## PLANS FOR ALL-DAY FISHING TRIP SATURDAY, JULY 23

Now is the time to sign up for all-day fishing trip planned for Saturday, July 23. The previous attempt to schedule a trip of this kind met with failure, because students neglected to sign up early. Transportation over the bounding main will be provided by a ninety-eight foot yacht. This yacht has a luxurious lounge and spacious decks to allow ample casting room.

Poles may be rented on the boat or at the pier. Bait will be furnished.

All persons are urged to bring their own lunch because the small galley cannot satisfy hungry requests of all participants.

For this fishing trip to be held as scheduled, it will be NECESSARY for all interested students to sign up as soon as possible in the Graduate Manager's Office before the deadline July 21.

## FRIDAY NIGHT MARKS FIRST SUMMER SESSION DANCE

A Cordial invitation is extended to all summer session students and regular college students in town to attend the first summer session dance, to be held at the Cabrillo Pavilion Beach Club across from the Mar Monte Hotel overlooking the blue Pacific at East Beach.

Newt Perry and his Men in Blue will provide the suave, smooth music for the affair. Many of our local music students are members of Perry's orchestra, and Patty Gilmor, remembered for her singing in the Roadrunner Revue, will be the featured vocalist.

The affair will last from 9:30 to 12:00, and dressy sport will be the order of the evening.

Tickets may be obtained in the Graduate Manager's Office for 60 cents per person.

Be sure to have that date by this Friday night for the first dance of the summer.

E.C.E. DEPARTMENT HOLDS  
SUCCESSFUL PICNIC THURSDAY

Sixty-two women, attending the E.C.E. Department picnic at West Beach last Thursday, enjoyed the conventional hot dogs, tossed salad, and coffee--topped off by the sweetest, juiciest watermelon ever eaten by man or beast, or teachers.

Entertainment included volley-ball, baseball, singing, foot races, and was concluded by a skit entitled, "Regressive Education at It's Best"-- a take off on old-fashioned teaching methods.

So much fun was had that a committee is now at work planning for the next picnic, sometime near the end of July.
