Kelly Gets Assist Mark in 85-67 Win

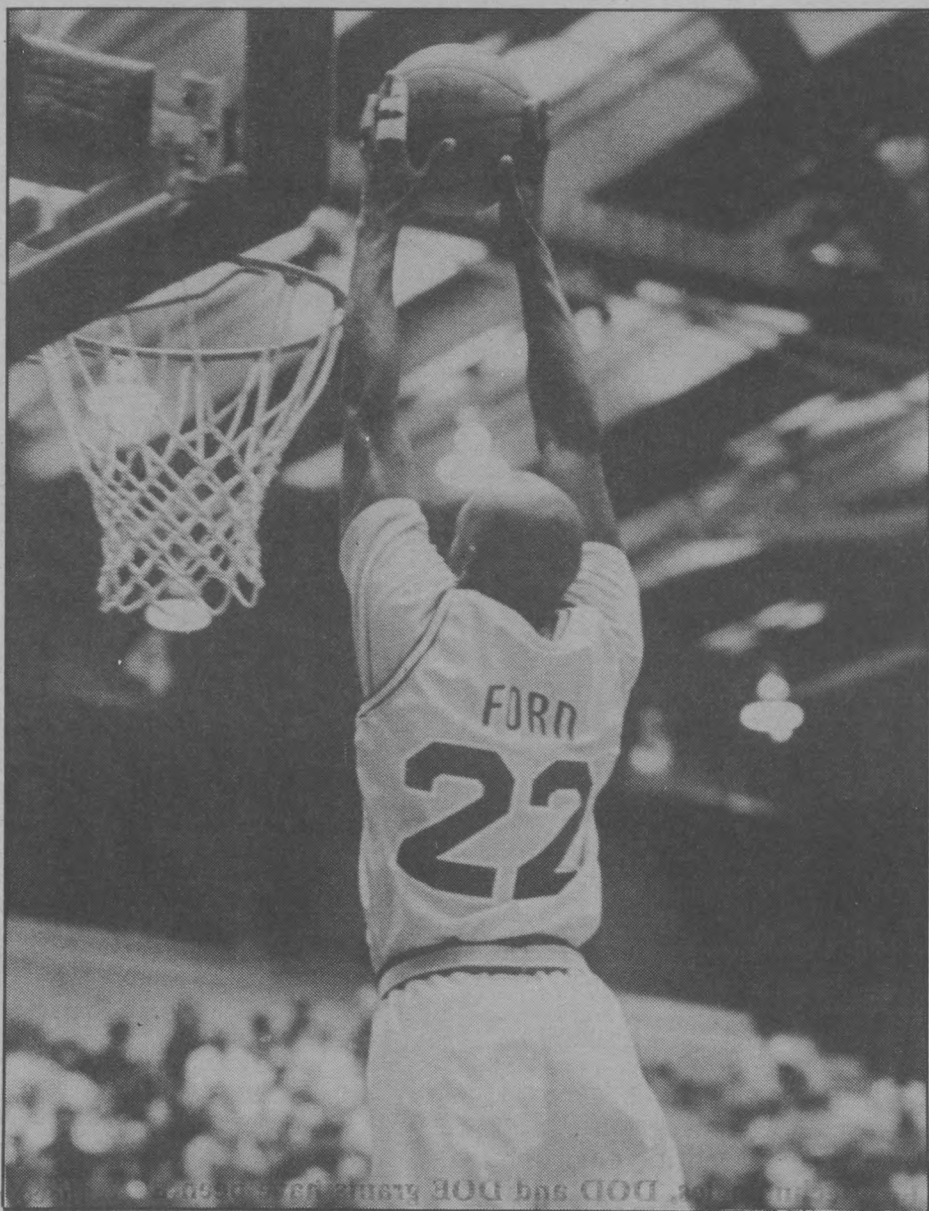

By Scott McPherson
Staff Writer

Making his way out of the locker room after half-time during Monday night's game against UC Irvine, UCSB point guard Ray Kelly decided that he would try to finish off a good performance by making a pass at the record book.

Kelly entered the contest trailing the UCSB career assist mark by 15, but while the Gauchos were running out to a 45-30 first half lead, Kelly tallied nine first half dishes while leading a fast-break offensive attack.

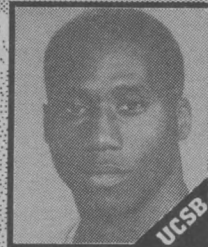

"I really wasn't record-conscious in the first half," Kelly said after UCSB thumped the Anteaters 85-67 at the Thunderdome. "But in the beginning of the second half, someone said to me, 'Ray, you have nine assists.' I needed six for the record, and I looked at the score and we had the game pretty much under control, and then that's all I could think about, the record."

Lady Gauchos Win a Close Encounter, 67-61

By Jason Masini
Staff Writer

Losing a lead is something that happens to all teams, and UCSB women's basketball Head Coach Mark French knows that. But in Reno Monday night, even French couldn't have imagined what almost occurred.

The Gauchos (12-9 overall, 10-3 in the Big West) built a 22-point lead and hung on to defeat the University of Nevada, 67-61.

Santa Barbara had their biggest lead with 12:10 re-

maining in the game before the Wolf Pack went on a 20-2 run, and cut the Gaucho lead to 54-50 with 5:22 to go. Senior Cori Close was the UCSB leader, tying a career-high with 24 points, and nailed four clutch free throws in the final 1:30 to secure the win.

"I was thinking on the bench, 'If we lose, lose a 22-point lead, they won't let me drive the bus home because I'd have been thinking of driving it off a cliff,'" French said. "It's not a real mature thing to think, but mature adults

Anteaters Just a Tune-Up For Gaucho Swim & Dive

By Michelle Imperial

It was smooth sailing for the UCSB swimming and diving squads Saturday, as the Lady Gauchos destroyed the UC Irvine Anteaters 175-97, while the Santa Barbara men coasted to a 178-99 victory at Campus Pool.

The UCSB team members knew that their last dual meet of the season was going to be a walk in the park, and looked to the weekend's competition as an opportunity to get practice time in for the upcoming Big

BUMPY ROAD: The unbeaten and top-ranked Bruins handed the Gauchos their first conference loss in a three-game sweep Friday.

Bruins Put Spikers on the Beaten Path

#5 UCSB Loses, 15-6, 15-5, 16-14

By Daniel Solomon
Staff Writer

When the #5-ranked UCSB men's volleyball team took to the floor against top-ranked UCLA Friday evening, it was a battle of undefeated conference records.

But after a three game sweep of the Gauchos — 15-6, 15-5, 16-14 — the Bruins (7-0 overall, 4-0 in conference) remained unbeaten while Santa Barbara dropped to 8-4, 4-1 in the Mountain Pacific Sports Federation.

The first two games of the contest were dominated by UCLA, as the Bruins outhit the Gauchos .314-.040 and .438-.182, respectively.

"Our minds weren't in it for the first two games," senior Todd Ahmadi said. "We got caught up with their reputation and we should have realized that they are like any other team and they can be beaten."

Game three was a different story, as Ahmadi stepped off the bench and led the Gauchos to an early 6-2 lead with three cross-court kills. However, UCLA — aided by a series of Gaucho service errors — came back and got the lead for the first time, 7-6.

The two teams went back and forth as UCSB kept UCLA in check with a passing and defensive game plan that improved from the first two games. But with the score 15-14 in favor of the Bruins, Erik Sullivan converted on the game-winning kill for UCLA. The Gauchos outhit UCLA .285-.212 in the game.

"Todd stabilized our offense and flowed well into the offense," UCSB Head Coach Ken Preston said. "I think everybody raised their level of play, and we just needed to be consistent and play like we did in the third game."

UCLA, which has swept all seven of its opponents this year, was led by sophomore Kevin Wong's 15 kills (.355) and 13 digs. Sophomore Jeff Nygaard added 12 kills (.429) and Tim Kelly had eight blocks.

UCSB's next match will be this evening against the Loyola Marymount Lions. Game time is scheduled for 7:30 and the match can be heard on 91.9 KCSB FM.

TENNIS ROUNDUP

Men Fail Test Against UOP

Tigers Take Two Doubles Sets and Cruise to 5-2 Win

UCSB men's tennis Head Coach Don Lowry was looking to Sunday's match against Pacific as the first real test for his squad. But, the Gauchos failed to make the grade, losing 5-2 at the Campus Courts.

UCSB jumped out to a quick start in doubles, but was unable to keep the momentum, and went on to drop two of the three doubles sets. The lone doubles win came from the #1 team of Laszlo Markovits and Ilkyung Choi, who defeated UOP's Adi Kremer and Joe Gonzales, 9-7.

At the #2 spot, UCSB's John Fox and Joe Barbarie, playing their first match together, could not hold on after getting up two service breaks, and lost to Mauricio Sovero and Jorge Abreu 9-7. At #3, UCSB's John Bowerbank and Jamie Price lost for the first time this year, falling to Kevin Smith and Sean Martin by a score of 9-7.

"Well, we had it on our rackets," Lowry said of the doubles play. "Had we won the doubles, it might've changed the chemistry of the match."

In singles, Markovits — UCSB's #1 player — came out gunning from the baseline and took out Kremer, 6-3, 6-4. At #2, Fox was defeated by Smith, 6-3, 6-4 and UOP's Joe Gonzales straight-settled UCSB's Gil Monteaux 6-1, 6-4 at the #3 spot. Sovero outlasted Choi at the #4 spot, 6-4, 4-6, 6-0. At #5, Bowerbank dropped a tough three-setter to Pacific's Abreu, 6-1, 5-7, 6-2. After a slow start this season, UCSB's Barbarie is proving he belongs on the singles squad, picking up a win at #6, 6-4, 6-3 over Sean Martin.

"I lost to him in three sets last time and I missed a lot of returns. I just shortened up my back swing today and played a lot better," Barbarie said.

Ladies Use Momentum Over UCI

Strong doubles performances gave the UCSB's women's tennis team the momentum it needed to topple UNLV 6-3 in Irvine Saturday.

Usually in a college competition, doubles matches are played after the singles performances. However, court space was limited due to the UOP-UCI matchup, and doubles was played first.

The Lady Gauchos took two of three in doubles, winning at the #2

and #3 slots. Santa Barbara's #2 tandem of Amelia White and Kelly Spencer defeated Rachel Clark and Suzi Agassi 6-0, 6-3, while #3 Laura Rutledge and Lynn Coakley beat Becky Markosian and Jeannette Fylpa 6-2, 5-7, 6-1.

"Getting two of three in doubles really gave us the confidence and momentum going into the singles portion of the match," UCSB Head Coach Chris Russell said.

Santa Barbara went on to take four of the six singles matches to close out the Rebels.

Both Rutledge and Coakley won decisively in singles at the #1 and #2 slots, respectively, to put the Gauchos ahead 4-1 with four matches left to play.

UNLV took two of the next four, winning at the #4 and #5 singles positions, but came up short overall.

Sluggers Twice Save Best for Last in SCU Weekend Series

By Rob Carpio
Staff Writer

It was a weekend filled with drama for the UCSB baseball team, as the Gauchos won two out of three games in their last at-bat against the Santa Clara University Broncos at Campus Diamond.

In a wild finish to Sunday's series finale, UCSB rallied for three runs in the bottom of the ninth to win in 11 innings, 7-6. Gaucho third baseman Doug Smaldino lined a shot to left to score reserve catcher Mark Umemoto for the game-winner with one out in the bottom of the 11th to cap the UCSB comeback.

With Sunday's victory, UCSB won its first series of the year and improved its record to 3-6 overall, while SCU dropped to 4-4-1.

With the game tied 2-2 in the ninth, Santa Clara's Nick Mirizzi gave his squad a 5-2 lead with a bases-clearing double off Gaucho relief pitcher Brian Stephenson. UCSB countered with three runs of its own in its half of the ninth, capped by a two run single by pinch-hitter Matt Bazzani.

"I knew I wasn't going to play because my arm's messed up, so I knew it would be a situation where I'd come in and get a chance to tie or win the game," Bazzani said. "I wanted the chance, [Head Coach Al Ferrer] gave it to me, and I took advantage of it."

The Broncos took the lead again, 6-5, in the 11th inning when designated hitter Randy Ortega doubled down the left field line off Gaucho reliever Jared Janke to drive in Tommy Thompson. UCSB senior right fielder Jeremy Sherman then led off the next half of the 11th with a single to left field off Bronco reliever Brooks Drysdale, and was driven home when Ume-

moto doubled to left center field.

"I just made sure to see the ball as best I could," Umemoto said. "I just wanted to hit it hard somewhere, and luckily I hit it hard enough."

Umemoto advanced to third base on freshman Zach Elliott's ground out before Smaldino drove him home to give the Gauchos their second win over Santa Clara.

"I did think [the game] was over [in the ninth inning]," said Mirizzi, the Bronco shortstop. "Brooks usually comes in and shuts the door. [The Gauchos] played a great game. They battled with us."

Ferrer indicated that many players contributed to Sunday's win, and that his squad has been steadily improving each game.

"We played good defense for the first time since the opener," Ferrer said. "We made one error the whole day, and I was really pleased with the things we did."

"If you've got outs left and you think it's over, you're stupid and you're not going to win," Gaucho Assistant Coach Bob Brontsema explained. "This was a big game for us. We needed the mental pickup."

In Friday's game, UCSB earned a 5-4 win after Elliott drove in Janke for the game-winning run in the bottom of the ninth inning. Stephenson earned his first victory as a Gaucho after relieving starter Armando Delsi in the eighth. Janke also hit his team-leading fifth home run of the season.

On Saturday, Santa Clara benefited from five hitless innings from starter Ken Lorge and 3 2/3 innings of hitless relief by Miles Kelly and Jon Spaulding to key a 6-2 Bronco win. Santa Barbara starter Steve Lane dropped his record to 1-2 by surrendering five runs in six innings pitched.

West Championships.

"I knew this meet wasn't going to be a problem and to be honest, we just dominated this meet," UCSB Head Coach Gregg Wilson said. "It was a real good meet for us because it was a super tuneup to go into Big West."

Members of both of the Gaucho men and women squads finished the meet with career- and season-best times. UCSB junior John Cleary, who won't be competing in the Big West Championships, ended his season by posting his career-best in the 200-yard

butterfly with a time of 1:58.53.

"I was real excited to swim in this meet and getting a lifetime best is always exciting," Cleary said. "I was really happy with the season and I got a lot of support from the whole team."

Santa Barbara freshman Kevin Hoffman swam his season-best in both the 100- and 200-yard backstroke, while Sasha Saharov, who is coming off of an injury, had his career best time in both the 100-yard butterfly (52.7) and 200-yard individual medley (1:57.7).

The Lady Gauchos polished off the Anteaters with no trouble by domi-

nating eight of the 11 races. Santa Barbara's Stacy St. Martin placed first with her season best time in the 1,000-yard freestyle (10:22.7), while sophomore Meredith McLain finished on top with her career-best in the 50 freestyle (24.5).

The Santa Barbara divers also dominated the meet, securing the top three places. Gaucho sophomore Rick Alter had one of his best diving competitions of the season by winning the three-meter and placing third on the one-meter. Lady Gaucho Shannon Brown led the women with first place finishes on both the one- and three-meter.

The assists kept coming for Kelly as the Gauchos (13-8 overall, 6-7 Big West) kept running on the Anteaters (5-14, 3-9) in the second half. With 3:40 to play, Kelly threw the ball under the hoop to center Kyle Milling, who tossed in an easy layup that gave Kelly 16 assists on the night and 445 for his career — both UCSB records.

"An assist record, that's a goal you set for yourself when you're a freshman," said Kelly, who broke

Carlton Davenport's career mark of 444 in only three seasons. "You look at the record book and you say, 'When I leave here, I want my name in the record books.'"

Fueled by 14 Irvine turnovers in the first half, the UCSB fast break got things going in a hurry. Jeff Von Lutzow's layup two minutes into the game gave UCI a 6-5 lead, but it would prove to be the only lead that Irvine would hold. Doug Muse took a Kelly pass and converted it into a layup seven minutes later to push the score to 27-16, and the Gauchos cruised into halftime.

"Our intensity in the

first half and our defensive positioning was pretty good," UCSB Head Coach Jerry Pimm said. "I thought we played a good, solid first half defensively and off the backboards."

Meanwhile, the Anteaters were struggling. "Santa Barbara was really committed to going up and down the floor pretty well tonight," Irvine Head Coach Rod Baker said. "They had some things on their minds they needed to do, and they really were very aggressive about doing them."

Baker's team was able to give the Gauchos some pressure in the second half, coming back from a

that saved us down the stretch."

Nevada's Ann Barry — who finished with 20 points and 20 rebounds — was the main reason the Wolf Pack were able to get back into the game. She scored 16 points, and grabbed 14 rebounds in the second half.

In the first half, Nevada opened with an early 8-7 lead, but the Gaucho defense caught fire and allowed only one field goal

over the next 4:29, and by that time Santa Barbara had a 26-12 lead. The Wolf Pack had 17 turnovers in the half and committed 35 in the game.

UCSB traveled to Stockton on Saturday night and lost a 88-79 decision to Pacific. The Gauchos had a tough time containing senior point guard Tine Freil, who disheveled out 17 assists and tallied 14 points.

23-point deficit to rally to within 14 with 10:30 remaining. But UCSB recovered, and Milling tallied 11 of his team-high 15 points in the second half to lead his team down the stretch.

It was the third consecutive big game for Mill-

ing, who was averaging only 2.7 points a game before scoring 10 against Nevada Thursday, and 12 in a 77-75 overtime loss to Utah State Saturday. The 6-foot-8 freshman also grabbed a game-high 16 rebounds against Utah State.

"I finally got my confidence back, and I've started playing more aggressive," Milling said after Monday's game. "That's all I needed, was to get my confidence. I didn't have my confidence this whole year, and I finally got it."
