NOTED AUTHOR Aldous Huxley continues his series of talks on "The Human Situation" at UCSB this semester. Essayist-commentator Huxley, conferred the title of Doctor by this college last year, speaks in the campus auditorium each Monday at 4 p.m. —Photo by Bob Quittner

'Man Lives on Two Worlds: Personal, Historical'—Huxley

Dr. Aldous Huxley, who serves out his year at the University as a visiting professor-at-large this semester, returned to give a series of eight Monday afternoon lectures in the UCSB campus auditorium. The lecturer's subject remains "The Human Situation." Now he plans to deal with his material on a more personal or individual plane.

"We live in two worlds," the intellect told his audience yesterday. "However, the individual world does not correspond to the long-range world historians describe." Huxley called this "a strange amphibious experience, in which the private individual is embedded in history which he can perceive objectively and yet he doesn't experience objectively."

The renowned scholar, essayist, novelist and lecturer considered the relationship between the two aspects of human existence by discussing the relationship of the individual to society. He explained that as the laws of gases do not apply to the laws of molecules, the laws of society do not apply to the laws of individuals. Dr. Huxley pointed out that "what we experience is far from the essence of history perceived by historians at some future time."

"About 1/3 of individual life is passed outside history," Dr. Huxley said, "outside of time and space—in sleep." In contrast, the lecturer explained that "social organizations never sleep" but live in a state of "chronic insomnia" corrected only from time to time by individuals who do sleep.

The individual is also out of history, Huxley went on, during birth and early childhood, old age and decrepitude, sickness, and death. In fact, Huxley stated, "out of the average 70 year life span, the individual spends at least 40 years out of history."

Sororities' Pledges Spotlighted Sunday

"Presents Fall '59" will be given by the eight sororities on campus next Sunday afternoon in the Santa Barbara Flower Show building. Approximately 165 new pledges will be presented at that time.

The event will be limited exclusively to those with invitations. Most of the invitations have gone to parents of the pledges.

Another highlight of the event will be the awarding of the scholarship trophy to the sorority with the highest cumulative grade point average for last year. This trophy is awarded annually.

The pledges will be wearing white afternoon dresses and will carry flowers, announced Presents chairman Anita Barton. Ro McDermott is Panhellenic president.

Dancers' Workshop Begins on Tuesday

The first meeting of the Dance Workshop will be held next Tuesday evening at 7 p.m. in the New Dance Studio, room 1420, Robertson Gymnasium. The workshop is open to all students, both men and women who are interested in modern dance.

The group will be under the direction of Mary Tiffany, who comes to this campus from the University of Southern California, where she was a lecturer in dance and gave the first production of a creative dance thesis at that university.

The work was a dance-drama based on the life and poetry of the ancient Greek poet Sappho.

Miss Tiffany choreographed the ballet and danced the leading role. She was assisted by a chorus of dancers and actors. In addition to her work at USC, she has had an extensive profes-

RHA Ballot Set Monday

by Ilani Atwater

The Residence Housing Association will hold elections this Monday. The polls will be set up in front of the dining commons from 11 a.m. until 1 p.m. and from 5 p.m. until 6:30 p.m.

There are two vacancies which should be filled in this election: RHA vice president and RHA treasurer. Those running must have had at least a 2.0 grade point average last semester. The vice president must be at least a sophomore; the treasurer may be a freshman.

The new vice president's duties will be to lead the orientation, elections, and standards committees as well as to be the president's right hand man. The new treasurer will be expected to take charge of the collection of dues and to maintain a budget at all times.

The present officers of the RHA are Pat Hansen, president, and Mary Ellen Fairbanks, secretary. Pat Hansen says, "I expect a 50% turnout or better of the 1,300 possible votes."

Council OK's Cash For Band Director

In its first on-campus meeting of the new school year, UCSB's legislative council laid the groundwork for a new Gaucho marching band. Meeting Tuesday evening in the Huddle, the group added \$1,300 to the existing \$1,200 band appropriation to pay Hal Brendel as band director.

A marching band has been a sometime project on the UCSB campus for many years. One big stumbling block in the past has been arranging a sharing of authority between the music department and the student body. In the new program, the music department is required to provide only indirect supervision.

The new band as described by Brendel, who worked for three years as UCSB student band director and ROTC band director, will start out with fifty members, may grow to 125. It will play at football games, GGR, Spring Sing and other student activities. It performs tomorrow night.

Vice President Post Vacant, Rep Jobs and Class Offices Open; Ballotting Oct. 8-9

Signups for the vice president and several vacant positions on Legislative Council, class councils and AWS opened officially this morning, according to Leslie Higginbotham, co-chairman of elections. Signups will remain open for one week, closing next Thursday, Oct. 1, at 5 p.m. Elections are Oct. 8-9.

Positions open include vice president, women's representative-at-large and RHA men's representative. The position of AWS first vice president is open, senior class secretary, and all positions on the freshmen class council.

Constitutional Test

A constitutional test will be administered to all applicants next Friday at 3 p.m. This test must be passed in order to run for office. It will include Roberts Rules of Order. The test will be administered in building 431, room 110, by Miss Higginbotham. Anyone who cannot take it at that hour should contact the co-chairman at 6572 Sabado Tarde, Isla Vista or phone 7-6598.

Copies in GBM

Copies of the constitution are available in the Graduate Business Manager's office. Because of the amendments to the constitution passed last year, Leslie advised all candidates to obtain new copies.

Miss Higginbotham will O.K. all publicity to be used during the campaign. The due date for all publicity is Monday, Oct. 5. Copies of the publicity regulations are in the A.S. office. Each candidate is responsible for all his own publicity.

Newspaper Coverage

Each prospective candidate should contact *El Gaucho* as soon as possible concerning coverage of his campaign in the campus newspaper. "Any student failing to do so will be omitted from this form of publicity," announced Arlen Collier, editor.

In order to run for office a student must be carrying at least 12 units and shall have maintained a 2.0 average in his previous semester at UCSB if he attended here.

The vice presidential vacancy was created when Kitty Joyce vacated that position to become president. Sally Beth Jones, elected women's rep-at-large and Donna Weyand, elected senior class secretary were unable to fill their posts this year due to scholastic standing. Daryl Denning resigned his post as RHA men's rep to become a residence assistant, AWS vice president Vickie Post is now at Stanford.

Firehouse Five Play For Upcoming Dance

by Dorothy Bradbury

The Firehouse Five Plus Two will be the featured band at the All-School Dance Saturday, Oct. 3, in the campus auditorium from 8:30 p.m. to midnight. The Sigma Alpha Epsilons sponsor the dressy sport affair. Tickets are \$2 per couple.

The Dixieland jazz specialists, led by Ward Kimball, an ex-Santa Barbara resident, began their career in 1949 at the Walt Disney Studios. All of the members are Disney animators, writers and technicians who love jazz and play for the pleasure of it.

Jack Knudson, SAE in charge of the dance arrangements, said, "I feel that this group puts on a really unique show besides the fine jazz that they play. They do a swell job on a piece of dance music too."

The group still plays for the entertainment of the crowds at Disney's during the lunch hours there.

Tickets for the dance will be on sale beginning Monday, Sept. 28, and may be purchased from any Little Sister of Minerva or Sigma Alpha Epsilon, or in the Graduate Manager's Office.

Good-Will

Also the band will make good-will appearances at community affairs. Its members will also work in arranging and composing. Singing and dancing talent will be recruited from the student body.

Brendel will receive \$3,600 for his nine months' work this year. \$400 had already been appropriated, and \$1,300 was added Tuesday evening.

Spring Review

The remaining \$1,500 will come out of the profits of a proposed Spring Review, a show featuring the band and other student talent.

Senior class president Mike Rappaport voiced opposition to the salary appropriation for Brendel on the grounds that the athletics coaches and directors of other non-academic activities are not paid by the students. These directors are faculty members hired and paid by the college, Rappaport said.

Council advisor Dr. Stephan Goodspeed stated, "The music department has no budgetary allocation for this type of activity, and it is quite doubtful that they will in the foreseeable future, due to their commitments for expansion in the purely academic area." The proposal to pay Brendel was unanimously approved.

In other business, AS president Kitty Joyce announced her appointment of Jan Bartlett and Al Dexter as co-chairmen of the Special Events Committee and Lee Ann Potier as head of the Publicity Committee.

Huxley Lecture . . .

Continued from page one

Dr. Huxley then gave examples of how the individual goes on to live his personal life in the face of violent and catastrophic historical events. Huxley pointed out that both the poet Wordsworth and novelist Jane Austen wrote as if they were completely impervious to the French Revolution and Napoleonic Wars going on around them.

Dr. Huxley pointed out that while progress is experienced somewhat, it is more "observed than experienced." He reasoned that the reason for this was that "human life is not progressive—it goes up the scale and then sinks down with old age."

In conclusion, Dr. Huxley said that "young people must be prepared to live in both worlds—the historical and the individual"—and be aware of this ambivalence in order to be useful citizens.

THE COPY CAT . . .

by Pat Gower

In spite of the fact that words of welcome are as worn out by now as the June issue of Playboy, the Copy Cat returns for this issue only to say hi to all the frosh and extend a big "Welcome back" to all Gauchos.

The social wheels continued to turn through the summer months with the result that this controversial column is able to report some twenty-five weddings, a dozen engagements and two pinnings, and still have an abundance of news for next Friday's edition.

Wedding news: Must include in the long list of newlyweds Phil and Ann (Ferrick) Cranford, Norm and Sherrie (Rainville) Thompson, Bob and Sara (Ketchum) Edson, Bob and Joan (Strand) Kieding, Bruce and Ann (Worrell) Langshaw, Dick and Sandi (Barth) Acres, Sam and Bonnie (Chaffee) Cooper, Roger and Edie (Johnson) Wells, Ron and Pat (Campbell) Wise, John and Faith (Jackson) Geoghegan, Art and Jacquie (Loveless) Moore, Jerry and Carolinè (Rehbock) Harter, Lee and Linda (Wilson) Nord, Russ and Sally (Moore) Symon, George and Carol (Lewis) Baldwin, Brian and Maureen (Mahoney) Shuts, and Pat and Rosemary (Deauville) MacKinga.

And there were nine (!) weddings in the Theta house this summer—Don and Carole (Huggins) McGill, Bill and Susie (House) McEuen, Owen and Laurie (Wallace) Guitteau, Ron and Charlene (Gant) Speer, Jim and Lindsay (Rand) Barber, Howard and Diane (Farrill) Crawford, Herb and Ann (Young) Williamson, Don and Donna (Mallon) Ball, and Doug and Barbara (Banks) Canetsey.

Theta brides-to-be are Sue Hoelscher, engaged to Sam Adams, and Jo Ann Taylor whose fiance is Delt Jim Hezlep. Out in Isla Vista last week Madeleine Vandenberg announced her engagement to Pat Hayes, and Judy Dilley is now wearing a diamond ring from a fellow named Kerry Gough, a former Gaucho now at Hastings. Other engaged twosomes are Dave Gifford and Marcia Davis, Ron Atwood and Joan Spelgatti, Chuck Brown and Ginger Sylar, KS Jon Funkhouser and DG Peggy Humphreys, Sig Ep Bernie Metzger and Alpha Phi Connie Mohler, Sam Adams and Theta Sue Hoelscher, Andy Anderson and Annette Swartz and Walt Harris and Alpha Phi Cindy Soth.

Pinnings: Judy Kirk is wearing the fraternity pin of Dick Arnold, and Pi Phi Michelle Gerien blew out the candle Monday night to announce her pinning to SAE Keith La Mont.

Many of the Gauchos who didn't stay home this summer to attend weddings, hopped jets, buses, boats and Vespas to see the world. While Chi O sisters, Jan Silver, Margie Lindsey, Judy Dean and Nancy Jo Woodhead sunned at Waikiki, Dale Richards and Carolyn Jones toured Europe and Carolyn, we hear, is still in Holland . . . Dear Suzie,

Hi again. It certainly has been a rush around this campus for the last week. Speaking of rushing, congratulations to all the sororities on their terrific pledge classes. A lot of work went into this rush season and a well deserved sense of satisfaction with all concerned was the result.

Presents, one of the gayest social functions of the year will be held at Earl Warren Park with individual receptions at the sorority houses afterwards. It seems to me the perfect occasion for all you tired overworked actives to pat yourselves on the back and rejuvenate your nueral systems with my item of the week, a simulated fur jacket, that will make you feel like the Sultana of Ankershagen. This short bolero jacket is made to look like broad tail with a detachable simulated mink collar and push up sleeves. It can be worn with dressy sport as well as party dresses. The price you won't believe, only \$29.95.

Saturday night the Gauchos will meet Whittier in what should be a very exciting game. The diminishing number of surfboards on the beach seems to be a fairly good indication that the weather is getting chilly, so now is a good time to start thinking about coats. My favorite is a double breasted boy coat in 75% wool and 25% Camel hair. The belted back gives you that sporty look, while the front with white pearl buttons, patch pockets and hand picking trim adds that strictly feminine look you want. The price is \$55.95. In the same category we have a beautiful selection in wool fleeces, tweeds, and anything else you may have in mind.

Before I go Suzie, one more thing, you would be as Excited as I am if you saw yourself in a matching wool skirt and sweater. From slim skirts to full skirts, from classic cardigans to novelty, we have them all at Lou Rose Annex, the store behind the big tree. Come in and see me Saturday.

Until next week, I remain your annex rep.

Kay

Thirteen games are scheduled for Robertson Gym. The Gauchos will make their 14th local appearance in the National Guard Armory against host Westmont College in the season's windup.

The schedule:
 Dec. 1—Cal Poly (Pomona), away.
 Dec. 4—Univ. of California, home.
 Dec. 5—Whittier College, home.

Cody Names Soph For Left End Spot, Hildebrandt Injured

Starting end Gary Hildebrandt is the only casualty from the Long Beach State game and Coach Ed Cody announced soph Ken Brouard from South Gate will replace him at the left wing. Hildebrandt left the State game early with a wrenched arm and is very doubtful for the Whittier game tomorrow night.

Cody mildly revamped the lineup with Phil Kirpatrick, shifty right half from Pierce JC and the UCLA frosh named to replace Fred Tunncliffe, with the latter reserved mainly for passing situations.

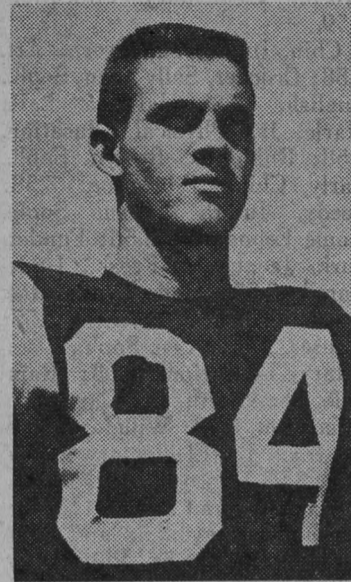

Ed Rindahl replaces Tom Stoffel at the right guard spot as the only other change in the starting eleven.

Jim Boyett, who was the bread and butter man for the Gauchos last week, will continue to draw a heavy duty of the running chores.

Jim St. Clair will continue his signal calling duties and Dennis Vaughn at fullback will round out the backs.

WRA Outing

The Women's Recreation Association is having an outing to the College Cabin Oct. 10-11. This event is open to all women students. Hiking, horseback riding and swimming will be offered. Sign-up lists are in the women's dorms and in the new gym. Sign up before Oct. 5.

Fresh From Cal Aggie Win, Poets Invade La Playa to Face Favored Gaucho Eleven

by Jerry Tune

Whittier's Poets come into Santa Barbara with the first stanza written on a successful '59 football slate via their 21-0 blanking of the Cal Aggies but look for the second stanza to be tougher in meeting Coach Ed Cody's Gaucho's tomorrow night at 8 p.m. at La Playa Stadium.

Gary Campbell, the top collegiate passer in the nation last year is back after having led the Poets to a 9-1 record last season. 15 lettermen are back from that banner season which included a 7-6 win over the Gauchos.

Campbell, classified as a question mark due to the switch from his normal halfback spot to quarterback, dispelled all doubts in the Aggie game by scoring all the TD's.

His passing wasn't needed too much in this game as the Poets kept the ball on the ground and pushed the Aggies all over the field. Undoubtedly his fine arm will be brought into play tomorrow night. Last year Campbell threw 139 times, completed 87 for 1,237 yards for a .626 percentage and had only seven interceptions.

A fine runner he added 422 yards rushing in 35 carries for a total yardage count of 1,650 and his new position will give him a better chance to use this ability on the run-pass option which drives defenses daffy. He seems destined for another great year after earning second team NAIA All-American.

The scouting report shows two deep in the line and a good backfield which is largely due to the 15 lettermen.

Nine linemen return which include the first two centers, the first three guards and two of the top three tackles. Ends seem lean until you look at the junior college transfers which reveal Ken Gregory, a All-Conference end for Cerritos and a former high school running mate with Campbell. He is the receiver to watch as Campbell tries to "renew acquaintances" through the air-planes.

Cerritos also sends halfback John Sherman who Poet Coach Don Coryell says "He's only a sophomore, but he has the ability to become the best runner on our team."

Another JC transfer Ed Bain, former All-American from Orange Coast will try to break in to the line anchored by wee Charlie M'Murtry, who at 300 pounds makes quite an anchor for any line, whether boat or football.

Whittier feels this outstanding offensive blocker is their second All-American candidate along with Campbell. He also played with Campbell at Whittier High.

Returning backs which figure in Coach Coryell's modified T offense are two deep in each spot. A bevy of small skat backs similar to the Gauchos, are led by LeRoy Anderson, a versatile man

who can play half, end or quarterback.

The Poet offense features a combination of "I" and "T" formations. The I formation lines up one or both halfbacks behind the fullback.

Mt. SAC Harrier Meet Tomorrow, Gauchos Enter 8

Santa Barbara's cross-country team, led by veteran Roland Cordobes, heads southward tomorrow for an AAU-sponsored meet at Mt. San Antonio Junior College.

Top long distance runners in Southern California will participate on the new 2.7 mile course.

Cordobes will lead veterans Coyt Davis, Dennis Kavanaugh and Bob Oldham, along with Dick Ryono and Dick Aced, who are up from last year's frosh. Newcomers Jim McIlwain and Barrett Miller will strengthen UCSB's harriers for tomorrow's run.

Several other CCAA schools compete for the team medals, including defending conference champion San Diego State. Long Beach State with outstanding marathon runner Tom Ryan, is best fitted to dethrone the Aztecs.

Cordobes and Kavanaugh ran in a practice AAU meet last Saturday at UCLA. Bob Soth, record-holder of the UCSB course, set a new course record at the meet.

After-Game Dance

There will be an A.S. after-game dance in the campus auditorium tomorrow night free to members of UCSB and Whittier associated student organizations.

Dave Hall's band will provide the music for the affair which lasts until 12:30 a.m.

"Hey Bud, Want to trade signs for a while?"

A BENEFICIAL BAN . . .

The banning of the Soph-Frosh Mud Brawl by the Dean of Students' office was a step in the right direction. Serious consequences can result from many seemingly innocent activities such as this. Just a few years ago a fraternity initiation at this campus, though harmless at the time, resulted in the drowning of a student.

The new law has forced the lower classmen to find a substitute. A field day is better than a mud brawl, but seems to fall far short of the new goals set forth by Chancellor Gould in his recent addresses on campus.

A Starting Place

The chancellor has challenged the students to "raise their level of expectation." Here is one place to start. It would be a good thing if all that energy expended on the playing field next week could be put to some lasting use.

This year a substitute was needed in a hurry. Tim Naegele and his consultants have come up with a good replacement for the spur of the moment. But there is a whole year to plan the next such event. Merely having a "field day" should not become as firmly entrenched as the mud brawl was.

Many Ideas Around

Many people on this campus, students, faculty and administrators, undoubtedly have excellent ideas for an event that is both enjoyable and worthwhile. The freshmen class, who will be directing this affair next year, should begin inquiring of others now, as well as coming up with suggestions of their own about what to do next year.

Fullbright . . .

Continued from page one
at time of application; 2) a bachelor's degree or its equivalent by 1960; 3) knowledge of the language of the host country; and 4) good health.

A demonstrated capacity for independent study and a good academic record are also necessary. Preference is given to applicants under 35 years of age who have not previously lived or studied abroad.

Applicants will be required to submit a plan of proposed study that can be carried out profitably within the year abroad. Successful candidates are required to be affiliated with approved institutions of higher learning abroad.

Competitions for the 1960-61 academic year close Nov. 1, 1959. Requests for application forms must be postmarked before Oct. 15. Completed applications must be submitted by Nov. 1. Applicants should contact the office of Honors and Scholarships.

WELCOME LETTER BY KERR . . .

To University of California Students, both new and returning: Do you feel a surge of real excitement at the prospect of the semester ahead? You should, for learning at the college level and beyond can be one of the most intensely exciting and satisfying of human adventures.

Do you appreciate the worth of your opportunity for an excellent university education? There are literally hundreds of thousands of students around the world who would cherish such an opportunity. You should do no less.

Are you prepared for hard work? Scholarship is a rigorous undertaking; its rewards are not for the lazy, the superficial, the indifferent.

To those of you who can answer affirmatively, I extend an enthusiastic welcome. You are the students a great university deserves and needs. And a great university is what you deserve and need. May our association be mutually satisfying and enriching.

Clark Kerr
President of the
University of California

Placement Meeting

All teaching candidates who will receive credentials in January, June or August, 1960, are invited to attend a placement meeting Thursday, Oct. 1, in the auditorium of the new Classroom Building, Room 1004, at 4 p.m. Placement Office Manager E. L. Chalberg announced today.

"This is the only placement meeting to be conducted for teachers receiving credentials in 1960 either through the University or through the state," Chal-

berg explained. "At that time, the necessary registration forms will be distributed, the prospective teachers will be oriented as to procedures of the placement office, and consequently, it is imperative that they attend this meeting."
