## Program for C. of C. Dinner Monday Evening Announced

Persons who have not yet secured their tickets for the Chamber of Commerce Dinner Monday night are asked to do so before 5:00 p. m. today as the committee must know how many dinners to prepare. Tickets may be secured from a number of merchants or at the Chamber of Commerce office, 106 W. Coast Highway.

Dr. J. B. Lape and his entertainment committee have arranged an excellent program and the ladies of Group — 4 of the Community Church have planned an appetizing dinner which will consist of orange cocktail, baked ham, escalloped potatoes, green peas, hot rolls, garden vegetable salad, orange sherbet, cookies, coffee.

The speaker of the evening will be L. C. Rafferty of the Shell Oil Company of Santa Barbara. The program to be presented is as follows: Solos, "Ah Moon of My Delight," from the Opera "Pearl Fishers" and "The Dream," by Bartlett, Danny Cox, tenor, accompanied by Miss Eva Howey. Mr. Cox has recently been heard over the Santa Barbara Station KHMS.

"La Compensita," tango and "Bill Robinson Tap," dances, Miss Ada Mae Lambert of Summerland.

## UTILITY OFFICE TO MOVE APRIL 1

The utility office operated by John E. Jones, will move to 701 Linden Ave., the corner store room in the Palms Hotel, on April 1. The quarters being vacated in the Dowling Building will be used as a display room by the Humphrey Motors, Inc., which occupy the balance of the building at present.

## Defeat at Hands of Fillmore Ends Warriors Cage Season

Those mighty Warrior basketballers ended the most successful season in the history of the high school, last Tuesday evening at Fillmore.

The occasion was the C. I. F. playoffs for Southern California Championship, and although the Warriors put up a noble struggle the score ended 48 to 39 in favor of Fillmore.

From the opening second of play until half time the locals outplayed and outclassed their opponents. The middle of the first quarter found the score board 9 to 1 in Carpinteria's favor.

Fate stepped up and handed the local quintet and ugly deal when their leading scorer, Philip Olds, was sent from the game on personal fouls, with still 2½ minutes of the first half yet to play. At this point the C. U. H. S. hoopsters were eight points in the lead and Olds had accounted for nine points.

## P. T. A.'S HEAR TALK ON FBI, POLICE WORK

The Grammar School and High School P. T. A.'s held a joint meeting last Thursday evening, March 10, at the Veteran's Memorial Building at which time they heard two talks given by Sergeant Thomas Keating and Mrs. Helen Meyer, police woman, both of the Santa Barbara Police force.

Sergeant Keating spoke on the Federal Bureau of Investigation and told of the many scientific devices used in the detection of crime and the apprehension of criminals. Mrs. Meyer told of the work being done in the Woman's prison at Tehachapi and stressed the fact that the modern police force spends as much, or more, time in crime prevention work as in the actual apprehension of criminals.

A short musical program was also presented and included a piano solo by Mary Alice Hebel, Rustles of Spring by Sinding; and three vocal solos by Mrs. James L. Kent. Mrs. Kent's selections were Giannina mia, Allah's Holiday and Auf Wiedersehene. She was accompanied at the piano by Mrs. C. E. Neuman.

William H. Yule showed motion pictures of deep-sea fishing taken on his last cruise to southern waters at the meeting of the Knights of Pythias last evening.

Mr. and Mrs. Walter Dowling returned Tuesday from Fellows where they were called by the death of a brother-in-law, S. E. Whitwell.

## OLIVER CURTIS CRAWFORD AWARDED DEGREE BY UNIVERSITY OF CHICAGO

Oliver Curtis Crawford, Santa Barbara School, Carpinteria, California, was awarded the degree of Master of Arts by the University of Chicago at its 191st convocation today in the Rockefeller Memorial Chapel. President Robert Maynard Hutchins conferred the degrees on the 180 candidates.

Shirley Jackson Case, professor of history of Early Christianity and Dean of the Divinity School, delivered the convocation address. His subject was "Law and Gospel."

The Rev. Henry Sloane Coffin, president of Union Theological Seminary, New York City, delivered the convocation sermon Sunday, March 13, in the Rockefeller Memorial Chapel.

## ANNOUNCEMENT

It was the intention of the Carpinteria Chronicle to announce a subscription prize campaign in this issue, but due to the failure of parties engaged to assist in this contest to live up to contracts made it is necessary to postpone this announcement until details of an even better campaign can be completed.

WATCH FOR ANNOUNCEMENT OF A CAMPAIGN THAT WILL KEEP ALL MONEY SUBSCRIBED IN CARPINTERIA AND WILL GIVE ALL CONTESTANTS AN EVEN BREAK AND WORTHWHILE PRIZES OF CASH COMMISSION TO ALL WHO ENTER.

## SCHOOL BOND BIDS REJECTED

All bids for the balance of the \$100,000 school bond issue voted last fall, comprising \$40,000 of bonds, were rejected by the Board of Supervisors the first of this week and bid notices ordered republished in the Chronicle. An error in the amount of the checks accompanying the two highest bids was responsible for this action.

Out of the five bids received the highest bid for a \$3,500 premium and the next highest were not accompanied by a check for sufficient amount and since there was a difference of \$1,000 between these bids and the third bid, which was in proper form, it was deemed best to re-advertise the bonds in order to save this amount for the district.

This delay in the sale of the bonds will not cause any further delay in the plans for the erection of the building since the school had planned to acquire the site before calling for bids on construction, and the fulfillment of certain legal requirements in this matter will take several weeks longer.

## H. GRIFFITH WINS HYVIS TROPHY

The Carpinteria Gun club will shoot at the Isaac Walton League Sports field on Sunday for the Ott Hardware Co., Trophy in the Dewar Match. On April 6 the Carpinteria club will travel to Los Angeles where they will meet the U. C. L. A. Rifle team in a four position match.

Henry Griffiths won the 100 yard handicap rifle match and the Hyvas Oil Company Trophy in the meet held last Sunday at the State Park Range, with a score of 497 in 500. Others participating were Bill Hummel, G. Worden, C. Higbee, R. Gradle, R. G. Bassett, A. Morganfield and H. B. D. Smith.

Mr. and Mrs. William T. Anderson of Fresno were week-end guests of Mr. and Mrs. B. E. Clark.

Frank Bradley, Jr., is in a Santa Barbara hospital convalescing from an appendectomy.

## 19th Anniversary of Legion Celebrated Tuesday Night

### WHITTIER CHOIR DIRECTED BY FRANK PURSELL

The Whittier A'Capella Choir which will be heard at the 11:00 o'clock hour at the Community Church on Sunday, March 27, will be conducted by Frank Pursell, baritone, who has distinguished himself on the Pacific Coast as a concert artist or unusual beauty and richness of voice and versatility of interpretation. He is a native Californiaian and has received all his musical education in this state.

Before coming to Whittier College he spent three years as a singing extra for many musical productions of the M. G. M., Columbia and Warner Studios. He was previously the director of the choir of the Saint Paul's Cathedral in Los Angeles and at present, in addition to his work at the college, he is director of the choir in the First Friends Church in Whittier, and the Glee Club of the Marlborough School for Girls in Los Angeles.

The program to be presented here will be composed of sacred selections and Mr. Pursell will offer several solo numbers.

Mrs. Eugene Nelson entertained at dinner for the teachers of the grammar schools last evening.

Mrs. Fred A. Clark of Riverside is visiting at the home of Mr. and Mrs. B. E. Clark.

Mr. and Mrs. William Roulston of Hollywood spent Sunday with her parents, Dr. and Mrs. T. M. Shorkley.

\* The American Legion Auxiliary joined with the Howland Shaw Russell Post of the American Legion in the celebration of the Posts' 19th anniversary on Tuesday evening. A pot-luck dinner was served by the Auxiliary and a large, attractively decorated birthday cake bearing nineteen candles was presented to the post at the close of the dinner by the Auxiliary.

The Howland Shaw Post was organized in the fall of 1919 at a meeting called by Major Joel Fithian held in the old Aliso school which stood on the site of the present Memorial building. Chester Miller was the only charter member of the post present at the dinner, many of the original members having moved away or died since the post was organized.

Following the dinner, Dr. and Mrs. R. J. Brines, of Santa Barbara were introduced and Dr. Brines gave a most interesting talk on China. Dr. and Mrs. Brines left China on the 5th of September of last year after having spent many years in the interior of China where Dr. Brines was a

## MANY ROAD SIGNS NEEDED IN STORM

About 6,000 temporary signs warning motorists of "detours," "road closed," "bridge out," "no parking," "drive slowly" or "slippery when wet" conditions were erected during and following the recent severe storm. Those were placed or provided by the Automobile Club of Southern California sign-posting department in cooperation with city, county and state highway authorities.

## Methodist Church to Observe 75th Anniversary Next Week

The Methodist Church will begin the celebrations of the Church's 75th anniversary next week with home-coming services on Sunday. Dr. C. P. Moore will fill the pulpit at both the morning and evening services, and many former residents are expected to attend.

On Thursday and Friday evening, March 24 and 25, Dr. R. Ernest Little, formerly of Wesley's Chapel, City Road, London, England will be the speaker. Dr. Little is traveling in America and Canada on an international peace and evangelistic tour and visited the Carpinteria Church some time ago, at which time he was well received.

On Saturday evening, March 26, Howard A. Cory, Methodist Men's Movement Layman of Alhambra M. E. Church will be the speaker.

On Sunday, March 27, three services will be held, the morning service at 11:00 a. m. will be conducted by Dr. W. C. Buckner, Dis-

trict Superintendent of Long Beach District, Southern California Conference. Afternoon services will be held at 3:00 p. m. with Dr. John N. Ashley, pastor of Santa Barbara M. E. Church in the pulpit. At the regular evening service at 7:30 p. m., Rev. Harold L. Thatcher, pastor of St. John's M. E. Church, South Ventura, will preside.

Mrs. O. L. Lyman reviewed "This Moslem World" by Watson at the meeting of the Woman's Association Wednesday afternoon. Mrs. George Senteney led the devotionals. Hostesses were Mrs. James A. Lewis, Mrs. John B. Hudson, Mrs. E. D. Solari, Mrs. H. L. Beckstead and Mrs. Mae Strickland.

Mr. and Mrs. Walter S. Hazard, who have come out from New York to spend the winter in California, are guests of their cousins, Mr. and Mrs. J. C. Furby.

## A RAINY DAY

Not even for the storm-tossed victims of the recent floods is there a Santa Claus in the Federal Housing Act. Nor is an enabling act, providing state participation in government-financed slum clearance and housing projects, going to work magic and land every flood refugee in a snug apartment with all the modern gadgets.

For sound finance has not yet worked out a way—even with government help—for the man without cash or credit to pridefully house his family. The farmer, whose house or barn floated out with the flood tides, can, if he is a good risk, borrow 90 per cent of the cost of new buildings on a 25-year repayment basis. The city home owner likewise can repair the storm damage, or build a new house, if he can meet the requirements of bank loans insured by Uncle Sam.

But unfortunately for those who through no fault of their own are without cash or credit there isn't a chance to lean up against the Housing Act for shelter—not even for flood victims! The penniless, homeless refugees of the disaster are, of course, being housed somehow by a compassionate people working through every agency designed to meet such catastrophe.

It would be well, however, for the rest of us who are not flood victims to remember that legislation has not yet been contrived to replace the good old American custom of saving for a rainy day. Thrift and initiative—and incidentally, some cash—are still needed to insure home building under any housing act yet devised.

## THE NATIONAL ANTHEM

WANTED: A new national anthem, intelligent, energetic, dignified, and singable. No songs featuring bombs bursting in air, sectionalism, or high C's need apply. Successful applicant will receive life-time position.

That's the want-ad now being run by Jascha Heifetz, Lawrence Tibbett, Dr. H. G. Leach, and Padraic Colum—the unofficial Society for the Extinction of the "Star Spangled Banner."

Just what's wrong with the "Old Glory" song? Well, it seems it's non-American in origin, it runs to breath-taking high notes in the middle, it inspires and excites military emotions, and it doesn't symbolize the spirit of the entire forty-eight states.

What they want, say the committee, is something like "Dixie," only national; something like "La Marseillaise," only American; something rugged and idealistic like the American soil, only as easy to sing as "Three Blind Mice"; in fact, something like the "Star Spangled Banner," only different.

Most of us have trouble remembering the words, but we still have a spot in our hearts for: "Oh, say

## The Churches

Carpinteria has a number of Churches, whose pastors and members will be glad to welcome you to their services.

**CHRISTIAN SCIENCE SOCIETY**  
Christian Science Society, Carpinteria, a branch of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., holds service every Sunday at 11 o'clock a. m., Sunday School at 9:45 o'clock. Mid-week meetings every Wednesday evening at 8 o'clock.

A reading room is maintained in the church building, open Tuesday afternoons (except holidays) from 2:30 to 4:30 o'clock.

"Matter" is the subject of the Lesson-Sermon on Sunday in all Christian Science Churches, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts. The Golden Text is from the Psalms: "Tremble, thou earth, at the presence of the Lord, at the presence of the God of Jacob."

Among the Bible selections in the Lesson-Sermon are these verses from Revelation: "And the angel which I saw stand upon the sea and upon the earth lifted up his hand to heaven, And swore by him that liveth for ever and ever, who created heaven, and the things that therein are, and the earth, and the things that therein are, and the sea, and the things which are therein, that there should be time no longer."

A correlative passage from "Sci-

ence and Health with Key to the Scriptures," by Mary Baker Eddy, states: "Breaking away from the mutations of time and sense, you will neither lose the solid objects and ends of life nor your own identity. Fixing your gaze on the realities supernal, you will rise to the spiritual consciousness of being, even as the bird which has burst from the egg and preens its wings for a skyward flight."

## SAINT JOSEPH'S CATHOLIC CHURCH

Rev. David G. Ramirez, D. D.  
P. O. Box 444; telephone 3951.

Sunday Masses: 6:30 a. m. (Sermon in Spanish); 9:00 a. m. (Sermon in English); Week days, Mass at 7:30.

Evening Daily Services at 7:00 p. m., Confessions; Thursday, Holy Hour.

Catechism for Children, conducted by the Sisters of Notre Dame, Saturday at 9:00 a. m.

Next Sunday, March 20, the Catholics of Carpinteria, are to celebrate the Annual Patronal Feast of Saint Joseph. The General Communion Mass will be at 6:30 a. m., when twelve children will receive the First Communion and renew the baptismal vows.

At 9 o'clock a. m. the Franciscan Community of Saint Anthony Seminary of Santa Barbara will take charge of the Solemn High Mass, the Saint Anthony's choir executing selected liturgical numbers and a Panegyric English Sermon being delivered.

The attendance of all the Parish organizations is expected.

A party will be offered to the

can you see!" There's something of a "hail" in our own spirits with: "What so proudly we hailed!" And as for the "Land of the free and home of the brave," well, if the committee really wants to know, we're satisfied with the good old "Star Spangled Banner."

## CHECK AND DOUBLE CHECK

When California senators and assemblymen packed their duffle bags and said "Aloha Oe" to Sacramento the other day, they had just succeeded in unhitching one of the most difficult snags besetting the State.

That snag lay in the Social Security Act which declares counties must divvy up their share for old age pensioners before the Federal government adds its \$15 per capita. Not a few counties, chased by the hounds of rising relief costs, today find their cupboards bare of funds. Though there's doubt as to the legislature's right to do so, it voted them a helping hand.

But no such doubt exists about the necessity of legislators in damming the unemployment tide by plumping an extra \$5,000,000 last week into the rapidly waning \$48,000,000 relief fund voted at the last regular session.

Like all stopgaps, this cannot abolish the problem but it does purchase temporary security. Meanwhile, there are signs that the actual mopping up of unemployment is gaining momentum in enlightened industries anxious to employ as many workers as they can successfully carry. Even though the rail industry has its back to the wall, several hundred jubilant men have just gotten jobs in the Southern Pacific's Sacramento shops, and an additional several hundred will be receiving paychecks there within a few weeks as that organization tries to apply unemployment's only cure—jobs!

State legislators had that same unbeatable remedy in mind when they endorsed four particular items on the governor's 35-item checklist for the special session. These bills concerned housing, and by their passage lawmakers sought to hit two fine-feathered birds with one stone—to build California's share of the 17,000 non-farm dwellings which Pacific states assertedly need, and create several thousand jobs unmistakably needed.

To such legitimate job-making items on the legislative checklist as these, California can say, "Check, and double-check!"

Franciscan visitors after Mass by a group of the Altar Society.

In the evening, 7 o'clock, the Solemn Rosary of the workers will be said in Honor of Saint Joseph the Carpenter of Nazareth.

## The Spring Time Feasts

The propaganda of the voters for the Spring Time Noblesse started last Sunday. The selling offices are the Parish, and the residence of Miss Maria Morales an that of Miss Mary Anne Hernandez. The information bureaus will be at the Carpinteria Herald, the Parish office, Mr. Margarito Manriquez house, and Miss Francis Carrillo.

The preliminary activities will face the elections of the duchesses to be elevated to the rank of Princesses, this title being conferred to those girls who obtain one thousand votes, up.

A weekly information will be issued by the local papers and a daily one will be posted at the Parish office.

"Jesus and His Day of Service" is the subject of the Jr. High C. E., lead by Eryln Salgier. Nina Anne Miller will lead the Youth Fellowship in the study of "The Christian Use of Sunday." The social hour following will be in charge of Madelon Southworth and Patty Demarree.

## ORCHARD HEATER AWARDS DELAYED

Although award of the \$5,000 posted a year ago by President C. C. Teague of the California Fruit Growers Exchange for a substantially improved frost protection device has not yet been made, the Orchard Heating Committee, which has administered the contest, announces that further study is being made of some of the equipment submitted.

A letter to contestants on March 1 stated:

"A few of the devices submitted are of such nature as to require further study by us and we therefore are asking permission of those submitting such devices for additional time beyond March 1 in order to make sure nothing of any promise is overlooked in the search for improved frost protection.

"Mr. Teague has kindly signified his willingness to hold his offer open until such time as we feel we have exhausted all possibilities of finding among the devices submitted a satisfactory answer to this problem confronting the citrus industry.

"It is thought that the work to be done with those devices showing promise in the tests made so far will require between three and four months' time, and we are therefore delaying making a decision as to the final outcome of the contest until July 1, 1938."

**HIGH SCHOOL NOTES**

The agriculture and science departments are experimenting with the new Hydroponic plant culture. This is a method of growing plants in a chemical solution containing the necessary ingredients in just the proper amounts. The solution must be maintained at about 75 degrees for the best results. Students are taking an active interest in the work and are directed and advised by Mr. Charles E. Neuman, the agriculture advisor.

The older girls conference of the Tri-Y clubs is to be held March 26 and 27. This will be the third annual conference held by the clubs and is to be held in Alhambra.

The two official representatives of the high school chapter will be Beverly Humphreys, vice-president, of the Tri-Y, and Lois Grell, president. Others who wish to attend will report to Miss Foreman, advisor of the club, and necessary arrangements will be made.

The annual band festival, which is held in Santa Barbara each year is being arranged by music teachers throughout the Tri-County area. The dates set for the occasion are May 26 and 27, where musicians will gather to play in unison. They are to be directed by Mr. Herbert L. Clark, director of the Long Beach Municipal band.

The four-reel picture of George Washington's life was shown in the "Little Theater" of the High School last Tuesday and was attended by the American World Problems and the Foundations English and History classes.

**CARS SUBJECTED TO FLOOD WATERS NEED EXAMINATION**

"As a result of recent unprecedented heavy rains, braking systems, as well as moving parts, of most cars will be impaired by silt

and excess moisture," it was stated by E. Raymond Cato, Chief of the California Highway Patrol, who issued a plea, last week, for all motorists to have the mechanical condition of their automobiles thoroughly checked as a safety precaution.

Many new car dealers have been advised by factory service department heads just what steps should be taken to place water-soaked or flood ravaged cars in first class condition. It has been further suggested that charges for labor be maintained at a minimum.

Reports show that nearly every car was subject to deep-water conditions, and that consequently brakes, generator, starter, distributor, motor, differential and front wheel bearings should be inspected without delay. Contamination of these units with silt results in corrosion and in order to avoid excessive wear, the silt must be immediately removed.

In this connection, Jack Young, service head of the Ford Long Beach branch pointed out that Ford and Lincoln-Zephyr dealers' service facilities in this area, including the local dealer, Humphrey Motors, Inc., are adequately equipped to handle this type of work efficiently.

"A communication with the list of steps to be used in conditioning cars which have been submerged in water during the flood has been sent to all Ford and Lincoln-Zephyr dealers in this territory," Young said.

**NAVAL RESERVES OFFER AVIATION TRAINING FOR 55**

Are you an American boy, between the ages of 20 and 28 years of age?

Did you get that sheepskin from college?

Can you wait two years before asking the girl friend to middle aisle with you?

Are you of sound physical condition, at least five feet, six inches tall and 132 pounds heavy? Can you see well without specs?

If so, someone wants to give you a job. They will pay you \$105 per month while learning, including clothes, books and expenses of quarters. After a year they will pay \$155.

They will insure your life for \$10,000 and pay the premium.

Its your Uncle Sam that's calling. He wants to make you one of the 55 young men who will receive expert naval aviation training and eventually, after four years, become an ensign in the reserve. On graduation at the end of four years he hands you a bonus of \$1,500 and turns you over to the naval reserve.

The graduate would be eligible for most any job which commercial aviation offers in this country.

The tour of duty offers actual flight training at sea and shore stations in naval aircraft.

During this training the cadet should acquire some 1500 to 2000 hours in the air and a thorough aviation experience. It would be

enough, for instance, to make him eligible for a Department of Commerce pilot's transport license, without examination.

Those interested may write to the Commanding Officer, Naval Reserve Aviation Base, Long Beach, California, as soon as possible. Fifty-five boys aren't many. That's all they want from this area.

**OXY LOSES THREE VETERAN TRACK PERFORMERS**

Hard-hit by the partial loss of three veteran performers, Occidental tracksters tangle with the University of California at Los Angeles varsity on Saturday at Westwood.

Walt Middleton, ace broad jumper who smashed the long-existing school record for his event last month; Tex Chasson, another recent record breaker in the javelin; and Stan Herbert, two-year letterman in the hurdles, comprise the trio who find it difficult to fit their Saturday jobs into the track schedule. They may compete against the Bruins, but they are uncertain about later meets.

The Tigers will run up against stiff competition on Saturday, as

the current Bruin team is being hailed as the greatest in the institution's history. The meet will mark the first dual competition of the season for both squads.

Rained out of their conference opener with Whittier last week, Occidental College tennis performers meet their anacient rivals from Pomona in a non-league match Saturday at Claremont.

Jim Bobbitt will lead the Bengal brigade in its invasion of the Sagehen courts. The squads split evenly in two matches last year. Pomona will return to the Tiger campus for a second match this year on April 27.

After a few brief workouts between showers, Occidental College baseballers make ready to open their 1938 Southern California conference campaign this week when they play host to Redlands University on Saturday.

Bill Anderson's revamped infield has looked surprisingly impressive in early practice sessions, and the Bengals may show more power on the diamond than was first anticipated. The infield is comprised of Roy Tweedie, first sacker; George Hunter, second; Jim Moradian, sophomore, short; and Jimmy Fox, third base.

Pitching duties are being split

up among Ted Ellison, Oscar Riedel, and Bill Blaylock, with Glenn Groves, Bob Young and Ernie Johnson catching. Outfielders include Bob DeLine, Charles Weyand, Bob Shafer and Jack Gardiner.

**Boy Scout News**

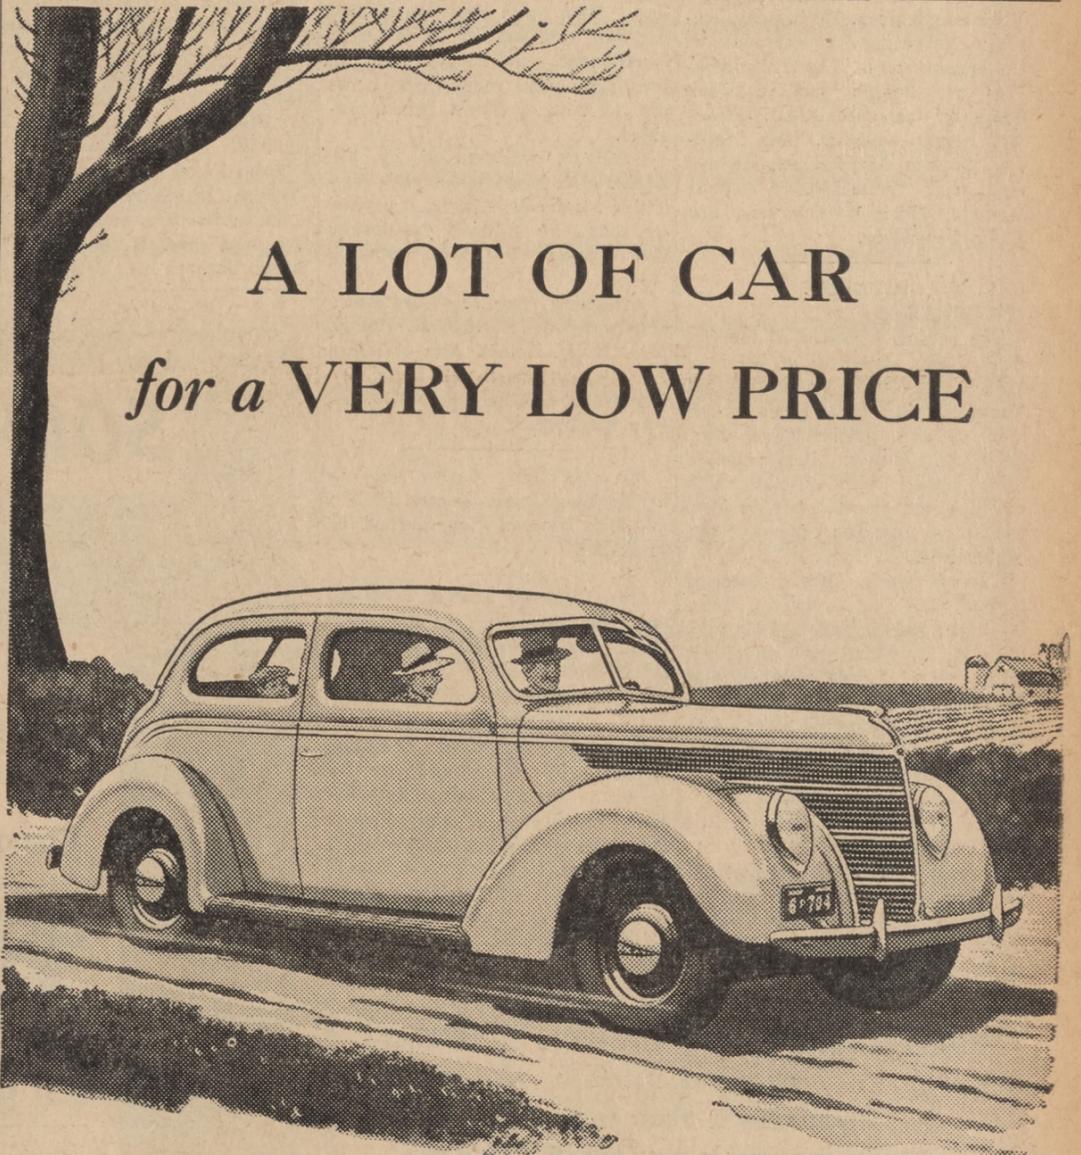

Troop 1, Boy Scouts of America  
Carpinteria  
Clair Cummins, Scribe

The entire troop attended a court of honor held in the Veteran's Memorial Building in Santa Barbara Wednesday night. The purpose of the court of honor was to award badges earned by the boys during the past months. Other troops from Montecito and Santa Barbara also attended.

The Hunter Patrol gave a skit entitled "Napoleon's Farwell to His Grandmother," which almost stole the show. As a second skit the patrol presented "The Parting of Two Friends."

The Ranger Patrol is leading at present in the contest that is being held by the troop. When the contest ends, the winning Patrol will be awarded a three day trip to Catalina with all expenses paid.

A LOT OF CAR  
for a VERY LOW PRICE

The Ford effort to make your dollars buy a constantly better car is well illustrated in the Standard Ford V-8.

It has all the basic Ford advantages. It is built on the same chassis as the De Luxe Ford V-8. It gives you a choice of smooth 85-horsepower or 60-horsepower V-8 engines. But it sells at low prices, and includes bumpers, spare tire, cigar lighter, twin horns and other equip-

ment that make it a still bigger bargain.

With the thrifty 60-horsepower engine, the Standard Ford V-8 is priced especially low and gives the greatest gas mileage in Ford history. Hundreds of owners report averages of 22 to 27 miles a gallon—or even more.

Your pocketbook will approve of the Standard Ford in every way. And so will you when you drive it!

### ATTEND CO. FEDERATION MEETING IN LOMPOC

Mrs. Duncan Stewart Robinson of Rio Vista, president of the California Federation of Woman's clubs, and Mrs. John Stearns Thayer of Los Angeles, president of the district which includes Santa Barbara county, were honor guests at the County Federation conference at Lompoc, Tuesday. This was the convention meeting and reports of officers, department chairmen and club presidents were read. Mrs. Howard Corbett of Santa Maria presided.

Luncheon was served by the Alpha club hostesses at the Veteran's Memorial building, followed by songs by Edward McCloskey and dances by Mrs. Stanley Winter.

Attending from the Carpinteria club were Mrs. Joseph H. Hendy, Mrs. E. D. Solari, Mrs. William H. James, Mrs. J. B. Lape, Dr. Genevieve Shorkley and Mrs. W. Guy Stockton.

Mr. and Mrs. Charles Sullivan of Pasadent were guests of Mr. and Mrs. Howard Mays during the week-end.

Mrs. Clarence Sawyer is spending a few days with her daughter, Mrs. John C. Gottschall and family in Hollywood.

### Old-Time Star

One of filmdom's feminine favorites of some years ago returned to picture work today when Julia Faye, star of many former De Mille successes, appeared on the set of "Professor, Beware!" the comedy in which Harold Lloyd is starring for Paramount.

### NEW TYPE OF RUG SHOWN AT BEKINS

Bekins Furniture Department at 15 E. Mason Street in Santa Barbara are now displaying something new in rugs. These are reversible Chennile broadloom, either plain or with authentic early American

designs for bed room, living room or dining room. They are so thick that no rug pads are needed and can be used either side out and lay perfectly flat on the floor. They are much less expensive than the Axminsters and will last equally as long, if not longer.

In addition to rugs, many other items of furniture are on display at surprisingly low prices. One suite of particular interest is an Italian Renaissance, twin bedroom suite of solid walnut, made by Widdicomb of Grand Rapids which originally cost \$1450. The set includes 8-pieces and is now priced at \$395.00.

A complete piano department featuring an assortment of bungalows, consoles, upright and grands may also be found at Bekins and a complete piano tuning and repairing service department is maintained.

Your printing orders will be well done and appreciated at The Chronicle office.

### ATTEND SPECIAL PREVIEW OF "TOM SAWYER"

Mrs. Thyra Brown, president of the grammar school P. T. A. and Mrs. Henry Sturmer, vice-president of the high school P. T. A., were guests of the Chronicle at the special pre-view of "The Adventures of Tom Sawyer" which was given at the Fox-Arlington Theatre on Wednesday for a small group representing various organizations.

Both Mrs. Brown and Mrs. Sturmer stated that the picture was exceptionally good in both acting and technicolor and felt that it would be an excellent picture for older children and adults, but believed that it might be a little too exciting in parts for younger children.

The picture, which starts its run today at the Fox-Arlington, is filled with humorous situations and adventure from beginning to end and there is not a dull moment. The story has been presented in a such manner that adults will find it fully as enjoyable as children will.

### HILARIOUS COMEDY NOW PLAYING AT LOBERO THEATRE

Monte Collins, who directed "Suspect" starring Pauline Fredricks which was recently opened at the Lobero, is the director of the comedy, "The Stork Laid An Egg," given its premiere at the Lobero last night.

This hilarious comedy by Jack McDermott is the story of the smart brat who brings his sane father and hysterical mother together after several years separation. The play opens around this spoiled child who will be delightfully presented by Dickie Moore. McDermott's play, opening with laughs from the first curtain, continues with hilarity through three acts.

G. P. Hutley, Jr., well known to film audiences, has the role of the estranged husband, with Esther Ralston is excellently cast as the wife. A fine supporting cast includes, Marjorie Swope, Grace Hayle, Myra Marsh, Norman Ainsley, Mahlon Norvell and others.

This comedy is playing tonight and Saturday.

### FRANCIS LEDERER TO LEAD IN GOLDEN BOY

Francis Lederer, celebrated New York actor, has been signed by Homer Curran to play the title role in "Golden Boy" the Clifford Odets play which will open a two engagement performance on April 1 and 2, at the Lobero Theater, before going to San Francisco for a limited run.

Several weeks ago, Mr. Lederer was given a script of "Golden Boy" to read and last week, Homer Curran received a wire from the actor, now in New York, saying that he would like to play the intriguing part.

While in the east, Francis Lederer will confer with directors of the Group Theater, also associated with Homer Curran in the staging of the Odets drama on the Pacific Coast.

Attending several performances of the play at the Belasco Theater on Broadway, where Luther

York stage who is now enroute Alder is playing the title role, Lederer writes Curran that the Odets' drama is one of the most potent and satisfying stage productions of the current New York season.

### DATES FOR RAMONA PAGEANT SET

Ramona, the spectacular outdoor play of early California, will open its fifteenth season in Ramona Bowl near Hemet and San Jacinto Saturday, April 23. It will be given three week ends, April 23, 24 and 30, and May 1, 7 and 8.

Acclaimed throughout the nation as one of the most exciting and dramatic productions of its kind ever produced, Ramona is a play of particular interest to Californians for it brings to life much early history of the State and presents it in highly dramatic fashion.

The 1938 production will be under the joint direction of Victor Jory and Miss Jean Inness. These artists have been identified with the play for many years. Mr. Jory has played the role of Alessandro in nine previous seasons and Miss Inness has performed the part of Ramona. This season she will confine her work to direction.

imagine. It became a legendary hit on Broadway, ran a year in Chicago, finally penetrated to the coast and will play at the Fox Arlington Theater on March 23, for a matinee and evening showing.

The play, of course is "You Can't Take It With You." In the Sycamore family, Messers. Hart and Kaufman have let their invention run wild. There is grandpa, who rode up to his office in an elevator 35 years ago, then rode right down again and never went back. Since then, he has been collecting snakes, stamps, playing darts and advising people to take life easy. This is the nugget of philosophy in the play. You can't take it with you, so why not relax and have a little fun. "You Can't Take It With You" is not a play in any decent sense of the word. Kaufman and Hart needed no such "boy-meets-

girl" theme to trick you into believing it is. It is simply buffoonery—three acts of humorous clowning by as comic a collection of characters as you'll see for a good time.

It is played by an extraordinarily good road company. Ethel Wilson's Penelope Sycamore (the mother) is delightful to watch, and Barbara Fulton is excellent as the "sane" daughter. Ballet-dancing Essie, Ruby Oliphant's Rheba, Joseph Allenton's Mr. DePinna (the ice man) and Roy Johnson's innocent Ed are well cast.

By all means treat yourself to a visit to "You Can't Take It With You." It will be immense fun!

Your printing orders will be well done and appreciated at The Chronicle office.

and trade of this wider circle of possible home buyers is very profound. Building material dealers, realtors, contractors, architects . . . all have a tremendously widened market for their goods and services. Already Southern California applications for F. H. A. home loans have greatly increased. This means that at last the great field of lowcost housing—which constitutes 70 per cent of the home-building market—is being invaded.

**ANCIENT CEREMONY STARTS ROSICRUCIAN NEW YEAR**

The vernal equinox on March 21 when the sun enters the astronomical sign of Aries, upon its celestial journey around the Zodiac, marks the ancient beginning of the New Year commemorated by the Rosicrucian Order, AMORC, a philosophical Order or fraternity.

Miss Roberta Noe, local representative, states: "For centuries the peoples of the Orient celebrated the beginning of the New Year on or about March 21, when this astronomical phenomenon occurred, and which also appeared the logical time, being spring, when all nature was in a state of rebirth and awakening. The ancient Egyptians declared the advent an occasion for festivities, and partook of a symbolic feast of corn bread, salt and grape juice, representing the principal elements of man's nature."

"The traditional history of the Rosicrucians," relates Miss Noe, "records its establishment during the reign of Pharaoh Amenhotep, IV, 1350 B. C., who is said to have instituted the ancient ceremony and feast, which is continued in commemoration in the same ancient manner by the Rosicrucians throughout the world today. The Emperor of the Order declares annually, by proclamation from the Grand Lodge of the Order in San Jose, California, the exact date of the ceremony."

Throughout North and South America, the newly appointed officers for the local Lodges and Chapters of the Society will be installed following the ancient rites.

The entire service will be broadcast to the nation over the Mutual Network and station KHJ, 5 to 6 a. m.

**NEW FHA LOANS BENEFIT LOWER SALARIED GROUP**

Prospects for active building, under the provisions of the new National Housing Act, are steadily growing brighter, according to D. Safwenberg, manager of the Carpinteria Branch of Security-First National Bank. Material men, builders, architects, contractors and realtors stand to gain much by co-operating in furthering the new loans, he says.

"The significant feature of the New Housing Act," says Mr. Safwenberg, "is its extension of lending into the field of low-cost homes. Although the original F. H. A. lending system, established in 1934, was extremely successful and widely used throughout the country, only about 25 per cent of the loans made carried a monthly payment within reach of the average "man on the street." Now, under the new Act, three new elements have been brought into the picture which have changed the outlook materially. These are (1) smaller down payments, (2) lower monthly installments, (3) lessened loan costs.

"Consider for a moment the purchase of a \$3,000 home, under the new 90 per cent — 25-year plan," says Mr. Safwenberg.

"First of all, the homes will be new, or not previously occupied, for only such homes are acceptable on this plan. The required down payment on the home is 10 per cent or \$300, exactly one half the amount formerly needed. Monthly payments of \$27.00 should cover principal and interest, taxes, fire insurance, and street assessments, all of which are on a monthly basis.

"Now let us consider the family income necessary to support the purchase of this \$3,000 home\* on the F. H. A. monthly installment plan. Prudent household management calls for a payment for shelter of about one-fourth of the monthly income. Whether paid as rent, or the cost of ownership, the figure should not greatly exceed 20 or 25 per cent of the family earnings. Ordinarily then, a salary of \$120 a month should suffice for our \$3,000 home.

"Here then is a plan that reaches a far larger circle of prospective buyers than did the old F. H. A. loans in Southern California have in the past averaged around \$4,000 each, down payments about \$1,000. Already, under the influence of the new legislation, both the average cost and down payment have dropped. Further desirable reductions are expected.

"The effect on local industry

LEGAL NOTICE

NOTICE OF SALE OF BONDS OF CARPINTERIA UNION SCHOOL DISTRICT

WHEREAS, the Board of Supervisors of the County of Santa Barbara, State of California, did on the 13th day of September, 1937, order the issuance of \$100,000.00 of bonds of Carpinteria Union School District, in Santa Barbara County, State of California, said bonds being one hundred in number of the denomination of \$1,000.00 each, dated September 13th, 1937, and maturing five each year, commencing on the 13th day of September, 1938, and bearing interest at the rate of three and one-half percent per annum, payable annually for the first year the bonds have to run and semi-annually thereafter; and

WHEREAS, the said Board of Supervisors did on said 13th day of September, 1937, order that sixty of said bonds be sold to the highest and best bidder, at not less than par and accrued interest, for cash in lawful money of the United States, on the 4th day of October, 1937; and

WHEREAS, said sixty bonds were on said 4th day of October, 1937, sold to Heller, Bruce & Company as the highest and best bidders for the same; and

WHEREAS, the said Board of Supervisors is now desirous of selling the remaining forty bonds of said bond issue, and did on the 14th day of February, 1938, order that the remaining forty bonds of said One Hundred Thousand Dollar Bond Issue be sold on March 14th, 1938; and

WHEREAS, all bids received on the 14th day of March, 1938, were rejected by said Board of Supervisors;

NOW, THEREFORE, NOTICE IS HEREBY GIVEN that on the 14th day of March, 1938, the said Board of Supervisors ordered that the remaining forty bonds of said One Hundred Thousand Dollar Bond Issue of the Carpinteria Union School District be re-advertised for sale to the highest and best bidder, at not less than par and accrued interest, for cash in lawful money of the United States, on the 11th day of April, 1938, at 10 o'clock A. M.; said bonds to be sold being numbered and maturing and being payable as follows:

- Bonds Nos. 61, 62, 63, 64, 65 will mature and be payable Sept. 13, 1950.
- Bonds Nos. 66, 67, 68, 69, 70 will mature and be payable Sept. 13, 1951.
- Bonds Nos. 71, 72, 73, 74, 75 will mature and be payable Sept. 13, 1952.
- Bonds Nos. 76, 77, 78, 79, 80 will mature and be payable Sept. 13, 1953.
- Bonds Nos. 81, 82, 83, 84, 85 will mature and be payable Sept. 13, 1954.
- Bonds Nos. 86, 87, 88, 89, 90 will mature and be payable Sept. 13, 1955.
- Bonds Nos. 91, 92, 93, 94, 95 will mature and be payable Sept. 13, 1956.
- Bonds Nos. 96, 97, 98, 99, 100 will mature and be payable Sept. 13, 1957.

NOTICE IS FURTHER GIVEN that sealed bids will be received at the office of the undersigned Clerk of said Board of Supervisors in the City of Santa Barbara, California, up to the said 11th day of April, 1938, at 10 o'clock a. m., at which time the above specified bonds will be sold to the highest and best bidder at not less than par and accrued interest; each bid shall state the amount bid for said bonds and the amount of premium, if any, bid therefor.

Each bid must be accompanied by a certified check payable to the order of the County Treasurer of Santa Barbara County for three per cent of the par value of the bonds, conditioned that the bidder therefor, if said bonds be awarded to him, will take and pay for said bonds within ten days after the passage of a resolution of said Board awarding said bonds to him.

Payment for and delivery of said bonds will be made in the office of the County Treasurer of said County, in the City of Santa Barbara, County and State aforesaid.

The Board reserves the right to reject any and all bids for said bonds.

By Order of the Board of Supervisors of the County of Santa Barbara, State of California.

Dated: March 14th, 1938.

WARNING ISSUED BY CIVIL SERVICE COMMISSION

Washington, D. C. — The United States Civil Service Commission has issued the following statement:

The public should not be misled by promises of Government positions by so-called "civil-service schools," their agents or their ad-

Anchors or Wings?

vertisements. No school is able to fulfill any such promises. The public is also warned against schools or agents that would lead one to believe that they represent the Government or are connected with the Government in any way, or that give assurance of success in passing civil-service examinations on the completion of their courses.

The aim of the Government is to protect the public against misrepresentation by any of these schools. It is of course impossible for the Government to secure or aid in securing the refund of money paid into the schools. The public is therefore urged to heed this warning and to cooperate with the Government by making inquiry in every case concerning such claims by civil-service schools or agents before enrolling for courses.

Anyone can obtain civil-service information free from the Secretary of the U. S. Civil Service Board at any first or second-class

post office or from the office of the U. S. Civil Service Commission at Washington, D. C.

Upon request, the Commission will place a person's name upon a mailing list to send him notice, without cost, of the next examination held for any particular position in which he is interested. The Commission will furnish upon request sample announcements of any examination.

Your printing orders will be well done and appreciated at The Chronicle office.

U. S. C. TO AWARD 35 SCHOLARSHIPS

Thirty-five tuition scholarships for high school and junior college students throughout the United States have been announced for 1938-39 at the University of Southern California by President R. B. Von KleinSmid.

The awards to be made by the University Committee on award of scholarships cover tuition costs of \$28 for the freshman year of twenty-five graduates of high schools with enrollment of more than 200 students. Ten scholarships are also to be given to graduates of accredited junior colleges.

All applications must be filed before April 15, with the scholarships to be awarded on or before June 1, Dr. von KleinSmid announced.

Applicants must stand in the highest tenth of their class in scholastic achievement and must have the recommendation of their principal. They also must graduate either in February or June of the current year.

**Program for C. of C. Dinner Monday Evening Announced**

(Continued from page 1)  
 She will be accompanied by Mrs. Marion Linkey.  
 Piano and organ selections as follows will be presented by Mr. Will Headly and Mr. William Mathias:  
 "Tocatta in D Minor," Bach, "Ava Maria," Schubert, Mr. Mathias; "Widmung" (Dedication), Schumann-Liszt, "Clair de lune," Debussy, "Malaguena," Lecuona, Mr. Headley; "Allegro Vivac., from Concerto in A Minor, Cchumann, "Largo," Handel, Chorale, "Now Think We All our God," Bach, Mr. Headley and Mr. Mathias; group of familiar songs (to be announced) Mr. Headley and Mr. Mathias.  
 Mr. Headley and Mr. Mathias first met in the Yale School of Music in New Haven, Conn. Mr. Headley received his B. A. degree with a major in music in 1935. Mr. Mathias was awarded a Bachelor of Music degree in 1937. Since his return to his home in California, Mr. Mathias has acquired a new electric organ, which he now has at Wardholme, Carpinteria, where he and Mr. Headley have their studios. Mr. Mathias will use this organ in the Chamber of Commerce program, and before playing it, he will tell a few interesting facts about the organ and illustrate its possibilities.

**19th Anniversary of Legion Celebrated Tuesday Night**

(Continued from page 1)  
 member of the staff of a hospital.  
 Dr. Brines opened his talk by giving a demonstration of a Chinese introduction, assisted by Mrs. Brines who was dressed in the modern Chinese woman's dress, a long sheath like gown with short sleeves and high neck, over which she wore the old type of Mandarin coat formerly worn by Chinese women. Dr. Brine contrasted American and Chinese customs and modes of living and stated that the chief problem of the Chinese, due to the density of population, is the securing of food. He also stated that matters of public health and sanitation have been given little attention until in recent years when the younger generation of Chinese who have had the advantage of education under foreign teachers began to realize its importance to the nation.

In reference to the present Chinese-Japanese conflict, Dr. Brines said that it would be almost impossible to predict the final outcome but stated that the Chinese openly admit that they expect to fight for five years and may be forced to admit defeat, but believe that if they are conquered they will eventually absorb the conquerors as the history of China which dates back 4,000 years shows has happened several times in the past.  
 Dr. Brines suggested that people interested in the Chinese situation should read the article entitled

"China's No. 1 White Boy," in the current issue of the Saturday Evening Post, stating that the information in this article is reliable. When questioned at the close of his talk in regard to various books on China, Dr. Brines stated that Pearl Buck's stories give a true picture of China and that the motion picture of her book, "The Good Earth," was an excellent portrayal of Chinese living conditions.

At the close of the meeting, the Legion and Auxiliary adjourned to their separate club rooms for a brief business meeting. Mrs. Richard Kistler was appointed chairman for "Poppy Day" which is the Saturday before Decoration Day.

Those who attended the dinner were, Frank Roberts, C. T. Thomas, Mr. and Mrs. Chester Miller, Mr. and Mrs. A. E. Southworth, Mr. and Mrs. Art Heble, Mr. and Mrs. E. D. Solari, Mr. and Mrs. Richard Kistler, Mr. and Mrs. Howard Mays, Mr. and Mrs. Joe Wegging, Mr. and Mrs. Ferlys Thomas, Mr. and Mrs. Mark Latham, Mr. and Mrs. A. W. Horton, Ross Stone, Dave Cummings, Estelle Hebel, Mrs. Randall Curtis, Robert Orrill, Mr. and Mrs. Mads Christensen, Mr. and Mrs. C. R. Vaughan, Mr. and Mrs. Henry Sturmer, Mrs. Ann Waynflete, and Dr. and Mrs. R. J. Brines of Santa Barbara.

**Defeat at Hands of Fillmore Ends Warrior Cage Season**

(Continued from page 1)  
 It looked like a Carpinteria night until Olds left the game. The strong Fillmore team just couldn't stop the barrage of scoring power the locals put up. Olds absence from the game broke up the smooth running, beautiful piece of machinery that Coach Merle Staub put on the floor.  
 Had Carpinteria's original quintet been able to play the entire game together the score would have been much different.  
 Even under the odds, the Fillmore aggregation could score but seven points more than the Warriors in the second half of the game.  
 Kenneth Coffman, Tom Reid and Capt. Don Mason played their last basketball game for the local high school and did so in a marvelous fashion. Mason as usual was a demon on defense. Coffman was the high point scorer for the War-

riors and Tom Reid was everywhere on the floor, displaying perfect defense and great team work on offense.

Other graduating seniors who saw action were Wayne Johnson, Joe Wullbrandt and Clarence Peterson. Johnson played at break neck speed at guard and blocked pass after pass. Wullbrandt and Peterson played their usual steady game at forwards. Credit goes to Gordon Milne and Philip Olds for fine ball playing, and around these two fellows Coach Staub will form his team next year.

**MANY ATTEND C. OF C. OPEN HOUSE**

The open house held at the new offices of the Chamber of Commerce last Saturday afternoon proved to be extremely popular according to William H. James, secretary. Sandwiches and lemonade were served to some 50 persons who dropped in during the afternoon and many compliments were received on the appearance of the office and the attractive window display.

Featured in the window display were lemons from the Carpinteria Mutual Citrus Association and the Carpinteria Lemon Company, avocados and bunch of lemons grown by John Henry Shepard, ears of popcorn grown by Dean Waters, walnuts and passion fruit grown by Harry L. James, potted plant grown by Billie Graber of the Fleischman Ranch, cut flowers and potted plant from the Kohlsaat Estate, bunch of celery and peppers grown on a plot of ground near Seventh Street and exhibited by Jimmy Carpenter, dry lima beans from the Henry Berrian Fish seedhouse, dairy products from the Monte Vista Dairy, bread baked by Jamerson's Bakery, eggs from the Oliver M. Parsons ranch, oranges and grapefruit grown by Wm. H. James and popcorn products manufactured by Jack Wullbrant. Sparketts drinking water was used to make the lemonade and the lemons were furnished by the lemon houses.

**FIRE DEPARTMENT AIDS IN PUMPING STORM WATERS**

The Carpinteria Fire Department has been kept busy during the past week, but the larger part of their duties has not been the extinguishing of fires. The truck has been called twice to pump out the pit of the old theatre and several members of the department spent most of Sunday disposing of accumulated flood waters in this vicinity.

Almost four hours were spent at the McCormick residence in Sandyland Dunes on Sunday, where water was standing several feet deep around the house and garage and it is estimated that at least 40,000 gallons of water were pumped into a drainage ditch. The truck then proceeded to the S. F. Sheprd residence to pump out the basement and from there went to the S. P. Milling Company where water accumulated under the scales was disposed of.

On Thursday afternoon the truck was called out the the Monte Vista Dairy where children playing with matches had set an out-house and fence ablaze. Although the out building was practically destroyed the blaze was extinguished before the stiff breeze caused more serious damage.

**CITRUS INSTITUTE TO BE HELD AT SAN BERNARDINO, MAR. 22**
