harold Fortress likewise will not compete due to an injured leg. Wells Gibson is also expected to offer plenty of opposition in the 440 where he will have to defeat Oxy's decathlon star Claude Kilday and San Diego's Russ Alkire. Kilroy Strong

Kilroy of the freshmen seems to have the best chance of any to place high. He will run in his specialty, the high hurdles. Chuck Reed may also garner points in the broad jump. Don Miles could place high in both the high jump and pole vault but will be handicapped by a layoff due to illness. Rivers in the pole vault, Joham in the shot and discus and Wrang Jones in the low hurdles all have chances to pick up points. Bill Peters, who is still nursing a sprained ankle, will not compete.

# Brundige Reigns as Queen of May During Pageant

Jean McArthur Crowns New Queen in Quad Before Ceremony

• Climaxing a week or more of anticipation, Lyndelle Brundige was crowned May Queen at the annual program Thursday afternoon in the college quad. The queen was a representative of Tau Gamma Sigma sorority and was elected by a vote of all women students on the campus. Other members of her court were, Eleanor Benham of Alpha Theta Chi, Sally Entz of Delta Sigma Epsilon, Margaret Jones of Phi Kappa Gamma and Carol Lambrecht of Delta Zeta Delta sorority.

The pageant of Sleeping Beauty was done beautifully by members of Miss Sehon's classes and dancing group to entertain the royal court and guests at the program. The story was that of the traditional sleeping Beauty who was persuaded by a wicked witch to glance in a magic mirror whereupon she slept for one hundred years. After several passers by were discouraged by the thorny hedge surrounding the castle the princess' Prince Charming awakened her with a kiss and happiness was restored throughout the castle.

The part of the sleeping princess was played by Lois Delker. Her Prince Charming was Gwelda Loyd, Lois Cobb danced the Wicked Fairy, with Lois Arthur as the adventurer, Hanna Pelch and Guinevere Watkins as the two children, Gertrude Rolls the old man, Sheila de Richebourg, entertained, and choruses made up of members of the dancing class.

Fairies were Dorothy Crookham, Louella Daewerler, Gwelda Loyd, Eunice Mohri, Kay Palmer, Sophia Patterson, Hanna Pelch, Phyllis Roberts, Gertrude Rolls, Guinevere Watkins and Jean Wilson. Ladies and gentlemen of the court were Irene Baptiste, Rose Bissaccio, June Bliss, Alice Boeseke, Lisalyn Fitzgerald, Jean Gordon, Margaret Gilbert, Jane Hannah, Betty Kline, Kay Lennon, Josephine McBride, Ruth McCulloch, Kay Newsome, Rena Sacconaghi, Nellie Shults, Elizabeth Vincent, Helen Whitaker and Roberta Streit.

After the program was completed tea was served to those attending on the lawn in front of the gym.

## Frats Present 'Big Apple'

• Saturday evening will mark the presentation of a "Big Apple" dance to be held jointly by the Tau Omega and Gamma Sigma Pi fraternities. The dance will be held at the home of Wells Gibson and will begin at 9 p.m.

The feature of the evening will be the "Big Apple" in which those present will have an opportunity of learning and participating. Card games and ping pong will also be included in the evening's entertainment.

Dr. Charles Pruess, Tau Omega sponsor, and Dr. and Mrs. Irving Mather, Gamma Sigma Pi sponsor, will be present. Marlin Wilbur and Ted Joham are in charge of the affair representing Gamma Sigma Pi and Wells Gibson and Bob Reynolds will aid in arrangements representing the Tau Omega society.

## DELTA SIGS HOLD INSTALLATION OF OFFICERS

• Pi chapter of Delta Sigma Epsilon held a special meeting Tuesday night, May 3, at the chapter house for the installation of officers.

During the ceremony, Helen Buckman gave her gavel to Virginia Rogers, the new president. Others having duties for the new year are, Sally Entz, vice-president and panhellenic representative; Helen Spurrier, recording secretary; Persis Kent, corresponding secretary; Audrey Oliver, treasurer; Betty Ross, chaplain, Barbara Hoose, sergeant; Ebbie Vincent, historian, and Joan Schmitz, social chairman.

Helen Buckman was presented with a bouquet in appreciation of her services as president.

The sorority is planning a full program on Mothers' day, May 8, with church attendance, luncheon at El Paseo and initiation of mothers of the new girls into the Mothers' club occupying the day.

Underclassmen Present Exclusive Affair Tonight at Rockwood Club

### MACK BAND PLAYS

Sport Frolic Replaces Former Hoe-Down; Jones, Wharton Host

• Underclassmen will have their exclusive event of the year Friday evening when they gather at Rockwood Women's Clubroom for the "Frosh-Soph Sport Frolic."

In the past this affair has been called the "Hay Hoe-down," but the event planned for this year promises to be even more successful than former hops, jigs and hoe-downs, according to class leaders.

This year for the first time, outstanding members of the junior and senior classes have been invited as guests. Nine upperclassmen and their guests will be entertained at the event. The classes hope to establish this as a precedent to be followed in the future.

### Mack Plays

Music for the event will be furnished by Mack and his orchestra. It is the first appearance of this group at a college affair, and those in charge believe that it will not be the last, for when auditioned, the group was described as "tops."

Entertainment during the intermission is being arranged by Jimmie Fullerton who will direct several acts of the Roadrunner Revue as a preview to the actual performance. A dance contest has also been planned with a prize going to the best "trucker."

Mr. and Mrs. Harrington Wells, Dr. and Mrs. Elmer Noble and Dr. and Mrs. Harry Givretz will act as sponsors for the event.

### Presidents in Charge

Members of both classes are working on arrangements for the dance under the general direction of David Jones and Tom Wharton, presidents of the sophomore and freshman classes, respectively Theda Call, Howard Joham, and Al Merrill are members of the committee in charge.

Dress for the occasion will be sport. A charge of 50 cents will be made for all guests and members of the classes not having paid their dues.

Judge: "So you refuse to renew your dog license."

Defendant: "Yes, your honor, but . . ."

Judge: "No buts, the license has expired."

Defendant: "So has the dog."

## Social Groups Give Style Shows

### S.A.K. Presents Bridge-Tea Tomorrow

• Sigma Alpha Kappa, social fraternity, will present their 2nd annual bridge-tea and fashion show tomorrow afternoon, May 7, on the terrace at the home of Captain and Mrs. Paul Jones, 1620 Grand avenue.

Outstanding event of the afternoon will be the fashion show which will feature sport, afternoon and evening wear modeled by two entries from each campus sorority. Prizes will be awarded the winners of each division and a grand prize awaits the winner of the entire show.

### Sweepstakes Award

This sweepstakes award will be an invitation for the girl to reign as queen of the Fraternity's spring dinner-dance formal at the Montecito country club.

Bridge games, '500' and other games will be available for all who attend. Parties may remain in their own group or enter the progressive games. There will be prizes also awarded the winners of these games. For those who attend the tea to see the fashion show and not enter the card games a handsome doozy prize will be given to the holder of the lucky ticket.

### Lambourne Accompanies

Music will be offered for entertainment and to accompany the fashion show by Fred Lambourne's orchestra. Tea and coffee will be served following the show. Mrs. Jack Porter, Mrs. Harry Givretz and Mrs. Byron Abraham will serve as pourers for the tea. Members of the fraternity will act as hosts, ushers and attendants.

Declared an outstanding event, by a capacity crowd, last year the bridge-tea and fashion show, tomorrow is expected to be even a greater success. The price of tickets has been set at 35 cents. Invitations have been extended to students and townspeople for the affair.

### ARETA GAMMANS HOLD PARTY

• Monday evening, May 2, former pledges of Areta Gamma under the leadership of Wilma Chancellor, pledge captain, entertained the members at a May party at the home of Carol Moody. A color scheme of pink, blue and white was carried out in decorations which were supervised by Patricia Crow, and favors, made by Helen Ferguson.

At a short business meeting plans were made for a formal dinner before attending the Roadrunner Revue, Wednesday evening of next week.

### Crary, Weller Reveal Betrothal

• The engagement of Ruth Weller and Ronald Crary, both students at State, was announced at the Tau Gamma Sigma formal dinner-dance last Saturday evening at the Montecito Country club. Miss Weller, a member of the sorority, passed the traditional five pound box of candy at the regular meeting of the group last Monday evening. The bride-to-be is a junior, while Ronald Crary will graduate in June. He is a member of Sigma Alpha Kappa fraternity.

### WOMEN HOLD DINNER MEET AT BEACH

• At the regular business meeting of Las Meninas held at the home of Audrey Harkleroad, plans were completed for the two final meetings of this year. President Gail MacMillan presided.

On May 16, the club will have a dinner-meeting at West beach at 5 p.m. Committees in charge of the arrangements are, Eunice Foster, coffee; Ellen Ray, dessert and Sophia Patterson, Carole McCance, Rose Bissaccio, Norma Joy Hampton, Thelma Archibald, Helen Ferguson, Harriett Sebelius and Mildred Stelter are aiding in preparing the affair.

Election of officers was announced for May 31 at a special business

### D. Z. D. Alum's Next Week Annual Event

• Discussing sorority plans for the month of May, Delta Zeta Delta, social sorority, met at the home of Mrs. Josephine Smith at 1824 Grand avenue on Monday night with Berneice Jacobsen acting as hostess for the group.

Completion of plans for the annual Fashion show of the group to be held at the El Encanto hotel on May 14 was the major order of business for the group. Tickets for the show are on sale by all members of the sorority.

Other business discussed included plans for an informal party to be given at the home of Alice Freeman on May 14 following the Fashion show, with a committee headed by Alice Boeseke, assisted by Miss Jacobsen and Peggy Benham making a report.

The sorority voted to purchase a shower gift for Mrs. R. E. Lee, sorority patroness. Meeting was concluded with a traditional birthday cake cutting by Rosalind Rawicz and Peggy Benham.

Those on the nominating committee are, Evelyn Foster, chairman, Jean Thias, Norma Joy Hampton and Eunice Foster. This meeting will be the last of the year.

Chesterfield and Andre Kostelanetz... they bring more pleasure to millions

...real pleasure...carefree pleasure! You enjoy it in Chesterfield's refreshing mildness and better taste... that "extra something" that makes you stick to Chesterfields.

Chesterfields are made of the world's best cigarette ingredients... mild ripe tobaccos... home-grown and aromatic Turkish... and pure cigarette paper. When you light a Chesterfield you're smoking the cigarette that Satisfies.

**Chesterfields**  
will give you MORE PLEASURE than any cigarette you ever smoked
