Remember for Your Party Needs

University Beer & Ice Dock

Featuring CO₂

Q. Why is CO₂ better?

A. It preserves the natural flavor of Beer for up to a week, whereas manual pumps simply pump outside (smoke-filled) air into the Keg, causing the Beer to go flat overnight! **Why settle for Stale Beer?**

Community Affairs Board is a volunteer resource service center devoted to improving the quality of the University experience for all UCSB students, as well as serving the community. We would like to thank all of you who volunteered this year and hope for your continued support in the coming year.

The CAB office is located on the 3rd floor of the UCen. We will be open the first day of Fall quarter. For more information, call us at 961-4296 or stop by the office. Applications will be available to connect you into one of our fifteen projects.

See You In September and Bring a Friend!!!!
