You don't need your parents' money to buy a Macintosh.

Just their signature.

It's never been difficult for students to convince their parents of the need for a Macintosh[®] computer at school.

Persuading them to write the check, however, is another thing altogether.

Which is why Apple created the Student Loan-to-Own Program. An ingenious loan program that makes buying a Macintosh as easy as using one.

Simply pick up an application at the location listed below, or call 800-831-LOAN. All your parents need to do is fill it out, sign it, and send it. If they qualify, they'll receive a check

for you in just a few weeks.

There's no collateral. No need to prove financial hardship. No application fee.

Best of all, the loan payments can be spread over as many as 10 years.

Which gives you and your parents plenty of time to decide just who pays for it all.

The Smith Corona Correcting Cassette.

We've reformed the correction system.

Prisoners of old-fashioned correction systems, freedom is here.

Smith Corona's Correcting Cassette means an end to twists, tangles and fumbles.

It's an easy-to-load, drop-in correction tape you can insert in mere seconds.

There are no spools to unwind. No complicated threading. No more muttering under your breath. It's that simple.

What's just as simple is our Right Ribbon System.SM It simply prevents you from using the wrong combination of ribbon and correcting cassette.

You'll find our Correcting Cassette and Right Ribbon System on the Smith Corona SL 600 typewriter.

You'll also find lots of other

great features on the SL 600—like the Spell-RightSM 50,000 word electronic dictionary, full line correction, WordEraserSM and more.

You might expect a typewriter this sophisticated to cost a bundle, but the SL 600 is surprisingly affordable. All of which makes it one of the best values you can find today.

Case closed.

Great Pacific® Iron Works invites you to spend
an evening with Doug Peacock.

"PEACOCK'S WAR"

Peacock, the inspiration for Edward Abbey's character, Hayduke, in *The Monkey Wrench Gang*, will host this benefit screening. All proceeds will go directly to The Grizzly Project, a non-profit organization dedicated to preserving the grizzly.

"Peacock's War" is an award-winning documentary that profiles Doug Peacock, a former Vietnam medic who now spends his time as a fire-watcher in Glacier National Park. Motivated by a unique understanding of animals, Peacock has devoted most of his life since Vietnam to saving the dwindling population of grizzly bears. The film weaves together interviews with Peacock, footage of the Vietnam war, and film of grizzly bears in action.

Thursday, December 8, 8:00 p.m.
VICTORIA STREET THEATRE
33 West Victoria Street, Santa Barbara
Admission: \$5.00 donation to The Grizzly Project
Box office opens at 7:30 p.m. For further information,
