

'Challenge of Photography' Is Topic Of All-College Lecture by Dr. McCoy

Dr. Robert A. McCoy, assistant professor of industrial arts and specialist in the field of photography, will speak on "The Challenge of Photography" at the UCSBC All-College Lecture today at 4 p.m. in Bldg. 431, Rm. 102.

Dr. McCoy, in addition to teaching all the courses in photography in the industrial arts department, has won several awards for his photographs and is the author of a widely used book entitled "Practical Photography," published in 1950.

An interesting sidelight on his career is his co-authorship of a U.S. Navy book familiar to all sea-going naval personnel—"Rules of the Road"—which describes the traffic rules and regulations for ships in international or inland waters.

His lecture will include a brief summary of the history of photography, its impact as an industry, various classifications of photography, its place in the curriculum of a liberal arts college, its recreational importance, and the latest developments which give a hint to the future possibilities of photographic progress.

Dr. McCoy will show a series of color slides illustrating the use of the medium for medical and scientific uses and concluding with a short travelogue of

slides of high artistic quality. A series of 16x20 inch mounted prints will be on display in the lecture room.

Last Tuesday's lecture was presented by Dr. J. Chesley Matthews, chairman of the Department of English at UCSBC. His topic was "The Walt Whitman Centennial."

Gauche Staff Rests

Due to the Thanksgiving holidays, the next issue of *El Gaucho* will be out on Friday, Dec. 2. Enjoy your vacation—we're going to do the same!

Student Committee Drafts Road Names

A special student committee to select names for roads and buildings on campus has been reorganized this year.

Heading the committee and appointed chairman by Jack Christofferson, AS president is Don Petterson.

Last semester the committee was started and a few names for roads and buildings were suggested; however, none as yet have been formally initiated.

Suggestions from the committee for road and building names are taken first to the Legislative Council for its approval. If they pass the council, they are then referred to a faculty committee, who revise some more if necessary. The final okay is given by the Regents of the University of California.

Members include Jack Adler, Julie Jones, Donna Pat Wolf, Darryl Vincent, Terry Tisdale, Larry Higby, Martha Jean Kelly and Carol Fellman.

Cheerleaders Stage Dining Hall Rally

Complete with yells and shouting, SBC's three cheerleaders, Charlie Johnson, Darryl Vincent and Don Dunlap, broke into the campus dining hall and held our last pre-game rally.

The dining hall was filled to capacity with hungry students ingesting their lunches when Charlie, the head yell leader, burst in firing a blank pistol wildly. Suffice it to say, this brought the students' attention. Before their quite amazed eyes, the three of them led the diners in a "Go Gauchos!" and a "California Spell-Out."

The hall resounded with the noise and the rally was quick, spontaneous, and a success.

AS DIRECTORY

UCSBC's *Student Directory* will be available to all students shortly after Thanksgiving.

Published once a year, with a supplement the following semester, the *Student Directory* contains the names, college address and home address of every member of the student body and the faculty. Priced at 35c per copy . . . a must for all students.

This year the directory is edited by Mike Lewis, advertising editor is Dick Goode; also on the staff are Nikki Liatas, Beth Slaybaugh, John Reid, Bob Van Kirk and Mark di Suvero. Cover is by Panda Schlegel.

'The Poor Sailor' In Symposium Finale

The last program of the Symposium of French Music presented by UCSBC will be heard this evening in the form of "The Poor Sailor."

This is the third and last performance of this work by Darius Milhaud and will begin in the Little Theatre at 8:30 p.m.

Milhaud has called this tragic work "a complaint in three acts." The opera centers around the return of a sailor home after many years, and his testing of his wife's faithfulness during his absence.

Appearing in this performance will be UCSBC students Jeanene Anderson and William Pierce, and music faculty members Carl Zytowski and Davis Michell. Staging is by Zytowski, with Lorin Harding accompanying.

An added attraction at tonight's final performance of the opera will be the offering of French chamber works by Couperin and Loeliet.

NEW BUS STOP

The bus stop in front of the Student Union has been moved to the areas across from the ROTC Bldg.

The moving of this bus stop was necessary due to the blocking off of the roads for the new classroom building.

LOST ANYTHING?

The Police Department wishes to announce that a great many articles are unclaimed in the Lost and Found Department. Among some of the items are women's coats, sweaters, beach towels, books, pens and pencils.

The only requirement for recovery is an accurate description of the article and the signing of a receipt card. For further identification of any article, it is suggested that students write their names on all articles possible, as attempts are always made to contact the rightful owner when known, through student mail or telephone.

FROST'S LITERARY CRITICISMS WIN INTERNATIONAL ACCLAIM

International recognition for his work on the poetry of a major 17th century author has recently been accorded to a member of the English Department. The widely read *London Times* "Literary Supplement" had a review entitled "Translator and Poet," which discussed Dr. William Frost's new book, "Dryden and the Art of Translation." After a reference to "Mr. Frost's able and intelligent study," the second paragraph of the review reads as follows:

"Dryden and the Art of Translation" is No. 128 of the 'Yale Studies in English' which have been appearing at intervals for more than half a century,

Proficiency Test Make-ups Scheduled

Proficiency tests will be given Wednesday, Nov. 30, from 7 to 10:30 p.m. in Bldg. 431, Rm. 101, for those students who have failed in any part of these examinations. No new examinees will be admitted at this time.

Doors will be opened at the beginning of the administering of each of the divisions only, as follows:

Reading Comprehension, 7:00
Reading Vocabulary, 7:30
Arithmetic Fundamentals, 7:45
Arithmetic Problems, 8:30
English, 9:15
Spelling, Handwriting, 10:00

Students deficient in any section of any division of the test must retake the entire division and will be held responsible for any part taken whether passed formerly or not.

No appointment is necessary in advance. Students appear at the time scheduled above for a particular make-up division. However, a *Statement of Study* is required of each student. This *Statement of Study* may be obtained at the office of the student's major department or the Department of Education. Before having it signed a student should spend at least 10 hours studying—preferably with a tutor. This *Statement of Study* must also be signed by a faculty member.

SPEECH DEPT. GIVES READING

Associated Students and the Department of Speech will present an oral reading program in the Little Theatre on Tuesday, Nov. 29. The program will consist of scenes from the famous novel, "You Can't Go Home Again," by Thomas Wolfe.

Wolfe has filled his story with many interesting characters and comments on American life, a quality which has won for him the praise of critics and a devoted following of readers.

The three readers will be Judith Mills, Peggy Marsh and Robert Rogers. The performance will begin at 8 p.m. Admission is free and the public is invited.

This is the first in a series of readings to be given this year by the Associated Students and the Department of Speech.

UCSBC FORENSICS SQUAD ENTERS WESTERN SPEECH TOURNAMENT

The largest group of students ever to represent Santa Barbara College at the Western Speech Association Tournament left the campus Friday for Tacoma, Wash., where the tournament is being held through tomorrow at Pacific Lutheran College.

Dr. Upton S. Palmer, assistant professor of speech and director of debate, who is accompanying the group of 10 students on the trip, said that this is probably the strongest contender for high honors at the tournament in the history of the college. There will be some 50 colleges and universities from 11 western states, represented by about 400 collegiate competitors.

The Santa Barbara contingent will compose five debate teams and they will participate in interpretative reading, extemporaneous speaking, impromptu speaking and original oratory.

Grad Scholarships Available Abroad

Competition is now open for graduate scholarships and fellowships offered by foreign governments and universities to citizens of the United States for the 1956-57 academic year.

Awards are available for study, research or teaching in Ceylon, Colombia, Cuba, Denmark, France, the Netherlands and Sweden. In addition, the North Atlantic Treaty Organization is offering awards for study or research in NATO member countries. Most awards cover room, board and tuition fees for the academic year.

General eligibility requirements include (1) United States citizenship, (2) bachelor's degree and good academic record, (3) good moral character, personality and adaptability and (4) good health. In most cases knowledge of the language also is required.

Applications may be obtained from the U.S. Student Department, Institute of International Education, 1 E. 67th St., New York 21. Further information is available at the Institute's West Coast Region Office, 291 Geary St., San Francisco.

Enrollment Climbs On All Campuses

A 9 per cent gain in the Fall 1955 enrollment on all campuses of the University of California over the same period last year was reported by President Robert G. Sproul.

Final registration figures show a total of 38,594 students, compared with 35,273 registered at this time last year.

Enrollment figures and increases on individual campuses are: Santa Barbara 2,021, up 17 per cent; Berkeley 17,199, up 8 per cent; Los Angeles 15,053, up 38 per cent, and Davis 1,928, up 20 per cent.

HOURS TO PAY

Beginning Monday, Nov. 23, the payment windows in the Cashier's Office will be open from 9 to 12 and from 1 to 4:30.

Jerry Perry and Jack Adler took second place in men's debate last year and were finalists in impromptu speaking. Ruth Farstrup was on a team that won the Southern California upper-division debate championship in 1953. Joan Thomas won the Southern California oratorical championship for women in that same year. Leo Alvarez and Cy Epstein tied for third out of 39 teams in the Southern California lower-division championship last year.

The tournament events started yesterday and results will be announced at a banquet tomorrow evening. The entire group will return to the campus next Saturday.

Desert Isle Poll Continues Today

If someone approaches you on the way to class and asks you to tell them what you would like to take with you if you were stranded on a desert island, don't run. It will be a member of the UCSBC Psychology Club.

Such an impossible question has a definite purpose, said Bud Horton, president of the Psych Club. If you are polled you will be asked your sex, age, class, marital status and major. All information will be confidential, so no names will be taken.

Many students are engaged in this pool. These include Lucy Matteson, secretary-treasurer of the club and chairman of the poll; Jane Silver, Jacqui Hopper, Nancy Holitor, Tony Bell, Bud Horton, Pat Woodward, Shelly Manester, Paul Sage and Jack Moore.

Starting conclusions already have been obtained from the few students polled. "A preliminary survey of the data obtained points to a definite difference between men and women," said Bud.

Little Art Gallery Offers Wilkins Show

An exhibition of paintings and drawings by Dave Wilkins is currently being shown in the Little Gallery. This is the third show of the semester, the two previous shows being the photography of Al Bryson and the drawings of Ann Stockton.

The object of the Little Gallery is to capture the dynamic process which the artist undergoes when attempting to express himself. In other words, the object is not to exhibit final products, but rather to show the various ways an artist approaches a particular problem and attempts to express his feelings. It is the process of learning rather than the objects of learning that is stressed in the Little Gallery shows.

By exhibiting fragments in various stages of development it is hoped that the spectator will have what might be called a Gestalt experience and perhaps gain an insight into the creative process.

The director of the Little Gallery is George Vrtiak, and for those students who are not yet acquainted with this endeavor the gallery is to be found in Bldg. 414. There is no admission charge.

Letters To The Editor . . .

Dear Editor:

I believe it is common knowledge that a library is a place where one can come to study, or use reference materials, with the assurance of a nominal amount of silence.

The students at Santa Barbara College seem to have misplaced this concept of a library somewhere in their cerebellums, for our campus library has recently evolved into a hodge-podge of chaos.

This unnecessary noise making has passed through the embryo stage of development into infancy. I think we should stamp out this pestulence before it reaches maturity.

Everyone will agree that some conversation over pertinent scholastic matters is unavoidable. But, there is no need for students to gather in large seminar type groups in the library. To my knowledge all of the classrooms on campus are open to student use around the clock. They make excellent places for seminar studying.

Far more disgusting than the group studiers are the non-studiers. The library, I hope, is not moving the social center of the campus away from the Student Union. I am sure there are far better places to attain dates at odd hours, than at the library.

There is still another group of violators, though not nearly as bad as the last mentioned. These are the students who spend their study-breaks breaking oth-

er people's study habits. I think the answer here is to co-ordinate your study-breaks with those of your friends, then get completely out of the general study area, and make use of the sun decks and the campus lawns.

I hope that my message gets through to some of the people who fall into any of the above categories, and they take heed to a little common courtesy.

McClenathen May Go To National AAU Meet

Ace Gaucho distance runner Gordon McClenathen may enter the National AAU cross-country run this year. The run will be held at East Lansing, Mich., on Nov. 28.

The requisition for money to finance his trip has to be approved by the Finance Committee, the Legislative Council and the Audit Committee.

The course is a four-mile one on flat ground. McClenathen's best time is 20:12.4 for this distance, a mark which he set at an SPAAU-sponsored run on the Santa Barbara course Oct. 15 of this year. This time compares favorably with the winning time of 19:54.2 in last year's run, won by Allen Frame of Kansas. Charlie Capozzoli of Georgetown holds the record for the course. In 1952 he ran the four miles in 19:36.7.

Dr. Ernest Michael, a PE instructor who also coached track and cross-country here last year, ran in the 1946 run at East Lansing and has been instructing Gordy.

If McClenathen's bid is approved, he will leave Santa Barbara Nov. 26 to travel to East Lansing.

DEANS CAUTION STUDENT DRIVERS

Deans Lyle Reynolds and Helen Keener and a group of students urge adherence of simple driving rules. "It can happen to us." This is known from direct experience. College students are not immune to the effects of careless driving habits.

A nine-point program strongly urged for all college drivers is:

1. Be alert, study every driver and conservatively anticipate what any driver could do. Be ready to act quickly.
2. Maintain "living room." The distance in front of any driver should be more than adequate for complete stopping. At 50 miles per hour this space should be at least 75 feet. Do not ride the bumpers of the car in front.
3. Be aware that you may have to use brakes quickly and decisively.
4. Be sure brakes are in good condition.
5. Be patient. Leave earlier than you think necessary. Be late to class rather than "chisel" space in a line of cars.
6. Cars from the Riviera

should use Highway 150 from Mission Canyon to Patterson. It is a good direct road with only two stop signals. Watch for ranchers with equipment.

7. Foreign cars not traveling as rapidly as the general traffic could use the far right lane to permit cars to pass.

8. Use your arm to signal when turning.

9. Do not throw litter from cars onto roads and highways.

Teen-agers and senior citizens are known not to drive as carefully as others. College students are considered mature and experienced enough in driving to set good conservative examples. Let's be considerate and careful. We are a part of a traffic problem which involves trucks and tourists who are driving from San Francisco and Los Angeles and who do not realize that we are jamming the highways and turning off and onto it.

The amenity of keeping the roadside clean is just one of the ways we as college students can show our respect for the new

Reading Contest

Associated Students again will participate in the Interpretive Reading Contest on Feb. 4, 1956.

Contestants may read selections of poetry, essays, stories, etc. Plays are excluded and all persons are to read from a manuscript. Anyone interested should contact the Speech Department immediately.

HI! JOIN ME FOR A LUCKY DROODLE?

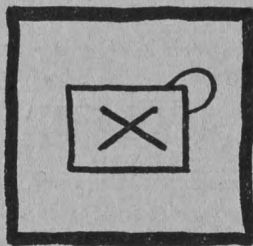

WHAT'S THIS?

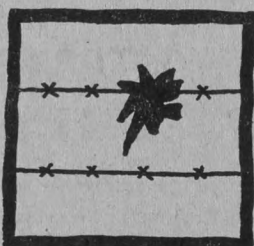

For solution, see paragraph below.

HERE'S A DROODLE THAT PACKS A PUNCH. It's titled: Lucky smoke rings blown by prizefighter with tooth missing. It packs a moral, too: Why knock yourself out looking for a better-tasting cigarette when all you have to do is light up a Lucky? Luckies taste better, first, because Lucky Strike means fine tobacco. Then, that tobacco is TOASTED to taste better. So light up a Lucky. It's the winner — and still champion — for better taste!

Why do more college men and women smoke **VICEROYS** than any other filter cigarette?

Because only Viceroy gives you 20,000 filter traps in every filter tip, made from a pure natural substance found in delicious fruits and other edibles!

1. Yes, only Viceroy has this filter composed of 20,000 tiny filter traps. You cannot obtain the same filtering action in any other cigarette.
2. The Viceroy filter wasn't just whipped up and rushed to market to meet the new and skyrocketing demand for filtered cigarettes. Viceroy pioneered. Started research more than 20 years ago to create the pure and perfect filter.
3. Smokers en masse report that filtered Viceroy's have a finer flavor even than cigarettes without filters. Rich, satisfying, yet pleasantly mild.
4. Viceroy draws so easily that you wouldn't know, without looking, that it even had a filter tip . . . and Viceroy's cost only a penny or two more than cigarettes without filters!

That's why more college men and women smoke VICEROYS than any other filter cigarette . . . that's why VICEROY is the largest-selling filter cigarette in the world!

20,000
 Tiny Filter Traps...
 plus that Real Tobacco Taste

SIDELINE CHATTER

By GLENN DICKEY

Sometimes I wonder if it's worthwhile being a poison-pen journalist. Since my infamous football column I have been the recipient of a couple of happy talks by the football team, entitled "The Last Days of Glenn Dickey."

My football friends aren't the only ones who are displeased with me. Certain members of the faculty are unhappy about my treatment of the eligibility stories. To squelch me, apparently, in conjunction with the Board of Athletic Control, they've decided to release everything on eligibility through Phil C. Jacks Jr., publicity director of this dear school.

This policy is supposed to prevent "leaks," but the funny thing is that I'm not the real culprit in this affair. It wasn't me who told Willie Wilton to schedule all of his important basketball games in the first semester this year because Williams and O'Hara wouldn't be eligible. Neither was I the one who kept the basketball players informed on the day-to-day vote on Williams and Pugsley last week. How is this "leak" going to be eliminated? With the present situation, the only ones really in the dark on the eligibility questions are the coaches. Stan Williamson and Willie Wilton have been the most uninformed people you could imagine, through no fault of their own.

I've been told to treat this situation in a positive fashion, to concentrate on who is eligible instead of who is ineligible. But I can't do this for two reasons. First, people like Jim O'Hara and Tommy Williams are big news. Second, and possibly even more important, the way this whole story has been handled makes it even bigger news. Am I supposed to shut my eyes and pretend that these things aren't really happening, that this is all just a horrible nightmare?

Freshman Football

Now to take the heat off on the eligibility questions, plans are being drawn up for a freshman football team. Who are they trying to kid?

As the situation stands now, there is nowhere near enough money to outfit the varsity team. Where is the money going to come from? Will it suddenly spring out of the ground?

Even if there were enough money to outfit a decent freshman squad, where would the coaching come from? As it stands now there is not enough coaching for one varsity squad. It sounds nice to say that Williamson has four assistant coaches but the truth is that they are so hamstrung by teaching and attending classes that the four of them are not equal to one full-time assistant.

It seems to me that this is the main difficulty in the entire athletic setup here. The public and students are led to expect far too much by high-sounding stories on the number of assistant coaches, plans for freshman football teams, and the like.

Reason For Dissatisfaction

Until the administration is honest with the public and students this dissatisfaction is going to exist. The pity is that there is really no reason for dissatisfaction. Last year, for instance, we had winning teams in every sport except football, and the football team fell only one game short of the .500 mark. The tennis team won its second straight conference championship last year and the basketball team lost only on an eligibility blowup.

This type of performance deserves support. That it doesn't get it, I think, should be blamed on the administration, not on the coaches, players or student body.

SIXTH LOSS WORST OF SEASON FOR BLUE AND GOLD ELEVEN

By GIL ROMOFF

A 72-yard run by Halfback Jerry Humrighouse was all Santa Barbara fans had to cheer about as the Gauchos went down to a surprising 27-to-6 defeat at the hands of a spirited Long Beach State eleven Saturday night at Long Beach.

The 21-point difference was the largest run up by any Gauchito opponent this year as they closed the 1955 campaign with a record of three wins and six losses.

The Staters gave an indication of things to come as they took the opening kickoff and marched 62 yards for their first score.

WILTON STRESSES OFFENSE IN DRILLS

With only nine days remaining before the first game, the Gauchito basketball squad has been working hard on its offense. The Gauchos open their season by playing in the Redlands Invitational Tournament, which is scheduled for Dec. 1-3. Last year the Gauchos were bumped out in the second round of this tourney.

Basketball Coach Willie Wilton has been pleased with the defensive play of his squad, but the offense has been somewhat spotty. Their screening and passing have been slipshod. A lot of trouble stems from the fact that newcomers have had to be regulated into the attack and the team is not yet playing completely as a unit. However, these difficulties will be ironed out with more practice.

First String

A tentative first-string lineup for the Gauchos right now would be: Tommy Williams and Charley Dunn, forwards; Dick Acres, center, and Johnny Osborne and Leroy Herrick, guards. With Jim O'Hara ineligible, Wilton will probably revert back to a single-post offense with Acres in the pivot slot and Williams back under the basket. This leaves Osborne, Herrick and Dunn to shoot from outside.

The question mark on this team is Dunn. His leg is still bothering him and indications are that it will probably remain in the same condition for the rest of the season. If his leg doesn't improve, Willie may play him for short periods of time and then rest him.

Hustle

Hustle will be the key to the success of the Blue and Gold squad this year. With fewer good big men than they had last year they will not be able to play the "possession" basketball that they played last year. Instead they will have to run much more than they did before.

However, the Gauchos are not really troubled by lack of height this year. Although they don't have the same abundance of tall men that they had last year when

With but three minutes gone in the first period, Halfback Ivan Seaton climaxed the drive by racing the final 28 yards.

The Gauchos then retaliated by marching to the Long Beach 32, and then to the 7, but neither time were they able to make the necessary yardage for first downs against the spirited Forty-Niner defense. The Forty-Niners then drove 93 yards in but four plays for their second touchdown. Halfback Gene Ashwell bucked over from the 2-yard line and Harlow Richardson added the extra point to make the score 13 to 0 at the end of the first quarter.

On the first play after the kickoff Ashwell intercepted a Pat Mills aerial and returned the ball to the Santa Barbara 41-yard line. The Forty-Niners then marched downfield with Quarterback Bob Smith sneaking over from the 1-yard line. Richardson kicked the point and at half-time Long Beach led, 20 to 0.

Early in the third period the Forty-Niners garnered their fourth and final touchdown. Richardson, who was in the Gauchos' hair all evening, capped the State drive by racing 15 yards for the score. Richardson toed the point to hike the score to 27 to 0.

With 10 minutes remaining in the contest the Gauchos scored their lone touchdown. From their own 28, Santa Barbara pulled a slick double reverse that wound up with Humrighouse skirting end, racing up the sidelines to the State 40 and then cutting back towards the center of the field to go all the way. Russ Young's conversion attempt was blocked.

The Gauchos picked up 161 yards rushing, 72 on Humrighouse's long run, and 98 passing, with Gauchito Quarterbacks Wills and Coutts completing only five out of 29 passing attempts. The alert State secondary intercepted four Santa Barbara aeriels, which stopped the Gauchito drives before they could get started.

they could field a first line of O'Hara, 6'5", Lee Hansen, 6'7", and Acres, also 6'7", they do have Acres back along with 6'5" Bob Jordan and 6'4" Don Duncan. Both Jordan and Duncan are good ballplayers and will see a lot of action for the Gauchos this year.

If Wilton rotates his guards to provide a consistent pressing defense, as he did last year, guards George Pugsley and Ralph Barkey will also play a considerable amount of time. Barkey is the shooter of the two and Pugsley is the better ball-handler.

KAPPA OMICRON PHI, national home economics honorary, held its formal pledging ceremony at the Delta Sigma Epsilon sorority house on Nov. 15.

Among the pledges was Mrs. Marie R. Wilson, assistant professor of home economics, who will become the new sponsor when Mrs. Florence Meredith, present sponsor and chairman of the Home Economics Dept., resigns in June.

The other pledges, who were chosen for their scholastic achievements and for their service to the Home Ec. Dept., were Maloa Ebeling, Nan Roemisch and Marcia Tyler.

Following the ceremony, conducted by Merna Wallace, president, a social hour was held and refreshments served.

BETA BETA BETA . . . On Thursday, Dec. 1, the professors of biological sciences—seven of them—will speak on their current research. All students are invited to this meeting, which will be held in the Science Building auditorium at 8 p.m.

Women's PE Club Sponsors Playday

More than 300 high school and junior college girls from all parts of the Tri-Counties took part in the Playday at Santa Barbara College, sponsored by the UCSBC Women's Physical Education Club.

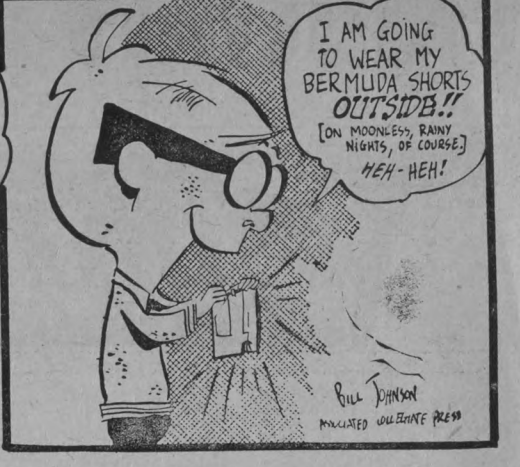

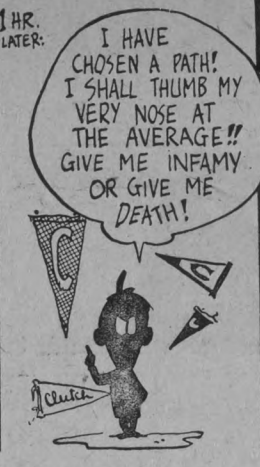

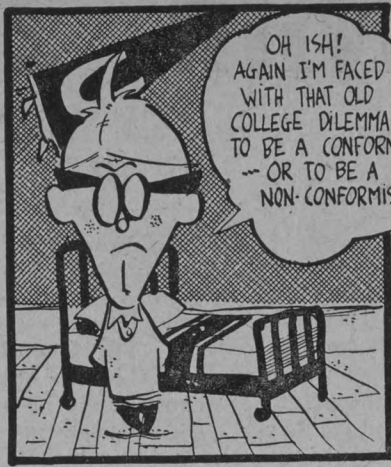

Many different activities were arranged for the event—basketball, volleyball, badminton, tennis, softball, swimming and archery, using the recreational facilities on the campus. Two play periods were provided, the first for inter-school competition and the second for mixed team play. A special event during the morning was a modern dance workshop led by the college's dance teacher, Margaret Dietz, associate in the physical education department.

Organized each year by the women's physical education department, the activity is designed to give prospective physical education teachers experience in arranging a playday event.

The department club this year took the organization responsibility for all playday details. Ruth Billnus was the student chairman in charge of the playday and Dr. Jean Hodgkins, chairman of the department, was faculty supervisor and advisor.

After a picnic lunch on the gym lawn the visitors were provided with entertainment by members of the Chi Omega sorority, who did their skit from the Galloping Gaucho Revue,

INTRAMURAL TENNIS

Bobby Lum and Jan Tolotti are scheduled to play Darrel Krug and Carol Logan in the

Women Prep for LA Hockey Tournament

With winter in the air, frost on the fields, and cinch notices out of the way for the first quarter, many of UCSBC's ambitious women have taken to the field with hockey sticks in hand. Tuesday and Wednesday of last week found many girls engaged in the first game of hockey they had ever played, and everyone agreed that hockey was lots of fun and well worth the effort put into it.

UCSBC is entering the Hockey Tournament at Griffith Park in Los Angeles, which is to be held on Dec. 3. Every woman on campus and off is invited to join the fun! You don't have to know how to play; the only requirement is that you come out to two or more of the practices which are being held at 4 p.m. every Tuesday and Wednesday.

The Hockey Playday is being sponsored by the Women's Athletic Association and plans are now under way in preparation for traveling to Los Angeles for the tournament.

According to Gunhild Swanson, president of the WAA, other hockey playdays are being scheduled with southland colleges which insures more fun and activity for all women interested.

These practices are being conducted under the leadership of Miss Ann Stitt, WAA faculty advisor, and Gunhild Swanson.

"Come to College." Group singing of farewell songs was led by Dianne Winchester and Pat Elliott.

Nearly 50 UCSBC coeds served as officials for the many games and the entire physical education faculty was on hand to supervise the program.

mixed doubles finals of the intramural tennis tournament today. The match is scheduled for 2:30 p.m. on the campus courts.

Lum and Miss Tolotti reached the finals in the mixed doubles competition by defeating Charles Shugart and Gloria Lange, 6-4, 6-4; and Frank Warner and Carlold George, 8-6, 4-6, 6-3, in Sunday's matches.

Krug and Miss Logan edged Don Dunlap and Joan Bramel 6-4, 6-4, in Sunday's play to reach the finals.

Dr. Phil Powell and Don Dunlap played Lum and John Hays yesterday to determine the winner in Men's doubles. The results were not know as El Gaucho went to press.

Dr. Powell and Don Dunlap defeated Darrel Krug and Dr. Lyle Reynolds, Gaucho tennis coach, 6-2, 6-4, Sunday, to enter the men's doubles finals.

Lum and Hays defeated Frank Warner and Jim Crow 6-4, 7-5 Sunday to enter the men's doubles finals from their side of the draw.

Eight matches were played Saturday with the teams mentioned above surviving.

In the closest match Saturday, Shugart and Miss Lange edged Ralph Barkey and Barbara Binger, 6-4, 3-6, 6-3.

Other Saturday results:

Mixed Doubles

Bob Lum and Jan Tolotti d. John Anderson and Mrs. Curtoin, 6-1, 6-1; Art Herman and C. Novatney d. A. Burhams and June Roripaugh, 6-0, 6-1; Frank Warner and Carol George d. Barbara Sloan and Dr. Lyle Reynolds, 6-3, 7-5; Darrel Krug and Carol Logan d. B. Gibson and Robb Hartman, 6-1, 6-1; Robb Walker and S. Arnold d. Dr. Phil Powell and J. Pittman, 6-1, 6-4; Don Dunlap and Joan Bramel d. John Henderson and Gwen Zinniger, 6-1, 6-3; John Zellhofer and W. McGraw d. R. Kipoff and M. Hunsakir, 6-4, 6-3.

CASITAS CARICATURES . . .

by Pete Vorzimer

In case anyone is interested in joining, the Tijuana Nat'l Guard has a recruiting station (or so the sign says) in Willow Hall.

Some of the best humor is displayed on the signs posted throughout the residence halls.

Two roommates in Willow have a rather conspicuous sign adorning their wall reading, "What is a home without a baby?"

Not to be outdone by Willow, Birch has its share of signs. One can find the room with "Sophistication Overleaping Itself" and, about four doors down, "The Room Where Sophistication Overleaped To."

ATTENTION, BIOLOGISTS! Anyone interested in seeing the rare Endinogentaleonippus monogillianitus in their natural habitat can wander into 118 Birch. They go under the names of Toulouse, Pierre and Sheila. What's more, Sheila is expecting some little Endinos any day now. They are commonly known as goldfish.

It seems that too many guys and girls are going to dinner these days and staying there for an hour. This, admittedly, is a great way to meet people and make new friends, but the cafeteria seats only 380 people and there are 900 of us. This creates an interesting problem.

For example, last night as I got on the usual lengthy line, I noticed two rather cute Pi Phis

still sitting around long after having finished dinner. This was at 5:25. At 5:40 the line reached a point where I received my dinner. The Pi Phis were still there. Upon finishing my dinner at 6:00 they were still there. Could it be that they were trying to beat the groveling herd to the breakfast line?

One thing must be said and that is Miss Best is doing a splendid job of keeping the line moving slowly in order that the number of diners leaving the hash line will be equal to the number of empty seats.

MEMORANDUM TO THE PSYCH CLUB: The three things I'd take to that deserted island with me would be: Dagmar, Mary Lou and Sylvia.

QUOTE OF THE WEEK: "Should I study or go to the library tonight?"

Tennis Players Vie For Tucson Tourney

Want to take a trip to Arizona? If you can play tennis, you have a chance.

The annual men's singles tennis tournament will be played Dec. 10 and 11. The winner and runner-up of this tournament will be sent to the Arizona State Collegiate Tourney at Tucson.

All men are eligible for the tournament. If you can play tennis, enter it.

If you want to enter, contact Dr. Ernest Michael in Bldg. 420, Rm. 212, or Danny Campbell, to be found wandering around campus.

The deadline for entries is Dec. 5.

CCAA DECIDES ON ELIGIBILITY OF TWO SBC BASKETBALL PLAYERS

Tommy Williams, ace forward on the Santa Barbara College basketball team, has been granted a semester of eligibility by the California Collegiate Athletic Association, it was announced last Wednesday by Dr. Paul Scherer, chairman of the Faculty Athletic Committee.

The question hinged on one game which Williams had played while attending UCLA, after which he entered the Army. The conference decided to waive the one game played and granted Williams eligibility until the end of his 10th semester, which is

the present one.

At the same time the CCAA refused one extra semester of eligibility to letterman guard George Pugsley, who will complete his eligibility at the end of the present semester. Pugsley had applied for an additional semester under a hardship case, as he was involved in a motor vehicle accident last year which kept him from competing in basketball last season. The conference turned down the request on the grounds that Pugsley did not lose credits toward normal graduation because of his injury.
