"Some people come into our lives and quickly go. Some people move our souls to dance. They awaken us to the understanding with the passing whisper of their wisdom. Some people make the sky more beautiful to gaze upon. They stay in our lives for awhile, leave footprints on our hearts, and we are never, ever the same." -Unknown

"When you come to the end of all the light you know and you are about to step off into the darkness of the unknown, faith is knowing one of two things will happen: there will be something solid to stand on or you will be taught how to fly." -Unknown

A S K G I F T G O O N

Dear Gift Goon,
I have no idea what to get my friend for graduation. I have about \$20 to spend. Any ideas on what I can give?
Travis

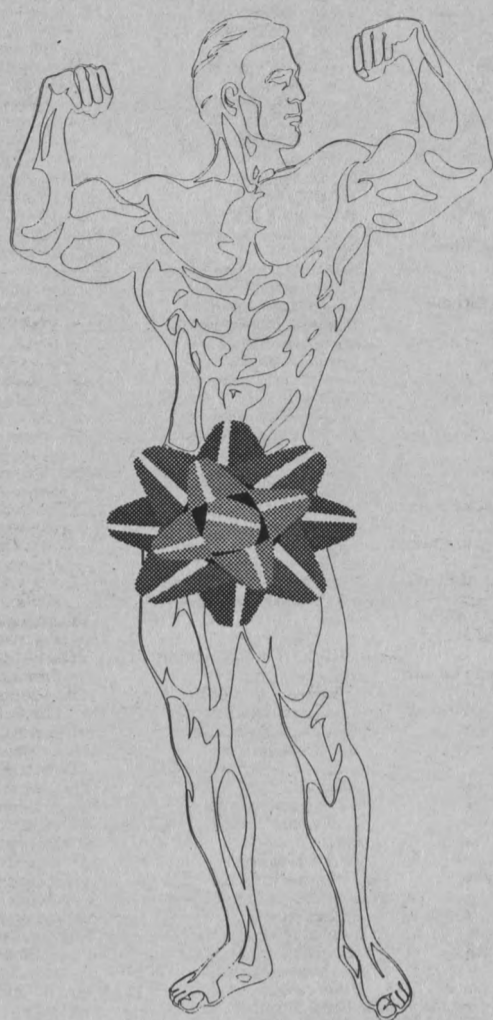

Dear Travis,
Hmmm ... \$20 bucks. This is enough to buy a truly G-licious present.

Dear Gift Goon,
I have some money to spend for gifts for my friends, but I don't have the time to shop for each of them. What do I do?
Mike

Dear Mike,
Use your money wisely. Tell your friends you want to take them out and buy them drinks. While you're buying drinks for your friends, buy a drink for yourself. Your friends can't drink alone. Your friends will appreciate this gift, and trust me, so will you.

Dear Gift Goon,
I recently purchased a gift for my friend and discovered that she had already bought it for herself. What do I do? I can't return it.
Lydia

Dear Lydia,
Well, that sucks. Give it to your dad for Father's Day.

Dear Gift Goon,
I want to wrap a gift with something else besides traditional wrapping paper. Any good suggestions?
Thomas

Dear Thomas,
Well, we have all heard of newspaper wrapping. Use this Gift Guide to your advantage.

Dear Gift Goon,
I want to make a personalized gift for my roommate. Her favorite colors are purple and green. Any creative ideas?
Angela

Dear Angela,
Forget about her favorite colors. Keep with the UCSB school spirit — give her something blue and yellow.

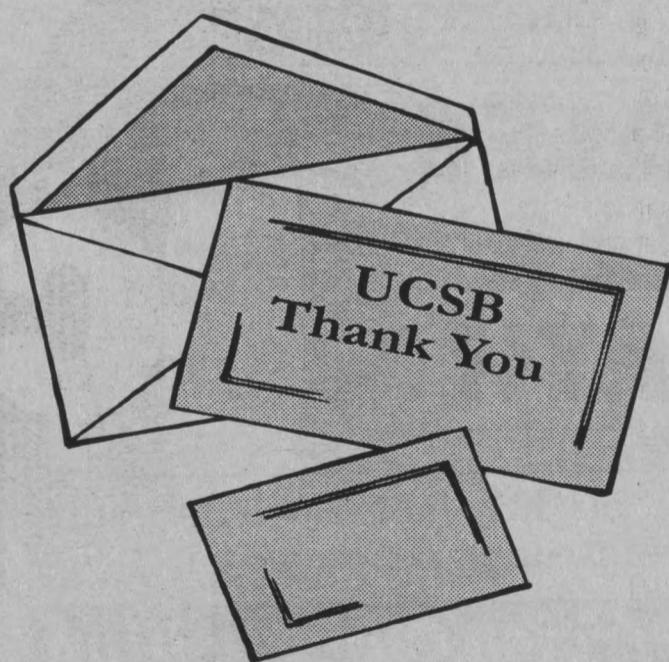

Dear Gift Goon,
My girlfriend is really hard to shop for. I've been trying to figure out what to get her. What can I give her that she'll enjoy?
Sam

Dear Sam,
The perfect gift for your girlfriend: you wearing nothing but a strategically placed big red bow.

Congratulations Class of 2000

Gift Thank You Notes

By Elizabeth Werhane

Don't:

- Include confetti in the envelope
- Wait until you complete graduate school to mail them
- Include photos of your post-graduation kegger
- Begin the letter with "To Whom It May Concern"
- Include a copy of your senior thesis
- Include razor blades in the envelope
- Address envelopes in lipstick or disappearing ink
- Seal the envelope with a lot of slobber, no matter how good it tastes
- Sign them in your blood. Or your roommate's. Or the cat's. Try to avoid blood if at all possible.

Do:

- Use correct postage
- Send them to the people who gave you the best gifts first
- Thank them for the specific gift you've been given
- Explain how that gift will better your life
- Tell them how much you appreciate the gift (even though you're lukewarm on the idea of a neon sign of "live nude girls")
- Hide the contempt you really feel about their cheap gift
- Write thank yous when you're sober
- Use your real name — they may not recognize your stage name
