

EASTER PARADE AND RELAYS THIS WEEKEND

City's First Easter Parade Set For This Saturday

This Saturday morning all of Santa Barbara will have a chance to witness the city's first annual Easter Parade. Sponsored jointly by the Junior Chamber of Commerce and the Associated Students of Santa Barbara College, the parade is intended to become the spring version, though on a smaller scale, of the annual Homecoming Parade held each fall.

The parade will be held Saturday morning at 11:00 am and will proceed down State Street from Micheltorena to De la Guerra. Serving as a starter for the day, the parade will be followed by the Santa Barbara Easter Relays, in which over 1000 athletes from California high schools, junior colleges, and colleges will compete. These relays will be held at the La Playa Field with an afternoon program from 1-5 and an evening program from 7-9:30.

Sponsors are urging campus organizations to vie in the competition by entering a float which should be no larger than car-size. Trailers or small trucks may be used as well as cars, however. The Graduate Manager's Office is the place to sign up.

The theme for the floats in the parade is broad enough to allow for much freedom of the imagination, the only restriction being to combine an Easter motif with something concerning the relays.

A large perpetual trophy will be presented to the winning organization or entrant who can retain it permanently by winning for three consecutive years. On Saturday, first prize will be the trophy and \$20.00; second will be \$15.00; and third will be \$10.00.

The entrants to date are as follows: Sigma Pi, Delta Sigma Phi, Kappa Alpha Theta, Kappa Sigma, Sigma Kappa, and Delta Tau Delta.

Delta Gamma Leads Sorority Averages

Fall semester's comparative sorority grade averages show that Delta Gamma held the highest average, a 1.537 overall. Kappa Alpha Theta placed second, with a 1.500 overall.

Evelyn Buchanan of DSE won individual honors with a 3.00 average. She was followed in order by Barbara C. Marshall, KAT, 2.80; Sheila Livingston, SK, 2.78; Lavonne Dohm, CO, 2.75; Nancy Rasmussen, AP, 2.71; Mary Kura, KAT, 2.69; Margot Abbott, AP, 2.62; Sharon Kittle, AP, 2.61; Carole Wells, KAT, 2.57; Patricia Seiber, PBB, 2.57; Jane Engel, DC, 2.55; Louise Reisner, PBB, 2.55; Catherine Cox, CO, 2.53; Sybil Horne, DSE, 2.53; Carol Funk, KAT, 2.50; June Ledbetter, DSE, 2.50; Lorraine Lindquist, ADP, 2.46; Joe Anne Bookhamer, DG, 2.40; Melinda Horn, DG, 2.40; Jean Watt, SK, 2.40; Joanne Shearer, CO, 2.38; Trudy Mulkey, DSE, 2.37; Harriet Hadley, CO, 2.35; Ione Smith, DG, 2.35; Joyce Moffett, SK, 2.31; Gloria Jaral, CO, 2.30; Sharlee Welsh, DG, 2.30; Shirley Lebus, SK, 2.29; Georgia Baciu, DG, 2.28; Marcia Munger, CO, 2.26; Patricia Williams, KAT, 2.26; Virginia Jewell, DG, 2.25.

The overall sorority averages follows.

Delta Gamma	1.537
Kappa Alpha Theta	1.500
Delta Sigma Epsilon	1.495
Chi Omega	1.479
Alpha Delta Pi	1.440
Alpha Phi	1.401
Sigma Kappa	1.310
Pi Beta Phi	1.238
All sorority average	1.426
All women's average	1.461

Sigma Kappa First in Parasol Prom Contest

Sigma Kappa Sorority took first place in the annual parasol contest at the Parasol Prom Saturday night. The winning entry consisted of a star shaped design with blue iris, yellow daffodils and white stocks. Chi Omega received the second place trophy, and Pi Beta Phi was third.

An honorable mention was given to Sigma Tau Gamma fraternity for their unusual entry.

June Murphy
To preside at Easter Relays

Whiskers Take Time -- Get Set for Barbary

Today is Whiskerino Day!—the official start of Santa Barbary Coast Carnival gets underway today with sign-ups for the Whiskerino contest. Trophies will go to the longest whiskers, the best looking ones, and the fraternity having the largest number of be-whiskered men.

Thirty three booths are entered in Barbary Coast, April 17, 18. The booths will be situated on the Men's Gym lawn and in the Quad area, and will be open from 6:30 to 11:00 both evenings. All kinds of booths are being planned—two China towns, a huge fun house, three talent shows and "games of daring skill and chance."

Trophies and Sweepstakes will go to the best booths, and an added prize this year will go to the booth making the most money. Judges for Barbary Coast will be chosen from the student body officers of nearby campuses and from the members of downtown services clubs.

No money will be allowed at the booths. Script money will be sold at three ticket booths for use at the various concessions. 60 per cent of the proceeds will go to the individual booths, and 40 per cent to the student body treasury.

Barbary Coast is under student body direction with Bill Campbell as chairman. The committee promises that this year's Barbary will be bigger and better than ever, and urges all to attend.

Dr. Meshke Speaks At Home Ec Meet

Dr. Edna Meshke, chairman of the college home economics department, was a principal speaker in the college and university section of the three-day California Home Economics Association convention held in San Francisco last weekend. Other faculty members attending the convention were Miss Beverly M. Myers, instructor in home economics; Dr. Charlotte E. Biester, professor of home economics; and Miss Alice V. Bradley, professor of home economics.

Home economics students who attended the event were Virginia Kluth, Shirley Melsheimer, Joanne Meek, Joanne Churchill, Marge Adams, and Phyllis Bell.

Following the convention, the faculty members went to the Davis campus for the dedication of the new home economics building, where Dr. Meshke was one of the dedication speakers.

Senior Speakers

Senior students interested in being one of the student speakers at Commencement ceremonies should contact Dr. Rollin Quimby in Oak Hall, room 1 before April 15. Students do not need to be speech majors to participate, as Dr. Quimby will screen and coach seniors.

Contest to be Held For La Cumbre Sales; Prizes are Offered

The La Cumbre sales contest, which starts today, will last till April 25, announced Dave Hodgkin, business manager. All organizations on campus, and any individuals, may enter this contest.

Receipt books may be obtained in the Graduate Manager's office, where they must be returned before April 25. The yearbooks cost \$4 and deposits are non-refundable. A \$2 non-refundable deposit may be taken and considered as a sale for contest purposes.

The La Cumbre will handle all publicity, but it is requested that someone be appointed to coordinate sales within each organization. Requests for the use of ticket booth, including the specific hours and dates, may be submitted to the La Cumbre office, Oak Hall 101.

The number of copies ordered this year has been less than in any previous years and students should get their copies early. A complimentary copy of the yearbook will be given to the individual selling the most copies, and inscribed copies will be given to groups selling over 75 copies. Two cups will be given to the organizations with the highest number of sales.

For any information regarding the sales, check Sue Bullis, La Cumbre editor, or Dave Hodgkin, business manager.

Provost Comments On U. C. Fee Increase

In connection with the proposed raise in University fees, Provost J. Harold Williams recently issued statements to the student body. Although he said that he does not know what the Regents intend to do, Dr. Williams stated that "normally legislature does not set fees for the University, the Regents do." He added that "the state has always treated us generously in the past, and will no doubt continue to do so." That is, considering the fact the State Legislature votes the proposed fee raise through.

Dr. Williams pointed out that the University of California is a public institution with no tuition as such. The incidental fee that is charged covers a wide range of laboratory, testing and health services for students. The administration felt that UCSBC students should be aware of the low teaching load, small classes and strong undergraduate program offered here. Dr. Williams further said, "UCSBC has tried to offer an education program similar to ones offered by some of the famous private colleges, which has never been done before by a state university."

If the incidental fee is raised, Dr. Williams will strongly recommend that a part of the extra money be used here to support a counselling and testing service similar to the one at Berkeley or UCLA.

The State Assembly Ways and Means Committee met last week to resume budget discussions. The Committee had met previously and voted to cut the University budget by 2.5 million, and then appointed a sub-committee headed by Lloyd Lowrey to reconsider the whole situation and the recommendation that student fees be doubled to help support University costs.

Dance Concert Set To Run April 10, 11

Dancerama '53, the twenty-third annual dance concert to be presented by members of the women's physical education department will present a program of selections from 'pops' to contemporary dance to be held in the Riviera Auditorium on April 10 and 11.

The first theme to make its debut on the program will be a Hebrew dance under the International theme. Cast in this will be: Pat Malvey, Mary Whitney, Marilyn Child, Shirley Thorne, Fay Taylor, Margie Higgs, and Rena Frabony, director.

Also in this same section will be number entitled "Ring Around the World", carrying out a folk theme. Participating in it will be: Dixie Kucera, director, Peggy Davis, Lou Divine, Rena Frabony, Marilyn Child, Jo Smith, Shirley Thorne, Mary Whitney, Maxine Dekker, and Pat Richardson.

Included in the contemporary modern numbers will be a fantasy performed in solhouette entitled "Jet" which will be danced to "Perfume Set to Music" by Ravel and Hoffman. Cast in this will be: Marian Combs, director, Elaine Marinoff, Joyce Wilson, Ann Schlegel, Pat Stoft, Bev McCoy, Pat Malvey, and Rena Frabony.

Also to be presented under this theme will be a take-off on the effect of T.V. on our present society, directed by Jean Bellingier, and "Color and Design", done without musical accompaniment directed by Betsy Ross.

Under the Classical heading will be "Ballet Waltz" directed by Ann Pilkenton and including Jeannie Potter, Fay Taylor, Trudy Mulkey and Shirley Thorne.

The Pops section will be set around the local drugstore and jukebox with music by Leroy Anderson. In the cast will be Marilyn Child, Rena Frabony, Mary Hall, Dixie Kucera, Jeannie Potter, Jo Smith, Shirley Thorne, Joyce Wilson, Bill Kindel, and director Pat Stoft. Also included on the program will be a suite set to the "Scaramouche" music.

What promises to be one of the most spectacular numbers of the program is entitled "Carnival" with a cast of eighteen dancers composed by one of Miss Bellingier's Modern Dance Classes, and is being directed by Kathy Small and Claudine Casey.

Jazz Club Features Kid Ory, and Others

The newly formed Jazz Club, sponsored by Sigma Pi will hold its first meeting this Monday at 4 in Pine Hall 103. The opening session will feature the early jazz of New Orleans, including records by Joe Oliver, Bunk Johnson, Kid Ory, George Lewis, and other early jazz musicians.

Joe Costantino, who will be the first collector presented has stated that the club will attempt to give students a background for the understanding of jazz.

The first sessions will carry the music from its early beginning in New Orleans, to the developments as it was introduced in Memphis, St. Louis, Chicago and New York. Later sessions will be devoted to the development of big band jazz, swing, and the newer progressive forms of jazz.

There are no dues required, and no sign up for membership. Students who are interested are invited to attend, and to join in the discussion of Jazz music.

Students To Vote On Fee Increase In Special Election

A special election will be held next Wednesday and Thursday to vote on an increase in student body fees.

The ballot will ask whether the Associated Students should ask the Regents to approve the increase in fees or keep the fee at \$10 and reduce the number and scope of activities.

If the majority of the students vote to ask the Regents for the increase in the fee, the request will come up at the next meeting of the Regents this month. If they approve the request they will collect it when registration fees are collected.

The matter of an increase in the student body fee came up at a recent Finance Committee meeting. With increased costs, the committee has been having trouble adjusting the 1953-54 budget. To increase the student body fee seems to be the only solution, according to Dave Hodgkin, Finance chairman.

The Associated Students now receive \$10 out of the \$45 collected from each student every semester.

See Ballot—Page 2

Dr. Cole To Speak On The Family Tree

Are there monkeys in your family tree? Dr. Fay-Cooper Cole, world famous anthropologist, will speak on "The Family Tree" at an assembly on Tuesday, April 14, at 11 am in the auditorium.

Dr. Cole, professor emeritus and former chairman of the University of Chicago's anthropology department, is a lecturer and writer on Southeast and Asiatic history and ethnology. He has been on expeditions in the American southwest, and among the pagan tribes in the Philippines. He was the leader of the Fried Museum expedition to the Malay Peninsula, Sumatra, Java, and Borneo.

The lecture has been made possible through funds allocated by Provost Williams for purpose of bringing distinguished speakers to the campus as a special assembly feature.

Class Makes Bunnies For Hillside House

An assemblage of Easter bunnies—about half the size of the imaginary Harvey, but quite visible—crowded into Hillside House one morning and became a symbol of joy for the crippled children.

Made of paper, cotton batting, wire, string and ingenuity they were each hand-made by Santa Barbara College students in an industrial arts class on integrated activities. The class features learn-by-doing techniques for prospective teachers who will guide the children in the manipulative activity of making special classroom decorations for events and holidays.

Edward A. Kincaid, instructor in industrial arts, teaches the course.

VETERANS

Veterans should be sure to withdraw officially when they cease to attend classes or drop out of college. They are not entitled to receive subsistence when not in regular attendance, nor to full subsistence if they drop below the required minimum number of units for full subsistence. Failure to comply with official procedures will result in their being billed for overpayment by the U. S. Veterans Administration.

Zytowski Heads Cast For Spring Musical

Mr. Carl Zytowski is cast as Barnby, the male lead in "Sing Out Sweet Land," the spring musical which will be produced May 14, 15, and 16. The production, a musical biography of American song, features Barnby Goodchild, an ageless man who sings and dances his way from the time of the New England Puritans to the present day. It includes songs that gave become part of American history.

In leading parts are Minor Rootes as the villain; Pete Kane, Parson Kiljoy; Gerry Cox, Prucilla; Joanne Reynolds, Aunt Charity; Bob Vogelsang, Henry; Dave Watson, Fendly; Rolf Linn, Big Bear; Arlan Welch, Johnny; and Jackie Jackson, Frankie.

Also portraying major roles are Gary Hess, Bob Hambleton, Ray Cooper, Frank Rowley, Claire Arnold, George Meinke, Mary Otten, Pat Williams, Frank Dumoulin, Connie Kilgore, Arlan Welch, and Marilyn Child. There are approximately 75 others in the cast.

The production is under the direction of Dr. Edwin Schoell. Jean Bellingier is in charge of choreography and Mr. Zytowski is in charge of the vocal music.

Anyone interested in costuming or doing backstage work may contact Mr. Zytowski.

Cambridge to Debate SBC Students, Monday

Tickets are now on sale at the Lobero Theater for the forthcoming international debate event featuring a team from Cambridge University, England, versus Santa Barbara College of the University of California, to be given at the Lobero on April 6 at 8 p.m.

Tickets are also being handled by University of California Extension, 906 Santa Barbara St., and the Graduate Manager's office at the College. Reduced prices are in effect for students.

This event, which will bring to Santa Barbara one of the most brilliant debate teams in England, is jointly sponsored on a non-profit basis by the College Committee on Drama, Lectures and Music, University Extension, Department of Speech, and the Associated Students.

The subject of the debate is one of vital interest in this day of political and military unrest, "Resolved: That Every Young Country is a Threat to World Peace."

The Cambridge team will consist of Peter Mansfield and Alastair Sampson, both from colleges which are part of Cambridge University. Santa Barbara College debaters will be Peter Kane and William Hoisington, leading campus orators, who have been working under Dr. Upton S. Palmer, assistant professor of speech and debate coach at the College.

The Cambridge men are being brought to this country for a nationwide tour by the Institute of International Education of New York.

For Increased Fees...

A special election will be held next week to pass on a proposal to raise the Associated Students fee by three dollars. To some students, this increase may seem unnecessary, but it is indeed very necessary for the continuance of the numerous student body activities. Budgets for next year's activities were submitted to the Finance Committee two weeks ago. Practically every activity asked for more funds. If the student enrollment remains the same as it was this year, there will not be enough money to grant these increases. In fact, with increased costs, some activities will have to be cut. Student body fees have not been raised since 1947, but costs have gone up considerably. If we expect to support the same activities that we have been, this increase in student body fees must be passed.

New P.E. Credential Requirements Set

The State Department of Education is now studying a new set of requirements for the special secondary credential in physical education. This new credential will be considered for acceptance in July, to take effect in September, 1955.

This was reported by Dr. Theodore Harder, chairman of the Men's physical education department at Santa Barbara College, as revealed in a recent meeting called by the State Department of Education on this subject. In general, Dr. Harder said that the new requirements call for more of an emphasis on education and physical education courses without sacrificing any of the general education aspects. The new standards are designed to serve teacher training from the elementary level to junior college.

The over-supply of physical education teachers that existed several years ago, Dr. Harder stated, has disappeared and now there is a shortage. The total number of men and women expected to graduate with general and special secondary credentials in the field of

Ballot

Vote on one proposal or the other

Shall the Associated Students request the administration of the University of California to approve an increase in the Associated Students fee from \$10.00 to \$13.00 commencing with the school year 1953-54?

YES

or

Shall the Associated Students retain the Associated Students fee at \$10.00 with an accompanying reduction in the number and scope of student body activities?

YES

physical education will be one-third less than graduated last year.

He emphasized that the new credential requirements in this field should not be construed as a means of getting more teachers or lowering the standards. "Actually, the sole reason is to improve the quality of our prospective teachers by requiring more of them," Dr. Harder stated.

Teacher training was first inaugurated at Santa Barbara College in 1906.

SBC Philosophy Club To Meet Tonight

The Philosophy Club of Santa Barbara College of the University of California will hold its second meeting today at the home of Dr. Harry Girvetz, 1555 Alameda Padre Sierra. The subject to be discussed at the meeting is "Does the Artist Have a Moral Obligation to Society?"

All interested students are invited to attend the meeting and may obtain a brief mimeographed sheet on the subject in Room 109, West Hall.

Alpha Phi Omega Meets; Plans Many Activities

Alpha Phi Omega, National Service Fraternity, began its semester's activities with a formal meeting. President Bill La Porte presided at the meeting which was attended by 12 new pledges.

The fraternity is planning to take charge of a food booth at the CIEA convention. With the proceeds from the booth, aid will be given towards scout work.

Membership is still open to both Riviera and Mesa men to join the fraternity and participate in the many activities that are planned.

Jean Newham Appointed New Office Manager

Jean Newham was appointed by the Council last week to fill the position of Office Manager left vacant when Ford Kaiser resigned the position.

Dr. John Wilson Lectures On Canadian Education

This afternoon at 4 pm in Pine Hall 100 Dr. John A. R. Wilson, assistant professor of education, will speak on "Canadian Education." He taught for seven years in British Columbia before coming to Santa Barbara in 1951. Dr. Wilson will discuss the differences between the educational systems of Canada and the United States including educational movements, course studies, guidance, counselling, and the Canadian Education Association.

At last week's All-College Lecture Dr. Lawrence Willson, assistant professor of English at Santa Barbara College, in his well documented talk, entitled "The 'Body Electric' (Whitman) Meets the Genteel Tradition", reported the reactions of Longfellow, Lowell, Holmes, Whittier, Emerson, and Thoreau to Walt Whitman's writing and personality.

He explained that all Whitman's contemporary writers were objects of suspicion by him. "Carefully non-respectable himself, he distrusted the respectability of the Cambridge poets," Willson stated. "He was suspicious of their edu-

cation, and quite sure they would use it to make a fool of him."

More than anything else, however, he resented the success that came to the New England writers, who followed principles utterly abhorrent to him.

A large part of the lecture was devoted to Whitman's association with Emerson to whom he owed a greater debt than to anyone else.

Whitman's one aim was to please Emerson whom he thought to be as nearly god as one could find on earth. He wanted to win him for a friend, but because of unintentional blunders instead succeeded in creating a series of misunderstandings.

In conclusion Dr. Willson again emphasized Whitman's complete failure to comprehend Emerson of any other New Englander.

SBC Coed Candidate Of Home Ec Group

Shirley Melsheimer, an attractive coed of the University of California, Santa Barbara College, has been selected by the national nominating committee of the American Home Economics Association as one of two candidates for president of the association's department of college clubs, it was announced by Dr. Edna Meshke, chairman of the home economics department at Santa Barbara College.

An active leader in the college Home Economics Club and participant in other student organizations, Miss Melsheimer was selected over scores of candidates as her name was passed up the chain of command in the home economics organizations. She was first selected by the Southern California province, comprising ten clubs, and then chosen as the candidate for the State of California. From the eight candidates nominated by eight states, Miss Melsheimer was picked as one of two candidates for the top job in the American Home Economics Association.

The election will be conducted by mail and will be completed the latter part of next week.

The 20-year-old coed is the daughter of Mr. and Mrs. Fred Melsheimer of Montebello. She graduated from Montebello High School and is a junior here this year. In addition to being president of the Santa Barbara College Home Economics Club, she is president of Kappa Omicron Phi, national honorary home economics fraternity, a former vice-president of Chimes, honorary service organization for junior women, and a member of Delta Sigma Epsilon.

SPRING SPRINGS . . .

A several act playlette presented by the Quad Players. The opening scene takes place around the lawn that stretches in front of the Men's Gym.

1st Jock: They put the fence around the lawn . . . we can't sit down there no more.

1st Hot Dog: Nancy would you like to go to the formal with me?

1st Gardner: Now the grass will grow and it will be pretty and green.

1st Teacher: The kids just sit and stare out the window. I can't keep their attention on the lecture.

1st Wheel: And the formal just has to be a success. Rally committee has to make money . . . so we gotta make them go whether they want to or not.

1st Hot Dog: Sally will you go to the Spring Formal with me?

1st Gardner: I'll fill the quad pool, and then we'll sprinkle the grass, and then the dogs will come.

1st Jock: That infield is lousy, the sod's no good. The grass is too new and slippery.

Music Major: Let's play the Pines of Rome . . . it will fit the weather.

Music Major Number 2: Let's play "Foggy Day" by Gershwin. It will be more appropriate.

1st Hot Dog: Helen, will you go to the formal with me?

The scenery changes to the front of the book store.

1st Gardner: The old leaves are filling up the pool. Prospective Freshman, visiting the campus, comes up steps, looks across the quad area. "Very picturesque," he says.

The scenery is wafted out, and a classroom scene take its place.
Teacher: Chlorophyll green will go to war.

Girl: It smells like wildflowers, and lupin, and I wish I could walk through the grass bare-foot.

1st Hot Dog: Forget the grass, do you want to go to the formal with me or not?

Boy: I'd like to be up in the Sierras with a fly pole, and a rushing brook, and lots of nobody around.

Teacher: The mid semester test will be next week.

2nd Girl: And I have a date for a beach party Sunday night!

Everything disappears, and there is a green mist rising from the ground. The air is filled with the odor of spring blossoms. A shaft of golden moonlight filters down to barely distinguish a couple in an automobile. The top is down, and the radio is playing "April Showers."

Girl: It's been beautiful, the whole evening. The parasols were tremendous. I'm glad the Nylon Gam Too won the prize—theirs was the best.

1st Hot Dog: The punch was lousy, but I'm glad you were my date. I wasn't going to ask anyone but you, and I'm sure glad you could make it.

Girl: I don't care about that mid semester Monday anyhow.

Teacher: Blue Books, and charcoal pencils only please. You have 20 minutes for each question. You may use green ink.

Marian Combs Tells DGs of Engagement

The engagement of Marian Combs and Ralph Yates was announced recently by the passing of chocolates to the Delta Gammas and traditional cigars to the members of Delta Tau Delta.

Marian is a P.E. major and transferred to UCSBC from Chaffey Junior College. She is a member of Delta Gamma and serves as historian for the sorority.

Ralph, an I.A. major from Piqua, Ohio, transferred here from Indiana University. He is a member of Delta Tau Delta fraternity where he holds the office of assistant pledge trainer.

They plan an August wedding and then will return to UCSBC to complete their requirements for graduation.

Pat Alexander Speaker At History Club Meet

Pat Alexander will speak on "The Conquest of the American Indians" at the next meeting of the History Club tomorrow at 7:30 pm in the AWS room. Discussion and a question period will be led by Dr. Wilbur Jacobs. Bill Harrison, president, urges all history majors and other students to attend, since the subject is of widespread interest.

Other officers of the group are Wayne Douglas, vice-president; and Johanna Roettcher, secretary-treasurer. Dr. Henry Adams is the advisor.

CHANGE OF ADDRESS

All students who have changed their local residence address since the beginning of this semester should report to the Housing Office and fill out a change of address card. It is important that the Housing Office maintain a complete and correct file of local address and telephone numbers of all students enrolled in college.

The music building on the Riviera Campus of Santa Barbara College was built in 1917.

EASTER RELAYS HERE SATURDAY

Carter Enters 12 Gauchos in Big Meet at La Playa Field; Entries Total Over 1200

Some 1200 track and field athletes, representing over 70 high schools, junior colleges, colleges, athletic clubs and service teams, will pour into La Playa Field Saturday for the 15th annual Santa Barbara Easter Relays. The annual track festival, sponsored jointly by the Associated Students of Santa Barbara College and the Junior Chamber of Commerce, will begin early Saturday afternoon and continue uninterrupted for some eight or nine hours.

The high school events will take place in the afternoon and the college and junior colleges will vie in the evening program, beginning at 6:30.

Coach Nick Carter will send almost a full team into the Relays competition.

He will have Joe Riddick, Bob Estes and Trino Padilla in the high jump, Jim Beacom in the broad jump, Marvin Ashby in the javelin, George Nelson and Pete Meyer in the discus, Norman Grim and Jack O'Cain in the pole vault, Charley Green in the shot put, Hugo Nutini in the special 880, John Godfrey in the open 100, Godfrey, Wayne Piercy, Jerry Downing and Hugo Nutini in the distance medley relay and a quarter mile relay team whose members are still undetermined.

Carter was very pleased with his team's performance against UCLA and Cal Poly in a triangular meet at Westwood last weekend. Nutini was especially impressive, annexing the 880 and the mile. Estes, a letterman from two years ago, took a first in the high jump in his first real competition and Ashby won the javelin.

Ashby, incidentally, will be up against some real competition Saturday. Bill Miller, who took a second in the 1952 Olympics, is entered.

Splitters at Head of Bowling Contest

At the expense of Lambda Chi Alpha, the Splitters still have a firm grip on the top position in the bowling tournament. Sigma Tau Gamma moved into second place, winning four games, from Sigma Alpha Epsilon. Delta Tau Delta took four from Sigma Phi Epsilon, while Delta Sigma Phi displaced the Sig Toos. Sigma Pi fought a 2-2 standstill with the Faculty.

High game for the night, and also high game in the tournament was rolled by Gil Lopez, of Lambda Chi Alpha, with 244; while Jack Baum bowled the high series score with 487.

Next week will mark the half-way point in the tournament, with four nights of bowling to follow.

Standings

Team	Won	Lost
Splitters	13	3
Sigma Tau Gamma	10	6
Delta Tau Delta	10	6
Delta Sigma Phi	10	6
Sigma Pi	9	7
Faculty	8	8
Sigma Phi Epsilon	5½	10½
Sig Toos	5½	10½
Sigma Alpha Epsilon	5	11
Lambda Chi Alpha	4	12

Spring Grid Drills Begin Next Tuesday

Coach Stan Williamson announced today that spring football practice will begin Tuesday, April 7. The drills will continue for five weeks, constituting a 20-day period which is allowed by CCAA rules. Spring practice was re-installed in the CCAA this year after a year's absence.

There are several new men on campus this spring which should give Williamson plenty to work with. Junior college transfers are more numerous this semester than they have been in many years.

Williamson emphasized that the workouts are open to any prospective gridder. He especially urged freshmen to attend the drills, since they are eligible under CCAA rules for varsity play.

The workouts will begin at 3:30 daily and end at 5:30.

Gauchos Meet Navy Nine Here Today

By MIKE NOONAN

The Gaucho baseball team continues a busy schedule this afternoon when it entertains Port Hueneme at Mesa Field. Game time is 3:00 pm. The Hilltoppers then play Cal Poly in a CCAA game here Friday afternoon and meet Port Hueneme Saturday morning, also at the Mesa.

The Gaucho horsehiders opened their CCAA season this past weekend by dividing a twin bill with the Los Angeles State Diablos. The Gauchos dropped the opener 2-0, but came back strong in the second contest by blasting out a seven-inning 12-1 victory.

Jerry McIlvaine lost his third straight contest in the opener. Jerry pitched his best game to date, holding the Diablos to but two runs off of nine hits, but the usually potent Gauchos were held in check by Pitcher Bob Pendleton

of L.A. who allowed but five scattered hits. It was the first shutout of the season for the Hilltoppers.

In the nightcap it was a different story. Gaucho batsmen found their mark and blasted out twelve hits while forcing across a like number of runs. Pitcher Bob Emirhanian hurled five innings of hitless ball after giving up one run off of three bingles in the initial two frames.

It was the hitting of Dave Gorie, Ray Rubenstein, and Marty Bear which sparked this second game attack. Dave blasted out a resounding two run homer in the second to start things off for the day. Later he added to his laurels by forcing in another run with a double and then ended the day with a sharp single. Rubenstein doubled and singled, and Baer hit two of three.

"Chesterfield is my
cigarette—has been for
years. I say . . . much
milder Chesterfield is
best for me."
Peggy Lee

Chesterfield is Best for YOU!

CHESTERFIELD contains tobaccos
of better quality and higher price than
any other king-size cigarette...the
same as regular
Chesterfield.

Chesterfield—first premium quality
cigarette in both regular & king-size

WHEN you are asked to try a cigarette
you want to know, and you ought to
know, what that cigarette has meant to people
who smoke it all the time.

For a full year now, a medical specialist
has given a group of Chesterfield smokers
thorough examinations every two months.
He reports:

no adverse effects to their nose, throat
or sinuses from smoking Chesterfields.

More and more men and women all over
the country are finding out every day that
Chesterfield is best for them.

Enjoy your Smoking!

Try Much Milder Chesterfield
with its extraordinarily good taste.

A free lecture on a challenging subject:

Christian Science: The Law of Divine Intelligence to Man

will be given

Thursday Evening, April 2, 8:00 p.m.

Carrillo Auditorium, 222 West Carrillo Street
