Plans Speeded For College Mesa Campus Buildings

Most reasons which justified delay in the development of the Mesa Campus have now disappeared and college officials are definitely proceeding with plans for buildings in that area, Santa Barbara College Provost Clarence L. Phelps reported last Thursday. The main obstacle now faced in the

work is inertia, Phelps said, and he asserted that that element is rapidly being overcome. Large and small topographical maps, showing in detail the contours of the campus have been completed in the last few weeks and were given thorough study by the administrative board, looking forward to fitting the individual building requirements into the master plan.

Four new buildings — science, physical education, a class room structure and a library—have been definitely approved and preparations are being made to award the architectural contracts.

Many questions must be answered in the planning and location of buildings to make them fit the needs of the college, not only for the present but for the future. A figure of 3000 anticipated enrollment has been arrived at and details of buildings are being coordinated toward that total. It is also necessary that buildings be so planned that additions can easily be made.

Meanwhile, Phelps indicated that inquiries have been made of other campuses on the financing of dormitories. In those cases where replies have been received, it was indicated that dormitories proved sound financing. Housing of students in the Mesa area is an important part of the development of that campus, Phelps said.

AlphaPhiOmega Resumes Activity

Reopening of the Santa Barbara Chapter of Alpha Phi Omega will be discussed at an informal meeting in the A.W.S. clubroom Tuesday, Oct. 2 at 7:30 p.m. Alpha Phi Omega is the national service fraternity. Psi Chapter at Santa Barbara college was very active before the war. Among numerous projects it undertook for the college and the city were sponsorship of the Hobby Show, Kite flying contests, a Coaster Derby, The March of Dimes, painting the Quad pool, rehabilitating benches on the Quad, and many smaller services requested by the college administration. Both Dean Sweet and Dean Woodhouse have expressed great interest in seeing the service fraternity once more active upon the campus. Mr. Keener, Mr. Hayes, and Dr. Addicott are faculty sponsors of the organization. All interested men are asked to attend the meeting. The only requirements for membership are a desire to be of service to the college and the community, and previous membership in the Boy Scouts of America.

Phrateres Groups Hold Welcome Tea

Receiving approximately 110 girls in the Associated Women Students Clubroom on Sunday, September 23 from 3 to 5 o'clock, members of the Phrateres organization held a tea for women new to Santa Barbara college campus.

Heading the receiving line were Dean Helen Sweet and Assistant Dean Mrs. Jeanne Dunderdale. Others in the receiving line included the presidents of the six sub-chapters of the Phrateres.

During the tea, old members explained to the women about the general activities of Phrateres and the various sub-chapters; Gnome club, Pu Ko How, Las Meninas, Nani Leilani, S. F. S., and Tous Le Temps.

It was explained that all girls desiring to become members of the organization may do so within the next month by paying \$1.00 membership fee to the Business Office. In approximately one month the formal initiation of new members will take place in the college auditorium. At this time girls may also state their preference as to which sub-chapter they would like to join.

Art Department Issues Call For Student Models

Creating an unusual opportunity for interested students, Mrs. Ruth Doolittle, head of the Art Department announced this week, a need for models to sit for the Life Drawing class under the instruction of Mr. Walter Cheever. The class meets during 6, 7 and 8 hours on both Tuesdays and Thursdays. Students will be paid fifty cents an hour and must be available for approximately three consecutive weeks.

Beauty is not a requisite nor are women students the most desired. Students of foreign ancestry are particularly encouraged to contact either Mrs. Doolittle in the Art office of Mr. Cheever.

Informal Tea Greet New 'Frosh' Students

Annual registration tea which was held in the A. W. S. room after registration was an informal get acquainted gathering. The tea began at 2:30 and lasted until 4:30. Many old students as well as entering freshmen attended.

Sharon Smith was in charge of general planning with Katherine Nordstrom taking care of refreshments. Cake and punch were served.

Fall Semester Enrollment 798

Santa Barbara college welcomed to its doors, a total of seven hundred and ninety-eight students who will attend classes on the campus this fall, according to Miss Wilhelmina Menken, assistant registrar. Of these, 132 are men, while 619 are women students. The ratio remains nearly six coeds to one man. There are forty-seven students classified as limited, carrying five units of credit or less.

The Office of Veterans Coordinator, headed by Dean of Men, C. D. Woodhouse, has been helping returning veterans to register under the auspices of the G.I. Bill of Rights. Nearly sixty men have enlisted aid so far this semester. Dean Woodhouse welcomed these men Friday, saying, "Santa Barbara college is proud to find so many returnees have chosen to complete their college work here."

Jr. High Dept. Plans Schedule

Tentative plans for social events were made last evening at a meeting of the Junior High School Education department held in the A.W.S. club room. Requirements for Jr. High majors were discussed, with special reference to changes in curriculum, recently reorganized by the University of California.

This year's enrollment exceeded last year's as former registrants and numerous new students were welcomed by Miss Elsie Pond, department head. Many service men have resumed their work in teacher training in this department.

Tina Sanchez, president of the Jr. High department for 1945-46, is planning an interesting schedule of activities. She is supported by Dorothy Dunn, vice president; Stella DeLacey, secretary; Rita Del Dotto, corresponding secretary; and Gerry Whitney, treasurer.

Nani Leilani Group Plans Fall Activities

Holding the first meeting of the year at 821 East Pedregosa, Monday evening, September 24, Nani Leilani, sub-chapter of Phrateres, planned the coming semester's activities and elected women to positions of vice president, corresponding secretary, and treasurer. Gloria Thagard, president, was in charge of the evening's program.

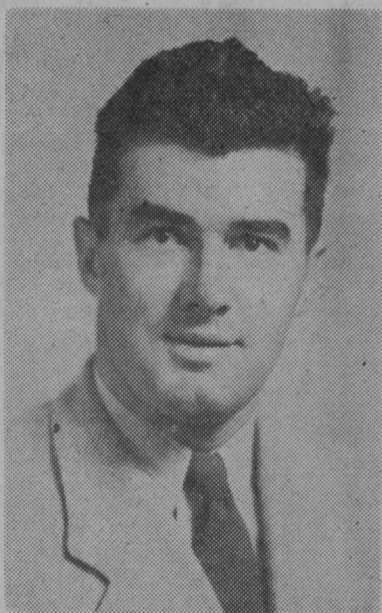

Suggestions were made for the get-acquainted party slated for October 9 and a flight theme selected. Committee chairmen were chosen to carry out the plans. They are: invitations, Melva Mills; games, Esther Henderson; refreshments, Stella DeLacey; and name tags, Gloria Thagard.

Students To Dance On Mesa After Marine Football Game

Climaxing the "Hello Week" spirit will be the first college dance of the semester to be held on the Mesa campus, south court at 10 p.m. tomorrow night, after the football game at La Playa Stadium. "Hello Week" was held on this campus before the beginning of the war, but since then it has been suspended.

SHARON SMITH
A.W.S. President

BOB ELLIOTT
A.M.S. President

With the end of hostilities, and a large college enrollment again, "Hello Week" has been resumed as a college activity.

"Hello Lane", which was the walk in front of the Quad, was reserved this week for greetings from, and to, students and faculty alike. Name tags were distributed by members of the A.W.S. and A.M.S. boards and napkins bearing salutations were given out in the cafeteria.

A pep rally was held Wednesday noon in the Quad and was under the direction of Bob Schottland and Jean Calderon. California songs and yells were heard as students found themselves in the midst of the traditional "college spirit."

General chairmen of the week were Sharon Smith, A.W.S. president and Bob Elliott, A.M.S. president. Publicity was handled by Dawn Walker.

The dance tomorrow night will be an informal affair.

"We hope everyone has enjoyed the past week and that they will enjoy the first college dance tomorrow night even more," stated Sharon Smith, A. W. S. president. "We've tried to welcome you new students in true "Gauchito" style and we hope you'll carry on the "Hello" spirit and tradition throughout your stay on this campus," the president concluded.

Seven Parts Open In School Play For Aspiring Thespians

Tryouts for the first student production of the year, "Dangerous Corner" by J. B. Priestly, will be held at 3:30 p.m. Friday, September 28, in the college auditorium, according to Professor Theodore Hatlen of the Speech department.

"Anyone who wishes to do so may try out for the parts", Professor Hatlen announced. He went on to say that there are parts open for three men and four women. Play copies for study before the trial readings may be obtained from Professor Hatlen by going to his office.

Miss Marian Hammond, head of the Speech department, and Professor Hatlen are to be in charge of the tryouts.

Rehearsals are tentatively set for Mondays, Wednesdays, and Fridays in the afternoon at 2:30 p.m. Opening performance of "Dangerous Corner" is scheduled for November 1.

1944-45 Yearbooks are still in the office of the Student Manager and it is requested that students who have ordered them, call for them immediately.

Members are needed for several committees and boards. If you are interested in working on them, please contact chairmen immediately.

Social Committee—Betty Steele, chairman.

Rally Committee—Jean Calderon, chairman.

Election Committee — Billye Bowie, chairman.

Assembly Committee — Chairman to be chosen.

Board of Athletic Control—Chairman to be chosen.

TRADITIONS

Traditions are an important part of campus life anywhere, and even though Santa Barbara is smaller and younger than most colleges, we too, have our traditions. But unfortunately many of them have been ignored or forgotten the last few years.

This is especially true of the custom of no one smoking in the Quad. In fact, probably a large percentage of the men students don't even know that they are not supposed to smoke there. We have no rule about it, but no tradition can be established unless people follow it.

There is a bench in the Quad which is supposed to be reserved for seniors, but no one would ever realize it. One is much more likely to see freshmen, sophomores and juniors there than seniors.

In the romantic days of old, a casual spectator could recognize freshmen by their green ribbons or "dinks". That is no longer true. There is an unfortunate trend of rugged individualism and non-conformity amongst our little newcomers. We are all for personal freedom, of course, but the words, "Kangaroo Court" are not as harmless as they sound, and sophomores are always on the lookout for hapless freshmen to torment in true Gaucho fashion.

But the most important tradition of all is our custom of friendliness. We are a small college, and there is no reason why everyone should not have at least a nodding acquaintance with everyone else. Maybe freshmen are a little overawed by the lofty upperclassmen, but oddly enough, they are not as bad as they seem. They, too, are favorably impressed by a friendly face. We don't mean that people should go around dishing out sweetness and light with a shovel. That is just too charming for words. However, living in a little world all one's own can be very dull—restricting too. College is an experience that should be enjoyed to the fullest, and people are still more fun than anything. One only gets what he works for, and getting friends is the easiest and most profitable work of all.

i.e. THE MESA CAMPUS

By BERNI RUMACK

OH, MY ACHIN' BACK!

DON'T KNOW whose idea it was, but they saddled the vice president of the Industrial Education club with the job of publicity manager. And he therefore has to write this column. Sad story. If you can take it so can we. Here goes nothin'!

WHAT'S THE COLUMN about? Announcements of interest to members of the I. E. club. Information about our department of interest to the student body in general. And in order to get you to read all that stuff we throw in items pertaining to the activities, nocturnal meanderings, and what-time-did-you-get-in-last-night escapades of anyone who sets foot on the Mesa campus.

QUITE A SHINDIG we had last Saturday nite. You know, the I. E. club "Get Acquainted" banquet. What spaghetti! What split second timing. Started right on the button. Right at 6:00. SCHOTTLAND led some singing. Provost PHELPS gave greetings. But short ones. Mr. ERICSON introduced faculty members new to the campus. Didn't even have time for a speech. Prexy LOWELL WILLIAMS had the old members present the new. PUSS and GORDIE managed to squeeze in their 1½ cents worth. But our old standby, Mr. CHENOWETH was caught with his —ah—defenses down, so we missed his traditional story. At 7:30 the 24 students and 20 faculty members were politely asked to take their leave. Everyone made the football game in time for the kickoff.

THERE'S BEEN some changes made. Some old faces gone. Lots of new faces taking their places. One-third of the male enrollment is in our department. The old standbys, like "ARCHIE", "BEISELL", "SKIV", "DYKE", "CHAMP", and OPPERMAN are back. So is TOM BURT, after a bit of football at S. C.

BACK FOR ANOTHER try are vets DICK ARMSTRONG, GEORGE GUNTERMAN, ART MASON, and JAMES PHILLIPS. Also ex-Merchant Marine NORM ELLIOT.

ACCORDING TO DEAN WOODHOUSE, 90% of the returning Vets are interested in I. E. That "shows to go you" what we've been saying all along. That this is the best department on campus. In fact, we are so good that ED GRABAST transfer-

Bass Needed For Mixed Chorus

"Isn't there one good bass among the seven hundred and ninety-eight students registered this semester?"

Dr. Van A. Christy, chairman of the Music department, voiced an appeal this week for men who are interested in the enjoyment that comes from singing with a mixed chorus.

A number of men have already registered for this organization. However, in order to insure balance, a second bass or any other male voice would be welcome. Those interested should contact Dr. Christy immediately for try outs.

red into our department this semester. Hi, Ed.

DID I SAY there have been some changes made? You "ain't seen nothing" yet . . . Whazzat? . . . Sure we know girls are a dozen on campus . . . But have you ever been to the Mesa? . . . A guy we know had all his classes there . . . Except twice a week he got to go to the Riviera . . . You know what for . . . P. E. . . All men!! . . . What a life!! . . . Anyway, there is a new zip in the air . . . the boys comb their hair, shine their shoes once a week, . . . one fine soul is going to wash his coveralls twice this semester instead of once . . . Moral: Never underestimate the power of a woman! . . . Enough of this chit chat . . . let me introduce them . . . (Oh how I love this) . . . They are lovely, everyone of them . . . NANCY NELSON, SHIRLEY MADSEN, JOAN YULO, EVELYN GUY . . . (that's five) . . . Oh yes, . . . you know LES and KAY, of course . . . (Of course).

A.M.S. Votes On New Constitution

In a brief meeting fourth hour Tuesday, the A. M. S. under the leadership of President Bob Elliott held its second gathering of the semester in room 80 for the purpose of voting on their new constitution and formulating plans for the year. Elliott and Secretary Bob Schottland were elected during the spring semester while the other officers were elected at the Tuesday meeting.

The group's first get-together was the purely social A. M. S. picnic held Thursday, Sept. 20 at Anapamu Park.

Four class representatives are needed for the executive council. Positions open are:

Senior man, Junior man, Fresh man, Frosh woman.

A petition bearing 10% of the class enrollment must be had before any person may run for council representative for his class.

All sorority women who are interested in attending a dance given by the Camp Cooke 13th Armored Division are requested to sign in the Office of the Dean of Women by 5 p.m. tonight.

Applications for the following positions are now being taken by Ray Puissegur, Student Body President:

- Awards Chairman
- Finance Chairman
- Assembly Chairman
- Representative at Large—Athletic Control Board
- Representative at Large—Artist Series Board
- Representative at Large—Finance Committee
- Handbook Editor
- Athletic Manager

Applications must be turned in to the Student Body President by Wednesday, October 3, in order that the Executive Council may approve them during the regular Thursday meeting.

'Pink Tea' Welcomes 'Frosh', New Students

After general assembly Wednesday afternoon, Sept. 11 the "Pink Tea" for freshmen and new students was held in front of the gymnasium. Sponsored by the A. W. S., the tea was for the purpose of acquainting the new students with the board members, as well as with each other. Records were played in the quad over the public address system.

Among those who served refreshments, punch and cookies, were Jean Calderon, Mary Ellen Roberts, Gloria Rosi, Florence Record, Billie Kump, Willie Wigger, Mariana Richardson and Jean Murray.

Off the Beam

Off the Beam starts the year with new enthusiasm. There are men on the campus. (No dig meant at the returning male students, but you will have to admit that there are a few more of the male sex wandering around.)

First orchid of the year goes to the Freshman class. They are starting off with school spirit galore, green ribbons and all. Loyalty to our college and spirit we all appreciate, and the new frosh class has plenty of both.

A.W.S. Explains School Groups

"Come In And Get In On The Know", an Associated Women Students' assembly, was presented Tuesday, September 25, under the supervision of Jean Calderon, program chairman.

Representatives from all organizations of the campus spoke explaining their respective groups and its activities. Qualifications for membership, "C" grade averages, pledging, and term of residence were also discussed by the speakers.

Dorothy Dickie spoke for the Women's Athletic Association; Margie McClannahan explained the Young Women's Christian Association; Tina Sanchez spoke for Phrateres; and Laura Jo Moffett represented the Pan Hellenic Council.

"All of this is very important information for every woman student as it helps her to decide what activities to partake in and what organizations to join," stated Miss Calderon. Assisting with the assembly were Gloria Byrnes and Dawn Walker.

Class meetings will be held Tuesday, October 2, during 4 hour and it is urgent that all students attend. Seniors will meet in Room 10, Juniors in Room 90, Sophomores in Room 80, and Freshmen in the Auditorium. Elections will be held so attend class meetings next Tuesday.

'Pan Hellenes' Start Year With Meetings, Plans For Activities

HELLO girls! Here we are on the starting line of the new year full of work, studying and teas. The sorority meetings are buzzing with new plans for the coming activities.

ALPHA THETA CHI

The first regular meeting of Alpha Theta Chi was held Monday night at their sorority house, 616 East Micheltorena. The meeting was called to order by the president, Marianna Richardson.

The newly appointed officers were announced for the coming year; Jean Calderon, social chairman; Dawn Walker, historian; and Mona MacLaglan and Barbara Rush, property chairmen.

Plans were discussed for a future rummage sale, with Marge Hoskinson in charge.

The sorority's new silverware was shown. Refreshments were served following the meeting.

DELTA SIGMA EPSILON

Delta Sigma Epsilon held their first regular meeting of the year Monday evening, September 17 at their new sorority house, 1567 Oramas Road. During this meeting, Helen Schulze was elected house manager. House rules and plans for the coming year were discussed.

The second meeting was held last Monday evening, September 24 at the sorority house. Plans for a trip to the college cabin in the early part of November were made. Present at the meeting was Jean Arthur Gier, fifth Province president and an alum of their local chapter.

The meeting was concluded with a program commemorating the founding of the sorority, with Dollie Kroonen, Lynn Edgerton, and Louise Sandoz presiding.

DELTA ZETA DELTA

Delta Zeta Delta held its first regular meeting of the Fall semester Monday evening at the sorority house, 2103 Alameda Padre Serra. An election was held to replace officers who did not return to school. Kay Kimber was elected vice-president; Virginia Fahey, corresponding secretary; Sue Perry, treasurer; Kay Fox, alumni representative; Phyllis Macomber, historian; and Lynn Wiggins, sergeant-at-arms. Plans were discussed for sorority social activities.

GAMMA DELTA CHI

The regular meeting of the Gamma Deltas was held at the sorority house last Monday night. Plans were made for a trip to the college cabin in the near future. Tentative dates were set for a theater party and barbecue.

The surprise of the evening came with the passing of chocolates by

Mary Chamness announcing her engagement to 1st Lt. Marvin Johnson of the Army Air Corps.

The completion of the evening was spent in a joint meeting with the Sigma Delta Phi sorority, with games and refreshments concluding the evening.

PHI KAPPA GAMMA

Phi Kaps held their first meeting last Monday evening in their sorority house, 1606 Grand avenue. Peggy Upson, president, presided.

Plans were discussed for future activities. It was decided that the sorority would go as a group to the dance at the Montecito Country Club October 5.

New officers for the year are: Peggy Upson, president; Mary Ellen Roberts, vice president; Virginia Comerford, secretary; Jenny Tarascou, treasurer; Edna Shear, rush captain; Doreen Meagher, publicity chairman.

Dolores Lindberg passed chocolates announcing her engagement to Marine staff sergeant Glen Christiansen.

TAU GAMMA SIGMA

The first regular meeting of the Tau Gams was held at the home of their president, Betty Skavdahl. New officers were elected to replace girls who have left school. Barbara Barton was elected recording secretary; Susan Parks, corresponding secretary; Johnnie Johnson, rush chairman; and Katie Lannon, social chairman.

A house committee was formed including Joan Anderson, Katie Lannon and Patty Geyer.

Plans were made for the new year. Refreshments were served following the meeting.

SIGMA DELTA PHI

First meeting of this semester took place at the new location of the sorority house at 1826 Loma last Monday evening. Members absent this year are Rosemary Hellier due to her plans for marriage, and also Gene Ferguson who became Mrs. Knox this summer.

Plans were made to attend as a group, the forthcoming military dance October 5th and the next football game.

After the meeting, refreshments were served with a tour of the house following. At 8:30 the Sigma Deltas adjourned over to the Gamma Delta Chi house for a get-together. A good time was enjoyed while playing various games of cards with ice cream and cookies served to end the evening.

When it comes to expressing your sentiments, let our lovely flowers speak for you.

Marines Try For Third Tomorrow

Football, with all of its color and excitement, has returned to La Playa Stadium. The Santa Barbara Marines are the home team. They have won both games played on the college gridiron, defeating Stockton Army 26 to 0 and Minter Field 25 to 0. Tomorrow night they will encounter the Tulare Cowboys, with the opening kickoff scheduled for 8:15.

A large crowd of students attended the Minter Field game last Saturday, and a good turnout is expected tomorrow night. The Junior Chamber of Commerce, sponsors of the contests, has established a special rate of 60 cents for college students. Tickets may be purchased in the student body office or at the box office upon presentation of student body card.

Bob Schottland, yell leader, is attempting to organize a college rooting section for the Marine games. He is being assisted by June Hellwegen, Virginia Goble, Joan Anderson and Johnny Johnston.

Led by Jim Terrell, Danny Radakovich, Walter Ott, "Chip" Cullom and Eli Maricich, the Marines have displayed a strong offense in their games to date. All of these players are fast and tricky. Maricich scored two touchdowns against Minter, running 80 yards for his second score. Ott carried the ball nine times and gained 70 yards. He was also on the throwing end of five completed passes.

Applications for positions on La Cumbre are now being called for by June York, Editor. Anyone wishing to work on the staff, contact the editor or Harold Martin, Student Body manager.

Women are urged to sign up in the office of the Dean of Women for Red Cross Work. There will be a list posted in Miss Sweet's office, so sign up at once.

Sports in Shorts

By FRED BURROUS

Athletic Director Terry H. Dearborn informs us that the Gauchos will resume intercollegiate competition in three different sports this year; basketball this semester, track and baseball during the Spring. The casabamen will start work in the very near future. All men interested in coming out for the squad are urged to contact Coach Dearborn.

The Yacht Club breezed into activity yesterday. They elected new officers, signed up new members, and made plans for the current sailing season. They hoist canvas this weekend and all who feel that they must "down to the sea again" are very welcome to join this briny crew of seafarers. As usual T. H. Dearborn is the man with the word.

Old studes are sorry yet happy to see the familiar proboscis of Thomas S. Burt decorating our campus again. Sorry because Tommie was forced to give up his starting berth with the strong S. C. Trojan gridders due to a weak ticker (colloquialism for debilitated heart, yuh know) but happy because the Riviera and the Sportsman wouldn't be the same without him.

Down at La Playa Stadium for the Marine-Minter field fracas last Saturday p.m. a group of us were thinking how nice it is that we have the most beautifully located gridiron in the country and that by this time next annum we'll be yelping for our own Gauchos once again.

Profs Host To 300 Students

Over 300 students spent last Friday evening as guests of the faculty members at the annual Faculty Picnic in Oak Park. Students brought "pot luck" dinner while dessert and coffee was provided by the faculty.

Volleyball, baseball, and square dancing highlighted the entertainment for the evening.

Each year these picnics are given and sponsored by the faculty in an effort to acquaint newcomers with their fellow students and faculty members.

Student automobile parking is available beyond the Auditorium door, the lower lot in front of the Administration Building, and the lot between the Music and Home Economics buildings.

It is requested that students observe and obey the One-Way traffic law on the main campus road.

The sight of Bob Schottland, his cheerleaders and songleaders at the game were bright rays that heralded SBC's new football dawning.

'Get Acquainted', On Hare, Hound Day

To further acquaint the women students, the Hare and Hound Chase, sponsored by the Woman's Athletic Association, was held Thursday, September 27. The participants, including many old and new students, met in front of the Women's gym at 4:30. After forming small groups, the girls were led a merry chase by WAA members including Lynn Edgerton, Trudy Doerr, Dorothy Millsap, and Dorothy Kircher. All trails eventually ended up at Rocky Nook, where a supper consisting of a cheese-rice dish, green salad, and coffee and doughnuts was served. Get acquainted games were also played. Dorothy Dickie, WAA President, gave a short speech in which she welcomed everyone and explained the purpose of the Woman's Athletic Association.

In charge of food was Rose Seals; Barbara Webber took care of the entertainment, and Dorothy Kircher planned the trails.

Music Department Enrolls Over 40

Enrollment of full time Music majors this semester is the largest it has ever been, according to Dr. Van A. Christy, department head. Altogether the enrollment is about the same as it was last year. The freshman class is also exceptionally large. Not many men have come back, but more are expected next semester.

H. Klyne Headley, professor of theory, has returned to campus from service, and is resuming his teaching in harmony, musicianship, and music history.
