

DAVISMEN AND BENGALS CLASH IN GRID CLASSIC

Fracas at Pershing Park Promises To Be Hardest On This Years Schedule

As a fitting climax to the most brilliantly successful football season that Santa Barbara State has ever had, Coach Hal Davis' rambling Roadrunner eleven meets its crucial test this Friday night at Pershing Park against the powerful Kienholz machine from Occidental.

Snarling with rage at the 6-0 defeat handed them by Cal. Tech. last week, the Tigers come north, thirty or more of them, escorted by a large crowd of rooters, primed to knock the perch out from under the strutting Roadrunners, whose unblemished gridiron record is equaled by only two other teams on the Pacific Coast, Washington State and Oregon University.

Record of Two Teams

Although Oxy's record does not compare with State's they having lost three out of six games, to San Diego State, Arizona, and Cal. Tech., S. B. S. C. has won six and tied Cal. Tech., 6 to 6, the Tigers hold a distinct advantage in power and reserve strength, which will be a most important factor in deciding the outcome. On the side of the Olive and White, however, is the fact that the game is at home, and a victory means superiority over all of the conference teams, which will be a big talking point when it comes to admission into the Conference, so earnestly desired by the Hill-toppers.

The men from State will be in fighting trim and all set to meet the charge of the ferocious Tigers with some bang-up football which will send them slinking back to their lair. Coach Hal Davis has been pointing for this game all season, and has the team tapered down to where they work together with machine-like precision. The past two games with the Junior colleges have served to further smooth down any rough spots and point out any weak places which need strengthening. Several new plays have been added to the catalog and these are also in good working order for the "battle royal."

Loveborn Gridders Not Wanted

Coach declined to comment on the game, further than saying that "Kienholz is as good a coach as there is in the Southern Conference; his team is always one of the toughest, and that backfield ace of his, Dick Glover, is as good or better than any other man in the Conference." His main message was in the form of a little word of warning to those players who go into the game "with one eye on the stands and the other eye on the ball." Coach declared "if their mind is on 'some femme' they will be a lot nearer to her on the bench."

Luke Trimble was down two weeks ago scouting the Oxy-Redlands tussle, which Oxy took by a 13-6 score. "The Oxy outfit," said Luke, "made yards almost at will through the Bulldogs, mostly on end runs and passes, which we will sure have to watch out for, as our ends are not any too strong. Glover, Johnson, and Reed are three fast backfield men, and Myers, 200 pounder at full, is always good for yards through the line."

So it's plain that State will be facing the toughest aggregation Friday night that she has been up against this year. All State fans remember last year's game, the first encounter between the two schools, and the first night game for Santa Barbara. A much weaker Roadrunner eleven held the Tiger to one touchdown for three solid quarters, and another in the last few minutes for a 14-0 score. With the same fighting spirit, combined with the season's "wonder team," State is in line, we believe, to come out on top.

(Continued on Page 4, Col. 1)

SCHOOL HEADS MEET IN NORTH

Mrs. Laura Specht Price and Miss Edith M. Leonard represented Santa Barbara at the conference at San Jose of all teacher training schools in the state, October 30, 31 and Nov. 1. Twenty-five schools were represented, including state, private and religious institutions.

Regular meetings were held at which reports on every phase of teacher training were given. Among the more outstanding speakers was Vierling Kersey, superintendent of state education, who opened the conference. Ten vital factors essential for a teacher were summed in his decalogue as follows:

1. Physical fitness.
2. Emotional stability.
3. Enriched personality.
4. Mental alertness.
5. Capability of growth.
6. Breadth and depth to pre-professional training.
7. Scientific background.
8. Theory and method of art of teaching.
9. Controlled experiences of cadet teacher.
10. Continued training.

Roberts Presents Survey

Dr. Alexander Roberts, president of San Francisco State College, presented his survey of the seven state teachers' colleges in California. Among the points stressed by him was the need for more buildings. A ten year program has been provided for, but the buildings are needed now. He also spoke of the need for more highly trained members of the faculties of our teacher training schools.

Education From a National View

Dr. Ellwood P. Cubberly spoke on education from a national view, pointing out that Massachusetts has the finest teacher training plants in the nation. New Jersey and New York states have such a surplus of teachers that they are now making a rigid selection of materials for training.

A student teacher at San Jose addressed the conference. Her subject dealt with the ideal supervisor. A friendly attitude was the most desired quality, she said. A supervisor also should enter a class quietly and not participate.

(Continued on Page 2, Col. 6)

OXY PROGRAMS TO BE LARGE

Inaugurating a new policy in the history of Santa Barbara State football, a special printed program in booklet form is being prepared for the grid classic Friday night between the Roadrunners and the Occidental Tigers.

The program, being prepared under the direction of L. F. Pageot, is of the same type as those used at the important Conference games as well as all major games in the country.

A pre-sale is being planned at which time students may buy tickets which in turn may be exchanged for the booklets at the game. These tickets will sell at twenty cents, while the program, if bought at the gate, will cost twenty-five cents.

TRIM THE TIGERS!

JOHNSON EXPLAINS FOOTBALL SUCCESS

The success of the 1930 Santa Barbara State College football team is not due to just Coach Davis and Luke Trimble, the men that make up the team, or the support given by the student body; the real secret of this year's winning squad is attributed to the wholehearted cooperation of all three of these factors. For the first time in the history of the school, the coaches, the team, and the student body have worked as a single machine and carried real school spirit throughout every contest they went into.

Coach Hal Davis

Without a doubt, Coach Hal Davis is the best coach Santa Barbara has ever had and has done more this year in putting the football season over the top than any other one person. Every man on the team that works under Davis knows that he does not believe in the so-called "one-man" coaching; he gives his time freely to the perfecting of his men with no thought whatever to the many hours that are lost as far as a financial return for himself is concerned. Davis believes that a team is either a whole team or not a team at all and it is with this thought in mind that he has perfected an unbeaten team to date.

Assistant Coach Luke Trimble who has been working so hard with the linemen and Fred Allred, the freshman coach, both deserve a lot of credit for their untiring efforts in drilling the men that were under them.

The Team

In my four years of football at S. B. S. C. I can safely say that this year's team has had more fight and spirit in practice and during games than any other team I have played on. This spirit is undoubtedly due to the growing student body, the tight competition of the players for team positions, and the opposition of the frosh to the varsity squad. This year's competition alone, with other colleges has done much to raise the fight that has brought victory. Having a captain helps to make a team compact and without a captain last year the team was at a real disadvantage.

The Student Body

Although the student body as a whole has been bubbling over with school spirit and has supported every game with a will, I am convinced that the S. B. S. C. band has done more than anything else in stirring up the spirit that is now so prominent on our college campus.

In behalf of the football team, I want to take this opportunity to thank the members of the student body who have so loyally and spiritedly supported all of this year's games. May this spirit continue to be as outstanding in the years to come.

Sincerely,  
RALPH JOHNSON.

TAME THE BENGAL

KERSEY TO SPEAK FRIDAY

On Friday the 14th, during the fourth hour, there will be a called assembly at which Vierling Kersey, superintendent of Public Instruction in California, will speak. Superintendent Kersey will have something worthwhile and inspiring for every student to hear, and besides, he is witty and tells jokes delightfully. Also, every student has an institutional responsibility to attend. The impression Mr. Kersey gets from this college will depend largely upon the number of students at the assembly and the reception they give him. And this impression will have a decided effect upon the budget Santa Barbara State College receives for the following year.

A word to the wise is sufficient—when three bells ring, go promptly to the auditorium.

TRIM THE TIGERS!

CAMPUS GOSSIP

HAVE YOU NOTICED?

That Ted Neidermuller makes a very good janitor for the girls in the Color and Design classes on Monday and Wednesday.

That "Ace" Hickman seems to be overlaid with studies these days. We sure miss you at the noon gatherings on the front steps, "Ace."

MID SEMESTER SCHOLARSHIP NOTICES WILL BE ISSUED FROM REGISTRAR'S OFFICE MONDAY, NOVEMBER 17TH. LOOK FOR SAME IN YOUR MAIL BOX ON THAT DATE.

JANE C. MILLER,  
REGISTRAR.

DANCE FEATURE OF OXY JUBILEE

The Oxy-State Jubilee will be a dance given in honor of Occidental College and is to be held at Rockwood Women's Club immediately following the football game. Vic Janssen's six piece orchestra will furnish the music and the dance will last from 10:30 to 12:00.

The jubilee is being put on by the social committee. Virginia Weber, the social committee chairman, announced that only Occidental and S. B. S. C. student body cards will admit guests. All Santa Barbara alumni will be admitted. No invitations will be given for outside people, Miss Weber said. The dance is to be an exclusive Occidental and Santa Barbara State entertainment.

Give ear, you Barbarians! We have made a startling discovery, one which throws light on a problem which has puzzled all you wisecracks up here on the hill. And that is, what is the cause of State's phenomenal gridiron success this year? Sticker, isn't it? But, as usual, the brilliant Eagle sport staff comes through with the answer.

Remember way back to the first game of the season with Cal. Tech? That was the night in which State's fate hung in the balance. "Ozzy" Hicks was combing his snakey locks and otherwise attempting to beautify himself in front of the dressing room mirror. He stooped to straighten the glass, it slipped from his fingers, and horrors upon horrors, it crashed to the floor! Seven years bad luck! We shudder to think of the death that would have been his at the hands of that bloodthirsty dressing room crew if—but it didn't break, thank heavens! Result, State's 1930 record.

BONFIRE RALLY THURSDAY NITE

A huge pile of wood, cardboard boxes and various other types of burnable debris is mounting to the sky at the foot of Santa Barbara street. And why?—Because our freshmen have been working for over a week to make this year's annual bonfire rally, to be held Thursday evening at 8:00 p. m., the biggest in the history of the school.

At every "big game," tradition has established the necessity of a bonfire, but this year even tradition will shake under the spirit which is bound to accompany it. Every fraternity, sorority, and social organization on the campus will enter a float in the parade. Prizes are to be awarded by local judges for the most attractive and original entry.

Don't forget! Everybody be at the corner of State and Sola tomorrow night at 7:15 and we'll have the whole town "lit up."

TRIM THE TIGERS!

S. C. REPRESENTED AT A. W. S. MEETING

A. W. S. PREXY RETURNS

Santa Barbara State College was represented at the state inter-collegiate women's association convention held at Fresno on October 31 and November 1 by Betty Procter, associated women's president; Irene O'Leary and Dean Mildred C. Pyle of Santa Barbara State College.

According to Miss Procter, the purpose of the convention was to determine whether or not the problems of women's organizations in all co-educational institutions in the state were closely enough related to warrant the permanent establishment of a state-wide organization. After a complete discussion of the problem, it was finally decided by vote that the colleges were not ready to form a state organization. The Southern California Associated Women Students, represented this year at the convention, was dissolved and the Associated Women Students of California are now bound together in three districts: University of California represents Northern California, Fresno State, Central California, and Pomona, Southern California.

Following was the program for the two days:

- Business meeting.
- Convention picture.
- Business meeting.
- Lunch at the Sunny Side Country Club.
- Business meeting and adjournment.
- Formal dinner dance at Hotel Fresno.
- Business meeting.
- Address on "Types of College Women," by Dr. Sabin-Smith of Mills College.
- Business meeting.
- "Cow-camp" lunch at Fort Miller Rodeo.
- Informal dinner and bridge party at Hotel California.

The conference also discussed the question which was proposed by Miss Alice Hoyt, assistant Dean of Women at the University of California, of holding a six weeks' institute or study group for undergraduate leaders at U. C. during the summer session. The students attending would be the student leaders on the various college campuses, and would receive college credit for the course which would deal with the underlying principles governing student leadership.

The administration of the University of California, Stanford, and Mills want to get the students' reaction on the subject and would like to have students of the respective colleges discuss the question on their campus.

P. E. WOMEN MANAGEPLAYDAY

GIRLS TO REFEREE

On Saturday, November 15, sixteen or more college girls will act as referees at the play day to be held at the Santa Barbara High School. The play day will include all high schools in Santa Barbara and Ventura counties. This work will be of particular value to the college girls since it will give them an opportunity to apply the rules they have learned in their teaching theory classes. Ruth Arnold, Pearl Reiger, Meryl Adams, Shirley Mercer, and Ethel Hudson will referee basketball. Mildred Chamberlain, Dorothy May, and Maurine Moore will act as hockey referees. The referees for volleyball will include Helen Furby, Lauraine Woolman, Ethel Hudson, and Anna Furtado, while Virginia Sliction, Marjorie Juleff, Mary Ek, and Catherine Lampert will referee baseball.

BEAT THE TIGERS!

Band and Glee Club Members

Rehearsal for the Oxy game will be held tonight at Pershing Park at 7:30 P. M. Please be there promptly.  
Clifford Leedy,

Freshman Notice

All frosh men are wanted to help build the bonfire for the rally Thursday night. Although the fire is tomorrow night, there is lots of work to be done before that time. Come down to the foot of Santa Barbara street this afternoon and tomorrow during any free periods and make this a credit to the class of '34 and to Santa Barbara State College.

BEAT OCCIDENTAL!

SCIENCE BLDG. TO BE READY BY FALL

Three sets of plans for the tentative science building have been recently reviewed by President Phelps and Miss Severy, head of the science department. One plan has been selected and the department at Sacramento has been wired accordingly. The state officials have assured Miss Severy that the building will be ready next fall.

The new structure will house the science laboratories and lecture rooms, and will be fully equipped with the latest scientific appliances. The studies which will be taught are: Zoology, botany, physiology, bacteriology, physics, and chemistry.

The building will be entirely independent of the Domestic Arts building, but will be so placed as to complete a patio. This patio will be terraced. The botanical and zoological specimens will be arranged in the gardens.

ALUMNI GIVE TEA THIS WEEK-END

During "Home-coming" the Santa Barbara Alumni Association are giving a tea to the State graduates who will be returning. The tea will be given in the college dining hall from three to five on Saturday, November 16.

George Browne is president of the Alumni Association, Lua Thurmond is secretary, and Edwina Kenney is in charge of the tea. Clara Fraga who is employed in the city school system, has designed some very clever invitations. The decorations have been planned by Mrs. Helena Bacon Collins, and Francis Dearborn is in charge of the program.

There will be many hosts and hostesses at the tea, and Miss Ebets, Mrs. Crosswell, Mrs. Barnett, Mrs. Hodgins, Mrs. Price, Mrs. Browne, Mrs. Pyle, Mrs. Phelps, Miss Severy, and Mrs. Jane Miller Abrahams will pour.

SMASH THE TIGERS!

The week end of November 14, 15, and 16, has been set aside for our homecoming celebration. We are anxious to greet you and renew old friendships. You will find many things at State of which you will be very proud. The outstanding record of our football team, undefeated so far this year, and the appearance for the first time of our own college band in their snappy olive and white uniforms have done much to create a spirit of enthusiasm never before shown on this campus.

HOMECOMING PROGRAM

We will be very happy to welcome you to the following events:

- Thursday, November 13—Parade, leaving Sola and State.....7:15 P. M.
- Bonfire and Rally at the East Beach on Cabrillo Boulevard.....8:00 P. M.
- Friday, November 14—Special assembly.....11:00 A. M.
- (Address by Mr. Vierling Kersey, Superintendent of Public Instruction of State of Calif., in the college auditorium.)
- Football game—S. B. S. C. vs. Occidental College, at Pershing Park.....8:00 P. M.
- Oxy-State Jubilee, Rockwood.....10:30 P. M.
- Saturday, November 15—Alumni association tea in the college dining hall from 3:00 to 5:00 P. M.
- Homecoming dance at Rockwood Women's Club.....8:30 P. M.

STUDENTS TO DANCE AT ROCKWOOD SAT.

Alumni of the Santa Barbara State College will be entertained at a dance to be held at Rockwood Saturday, November 16, at 8:30 o'clock in the evening. This will give the old grads a chance to get together and re-establish old friendships, and will be a boon to those of them who have neglected to correspond with their college pals. The loosening up of old joints and muscles will be facilitated by music from Walter Robinson's six-piece orchestra.

Due to the very large crowd that is expected to attend, every student body member is asked to present his student body ticket at the door. Alumni wishing to attend must secure written invitations from either Dean Pyle or Virginia Weber.

Patrons and patronesses will be: Mrs. Mary E. T. Crosswell, Mr. Ferdinand Kebely, Mrs. Laura S. Price, Mr. and Mrs. Byron Abraham, Miss Winifred Frye, and Miss Hazel Severy.

INDUSTRIAL ED. FRAT IS FORMED

A new honor fraternity composed of Industrial Education students was organized last Thursday night at the home of Mr. E. E. Ericson, head of the Industrial Education department. Temporary officers elected to act until a constitution can be drawn up were: President, Carl Shoemsmith; vice president, Ralph Johnson; secretary, Vernley Tice; secretary, Wilbur Day.

The purpose of the fraternity is primarily professional. Thru its aid the members hope to increase their efficiency as instructors in Industrial Education.

The charter members were chosen by S. O. Werner, instructor in mechanical drawing and electricity; Mr. E. E. Ericson, head of the Industrial Education Department; and President Clarence L. Phelps, from the senior students of the Industrial Education Department. Qualification for membership is based on scholarship in liberal arts as well as in the industrial arts.

The charter members of the new fraternity are Lewis Fleckenstein, Doc B. Gilbert, Brady Howell, Edward Jacobs, Merle Jaynes, Ralph Johnson, Frederick Olsen, Carl Shoemsmith, Vernley Tice, and Joseph Vierra. Mr. S. O. Werner and Mr. E. E. Ericson are faculty advisors.

BEAT THE BENGALS!

Students Give Big Rally Over KDB

Approximately twenty students contributed to the Radio Rally which was broadcast over KDB last Thursday night to advertise the Ventura and Oxy game. Sparky Pollard, who was charge of the rally, is becoming an expert announcer. Vocal numbers were given by Merle Adams and Betty Jrocter played a set of piano solos. School songs and yells completed the program.

## Dramatics Gossip

Alvetta Van Tuyle, a former director of dramatics at Santa Barbara State, was present at the dress rehearsal of "The Ghost Story." She instructed the members of the cast in the art of make-up, and incidentally offered suggestions for the staging of the play.

Miss Van Tuyle has been doing outstanding work with some of the Community Arts plays.

"No More Frontiers," by Talbot Jennings, is the next play to be presented by the Santa Barbara Community Arts, at the Lobero. All of you who are ambitious should see the director, Mr. Pichel. He appreciates the help of anyone who is interested in stage work.

Last month the San Jose Players of San Jose State College, staged the play, "He Who Gets Slapped," by Andreyev.

The San Jose Players is a very active organization, and is very successful in most of its productions.

Last Wednesday at Rockwood, Dean Ashworth read the one-act play, "No More Americans," by Babette Hughes, to the Lions Club. This play is a comedy, based on the American tourist problem in France. A group of Frenchmen plan to fleece an American family of their money, but the family is from Los Angeles, and of the high-pressure salesman type. When the Yankees are through, the Frenchmen are, financially, typically French; in other words, broke.

This play has many interesting possibilities. Perhaps, sometime it could be staged by our dramatics organization.

According to Knud Anderson, who comes from Germany, and is a member of Dr. Maxwell's composition class, students in his country are allowed to attend all of the best operas, dramas, and concerts at less than half price, which is usually about twelve and a half cents. In Germany, everything possible is done to help students.

GET THE TIGER PELT!

The Girl Scouts are after me. They issued a bench warrant last week accusing me of picking on dumb animals. This week the charge is cruelty to one who is much smaller than myself. As near as I can figure it out, both charges hinge on Ned Porter, the lousy little Scotchman.

It is nice to have someone to pick on all the time. You know, steady guys like Danny Britton and aforementioned tightwad who consistently pile up scandalous dirt. My—my—my.

Did you know that Santa Barbara State and Washington State are the only undefeated college teams on the Pacific Coast, that Cliff Leedy's band is the only one in the world, with the exception of Mr. Roberts' of So. Cal., that ever wore baby knickers; that our team has averaged 15 points per game to the opponents' 5, and that Luke Trimble has Athletes Foot, Epidermi-fitosis?

We are wondering if C. Tubbs has a trucking permit that allows him to transport that piccolo of his around on his poor little Ford, or is it a mouth organ?

Then there is that dashing caballero called Pierucci who is directly responsible for thirteen cases of Athletic Heart on the campus alone. Something ought to be done about this. I wonder what the Widow would recommend?

We have noticed that the recent retirement of several Frosh to the ranks of the Crutch Wielders has not affected their ability to work in the dark, Ford coupe or no Ford coupe. Fie — Fie. Shame on you for three lines.

## EXCHANGES

According to Mrs. Olive T. Cowell, faculty member of San Francisco State Teachers' college, who has just returned from visiting a teachers' college for men in Peking, China, that country is in dire need of teachers. Most of the teachers there have been educated either in Europe or America or both and a series of old temples serve as the buildings for the college," she said in a lecture before the San Francisco college assembly.

### BEAT OCCIDENTAL!

Dr. Jacobs can say what he wants about universal peace and disarmament, we still see him cheering vociferously at the football games.

We have heard a report to the effect that the two women that attended the A. W. S. convention in Fresno are planning to return there for the hunting this Christmas. Hmmm. I smell two rats.

"Big Boy" Bevis is in favor of a new campus society which he calls the Girl of the Week club. Not a bad idea. Why not take it up with Dean Ashworth and the College Widow.

Marty Bredsteen has reformed since the last issue. He was seen at the Granada last night with his youngest sister. Gee, what will power he must have.

If you hear of an unidentified body being found next week, don't look for this column any more. The Editors had a meeting the other day and I've been peeking around corners ever since.

Well, anyway, it's a sweet life while it lasts.

Add 'em, or any other figure of speech.

BEAT OXY!

## World News

### COSTS \$1127 TO VOTE

Although its daytime population is among the most dense in the city, one Times Square election district yielded but a single voter.

It was the thirty-eighth precinct of the tenth assembly district, west of Broadway in fortieth street, where George Schrader, who tends a boiler in a nearby skyscraper, past his solitary ballot.

Election officials said Schrader's vote cost the city \$1,127.65. Six election employees and four party watchers were required to handle the ballot.

### NEW "POCKET" SHIPS

Four new "pocket" battleships are scheduled to be completed by Germany in the next six years under the defense ministry's construction plan, it was revealed today.

### JOBS FOR 1000

New York city today added 1,000 men to its cleanup and odd-job payroll, bringing the total to 2,900 on the emergency unemployment relief list.

### S. B. USES PHONES

In Santa Barbara, telephones are twice as generally used as in the average community of the United States, according to a national telephone survey, and the city's telephone supply is 25 per cent greater per population than the average for California.

Santa Barbara has a few more telephones than one for every three persons in the city. The State's average is one telephone for every four persons and the United States average is one telephone for every six persons.

### FOREIGN TALKIES

Foreign language talkies will be produced by Metro-Goldwyn-Mayer studios, officials have announced, on a basis of picture for picture with English speaking films next year.

Arthur Loew, foreign representative of the company, said the new policy will mean the production of 50 feature films in French, German and Spanish and the importation of many actors, writers and directors from Europe. Hoopla!

### COURTESY OR DEATH

From a careful study of 100,000 accidents made by the New York Automobile Club it was found that more than one-third were caused through violations of rules of the road, or the failure of some drivers to extend to others the common courtesies that are due and well understood.

### MAPPING MOON

Astronomers at Mt. Wilson observatory are mapping the moon by a new type of astronomical survey in an effort to clear up the century-old controversy as to whether the moon's face is changing. They also expect to furnish geologists with more information concerning the nature and causes of the moon's "scenic wonders." Special instruments for the work were perfected by the Carnegie Institution astrophysical laboratory.

### WING RECORD FALLS

Wing Commander Charles Kingsford Smith, who recently flew across the Atlantic from Ireland to Newfoundland, made a successful flight from England to Australia in 10 days, breaking Bert Hinkler's record by five days.

## SOCIETY

### TAU OMEGA

Members of the Tau Omega fraternity and their guests held a lively party at the beach after the Ventura game last Friday night. Several alumni members who were in town for the game attended. Refreshments were served by the pledges, entertainment also coming from the same source.

### SIGMA ALPHA KAPPA

Sigma Alphas held their regular weekly meeting last Monday night. After the conclusion of regular business, tryouts for the State cross-country squad were conducted. Results, although promising, have not been revealed.

### KAPPA DELTA PI

Alpha Rho chapter of Kappa Delta Pi, national honorary educational fraternity, held a business meeting Tuesday night. Francis Noel is president and Alice Izant is secretary. The business discussed at this meeting concerned the selecting of new members who are to be initiated before Christmas.

(Continued from Page 1)

She should give concrete material to her student teachers, that is, former lesson plans and courses of study. The last and one of the most essential points was that a student teacher's class should never be taken away from her.

### Visit San Francisco

San Francisco teachers' college was visited Thursday morning and the Peralta school at Oakland that afternoon. The superior student teachers from San Francisco teach in the Peralta school, two students each morning and two each afternoon. The work here is a far more formal type than that practiced at Santa Barbara.

San Jose was visited on Friday. Only demonstration teaching is here done with the students observing.

San Jose was visited on Friday. Only demonstration teaching is here done with the students observing.

All of the above mentioned work is being carried on in new, beautiful and well equipped buildings.

BEAT THE BENGALS!

We the inmates petition for:  
 1. Silencers for the library or a library period to be divided thusly:

- 15 minutes for adjustment.
- 15 more minutes for looking around.
- 10 more minutes for giggling and laughing at one another.
- 5 minutes to study, rouge, powder up, stack books, get a drink and tear away to class.

With all these birds that are in love or on the verge of toppling—the library is about as conducive to good quiet study as the Caf. is for rest with 40 or 50 college students drinking soup.

Elizabeth Peacock probably won't see the point to this either. I used to think Peacock might be English—but after a week or perhaps two, an Englishman usually finds the point to a story.

Watch and wait for the first installment of our little thriller, "Prexy's Bullfrogs," which will appear next week. This little story is dedicated to Peacock if Mr. Ferdinand Kebely finishes sketching the faces of our department heads in time—we'll try to have one of the bull frogs sit for him—otherwise, I'll put my picture in.

Dean Ashworth, in English Literature, said that in the 18th century people used to go to the lunatic asylums and watch the inmates go through their antics for diversion. Now a days people go to college to watch the same things.

And this interesting little bit of news was clipped from someone's notebook or diary—a large stack of school books and blue books were threatened by fire. Unfortunately the blaze was extinguished before any real good could be done.

Which recalls the fate of the monastery egg! Out of the frying pan into the friar.

Oh, Well!!!

## ASSOCIATED STUDENTS

SANTA BARBARA STATE COLLEGE  
 SANTA BARBARA, CALIFORNIA

To Any Student,  
 Santa Barbara State College,  
 Santa Barbara, California.

Dear Student:

Of course you want your folks see the Occidental game on Friday night, November 14. What's more you want them to sit in a seat where they can see the game without a telescope. This means one thing. Get tickets in the reserved section NOW! Due to the limited bleacher facilities at Pershing Park only five hundred reserved seats are being sold to the public. Unless you want your folks to wait outside, get reserved seat tickets from the controller in his office today, Thursday, and Friday. The price is \$1.50 a seat.

Sincerely yours,

FRED ALLRED, Controller.

P. S.: And if the idea of having your folks see the game is a new one, dash off a line now and urge them to come up to the most exciting grid battle ever staged by State's football men.

DEPARTMENT NEWS

NEWS FROM THE MUSIC DEPARTMENT

A voice recital is to be given toward the end of the semester by the students of Mrs. Helen M. Barnett's voice classes.

There are four voice classes during the week, which take care of about twenty-two song-birds. Of these, all are girls with the exception of four, Harry Denno, Elbert Cochran, Richard Waterman and Marty Bredsteen.

The glee clubs are still working themselves hoarse on songs for the second semester activities. The latest selection the women are working on is "Valse Triste," from "Kuolema" by Jean Sibelius.

"THE RAPE OF THE LOCKS" About the campus again there stalks That cruel creature in search of locks,

What! You have not heard of Fad Who joys in making maidens sad By shearing off their locks exquisite,

Listen then, and I shall tell Of this dark monster straight from Hell; For servant of Satan he must be To practice such a cruelty.

When tresses of the maidens coy Have grown so long to their great joy, With open shears this Fad does come, And slashes curls of everyone.

This breaks the heart of every maid Who has toiled so long her hair to braid; To be a lady grown, you know, And win a handsome Romeo.

Each one does firmly swear and bet That she had rather die than let Her locks be shorn to be just hair; But Fad just laughs—he does not care.

HISTORY DEPT. GROWS

Fulfilling a general demand for another major, a history course at Santa Barbara State was added to the college curriculum two years ago.

This course gave its first A.B. degree last June.

Now, there are forty students majoring in history, while there are six hundred and seventy-five students enrolled in the history-social science department.

NETTLES ASSISTS

Dr. H. Edward Nettles, a new member of the state faculty, this year is assisting Dr. Ellison. His class in the History of the Americas has an enrollment of eighty-five, while his courses in Industrial History, Medieval History, and United States History, are also large.

The major in history offered by Santa Barbara State is a pre-secondary course. One more year in a university earns a master's degree, enabling the holder to teach in the high schools of California.

Included in this department is the course offered in geography by Dr. Lewis C. Carson. He has over 170 students enrolled in this study this semester.

In the social science section of this department, Dean Pyle has a group of 67 students enrolled for sociology.

MEMBERS OF HOME EC. DEPT. ATTEND MORNING PRESS SEWING SCHOOL

Members of the Junior and Senior clothing classes attended the Sewing School at Recreation Center on Tuesday and Thursday of last week. The school was put on by the Singer Sewing Machine Co., under the sponsorship of the Morning Press.

XMAS SALE

Just a few more weeks before the Home Ec. Xmas sale will be here. Plans are well under way to make the sale the biggest and best ever given.

Theatres

GRANADA

Winnie Lightner in "Life of the Party" is playing at the Granada tonight. It is a fast and furious comedy centering around a poor working girl in the tropical city of Havana.

"Up the River" which is coming this Thursday is the comedy sensation of 1930.

CALIFORNIA

Tonight is the last night to see Harry Langdon in "Soldier's Plaything."

"Common Clay" with Constance Bennet is playing at the California the last part of this week. This is taken from the popular novel by Kinkead. The play treats the question: "Does one slip make a bad woman?"

ROSE

Billie Dove and Douglas Fairbanks, Jr. in "One Night at Susies" play at the Rose last times tonight.

The last part of the week "College Lovers" with Jack Whiting and Marion Nixon is the main picture. It is a comedy about college life, featuring plenty of fast football.

MISSION

Beginning tonight at the Mission you may see the thrilling drama "Men of the North" with Gilbert Roland.

Thursday and Friday's bill features "Soup to Nuts." Rube Goldberg wrote it and it is alleged to be very, very, very funny.

Sally O'Neil and Molly O'Day in "Sisters" is playing the last part of the week. At this performance there are five acts of vaudeville.

From U. C. L. A. comes the news that the ages of entrants range from 15 to 53. The most popular age being 17.

The sophomore men of the University of Washington are holding a beard contest. If dates and "that conspicuous feeling" don't interfere, they plan to withhold the razor until November 25 when the contest closes.

THE EDITOR SPEAKS

AIN'T IT GRAND?

WITH the Oxy game scheduled for this week end an atmosphere charged with excitement and zest pervades the campus. Everyone feels a joyous satisfaction in being active participants in a live, going student activity.

Alumni are returning to the campus and noting development everywhere—in faculty, students, and equipment. They, better than we, can see that State has outgrown her swaddling clothes. The fact is, State is becoming conscious of the fact that she is no longer a Normal School or Junior College but a full fledged four-year liberal arts institution.

The time is here, now, at State, and each succeeding day leaves less time in which to have those memorable experiences which make up ones college life. Many students seem charged with a new desire, present formerly only in a few, to participate in some form of student activity.

State is conscious—exhilaratingly conscious—buoyantly and joyously conscious of growth. She feels the flow of new blood in her veins—the joyous tingle that comes from knowledge of achievement and expansion. This is a banner year for State in many ways. It is only a beginning, but "ain't it grand?"

"The greatest of faults is to be conscious of none."

NEW NAMES FOR OLD

STARTING with this edition, "The Eagle" becomes "The State College Roadrunner." The reason for the change is simply its naturalness, its obviousness. Although the Eagle was once chosen as the college bird, the roadrunner has assumed that position in the student mind through its connection with State's athletic activities.

The Roadrunner has become synonymous with things pertaining to Santa Barbara State College in the minds of townspeople, students, and sports fans throughout Southern California. We feel that the change in the name of the paper will mark it as distinctively "the paper" of Santa Barbara State College.

"Nowadays every man is entitled to life, liberty and an automobile in which to pursue happiness."—Selected.

NOBEL PRIZE

The Nobel prize of 1930 for literature has been awarded to Sinclair Lewis. His "Arrowsmith," "Babbitt," "Elmer Gantry" and "Main Street" have become legends. The prize was for some \$146,000.

College Band Plays Special Numbers

The College Band is making big plans for the entertainment of the football fans during the Oxy game. They will have several new pieces to play. Mr. Leedy sent to Occidental College for the orchestration of their school song, and expects to play it as one of the features of the program between halves. The band has also been working on new marching formations, and Mr. Leedy hopes to have more men in the band than ever before for the marching display.

(Continued from Page 1, Col. 1)

### Last Game for Five of Varsity

"Tricky" Dick Glover, former State man, is Oxy's shining light at halfback, but the Davismen will have their eyes on him and he will have a tough time getting away on any of his spectacular end runs. State has a few men who will show just as much stuff as he does, and more, we predict. Several Staters will be playing their last game for the Green and White Friday night, and they can be expected to give all they have, and then some, to end their careers at State in a blaze of glory. Captain Ralph Johnson at center; John Davis and Fred Imes, flanking him at guards; George Barth at tackle, and Halfback "Ace" Hickman, who has just been pronounced fit after his sick spell which kept him out of last week's game, all will be seen for the last time in Santa Barbara State's lineup.

That scare that Ventura J. C. put into the Hilltoppers last week was just enough to take all the cockiness out of the fellows. Something like that was just what was needed to show them that they were not world-beaters, and State is going out on the field knowing that they have a hard job ahead of them, but with the old "do or die" attitude uppermost in the minds of the players. Feeling that way, it's going to be pretty hard for Oxy to keep them from crossing over into the "promised land" back of that last white stripe.

In all probability, Coach will start his regular lineup in the game with Colton and Goodfield at ends, Allerdycce and Barth at tackles; Davis and Imes at guards, Captain Johnson in the pivot position; in the backfield lineup will be "Ace" Hickman and "Tuffy," Treloar at halves, "Pooch" Pierucci at quarter, and "Pinky" Greeson, full.

## CO-ED SPORTS

### BASKETBALL STARTS SOON

Basketball season's here at last! November 18 marks the opening of this season for the women. A big turnout is expected, and it is believed that basketball will prove even more popular than ever before at State. The class will meet Tuesdays and Thursdays, eighth period.

### BEAT OXY!

### W. A. A. OVERNIGHT PARTY

November 21 the W. A. A. will have an overnight party at the beach house of Mary Longawa on the Rincon. They will leave Friday and return Saturday morning. The new members of the W. A. A. will be initiated at the party. The girls will dance, play bridge, go swimming and canoeing in the moonlight. More fun!

### BANQUET IS POSTPONED

The date of the hockey banquet has been changed to November 18, on account of the Armistice holiday.

### DR. HUGH FRIEDEL TALKS

Last Thursday Dr. Hugh Friedell spoke to the freshman hygiene class on nutrition and diet. He particularly stressed the subject of underweight and overweight. Plans are now being made to invite a well known dentist of San Francisco to lecture to the class on trench mouth.

### SMASH THE TIGERS!

## STATE DOWNS VENTURA J. C.

In their final tilt before the great Occidental game, the Roadrunners almost received the upset of the season at the hands of the plucky little squad from Ventura Junior College, and did get badly spilled when they won by a low 6 to 0 score on Pershing field last Friday night.

Favored to win by its largest count of the year, the State team received the surprise of its victorious 1930 career when the Pirates simply refused to be trampled upon. Headed by Joe Martin, the Venturans made several almost successful drives into State territory, putting the Roadrunners into various embarrassing positions.

The absence of Hickman, Davis, and Imes from the squad, coupled with the Roadrunners' certainty of an easy victory, was largely responsible for the narrow margin of victory. The usual heavy work of the backfield was missing without Hickman and the line failed to hold up against the Venturans' onslaught.

The score was the result of two brilliant passes in the third quarter. After failing to do much through the line from just inside their own territory, the Roadrunners went into the air for a highly successful moment. Greeson put a long shot into Treloar's hands, and Tuffy was downed on the four-yard line. Three line bucks showed no gain. Greeson again stepped back and passed to Barnett, who was over the goal line for the touchdown. Barnett's place kick for the extra point was low.

The Venturans played an excellent game of ball for such a small school, and gave State a good lesson in how tables are turned and dope buckets upset.

(Continued on next column)

## FRESHMEN BEAT SAINTS 12 TO 0

Though doped to lose by a large margin, Santa Barbara State's fighting Freshmen Saturday took their first scalp of the season when they tore through the Santa Maria J. C. team for a 12-0 win. Mahoney, acting captain, made both touchdowns, neither of which were converted.

The touchdowns were made in the third and fourth quarters. The first came after a shifty thirty-yard run by Carlston, and the second followed a tricky unrehearsed lateral from Mahoney to Carlston to Main, one of the fastest plays the Scrappy Scrubs have ever pulled and got away with. Hal Smith at left made a lot of long runs, and Bob Main at fullback was on the receiving end of several yardage-gaining passes.

Although the game was by no means easy, at no time after the first quarter was the outcome doubtful. The tilt was the last of the season for the J. C. bunch and may be the last for the Frosh.

Beachers at the Santa Maria High School field, where the game was played, were almost empty, as the game was generally conceded to be a walk-away for the Jaysees. The field was of good turf, but rather slow.

Coach Allred, of the Frosh, is reported to be trying to get another Freshman game, to be played before the Occidental game. This will make the Home Coming game a double-header. The freshmen will double for Occidental in this week's practice.

Above—A few reasons why Coach Kienholz' Occidental Bengals will prove plenty tough opposition for the Roadrunner gridsters. An interesting coincidence—Captain Chappell of the Bengals and Captain Ralph Johnson of the Roadrunners will be playing opposite each other at the center berth in Friday night's game.

### The lineups were:

Ventura	Santa Barbara
Keith.....LER.....	Goodfield
Petri.....LTR.....	Barth
Crowthers.....LGR.....	Davis
Bright.....C.....(C)	Johnson
Chapman.....RGL.....	Cutler
Chaffee.....RTL.....	Allerdycce
Guzman.....REL.....	Colton
Shannon.....Q.....	Greeson
Burum.....LHR.....	Barnett
Rice.....RHL.....	Treloar
Martin.....F.....	Pierucci

Substitutions for Santa Barbara: Kessler for Pierucci, Hopkins for Goodfield, Haberkick for Barnett, Eckhart for Davis, Wade for Allerdycce, Doran for Treloar, Kessler for Greeson.

### SWIMMERS PROGRESS

With all the beginners knowing how to swim, everybody's happy paddling around the old swimming pool. The beginners have even learned the crawl, the side stroke, and how to jump into the pool head first. The advanced section of the women's swimming class is taking life-saving tests and working on racing turns.

### GET THE TIGER PELT!

### S. B. S. C. DOPE SHEET

The 1930 Santa Barbara State College football eleven has a record which stands out as the best ever attained in the history of the college. With victories over California Christian College, Redlands, La Verne, Whittier, Santa Maria, and a tie with Cal. Tech., the Roadrunner squad now holds third place on the Pacific Coast football honor roll. Washington State and the University of Oregon top the list. In the United States, there are but nine undefeated and untied teams left in the running while Santa Barbara State is one of the eight American college football teams that still remains undefeated, but who have one tie game marring a perfect record.

In quoting Ward B. Nash of the Los Angeles Examiner, we have the following statement:

"Washington State and Oregon remain undefeated in Pacific Coast conference circles. In checking all other teams on the coast we find but one remaining in the select circle—Santa Barbara State."

With but one game left on the season schedule the fighting Roadrunner eleven is now aiming for an unblemished record. If successful in their next contest, Santa Barbara State's Olive and White pigskin toters will be in line for high place honors on the United States football honor roll.

### GET THE TIGER PELT!

## TIGERS OUT TO REGAIN PRESTIGE

By BOB McCORD

Sports Editor, The Occidental  
When Occidental's Tigers take the field against Santa Barbara, they will be out to regain some of their lost prestige. They have been bumped about quite a bit this year. Caltech and San Diego, two teams the Bengals figured to take in pre-season reckoning, have both put Oxy on the short end of scores. Arizona University bumped the Bengals also.

The Santa Barbarans are favored to win, by virtue of their tie with Tech, and unmarred record. Last year a superior Bengal machine had to scrap hard to eke a 14 to 0 victory over the northern team.

A native will be the star of the Oxy attack. Dick Glover has been such a sensation this season that he has merited his cognomen of "Dashing Dick" and "Dazzling Dick." Dick is a speedy, shifty ball-toter. He weighs but 150, yet plays full. Glover's specialty is a cross between an off tackle buck and an end run. He scored four times against the University of Mexico on this play.

Contrary to popular opinion,

Occidental is not a one man team. Tuffy Reed, 175 pounds, of ten second ability, bounds off tackle for a lot of gains. He works effectively with Glover on reverses. Both Reed and Glover are good as pass receivers.

If the Bengal machine clicks against the Roadrunners, it is hard to tell what the final score will be. Once they provide adequate interference and open good holes for Glover and Reed, these two boys are off to the races. It's just one of those things, once the Tiger aces get going.

### New Plays May Be Tried

On the other hand, the Tiger board of strategy may experiment. With three defeats already another will not mean much. The one game that matters is the annual mix-up with the Pomona Sagehens. Anderson and Kienholz may look to this game, and try out some new men and plays to use on the Sagehen. They will also be looking for the 1931 season.

### BE A TEACHER

In the Tuesday and Thursday swimming classes there are four P. E. majors who are learning to be swimming instructors and they have fine specimens with which to work.

### SKIN THE TIGERS!

## THESE AND THOSE

Due to overconfidence on Oxy's part and a never-say-die Roadrunner spirit, the stubborn Staters held the Tigers to two touchdowns on their own field last year. And last year's outfit was not in a class with this 1930 eleven of ours. Oxy is every bit as strong this year as last, and what is more, she will go into Friday's game with her eyes open to the fact that there will be no laying down on the job against Santa Barbara State. We don't deny that State will have a tough proposition to tackle in those Tigers. They outweigh us, admittedly, and they have some very fast and tricky backfield men. But those eleven men in the green jerseys of State will be playing way over their heads Friday night. What about the half-dozen of them who will be ending their football careers at State in that game? Will they battle! Then there is this to think of, too—what a difference this game means to each team. To Oxy it is just another football game, so to speak, but to State it is everything. It means putting over an unbroken season of victories, and virtually admission to the Southern Conference!

Now tell us which team will fight the harder! Again we say, our last two-bits is on State.

## ESTIMATE COST OF FOOTBALL

Did you ever think what it costs to turn out the well-dressed football player, or send him east so that he can die for dear old Whoosiz?

When the Army squad came to play Stanford last fall, there was a special train for forty players, and for seventy adults to watch over them. The train was fitted with hot and cold showers, lockers, physical therapy room equipped with muscle vibrators, ultra violet-ray machines, diners, observation cars, and lounge cars. The cost was never revealed—but a conservative guess would be \$50,000.

A player's trousseau should include special speed shoes at \$25 a pair, underwear made to order, socks, stockings, shoulder pads, hip and kidney braces, head-guards, hoods, silk pants, and a few incidentals. If twenty varsity men in twenty leading colleges have this wardrobe, shall we say it pays to die for the Alma Mater?

—Exchange.
