OUTING CLUB LEAVES TOMORROW FOR TRIP TO CHANNEL ISLANDS

Two Boats To Make Trip To Valdez Harbor; To Take Many Guests on Club Trip

Tomorrow marks the day of days for members of the Outing club, College students, and their guests, and twenty-five students and faculty members of the Bakersfield Junior college, when they leave on their two-day venture of recreation and camping out on Santa Cruz island.

The island-goers will put off from Stearns' wharf in two power-driven boats, the "California" and the "Larco Bros." The departure is scheduled for 6 a.m. tomorrow morning.

President Sheesley of the Outing club announces that there still are a few accommodations available for those wishing to make the trip. "Any wishing transportation to the wharf Saturday morning should get in touch with me and I will see that they are properly cared for," he said. The total cost will be five dollars, the charge for transportation and meals. Every one will have to provide himself with blankets and cutlery.

Dean and Mrs. Ashworth will chaperone the trip, which will end with the return time set for Sunday evening.

This is the first trip of the club to the islands since the one two years ago that proved to be a real "thriller" for those going. Last year the trip was cancelled at the last minute because of a high wind which swept the channel, making the boat trip hazardous.

The party tomorrow will go to Valdez harbor on Santa Cruz island, the largest island of the chain, being 22 miles long. The harbor is about five miles west of the principal landing of the island, Pelican bay, and is only a short distance west of Frye's harbor, from which rock is being secured for the local city breakwater under construction.

Valdez is a sand beach harbor, formed by one of the canyons of the island, the small valley back from the ocean front forming an ideal camping spot. A small cave at one side of the beach is used for landing purposes, and beyond this cave is a small sea garden, which many claim is unusually beautiful.

Still farther to the west of Valdez harbor is the famous Painted Cave, to which a special trip will be made. Painted Cave is very deep and can be entered in rowboats.

SORORITY ELECTS

Rosamond Martin was elected president of the Tau Gamma Sigma sorority at a meeting held Monday. Thelma Morgan was chosen vice-president, Katherine Benninck, secretary, and Marlyn Jameson, treasurer. Margaret West will be the new rush captain, Thelma Morgan the Pan-Hellenic representative, and Katherine King the social chairman.

FORMER STUDENT VISITS

Eleanor Ginno, a former student here and who is taking a physical education course at the University of California, Los Angeles, spent the week end with Miss Weage and Julia Ann Grimshaw. She was accompanied by Elizabeth Van Barnevelt of Los Angeles.

Evans Chosen New President of Chaparral Knights

Arthur Evans was elected president of the Chaparral Knights for next year to succeed Daniel Britton at a meeting last Wednesday. Clarence Annin was chosen vice-president, while Norvel Dice received the office of secretary-treasurer.

Mr. Evans has taken an active part in campus activities, being president of last year's freshman class and active in a number of College organizations. His election is the culmination of two years of promotion of campus activities.

Dinwiddie Improves After Accident on Ridge Route; To Return Here on Sunday

James Dinwiddie, who was hurt in an auto accident a week ago this morning on the Ridge Route while returning from Bakersfield, is reported improved and will return to Santa Barbara Sunday.

His major injury consisted of a gash in the head, although it was first believed that he suffered internal injury. First reports reaching the campus Friday morning stated that he was in a serious condition, but a 'phone call to Bakersfield at noon showed his condition to be better than at first expected. It was first thought he suffered a fractured skull, later modified to concussion of the brain.

Dinwiddie had left Santa Barbara early Thursday afternoon to deliver a shipment of year books from Schauer's Studio to the Taft High school. On the way back, according to reports, at 3 o'clock near Lebec he struck a melon truck, wrecking his car and injuring Dinwiddie. He was rushed to the Bakersfield receiving hospital, not returning to consciousness until noon on Friday.

A card was sent to Mrs. Steele from Dinwiddie on Monday. It reads: "Thanks for your call. You couldn't have been more surprised than I was when I came to my senses Friday afternoon and found I was here. The doctor says I can come back home Sunday, so I will see everyone next week. At present I am nursing a three inch gash in the top of my head as the worst of my encounter. Give me S. B., as Bakersfield is too hot!—James H. Dinwiddie."

Rehearsals Progress for Women's Glee Operetta to Be Given on College Night

Added zeal in the practices of the Women's Glee club in preparation of the "American Girl" has resulted from the change in plans placing the Glee club performance as the main feature of College Night on Tuesday, June 7. The performance is under the direction of Mrs. Helen M. Barnett, director of the club.

A brief outline of the plot of the "American Girl" follows:

Eva Hope, an American girl, is traveling in England with her father, when he is called to Germany on business, and arranges for Eva, accompanied by her maid to stay with his sister, Lady Melton, at Belford Hall. By mistake, Eva comes to Belford House, a summer school kept by Miss Carew, who is expecting a new pupil from Ireland. Eva arrives during the temporary absence of Miss Carew and soon discovers her error, but agrees with two of the girls to stay for a day and impersonate the Irish girl. This leads to amusing incidents, as Miss Carew, who is slightly deaf, is completely deceived,

College Night Scheduled During Last Week; Operetta To Feature

Program Finally Arranged For Graduation Week To Start Friday with Dance

Final schedule of events for graduation week was made complete this week. The events follow:

Friday, June 3—Senior Prom. Samarkand hotel, 8:30 p. m.

Sunday, June 5—Baccalaureate Services. Quad, 4:30 p. m., Rev. Oliver Hart Bronson, speaker.

Monday, June 6—President's Reception.

Tuesday, June 7—College Night. Quad, 8:15 p. m.

Wednesday, June 8—Graduation and Class Day Banquet. El Paseo (evening).

Thursday, June 9—Commencement. Quad, 4 p. m.

Athletic Men Plan Banquet to Honor Men Who Assisted Sports; Scheduled Thursday

A banquet of the men of the college feting those who have materially assisted in promoting sports this year is planned next Thursday night at the College cafeteria, according to arrangements made in men dean's meeting yesterday. The banquet will be for all men of the campus.

Guests of the banquet will be Dr. Markthaler, Dr. Seldon Spaulding, Coach Clarence Schutte and Principal Homer Martin of the High school, Scoutmaster Calvin McCray, J. C. Lewis of the Y. M. C. A., and graduating boys of the High school. About twenty-five guests are being planned for by the Men's Athletic council.

Dr. Markthaler was the college physician, helping materially last fall free of charge in men's physical examinations. Dr. Spaulding takes charge of the gym apparatus class, doing so gratis. Coach Schutte and Mr. Martin aided football and track by allowing the use of the High school athletic facilities. Mr. McCray taught classes in scouting, no salary being paid him, and Mr. Lewis gave the use of Y. M. C. A. swimming pool to the swimming classes.

It is the aim of Coach DeGroot to make the affair one of the largest athletic banquets yet held, as he believes it to be of material help in advancing college sports.

Classes Choose Officers For Activities Next Year

Class elections took place Tuesday on the campus for the selection of officers for next year's classes. The incoming Freshmen will hold their election the second week of the fall semester.

Warren Atwood will lead the Junior class; Norvel Dice was chosen vice-president. Lucile Balcom will hold the position of secretary, and Clarence Annin, treasurer. Helen Donnelly will have charge of the social activities.

Ansgar Larsen heads the new Sophomore officials. Ardis Birnie is vice-president, Angelina Alliverti, secretary, and Ida Vizzolini is to be treasurer.

The Freshmen elected Barnard Barnes president, Helen Campbell, vice-president; Thelma Morgan, secretary, and Rebecca Hineman, treasurer.

FRAT FORMAL TONIGHT

The Beta Sigma Chi fraternity will hold its annual formal dinner-dance tonight at the Montecito Country club. Alumni members who will be present are Eston Laughlin, Fred Hicks, William Brooks, Leland Gammill, Francis Peteler, Allan Mobley, and Dale Hartley.

EXHIBIT CANCELLED

Owing to the fact that College Night has been set for June 7, the Home Economics Exhibit planned for the same date has been cancelled.

GLEE OFFICERS ELECTED

Irwin Vandam was elected president and manager of the Men's Glee Club for next year at a meeting recently. Clayton Sheesley was chosen secretary treasurer, and Leland Barnard is the new librarian. Noel Misemer received the office of publicity manager.

After being cancelled at first because of an overcrowding of the social calendar, the annual College Night celebration will take place Tuesday, June 7 as a feature of Commencement Week. The "American Girl," the Women's Glee club operetta to be given that night, will be the main drawing card.

With an executive committee consisting of Mrs. Barnett, Miss Severy, Mrs. Miller and Dean Ashworth working hard in preparation for the celebration, the features of the evening are being rounded into shape. The traditional college roll-call has been slightly altered in the method of presentation, and is under the charge of Dean Ashworth. The social activities, such as the dancing in the corridors to take place after the operetta presentation, will be arranged by Dean Pyle. Mrs. Barnett has charge of the "American Girl."

Advertising will be taken care of by the Pep committee under Warren Atwood and in conjunction with Mrs. Miller. The committee in addition consists of Keith Gunn, Ester Janssens, Pearl Crawford, Helen Campbell and Floyd Kenney. Estelle Nelson will also co-operate as the Women's Glee club representative.

Rally Scheduled

Plans for the advertising call for a general serpentine rally at the theaters of the city on the night of Thursday, June 2, the details of which are being arranged. Word of the Night will be broadcasted over the local station, KFCC, at the Lamb Auto Electric company. An advertising banner will be stretched across State street and advertising placed on the street cars. Handmade posters will also assist in the publicity.

Ticket Seller Planned

To aid in the sale of tickets and to carry out the purpose for which the Abbott trophy cup was donated, a ticket selling contest will take place under the direction of the finance committee, composed of Miss Severy and the class presidents. The cup is awarded to the class selling the greatest percentage of tickets, the class receiving it permanently which wins it three times. With only one contest passed, the cup was won by the class of 1927 last year.

The College Night cardboards will sell to townspeople at 75 cents each, a price of 50 cents being quoted to campus students only. A special reward is being offered for individual ticket selling activities, one 75 cent ticket being given to those selling ten 75 cent cardboards, and a 50 cent ticket to those disposing of ten student tickets.

To Sing College Songs

A changed form of the traditional college roll-call will be initiated this year, according to Dean Ashworth. Instead of calling the names of all the principal and western colleges in alphabetical order and inviting alumni of that institution to give any of their songs and yells as has been done in the past, an organized group of men students of the campus, probably the Men's Glee club, will sing the songs of the colleges whose alumni might possibly be present, inviting them to join in the singing. Yells will also be given. Among the colleges already planned are Washington, California, Stanford, Southern California, Yale, Notre Dame, Pomona, Occidental and Red-

Continued to Page 3

SENIOR PROM TO TAKE PLACE NEXT WEEK AT SAMARKAND BALLROOM

Informal Dance Scheduled To Open Graduation Week; Grand March Is Planned

Final preparations for the Senior Prom to be held at the Samarkand hotel next Friday night at 8:30 o'clock are being made by the Social committee. The dance will be semi-formal.

The presence of alumni of the College is urged, and arrangements to make possible their attendance are being handled by the Social committee. No features are planned for the dance. Janssens' Seven Piece orchestra will play.

A grand march will commence at 8:30 o'clock, dancing commencing at 9 p. m. The march will be headed by four couples, Henry Batchelder as president of the Student Body, Eleanor Warren as A. W. S. head and Keith Gunn as Men's club president, and Marian Hauan as chairman of the social committee. Each will be accompanied by their escort. The faculty and students will follow.

W. A. A. Banquet Is Held at Baylor Inn Last Night; Athletic Awards Made

The Margaret Baylor Inn was the scene of the W. A. A. banquet given last night. The banquet is an annual event. Approximately thirty-five members were expected to be present.

The features of the evening were the awarding of the numerals, letters and sweaters, and the installation of officers for the ensuing year. In order to receive a numeral a woman must earn 250 points, for a Block "S" 500 points, and for a sweater, 750 points.

Eleanor Warren was the only recipient of a sweater. Miss Warren is the first woman in the history of women's athletics to receive this honor.

Letters were awarded to Mildred Mincher and Margaret Webster, while numerals were given to Beryl Dunning, Marlyn Jameson, Ester Janssens, Ruth Kueffer, Dorothy Kimes, Grace Miksch, Mildred Mincher, Norma Perry, Eleanor Warren, Margaret Webster and Dora Woods.

OVER TWENTY ANSWER TO SPRING FOOTBALL; FUNDAMENTALS GIVEN

Squad Practices On Field At High School Grounds; Many Veterans Return

Spring football practice went under way this week under the direction of Coach Dud DeGroot and Captain Gates Foss. The team is working out every afternoon at the High school field.

The men are being drilled in formations, all the basic plays of next season being worked out in order to give the squad a flying start in the fall.

The turn-out was rather disappointing, only about thirty men showing up. This number is made up almost entirely of veteran material, however, although several new men are having a go at the grid sport. Spring practice gives these a chance to get used to handling the ball and gives them an idea of the system of coaching used here.

Orders are being made for new equipment, Coach DeGroot declaring that next year will find the best equipped football team that has yet represented Santa Barbara. With good equipment, good material, and probably a new athletic field, the Roadrunner institution is expected to put out a squad that will figure largely in the Coast Conference race.

Women's Tennis Matches Finished; Fisher Winner

Lucia Fisher won the women's tennis singles this year when she defeated Gladys Oglesby by a score of 6-3, 6-2, last Saturday at the beach courts.

Gladys Oglesby and Lucia Fisher hold the championship for the inter-class doubles, the finals of which was played off Tuesday morning on the High school courts. In this match, Miss Fisher and Miss Oglesby defeated Grace Birss and Marlyn Jameson in a hard-fought match, taking both sets only after a struggle. The score was 10-8, 6-4.

ART HOLDS PICNIC

A large number of art students and friends attended the weiner roast at Oak Park, Wednesday afternoon, at 5 o'clock, given by the Art Department. The art faculty were guests of honor. Following the picnic, those present went to the step sing. This picnic marked the close of the Art department social year.

An "Ugly Man Contest" is held each year at the University of Cincinnati. A penny is charged for each vote, and the winner of the contest is announced at the annual Varsity Boat Ride.

Baseball Team Disbands; No College Games Secured

Baseball has definitely been discontinued this spring, due to inability to schedule college games. Efforts were made to secure contest with other colleges, but all of them had either completed their schedules, or had full ones.

The team has split up, and many of the men are playing with teams in the Twilight League.

Gym Class to Give Annual Apparatus Work Exhibition

The Men's Gym Apparatus class under Seldon Spaulding will hold its annual exhibition of work done on gymnasium apparatus during the past two semesters next Wednesday afternoon in the gym at 4:30. Students and the public are invited without charge.

Included in the list of events being prepared for the exhibition are stunts on the high bar, parallel bars, and mats. Each of the series will be run off by the class in as close succession as time will permit, with Gordon Bailard, captain, starting.

Continuing from last year when it was initiated into the college curriculum, the class has progressed rapidly in individual and group improvement under the leadership of Mr. Spaulding. Those who are acquainted with the type of work it has been doing state that the exhibition will be worth seeing.

Frosh Win Baseball Series From Upperclass Women

With a score of 16 to 8, the Freshmen women's baseball team won the last game of the series which was played Monday at 4:15, defeating the combined team of upper class women. This was the second of two games played between the Frosh and the team composed of Sophomore, Juniors, and Senior women. The first game was played Thursday last week, the Freshmen winning, 12 to 1.

The second game was hard fought, both teams playing keenly. The Freshmen took the big end of the score early in the game and held it despite the efforts of the upper class women.

The lineup of the two teams were: Freshmen—Louise Lowry, captain; Estelle Batty, Marlyn Jameson, Margaret Webster, Mildred Mincher, Dora Woods, Mildred Wright. Upper classmen—Beryl Dunning, captain; Grace Miksch, baseball manager; Norma Perry, Anna Nygren, Dorothy Kimes, Evelyn Camp, and Eleanor Warren.

STUDENT ILL

Rose Telford, a Freshman, is recovering from a double attack of measles and pneumonia. She is convalescing in the home of Mrs. Anna Bradbury on Loma street, and expects to return to the campus sometime next week.

Student co-operation is what makes Eagle advertising pay.

Paragraphs--

DANCING IN THE CORRIDORS IS ABOUT AS EASY AS FINDING HAM IN SOME OF THE HAM SANDWICHES THEY SERVE UP AT THE CAF. I'M NOT KICKING, I'M ONLY SAYING THAT DANCING ON THAT PAVEMENT IS REALLY ENJOYABLE—ONLY IT HAS ITS DRAWBACKS.

YES, AFTER YOU GET THROUGH A DANCE YOUR BACK IS SO DRAWN THAT IT REALLY ISN'T FUNNY. NOT ONLY THAT, BUT AFTER THE THIRD OR FOURTH DANCE YOU ARE DANCING BARE-FOOTED. I WAS CONGRATULATED ON MY BLACK BOTTOM DANCE ONCE WHEN I REALLY WAS DODGING THE MOSQUITOES.

Well, if they dance in the gym its just as bad. One time I got on one of those white lines that go round in a circle. I went around and around and when the music finally stopped I had to dance two more dances before I could unwind myself. You know, once you get on one of those white lines you have to stay on unless you are lucky and happen to derail yourself—on another line.

Dean Ashworth and I have talked over the possibility of freezing over the pond for ice dancing. We thought about ice skating, but knowing that three-fourths of the students have only seen ice in ice wagons or ice houses we thought perhaps they'd be digging it up for ice water.

PREXY FEELS THAT IN RESPECT TO CAPTAIN LINDBERGH, THE PROPOSED BULL FROG MARATHON ACROSS THE POND WILL BE POSTPONED. I HAD INTENDED DOING SUCH ANYWAY, BECAUSE I FELT THAT IF THE FLIERS SHOULD BECOME DAZZLED WITH THE NEW PAINT JOB IN THE POND, I COULD NOT BE HELD RESPONSIBLE.

We saw a little bird the other day suddenly stop and fly back to a branch on the eucalyptus tree and scratch his head in bewilderment. First he looked up at the sky, then down at the shining blue pond, and then giving up, he flew away—but upside down.

WHEN THEY DO PAINT THE ANTIQUES AROUND HERE OR CHANGE A COUPLE OF CHAIRS ALL OF THE BOLL WEEVILS IN THE COUNTRY COME AROUND FOR A CONVENTION.

ATTENDANCE COMPULSORY
Compulsory attendance of all students at the Commencement exercises to be held the Thursday of Graduation week will be required by the administration, with a penalty of denial of grades for violation. In view of the importance of the event and that college will be dismissed one day early prompted the regulation. Class meetings will be held previous to the exercises to check the roll.

Athletic relations between Harvard and Princeton universities were revived recently when baseball nines made up of the staffs from the schools' two newspapers indulged in a game.

FRESHMEN TAKE SWIM MEET BY BIG MARGIN

The Frosh swimmers splashed their way to victory in the inter-class meet last Tuesday afternoon in Y. M. C. A. pool. The Sophs and Juniors trailed far behind in that order. The final count was Frosh., 45, Sophs., 10, and Juniors, 3.

The yearling paddlers had everything their own way, only three men competing against them, two Sophs. and one Junior. Very few of the races were close, the 40 yard free style being the only one that developed into real competition, four men finishing together.

40-yard free style, won by T. Foss (F); second, F. Manis (F); third, Kenney (S). Time, 2.35.

60-yard breast stroke won by Smith (F); second, G. Foss (S); third, F. Manis (F). Time, 44 s.

220-yard free style won by Boeseke (F); second, Kenney, (S); third, Schott (F). Time, 3m. 11.2 s.

60-yard back stroke won by Smith (F); second, Kenney (S); third, Schott, (F). Time, 42.1 s.

Fancy diving won by T. Foss (F); second, F. Manis (F). Only two men entered.

100-yard free style won by Boeseke, (F); second, Vandam, (J); third, Schott, (F). Time, 1 m., 11.1 s.

The Sophomores suffered from the inability of Gates Foss to swim. Foss was suffering from a strained ligament in his arm and was unable to compete in his best events.

lands. Plans are also being formed for large pennants of each college in the college colors to be displayed individually while the songs of the institution are being sung.

To Decorate Court

The usual court decoration of colored and flood lights will be made under the direction of Mrs. Crowell. Lanterns, colored light streamers, college pennants, and colored flood lights will be used in the scheme. No decoration of the entrance between Alameda Padre Serra and the quad will be made.

The decoration of the front portion of the quad will coincide with the setting of the operetta, that of a rooming school campus. Added equipment for the lighting of the stage is being secured. Mrs. Barnett, assisted by Rosamond Martin, is attending to stage lighting effects.

Greenough's orchestra will play for the dancing.

Until recently women in the schools of China were hidden from the view of their professor by curtains.

Kappa Delta Pi Elects New Officers for Coming Year

Officers of the Kappa Delta Pi honor fraternity were elected at their regular meeting on Monday afternoon of this week. Those elected to the positions are Mrs. Olive Johnson, president; Lee Veret, first vice-president; Ester Janssens, second vice-president; Edwina Kenney, secretary; Schurer Werner, treasurer; Mrs. Grace Fulkerson, membership committee chairman, and Dean Ashworth, constitutional committee chairman. President Phelps was chosen temporary counselor.

The duties of the first vice-president will be to arrange the programs while the second vice-president will have charge of the social activities.

The official Kappa Delta Pi insignia of the fraternity, has been ordered by each of the members. The key is shaped in the form of a scroll with a beehive upon it.

Does Psychology Explain Why Women Carry Books in Round Arms? Men Do Not

Did you ever notice that men students carry their books down by their sides while women carry theirs in their curved arms?

A—, the office psych. major, says that this is an inherited tendency. From the prehistoric times down to the present day the woman has carried the child in her arms, and the instinct is the transmitted result of oft-repeated ancestral tendencies.

A local psychologist, however, says that the popular tendency to explain everything by the latest fad, which in this case is an appeal to inherited psychology, is concentrated applesauce. The woman carries her books in her curved arm because she has more books to carry. Her eagerness to learn and her conscientious devotion to whatever she undertakes makes that style of carrying books a necessity.

The man, not so easily bluffed into doing all the work that happens to be assigned, leisurely swings along with one or two books by his side. If necessity drives him he carries more in his curved arm.

DeGroot Addresses Meeting Of Men; Advocates More Men Here Next Year

"If every man in this College would make it a point to get another man to come here next year, we will have a real men's college and good athletics," Coach Dud DeGroot stated yesterday in speaking to the men of the College at a dean's meeting. "The women are fine, and we are glad to have them here, but we need more men to develop our athletics."

DeGroot explained that in the visit which he and Dr. Ellison made to twelve high schools of the southern part of the state last week, practically every boy was going to a junior college. "They will not come here of their own accord, we must go and get them," the coach stated. "Santa Barbara State is not well enough known for that."

The coach briefly outlined the past athletic year, and stated the prospects of next year. He also gave credit to those men of the town who assisted him in athletic work this year.

Why Women Go To College Is Answered by Author

Why do girls come to college? Marguerite Mooers Marshall, well known writer, ired by Samuel Merwins's reported statement, "I see a few millions of girls being industriously 'educated' in schools and colleges to some end that has not yet been made clear," set down five reasons, in upholding the young women of today for giving several years of their lives to a college career.

She lists them as follows:
1. To prepare for earning.
2. To learn things about themselves and the world in which to live.
3. To make friends.
4. To have a good time.
5. To be a real woman, "a creature not too bright or good for human nature's daily food—and yet a spirit still and bright with something of angelic light."

Of all the reasons given, the last is probably the most common and the foremost, even though many, perhaps most, of the young women harbor this ideal only subconsciously. As Marshall says, "she very likely doesn't read Wordsworth and will hoot if you quote him to her, but she has dreams, ideals, principles, sense, and she clutches at college as the attainable medium in which she can develop all the best of herself."

One hears so much buncombe about the college girl not preparing herself for motherhood. Happy hearts and strong minds are the most essential prerequisites for motherhood, and there are no happier, cleaner minded girls on earth than the college girls. They are almost constantly in a happy, healthy frame of mind and heart.

—Univ. of Washington Daily.

BARBECUE HELD

The Men's club and Industrial Education department barbecue was held last Sunday at Paradise camp on the San Marcos pass.

Baseball, horseshoes, and several other games were played before the meal. Ted Marshall prepared the food for about twenty-five students.

SUBJECT A SOON

The spring Subject A English examination will take place on Saturday, June 4 in rooms 43, 44, and 45 at 9:30 o'clock in the morning. Those who have failed to pass the examination and who have taken English X, together with those who have not yet taken the examination, will be eligible. The test is in English composition.

Two new social fraternities have been organized at the University of Redlands this semester. Chi Rho Psi was established last month, and Sigma Phi this month.

Many Attend Dance in Quad Held Last Saturday Night

One of the best attended dances of the year took place last Saturday night in the quad, and was held to replace College Night, which was first scheduled last week end. Many alumni were present.

Greenough's five-piece orchestra furnished the music. The court was decorated with lanterns, this part of the dance being arranged by Phyllis Randall and Norvel Dice. Punch was served.

Marian Hauan, chairman of the Social committee, had charge of the dance.

PHI KAPPAS ELECT

Winnifred Pollard was elected president of the Phi Kappa Gamma sorority at a meeting held Monday night. Melba Wilson was chosen vice-president, Mildred Wright secretary, and Josephine Black treasurer. Genevieve Moore will be the new Pan-Hellenic representative. Miss Pollard will succeed Dorothy Kimes, now president of the sorority.

Twelve hundred girls at the University of Mississippi have agreed to wear only cotton clothes until the surplus cotton is used up.

The Eagle's Eye Campus Observations

THE end of the semester is not far away and of course Eagle's Eye has a few little pet topics that it must mention while it still has a chance.

For one thing, we are still without a College hymn. Some months ago the old original college hymn was dug up out of a corner in the library, but it didn't seem to be very popular.

And we still have "Our College Grand" which we insist on singing like a rah rah rally song.

In spite of contentions otherwise, Our College Grand would make a beautiful and appropriate College hymn, if, when we sing it, we could cut the speed down and leave out the rah rahs.

ANOTHER thing is the driveway out here. Besides having a parking place, lately the chains have been down so that cars can park around the building.

And still there are cars parked on both sides of the road by the entrance, which is narrow enough anyhow. When cars are parked on both sides of the driveway, it is impossible for two other cars to pass.

Besides being an inconvenience to people trying to get in or out of the College grounds, some day there is going to be an accident there, and if it is bad enough, may be those people who park their cars there will be made to leave them where they belong.

BY the way; there are a few people around college who are, as the saying goes, without a class. For example, they may have entered with the Class of '29 and yet they are short a few credits.

They would naturally feel out of place by attending the meeting of the Class of '30, because they do not feel that they belong there. They are not allowed to be with their own old class, so consequently they are without a class.

Would it not be a good thing if a person was considered as belonging to the class with which he entered no matter how many credits he or she had?

IT is a shame that time goes so fast. It is too late to install an honor system of any kind this semester. It is one thing that should have been given a start this year, but it hasn't.

So next year's administration should see that an honor system is one of the first things that they work on.

The suggestion for an introductory assembly for the first of next year is a fine thing. The powers that be should see that we have that assembly and that it is a good one.

Nothing but French will be spoken at "a Maison Francaise," a new dormitory on the campus of Oberlin College which will be completed next year. Fifteen women are to live in it, and almost thirty men and women will eat there.

Following the tug-of-war victory of the freshmen over the sophomores at Ohio University, the freshmen announced they would not obey the rules of upper classmen in future.

Two miles of test tubes are broken annually by students and professors in the laboratories of the University of Kansas.

Massachusetts supplies about fifty per cent of Harvard's undergraduates.

letics, and next year Santa Barbara will have teams of which she can rightfully boast—thanks to Coach DeGroot.

This Week in the College World---

WHEN a New Student representative interviewed Mr. Albert T. Smith, Principal of Westchester State Normal School of Pennsylvania, he explained that Professors Robert T. Kerlin and John A. Kinneman were not dismissed but that when the time came for their present contracts to expire, they would not be renewed.

The professors charge that they are being dropped for their advanced social and political views and because the local American Legion post has bitterly attacked them. But Dr. Smith denies this. He states that the reason given by the trustees for their action was that these two men were spreading discontent and ill feeling among the students concerning the financial administration of the college and creating a spirit of distrust of the authorities.

Despite the fact that the students have cooled slightly in their ardor to uphold the student Liberal club in its defense of Dr. Kerlin and Prof. Kinneman, the duel between the club and the American Legion post continues. The post recommended a state-wide investigation of liberal clubs whereas ex-Governor William Sweet of Colorado advised the student liberals to take measure to plead their cause.

STANFORD is witnessing the efforts of the Women's Council to tighten and enforce the rules of the women so that they might be "shielded from opportunities to meet circumstances that are exactly analogous to those they will encounter when they leave Stanford."

According to psychologists, too much restraint during undergraduate life will swing the pendulum to the other extreme when college life is over. Under the present restrictions the women are allowed to remain out until 1:30, or even all night if permission is granted, violations being subject to expulsion.

Stephen O'Donnell writer of "The Bull Session," a column in the Stanford Daily, gives the opinion of the men of Stanford. He says: "We hold that, as a matter of fact, the women of this University are and for years have been dependent upon their own strength of character to curtail their own liberty; so that it would not approach anything resembling license."

"We feel furthermore, that the existing rules, or any imaginable set of rules would not be able to place in

ALPHA THETS HOLD FORMAL

The Alpha Theta Chi sorority will hold its annual dinner-dance at the Montecito Country club Saturday night. Alumni members who will be present are Mary Ellen Chapman, Hazel Kramer, Jean Christy, Bernice Haberlitz, Ruth Garner, Dorothy Whitestein, Charlott Little, and Christina Hamilton.

SIGMA ALPHS ELECTS

Sigma Alpha Kappa, holding their regular semester election of officers, chose Ted Marshall as president for next semester, and Clarence Annin, the incumbent head of the fraternity, was selected as vice-president. Gaillard Fryer and Powell Smith were elected secretary and treasurer. James Anderson is to be the new sergeant-at-arms.

FORMER STUDENT TO WED

Announcement was received this week of the engagement of Edna Dowler, former student here and who has been teaching for the past two years in Santa Rosa, to Donald Carithers of that city.

Miss Dowler will return here June 10 to visit her parents. The wedding will take place June 30 in the Empire room of the Fairmont hotel in San Francisco. Members of the family only will be present.

TO COMPETE IN SWIM MEET

Gaillard Fryer, Gates Foss, Cedric Boeseke and Jack Smith, all from State college, will accompany the Y. M. C. A. swimming team when it journeys to the Hollywood Athletic club to compete in the southern California Y. M. C. A. swimming championships.

These four mermen have been swimming fast times, and the "Y" team is counting largely on their performance to take the meet.

Stanford University will offer instruction in the Chinese language next year.

the hands of any governing body the real responsibility for a woman's conduct. Furthermore, it has been our observation that Stanford women, being of a high type intellectually and morally, may be trusted to handle their own affairs in a lady-like manner."

As favoring the present status of the rules governing the hours of the women after classes, one "Stanford mother" writes: "If Mr. O'Donnell had a daughter at Stanford, he, in common with other parents, would welcome the existing rules, which make for the health, happiness, and safety of our girls."

A TRADITION THREATENED; SAVED

College Night, the outstanding tradition of Santa Barbara State, has finally been restored to the 1926-27 calendar of events after a rather rude and unexpected jouncing received about a month ago when it was dropped from the socials of the year. It will take place, however, on Tuesday, June 7—a little late but better than never.

That too many major social events were taking place at one time, together with the fact that no preparation for the event had been commenced, prompted its cancellation by the administration. Strenuous objections by the student council last week to breaking the annual perpetuity of the event gave rise to a movement to hold it for the sake of tradition and the faculty scholarship fund.

Now that the Women's Glee club operetta, the "American Girl," will be used as the feature of College Night this year, and that a very short time elapses before June 7, a little more than a rustle and a stir will be needed from the students in general to advertise the event to the townspeople. The operetta, we are told, will be unusually good and will be attractive drawing card. Several of the customary features of the night have been altered slightly in view of past experience, and nothing less than a good time will be experienced by all who come.

But the affair must be advertised. Expenses of the operetta must be met, with a surplus for the club and an addition to the alumni fund. A ticket seller will be held. And those cardboards which will each "admit one" to Santa Barbara State's annual College Night this year will be a good investment.

At crew practice at Columbia University snow fell while the candidates were practicing.

THIS YEAR UNDER COACH DUD DEGROOT

The first year of Coach Dud DeGroot's activities on the campus is about to close. During the year more has been done under his regime than before seemed possible for Roadrunner sports.

In previous years the idea of entering a conference was spurned or allowed to drop, but now Santa Barbara State is a member of the California Coast conference, due mainly to the work of Coach DeGroot. Entrance will give the Roadrunners a goal for which to aim, something to fight for other than the defeat of a few scattered colleges.

The men's physical education courses now are unusually complete for a college the size of Santa Barbara, in contrast to practically no P. E. courses previously other than major sports. All were developed this year. Two new and worthwhile gym classes were added, filling a long felt need. Swimming is now an intramural sport, developing from a swimming class held twice a week at the Y. M. C. A. under Coach DeGroot. Other minor sports are being added as facilities permit.

Although the past football, basketball, and track seasons showed no continuous overwhelming list of victories, the teams were placed on a solid foundation of fundamental tactics. In football the DeGroot system is well founded, and with all but one man returning to the gridiron next fall, there is little doubt but that Santa Barbara State will defeat its old rivals and still bid strong for the California Coast conference championship. Coach DeGroot has built his foundation; results will come next year.

The same is true in basketball and track. The material returns, one year to the good and benefiting from ideal coaching. It is said that the Roadrunners will be a strong barrier for other conference teams aspiring to the hoop championship, and the local college stands a strong chance again in basketball.

Of course much will depend on the facilities provided next year, such as practice fields and a large gymnasium. But nevertheless Coach DeGroot has more than done his share of building up Roadrunner ath-
