SANTA BARBARA, CALIFORNIA, FRIDAY, SEPT. 25, 1925

NO. 2

First A. W. S. Party In College Court Tomorrow Nite

First Entertainment For College Women

The first party for the women students and faculty members of the college will be given in the college court tomorrow evening at 8 o'clock. The party is being given by Dean Mildren Pyle, assisted by the executive board of the Associated Women Students, in honor of the new women students. This is probably the most popular annual women's party given at the college and is always well attended.

The committees arranging the party is headed by Lucile Dexter, social chairman of the A. W. S. The other committee heads are: Dorothy Kimes, decorations; Esther Janssens and Charlene Hord, entertainment; Eleanor Warren, refreshments; Grace Miksch and Edith Comstock, favors; Lucile Dexter, cleanup, and Edwina Kenney, publicity.

The hospitality committee, which will assist Dean Pyle, consists of the executive board: Esther Janssens, Edith Comstock, Charlene Hord, Dorothy Kimes, Grace Miksch, Lucile Dexter, and Eleanor Warren, with Ruth Garner, Helen Culp, Mildred Sample, Frances Luck, and Janice Kennedy assisting. The evening's entertainment will be given by members of the A. W. S., including musical and dancing numbers.

All big sisters are reminded that it is the custom for them to take their little sisters to the party. Preparations are being made for a hundred per cent attendance of women students and faculty members.

Floyd Kenney Elected Yell Leader at Rally

Floyd Kenney was unanimously elected to the position of yell leader in the college at the student meeting held yesterday.

Next Week

Tuesday, September 29 — General Assembly. Men's Club Feed, 6 p.m.

Thursday, October 1 — Council meeting. Football rally, 7 to 8 p.m. A. W. S. Backward party, 6 to 7 p.m.

Friday, October 2 — Open for sororities.

Health Benefit Drive for Membership Starts

Miss Edith Comstock was re-elected chairman of the Health Benefit Association and Katherine Kueffer was elected secretary-treasurer at a meeting of the association held yesterday. Miss Kueffer will be in the office from noon to 12:40 every day next week to receive dues.

The Health Benefit Association Membership drive will begin Monday and continue throughout the coming week. Last year the organization proved a success and beneficial results derived can be repeated only with the cooperation of the students.

A sum of \$232.15 was collected for the fund, of which \$179.65 was spent for health benefits last year. The remainder is a nucleus to start this year's fund.

Following is a tabulation of the fund administration:

(a) No benefits shall be received for cases that cannot be classed under the head of "Emergency."

(b) Cases of diseases declared "epidemic" by the Board of Health shall not be entitled to benefits.

(c) Members of the fund shall be granted a \$3.00 per day base rate (bed, meals and ward bed) at the Santa Barbara Cottage Hospital.

(d) Members of the fund shall be entitled to medical visits at the Santa Barbara Cottage Hospital to the total of 10 visits, or not exceeding a \$15. total.

(e) The fund shall bear the following costs: (1) All operating room charges; (2) all laboratory fees; (3) all ex-ray service; (4) all taxi and ambulance charges; (5) all doctor's charges for applying casts; (6) fifty per cent of all operating costs (emergency) not to exceed \$50; (7) \$2. of the \$3 base rate.

(f) The fund shall not bear the costs of members' visits to a doctor's office, but it is understood that members shall be granted a student's rate of \$1.50 per visit.

Helen Culp Nominated For La Cumbre Editor

At a meeting of the council held Wednesday noon, Helen Culp was nominated to the office of editor of *La Cumbre*. Miss Culp was elected to the office of vice-president of the student body for this year and Everett Hartwell was elected editor of *La Cumbre*; but due to unforeseen circumstances, Hartwell was compelled to transfer to the University of California, thereby leaving an important position in the council vacant.

Miss Culp has had several years of experience on the *La Cumbre* staff and should be able to publish a good annual. She was the only

Men's Club Entertainment Tuesday at Y. M. C. A.

The Men's Club will hold its annual smoker in the Y. M. C. A. Tuesday evening at 6 o'clock, Carl Wirths, chairman of the affair, announced recently. The charge will be fifty cents and the food will be well worth it. Those familiar with past entertainments of the Men's Club have no complaints to make about the victuals.

Lewis Peters, chairman of the entertainment committee, promises a wealth of high-class fun. New talent will be exposed and several surprises will be sprung.

"Doc" Hanley, notorious Madhouse chef, will act as chief cook at the feed.

C. E. Party Tonite at Congregational Church

The annual Christian Endeavor Union party will be held tonight in the Congregational Church at eight o'clock. All college students are invited.

The entertainment of the evening will consist of games, stunts, etc. "In the past it has always been a very interesting affair," Dean Pyle said Wednesday, "and for that reason and because there are no conflicts on that night, every student should attend."

In past years the young people of the churches of the city have held a reception party for the college students in order that they may become better acquainted with each other.

It is hoped that all college students attend this social.

A. W. S. Backwards Party Next Thursday Evening

In order to initiate the freshman girls into the college, the annual A. W. S. Backwards Party will be held in the cafeteria next Thursday at 5:30 p. m. The party will end at 7 for the football rally.

The feature of the party will be "backwards." The girls will wear their clothes backwards, eat backwards, and do everything backwards.

Part of the committee for the social has been announced by Esther Janssens, president of the A. W. S. Miss Janssens will have charge of the initiation; Helen Clarke will head the decoration committee, and Ruth Cross will be chairman of the refreshment committee.

candidate the council could find who was capable of holding this position.

After Miss Culp has been duly elected, she will resign her position as vice-president of the student body. A new vice-president will be nominated at the next council meeting.

Roadrunners Meet Ventura J. C. Saturday

First Game of Season For Local Squad

The Roadrunners are about ready to ruffle their feathers and take their first run in quest of competition. Tomorrow Coach Gilliland will take his pets to Ventura to see how they compare with the team of Ventura Junior College. The outcome of this fray will give some indication as to who will hold regular places on the team and what the possibilities should be when Caltek comes to Santa Barbara the following Saturday, October 3.

Little is known of either of these first teams to be played except that Ventura has a team of experienced men who can work the passing game in all its forms and who swamped the heavy Lompoc Hi squad to the tune of 18-0. The strength of the Caltek squad needs no emphasizing. They are always near the top in the Southern California Conference.

The Roadrunner team is rapidly taking form, but so many of the places must be filled with new men that it is questionable as to what will happen in face of the stiff competition that the schedule for this season shows. Injuries have been few and the men are in the best of condition for this time of the season. There have been no practice games, but short scrimmages are held almost daily and a review shows a squad of husky, willing workers. This should, to some extent, help to make up for the lack of experience. Coach Gilliland says that all the positions are still open, but some of the men have the advantage of weight, speed, or experience and are beginning to show up in practice.

Perry Linder has been varsity end for two years and still seems to be as active as ever. The other end position needs to be filled and with such men in the race as Williams, Carter brothers, Mobley, and Nicklin, only more practice and some games will show who is the man for the place. "Tiny" Annin at tackle and Francis O'Reilly at center are the only other returning lettermen in the line. Annin is husky and fast and pretty sure of his place; so a lot will be expected of him this season. The other tackle position is being fought for by Horner, French, Kinney, Martin, and Mabe. To help O'Reilly keep up his Irish there are Lane and Batchelder. The latter is a heavyweight and may make O'Reilly step to hold the pivot position. Whoever

THE HEALTH BENEFIT ASSOCIATION

Join the Health Benefit Association. It is a student insurance agency run by and for the students of the college. The fund represents a very cheap accident insurance, the subscription price being but two dollars. In addition to all hospital expenses for X-rays, operating room charges, taxi and ambulance service, the students in the Association receive reduced rates for doctors' fees.

The Association was started a year ago and many students were benefited from the fund. But all insurance concerns depend for their existence upon a large number of policy-holders to create a fund sufficiently large to care for emergency expenses. The benefits derived from this insurance are possible only with the co-operation of the students. Let's put it over again.

CONTRIBUTIONS

At the top of this column may be recognized the old, stereotyped statement to the effect that this paper is owned and published by the students. In the past this statement has meant exactly what it says and today it doesn't mean anything else. Contributions to The Eagle in the form of news, features, letters, or anything else are always welcome. If you come across something that would interest others, do your duty to the student body by getting in touch with some member of the staff. If you are interested in newspaper work, see the editor or put a note to that effect in The Eagle mail box in the office.

Famous last words: Don't study too hard.

Subtle slam from the annals of a high school grad: "Outlook: Santa Barbara Junior College; later, college."—Extracted from the local 1925 high school annual.

C. M. Notes

There has been a larger enrollment in the Community Mechanics department this semester than ever before. Twenty-one have been enrolled in the class in "Fundamentals of Woodwork," nineteen in the class in "Sheet Metal and Plumbing," and the class in machine shop as well as many other shop classes is filled to its capacity. The classes in woodwork are remodeling and rearranging the tool room and making minor repairs on the benches, vices and some of the other equipment, getting ready for the year's work.

The machine shop, it is understood, is to have a quantity of new tools and material as well as a new and better arrangement of the tools. This will make the machine shop very well equipped. The automotive shop, which is now in its new location under the elementary school, is well equipped and classes in this work promise to be interesting as well as beneficial.

Exchanges

During the summer session the Nebraska State College at Kearney, Nebraska, has had a very full season of entertainment. There have been several plays produced by the various clubs. Gay MacLaren, noted actress, presented "The Music Master," and Cyrena Van Garder, opera singer, gave a concert.

The Senior Play of the San Pedro High School was Shakespeare's "As You Like It."

The Stanford summer dramatic season was especially brilliant. The final play, "Agamemnon," was acclaimed by many critics as one of the few good productions in America.

Registration card: Parents' name and address.

Frosh: Mamma and Papa. Home.—Ex.

A Call for La Cumbres

Miss Winham, college librarian, is making an appeal to any student who feels generous enough to donate to the college a copy of last year's La Cumbre. Due to unforeseen circumstances insufficient copies of the annual were published and Miss Winham would like to keep her file complete. The donation would be appreciated by the students in general because last year's La Cumbre was the best the college has ever put out.

Fable

Once there was a popular student who had all of the co-eds standing in line. He was one of these fellows that swept the streets with seventeen-quart bloomers and relieved the Paris industry of the night shift they had previously installed in the garter works.

He had a different sweater for every hour of the day and displayed enough color to make the pied piper look like a Dominican friar. Whether or not his socks agreed with the rest of their environment worried him like the buttermilk famine in southeastern Jasmania.

He won his way through college with his clothing advertisement features and his polished manner of pulling alibis. It took him two years longer to get out of college than it took Oswald Van Goofenheimer, but he wasn't sorry. It might be mentioned here that everyone else thought his father held the deed for everything but the South Pole, but they knew too much more than the half of it.

Finally our hero, as they say, squeezed out of college by the skin of his sheep and set out to stick up old mother earth for three squares, rags, and a roost. Mr. Oglepeter, president of the Consolidated Folder Paper Manufacturing Company of North America had given his father a raise when our hero entered the sunlight; so the college graduate consented to offer him the use of his services.

"What can you do?" the president wanted to know.

"I can play quarter-back, drive a closed car, criticize moving pictures, go a week without sleeping, pull a bluff, I originated the Charleston, and—"

"That's enough," broke off the big man, "you're hired. Start in Monday as assistant manager in the shipping department."

Alumni Notes

Thelma Walters, '25, has just secured a position to teach at Highland Junior School.

Josephine Baynes, '25, is teaching at Scheideck, California.

Norley Ray, '25, is teaching shop at El Centro High School.

Florence Gaylord, '25, has left for Columbia University to work for her Master's Degree.

Christine Hamilton, '25, is teaching in Montecito.

Carrie Hamilton, '25, is teaching Home Economics in the High School at Hemet, California.

Marjorie Landers, '16, is acting head of the Home Economics department at the San Diego State Teachers College.

Florence Stratton, '25, is teaching at McKittrick, California.

Frances Jones, '25, is teaching Music and Art at the Lompoc High School.

Ralph DeBolt, '25, is at the Fillmore High School teaching Shop and Woodwork.

Anna Roenigk, '24, is working for her Master's Degree at Columbia University.

Lorna Roe, '25, and Marie Blanchard, '25, are now doing post graduate work at Columbia University. They have just had their S. B. S. C. credentials evaluated.

Mr. Wolf Takes One Year Leave of Absence

Mr. Hamilton Wolf, head of the Art department, left suddenly last Monday on a leave of absence. Mrs. Mary Crowell has assumed his duties as head of the Art department; David Imboden, former technical director of the Community Arts Association, will take over Stagecraft; Mrs. Benjamin Fish will teach Interior Decorating in his place; and A. Brougier will teach Painting.

Mr. Wolf left for Los Angeles, where he will teach in the Chouinard School of Art. Before leaving, he expressed a desire to return to painting, which was once his profession.

For those who wish to write to Mr. Wolf, his address is at his studio, 2620 1/2 Manitou street, Los Angeles.

Dean Ellison Speaks at Men's Club Meeting

At the first meeting of the Men's Club, held last Tuesday, Dr. Ellison, dean of men, spoke on the lack of appreciation that many students have for the opportunities that this institution offers. He has heard students complain of the institution when they are getting here as special students what they could not get elsewhere for many times the tuition price.

Where Greek Meets Greek

Delta Zeta Delta entertained ten guests at an informal tea at their sorority house at 823 E. Pedregosa Tuesday afternoon from four until six o'clock

A garden party was given at Mrs. Crowell's home on Tuesday evening by Phi Chi Alpha in honor of their rushees and pledges.

Alpha Theta Chi members have elected the following officers for the coming year: President, Mary Ellen Chapman; vice-president, Bernice Haberlitz; secretary, Helen Mansfield; rush captain, Margaret Patrick. They held a beach tea last Wednesday.

Sigma Alpha Kappa has some big surprises in store for the students in the near future. Why the suspense?

Tau Gamma Sigma sorority enjoyed an informal beach party last night. Nancy Howerton is rush chairman of the Tau Gams.

Alpha Theta Chi gave a beach party as their first social event Wednesday evening.

The Delta Sigma Epsilon sorority enjoyed a dinner party at the home of Josephine Bolton, president of the sorority. This was followed by a theater party at the Granada.

The Home Ec. Club

The Home Economics Club, the oldest organization on the campus and the first Home Economics club in Southern California, was not listed among the organizations in the Student Body Handbook issued at the opening of the college year. The club is an organization of Home Economics students and is a member of the national organization bearing its name. Grace Miksch is president of the club this year.

Miss Ramelli (learning how much Spanish her new students are familiar with by finding out which texts they have studied): "Have you ever heard of 'Hills and Ford'?"

Dan Britton (a Freshman): "No, but I've heard of Fords and hills."

Kedrina Sisters Entertain at Faculty Reception

Last Friday evening at the faculty reception the chief number of the evening was the program given by the Russian artists, Maria and Lydia Kedrina. The program was divided into groups, as is their custom. "Russia's Brief and Humor," "Lyric Poetry," and "Echo from Spain" were the groups chosen for this evening. The dances of Maria Kedrina included "Pliassovaya," "Mosquito Dance," "Valse," "Mazurka," and "Fandanggo." Lydia Kedrina sang "Parasha's Dream and Reverie," "Slumber Song," arios from the opera "Charodeyka," "Habenera" from the opera "Carmen," "La Calsera," and "Sadie Me Quiere."

Library Gets Bound Eagles

A bound volume of last year's Eagle was recently presented to the library with the compliments of last year's staff. This volume, representing the first year of The Eagle's existence as a weekly, is the largest in the set. It is a valuable addition to the library because it contains a detailed record of last year's achievements, and the library is not in possession of an issue of last year's La Cumbre.

New Members Welcomed at Forum Reception

At a meeting of the Forum held last Tuesday evening at the home of Edwina Kenney, secretary of the organization, the following new members were welcomed: Miss Kathleen Goddard, Miss Rosamond Martin, Miss Maxwell, Miss Charlotte Bellman, Miss Alfareta Keating, Miss Gwendolyn Douglas, Mr. Francis David, and Mr. Alfred Tomlinson.

Roscoe McGuire, president of the Forum, read a play by Walker and Dr. Maxwell, new faculty advisor, spoke upon the dramatic talent and possibilities of producing plays in the college.

Fraternity and Sorority Grades Average High

The scholarship averages for the eight Greek letter societies on the campus for the last semester were announced recently by President Phelps. The averages are unusually high and speak well for the type of societies in the institution.

An average of three or better is necessary for a fraternity or sorority to remain in existence, and an average of three or better is necessary for an individual to remain in any of the societies. The Delta Sigma Epsilon sorority leads the list with a grade average of 1.8. Phi Chi Alpha was second with an average of 2. The remaining societies rate as follows:

| | |
|-------------------|------|
| Sigma Alpha Kappa | 2.06 |
| Phi Kappa Gamma | 2.17 |
| Delta Zeta Delta | 2.29 |
| Tau Gamma Sigma | 2.30 |
| Beta Sigma Chi | 2.43 |
| Alpha Theta Chi | 2.57 |

Treloar Injured In Practice Scrimmage

Mr. Remington Treloar, pile driver on the local pigskin aggregation, was seriously injured in football practice last Wednesday evening. He was in scrimmage without a headgear and when the smoke cleared away he was found unconscious. He was struck in the head.

"Rem" was taken immediately to the Cottage Hospital, where he stayed until Thursday morning. He was in a state of delirium most of the time. He has practically recovered now, but it is feared that he will not be able to play football again soon.

Several other football men are suffering from minor injuries, sprained ankles, etc.; so the team is not in excellent condition for tomorrow's game. The fellows will practice a little easier, however, next week, because the Caltek game will be the hardest fight of the season.

Glee Club Has Twenty-One Members; Need Tenors

Through the hustling of the glee club members of last year, twenty-one men met Monday evening for the organization of the Men's Glee Club. There is still a need, however, for first tenors.

The group showed unusual pep, and so far indications point toward a successful year. Mrs. Wieler, who is substituting for Mrs. Barnett as leader of the clubs this year, is handicapped at present because of the lack of music, but it is expected that new material will arrive soon. Old songs have been used so far this year to get the men working together.

Soph: "How do you like our athletic field?"

Frosh (rubbing his ankles and wrists): "It tasted fine."

Eighteen Candidates For Women's Basketball

Eighteen women have signed up for basketball practice, but many more are needed. The candidates must be examined by a doctor before they can take the training. The same training rules used last year will govern this season's training.

Eleanor Warren is Women's Athletic Manager this year and Ebba Franklin is basketball manager.

(Continued from Pg. 1, Column 4.) make the guard positions will be new faces in the lineup of S. B. S. C. Those who feel that their shoulders are the ones to carry this responsibility are Dawley, Mead, Larsen, Gunn, Sheesley, Hohn, Steele, Vandam, and Hendry. In the full-back berth, where the big men operate, there will be one of the new men, Clemore, Cooper, Lopez, or Parker. All of them have been hitting good and only more practice will bring out the difference.

At half-back "Andy" Anderson and "Ironsides" Moorehead, who are both two-year lettermen, are being pushed by "Bus" Heggie, "Ren" Treloar, Tognazzini, and "Bob" Lawrence. For the first time Coach Gilliland has some real reserve strength at these points.

The men working for quarterback are Alberts, Curtis, and Garber. The type of game developed will probably decide who will call the signals.

Tonight the whole squad will meet at the gym to elect a captain and manager, according to the regulations of the Student Body, which state that the captain and manager shall be elected before the first of ficial contest.

Sophs Tie Up Frosh to Complete Initiation

After twenty minutes of hard battling, the sophomores siezed the lower class supremacy at the Frosh-Soph tie-up on the practice field last Friday afternoon. This event was the final and decisive conflict, after a week of battling between the two classes.

Although the contest was hard fought, it was one sided. The Sophomores deposited seventeen Frosh in the morgue to a fat zero for the greenhorns. Every Frosh battled hard and long before his rivals could deliver the swab of green paint.

At the beginning it was seen that the Frosh were doomed. The superior weight of the upperclassmen was too much for the fighting Frosh.

The week was the best yet seen on the college campus, in the opinion of "Casey" Gilliland. The first night the Frosh received the short end of the battle, a bath being awarded to each intruder on the campus court. Tuesday night, with superior numbers, the Frosh took the evening into their own hands and transported many of the Sophomores out of town. With an even score, the tie-up Friday proved the Sophs to be the superiors.

Pictures of the tie-up, which were taken during action by Mr. Jacobs, are posted on the student bulletin board.

Women's Glee Club Elects New Officers

Madeline Connell was elected president and Ardis Sloan was elected librarian of the Women's Glee Club at a meeting of the club held last Tuesday. Many new singers have joined the club.
