While an award-winning craftbrewer like Portland
Brewing Company would never overtly recommend a
beer bong, we do acknowledge that Portland Honey
Beer is darn fine brew. No matter what the vessel, you
will enjoy the light, golden body and refreshing flavor
of P/HB. So grab a sixer, raise a flower pot and enjoy!

PORTLAND BREWING COMPANY ★ PORTLAND, OREGON

Looking for a REAL drink? try MEL'S!

Armed with an insatiable thirst, I slide out of a cab on State Street. I'm not talking 'bout any old, klutzy slip-slide — I'm talking 'bout a juicy, shamelessly self-indulgent, your-mamma-told-you-never-to-slide-like-this kinda slide.

"Oh, yeah," I said to myself under my breath. "Diggity."

This was no night to dance or make chitchat, and no time to beat around

the bush, or any cliché for that matter. Tonight was a night for sitting on a barstool and drinking — drinking with reckless abandon.

As the leader of a small faction of drinking cohorts, I decided to mobilize the troops. "Ladies and gentlemen ... To Mel's," I said. The command was not contested.

We boisterously sauntered up the crowded thoroughfare, making our way

past any number of soulless watering holes.

We spied obnoxious patrons trapped betwixt worlds of endless waiting on both ends of the spectrum — for both the bartender's attention, and for the bathroom. We laughed. Girls bobbed their heads mercilessly to the cues of some forgotten Jackson 5 hit in a pathetic, drunken interpretation of the hustle. We laughed. A fight broke out. We laughed. "Best friends" were having a "meaningful dialogue" at deafening levels mere feet away from one another. We laughed and continued on our way — we had better things planned for our Saturday night. We were going to Mel's.

We gladly handed the amiable man at the door our I.D.s. He smiled and bid us welcome — a nice change from bouncers who seem as intent on starting fights as they do containing them — and at last we approached the bar. I lit me up a cigarette — contributing to the dark, smoky atmosphere.

I asked for a Manhattan. "Make it stiff," I told the bartender, who laughed at my request. "Honey," she told me with an incredulous grin, "There are no weak drinks here." I smiled. We all smiled. There was good reason to smile.

Mel's is designed for the drinker, for one who enjoys to drink, and one who goes to a bar for that very

reason. Mel's doesn't try to play itself off as a dance club, a hot spot or the latest thing — Mel's is what everywhere else in town claims to be, but isn't: an honest-to-goodness place to drink.

If you want to sit and drink, there's room at the bar. If you want to play a little pool, there's a separate room, so you won't need to part a sea of humanity before making a shot. If you want to talk, go right ahead — Snoop Dogg's latest single won't drown out your efforts.

Mel's is a place for those who really wish to escape those annoying people in this world who usually lead us to drink in the first place. There is no pushing and shoving, no screaming and shouting, and most importantly, no nonsense at Mel's. If you're 18 and looking to party down and shake your booty, Mel's probably isn't your place.

Mel's is here for those who love bars. Mel's is a veritable nirvana for those who love their drinks strong. Mel's is.

And the people rejoiced.

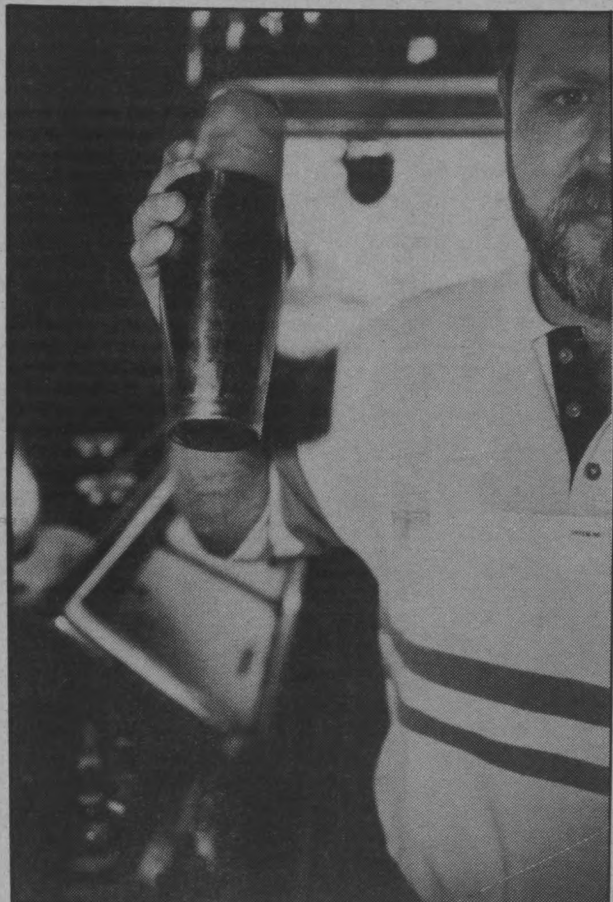

Mel's Place is located in the Paseo Nuevo Mall at 6 W. De La Guerra in downtown Santa Barbara. Call 963-2211 for more information.

YOUR DAILY HOROSCOPE
 BY LINDA C. BLACK

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19) - Today is a 5 - You're not the type who gets sick easily, but today you should be careful. The stress could make you more vulnerable to whatever bugs are going around. This job is going to take a great deal of concentration, but you can do it. Don't give up.

Taurus (April 20-May 20) - Today is an 8 - Today's an improvement over yesterday, which wasn't bad. You're dangerously close to falling in love again. In fact, you may have already stepped over the edge. It could even be with your own spouse. That's the best kind, actually.

Gemini (May 21-June 21) - Today is a 4 - If there's anything out of place, it will become apparent tonight. This not only applies to your house-keeping skills, but also to your managerial talents and your ability to set priorities. If you need help, hire a Virgo.

Cancer (June 22-July 22) - Today is an 8 - A meeting should go well this morning. Even if there are minor breakdowns, you'll be able to fix them quickly. You don't have to do everything; just empower the other people to do a perfect job. You're naturally good at that, so this should be a piece of cake.

Leo (July 23-Aug. 22) - Today is a 7 - A business deal you close now could turn out well, if it's something you've been working on for a long time. It is not a good time to launch a new enterprise, no matter how promising. New ventures will take off in cockeyed directions.

Virgo (Aug. 23-Sept. 22) - Today is an 8 - You're strong and getting stronger. You'll be most successful doing something you've done before, in an old, familiar place. By tomorrow night, the urge to travel will be practically overwhelming. Might as well start packing.

Libra (Sept. 23-Oct. 23) - Today is a 4 - You're as busy as a whole hive full of bees. Back when you took on this assignment, it looked easy. Now that you're into it, you're seriously wondering if you can do it at all. Well, you can. And you'll feel so proud of yourself once it's done.

Scorpio (Oct. 24-Nov. 21) - Today is an 8 - You could fall in love today. Moments like this are precious, and one's likely to happen soon. This condition will be in effect all weekend. Why leave things to chance? Better arrange to be near the perfect person. Don't worry; you'll know intuitively.

Sagittarius (Nov. 22-Dec. 21) - Today is a 6 - You care about truth, liberty and freedom. You don't care about how many paper clips you used last month. Today, there will be a quiz on the details. You'll save a lot of trouble if you just go along with the routine. You know it by heart.

Capricorn (Dec. 22-Jan. 19) - Today is an 8 - You're lucky with travel, philosophy and higher education today. You're also lucky with love affairs, games of chance and relationships with children. You've worked really hard lately. You'll be working hard again soon. See if you can get the day off.

Aquarius (Jan. 20-Feb. 18) - Today is a 5 - If you're so smart, why ain't you rich? Just think how many lovely altruistic causes you could support if you were even wealthier than you are now. You're actually creating more money when you do that, so there will be plenty to go around. Get busy!

Pisces (Feb. 19-March 20) - Today is a 7 - Resolve an old issue, but don't instigate new legal actions. A case brought today is more likely to go in favor of the other person. Besides, something you've been worrying about may clear up naturally. You'll be more confident soon, so wait.

Today's Birthday (April 18) - Your assignment this year is about love and work. Do both together and you'll succeed beyond your wildest dreams. Review your past to choose your next move in May. Settle down in August and move forward in September. That path may go backwards first. You could win or lose a lot in December. The old way's best. Complete a career project in January and launch a new one in February. A voice from the past keeps you on track in March.
