SPRING AWARDS ASSEMBLY TODAY

Rowdy Days of Barbary Coast Live Saturday

The rowdy Frisco Waterfront will come to life in Santa Barbara Saturday night, June 5, when the UCSB Barbary Coast Carnival once again is ushered in with the music of a band.

Costumes of participants will be representative of the early San Francisco days and entertainment will include an oldtime Follies. All students and townspeople are invited to attend the carnival.

Hamburgers, cokes, coffee, donuts and candied apples will be sold in various booths and cigarette girls will wander about the premises selling articles of the nicotine variety.

Recreation furnished by various groups in their organization booths will include penny pitching, a rifle shoot, baseball pitching, bowling, and other such concessions.

The Carnival is sponsored by the Knights, Blue Key and Squires, with Bill Baur handling publicity.

Pete Lisca Wins Scholarship for Voice Study

Peter Lisca, junior English major at Santa Barbara College, was recently awarded a scholarship to study voice at the Music Academy of the West in Carpinteria during the eight-week summer session.

Won in competition with students from all over the west, the scholarship entitles Lisca to private instruction from the famed Metropolitan Opera star, Richard Bonelli. The \$320.00 course also includes class lectures in music history and theory. The Lobero summer concerts are to be open to students of the Academy, free of charge.

While attending Santa Barbara College Lisca has been active in the Men's Glee Club and other musical organizations, and is now a pupil of Dr. Van Christy.

Another Gaucho musician, Raylene Pierce, received a similar award to study piano at the Academy. Auditions were held at the home of Mrs. Mildred Couper, well-known Santa Barbara pianist and music devotee.

This is the last regular issue of *El Gaucho* for the semester. The first summer issue will appear on summer session registration day, June 19.

Easter Vacation Included in New Calendar

According to a revised academic calendar for 1948-49, University of California students will be given a spring recess from April 25 to April 30 instead of the long break between semesters.

The fall semester will begin on September 13 and end on January 27, with the spring semester beginning on February 7. Final examinations in the 1949 spring semester will end on June 16.

Hogan and Collins to Guide El Gaucho Destiny Next Year

The editor's desk of *El Gaucho* became a partnership proposition last week with the selection of Bob Hogan and Ben Collins as co-editors for next year. Decision was made by the Press Control Board, which also made other editorial recommendations.

Ruth Ann Groenink was named to put out the student handbook next fall, and Phyllis Pittroff, retiring *El Gaucho* editor, will edit the humor magazine. Decision on the head man of La Cumbre has not yet been made.

Large Experience

In a joint application, Hogan and Collins listed journalistic experience extending back through high school. Both edited high school papers and both have devoted several semesters to *El Gaucho*, Collins as reporter and feature writer, Hogan as assistant editor last summer and this semester. During the war Hogan also edited the *Farragut News*, a naval station weekly.

All recommendations await final approval by the newly elected Student Council, which will meet tonight.

Art Contest With Historical Theme Offers Prizes

An art contest, sponsored by the State Agricultural Society at the California State Fair, is open to freshmen and sophomores in attendance at California colleges and junior colleges.

Subject matter is restricted to the California centennial, such as historical buildings of ghost towns, portraits of pioneer characters, landscapes of historic interest, events of importance in early California history and still life composition of relics of the days of '49. Entries in any media should be made before July 1, 1948.

Prizes amounting to \$2500 will be awarded, including a \$1000 scholarship. Four UCSB students, Shirley Seagram, Peggy Miller, Joe Costantino and Donald Brewer, have already submitted entries to the contest.

Campus Prexies And Successors To Hold Parley

Presidents and presidents-elect of all campus organizations will meet in the AWS room at 3:00 pm Thursday, June 3, to discuss the procedures of the Activities Control Board.

Deans Sweet and Jones will address the group, which will also discuss minimum requirements for an able chairman of a campus organization.

Purpose of the meeting is to prepare organizations better for the forthcoming year's activities and to enable presidents more effectively to conduct the affairs of their groups.

All presidents and presidents-elect are urged to attend the meeting. Refreshments will be served.

UCSB PAINTERS' ART WORKS IN TRI-COUNTY SHOW

A number of UCSB students and faculty members are among the exhibitors in the Tri-County Artists exhibit which opened at the Santa Barbara Museum of Art on May 27.

Students with works of art on display are Shirley Seagrin, Kathleen Bain, Charles Atkinson, Dick Sears, John Nance, Lloyd Peterson, Merrill Remick, Don Brewer and Glendon McFate.

Renzo Fenci, Enid B. Helvey, Walter Cheever and Eleanor Morrissey are faculty members represented in the show.

Life Photographer "Shoots" Campus

Ralph Crane, a Life Magazine photographer, "cased the campus" Friday and took black-and-white and color pictures in the Quad.

The shots will appear in Life in a spread on the University of California.

AMS President, Vice-Prexy Runoff Today

A runoff election will be held today on both campuses to decide the two top positions in Associated Men Students. Polls will be open on both campuses from 9 am to 2 pm.

The race for AMS president is narrowed down to Harvey Hubler and Cy Williams, while Stu McPherson and Billy Alhouse are finalists for vice-president.

Elected in last Wednesday's primary balloting were Walt Stone, who defeated Phil Jacks for treasurer; George (Hook) Harnden, secretary, over Don Melone; John Cooper, historian, over Craig Swenson; and Pete Reid, chosen sergeant-at-arms over George Outland.

New officers will be honored at a dinner given by out-going AMS wheels next Thursday evening.

Beta Delta Ratifies Charter of National Inter-Racial Frat

Beta Delta became the Santa Barbara chapter of Beta Sigma Tau, new national inter-racial fraternity, when members last week ratified the national's temporary constitution. The local group and its constitution served as a model for Beta Sigma Tau when it was organized early in May at a Chicago convention of 28 inter-racial Greek letter social fraternities.

According to John Caldwell, president of Beta Delta and vice-president of the national, the new constitution is framed to emphasize student control. All national officers are students, and the executive secretary, an alumnus, is restricted by the constitution and has no vote on the executive council.

Steps are being taken by Beta Sigma Tau officers for incorporation, bonding and recognition by the National Interfraternity Council.

The founding convention, at which Caldwell represented Beta Delta, was attended by groups from Cornell, Ohio State, University of Buffalo, Roosevelt College, Michigan State and other institutions.

HONORS FOR SERVICE, SCHOLARSHIP AND ATHLETICS TO BE BESTOWED

Letters, cups, plaques and keys will be given away to deserving Gauchos this morning at 11:00 am, when the Spring Awards Assembly is held on the lawn in front of the Men's Gym. All students who can are urged to attend.

Heading the list of awards is the Honor Cup, to be given to the man or woman who has best served the school in four years of attendance.

The man and woman voted "best students of the year" will receive the top award bestowed by Associated Men and Associated Women.

Also to be awarded are letters for basketball, baseball, wrestling, golf, tennis, fencing, and varsity and freshman track, as well as Student Council keys and Speech and Music Control Board keys.

Classes will not be excused for the assembly.

Junior-Senior Prom to Have Colonial Air

Twining cecil bruner flowers around picket fences and white pillars will give the Junior-Senior Prom next Saturday night, June 12th, an atmosphere of colonial garden scenes, according to Joy Hart, chairman of the Junior Class social committee.

The dance, to be preceded by a banquet for seniors and their guests, is to be held at the Montecito Country Club, and will feature Danny Oliver and his orchestra. Juniors or seniors with a class card will be admitted free, but their dates must pay 60 cents, it was announced. Only upper classmen and their dates will be the guests at the dance this year because of previous over-crowding.

Theme Refreshments

Refreshments to fit in with the evening's theme will be served by Key and Scroll, junior women's honorary organization; Mike Melvin, Walt Chimel and Ardis Adler are in charge of obtaining the punch. Barbara Balthis and Shirley Hillis are taking care of the decorations, and all juniors interested in assisting are asked to contact them through their boxes. The junior Knights are also expected to help.

Jan White heads the committee on favors, which will be presented to all senior women attending the banquet. Junemarie Davidson is handling publicity. Others working on the social committee are Dolores Ralph, Bev Small, Jean Kneass, Nancy Rapp, Gerry Gray, Donna Douglas, Bob Lorden, Beverly Miller, Bob Arnim, Ralph Teese and Dave Brownell.

Class cards may be obtained in Bill Russell's office anytime within the next week, according to Miss Melvin, president of the junior class.

Seniors To Be Feted In Full Week's Events

Next week seniors will be feted in numerous events, it has been announced by the officers of the senior class.

Saturday night, June 12th, at 6:30, the Montecito Country Club will be the scene of the annual Senior Banquet. Reservations may be obtained from Mrs. Ester Porter in the Alumni Office, and tickets are \$3.00 per person. Class cards are required.

Following the dinner is the annual Junior-Senior Prom, which will have a colonial garden theme, according to Joy Hart, social chairman of the Junior class. One dollar will be charged for alumni members, and juniors and seniors will be admitted free with a class card. Their dates must pay 60 cents. Class cards are available at the Graduate Manager's office for one-half dollar.

ON LETHARGY

Editor, El Gaucho: This is an open letter to the student body. This evening I went to the Gaucho Roundup and WS-SF assembly. In spite of the fact that it had been announced in *El Gaucho* and on posters around campus that the Roundup would feature final approval of the ASSB budget and a movie about WSSF, both of vital interest to every one of us, a total of 63 people showed up. Most of these were the ones seen at all school functions, the ones active on various student service committees.

The picture "Seeds of Destiny" was shown. It told why WSSF is so badly in need of help. It shows that this way of life we have, and take for granted, is actually in danger. We yell about outlawing un-American activities, we worry about movies and books that mention Communism, we call names and we show our teeth; but what do we do so that these things may never arise? NOTHING.

This is not the first time that so few have shown interest in an important event. Only a part of the student body ever votes, for example. When I talk to students about this attitude of indifference, I always get the answer, "What can one individual do?"

You can show up for your student body functions. You can find out what WSSF is, and what students in Europe need, and what you can do to help. The attitude around here is, and has been for a long time, "I've got mine, how are you doing?" If we maintain this lethargy, we'll really get ours! We remain self-satisfied and smug, yet we wonder why the rest of the world can't be as peaceful as we are.

I sincerely think that, when we reach the stage where only 63 students show up for an important student function, the University should abolish student government. Clearly we don't deserve to have it.

NEW POLICY

Dear Editor: I congratulate you and your staff upon your new policy and hope that other papers throughout the country will follow suit.

For some time I have been expending a great deal of effort trying to segregate the bla bla and propaganda from the news. This latest typographical innovation is an excellent way to accomplish this arduous task for the reader. I predict that in the near future one can become acquainted with the mental development of fellow Gauchos by the respective "right-side-up-ness" of our paper's banner.

Pete Liska

KUDOS

Dear Editor: This last issue of *El Gaucho* ... best one yet!

Sincerely, James Schilt

MAKE FALL HOUSING PLANS NOW, WARNS HOUSING OFFICE

All students now enrolled in college should complete plans for the fall semester before leaving the campus after finals, the Housing Office announced this week. No assurance can be given that a place to live will be available during the summer or next semester, with each vacancy at a premium.

A few vacancies for the fall semester for both men and women have been listed by householders and are available to any interested student. Prospective students who are visiting the campus at this time or writing for information on housing are being told that there will be no housing obtainable through the college unless it be "last minute" vacancies. At the present time there are more than 500 new women and men students who have applications on file. They have been advised to make their own living arrangements with relatives or friends, subject to approval by the Deans' offices.

Listings Sought

Large houses suitable for sororities or fraternities, room and board, or other types of accommodations are sorely needed to replace numerous houses which have been lost from present housing lists, according to Housing Director Velma Morrell. Any student who may know of a possibility of new housing will be welcomed in the Housing Office and may be able to help alleviate the critical housing shortage which is making it impossible for hundreds of students to enroll.

SENIOR NOTICE

All senior reservations— for breakfast and dinner— and all senior class cards are available in the Alumni office in West Hall.

Journalism Group Accepts Three New Members

Alpha Phi Gamma, honorary journalism society at UCSB, wound up the Spring semester with an organizational meeting held Wednesday night in the AWS Room. A special effort was made to tie up all loose ends that remained from previous meetings.

Primary accomplishment was the acceptance by Alpha Phi Gamma of several new members. Of approximately 16 pledges, three were officially accepted in the persons of Joe Costantino, Gloria Dealey and Editor Phyllis Pittroff of *El Gaucho*. Formal initiation will take place in the fall.

A special resolution calls for a re-vote on the remaining pledges during the first meetings in September.

Due to a lack of members present, the controversial question of affiliation with the national honorary journalism society was tabled until Fall. However, members who had already paid fees towards national membership will be so affiliated.

STUDENTS WIN AWARDS FOR POSY DISPLAYS

On May 25, the Home Decoration and Planning class presented a special flower display at Ebbets Hall. Awards were given for the best novelty, dining room, living room, and miniature arrangements.

Among those who had prize-winning displays were Lucy Doty, Velma Kinlock, Barbara Hurwitz, Yoshiy Tacano, for novelties; Jean Wise, Frances Brown, Laura Westmont and Gloria Dealey for living room arrangements; Patty Meairs, Frances Kline, Lucy Doty and Jean Kretschmer for dining room.

Patty Meairs, Florence Austria, Velma Kinlock and Joanne Lowe took awards for miniatures.

Students Helen Benedict, Mary Lou Wilson and Robert Lonsdale acted as judges for the occasion.

"Where are you sitting during the history final, Broderick?"

Big Sister Program Planned to Aid New Freshman Women

A Big Sister program to help with the orientation of new freshmen women at Santa Barbara College is being planned for next semester by the AWS, under the leadership of newly elected president, May Nakanishi.

According to the plan, entering freshmen women will be contacted during the summer by their big sisters who will give them important information and answer questions. The big sisters will meet their little sisters when they arrive in Santa Barbara, will help them to get settled in their new homes and will accompany them as much as possible during registration and the first few weeks of school. The big sisters will also be responsible for seeing that the little sisters attend get-acquainted parties and are introduced to other students.

Pledge Service

Before assuming their duties, prospective big sisters are required

to pledge that they will represent all organizations fairly and impartially to the new students, will acquaint them with student body affairs and the functioning of student government, will represent the highest standards of scholarship and friendship of Santa Barbara College women in such a way as to successfully further the new students' orientation to college life, and to direct the new women to the proper sources of information about phases of college life with which the big sisters are not personally acquainted. Women acting as big sisters will be required to return to school at the same time as the freshmen in order that they may make the greatest possible contribution to the new students.

Students desiring to render this service should leave their applications in the office of the Dean of Women.

HONORARY SPEECH FRAT REACTIVATED

Tau Kappa Alpha, national honorary speech fraternity, will be reactivated on the Santa Barbara campus next fall, according to an announcement by Dr. Evelyn Kennesson of the department of speech and faculty sponsor of the club. Only two persons—Herb Cohen, who will act as president of the organization, and Winifred Woods, who will fill the positions of vice-president and secretary—are now eligible to form the nucleus of the honorary club.

However, Dr. Kennesson emphasized that membership in Tau Kappa Alpha will represent a goal of achievement for the college's forensics participants. The national requirements for membership in the organization include two years of inter-collegiate forensic activity and a scholastic average high enough to place the candidate in the upper third of his class.

"The reorganization of Tau Kappa Alpha," said the forensics coach, "represents but one phase of our activities to develop a forensics program of the highest possible calibre on the Santa Barbara campus."

Any student desiring to participate in future forensics activity, whether on the intra-mural or inter-collegiate level, is invited to contact Dr. Kennesson at the speech department office.

'CARMEN' DIRECTOR ISSUES URGENT CALL FOR SINGERS

The Santa Barbara Opera Guild has issued a call for singers to appear in its production of *Carmen*, scheduled for presentation in the fall under the direction of Jaffry Harris.

The role of Don Jose was listed among those still open. There is also a special need for altos and tenors in the chorus. Rehearsals will be held every Tuesday evening from 7:30 pm to 9:30 at 15 W. Victoria.

People interested in costuming, staging and lighting are also needed, according to Mr. Harris.

INTERESTED IN RUSSIAN?

Any students interested in studying Russian are asked to leave their names at the Foreign Languages Department in West Hall.

If a sufficient number of students request it, it is possible that Russian will be offered next Fall. Leaving their names at the office will not obligate the students in any way.

Vets on Subsistence Not Eligible as 52-20 Club Members

G. I. unemployment benefits are not intended as summer vacation pay, Edward Tachet, unemployment insurance manager in the Santa Barbara office of the California Department of Employment, today advised veterans attending the University of California.

Even if he is otherwise qualified, a veteran is not eligible for readjustment allowances for unemployment if he is receiving subsistence allowances for education or training under the GI Bill, or is not available for suitable work, Mr. Tachet said.

Stop Subsistence First

"This means," he explained, "that in between school terms and during vacation periods, veterans should make sure that their federal government school subsistence allowance payments have been discontinued before claiming veteran unemployment benefits."

"Further, the veteran who is planning merely to rest and play between school terms is not eligible for readjustment allowances. Among other things, he must be available for employment and willing to accept a suitable job during each period for which he claims jobless pay."

Ellison History Of State Goes To Publishers

Last week Professor William H. Ellison heaved a sigh of relief when he was able to place in the lap of the gods a completed manuscript of 500 pages on which he had spent most of his waking hours in the past two years. The book carries as its title, *A Self-Governing Dominion—California, 1849-1860*.

It is one of the proposed volumes in the California Chronicle Series which is being published in commemoration of California's centennial as a state. The series is under the editorial supervision of Dr. Herbert E. Bolton, Sather Professor of History, Emeritus, of the Berkeley campus, and is being published by the University of California Press.

Cupid Calling

By Junie

Little Dan was really busy shooting his arrows last week. *Trudy Sutherland* and *Pat Broderick* surprised everybody at the recent Newman Club Dinner-Dance by announcing their engagement. A Sigma Tau Gamma party last week found *Bob Hamilton* and *Wini Hoag* a newly betrothed couple. And *Skippy Jung* was one happy gal Monday night—bon bons circulated the Chi Deltas telling them that she and Gamma Sig *Del Loero* plan to walk the aisle soon.

The fraternities had their share of cigars, too. Sig Eps received them from *Bud Hammerstrom*. *Barbara Lewin* is wearing his pin. Also *Dick Goslin* announced that his Berkeley gal friend has told him "yes."

Astounded is the word to describe how the Alpha Thetes felt when a wedding bell arrived at their meeting bearing tidings that *Bev Baird* and *Robin Schmidt* will become Mr. and Mrs. in the near future. And *Barbara Crockett* received many congratulations from her Delta Zeta Delta sorority sisters Monday; *Barb* has exchanged *Bill Hobb's* Kappa Sig pin for a sparkling ring.

"NEXT TO THE FOX"

With Phil Jacks

In the realm of athletics, the 1947-48 seasons can be called a banner year. True, our teams won no championships, but there was no Santa Barbara College athletic team that had anything of which to be ashamed.

The football team played good, and at times, sensational ball. All indications point to a highly successful season next fall, despite the tougher schedule that is to be undertaken. The basketball team had a mid-season slump, and this alone cost them a chance at the conference crown. With practically the same older and wiser boys back for next season, there is every reason to be highly optimistic over their chances.

Took Bumps

The track squad took its bumps, but developed several outstanding cindermen in the process. With a year of experience, the returning trackmen should hold their own next year. The baseball squad found the going a little rocky in conference play, but practice games showed that the Gauchos had the ability to win, if they had been given a few breaks.

The boxing and wrestling teams both made impressive showings during their seasons, and each squad had several individual standouts. The tennis team, with several men who were just returning to the court, should improve for next year. They played an "up and down" style of tennis this year, but still developed one of the top doubles teams in the CCAA. The golf and fencing teams both completed their schedules with a high degree of success.

Guiding Hands

Behind all of these teams lie the guiding hands of the coaches. The Student Body's thanks go to Mr. Williamson and Mr. Kelliher of the football team; Mr. Wilton who coached the cage team; Mr. Carter of the track squad; Mr. Harter and Hal Chauncey of the horsehiders; Mr. Keliher and Mr. Carter who take an encore for the boxing and fencing teams respectively; Mr. Kaywood of the wrestling squad; Mr. Reynolds, tennis mentor, and Mr. Irvine of the golf team.

A final word of gratitude to Walt Condley and George Weisinger, who guided the fates of the junior varsity teams.

USN COMMISSIONS GIVEN TRAINEES IN NEW AIR PLAN

Only those who have previously failed in military flight training are disqualified automatically. Previous service or rank does not matter; all men accepted will be given the new regular navy commission, dated at the time of acceptance in flight training. Only pay and longevity benefits will be affected by previous service or rank.

A naval aviation representative will be in the Industrial Arts conference room on the Mesa campus June 3 and 4 to talk to all men interested in the new flight training program. The representative will answer questions, give information, and take any enlistments proffered during the two days.

Hoff 'Smelts,' Delta Zeta 'Mermaids' Win Championships in CRA Water Carnival

Delta Zeta, Hoff Swim Teams Take Cups in Carnival

The third annual Santa Barbara College Swim Carnival was held at Los Banos Del Mar, West Beach, on Thursday afternoon under the sponsorship of the College Recreation Association. Competition in all events was keen, as fraternities, sororities and independent organizations vied for annual possession of the perpetual trophies. Team strength was equalized by a ruling that not more than two members of last year's varsity swimming team could represent any one team in the Carnival.

Both the men's and women's championships were decided in the final two relay races, with an independent group of men students living at University Village, and entered under the name of "Hoff Smelts," squeaking by with a victory in the 150 Meter Medley Relay, and the championship. One point behind the "Smelts" with 13 points, was G.D.I., while Beta Delta followed with 11 points, and Kappa Sigma with 10. The Mermaids, composed of girls from Delta Zeta and several other organizations, teamed with Kappa Sigma fraternity to win the Mixed 150 Yard Freestyle Relay, and insure victory by two points over the Puddle Jumpers.

Special events included a balloon race for men and an inner-tube tiling contest for women. Special comedy relief was provided by Russ Wenzlau, Bob Russick and Ken Kellogg, who pleased the crowd of over a hundred spectators with stunt dives. Supervising the carnival, and acting as starter, was Dick Kaywood, Director of Intramural Athletics and Wrestling Coach at Santa Barbara College.

BULLETIN

The UCSB mile relay team of Al Deline, Sam Cathcart, Stan Moore and Dick Kampmann, and Earl Engman, hop, skip, step and jump star, have been invited to enter the Ninth Annual Compton Invitational Track and Field Meet this Friday evening, June 4, at Compton. Mel Powell, century expert, will be taken as an alternate for the relay team.

The relay team will be entered in the college class mile, where they will probably face Pepperdine, who edged them at the West Coast Relays, and other top southern California quartets. Engman, hoping to win a position on the Olympic team, will be facing some of his toughest competition to date. He failed to place at the West Coast Relays, but has since changed his stride and has recorded several excellent marks, one of which would have placed him second at Fresno.

Due to the fact that *El Gauchito* will not be published during finals, the results of the Compton Meet will be posted in front of the Men's Gym.

"Y" Coed Night Offers Dancing, Swimming, Sports

One of the most successful plans for fun and recreation recently hit upon in Santa Barbara is the YMCA's "Coed Night" every Wednesday evening. Swimming, dancing and a variety of team sports are offered to the increasing numbers of college students and young business people attending.

Arranged by Eugene Santos of the YMCA, this program has proved so popular that plans are being made to carry it on into summer months.

Sig Eps Win Title on No-Hitter; Kappa Sigs Nipped by Grauchos

Riding the crest of Frank Schimandle's second no-run, no-hit game of the season, Sigma Phi Epsilon took a 9-0 win over Sloppy Side A. C., and thereby won the championship in the College Intramural Softball Tournament. It was the Sig Eps' second straight win over the winners of the Club Division, the frat boys having won the opening contest 3-1.

Meanwhile, Kappa Sigma and the Grauchos were forced into the third game of their play-off for second place, when the Club Division place-winners took a 3-2 thriller from the Kappa Sigs. In the last of the seventh, with two outs, Charlie King, who had walked and stolen second, started for third base on a short passed ball. The catcher, in trying to cut down King, threw wildly, allowing King to score the winning run.

Pitcher's Battle

The game from start to finish was a pitcher's battle between Fred Guerner of the Grauchos, and Tommy White of the Kappa Sigs. The Kappa Sig men managed to garner five hits from the slants of Guerner, while Tommy White was giving up only two. In striking out ten men, White ran his two game total to 27.

The final game of the series will be played this afternoon at 4:00 at Cabrillo Park.

Volleyball Under Way; WAA Elects New Officers

Volleyball season is now in full swing with games in the Men's Gym every Monday and Wednesday afternoon from 4:00 to 5:00 pm. All girls are invited to come out and join the fun.

This Wednesday, WAA is playing Westmont College in the last softball game of the season.

WAA's officers for next year have now been elected. Girls taking office are President Libby James, Secretary-Treasurer Hal Loomis, Publicity Chairman Bammi Everett and Intramural Chairman Lyn Bynum. A run-off for vice president will be held between Alien Thayer and Marie Finell.

Each Wednesday evening at 7:30 the Y hospitality is extended to both men and women. Swimming in the Y pool is one of the most popular activities, with Jules Gage, Gauchito senior, instructing beginners. In the large gym, volleyball games for mixed teams are carried on.

For those who do not care for team sports, there are ping pong tables set up in the smaller rooms, there is a piano for boogie fiends, and cards and billiards are available. Also, there is a fencing class taught by Joe Bell, and there are facilities for badminton games. Not the least popular activity is a calisthenics "keep fit" class, directed by Gauchito Tom. Bailey in a corner of the gym.

About 9:00 the pool is closed and everybody goes up to the lobby for dancing and cokes. A PA system has been donated to the Y by the Santa Barbara Rotary Club, and records for dancing have been contributed.

For this summer, special outings have been planned which will include boat rides, moonlight horseback rides and beach parties. All college students interested in these events may be a guest on a Wednesday evening by calling Mr. Santos at the Y, phone 6147.
