

# BARBARY COAST FRIDAY AND SATURDAY

UNIVERSITY OF CALIFORNIA

## El Gaucho

SANTA BARBARA COLLEGE

Vol. XXXII

SANTA BARBARA, CALIFORNIA, WEDNESDAY, APRIL 15, 1953

No. 22

## Tomorrow Is Deadline For Signups For General Election

Tomorrow is the final deadline for submitting applications for candidacy for student body offices. This must be done in the Graduate Manager's office by 3:00 pm, at which time, each person will receive a copy of the Associated Students Constitution and Robert's Rules of Order. All candidates must be able to pass a test on the constitution and on parliamentary rules. This test will be conducted April 23 at 11:00 am in Pine Hall 100 and may be taken only once, with no make-up tests being conducted.

The offices to be filled are those of president, vice-president, secretary, three women representatives-at-large, three men representatives-at-large; president, vice-president, and secretary of the senior class; president, vice-president and secretary of the junior class; president, vice-president, and secretary of the sophomore class, and Mesa representative.

An assembly will be held on May 5 in the Quad in order to give candidates an opportunity for campaign speeches. Speeches will be given by candidates for the offices of ASB president, vice-president, and representatives-at-large.

All petitions will be due in the Associated Student's office, Bldg. D, on or before April 23.

Rules governing publicity must be followed in order not to be disqualified. Information in detail concerning the rules can be obtained in the Graduate Manager's office or in the Student Body offices.

Candidates for Student Body president, vice-president and secretary must be upperclassmen during their term of office and shall have been in regular attendance at SBC at least one semester prior to nomination.

To be eligible for an elective office, a student must have a scholarship average of C or higher in all college work, a C or higher in all courses taken while in office, and a C or higher for the semester preceding the current one.

Candidates must carry a minimum of 12 college units during the semester preceding their taking office and must take a minimum of 12 college units during the period of holding office, except for student teachers who may carry a minimum of 8 units.

## Yearbook Contest To Last Until April 25

*La Cumbre* sales are now underway. Since only 700 copies have been ordered, Editor Sue Bullis recommends that students obtain their copies early.

The *La Cumbre* sales contest will last until April 25, according to Dave Hodgins, business manager. All organizations as well as any individuals on campus may enter this contest. Receipt books may be obtained in the Graduate Manager's office, where they must be returned before April 25. The yearbooks cost \$4, and deposits are non-refundable. A \$2 non-refundable deposit may be taken and considered as a sale for contest purposes.

Requests for the use of ticket booth, including the specific hours and dates, may be submitted to the *La Cumbre* office, Oak Hall 101. For any other information regarding the sales, students may check with Sue Bullis or Dave Hodgins.

Because of a necessary change in schedule, there will be no *El Gaucho* next week. The next issue will come out on May 6. The editor should be contacted before vacation for any news in the next issue.

## More Scholarships To Be Awarded Students

Additional applicants have been called for the increasing number of scholarships to be awarded for the 1953-54 school year. The deadline for the applications has been extended to give an opportunity for additional qualified students.

Dr. Cornelius Muller, chairman of the committee on honors and scholarships, said that the individual awards would amount to between \$100 and \$300. There are now 70 scholarships available next year and most of them will be \$300 each or larger. Additional funds may also increase the number and size of scholarships to be awarded.

Candidates for scholarships are considered on the basis of four qualifications—excellence in high school or college academic record, financial need, character and promise of future success. In some cases, the donors have attached special qualifications to the scholarship gifts.

Application blanks for scholarships are available in room 104, Administration Building, on the Riviera campus, or by writing to the Committee on Honors and Scholarships.

## Sig Taus Win Trophy For Blood Donations

435 people are wearing the donor pins given for donating a pint of blood in the recent drive. Pat Williams, chairman of the Red Cross, has announced that Sigma Tau Gamma fraternity won the trophy with the outstanding percentage of 141.6. Delta Tau Delta, Sigma Phi Epsilon, and Sigma Alpha Epsilon were awarded certificates for organizations which reached the 100 percent mark. A token cup will be given to Sigma Phi Epsilon, last year's winner, for being the one time winner of the perpetual trophy.

The Red Cross Chapter extends its heartiest thanks for to the Greek organizations whose members donated more than 65 percent of the blood. The Greek organizations are also to be commended for being largely responsible for the Drive's success.

These are the final percentages for the Greek organizations: Sigma Tau Gamma, 141.6%; Delta Tau Delta, 103.8%; Sigma Phi Epsilon, 102.8%; Sigma Alpha Epsilon, 102.3%; Delta Sigma Phi, 75%; Lambda Chi Alpha, 73%; Kappa Alpha Theta, 70.7%; Alpha Phi, 57.3%; Kappa Sigma, 50%; Pi Beta Phi, 48.9%; Sigma Pi, 48.3%; Sigma Kappa, 48.3%; Beta Sigma Tau, 37.5%; Alpha Delta Pi, 34.7%; Delta Sigma Epsilon, 30%; Chi Omega, 25.5%; and Delta Gamma, 23.9%.

## Deans' Coffee Hour Will Honor Scholars

The Deans' coffee hour to be held tomorrow April 16 will honor students whose names appeared on the Dean's List for the Spring or Fall semester of 1952. Approximately sixty students are being invited to attend. Department chairmen will also attend the coffee hour which will be held in the AWS clubroom from 4-5 pm.

## Foreign Students To Give Assembly

The Associated Students, in cooperation with the Committee on Foreign Students, will present a program Tuesday, April 21, at 11 am in the Riviera campus auditorium. Students from Germany, Iran, Poland and Indonesia will participate in this assembly.

All foreign students now at Santa Barbara college have helped in arranging this program. However, because of limited time available, a few were selected to speak whose experiences were thought to be especially pertinent and interesting.

Miss Scharli Lyon, an education major from Corona, will interview Abolfath Bakhtiar from Iran. Mr. Bakhtiar is a senior majoring in chemistry. He will give some details of the plight of Iran, a country which seemingly never had the means to make its compulsory educational system work.

Raden Seekardi, of Indonesia, is a pre-dental student majoring in zoology. He will tell, from his personal experiences, about the educational system of Indonesia under the Dutch, Japanese and now independent Indonesia regimes.

Johanna Roettcher, of Germany, a junior majoring in history, was in school during the last days of the Hitler rule and continued her education in the Russian, British and American Zones.

Andrew Pleszczynski, a senior majoring in political science, will discuss the changes in Polish schools from the period between World Wars I and II until after the Nazi-Soviet invasion. Mr. Pleszczynski came from Lublin, Poland and attended the University in Poland.

Each of the speakers will be introduced by Dr. Rolf N. Linn, assistant professor of German, who is a member of the college Committee on Foreign Students.

## Naval Scientist To Speak To Physicists

The first in a series of events to be sponsored by the Physics Club will begin tonight at 7:30 pm in Ridge Hall 101 when Dr. F. E. Lowance, a naval scientist from Port Hueneme, will speak on "Careers in Physics."

Movies about operations and field projects of naval research laboratories will be shown.

The Physics Club invites all students who are interested in physics, regardless of major, to become members of the club. Dr. E. A. Williams can give you any further information.

## "Submarine Earthquakes and Tsunamis" Title of Lecture by Dr. Robert Norris Today

Today at 4 pm in Pine Hall 100 Dr. Robert Norris, lecturer in geology will present "Submarine Earthquakes and Tsunamis" in the All-College Lecture series.

In last week's All-College Lecture, David Scott, assistant professor of art at Scripps College said, "The dualism in Spanish architecture reflects the two worlds of the Spaniard's experience—the enduring world of his faith and the surface world of his senses—and is the central character of Spanish art."

To speak of Spain as one land is paradoxical, he explained, as it is a very western land and a very eastern land, and also a southern and northern land. He described the country as a bridge between Europe and Africa and the gateway to the Mediterranean, both geographically and artistically. It is diverse because of the isolated areas separated from each other by

## IFC Invokes Fines, Social Probation on Sigma Phi Epsilon

The Faculty Committee on Student Discipline approved a recommendation from Inter Fraternity Council Friday regarding Sigma Phi Epsilon violations of University Regulation Seven. (liquor regulation.)

The faculty committee had received reports of the violations which had occurred during February, and following investigation, the Faculty Committee found Sig Ep guilty of the charges. At that time they requested that IFC meet and suggest disciplinary measures which would be carried out by IFC pending the committee approval of the suggested measures.

The first groups of suggestion from IFC were returned by the committee for clarification and more stringent action. IFC then reconsidered its proposals and recommended that Sig Ep be fined \$100, fifty dollars to be suspended pending a year's good behavior. Sigma Phi Epsilon challenged the constitutionality of this fine since they cannot be fined more than \$1 per affiliated man without their consent. The fine was then reduced to \$39, the amount determined by their membership figures. IFC also recommended social probation for the remainder of the semester, and recommended further that should a similar violation occur, Sig Ep shall be liable to suspension from IFC membership.

These recommendations were accepted by the Faculty Disciplinary Committee, and were immediately invoked by IFC.

## 150 Men Eat Steaks; Smoker Next on List

One hundred and fifty men will agree that this year's AMS Steak Fry was the best ever. The steaks were cooked by Dean Lyle G. Reynolds, Professors John M. Groebli, Mayville S. Kelliher, and Thomas S. Weir. With the steaks, french bread, beans and salad there was plenty of food for all.

Kappa Sigma fraternity was the winner of the volleyball contest again this year. The other teams competing were Delta Tau Delta, Sigma Alpha Epsilon and Sigma Tau Gamma.

Plans are now underway for a possible smoker to be sponsored jointly by AMS and Blue Key, stated AMS president Dan Escalera.

THE SWEEPSTAKES TROPHY for Barbary Coast is admired by Chairman Bill Campbell and Melida Horn, who is in charge of the awards. The perpetual trophy was donated by Ott's Hardware.

## Barbary Coast Transforms Campus to Old California

Where else can you get a dollar for 10 cents?

This can be done at the colossal Santa Barbary Coast Friday and Saturday nights!

From 6:30 to 11:00 pm both evenings the Men's Gym Lawn and Quad area will be transformed into scenes from the good old days of California.

The script money bought from the three money booths will gain you entrance to fun houses, China towns, puppet shows, talent shows, games of chance and a showboat, all sponsored by the various organizations on campus.

A sweepstakes, prizes will go to the best show of the Barbary Coast, and three cups will be awarded in the sorority, three in fraternity and three in the independent divisions. The trophies in the Whiskerino Contest will go to the longest, and to the best looking beards, and to the fraternity with the greatest number of whisker members. The new trophy this year will be awarded the booth making the most money.

Student leaders from nearby campuses and service club members from Santa Barbara will act as judges in the contests. Letters have also been sent to UC alumni inviting them to come to Barbary Coast. The committee, under direction of Bill Campbell, reports that people from UCLA, Davis and Berkeley as well as Cal Poly and Westmont plan to attend Barbary Coast, which has always attracted students from other campuses.

Script money, but not real money, will be accepted at the booths. Booths have been warned not to accept script money from last year's Barbary Coast.

Committee members strongly urge that all come to Barbary Coast. "This year it's the biggest, best yet," says chairman Bill Campbell.

The judges will be faculty members of the speech department. Cups will be presented for first place winners on Friday, April 24.

## Library Committee To Work Out Policies

The new library committee was appointed recently. The members are Dave Gorrie, W. Dale Smith, Betty Woodhead, Corky Godwin, and Pete Kane. The chairman of this committee will be chosen by the legislative council from among these members.

The faculty adviser for the committee will be chosen later, according to AS president, Ted Troy. The purpose of reorganizing this committee is to get the student viewpoint on library policy and to devise ways to help around the library. Such helps include methods for maintaining quiet in the library.

## Only 412 Votes Cast On Fee Increase

Not even one-third of the student body exercised its prerogative to vote in the election last Wednesday and Thursday. The proposal to raise the student fee from ten to thirteen dollars was not passed because a two-thirds majority of those eligible to vote is the determining factor.

In the total vote of 412, 263 voted yes and 149 voted no.

## Cap, Gown Purchase Service Announced

J. A. D. Muncy, business manager of the College, is now canvassing the faculty members for those who want their academic robe for the June commencement. Purchase details will be arranged by the College book store.

## Not Even One-third Voted . . .

The punishment suffered by the wise who refuse to take part in the government is to live under the government of bad men. PLATO

Last Wednesday and Thursday the Associated Students voted on a proposed fee increase—I say voted, I mean were supposed to vote.

Actually only 412 students voted—half the usual number—and less than one-third of those who could vote.

Why is it we can't get the students to vote? It's really no strain, particularly on an issue which is so imperative to the welfare of all student functions.

The vote was favorable, but with so small a turnout, we can't even petition the Regents, who have to approve any increase. If the students had voted the proposal down, that's their prerogative. But not to vote!

As a result, next year's budget will be based on our present ever decreasing income. This means that cuts will be made, to enable the students to accumulate enough in their reserves to make the move to our new \$75,000 home in Goleta one year from now.

Right after vacation we have our regular general election. Read El Gaucho, talk to the candidates, complain . . . but vote.

DAVE HODGIN  
 GEORGIA BACIU

## Headley Concert To Be Presented Sunday

Through the auspices of the Lobero Foundation, Sunday at 4 pm will be presented a concert by H. Klyne Headly, assistant professor of music, who will be assisted by ten outstanding artists. Students will be admitted free with the presentation of a student body card.

The program will feature a concert of compositions by Headly, composer and pianist, who wrote these works especially for this performance. Some of these compositions were written as a research project while he was on sabbatical leave.

Carl Zytowski, music professor on the college campus, and Desmond Kinkaid, senior student at SBC, are among the artists who include Joachim Chassman, Zoltan Kurthy, Michel Penha, Arthur Gleghorn, and Jacqueline Spratt.

Headly, a composition pupil of Maurice Ravel, has included two short selections by Ravel to pay tribute to the master. Completing his scholastic training at the Eastman School of Music, Headly has done additional graduate study or research at Yale, Cambridge, the Library of Congress and Paris. He has written for concerts and broadcasts including the Standard Symphony Hour, and has toured extensively throughout Europe and America.

### All O-o-o-ver State

Eight students or less come here from these counties: Contra Costa, Del Norte, Humboldt, Imperial, Inyo, King, Marin, Merced, Monterey, Napa, Placer, Sacramento, San Francisco, San Joaquin, Santa Cruz, Solano, Sonoma, Stanislaus, Sutter, and Yolo.

### Patsy Shaw Elected New DSE President

Outgoing president Margaret Wright presided over the election meeting of Delta Sigma Epsilon sorority at which Patsy Shaw was elected as the new president of the group.

Others elected to serve with her are Sybil Horn, vice-president; Sue McCracken, Panhellenic representative; Pat Osborne, recording secretary; Trudy Mulkey, corresponding secretary; Helen Moore, treasurer; Margaret Waterman, historian; Dorothy Martin, editor; Jodi Buckle, chaplain; Merna Wallace, alumnae secretary; Sharon Musgrove, sergeant; and Pat McGowan, house manager.

Plans were also made at the meeting for the visit of the sorority's province president.

## Spring Musical Has Fashion Biography

The musical production "Sing Out Sweet Land" to be given on the Riviera May 14, 15, 16, not only brings you a musical biography of American song, but also a fashion biography of American clothes.

One of the most difficult features of staging the show is to supply costumes for the large cast. All types of dress are included from the familiar greys and blacks of the Puritans, to the richly colored Southern costumes of the pre-Civil War period, to the gaudy pre Civil War period, to the gaudy sequined short skirts of the roaring twenties. Acting as costume mistress for the show will be Betty Bryson who has had considerable experience in costuming in other shows at Santa Barbara.

A musical biography such as this that requires a large cast gives the audience a chance to see a multitude of new talent and offers a wonderful opportunity for these people who are at Santa Barbara in the fields of drama, music, or dance.

The year 1910 marks the first graduation class of Santa Barbara College.

## Theta Alpha Phi Takes Three New Members

Theta Alpha Phi, dramatics fraternity held an initiation of new members Sunday night at the home of Dr. Edwin R. Schoell. Dinner was served before the initiation, which was followed by a business meeting.

The new initiates are Dave Hodgins, Gerry Cox and Frank Rawley. Bob Vogelsang is president of the organization and Shirley Kent is secretary. Dr. Schoell is acting as faculty advisor in the absence of Dr. Theodore Hatlen, who is on sabbatical leave.

### More Economical Men?

Economics majors are listed for 56 men and seven women, for a total of 63.

## J. Paul Sheedy\* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

"LISTEN, BIRD-BRAIN, don't get soar, but I cooed never love you," said Sheedy's little chickadee. "Your hair's strictly for the birds! Better remember the tree cardinal rules for social success so you won't be an also-wren. 1. Hop to a toilet goods counter. 2. Peck up a bottle or tube of Wildroot Cream-Oil, America's Favorite Hair Tonic. Contains Lanolin. Non-alcoholic. Grooms the hair. Relieves dryness. Removes goose, ugly dandruff. Helps you pass the Finger-Nail Test. 3. Use it daily and people will love you." Paul got Wildroot Cream-Oil for himself and a diamond wing for his tweetiepie. Better buy a bottle or tube today. Or ask for it at your barber's. If you don't you're cookoo!

Some smokers choose just any brand; They always wear a frown. So just smoke Luckies and you'll have enjoyment that's deep-down!

James F. Quetch  
 University of Notre Dame

All facts don't come from textbooks! Here's one I learned from Pappy! Despite the claims of other brands, Smoke Luckies—you'll be happy!

Fay W. Barron  
 University of Miami

Nothing-no, nothing-beats better taste

and LUCKIES TASTE BETTER!  
 Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette . . . for better taste—for the cleaner, fresher, smoother taste of Lucky Strike . . .

Be Happy-GO LUCKY!

When schoolwork has you in a whirl, And facts escape your mind, Remember Luckies' better taste — A smoker's greatest find!

Gerald Robbie  
 New York University

### Where's your jingle?

It's easier than you think to make \$25 by writing a Lucky Strike jingle like those you see in this ad. Yes, we need jingles—and we pay \$25 for every one we use! So send as many as you like to: Happy-Go-Lucky, P. O. Box 67, New York 46, N. Y.

### SENIORS!

Take advantage of our wallat special—12 for \$3.50—for your application photographs and for enclosures with your graduation announcements.

Zane Studio

Tel. 2-3131  
 7 La Arcada Ct. at 1114 State

Our editor informs me that this will be a short . . . UP ON THE HILL . . . since our space is to be taken up with details of Barbary Boast, the Foreign Students Assembly, the Sig Ep violation, the Chesterfield ad, and the baseball time.

I sighed with relief on hearing this, for after mid-semester it is a little hard trying to stir the mental processes. (I know there are those who are reading this and are saying to their friends, "He thinks he has mental processes, you know what he has for brains?") Do not pay any attention to these people if they should say that to you because you will probably discover that they have same thing for brains.

To continue . . . I should like to pass on some little bits of knowledge which I have acquired despite the "constituents of my cranium." One of them is simply that should anyone give you the "true story, the inside scoop"—do not accept those jewels of wisdom as the absolute truth. Several Christmas vacations at Santa Anita, and two years of student politics have convinced me that it is not so.

For instance there was the time that someone approached me and said "Do not take that course from Dr. . . . he is a square bear." I did not follow that advice and have gained immeasurably (?) of wisdom, for I have discovered almost an unheard of type of professor.

Let me tell you about this academic wonder. He does not conduct a class as an outline, with every thought and word uttered as the gospel truth. He does not ask you to believe everything written in the text, often he does not require that you purchase a text for a course. He gives you—free of charge—a bibliography of some 10 or 12 pages, of the books you can read free at the library covering some of the important points found in the period covered by the class. His lectures might be on a small aspect of the overall picture, or it might be a little digression on the everyday life of the people concerned with in the study. He does not insist that you read certain books from the bibliography, you can read anything you want as long as you stick within the general aspects of the course, and he gives tests that have just one or two questions, one of them usually just asks that you discuss your readings during the semester.

You say this is unbelievable—I say it is not, but do not take my word for it; I will offer to refer you to other students who have the same course.

Let me continue about this course. This professor does not ask that you remember what time of the day Beethoven got on the train for his second trip to Paris; he does not require that you remember if it was a cloudy night when Napoleon left Russia. He does not ask you to decide if the statement "Is it further to Wichita by train than it is summer?" is true or false.

Also his one or two questions are so broad, so all-encompassing that had you done any reading, even the News-Press editorial page, you would have formed some ideas about something asked in the question.

Remember, I do not ask you to believe that this is the straight

**Parade Awards Given To Delts and SAE's**

Sponsored by the Junior Chamber of Commerce and the Associated Students, the first annual Easter Parade was held last Saturday morning preceding the Easter Relays.

There were nine entrants in the parade and those with the winning entries were the following: First place went to the Sig "Apes"; second place went to Delta Tau Delta; third place to Sigma Alpha Epsilon; and Sigma Kappa got honorable mention.

These four floats were a bunny's head, a large Bugs Bunny, and olive wreath and a javelin thrower and an easter basket, respectively.

The parade was well received and it is expected that this event will grow with the years to become one of the outstanding spring events.

scoop—and I do not mean to imply that there are not others who teach this same way, or that there is anything wrong with teaching via other methods, or that this is academic idealism, or that anyone can get a snap "C" in the course. You cannot, but at least in this instance I found a professor who believes that we are grown up, able to come to our decisions, capable of analyzing ideas from several sources, and willing to let you write on whatever your interest in the course might be.

I DO NOT MEAN TO IMPLY THAT OTHER TEACHERS ARE NOT LIKE THIS. (I meekly wish to point out that this is a refreshing little facet of knowledge I came by because someone said not to do what I did do.)

**Faculty To Present Music Concert Tues.**

Members of the music department will participate in a faculty music concert to be given Tuesday at 8:30 pm in the music hall. The recital will be open to the public, although the performance will be primarily for students.

Participating in the concert will be Carl Zytowski, tenor; Stefan Krayk, violin; Clayton Wilson, oboe; and John Gillespie, piano.

The program is as follows:  
Sonata for Violin and Basso Continuo  
Veracini

- Fantasia
- Allemande
- Pastorale
- Giga

Solo Cantata, "Look Down Harmonious Saint" Handel  
oboe obligato

INTERMISSION

From "Four Hymns" (viola obligato)  
Vaughn Williams

- Come Love, Come Lord
- Evening Hymn

Suite for Oboe and Piano Piston

- Prelude
- Sarabande
- Menuetto
- Gigue

The next faculty recital will be by Lloyd Browning in a program of 19th century piano music on May 19, in the Riviera Auditorium.

**CTA Extend Invitation To Hear Mr. Hamilton**

All students and faculty members are invited by the CTA to attend the California Teachers Association meeting tonight at 7 pm in Pine Hall 100 to hear Mr. Charles E. Hamilton.

Mr. Hamilton has been recently appointed full time secretary of the Commission on Teachers Education and Professional Standards of the CTA.

An article in the February 1953 issue of the CTA Journal tells about the duties and background of the new secretary. His commission will help to expand work started by the Teacher Education and Professional Standards Commission.

**Davis Campus Holds Annual Picnic Day**

Chairmen and directors of the 40th Annual Cal Aggie Picnic Day slated for April 18th have promised that this year's event will be the biggest and best ever presented in the history of the University of California, Davis.

The first Picnic Day was held on April 22, 1909, just one year after classes had been commenced on the Davis campus. The first affair was called a Basket Picnic and was held in the newly completed dairy barn where the sole exhibit was a display of products by the Dairy Industry Division. It was in this manner that Picnic Day was born and it has continued throughout the years, expanding

as the University Farm expanded. 25,000 people are expected to journey to the Davis campus on April 18 to view some 30 divisional exhibitions and to inspect the many new buildings. The list of events include a morning parade, afternoon horse show and fashion show and evening aquacade in which the students will participate. A swimming meet and high school track meet planned by students will also be featured. Davis college extends an invitation to all to be guests at the 40th Annual Cal Aggie Picnic Day.

**SENIORS—LAST CALL!**

Apply now for Boys' Group Supervisor and Girls' Group Supervisor. Permanent positions in schools and camps of the California Youth Authority. Salary \$281 to \$341. Frequent promotional opportunities.

Get official state application form at campus placement office or any Department of Employment office and mail BEFORE APRIL 18 to State Personnel Board, 1015 L Street, Sacramento.

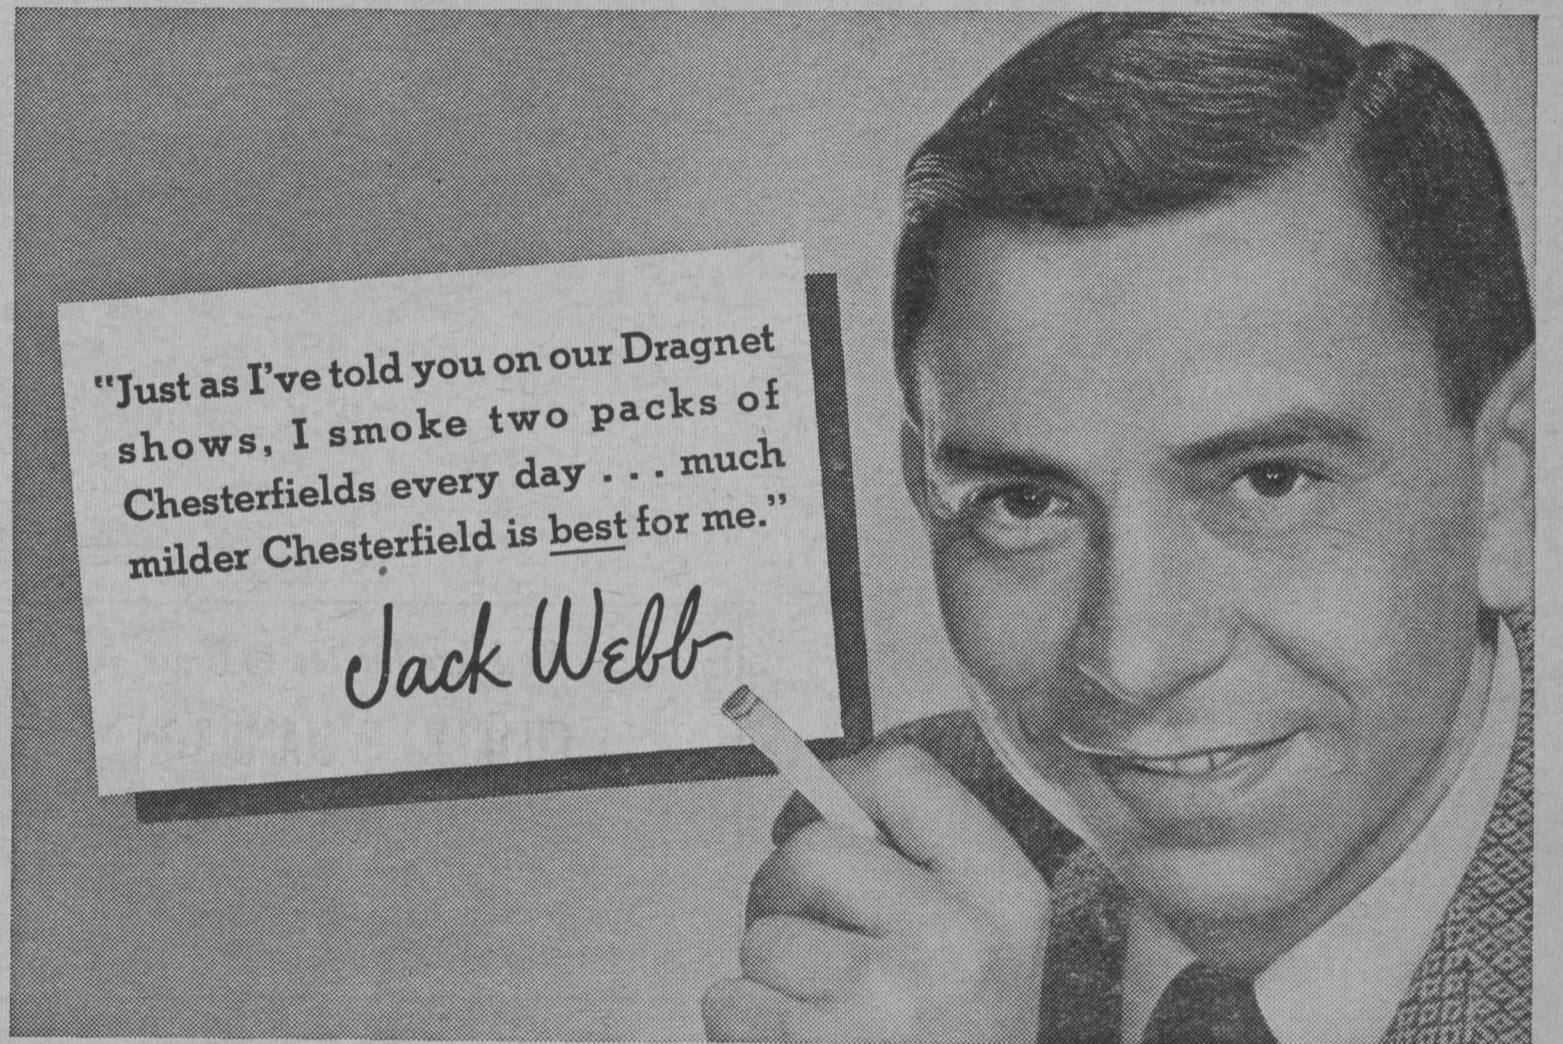

No lat applications accepted!

Chesterfield is Best for YOU!

Chesterfield—first premium quality cigarette in both regular & king-size

WHEN you are asked to try a cigarette you want to know, and you ought to know, what that cigarette has meant to people who smoke it all the time.

For a full year now, a medical specialist has given a group of Chesterfield smokers thorough examinations every two months. He reports:

*no adverse effects to their nose, throat or sinuses from smoking Chesterfields.*

More and more men and women all over the country are finding out every day that Chesterfield is best for them.

Enjoy your Smoking!

Try Much Milder Chesterfield with its extraordinarily good taste.

# GAUCHO NINE FACES AZTECS HERE FRIDAY

## Englemen Need Victory To Stay in CCAA Race After Losing 2 Out of 3 on Road Last Week

By MIKE NOONAN

The Gaucho baseball team took to the road this past weekend, and dropped two of three CCAA contests. Friday they split a double-header with the Cal Poly Mustangs losing the opener 6-2 and winning the nightcap, 4-3. The following afternoon they fell to a strong Fresno State nine, 21-4. In the first game at San Luis Obispo, Mustang hurler Paul Patrick held the Gauchos to but four hits—it was not until the eighth inning that the Gauchos registered any runs when Dave Gorrie slammed a two-run homer.

Duane Mittan did the chucking for the Hilltoppers, going the distance while giving up six runs on nine hits. All the Cal Poly runs were unearned.

The nightcap was a different story. The Gauchos jumped off to an early lead as Bill Davis knocked in Ken Trout with a banjo double in the top of the first. The Gauchos added two more a couple of innings later with hits by Gorrie and Ray Rubinstein, but the winning run was accounted for by Bucky Baird who drove in Herb Christian with a triple in the fifth.

Poly consistently threatened, but pitcher Bob Emirhanian held them to three runs off seven hits—putting down a strong Mustang bid in the last of the seventh to protect his one-run lead.

Saturday afternoon found the Gauchos again starting off in fine fashion—three runs in the first and another in the second, but the Bulldogs had too much power, seventeen hits accounting for 21 runs off three Gauchos hurlers.

This Friday the Gauchos test another CCAA foe when they play an afternoon contest against San Diego State at 2:30 on Mesa Field.

## GaUCHO Net Team Topples Waves, 5-4

Coach Lyle Reynolds' surprising GaUCHO tennis team continued its proficiency in the role of the upset champs last Friday by knocking off powerful Pepperdine, 5-4. Only the week before the Santa Barbara requet-wielders had knocked off Cal Poly by the same score. The Gauchos are now unbeaten in match play in the CCAA and are very likely to stay that way.

The conference championship, of course, is based on success in the CCAA tournament, to be held here May 15 and 16. In that test it is the performance of individuals, rather than team depth that pays off.

Against the Waves the Gauchos picked up their winning points because the supposedly weaker members of the team were not as weak as their counterparts on the Pepperdine team. Santa Barbara's top three singles men, Ray Thornton, Neil Roberts and Jim Flanagan all lost, as did the number one doubles' team of Thornton and Roberts.

But the number four, five and six singles men for the Gauchos—Dave Daniels, Bob Chapman and Ken Bernard came through with victories and the doubles teams of Flanagan-Bernard and Chapman-

## Arizona Routs Thinclads; Pepperdine To Test Gauchos at La Playa Saturday

By ARNALDO SOLIS

The UCSBC track team took a heavy blow from a hot Arizona U. team at La Playa Field last Saturday afternoon. The final score was Arizona 94, Santa Barbara 37.

Arizona's flexible Eino Jacobson started the rout early in the afternoon by taking the high jump from the Gauchos' Joe Riddick. Joe sailed easily over the lower jumps, while Eino had a little trouble, but at the six foot mark Riddick failed to clear the bar and Jacobson went on to set a new meet record of 6 feet and 1 and 3/4 inches. Bob Estes of Santa Barbara took third.

Riddick went on to score a first in the javelin, slinging it 159 ft., 11 in. to beat the others by a good three feet.

## Tennis Tournament To Be May 9 and 10

Students and faculty members are eligible to enter the Student-Faculty Mixed Doubles Tennis Tournament to be held on May 9 and 10. Doubles teams may be student-student, faculty-faculty or student-faculty.

Entrance fees will be \$.50 per person, and trophies will be awarded to the team winning the tournament and to the team winning the consolation round.

Deadline for signing up as entrants in the tournament is May 6. Entrants may sign up in front of the men's gym.

While the visitors cleaned the polevault and took the first two in the shot put, Santa Barbara placed one-two in the broad jump. Jim Beacom and Ned Parsons skipped across 20 feet and 18 ft., 9 1/2 in. respectively to place first and second.

Hugo Nutini took a painful victory in the mile despite a bruised tendon, setting a new meet record of 4:31.9. Expertly trailing during the first three laps, Hugo saved his strength to pass his tiring opponents on the forth lap and left the Wildcats in the dust at the finish line.

After skipping his favorite 880 and resting his right foot, Hugo came back with the same procedure in the two-miler to set both a new meet and UCSBC record of 10:04.6. The old 12-year-old record set by George Soule was 10:09.6.

John Godfrey, GaUCHO sprinter, managed a second and a third. In the 100 John missed first by a neck and a second by a nose. In the 220 he crossed second.

Jerry Downing took third in the 880, George Nelson hung on to third in the discus, otherwise the Arizonans had things their own way.

The Gauchos and Pepperdine tangle Saturday at La Playa in a 2C2A meet. First event is 2 p.m.
