

A.S.B. ELECTION TODAY! HAVE YOU VOTED?

ELECT CAMPUS CUTIES INTO HONORED MAY QUEEN'S COURT

Today's election will decide which of the fourteen campus lovelies will reign over the May Festival on May 2. Sponsored jointly by the men's honorary organization, Alpha Phi Omega, and Phrateres, a semi-formal May dance will be held at Recreation center, from 9 until 12.

The Line-up

May queen candidates and their sponsoring groups are Shirley Wolfe, Quadrangle club; Betty Brehme, Potter's Dotters; Nancy Derrer, Speech Department; Bobbie Dole, Gamma Delta Chi; Carolyn Grant, Tau Gamma Sigma; Anna Lee Hansen, Delta Sigma Epsilon; Diana Kirby, Alpha Theta Chi; Mary Lou Lewis, Chi Delta Chi; Arlene Peterson, Pu Ko How; Raylene Pierce, Phi Beta Music Fraternity; Adelaide Skoss, Industrial Education club; Elsie Tatum, Delta Zeta Delta; Betty Walters, SFS.

Dick Brians, associated student body president, will preside at the coronation ceremony. The crown will consist of a halo of spring flowers, designed and donated by Alpha Floral.

Election Results

Ralph Fletcher, Alpha Phi Omega vice-president and in charge of the elections, states that the results of the campus elections will be announced the evening of the May Festival. The candidate with the highest total number of votes will be crowned queen and the six women with the next highest total number of votes will serve as her royal court. All seven candidates will be wearing wristlets of colorful flowers, donated by the Retail Merchants Association of Santa Barbara.

Amendments Vote Appears on Ballot

Failing to receive the required three-fourths majority in last month's election, the proposed constitutional amendments are on the ballot in today's election, to be voted upon by the student body again. A two-thirds vote is needed to carry the question.

The 52 changes will be divided into three parts: the constitutional proposals, the by-laws, and the revision of regulations for the earning of awards.

In the constitutional division it has been proposed that the student body vice-president assume several of the duties of the president, and the president will no longer hold the chairmanship of so many committees. Most of the changes in the constitution and by-laws are rewording of phrases to make them more workable, but they will not affect the interpretation of the article.

The special constitutional committee appointed last year by the student council has rewritten the awards section to prohibit the giving of more than one award a year to any individual. This is the same policy as in the past but is being constitutionalized because the awards budget is insufficient to provide duplicate prizes. Those who win more than one award will receive a certificate in lieu of the second merit.

VOTING STATIONS!

- ★ ★ Men's Gym
- ★ ★ Quad—by Mail box
- ★ ★ Ad Building—Mesa

GET OUT AND VOTE!

Today should be important to everyone on campus. For those interested in the political administration of student body activities it is an opportunity to state their choice of leaders for the coming school year.

Everyone, without exception, has a personal stake in today's student body election. Even the most apathetic soul must admit that **SOMEONE** has to do the job.

Once a year these campaigns and elections take place, and once a year every student on campus has an opportunity to make their wishes known by supporting or voting for candidates they feel will conduct the type of program most suited to their interests.

The complaint, "I don't know anyone on the ballot," isn't very valid after the extensive campaigns of the past week. One doesn't have to investigate far to discover who is running. Criticisms of the manner in which activities are handled are to be expected, and if of a constructive type, welcomed. But today is the time to use that ounce of prevention in selection of officers. If these officers are elected by the two hundred colleague Jacques feels are really interested, then the remaining two thousand students have no room for future complaints.

Your vote is your voice. Stop at a voting poll on the campus and make it heard!

Fall Semester Officials Chosen During Student Body Election

Today is the big day! After a week of campaigning, candidates running for the four major student body offices will be voted upon today. Also to be included on the ballot will be hopefuls for senior, junior, and sophomore class representatives, the subject of amendments to the constitution, and the choice of the May Queen.

A Future President

George Graves and Bob Goulet have thrown their hats into the ring for the presidency.

Goulet has had experience in student body administration since he was president of Sigma Tau Gamma fraternity last semester. He is vice president of the Industrial Education club, editor of the Industrial Education Bulletin, has

been a member of the student council, and has worked on various committees on campus.

For the past year Graves has been chairman of the finance committee, and as such, a member of the athletic control board, a member of the speech control board, and he has served on various other student body committees. He was also treasurer of the junior class, secretary-treasurer of Blue Key, honorary men's service fraternity, treasurer of Beta Sigma Chi, and at present he works in the office of the graduate manager.

Vice-Presidency

Running for the vice-presidency are three candidates: Buck Levine, Ed Morris, and Al Rasmussen.

Levine has been very prominent in the field of sports at Santa Barbara College, as well as participating in other campus activities. He was football manager, member of the varsity boxing team, and received his freshman numerals in basketball.

Well-known around campus for his MC-ing is candidate Morris. He was a member of the social committee, sophomore representative to council, member of the AMS board, and has worked on many committees around campus. Morris has also been active in public speaking activities.

Housefather for the Gamma Sig fraternity is Al Rasmussen. An I.E. major, Rasmussen was a member of the social committee before the war, and then he spent four years in the Army Air Force before returning to school. He is secretary of his fraternity, corresponding secretary of Blue Key, vice president of the Industrial Education club, and a member of Pi Sigma Chi, honorary I.E. fraternity. Last semester he wrote a column for El Gaucho on I.E. campus doings.

Secretary

Three co-eds will be on the ballot for secretary, Junie Davidson, Patsy Hewlitt, and Jo Ann Ryer.

Junie Davidson, as a freshman, was a reporter on El Gaucho, vice-president of Nani Leilani, member of the social committee of the freshman class, member of Alpha Mu Gamma (honorary language fraternity), and assisted in the WSSF drive and other projects. This past year she was sophomore women's class representative to council, society editor and later associate editor of El Gaucho, vice-president of Las Espuelas, secretary of Alpha Phi Gamma (honorary journalistic fraternity), and was elected as sophomore to Cal Club. She has also been secretary to her sorority for two semesters.

Patsy Hewlitt is a junior who is on the board of directors of the Ski club, is a reporter on the Gaucho, has been on the counseling committee of AWS and was charter president of SFS. She has also been secretary of her sorority.

One of the editors of Las Bolas is Jo Ann Ryer. She also reports for El Gaucho, is treasurer of her sorority, and was representative to the Red Cross for the sorority. She has served on the election committee.

Yell Leaders

There are two candidates for yell leader, Bob Lorden and Frank (Tiger) Matthews. Both have had experience as yell leader in high school and are active in campus social life.

GAUCHO BEAUTY CROP, including Nancy Derrer, Elsie Tatum, Shirley Broad, Caroline Grant, Diana Kirby at the rear; Shirley Wolfe, Bobbie Dale, and Anna Lee Hansen, center; and in front, Betty Walters, Mary Lou Lewis, and Adelaide Skoss. Missing are Raylene Pierce, Arlene Peterson and Betty Brehme.

DESTITUTE FOREIGNERS FIND STUDY IMPOSSIBLE

It would be almost impossible to go to a school where there were no text books, no classrooms, no library; or to attempt to attend school without adequate clothing, without lodging, without food. Yet, at this very moment, there are students endeavoring to accomplish this impossibility. Their only encouragement is their determination to acquire an education, and the aid supplied

chaos, where once they had lived peaceful, contented lives.

They returned from exile, persecution, imprisonment, and work enslavement with bodies infected from the nefarious diseases which always accompany war. It is estimated that 7 to 10 per cent of the returning students are active tuberculars, while twenty-five to thirty per cent are pre-tuberculars. These students need immed-

MEDICAL STUDENTS IN MILAN are forced to set up their own inadequate cooperative laboratory. Regular school and university laboratories were practically all destroyed during the war, and millions of students must suspend study or accept wretched conditions.

them through the World Student Service Fund.

The aid given by the WSSF includes text books, food, clothing, kitchen equipment, and medical supplies. The text books furnished are designed to supplement the mimeographed and handwritten texts being used at present. The food is intended to bring up the daily calory consumption to a level which is generally considered above the starving limit. The clothing should enable students, who are unable to attend school through lack of garments, to go to their classes without shame. Kitchen equipment is urgently needed to provide cooked food for the many hungry students.

But one of the most desperate needs of the students is medical aid. Many of the students, during the war fought in the underground against the Nazi's and Japanese, in both Europe and Asia. They fought and lived under almost indescribable circumstances, their main wish being to create a better world. After the war, they returned to their homes, or where their homes had been, to find devastation, famine, and utter

iate treatment which cannot be furnished by their shattered and bankrupt governments. Their only hope is through the WSSF.

The World Student Service Fund, through the students and instructors of countries untouched by the ravaging hand of war, is attempting to bring succor and relief to these unfortunate victims of World War II. The WSSF will only be able to do this if every person does what he or she can to assist.

Every student in America has a vital and personal interest in the plight of foreign students. The opportunity to contribute to their welfare provides a means for American students to play a role in forming the new world. It is their share in assuring that the international student community will never again be disrupted. It

Joe Gauchio Speaks!

LETTER TO THE EDITOR:

"I understand there are two proposals to be presented to students at our election Wednesday, April 30, in connection with our athletic program. One would make boxing a major sport; the other would establish yachting as an intercollegiate sport.

"I understand that our student body funds were heavily taxed this past year . . . and that athletics got more student body fees than ever before. Activities such as the Social Committee, your El Gauchio, the Rally Committee, La Cumbre, and others had to get along on very limited funds to make this athletic program possible. What I would like to know is: where is the money coming from to support a new sport such as yachting?

"Sure, I know we are a growing school and we will have more students next year who will pay student body fees. But every activity hopes, and has a right, to grow along with our membership. We want to spend more money on our dances to provide a better dance hall, better decorations, larger orchestra, etc. And shouldn't El Gauchio have more money so it can run more pictures of campus activities? It seems to me that we should not enlarge our athletic program at the expense of our other activities. . . . I hope . . . students . . . think about both sides of this question before they vote.

Interested Student.

will create a deep, common bond between the students in wartorn Europe and Asia and the students of this country. Peace must be won, and this gives each American student and instructor the chance to shape the future.

Students handling the drive on this campus, which takes place May 5 to May 10, are Frances Karpe, general chairman, and Al Conner, in charge of publicity. Sharon Smith is representing the AWS which has pledged itself to support the WSSF drive to its fullest capacity. Dr. Charles G. Fallis and Dr. Douwe Stuurman are organizing the faculty members for the cause.

CALENDAR

Biology Field Trip to Mt. Pinos.

4 p.m.—Student recital at the music hall.

8-12 p.m.—May Festival dance by Phrateres and Alpha Phi Omega at the Recreation Center, for the student body.

Baseball game at Redlands.

6 p.m.—Delta Zeta Delta at the college cabin.

MAY 3, SATURDAY—

9-12 p.m.—Panhellenic formal presentation dance at the Recreation center. (Closed.)

6:30-8 p.m.—Chi Delta Chi birthday dinner.

MAY 4, SUNDAY—

9:30 a.m.—Senior class breakfast at Johnson's Cafeteria.

MAY 5, MONDAY—

7:30 p.m.—Phrateres meeting.

7:30 p.m.—Sorority meetings.

7:30 p.m.—Fraternity meetings.

8-9:30 p.m.—Spanish plays in the Auditorium.

MAY 6, TUESDAY—

4 p.m.—ACB in AWS clubroom.

7 p.m.—ASB council meeting at Ridge Hall, room 100.

5:30 p.m.—Kappa Omicron Phi formal initiation in the Colonial room.

MAY 7, WEDNESDAY—

10 a.m.—WSSF assembly in auditorium. Classes excused.

3 p.m.—ASB Social committee in the AWS room.

7:30 p.m.—Chess club at the Recreation center.

7:30 p.m.—Las Espuelas in the AWS room.

7-9 p.m.—Women's P.E. dept. meeting in the women's gym.

7:30 p.m.—Chi Alpha Delta.

Plan Mesa Plays

The next dramatic event on the Student body calendar will be a group of one act plays, to be given on the Mesa campus sometime in May.

The plays will include Noel Coward's, "Fumed Oak;" Eugene O'Neill's, "The Pope;" Paul Green's, "Unto Such Glory;" August Stringberg's, "The Stronger;" and "Box and Cox," by John Madison Morton.

Tryouts for these plays will be held Wednesday, April 30, in room 5, Oak Hall, from 2 o'clock till 5 p.m.

FORMAL PRESENTATION DANCE CONVERTS PLEDGE TO ACTIVE

With a Grecian theme prevailing, the Panhellenic Council will sponsor the annual presentation formal dance Saturday, May 3, at the Recreation center. Beginning at 9 o'clock and ending at 12 p.m., the affair will feature Nino Martino and his orchestra.

All actives and pledges for campus Greek sororities are eligible to attend. Bids may be obtained for \$1.25, and alumni are invited also. In addition, sorority sponsors and patronesses will be invited.

Pledges Introduced

At 9:30, Audrey Braun, president of Panhellenic Council, will introduce the presidents of each sorority who, in turn, will introduce each class of spring pledges. At this time the pledges of the fall 1946 class will also be formally introduced. The pledges, who will be new actives at that time, will all wear white formals.

Mary Ellen Roberts, Phi Kappa Gamma and secretary chairman of the Panhellenic board, is in charge of general arrangements for the dance. Peggy Ford, Sigma Delta, has charge of invitations. Refreshments will be arranged by Naomi Dyer, Chi Delta, and Elsie Tatum, Delta Zeta, whose committee will do decorations. Staging of the presentation of pledges is under the direction of Mary Lou Lewis, Chi Delta, and finances will be handled by Marianna Richardson, Alpha Theta and treasurer of the Panhellenic board.

Tau Gams Embraced Initiation War Ends

The Sigma Tau Gamma fraternity pledges received a welcome relief from the pounding, plastering (cement type), and walking when the actives turned benefactors and invited the pledges to the Talk of The Town for dinner. Following the dinner, the "lowly ones" were formally initiated into Sigma Tau Gamma.

President "Red" Groom sparked the ceremony in which Wayne Elkin, Emmet Skinner, Harry Garber, Roy Cagnacci, Bill Penturf, Randall Sivagge, Bob Eddington, Bill Toothaker, Kermit Huck, Lloyd Richardson, Don Richards, and Duffy Cliburn were made members.

The honors were extended in the Strollers Club Monday, April 14, 1947.

GI SUBSISTENCE FOULED ON FORMS

Many government subsistence checks have been arriving in an erratic manner, if at all, declares the college office of veteran's affairs, and the situation is due in great part to the failure of vets to turn in both an estimate of earnings and a report of earnings.

In some cases both of these reports have been turned in by the veteran, but have become lost or misplaced by the Veterans Administration in handling. All vets should check with the college vets office to see that the reports have been properly filed.

Any veteran who has attended Santa Barbara College before this semester and is experiencing check stoppage should report the matter immediately to the college veterans office.

D'ya Know Your Prof?

By Kathy Nicholson

On a cold, snowy day in February, a baby girl was born in the mining center of Wallace Idaho. Little did the proud parents think that one day their small daughter would grow up to be the chief counsellor to all the struggling elementary majors at Santa Barbara college—Miss Loretta Byers.

As time passed, which time usually does, little Loretta, like Topsy, just "grewed." She went to school with her older brother and sister and learned all about the mystery of reading, the knowledge of which she is now passing on to all the elem majors. She, too, took piano lessons and practiced dutifully; she, too, memorized all the poems in her readers, and eventually she went to the high school

far away in the town of Pocatello.

In Pocatello she led a busy life; in addition to her studies, she acted in school plays and was on the debating team. She had a craving to write, and was soon a feature columnist on the school paper. Her column dealt with the frailties of her fellow beings, exposed in a satirical manner.

A few years later we find her at Northwestern, trying to master the "ologies" and "isms" necessary for a BS. As if that weren't enough, she had to overcome the difficulties of being a pledge. One day we find her standing wide-eyed at the top of the stairs in the hall of the administration building, yelling the time every thirty seconds at the top of her voice. (Sororities please note!) But then, ah yes, she got even. She went active. She compelled one poor pledge to sit for forty-eight hours on the curb in front of a theater in Chicago to get the signature of Katherine Cornell.

Her favorite color is green, and her favorite food is the mushroom, fixed in any manner. Music by Brahms and Debussy head her list. As for the top ranking actor in her estimation, she can't quite decide between Bob Hope and Oswald the Rabbit.

If any of you would like to know this lady better, or if any of you elem majors are beset with problems which often confront one in this complicated institution, just drop into her office at any time for a friendly chat.

Weiner Pup Party Sees Nani Leilani Braving The Wilds

Sizzling hot dogs, a crackling fire, and a phonograph softly rendering the seductive melodies of "Two O'Clock Jump" set the stage for the big Nani Leilani barbeque blowout held in Tucker's Grove last Friday night.

Seventeen couples arrived at the secluded jungle attired in sloppy sport—rags enough to withstand the "cook your own" dinner, yet dressy enough to keep he police happy and the mosquitoes away.

Nourishment

By the time that a clearing had been hacked in the mass of vegetation, the famished couples had to take on provisions before the rigors of dancing and games called. Weiners, salads, buns, marshmallows, and apple cider were consumed in great quantities.

The evening's entertainment consisted of organized—and unorganized—games; one of the unique contests being a race to see how fast a couple could go on a honeymoon. Winner's record was forty-five seconds—they are still looking for one couple.

Rogue's Gallery

Seen flitting around between food and dance floor, pillar and post, tree and tree, were Elaine Wells (Leilani prexy) and Grant Garland, Betty Smith and Ron Ankrom, Joy Eames and Stan Dunn, Marilyn Stevens and Ray Stone, Nadine Stern and Fred Niehart, Doris Prudence and Jack Wells, Jean Ross and King Sherril, Dorothy Cochrane and Bugs Battelle, Agnes Dykzeul and Emil Shubat.

Also, Terry Koch and Stan, Betty Whittington and Jim Barackman, Lucille Solberg and Larry Wells, Mary Lee Cornwell and John McLean, Kay Essert and Bob Eatherly, Doris Herman and Jerry Rose, Carmen Stahmer and Walt Zarovich, and Nita Essmyer and Mark Denicoai.

Chief chef and chaperon was Mrs. Avis A. Mathis.

Spring Concert To Feature Varied Bill

Offering to students and general public an opportunity to hear a number of the college music organizations in a festival concert, the annual spring music organizations' concert will be given tonight at 8:15 in the Riviera auditorium.

The Women's Glee Club and Treble Ensemble will be directed by Mrs. Helen Barnett; Mr. Edwin Jones will lead the String Ensemble and Dr. Van A. Christy plans to direct the A Cappella Choir. Accompanists will be Miss Frances Wishard and Miss Carolyn Blair.

Several numbers such as the "Erie Canal" by Tom Scott, will be featured. The arrangements have been very popular with Fred Waring and his musical group. Compositions selected for the program range all the way from Bach to the most modern writers of today such as Biresak, Tom Scott and Harry Wilson.

A program of varied nature is scheduled, including both sacred and secular compositions. There will be no admission charge.

Mom's Day Program Planned By Sigs

The Sigma Deltas made plans for Mother's Day at their Monday meeting. A group picture of the sorority will be sent to each of the girls' mothers.

Final plans for the formal initiation of the pladge class include dinner at the Pink Cricket restaurant, followed by he traditional candlelight initiation at the sorority house.

Aztec Horsehidere Take Doubleheader

Coach Spud Harder's battling horsehidere ran up against the league-leading San Diegoans at Pershing Park Friday afternoon, combined 13 hits, five for extra bases, with some of the best pitching of the year, and still ended up on the wrong end of 3-2 and 4-2 scores when those high-flying Aztecs jumped off to early leads and were never caught by Jim Gleason and Bill Ruzich silenced the Gauchos' potential power with sterling performances on the mound.

Bob Elliott went the route for the locals in the opener and gave up only six hits; but two of them were bunched with two walks for a brace of runs in the first frame, and this, along with the fact that Elliott happened to run up against Gleason on one of his better days—he didn't allow a blow until Frank Bushman tripled with one out in the 7th—proved too much of a handicap for the stocky right hander.

Bernie Goodbody homered inside the park in the S.D. second

and that was all the scoring until the Gauchos figured out Gleason's baffling slants and started a couple of belated rallies in the last two innings. Little Billy Alhouse socked the ball out of the park in the 8th and Harold Smith, batting for Williams, tripled and scored as Bushman grounded out in the 9th to stretch the count to 3-2, but Elliott fanned to end the ball game with the tying run on base.

The 7-inning finale was practically a facsimile of the first contest, except that the Gauchos tossed away their chances this time with three infield errors in the first inning that gave the alert Aztecs a couple of unearned scores. Steinberg and Day receipted for the dubious honors, and Mickey Aguirre, S.D. second sacker, came through with a single to left for the tallies; however Steinberg made up for the miscues by driving in Alhouse, who had singled, with an inside-the-park home run in the Gauchos half of the first

All Veterans!
All veteran students attending Santa Barbara College must report to the college office of veterans affairs between May 5 and May 26 to declare their academic status after the Spring semester terminates, emphasizes veterans coordinator D. C. Woodhouse.

Veterans who intend to attend summer school at Santa Barbara or elsewhere must fill out a form of intention to insure a steady flow of subsistence checks.

Veterans who intend to return to school for the Fall semester must file that information so subsistence checks will be resumed next Fall without delay.

Subsistence checks for all vets will be discontinued on June 19 unless other arrangements are made with the veterans office.

to knot the count at 2-2.

Dale Scott held the enemy stickmen to a meager six base knocks while his mates were notching eight of the offerings of Lefty Ruzich; but even though the locals had "ducks on the pond" in every inning, the old clutch hitting was absent and they had ten men stranded high and dry on the base paths. Mr. Ruzich helped his own cause by getting two singles and scoring what proved to be the winning run in the 2nd. San Diego picked up their fourth run in the 6th on a triple and single.

The double setback left the hilltoppers with a 7-7 record while the Aztecs continue their fast pace toward the conference flag with an 11-1 tally, five full games a head of the 3rd place Gauchos. Santa Barbara pulled off the best fielding gems of the day with a couple of classy twin killings. Steinberg to Alhouse to Wrightson, and Alhouse to Wrightson. Scott and Elliott each accepted loss number three in hurling what will probably be two of the best games of the season.

BRUINS COP RELAY MEET GAUCHOS PLACE 4th

The revival of the Santa Barbara Relays was greeted by a host of approximately 3500 track fans who watched the Bruins of UCLA turn the event into a Roman holiday by sweeping to a victory with the grand total of 78 and 1/5 points. As predicted, the Bruins dominated the scene by taking firsts in eight of the 14 University Class events, and also scoring many seconds and thirds to boost their score.

Craig Dixon, leading track star from UCLA, outdid all his previous marks in the 120-yard high hurdles and also broke the meet record by skimming over the barriers in the fast time of 14.3 seconds. The only competition offered Dixon was by Krietz of Chaffee J. C., who earlier in the

afternoon had tied the meet record of 14.6s. Nevertheless, Krietz was hardly a threat to Dixon as the fleetfooted Bruin hurdler gained the lead coming into the third of the last hurdles and finished with a margin of at least five yards.

The Bruins also scored first in the shot put, distance medley relay, 880-yard run, discus throw, pole vault, sprint medley, and the four man mile relay.

In placing fourth in the meet Santa Barbara College came out with two seconds, two thirds, and three fourth places. Second places were held by two of the Gauchos' leading track and field stars, Wally Cole and Ed Grabast. In the 880-yard run, Cole's lengthy strides were insufficient to overtake Gold of UCLA. Gold led the field by a comfortable margin and came in to win at 1m 55.9s. The shot put event was another Bruin vs. Gauchos situation. Jerry Shipkey's toss of 50 feet 1 1/2 in. edged out Grabast, holder of the S. B. college record.

Cooper and Locke of Santa Barbara joined in the five way tie for third place in the pole vault. Maggard and Benton of UCLA cleared 13 ft. 6 in. to gain a first for the Bruins. Another third place was taken by the Gauchos in the final event of the evening, the 4-man mile relay. The Gauchos relay team, which previously had been undefeated, began to show the effects of the many events entered as they placed third to UCLA and Compton.

The fourth place spots were taken in the distance medley relay by the Gauchos team composed of Moore, Kampmann, Swidmore, and Statffanson; in the javelin throw by Lloyd; and in the 100-yard dash by Powell.

Racketeers Down San Jose--8th Win

The Santa Barbara College tennis varsity maintained its unblemished conference record when they downed the San Jose State College team by the score of 5-1 on the local courts last Wednesday. This is the fourth conference win and the eighth team victory in nine starts for the Dearborn netmen, their only loss this season being to the powerful UCLA squad.

Results of the Gauchos-Spartan contest were as follows: singles—Bob Wright (SB) def. Gene Franco (SJ) 6-1, 6-0; Morton Dewhurst (SB) def. Don McKenzie 8-6, 6-1; Alan Cobbe (SB) def. Sargent 6-2, 6-3; Parnay (SJ) def. George Manset (SB) 9-7, 2-6, 8-6.

Doubles — Wright and Cobbe def. Franco and McKenzie 6-4, 3-6, 6-3; Dewhurst and Bob Blake def. Sargent and Parnay 6-3, 7-5.

Eyeing The Sports

with JERRY ROSE

THE EYE IS BLACK, MEN— Those of you that nabbed a peek at last week's little journalistic endeavor in "Eyeing the Sports" might remember that old cypsel said something was wrong up here on top of the hill. UCSBC, a school of 2300 students is not widely known. . . I still stick with that. A peek around has brought to light certain facts that were left out of the last column.

AFTER A LITTLE TETE-TE- TETE with William Russell, top dog of the publicity office, this uninformed poor reporter is now straight on the sports front. Yes, something is wrong, but its not in the apportionment of the school funds to the various sports.

IT ALL COMES BACK to spirit. A good example of Gauchos spirit was shown by the group of loyal Santa Barbarans that cruised down to L. A. to see the Gauchos-Troy tilt. The Harder nine dropped the game, but a GOOD time was had by all.

AS IT WAS STATED last week, a college gets known by the students of the college making it known. So it's up to you, the students, fans, and athletes, to make Santa Barbara known.

NOW THAT THE SERMON is over, here is the latest dope. Eyeing the sports is now on the air. Lyle and Beaver have kicked through with five minutes of time on "Gauchos Serenade" to bat the breeze on the Gauchos sports news.

BY SCOUTING AROUND, the "Eye" has reached a startling conclusion. If we are going to become big guns in the sports picture, we definitely need more dough to carry out our program. We not only need money for sports, but for our other extracurricular activities: drama, debate, glee club, etc. **We are not a rich school, and we don't have a rich alumni association to buy up good athletes as do some schools.** Where are we going to get the money? Santa Barbara is a rich community, and there are sports-minded people here. We have to get some philanthropic old gentlemen to kick through with some financial aid, or it looks like were doomed to small time, and it's nobody's fault.

IF YOU KNOW ANY loose millionaires send them around or try to convince them that the backing of a strong alumni association—a rich one—is invaluable as an aid to this struggling old school.

SHORT WINKS — Well, we dropped the little fracas to the "Terrible Trojans," but the team put up a good fight and deserves a lot of credit. Remember the score is one apiece in the USC-Gauchos baseball series so we're still even. . . Tune in the "Gauchos Serenade" to hear the latest sports dope on Monday night at 10:30. . . Remember the big free Chesterfield contest for the prediction of the score of the Santa Barbara-California baseball game May 19.
