KAPPA SIG 'MARDI GRAS' BOUND TO PUT NEW ORLEANS TO SHAME

MG is coming to Santa Barbara in a flare of color and festivity the first Monday in March. Designated as 'Mardi Gras' week, the students in a variety of administrative and social fields as well as many Gauchos' minds the last end of March.

The student body is invited to don costumes and masks and create the air of the 'Carnival' that the Dance Committee will play on its campus. MG was held at the Samarkand Hotel three years ago when revelry reigned. Larry Smith, dance chairman, promises that this year's event will be the focal point of the first part of a program to be sponsored by the Santa Barbara College campus.

Extended Hours
Multi-colored balloons, troop-paper streamers and confetti will transform the Campus Auditory into a French Quarter setting. The public in general and the Dance Committee in particular will enjoy dancing from 9 until 1 a.m. Women's living groups have extended hours—look 2 a.m. for them.

Tickets may be purchased from any Kappa Sig or from the Graduate Manager's office. Price is $1.30 a couple.

Top Scientists Disclose Timely Topics
At Mesa Campus Presentation Thursday

Missile and rocket programs of the United States Navy will be the focal point of the first part of a program to be sponsored by the Industrial Management Club on this campus. The two-hour program begins at 8 p.m. Thursday in the Mesa Campus Auditorium, and consists of three parts.

Each part of the program features a discussion of automation and electronic computers and their implications in the industrial management field. The program is sponsored by the Santa Barbara College Data Processing Department.

The first part of the program features two from Electronic Computers and Automation, who will discuss the use of automation in semi-conductor fabrication.

The second part of the program is presented by B. F. A. Computers and Automation, who will discuss the use of automation in the industrial management field. The third part of the program is presented by Robert Gordon Sproul, president of the University of California, who will speak on the subject of automation in the industrial management field.

SPROUL EYES U.S. SENATE POSITION
Robert Gordon Sproul, president of the University of California, San Francisco, announced recently that he will run for the Senate from the state of California.

The announcement came as a surprise to many on the Republican and Democratic ticket for Senator from the state of California.

"It was good of you to send out your endorsement," said Sproul. "I am delighted to hear you want to run with me in the campaign for the Senate.""If you will be a candidate for the Senate, I will be happy to help you in any way I can."

"You may be sure that I am giving serious consideration to this call to public service. The Senate is the place where I believe all that a sure hearted man could not be found, or that my personal circumstances will permit me to offer myself as a candidate at the time when such offering will be necessary."
5. List by title courses you would want offered in summer session:

6. What living accommodations do you prefer for summer session?

naire regarding students' wishes on summer session. It is necessary for the University's state-wide budgeting; but it is necessary for the University's state-wide budgeting.

This seems early in the year to plan a summer session, as UC summer sessions are self-supporting and not part of the University's state-wide budgeting. The Director of Summer Session has been asked to prepare a summer session plan. It is hoped that this plan will be available for groups planning to use the facilities. It is also hoped that the plan will be available for groups planning to use the facilities.

Ed. Note: Included in today's EL GAUCHO is a questionnaire regarding students' wishes on summer session. It is necessary for the University's state-wide budgeting. This seems early in the year to plan a summer session, as UC summer sessions are self-supporting and not part of the University's state-wide budgeting. The Director of Summer Session has been asked to prepare a summer session plan. It is hoped that this plan will be available for groups planning to use the facilities. It is also hoped that the plan will be available for groups planning to use the facilities.

Children Should Be Seen, Not Heard?

In view of national and international distractions in the past few years, Mr. and Mrs. George Martin have been asked to prepare a summer session plan. It is hoped that this plan will be available for groups planning to use the facilities. It is also hoped that the plan will be available for groups planning to use the facilities.

FARCsIRIC Device is a remarkable farce.

The closing of the 1957 Intramural Football League last Thursday featured Sigma Phi Epsilon running through Toyon-Pine, 22-12. This game, the playoff between Fraternity and Independent Divisions, was witnessed by approximately 100 spectators, who saw one of the finest individual performances of the season in the form of Bob Randolph. He scored all five of the Sig Eps TDs—one kickoff return, a run around left end, a pass from Greg James and two interceptions.

6-0 AT HALF

After the opening kickoff, in which Randolph ran for the TD, there was an exchange of the ball and Toyon-Pine ended up with it on the Sig Eps 20-yard line. On the next play Darrell Chausow passed to Mike Kahn for the 6-pointer. The extra-point try was good and the Sig Eps led halftime 7-0.

The second half wasn’t close, as the Sig Eps scored 20 points to the Piners’ 6.

James kicked off for the opening of the second half and the ball was put on the 20. Toyon-Pine was held and had to punt on fifth down, the ball going out of bounds on the Sig Eps 20-yard line. James had his third down pass intercepted and Kahn took over on his own 10. They drove down to the Eps’ 10-yard line but lost the ball on downs. After losing the ball to the Sig Eps, the Piners never were in the half again.

On the second play from scrimmage a swing pass from James to Randolph, on the 50, was intercepted by the Piners for the second score; the extra-point try was no good. The Sig Eps kicked to Toyon, who had to give up the ball after fifth down.

On first down it was Randolph again, second left end and this time another 6 points. The conversion was missed and the score stood, at 19-0 in favor of the Sig Eps.

On the second play from scrimmage a Toyon pass was intercepted by Randolph, who scooped it over for the fourth touchdown. Once again the extra-point attempt was no good.

Randolph Scores 5th

On the fourth play from scrimmage Randolph intercepted on his own 30-yard line and scampered 70 yards for the touchdown, with no less than four Piners getting a shot at him. Not one could get his flag. The score: Sig Eps 31, Toyon-Pine 6.

Toyon-Pine scored its second TD on a pass play from the Sig Eps’ 10-yard line. The passing combination was Chausow to Fred Glista, who ended the scoring on this drive with a 20-yard TD pass. The final score: Sig Eps 38, Randolph 30 — Toyon-Pine 12.

UCSA Sinks Santa Barbara Water Polo Team, 12-1, With Telling Pressure at Goal

Last Friday at UCSA the Gauchos were defeated by a tough Bruin squad, 12-1. UCSA showed all Gauchos hopes of a victory with a big third-quarter explosion of eight goals. The contest was hard fought, with numerous fouls occurring on both sides.

UCSA completely contained my offensive threat the Gauchos could offer. Santa Barbara got only 11 shots at the Bruin goal while the UCSA kept goalie Brian Hurst quite busy as they attempted 35 shots. The lone Gaacho tally was scored by Capt. Ron Wilmot.

The Bruins’ offense kept the pressure on the Gauchos defenders all afternoon by throwing one of their guards down to aid their forwards, thus setting up three-on-two and three-on-one situations. This attack enabled Bruin players to get many free looks at the Gaacho goal.

UCSB DOWNS REDLANDS, 20-0, FOR 4TH SHUTOUT

By Jerry Rocco

UCSB Starts Fast

After the first quarter it appeared as if the Gauchos were going to turn the game into a rout. Santa Barbara received the opening kickoff and on first down Gates Foo, filling in for the injured Duke Ellington, skidded left end for 16 yards to midfield. On the next play Bruce Varner picked up seven but fumbled and Redlands took over in its own territory. The Gauchos held and Redlands punted to the UCSA 20-0, for its sixth shutout.

The second half wasn’t so easy. UCSA received the kickoff and after a 14-yard punt, the Gauchos were held and Redlands punted to the UCSA 20-0, for its sixth shutout.

UCS’s biggest threat of the game was the defense, which was hard to penetrate and a number of times the Gauchos were forced to turn the ball over.

UCS’s offense scored on their opening drive of the game with a 16-yard pass from Varner toVarner 64 in 18 tries and Varner 64 in 18 tries and Varner 64 in 18 tries and Varner 64 in 18 tries and Varner 64 in 18 tries and Varner 64 in 18 tries.
