 I love you

Joanna Fouts- Delicate fawn of nightly beauty you dance on the beach of time while watery stallions nip gently at your toes as they sink into the quasi-mud of the shoreline. A crown of seaweed crests the top of your head and the depths of oceans flow and ebb in your eyes. It is in those eyes, in those oceans, that I find my heart, fathoms deep, silently watching the starfish- their bioluminescence lighting up the sky of the ocean floor.

shelby-  
 HAPPY V-day!
