Last Alvar Talk On Sephardims Today At 4 P.M.

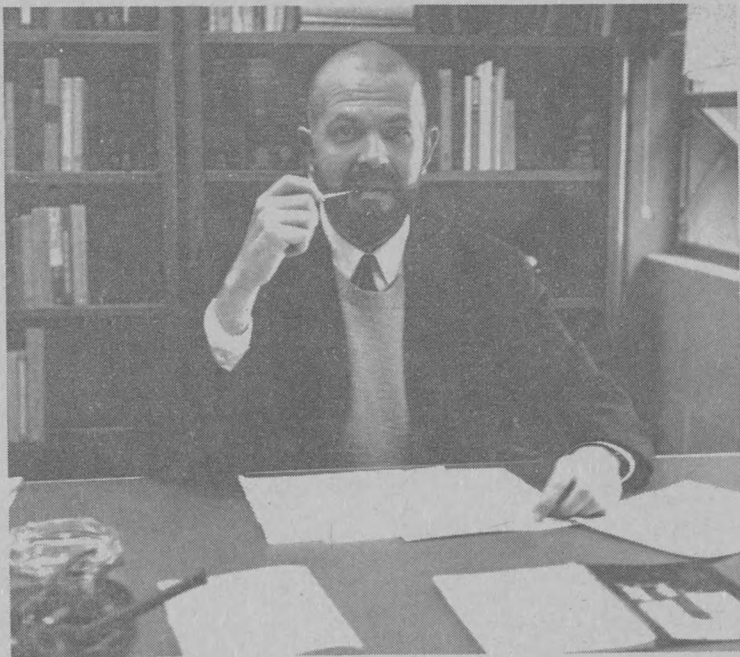

Dr. Manuel Alvar will present a lecture in Spanish, "Cantos de Muerte" or songs of death, today at 4 p.m. in South Hall lecture room.

Today's lecture is the last in a series of three concerning the songs and poems of the Spanish Sephardims, Jewish tribes expelled from Spain in the 15th century.

The visiting professor to the Spanish department is the author of scores of books and professional articles on Spain and Spanish literature, including many on the customs and culture of the Sephardims.

The Spanish scholar will return to Spain in a few weeks to resume his post as chairman of Philology at the University of Granada. He has studied Sephardic poetry for ten years. For his research he has traveled extensively through the Balkan states, North Africa and America seeking descendants of the Sephardim people.

Aldrich Talks Tomorrow On Roman Wit

DR. KEITH ALDRICH lectures tomorrow on Roman humor at 4 p.m. in Campbell Hall.

"The Truth While Laughing: Roman Wit and Urbanity" will be the subject of a lecture tomorrow at 4 p.m. in Campbell Hall by Dr. Keith Aldrich, associate professor of classics.

The lecturer says the discussion will focus on the "peculiar attitude which Roman writers had toward the phenomenon of laughter and amusement -- one which resulted in their producing only one truly 'funny' writer in their otherwise prolific period of literary creativity."

Dr. Aldrich, scholar in the area of the Greek tragedy, last year published a book "The Andromache of Euripides," and currently is at work on a Renaissance text discussing ancient art and aesthetics.

Coming to UCSB in 1961, Dr. Aldrich has established a Department of Classics on the campus and assisted in planning an undergraduate curriculum in Latin and classics. He taught at

the University of Nebraska for four years.

The University lecturer received his bachelor degrees in both English and classics and his MA from Harvard. Aldrich was awarded the Ph.D from the UC, Berkeley in 1957. In addition to his book projects, he has written numerous reviews for popular periodicals.

Active in West Coast groups interested in comparative literature, Dr. Aldrich has been invited to present a paper before the International Comparative Literature Association in Fribourg, Switzerland, in the summer of 1964.

Kerr Lectures

University President Clark Kerr delivered the three Godkin lectures at Harvard University last week.

He spoke on "The Uses of the University."

The lecture series was established in 1903 to honor the memory of the British-American journalist, E. L. Godkin.

Lecturers of the last two years were New York Governor Nelson Rockefeller and U.S. Ambassador to the United Nations Adlai Stevenson.

Chairmen Meet

A Special Events Committee meeting for all Spring Sing entry chairmen will be held today at 4 p.m. in SH 1128.

Birch Faction Of Calif. Young Republicans Ousts Moderate Wing From YR Group

by Pete Young

Robert Gaston, John Birch Society-backed head of the California Young Republicans, and his executive board, Saturday booted out college YRs who called themselves moderates.

Headed by UCSB political science major Randolph Siefkin, the former CYR College Federation today filed papers to become a non-profit corporation under the name California College Republicans.

The break had been expected since the College Federation split earlier this month at its Fresno convention. Both moderate and ultra-conservative wings elected executive slates, with Siefkin winning the presidency of the moderate version.

The CYR board Saturday declared the ultra-conservative version, led by Trent Devinney of Pepperdine College, legally elected. Siefkin's faction was ruled out because of "irregularities" in election proceedings.

"We already knew it was going to happen," Siefkin said. "We knew we didn't have enough votes

on the executive board."

Siefkin claims "more than half" the college Republicans have stayed with his wing, though he would not give figures because he could not tell "how many of their clubs are paper only."

The new College Republicans will apply to the state central committee for recognition as a volunteer organization.

"We want to be an inclusive

rather than an exclusive organization, including Republicans of all philosophies and opinions," Siefkin said.

New Club Opens

Golden Guitar, Santa Barbara's young adult night club, will hold an open house tomorrow from noon to 10 p.m.

Free music and entertainment will begin at 8 p.m.

Among those invited to the open house are University officials, the Santa Barbara mayor and other prominent businessmen.

All Golden Guitar employees are UCSB students.

Plays Presented

Two one-act plays will be presented Friday and Saturday at 8:30 p.m. in the Little Theatre by the Speech and Drama department. Admission is free.

"The Affairs of Anatole" a high comedy directed by graduate student William Black, deals with the psychology of love.

A highly theatrical comedy of ideas "The School for Lovers" presents the difficulty of self-realization in a world in which illusion is confused with reality. Student director is Stephen Alkire.

Leaders Picked

Song leaders selected for next year in Monday's final tryout session include Cheryl Kent, Jane Johnson, Mariane Jurras, Joanne Nelson, and Anne Levering.

First alternate is Nancy Son and second alternate is Mary Ryder.

Selection of yell leaders will be postponed until the number of yell leaders needed for next year is determined.

LEADING MEMBERS of the cast for "The Marriage of Figaro," rest during a rehearsal before their 8:30 Friday and Saturday evening performances in the auditorium. Pictured,

from left, are Jack Gittings, Judith Johnson, Mrs. Shirley Easley, Joyce Thomas and John Casey, foreground. The production is directed by Carl Zytowski, associate professor of music.

Travel Seminar

A travel seminar on European summer travel will be held tomorrow from 4 to 5:15 p.m. in the Santa Cruz Lounge.

Sponsored by the Associated Students Travel Center, the meeting is designed to give interested students information on travel. Preparation, transportation, clothing and other details will be discussed.

There will be time for individual discussion and questions.

Petty Arguments

We are disgusted to see petty arguments between students and professors aired at a public performance.

Such was the case at the Spring Sing performance, when, before an audience of approximately 5000 students, parents, and Santa Barbara citizens, Carl Zytowski, professor of music, spent ten minutes attacking the El Gaucho staff for their articles criticizing recent musical performances given on campus.

Regardless of whether his comments were true or not, Mr. Zytowski showed extremely poor taste by airing his complaints at Spring Sing. His comments were completely unrelated to the job which he was supposed to be doing.

Visitors, unaware of the recent controversy, did not understand what Mr. Zytowski was talking about or why he was attacking the newspaper.

McCord Hit

Dear Editor:

Judging by all the "hard work and effort" that Bob McCord has done for the school this year and the experience that he has gained through student government, the running of a smooth and organized school election should have been an easy task for him. But, unfortunately, it seems that things didn't work out too well, did they Mr. McCord?

Next time we have such an important AS election as this, when obviously a large number of people are going to vote, I hope we have a better vice-president. One who at least can get the process fully organized with sufficient ballots, (no shortages please--it shows no class) and trained personnel.

Editorial Column

It's Up To Students

In a survey conducted by Associated Students President Joe Sorrentino last year the "UCSB image" was tainted as fun, sun and surf. Out of this survey grew the impetus for our diligent Speakers Bureau, the movie of UCSB and general attempt to show that we do have a competent academic program to go along with this impressive physical setting.

Now we have a chance to present our case at the national level. We have been invited to participate in the nationally televised "College Bowl" program.

While the program, because of its nature, does not insure that the "better educated" students win, it does have a large following among students and educators throughout the United States.

This type of activity cannot help but enhance the intellectual standing of our campus. With competent staffing and a little luck it can increase our scholarship fund by the sizeable sum of \$10,000.

We are able to encourage sizeable numbers of students to participate in intramural sports. Spring Sing has always been supported by throngs both in planning and participation. Now we must insure an adequate supply of bright talent to staff this excellent endeavor.

A number of students have indicated that they would like to be on the team to represent the school. Many more are needed to insure that the best possible team is compiled.

Dr. Lawrence Willson has donated his time to train the team along with help from the Deans' office and the testing service on campus. With this type of co-operation the caliber of the final team is insured.

Still the team will be composed of students and it will be on their merit that we win or lose.

We urge all students who feel they have an academic talent in any field to investigate this opportunity to compete in the intellectual sphere.

Concert Features Two Modern Works

by Steve Mjjesik
Last Wednesday, the UCSB Orchestra played their last concert of the season. The program contained three selections. Two were of a modern nature and the third was Haydn's "Military" Symphony.

At closer inspection, I noticed the last piece to be played was Concertino for Merimba by Paul Creston. Imagine my chagrin! I did not even know what a marimba was.

I thought it was one of those South American things one shakes. It turned out to be vastly different. The concertino was entertaining. Miss Tricia Ellern played the piece superbly.

I would say more, but what does one say about the technique of a player who, if caught doing the same to an animal, would probably be arrested by the S.P.C.A.? Seriously, the piece was well done, looked like fun to perform, and was enjoyed by the audience.

The first work on the program was "Village Music" by D. Moore. This, if anything, helps to cinch the rumor that the muse of music has finally been shackled in America. With Barber, Ives, Copland, Hanson, and others, America appears to have landed feet first in an European dominated art form.

"Village Music" (especially when compared to the Haydn) was relatively formless. Moore depended on the rhythmical qualities of the piece to aid in holding it together. The last movement titled "Jig" could be favorably compared to a Bach "gigue" and, while it probably would not win, it would be in the running.

Constitutional Approval Holds Up Election

Nine candidates for one class and three AS posts are awaiting scheduling of the special election, which is definitely out of the question for this week according to Elections Committee chairman, Judy de Haan.

Decision on the election date is being held pending approval of the revised AS Constitution by Legislative Council.

Council approving, the revised constitution will appear on the ballot, but the election will not be held until the proposal is given proper publicity in accordance with the AS By-laws.

EL GAUCHO is required to publish a constitutional change at least one week before it goes to voters for final approval.

At presstime, the revision still had not been approved by the Constitution and By-laws Com-

mittee. However, the committee had scheduled a special meeting for yesterday afternoon.

AS President Joe Sorrentino was confident the revision would get through the committee stage in time for consideration at last night's Leg Council meeting.

"I don't see any problems in the way," he said.

Also appearing on the special election ballot will be Al Arkush

and Doug Miller, running for the men's non-affiliated rep post; Pat Hunter and Marcie Rude, candidates for women's non-affiliated rep; Gretchen Cox, Donna Carnahan and Judy Spruell, sorority rep; and Bill Rauth and Terry O'Connor, sophomore class president.

The three AS races were voided in last week's general election.

Spikers Post Best Marks At Mt. Sac

As C. K. Yang was setting a new decathlon record at the Mount San Antonio Relays, the Gauchos were turning in their best performances of the year.

John Escovedo, Bill O'Neill, Jack Burdullis, and Jim Clarke zipped to a 3:20.6 clocking in the mile relay that saw Clark turn in a 49.9 quarter mile and Burdullis clock a 48.8 time. The Gauchos placed second to Whittier.

The 440 relay team turned in its best time of the year with a 42.6 clocking as they placed

sixth, as did the Gaucho distance medley relay squad.

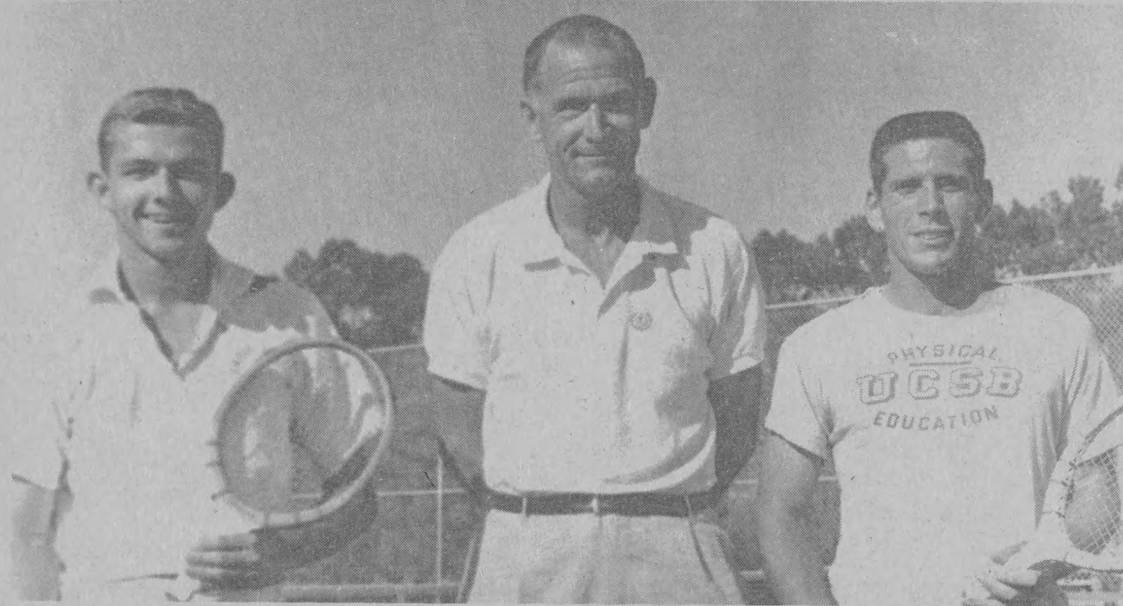

UCSB was strong in the field events as Gauchos placed in the shot put, javelin, discus, and hammer throw. Fred Hokan-copped a second with a fine put of 49-2 1/2 feet. Gaucho ace Larry Rocker had to settle for sixth, but he also threw the discus over the 144 foot mark.

Mike Beresford placed fourth in the javelin and Dennis Roth was fifth in the hammer. Improving with time, big Ian Bardin

slung the discus a heft 147-4 feet.

The only Gaucho first of the afternoon was turned in by Coach Sam Adams' Frosh contingent. Bob Denhardt, Jack Roach, Gary Zimmerman, and Mike Smith whipped the field in the Freshman division to bring home the laurels for UCSB. Their time was 3:29.8.

With an even 5-5 record the Gauchos are prepping for the big CCAA Track and Field Championships to be held on the local oval this Saturday.

LEE REID, Coach Ed Doty, and Don Gaynor, from left to right, pose for the camera before going to Ojai, where Reid and Gaynor

took the team title in their division. This weekend finds them in action again in the CCAA Championships on the campus courts.

Golfers Club UCLA, Long Beach

UCSB's varsity golf team routed big-brother UCLA last Friday at La Cumbre CC by an overwhelming 40-14 count in a match that saw gusty winds play havoc with the competitors.

Coming off a 31-23 victory over Long Beach State, Coach Keliher's clubbers, led by Bob Clancy and Dave Goldsmith, improved their season mark to 7-5. Clancy and Goldsmith were low medalists with 75's, while teammates Lew Garbutt, Al Bills, and Dick Fisher won 17 points between them. Gaucho Dave Lynch also aided the whitewash as he added two points.

Against the 49ers, Clancy fired a 34- 37- 71 as he and Fisher led the Gauchos. The Bruins have scheduled a return match with the Gauchos in Los Angeles this week, while San Diego State and LA State also test the locals.

Friday and Saturday will wind up the season with the CCAA

36- hole Conference Tournament, to be held at La Cumbre.

Netters Win Ojai Tourney Team Title

Lee Reid and Don Gaynor, number one and two Gaucho netmen, won first place in the doubles competition in the Independent College division at the Ojai Tournament last week end.

The twosome defeated a strong University of Arizona team to gain the team title and trophy.

In singles competition Reid won runner-up honors in the finals as he lost his last match to Arizona's Willie Hernandez. In the semi-finals Reid defeated his old nemesis Gil Rodriguez of LA State by 6-1, 3-6, and 6-3 set scores.

Gaynor went to the quarter finals before bowing out of the singles play.

Starting tomorrow Coach Ed Doty and his squad will play hosts to the California Collegiate Athletic Association Tennis Championship meet on the campus courts. The three days of competition will determine the league champs, with UCSB accorded a strong chance to take the top spot.
