## The Bystander Observes

By KENTON CAMP

"Being talked about is no worse than being totally ignored."

### LABOR AND LONGSHOREMEN

The longshoremen nearly staged a riot as 1,500 dock-workers overturned automobiles carrying workmen to the Jaeger Furniture store. They accused the store of operating under open shop conditions. 300 shipyard workers have threatened to join the strike if their demands for a wage increase are not met within 48 hours. The longshoremen's strike is now in its third week.

### STRIKE NEAR SETTLEMENT

Utah's month-old metal mines strike is nearing a settlement. The 168 to 134 to return to work at an International Union of Mine, Mill and Smelter Workers have voted, wage increase of 25 cents per day.

### AND SPAIN STILL WARS

Spain's civil war is now in its 16th week; Madrid is facing its second week of bombardment. The citizens of the capital are reduced to eating mice and curry. The loyalists, have repulsed the rebel attack and are enjoying a brief respite.

### LIBERTY LEAGUE DISBANDS

Al Smith will advocate the disbanding of the league at the next conference of the executive committee. He believes the purpose can be served by keeping the league in existence.

### IN WASHINGTON

The State department announced a two year continuance of the U.S. military mission to Brazil. The mission consists of four army officers to cooperate with the Brazilian army general staff.

### WPA SHOWS DECLINE

WPA Administrator Harry L. Hopkins reported a decline of nearly 28 percent in the number of persons receiving aid from state and local relief agencies.

## Eight Gauchos Form New Gym Club with Dr. Noble, Sponsor

Organizing for the first time on the State campus, eight Gaucho men, under the sponsorship of Dr. Elmer R. Noble, have formed a new Gym club.

Norman Thompson was elected president of the new group, with Frank Loer, secretary, and Carlos Lozano, treasurer. Other members are Bob Williams, Chester Cash, Marion Maskaant, Harold McQuigg, and Lenny Dorn.

Set up for the purpose of creating interest in gymnastic activities, the club will meet on the first Thursday of each month, and hold work-outs Tuesday and Thursday afternoon in the gymnasium.

## R. Lamoreaux Plans Local Debate Meets

Plans have been made by Ross Lamoreaux, head of debating, to stage several contests between State debaters before several local service clubs, to give the debaters more experience speaking before an audience.

The question will be on the regulation of hours and wages by the national government. Students who will take part will be Robert Scalapino, Betty Card, Ross Lamoreaux, Claire Call, Elbert Phelps, Marjorie Marshburn, and Petie McKinney. The group meets every Tuesday, eight period in the auditorium. Any student who is interested is invited to attend.

## D.A.R. Offers New Award to Senior Woman

Citizenship Medal, Cash Prize Given for Outstanding Senior Woman

### PRIOR TO GRADUATION

Women Vote by Secret Ballot for Three Outstanding Class-Mates

The Mission Canyon chapter of the Daughters of the American Revolution will present the Mary Jameson award this year for the first time, to an outstanding senior woman for good citizenship. A good citizenship medal, together with a cash prize, will be given.

Mrs. Byron Z. Terry, regent, and Mrs. J. Byron Norton, chairman of patriotic education, will present the medal in the annual awards assembly held prior to graduation in the Spring semester, according to present plans.

The State woman must be of outstanding character and have made a good scholastic record. Senior class women will vote, by secret ballot, for three in their class who they believe excel in four qualities: dependability, which includes truthfulness, loyalty and punctuality; service, which means cooperation, courtesy and consideration of others; leadership, which means personality, self-control and ability to lead; and patriotism, which means an unselfish interest in family, school, community and nation.

From these three chosen, the faculty of the college will select one woman as the final student to receive the high honor.

The D.A.R. makes a similar award at the high school each year, but the Mary Jameson achievement is the first to be given at State.

## Anderson, McKellar Attend Sixth Annual Relations Council

Twenty-one colleges, representing the Pacific Southwest district, were present at the sixth annual International Relations clubs' conference held at Occidental college, November 7 and 8. Allistair Anderson and Christina McKellar attended from Santa Barbara State.

Alfred Bird of Occidental college was president of the group, and Miss Amy H. Jones represented the Carnegie Endowment for International Peace from Washington.

The program was arranged in round table discussions of the subjects "The Colonial New Deal," "The Storm Over Asia," "The Control of International Economic Relations," "Competing Inter-Nationals," "The New Pan-Americanism," and "Impending International Organization."

At the assembly, each group gave its report on these subjects, showing clearly that the conference as a whole did not fear war in the near future, and that trying prob-

## Fleet Comes in to Gaucho Territory

The fleet was officially in as far as the college campus was concerned yesterday afternoon, when three gentlemen from the U. S. S. Marblehead embarked upon a tour of the Gaucho hangout.

The three sea-going lads were William Thomas Kirk, 17; Edward Howard, 18; and C. Garbo, 22 (when we saw him, we wished we could "see Garbo," too, but he was no relation).

All members of "B" division, the Navy men hailed from San Diego, Detroit, and Hamilton, New York, respectively. When questioned regarding our fair city, they replied in the vernacular, "It's the greatest little city in the world." Garbo stated that our campus didn't quite live up to Colgate University, his home-town brag.

The final touch game when the representatives of San Diego commented on the score of the San Diego-State grid battle, in favor of the Southern city. At this point, they were forcibly ejected.

## Jane Abraham Heads Dinner

Phelps Speaks at Registrars Convention in San Francisco

Mrs. Jane Miller Abraham, registrar of Santa Barbara State, presided at the annual dinner of the Pacific Coast Association of Collegiate Registrars, held at the Sir Francis Drake hotel, San Francisco, November 9, at 7:00 p.m.

The dinner was the highlight of the convention, held November 8, 9, and 10, in the Bay city. Registrars and Universities on the coast were present from most of coast. President Clarence Phelps was the guest speaker at the dinner; his subject was "Some Challenges to College Organization."

The convention officially opened at 8 p.m., November 8, in the mezzanine of the Sir Francis Drake hotel with an informal reception and social hour. The following day business meetings, and reports took place. On the last day of the convention, discussions and informal talks were given by the members.

## MASQUERS HOLD RECENT TRIALS

A number of State college drama enthusiasts met with Paul Jones, assistant Dean of Men, Friday afternoon in Pine hall to try out for positions on the casts of "A Christmas Chime," by an unknown author, and "Ask Me Another," by Carlos Bee, Gaucho student.

Both are one-act dramas, the first of yule-tide play featuring romance, and the second a skit of wisecracks revolving about "a dumb gal named Alice."

Those present also heard plans brought forward by Mr. Jones, director of the one-acts, for the presentation before the student body of one play a month, beginning at an assembly December 15.

## Bonfire Camp Temporarily "Sings Blues" Merchants Heckle, As Lowerclassmen Again Rally to Cause

Yesterday morning at the spot 300 yards from Stearn's wharf, misery was temporarily a visitor at the Freshman camp. Somewhere in the scuffle of securing the best wood to make the "best bonfire in State's history," certain types of boxes and other paraphernalia had been buried in the heap.

Various merchants had arrived at the scene of the crime, and demanded "my crate," "my banana boxes," "my lugs" and other articles. Trucks made their way to

East beach to be re-loaded. The Frosh uttered but few words, and set to work. One side of the hitherto equal-sided pile was torn down. Crys of "here's one" and "here's another" rent the air, as the Fighting '40 risked neck and limb to ascend the heights and throw 'em down.

Two worn-out gallants lay asleep beside the pile not hearing the confusion. The bewhiskered class prexy raced to the campus to send out a call for more men to come

## Large Multitude Views Burning of Frosh Fire Before Oxy Game Rally

Phelps Congratulates School on Spirit; Coaches Pessimistic on Outcome of Tiger Fracas Friday

Climaxing several weeks of hard work, the Frosh lit their annual bonfire last night preceding the Occidental rally held before an enthusiastic audience of over 2,000 students and townspeople, at the foot of Santa Barbara street, near the water's edge.

Starting the festivities, 50 frosh men held an Indian dance around the bonfire, at the conclusion of which they threw their beanies in the fire signifying the end of their servitude to the sophomores. Danny D'Alphonso, president of the Sophs, pronounced the edict liberating the underclassmen.

## State Follows Team to Grid Game in South

Down Town Organizations Make Reservations for Aztec Trip

Plans for the second "Follow the Gaucho" trip, the excursion to San Diego, for the Aztec fracas, are nearing completion according to Fred Allred, student controller. Collaborating with G. C. Drake, Southern Pacific agent, the price has been set at \$4.65, round trip. Transportation from the depot to the stadium will be twenty-five cents, bringing the total for the trip to \$4.90.

Reservations are pouring in from downtown organizations, according to Allred and one club has already reserved 30 seats. Many of the campus fraternities and sororities are planning parties for the trip. Students who are planning to go should sign up in Allred's office before Wednesday, November 18, and pay the \$2.00 deposit. It is necessary to have 200 people sign up to insure the special rate.

The San Diego alumni of Santa Barbara State under Henry H. Batchelder, president, are planning a luncheon at the San Diego hotel for those making the trip. The event will take place from 11:45 to 12:45 and will cost 60 cents. (Continued on Page 2, Column 3)

## Bennink Leaves for Occidental Campus

Dean of Women Lois M. Bennink will leave the campus today for Occidental to attend a meeting of representatives from colleges throughout Southern California regarding the N.Y.A., student aid program.

The group will discuss questions relating to intra-mural policy formation; student participation in policy formation; methods of determining individual benefits to students; methods of determining rate wages; and relationship of N.Y.A. to other student aid provisions, such as loan funds and scholarships.

President Phelps congratulated the freshman class and the college for their new spirit in cooperating in all activities and for standing behind the football team. Coaches "Spud" Harder, Willie Wilton, and "Doc" Kelliher spoke on the chances of the team in the fracas tonight. All three were of the opinion that Occidental will be a tough opponent. According to statistics, in the last eight years, Occidental has scored 77 points against our 19, winning five games against our two.

"We are not the under-dogs, so naturally they will have a slight edge," was the opinion of the coaches.

Fred Allred, student controller; Ken Noble, publicity manager; and Bill Hoyt, senior class president, were among the remaining speakers. David Jones, frosh president, thanked his helpers, outstanding of which were Mike Davis, Al Merrill, Hugh Shields, James Westcott, Harold McQuigg and David Wright who devoted much valuable time both building and guarding the "stack of wood." A special vote was given to Lyndell Brundige, who was in charge of the woman's food committee.

Songs and yells were led by Harry Sloan, Jack Kitchen, Barbara Sharp and Renata Maccianti. A vote of thanks was given to Elmer's and Gimmill's clothing store for sponsoring the sound system used at the rally.

Wilma Kiesner, rally committee in charge of the program aided chairman, and Harry Sloan were by Miss Helen Sweet, faculty advisor.

## Journalistic Frat Choses Los Angeles As Convention City

Members of Alpha Phi Gamma, national journalistic organization, will meet together in Los Angeles, their chosen convention city, November 27, 28 and 29.

Representatives will journey from Colorado, Ohio, Arizona, Washington, Oregon and various parts of California, Iola Rust, of Redlands, and national secretary of Alpha Phi Gamma and Beta Phi Gamma, the junior college division, will be in charge of arrangements for the event.

Hotel Embassy and the Trinity auditorium will be the scene of the conference. A writer's tournament is being planned as a novel and interesting feature of the meet. Other special events will be an exhibit of college newspapers and yearbooks; several addresses by newspapermen of the city; and a model initiation ceremony at which the national officers will officiate. Alpha Phi Gamma was established in 1919, and Beta Phi Gamma, in 1935.

### Our Personal Honor

Aided by campus organizations, a list of which includes Las Espuelas, the art department, the rally committee and the Block "S", the Women's Athletic association will sponsor the football banquet this year in honor of the 1936 gridmen and make it definitely a college-supervised event.

With Wilma Kiesner, rally chairman, aided by Harry Sloan, yell king, and Barry Simmons, vice-president of the Associated Students, heading the ticket sales committee, downtown merchants will be urged to attend the dinner and prove the desire expressed to "back the Gauchos."

The affair is definitely scheduled as an open one to Santa Barbarans and State students, with a capacity of 300 expected at El Paseo on December 4.

Basing its decision to sponsor the event this year upon the fact that arrangements for the honor banquet should be made by the college as a whole to fete its own Gaucho squad, the athletic association extends a hearty welcome to all persons interested in making it a success.

As football season draws slowly to a close, and the Gauchos remain still undefeated and untied, the final responsibility to express appreciation to the men who have competed in inter-collegiate conflicts rests upon the shoulders of the college students themselves, primarily. A final opportunity will be found in the dinner event for businessmen to do honor to the team.

Members of the Harder squad will be guests of honor at the banquet, minus their familiar green and white football togs. The award will be presented to the most valuable man. The glamor and excitement which is football, will terminate in the annual banquet. The success of the affair will depend on the cooperation and interest of all.

### A Toast to the Freshmen

To the Freshman class again go the commendations and congratulations to the college upon the successful construction of the annual rally-bonfire.

Working steadily for the past week under the leadership of the class president, the Fighting Frosh of '40 rallied to the cause to provide an evening's entertainment for State students.

One mistake alone marred the achievement. Having progressed slowly and carefully in the early days of building, the participants temporarily forgot themselves as the final day drew near, and collected materials at random from merchants who had not offered assistance. Different items of value buried in the huge pile of lumber were resurrected yesterday morning by businessmen to the temporary chagrin of the Gauchos. However, with satisfaction as their motto, the lowerclassmen hastened to rectify their error and return the borrowed goods.

Faced with a similar problem to that of last year, presented in a less acute manner, the Freshmen ranks went into action to rebuild the bonfire after the material had been saved from the conflagration. Looking back at the bonfire of 1935, we remember that the Vaqueros of Santa Barbara High school destroyed prematurely the result of two weeks work. This year, action to rebuild the bonfire after the material had been saved a mistake made by the workers amounted to practically the same thing.

Should the task of building the annual bonfire be left to the upper classmen, State would undoubtedly soon be forced to abandon the custom altogether. A spirit exists in the heart of every Freshman, that of responsibility and undaunted courage. In each undertaking the Frosh saw the seeds of cooperation and participation, and reap the harvest of success.

### Book Chatter

By Arthur H. Batchelder

ODD BITS ABOUT ODD BOOKS  
1 Recently the sophisticated New York harbour was given the shock of its blase life, when one of the last of square-rigged ships, the "Joseph Conrad," spewed forth Alan Villiers, well known author of "Grain Rase," and "Whalers of the Midnight Sun," and his crew of cadets who had manned the ship during its 2 year voyage around the world. It seems that Mr. Villiers is completing a manuscript for a new book which Charles Scribner's Sons plan to publish early in 1937.

2 Some more news concerning S. S. Van Dine's "Kidnap Murder Case." There have been 52 foreign translations and editions of his works, which range from the Japanese to the Czecho-Slovakian; from the Russian to the Portuguese; from the Danish to the Persian. Six foreign countries, contracted for translations and editions of the new book before publication.

3 "Heads and Tale," by Malvina Hoffman published September 28, has already gone into its fourth large printing. More about this masterpiece later.

4 Sherwood Anderson's "Kit A Portrait," is one pip of a novel. It is the strange odyssey of a moonshiner's daughter from the mountains of the south which reaches its climax when she becomes the brilliant driver for a bootlegger's gang. Get it . . . for it's a thoroughly modern book written in the modern vernacular and strangely enough it is both beautiful and sophisticated.

### College Students Go South to San Diego

hotel is near the depot, and the busses will meet the students after the luncheon to take them to the stadium.

An effort is being made by the townspeople to send the Gaucho band on the train, and they will put on a stunt at tonight's game in an effort to raise the money.

The train will leave Santa Barbara at 5:00 a.m. and arrive in San Diego at 11:30 a.m. Returning, the train will leave the Southern city at 6:30 p.m. and arrive here at 12:30 a.m. Sunday. The train is a through traveler and no stop will be made in Los Angeles.

Dinner and breakfast will be served on board train for those desiring it. Members of the football squad will not travel down on the special, as they will leave Friday afternoon, but they will make the return trip on the "Aztec limited."

### Long Shots

By LONGIE

What an Armistice Day!! I thot that Armistice meant peace, but it didn't look that way after the Black Foxe game Wednesday . . . and it would have been a fine fisticuff if the officials had allowed it to continue.

Certainly liked the way in which Audrey Fletcher kept the spirit up by leading State yells at the Black Foxe game. This is on the up and up and no sarcasm intended. I thing she deserves a large orchid.

From all appearance it looks as the Tooley Palmer's first date of the season has gone "fluff," with Myrna showing preference to Gardy.

What's happened to Irving Wallace? Haven't seen him around for some time.

Yale Lorden and Alice Lamb going to the same show together in different cars. What's wrong? Chris MacDonald and Terry Boyer seem to be getting plenty thick as are Wanda Felger and Gordy Parsons.

Walking past the physiology lab saw Ronnie Craey sitting on the bench holding a Japanese parasol over his shoulder. . . he certainly looked coy.

Seems that Margi Bush is an old hand at attending Traffic school . . . Sid Gardner is having trouble deciding whether he wants the president of the D.Z.D.'s or just one of the members.

lems of the European nations were evolutionary, according to Al Anderson.

At the banquet held in the dining hall of Occidental college, the conference heard the distinguished Austrian world citizen, Dr. Joseph Kunz, whose subject was "The League of Nations; Its Effectiveness in the Present and Future." According to Kunz, the work of the League as a whole was successful and the so-called failures were due partly to the U. S. and their Anti-League attitude. He did say, however, that the covenant of the League could and should be changed and the work of the body should be continued.

## Frosh Score 'Moral Win' Over Cadets

Gauchitos on Defensive in First Half But Turn Tables in Second

**BILL McARTHUR SCORES**

Black Foxe Coach, Ab Young, Stops Frosh Winning Play in Closing Minutes

With a "moral" victory to their credit, Coach "Doc" Kelliher's Fighting Frosh of '40 went down to defeat, 13-8, at the hands of the highly-touted Black Foxe Military academy, Armistice Day on the Ventura J.C. field.

The first score of the game came in the first quarter, when Banta of the Militarists went over for a touchdown on a lateral from Gerber. Intercepting a pass on his own 10 yard line, Jack McArthur of the Frosh kept the opponents from scoring in the same period.

The third quarter found the freshmen playing a much improved brand of ball with Bill McArthur, a future varsity headliner, leading the parade. Near the end of the third session Jack McArthur punting beautifully throughout the game sent one of his spirally boots out on the much heavier and larger Black Foxe three-yard line. At this point the military lads attempted to kick out of danger but the ever-alert frosh guard, Valos, broke through and blocked it to score first blood for the Staters with a safety. Score, 6-2 in favor of Black Foxe.

Not to be stopped Coach Kelliher sent in "Little-Stan" Wilson, a passing demon, to start the fireworks again. Wilson no sooner got his hands on the ball when he flipped a pass to B. McArthur who in turn took it to the opponents 12 yard line. Again Wilson with the ball tossed another to McArthur who this time planted the ball in the end zone to put the Gauchitos out in front 8-6.

Determined not to have their undefeated record blemished the Foxers scored a fluky touchdown on a pass after it had been more than batted to death. The score now favored the city-boys 13-8 with only three minutes of play remaining.

But now it was the Freshman's turn. With the ball on their own 20 yard line, Merlo passed to Main who wasn't in any mood to stop and look around and ran to the 11 yard stripe before he was caught from behind.

Probably the prize robbery in all freshman football history occurred at this point. With both teams lined up, Bailey, frosh fullback, was the center of a hide-out play not seen by the Black Foxe grid-ders but was seen by their coach who in turn sent in a substitute to warn his play-mates at which he was unsuccessful, so the coach took it upon himself by running out onto the field and stopping the play. After the Foxe mentor had been cleared off the turf and the referee didn't realize, the frosh had time for one more play which resulted in an incomplete pass.

Had the Gauchitos not been robbed of their trick play they undoubtedly would have scored the first victory over the Black Foxe Military academy; but the opinion of all who witnessed the game readily believe that they registered a great moral win.

Apple pie is the most popular food at New York university, according to Miss Noles, dietician of the commons lunch room.

## Poets Victors Over Bearcats

Willamette Loses to Strong and Muchly Improved Whittier Team

Chief Newman's brow-beaten Whittier Poets rose up with a smashing three-touchdown onslaught in the first half and then squeezed through with a 21-18 victory over the Willamette Bearcats of Salem, Oregon, champions of the Northwest Conference, in a holiday gridiron thriller viewed by 4,000 Poet homecoming day fans.

Leading by 21-6 at the intermission, the Poets saw their lead threatened as two touchdown gallops of half the field's length put the Bearcats back in the game.

It was Elvin Hutchinson, Whittier's great triple-threat back, who led last year's Southern California Conference titlists in victory.

In the opening period Hutchinson flipped a 10 yard pass to End Bill Patterson and the flankman planted the ball down for the initial tally.

Then in the second period, Hutchinson, the "Red Oak Express," romped 50 yards through a broken field to score and came back seconds later to sprint 73 yards through a demoralized Willamette eleven.

Tom Hunt, husky center, provided the margin of victory when he converted after each touchdown.

But the invaders were far from through, for after picking up six points on a freak pass play when Bill Waldron grabbed the ball after a Whittier defensive player had partially knocked it down in the second period and raced 10 yards to score, Bill Beard, flashy half, outfooted Whittier on a 61 yard touchdown gallop two plays after the third quarter opened and Dick Weisgerber, powerful Bearcat fullback, cruised 50 yards to the 1 yard line and plunged over for another score in the same period.

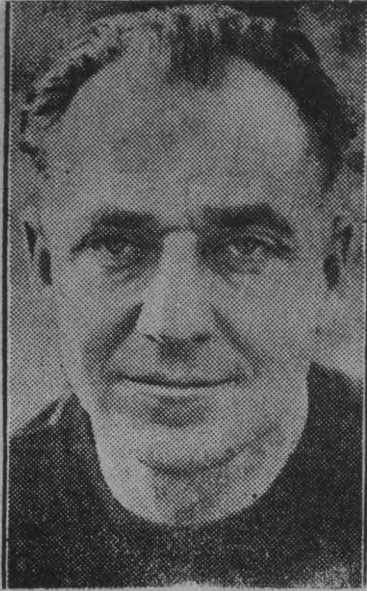

## National Ratings

Last week State trimmed San Francisco but failed to show a favorable rise in doing so, according to the Williamson rating system. The Gauchos gained 1.1 in efficiency but dropped 2 places in rank which judges by comparison with every other team in the list of ratings.

Oxy, not rated this week, was placed at 438 playing a tie game with Cal Tech it is not expected that they will have changed more than a few places. Meanwhile San Diego dropped two places and maintained an identical percentage as last week.

Team	Places	Effi.
L. S. U.	1	95.8
Northwestern	2	94.1
Alabama	3	94.3
Santa Barbara	109	65.6
San Diego	149	56.9

## Bill Anderson

Coach Bill Anderson of Occidental will send his up and down team against the highly-touted Santa Barbara Gauchos minus the services of two of his star players Aram Rejebiah and Don Peters tonight in an attempt to score one of the greatest upsets in conference history.

## 'Tarzan' Monson Stars for State

One outstanding player that Santa Barbara State almost didn't have, is Freddy Monson. He met Coach "Spud" Harder in Bakersfield and decided to play college football under him. At that time Harder was coaching Bakersfield Junior college, but when Fred was ready to enter college, "Spud" was transferred to Santa Barbara and so Freddy came with him. He already had three years experience on the Woodlake High school team, one as a linesman and two in the backfield. He also made letters in basketball and baseball and was an all-round good athlete.

This year Fred tried out the fullback spot and did very well at it. When Sanderson was benched early in the season because of injuries, Freddy was ready to step into his shoes and did a capable job of filling them too. He is a good kicker and outstanding on defense as well as on carrying the ball. His sportsmanship is just what is expected from such a fine player and as he has just started on his college pigskin career he has plenty of time ahead of him for more laurels. "Famous" Freddy is only a sophomore and if he keeps on improving at the rate he has set for this year we will probably see some plenty flashy playing from him next season. Already he has earned himself the right to be called a member of State's speedy backfield which is gaining national reknown. Monson is finding considerable competition for that backfield spot in "Gardy" Gardenhire, another excellent fullback, so only time will tell what the final outcome between the two will be.

## Aztecs Lose to Devil Dogs

Aztecs Topped from Nations Undefeated, Untied Members

San Diego college's Aztecs topped from the nation's undefeated class as the powerful San Diego Marines trimmed their cross-city rivals, 14-0 before an Armistice day crowd of 10,000. It was the fourth consecutive victory for the Marines over the Aztecs and fourth straight time the Collegians failed to score against the Devil Dogs.

The first Marine touchdown came midway in the second quarter when Barieu, halfback, completely fooled the Aztecs with a long pass-reverse play. Hal Lindfelt, end, took the pass and crossed the goal line untouched. The play was good for 47 yards. Jim Franklin added the seventh point with a place kick.

After recovering a fumbled lateral pass by the Aztecs, the Marines drove to their second touchdown in the third quarter. Don Gibson, substitute halfback, scored on an 8 yard sweep around end, and Franklin again booted the extra point.

San Diego State, playing without the services of two regular linemen Ward and Vaconi, threatened to score only once. Max Glass, Aztec quarterback and one of the game's leading gainers led a long march in the fourth quarter which the Marines finally halted on the 1 yard line, where they took possession of the ball.

## Gauchos Aim to Continue Clean Slate

State Recognized As One of Fourteen Undefeated and Untied Grid Machines

**OLDERSHAW NOT TO PLAY**

Occidental Tigers to Force Plan Against Harder-Men Tonight

Aiming to extend their nationally recognized undefeated untied record and driving on towards their first conference championship, the Galloping Gauchos of Santa Barbara State play the Occidental Tigers, tonight at Pershig Park.

The Tigers tied the Cal Tech Beavers last Friday 7-7 and sustained injuries to several of their star players, hence an atmosphere of gloom prevades the Oxy campus. The Gauchos are highly favored on comparative records but the Tigers always play top-notch ball against the Big Green. Last year Santa Barbara won out in a bitterly contested struggle, 6-0.

Doug Oldershaw, the big Gauchoguard and contender for All-American honors, will not see action in the game due to a hip injury sustained in the San Francisco game. Coach Harder hopes to have him ready for the gruelling San Diego contest the following week.

The "touchdown twins" may not gallop together as "Scooter" Morelli is suffering from a leg injury and will play only if necessary.

Barney Swanson will direct the Big Green machine from the signal calling berth as Dave Pollock's injured leg has not responded to treatment as quickly as expected.

The string line-up for the Gauchos, Mulock, at left end; Twaddell, at left tackle; Hale, at left guard; Donk Hart, at center; Hayman, at right guard; Busby at right tackle; and Al Young at right end.

In the backfield, Barney Swanson at quarterback; Howie Yeager, left half; Nate Johnson, at right half; and battering Freddy Monson at fullback.

**Delta Zetas Preview Winter Fashions Tomorrow at El Paseo**

Delta Zeta Delta sorority will hold its Winter Fashion Show and Bridge Tea Saturday, November 14, at El Paseo from 2:30 p.m. until 5:00.

Plans for the show were made at the last meeting of the sorority held at the home of Mrs. Ester Porter on Alameda Padre Serra. Sorority members will sell tickets for the event. Student admission is 50 cents and general admission 60 cents.

Lounging pajamas from the Jack Rose Smart Shop will be featured in the show. Formals and sportswear will also be modeled. Michel Levy's is displaying shoes and Marcel et Pierre will do the coiffeurs.

Active members are bringing candy to sell. Bridge will start at 2:30 with the fashion show at 4:00. Those modeling are Darlene Hapenny, Myrtle Holt, Margaret Beddome Green, Peachie Stuart, Elinor Stewart, Betty Greenwell and Mrs. Jane Abraham.

Active members of the sorority are Madeline Straw, Ann Covelle, Darlene Hapenny, Elisabeth Leonard, Elinor Stewart and Zelva Pierce.

## Home Economic Dept Stages Annual Sale

Members of the committees for the annual Christmas sale sponsored by the home economics department have been appointed and the women in each group will soon be notified.

"If any student in the home economics department wishes to work and does not receive a notice, she may speak to the head of the committee on which she wishes to help," stated Miss Jean Krueger, department advisor.

The chairmen are Eva Metzger, candy; Laura Rice, fruit and cakes; Evelyn Braman, pies; Madge Bunch, luncheon sets and towels; Mildred Cummings, aprons; Thelma Zimmerman, dolls, animals and pillows; Vevalyn Ryder, cookies. The Christmas sale will be held in the quad the week before Christmas vacation. Its purpose is to carry out an annual custom, to bring in the spirit of Christmas and to raise money for the home economics department.

## Kappa Omicron Phi Honors Alumnae at Luncheon Saturday

Members of Kappa Omicron Phi, national home economics fraternity, gave a luncheon for its alumnae last Saturday at the home of Miss Florence L. Clark at 2003 Alameda Padre Serra.

Alumnae present were Mrs. JaNette Johnstone and Miss Mary Wheeler of Santa Barbara, Miss Rose E. Lesh of Santa Ana, Miss Evelyn Camp of Banning, Miss Evelyn Brown of Santa Paula, Miss Lois Jo McPheeters of Victorville, Miss Josephine Newstetter of Hollywood and Mrs. Donald Harris (Venetta Eastlack) of Walnut Park. Miss Charlotte Ebbets, past head of the home economics department and honorary member of the sorority, and Miss Florence L. Clark, sponsor of the sorority were also present.

Active members attending were Evelyn Braman, president; Catherine Caldwell, Jean Goss, Jean Henderson and Mildred Cummings.

## Neighborhood House Receives Donations

At a meeting of the Associated Women students in the Auditorium last Tuesday, Louise Jackson, second vice-president announced this year's plans for the philanthropic work in conjunction with the work done by the Neighborhood House for Christmas.

Instead of the usual donation of food, the Neighborhood House has asked that any donation be in the form of money. Each woman is asked to contribute a minimum of 10 cents. The money should be placed in jars which are located in the Co-op, Cafeteria, Coffee Shop, and Dean Bennink's outer office.

The women who are able are asked to donate food supplies such as dried fruits or citrus products they may have at their homes.

## Book Artists Vie As Contest Final Nears

Deadline for the book review contest sponsored by Arthur H. Batchelder, El Gaucho feature writer, will be Wednesday, November 25.

Very few students have participated in the contest to date, according to Batchelder. No names will appear on the papers to be judged and the criticism must contain 75 words or less.

"The book does not have to be a modern one," said Batchelder, "it could have been read 10 years ago or published a century past."

## Statements by the POWERS THAT BE

All organizations placing pictures in La Cumbre, must pay charges before Christmas vacation. Prices are \$25 for full page, and \$15 for half page. Money must be given to Fred Allred.

BOB MOORE, Business Manager.

All students must sign for outside guests by three o'clock this afternoon. No invitations will be issued after this time.

DEAN LOIS BENNING.

All student pictures for La Cumbre should be taken immediately. For appointment, see Alfredo Chavez, photography editor.

## Tau Gams Hold Tea in Honor of Faculty

Honoring faculty of State college and parents of members, Tau Gamma Sigma, social sorority, will hold a tea this Sunday afternoon, November 15, from four o'clock until 6, at the home of Mrs. Helen M. Barnett, group sponsor.

Charlotte Naess, social chairman, will be in charge of all arrangements for the event. The sorority will be aided by its alumnae chapter, under the leadership of Mrs. Dorothy May, president.

Frances Hoeslcher, active president, Mrs. May and Mrs. Barnett will welcome the guests. Approximately 125 persons are expected to attend.

## POND GETS REQUESTS

Miss Elsie A. Pond, head of the Junior High department, is already receiving requests for cadet teachers for mid-term and next year. "Many of our students are well liked and successful in this type of practice teaching," stated the department head, "and a large percent received teaching positions in their respective localities."
