## College Men Plan Hairy Jowls

Beard Growing Contest  
Opens on Campus  
Monday

### ALLOW EXEMPTIONS

Hobo Brawl Ends Event  
of Year; Prizes  
Offered

"Are We Men, Mice or Chihuahuas?" will be the main question put before the male members of the campus next Monday, April 19, as the annual "Hobo Brawl," sponsored annually by the Men's club, swings into being.

The beard-growing contest is open to all men students of the college, except men (mice) who have definite obligations requiring clean shavenness. Reasons for exemption will include working, Casanovas, mother's boys and "Men of Esquire" who lack the proper campus spirit.

To obtain exemption, men must obtain licenses from the official committee, Dave Pollock, Danny D'Alfonso and Ed Cole. The committee will assist any unlicensed beardless man to the extent of applying a burned cork substitute. Bearded men will be authorized to carry burned cork and enforce rules with such.

### Prizes for the Best Beard

Grand prizes to be awarded include \$5.00 for first, for the heaviest beard, and \$2.50 for second. These choices will be made on qualification, quality and quantity. Five dollars will also be offered for the longest specimen, with two dollars for second. General prizes will be given for the best colored growth, based on contrast and richness of color; for the best trim, judged on unique appearance, design and historical significance.

Licenses for non-participation will be labeled "Mouse Tags" and will eliminate him from the contest. Dave Pollock will sign all exemptions.

## Midlin Addresses Students on Peace

Albert Midlin, U.C.L.A. Student Religious Conference leader, will speak Wednesday, April 21, at the Recreation Center. His topic will be "Significance of the student Peace Rally". The student peace strike will take place on April 22, at 11 a.m. in colleges and high schools throughout the country.

The United Student Peace Committee, representing thirteen nation-wide youth organizations, is sponsoring the coming peace demonstrations, in which students in 25 colleges and high schools of Southern California will participate.

### POLITICAL POLICY

With the prospect of anything but a drab campaign and election before the associated students, I wish to point out clearly to the voters, that El Gaucho, as an official organ of the college at large, will endeavor to maintain a fair and unbiased attitude toward the candidates in the coming election. However tangled, as gentlemen of the "Fourth Estate" usually are in campus politics, it is the privilege of any scribe, editor or copy-boy to state publicly, if he so chooses, his preference of the various aspirants. I take a definite stand on this point, and shall not feel called upon to defend the action of staff members, or myself on the campus, apart from the printed columns or environment of the college El Gaucho.

## Enters Presidential Race

Harold "Sandy" Sanderson, whose picture did not appear in Wednesday's edition, has thrown his lot in the campus presidential race, and will run against Dave Pollock and Danny D'Alfonso in the election next Friday.

## Library Has Exhibit

Bookplates of Prominent  
People Are Shown  
to Students

Bookplates designed and engraved by Elisha B. Bird and Sidney Alabaster are being shown in the college library, according to Miss Katharine F. Ball, librarian. They are the property of Miss Marion Dassonville of Los Angeles, and many have been signed by the artists.

Bird's work is produced in photogravure or engraved plates. In the collection is a bookplate made for the Kipling books at Harvard College library, a bookplate from Miss Chapin's school in the east, one for William Gerhard Mennen of talem powder fame, and another for Walter P. Chrysler.

Alabaster engraved an ex libris for the College of William and Mary, Williamsburg, Virginia. It was designed by Bird, and has the seal of the college, with American Indians and colonial settlers to represent early life in the colonies. There is a picture of the pin of Phi Beta Kappa, oldest of the Greek letter fraternities, first organized at the college in 1776. Alabaster also designed bookplates for Adolph Zukor, of movie fame and Nelson Doubleday, the publisher.

## Insult Inspires Irritation

Ze insult! A postcard addressed to the "Inspector of Insects" crept into the institution yesterday a la United States Mail. So, we're insects are we.

The problem confronting Mrs. Stewart, President Phelps' secretary, was to ascertain just which professor classed his students as "Insects."

A slight enlightenment was thrown on the subject by a notation in the corner of the card: Care of Harrington Wells, Nature Study. All right for you, "Pop", see if we enroll. You can't call us insects and get away with it.

### CRITICAL FOR DIPLOMATS

The world is waiting to see whether Herr Hitler and Il Duce will keep their threats in the event of a Loyalist victory, the threat being that they will not tolerate the Loyalist government if they should win. England is polishing up the sleek words for her diplomats to soothe the boys and at the same time make them feel the British claw. They are hinting to Mussolini that they will try (and probably succeed) in alienating the lit-

## Three in Presidential Campaign Race

Candidates for Offices to Give  
Speeches Before Students  
in Assembly Tuesday

Campaign speeches of the candidates for student body offices will be given before the student body next Tuesday morning in assembly. "It is important that all students attend this assembly," stated Denny McArthur, A.S.B. president, "in order to know the qualifications of the various contestants."

Ninety signatures must be obtained on petitions before a student can run for office. An examination over the constitution will be given this afternoon to the candidates. The following paragraphs describe the presidential and vice-presidential candidates.

## Block 'S' Holds Initiation Sunday

Sanderson Acts As Event  
Chairman; Guests  
Are Invited

The Blok "S" Society will hold initiation ceremonies for cross-country and basketball award winners this Sunday, April 18, at Tucker's Grove. All members and initiates will meet at the Anacapa Club at eleven a.m. Harold Sanderson will act as general chairman for the event.

Dinner will be served at twelve o'clock noon, and will consist of beans, French bread, salad and coffee. Several activities including baseball, football, and horseshoes will be indulged in by the group. Various card games may also be played.

Dr. Charles Jacobs and Coach Wilton Wilton, sponsors, will attend the initiation. Guests of honor who have been invited are Track Coach Ray Denno, "Doc" Kelliher, "Spud" Harder and Hal Davis, and Captain Paul Jones. "Bud" Cummings, former Frosh coach will also be present.

Doug Oldershaw and Keaster Hale will take charge of the initiation. The initiates will include Ed. Loudenclos, manager of the cross-country team, Russell Erickson, G. Morton Reitter, members of the cross-country group; Jim and Bill Benton, Bill Hoyt, Bill Howsman, Tooley Palmer and Harry Nethery, manager, all of this year's basketball team.

"All members planning to attend the event and who do not have transportation are requested to get in touch with me", stated John Twaddell, president of the organization.

## Grads Take Exams for Positions

Examinations for openings in the city school system will be held May 8, 1937, from 9-12 a.m. at the Santa Barbara High school, according to Mrs. Jane Abraham, registrar.

All applicants for examination must have a formal application on file in city Superintendent Curtis Warren's office on or before May 1.

Danny D'Alfonso, came to State from Santa Barbara High school, with the high honor of being named the outstanding man in his class by winning the Exchange club award.

In the two years as a Gaucho, D'Alfonso has been president of his class as a freshman and this year as a sophomore. In this capacity, Danny was prominent in the valiant rebuilding of the frosh homecoming bonfire, has been a member of the student council, and is now arranging for the annual Hay Hoedown.

Danny is a member of the Sigma Alpha Kappa fraternity, of Alpha Phi Omega service group, and was recently elected to the board of directors of the Gavel and Key. Scholastically, D'Alfonso has maintained slightly above a 1.5 average.

Dave Pollock fulfills every possible qualification due to his work in campus affairs and his co-operation in school activities since his entrance to Santa Barbara State in the fall of 1934.

In the executive field he has worked industriously as the president of the Men's club this year and has really strived to make a forward group of the men on the campus. As director of the Roadrunner Revue, he organized the available talent to produce the most successful financial stage-show ever to be presented by Santa Barbara State students.

Dave was manager of the island trip last year and worked on the committee the previous year. At present he also serves on the Outing committee and is a member of Sigma Alpha Kappa. In athletics he was a member of the frosh football, basketball and baseball teams, and for the last two years has played first string quarterback on the varsity, and is a member of the Blok "S" society.

Mr. Pollock was an investigator and founder of the "Gavel and Key", new men's honorary group, and has been elected to the office of vice-president of the organization for the coming year.

## Coeds Appear in L. A. Examiner

A full page of pictures, depicting duties of prominent campus women, were published in the Los Angeles Examiner Wednesday morning. The shots were taken last week by a representative of the Southern publication.

Students included in the page were Lyndell Brundige, Freshman class secretary; Petie McKinney and Irene Minikin, editor and managing editor of El Gaucho, respectively; Stella Mae Smith, vice-president of Alpha Theta Chi; Miriam Turton, president-elect of the A.W.S.; and a group study of Pat Ireland, A.W.S. social chairman; Dot Riche, social committee chairman; Gretalie Fitzgerald, hand-book editor; and Wilma Kiesner, rally committee chairman.

An informal snapshot was taken of Barbara Sharp, Marty Gibbs, Frances Hoelscher, Renata Macclanti and Kay Westaway as they stopped for a moment in the Gaucho club.

## Monson, Oldershaw Startle Class See the Rollicking Gymnasts Perform!

Grunt! Groan! Crash!!! No, there is nobody getting murdered, it is just Jimmy Monson and Doug Oldershaw in their phenomenal wrestling match, where nothing is barred. Don't worry though, it is all faked and nobody is liable to get hurt. Suddenly proceedings are interrupted by a dull thump as another member of the tumbling class misses the flying rings and lands on—well, he lands on the ground. Then Dr. Noble climbs onto the rings to show him how it should

be done and the entire class stands around with open mouths as he goes through a series of complicated gyrations.

In another part of the gym a pyramid of tumblers gives way and the whole thing collapses and ends in a pile of tangled arms and legs. The few onlookers gaze in wonder at this group of maniacs and wonder what in the world possesses them to make them act in such a strange fashion.

Strange as it may seem, these

rollicking gymnasts are not crazy (not much). They are just working extra-super special hard on the program that is to be presented at the college on the evening of April 30. It promises to be an evening of grand entertainment for those lucky enough to get to attend this colossal production.

Tickets? Only fifteen cents with many dollars worth of thrills, laughs and spills in store. Don't miss this show!!!

## Crucial Times

The student body election this year is promising to become a very exciting race with two representatives for the presidency from one fraternity and a non-org as candidates. Dave Pollock, who withdrew his petition earlier in the week, has re-announced his intentions of continuing in the election.

To date the political campaigning has been kept on a definite high level with no resorting to "mud-slinging" or underhanded methods of obtaining votes. It is to be hoped the students will continue next in the spirit of camaraderie in which the battle for president has started.

The only opportunity which the students will have to really see and compare the qualifications and personal attitude of the candidates as a whole will be the student body assembly next Tuesday. Here the customary speeches of the nominees will be given, as they are introduced by their campaign managers.

In order to vote intelligently on such an important question as the student body president next year it is necessary that the students of Santa Barbara State attend the assembly en masse to pass judgment on their choice.

As the president of the Associated Student Body of our college, a man must have several personal qualifications to compete for the position. He must be a definite leader, wear a spirit of cooperation, be open to suggestions, have a "front" for visitors, be a good host, and still mingle with the students in a friendly attitude and be one of them. As the official representative of the students he must make a good impression at dinners, conventions and gatherings at other schools and clubs.

If attendance at the last few assemblies is any indication of the meeting Tuesday, it is quite evident that the student body will be voting for people they know little about, and perhaps for an individual they have never seen. Therefore, it is not only necessary, but an obligation of an intelligent voter in the student body election, to attend the assembly, Tuesday, to give the various candidates a chance to prove their worth, and to understand their ideas and platforms.—I.M.

## What the Future Holds

In spite of the differences between fraternal groups on the campus recently, there has been a decided incline toward more friendly relationships between the men's organizations on the campus.

This is due partly to the broadminded outlook of the present interfraternity council and the new representative group, the Gavel and Key. Misunderstandings in the past have been the result of ignorance on the part of fraternity men who have attempted to speak on behalf of an entire fraternity, but in reality only represent personal opinion and selfish motive.

At the Interfraternity Council meeting last night, the group voted unanimously to unite in support of the Beard-growing contest sponsored annually by the Men's club, and offered its aid in making the event a success.

Without a doubt, the council, as representative of four campus fraternities, is looking toward the future of the college—a future which must and shall be characterized by good-feeling, cooperation and sincere school spirit.

## The Chimney Sweep . . . . .

By WESTAWAY

With the inauguration of the annual whisker growing contest, John Twaddell will act as supreme justice of the kangaroo court. There will be ENFORCEMENT of whisker growing. This does not excuse Bine. Quote person, "John, would you go to a formal with a beard?" Quote Twaddell, "I would rather go with my beard than a lot of girls around here." Quote person, "Well, you can at least stroke your beard."

What are these things called cinch notices? Let us hope that the next Gavel and Key meeting will not be to the tune of the Salvation Army band. Bill Gray is using clubs to beat off autograph seekers.

Wanda Felger is giving a party tonight; Joan Butler will attend with Harry Sloan. Millie Lincoln is escorting Fred Baird, also. Renata Maccianti is going to heed to the call of adventure and write to a Y.M.C.A. navy man. He is 25 years old and five feet eight inches tall.

Jimmy Lyons is enjoying his evening strolls with Bobby Ellis. After Bob Williams walked all the way over to Frances Wade's house—she wasn't there. Merritt Sloniker has fire in his heart for Dorothy Emerson.

Who stole Tex Guess's picture out of the Gauchito office? Carlos Bee and Margaret Eastwood have announced their separation. Betty Townsend is definitely on the loose too, because her true love left for parts unknown.

Some of the boys have Glahn with the wind and did you hear about triple threat Zimmerman of football family fame.

Bob Burt got his hair combed with a fork the other night. I hear the Beta Sigs are raising real chickens now. Bruce Le Claire and Barbara Bennett are giving each other a rest. Toomuchsed.

### POLITICS

With party blocs here, coalitions there, and candidates everywhere, the Gauchito campus now bears a distinct resemblance to the French Senate. One thing that is lacking is a couple of corps of black-shirted party men. 'Twould liven up the campus no end to have groups of D'Alfonso mauve shirts, Sanderson striped shirts, and Pollock violet shirts dashing hither and yon, recruiting voters. Yet the possibility of such a display seems very faint. A pity, isn't it?

### SPIRIT COMMUNICATION?

Indiana's Senator Minton is in the unenviable position these days of receiving stacks of "razz mail" as a result of a bit of his own correspondence. A week or so ago the Senator was in receipt of a telegram from the Gen. Arthur St. Clair chapter of the D.A.R., protesting packing of the Supreme Court. The busy legislator responded with a "dear general" letter addressed to "Gen. Arthur St. Clair, care Mrs. Clyde Wands, chapter D.A.R., Indianapolis, Ind."

One caustic letter to the Senator, checking him up on his slip, was the following short paragraph:

"I beg to inform you that the general, worthy patriot that he was, has not been accessible to letter writing since his death in 1818 — one would suggest that both you and your secretary in-

form yourselves about both history and D.A.R."

### INDIFFERENCE

Much of the admiration and respect held by this columnist for the Roadrunner Revue Committee has been dispelled at hearing of the committee's decision not to allot any of the several hundred dollars taken in by this year's show to the replacement of the Stetson hat stolen from Harry Stewart. A little assistance in this way would seem a small item considering the total amount of the Revue's profits.

### DRIFTWOOD

Names in this week's news include Milton Krook and C. Sharpe Minor. The former, a Roxbury lawyer, has filed a petition in court seeking to change his name, considering it "a disadvantage in my profession as an attorney." Mr. C. Sharpe Minor is also in court, but for a different reason. He is appearing to defend himself on a bad check charge, said check having been issued from his school of music. . . A local theatre marquee last week read, "The Crime Nobody Saw, with Lew Ayres and Mickey Mouse." A new hit team? . . And as for you, Gnat, you hang-nail, I've only this to say of your futile tirade of last week, "Phooey, you are unworthy of my notice."

## Passing in Review

By WALDO PHELPS

Gaucha sport fans are scheduled for a full afternoon's activities tomorrow. The attention will be divided between two points of interest, Phelps Field and Pershing Park. Up on Phelps Field the rapidly improving Gaucha track team will face competition from Redland's University and La Verne College. Both are conference meets and a double win for Coach Ray Denno's charges would raise their loop standings to two victories and three defeats.

It's not impossible either. Both the Gauchos and the Bulldogs could beat La Verne without too much trouble, which leaves the battle for points to these two squads. It is very difficult to pick the winner due to the large number of close contests which should take place. But I'll predict a victory for the Gauchos. Now I'll qualify my prediction. "If" Yeager is in shape to compete in the hurdles, sprints, and broadjump; "if" Dud Shean can return to form in the 440; and "if" the Bulldog distance men are as poor as they are supposed to be, the Gauchos will win. In addition to being close, the meet will present a number of potential conference champs. Truman Case, Bulldog sprinter, and Gray, Yeager and Stalmack of the Gauchos, are all top ranking in their events.

Down at Pershing Park, Coach "Spud" Harder's baseball team will be hosts to the La Verne diamond crew. The Gauchos should take another step forward in their quest for the championship. The game, however, is an important one, for a defeat would all but end the title hopes of the Hardermen. A victory would help prepare local fans for the great day of days the opening of the San Diego series here on May 6, 7, and 8.

Plans are being made to hold a tennis tournament to pick the three or four best players in the school for competition at Ojai. This is one of the outstanding intercollegiate events in tennis and is well worth working for. There is good material in school for a Gaucha tennis team, so dust off the old raquets, fellows, and let's dedicate the new bird refuge courts.

## Frosh Horsehidors, Santa Marians Play Here

Coach Willie Wilton's dynamic squad of frosh baseballers take to battle once again this weekend, Saturday afternoon, April 17, at Cabrillo field against the Jay Sees of Santa Maria, and as Wilton coyly put it, "If Eddie Ferranti's pitching arm has the old soup to fog 'em over, we'll take the visitors".

Headed by Gordon Davis, who will perform as Ferranti's battery mate, the infield will be composed of Norm Davis, Porter Roth, Stan Wilson and Johnnie Bassett. Patrolling the outfield gardens will be Bob Burt at left field, Angelo Ferrario at center and Decker in right field.

This squad whipped the Ventura J.C. last week by a 11-9 score, and the Junior Collegians in turn downed the Varsity baseballers two weeks previous. This tends to show the caliber of Wilton's potential pennant winners.

## La Verne Baseballers Seek Victory Here

Southerners Enter Game with Gauchos As Upset Theat with Local Team Leading League

The Gauchos will be "on the spot" this week-end when Coach "Hank" Lloyd brings his down but not out La Verne Leopards to Pershing park for a three game series with Coach "Spud" Harder's battling diamond aces, who are still hot from the two game win they took from the Whittier Poets last week.

Heading the staff of horsehidors of the southern school will be the pitching staff of Chuck Massic and Rob Swihart, who, if they reach their maximum abilities, will show the local batsmen plenty of the well known "stuff."

## Varsity Track Team Rates for Meet

La Verne, Redlands Compete with State Here Tomorrow

Favored for the first time this season since they entered a meet, the State Varsity spikesters should nose out the trackmen from La Verne and Redlands, when they meet the southland spike artists at Peabody stadium tomorrow afternoon.

The featured event of the day will see Bill Gray in the high hurdles trying to bring the school record down another notch. Last week Gray ran 15.2 to establish a new record and tomorrow he should top the timbers in about 15 seconds flat. Bulldog barriermen, Tracht and Hatch, should give Gray a good race and gain points for Redlands in this event.

**Redlands Not Easy**

Although the Gauchos are favored to win, the Redlands outfit is expected to bring a group of very talented spike artists. Truman Case versus Howard Yeager, Santa Barbara's star, in the 100, 220, and the broadjump should give the spectators a glimpse of some real rivalry.

In the field events the Gauchos will be represented by Fred Monson, Pete Weld and Dick Saxe, all of whom will have to be at their best to make a showing against the Bulldog star field man, Johnny Raitt.

"Ironman" Stalmack is expected to run the 440 instead of the high hurdles and along with Shean and Gibson should show plenty in this event. Tooley Palmer and Ted Joham are expected to gain some points in the half mile, as well as Russell Erickson in the mile and Johnnie Rygh in the two mile. Other point winners for the Gauchos should be Jim Benton in the high jump; Bill Cahill in the broad jump; Gibby Martin and Harold Sanderson in the pole vault.

**La Verne Mystery**

The quality of the La Verne team is unknown. The Leopards are expected as the dark horse in this meet and are liable to pull several surprises.

Dual contest scores between Redlands and La Verne, Redlands and Santa Barbara, and Santa Barbara and La Verne will be kept to count toward the league dual meet standing.

**Both Teams Drop Games**

The only basis for comparison of the two squads is that they have both dropped conference games to Occidental, the Leopards losing 19-4, and the Gauchos being on the short end of an 8-7 score.

Harder has been working his charges out daily at the beach diamond in an attempt to stem their rising confidence as a result of the two wins of the past week, and the workouts have been long and strenuous, emphasis has been placed on the only apparent weakness which seems to be the pitching staff. Powell Lee and Dale McNeice along with Earl Homan on his days of appearances have been given the works.

**Fans Get Money's Worth**

The three game series should bring out the fans in large numbers as the collegians play a brand of ball equal to that of any other local ball club. Games are scheduled to start at 2:45 p.m. and the Hardermen who will perform in the starting line-up will be "Sleepy" Morris at the first sack, Powell Lee at second base, provided he doesn't chuck the opener, Elmo Evans, Gaucha all-conference candidate at the hot corner, third base, and Jimmie Van Meter at short-stop. The outfield garden will be taken care of by "Buzz" Busby at left field, Bobby Murray in center and either Tom Smith, Lindquist, or Bill Foley at right field. Erhard and Homan will be the probable battery for Saturday's morning game which will start at 1:00 o'clock with Lee, McNeice and Homan sharing the hurling assignment in the other battles.

## Delta Zetes Present Annual Formal at Country Club

### Representatives Invited from Six Campus Sororities

Invitations have been issued by Delta Zeta Delta sorority to the other six social sororities to send two representatives to the annual spring formal of the D.Z.D.'s to be held this Saturday evening, from 9:30 to 12:30 a.m. at the Montecito Country Club.

The guests who will attend are Bettie Walker and Stella Mae Smith representing Alpha Theta Chi; Nellie Rathjen, Irene Baptiste, from Delta Sigma Epsilon; and Jean Goss and Eleanor Brickey from Gamma Delta Chi.

### Decorations Planned

Decorations for the dance are under the supervision of Alice Boeseke, Betty Palmaymesa, Judy Drennen and Edna Arnold and the programs will be carried out in the sorority colors of violet and gold.

Patronesses for the event include Mr. and Mrs. Byron Abraham, Mr. and Mrs. Yager, and Dr. and Mrs. Robert R. Lee.

A beach picnic to honor out of town members will be Sunday afternoon at the cabin of Mr. J. Odell Figg-Hoblyn, near the Campbell ranch in Goleta.

One of State's mainstays on the gridiron, Sanderson has played his last game for the Gauchos, due to an injury received in the Occidental game in 1935, in which he was responsible for the longest kick on the Pacific Coast. He is at present vice-president of the Block "S" society and president of the Anacapa club. In the near future, he plans to center his attention on the supervision of the afternoon recreational program for Estudiantina.

A transfer from Compton Junior college, Millicent Lincoln is now a junior at State. She was school song leader and a member of the rally committee at Compton. She won a beauty contest sponsored by the institution, which was judged by Dick Powell. She was a member of Delta Psi Omega, national dramatics fraternity, there. In Torrence High School she was a member of various clubs, student body social chairman, and a member of the scholarship society. At Santa Barbara State, she is a member of Delta Zeta Delta and a candidate for May Queen.

She is a member of Alpha Theta Chi, social sorority; Delta Phi Upsilon, kindergarten-primary fraternity; and Kappa Delta Pi, national honorary educational fraternity.

In high school, she held the highest position of the student body, for women, that of vice-president of the associated students and Girl's League president.

### FOR SPELLERS

"Don't feel disturbed if you can't spell simple words like 'cat' or 'philoprogenitiveness.' It may be a sign of intelligence."

Many authors and journalists can't spell. A star reporter of the New York Sun once spelled "stork" four different ways in one story.

the entente from Mussolini's ranks. To Germany they offer the delicious prospect of borrowing money if said money is not to be spent on armaments. Money fascinates a bankrupt and may have the calming effect desired. If Germany is lulled by these devices, it will stave off the conflict between democracy and fascism until Europe's chief democracy is ready for war. England is rearming as fast as possible and hopes to be ready to use a firmer tone in about two years.

# Metropolitan Opera Star chooses light smoke for his throat Lauritz Melchior says:

"The hardest test I can give a cigarette is to try its effect on my throat after hours of intense rehearsal. I've found that a light smoke meets this test. And so, although I am not a constant smoker, I favor Lucky Strike for the sake of my throat. And, incidentally, so does my wife. When we go back to Europe we never forget to take along a good supply of Luckies."

*Lauritz Melchior*

THE FINEST TOBACCO—  
"THE CREAM OF THE CROP"

An independent survey was made recently among professional men and women—lawyers, doctors, lecturers, scientists, etc. Of those who said they smoke cigarettes, 87% stated they personally prefer a light smoke.

Mr. Melchior verifies the wisdom of this preference, and so do other leading artists of the radio, stage, screen, and opera. Their voices are their fortunes. That's why so many of them smoke Luckies. You, too, can have the throat protection of Luckies—a light smoke, free of certain harsh irritants removed by the exclusive process "It's Toasted". Luckies are gentle on the throat!
