Electoral Candidates Address Mass Meeting

Follett and McArthur Enter Race for 36-37 Presidency; Four Run for State Vice - Presidency

Campaign speeches will be given before a student mass meeting in the Quad, Wednesday noon, according to the announcement of Betty Walker, vice-president of the student body and chairman of the election committee.

Those students that are running for the Associated student offices are president: Don Follett and Denny McArthur; vice-president: Darlene Hapenny, Charles Leister, Barry Simmons, and Stella Mae Smith; secretary: Zelma McCleary and Rena Sacconaghi. Helen Holt dropped from the race for secretary this morning because of ineligibility according to the constitution. (See editorial).

The instigation of this new feature in campaigning was forced partially because of the inability of the election committee to find an open date within the specified time in the auditorium. Classes will be excused during the last ten minutes of the fifth hour on Wednesday and the talks will continue during the noon period and extend, if necessary, into the sixth hour.

All petitions will be taken down Monday afternoon at 4:00 p.m. and only those students with the necessary numbers of names on their petitions and those that have passed the constitutional examination will become the nominees for their respective offices to be voted on May fourth.

It is still possible for any student who is interested in running for an Associated Student position to obtain a petition in the student body office from Betty Walker and place it on the bulletin board.

Juniors Entertain Seniors With Prom at Montecito Club

Seniors will be traditionally entertained by the junior class at the Junior-Senior Prom to be held May 8, at the Montecito Country Club. The affair will begin at nine o'clock and last until twelve.

Music by Lambourne's Orchestra. The theme for the dance will be carried out in signs of the zodiac and mysteries of the future for decorations. Formals or dark suits are acceptable and the dance is only open to juniors and seniors and their guests. Dues of fifty cents to finance the dance are payable to Bill Murphy.

Committees for the formal are: juniors, Allen Neil, general chairman; Gretalie Fitzgerald and Marguerite Kohler; Seniors, Miriam Alexander, Mary Bell and Julio Borolazzo. Garlyn Basham, Chuck Leister, and Lyman Goldsmith have acted as ex-officio members.

Editor Favors New Veterans Psychology of Ridicule Promotes Success

By BILL HUNT

"Success or failure of the Veterans of Future Wars movement," states Chester H. Rowell, editor of the San Francisco Chronicle and a member of the University of Southern California Board of Regents in an interview for El Gaucho, "depends on the psychology used. Ridicule directed at profiteering of war is well enough, but it is a mistake to make fun of the serious sacrifices of our people in defending their cause. Such organizations as the Future Gold Star Mothers are not to be tolerated."

Rowell proposed that State students aim at an obscure but expensive form of graft by organizing a society of "Ancestors of the Widows of the Veterans of the Last War." Last month, the last widow of the War of 1812 passed from her Federal reward to the reward hereafter, having drawn her past pen-

Tax Bill Attacked

A proposed tax bill amounting to \$803,000,000 presented by the New Deal is the cause of the most bitter battle which has yet arisen between the Republicans and Democrats during this session. This bill also provides radical change in the method of taxation. Representative Robert L. Doughton, a Democrat supported the bill emphasizing that it is "fundamentally just." Republicans attacked the bill as being "farfical."

French and Soviets Prepare

Believing that an unusual amount of military demonstrations in Germany are but warnings of what is to come, France and Russia are strengthening plans for mutual assistance in the event of German aggression to the eastward. Foreign Minister Pierre-Etienne Flandin and the Russian Ambassador Vladimir Potemkin have conferred to make arrangements for conferences between the staffs of the respective countries next week.

U. S. Exports Gain

The publishing of the report of the United States of Commerce regarding the nature of the export trade of this country indicated that there has been a gradual improvement in trade in proportion to the recovery and growing purchasing power in other nations of the world. Cotton, automobiles, machinery and oil products are at the top of the list. One hundred products indicated an increase of 68 percent over the same period during 1934. It

Rutherford Talks on College Safety

Safety Day was observed on the State campus yesterday by a program given in the cafeteria during lunch hour. Under the auspices of the Safety Education section of the Santa Barbara Roadside Planning council, Captain W. A. Rutherford of the local Highway Patrol spoke on "Safety for the Colleges." Highway Patrolman George Stimson of Orange county, known as the "singing policeman," sang several numbers.

College Prexys Meet at State

Eight Schools Participate With Basham as Host for Convention

Student body presidents of six Southern California colleges convened on the State college campus last Wednesday, April 22, for a panel discussion, followed by a banquet and dancing at El Paseo restaurant.

University of Southern California, Chapman, Loyola, Occidental, Pomona, La Verne, California Institution of Technology, and the host, Santa Barbara State were represented at the conclave by their presidents. Redlands, Whittier, University of California at Los Angeles and San Diego State, other members of the conference, were not in attendance.

The topic of the panel discussion in the afternoon, which was presided over by Russell Smith of U. S. C., was "ways of promoting better faculty-student relationships." 20-30 club members met with the group for a banquet at 6:30 in the evening in the service room of El Paseo, with Garlyn Basham presiding as host to the assemblage and introduced the speaker. Russell Smith spoke on "Contemporary Views of College Education." Eames Bishop of U. S. C. spoke on "Materialistic Aspects of College Education." "Social Values of Student Government" was the subject of a talk by Guy Nunn of Occidental.

Other student body presidents in attendance were Charles Rudel, of Loyola, Charles Messick of La Verne, Joe Moody of Chapman, and Robert Mahoney of Cal-Tech. The meeting of the Southern California Student Body Presidents' Association will be held in connection with the Southwest Pacific Coast Presidents' Convention at the Miramar in Santa Monica. The meeting, to which U. S. C. will be host will be from May 21 through May 24.

STATEMENTS BY THE POWERS THAT BE

Laboratory fees must be paid today. On April 27, students will be excluded from classes until fees are paid. This includes those who have made part payment also. All delinquents please see the financial secretary immediately. Wilma Lowsley, financial secretary.

A new Scoutercraft course will start Thursday evening, April 23, at 7:25 p.m. at the Lincoln school. Any student wishing to do so, may enter.

Large Audience Views Latest Offering of Masquers Club; Ogle, Katz and Thorsen in Leads

By IRENE MINIKIN

"Outward Bound," by Sutton Vane, the most successful offering of the Players club to be given in some time, was presented to an enthusiastic audience for its initial appearance last evening in the College auditorium. The second playing will be tonight at 8:15 p.m.

Pay Assembly Picture Shows Movie History

English Department Secures First Authentic Review of Noted Industry

"March of the Movies," the first authentic film record of the motion picture industry, will be presented before the Associated Students next Tuesday in a pay assembly under the sponsorship of the English department.

The first motion pictures ever made have been preserved by the producer, Commodore Blackton, and are shown in this chronological history in contrast to the early attempts of the Egyptians and as an outgrowth of other inventions.

Interesting successes of the past, such as "The Big Parade," "The Hunchback of Notre Dame," "Pollyanna" and the "Floor Walker," give glimpses of well-known stars, John Gilbert, Lon Chaney, Charley Chaplin and Mary Pickford, in their early cinema attempts.

In this presentation, the departments will find opportunities for study. The art students will find material for posters based upon the theme itself, upon the evolution of the cartoon and camera. The science department will be interested in the technical research into motion pictures, sound and photography. The English and dramatic sections will find opportunity to trace the developments of writing and acting technique during the last 30 years.

"This project is worthy of student attention," stated Alfredo Chavez, English department social chairman who arranged for the event.

Tickets may be purchased from Fred Allred's office and from Petie McKinney, Dorothy Darrow, and Frances Hoelscher. Price will be ten cents.

Petitions for Men's Club Officers Begin

Election of officers for the Men's club will be held May 15 in the college cafeteria, and candidates may obtain their petitions, according to Denning McArthur, Mens' club president.

Merle Waterman, tri-county secretary of the Y. M. C. A., will be the principal speaker on the election day.

Shave Strike Strikes State Men's Club Sponsors Whiskerino Contest

Wednesday morning saw not only the national student anti-war strike, but the commencement of a local anti-shave strike as more than 20 State college men signed up for a 24 day whiskerino contest lasting from April 22 until May 15.

Ten dollars in prizes will be divided among the whisker winners, awards being given for the longest beard, the thickest, the one with the most intense color, the best designed facial foliage, and the best attempt. Chuck Luse, former contest winner, has been given a five day handicap and will not enter the race until next week.

Bill Ogle as Tom Prior, the disolute drunkard, Cecil Katz as Mrs. Midget, and Joan Thorsen as Mrs. Clivedon-Banks were the outstanding members of the cast. Their performances were excellent and embodied a clear knowledges of the characters they portrayed.

The rest of the cast including Clayton Brooks as Scrubby, the bartender; Neva Freeman as Ann and Ted Hanley as Henry, the youthful lovers; Orville Morrison as Lingley the unscrupulous business man; Howard Arni as Duke, the clergyman; and Paul Jones who portrays Mr. Thomson, the inspector, interpreted their roles with ease not often found in amateur actors.

The play is one of decidedly obtuse nature with a very beautiful theme. It concerns the dilemma of a group of people who find themselves passengers on a boat with no one knowing where they are bound or how they got there.

Woven in the story are many underlying principles of life, told in clever lines and subtle comedy. The entire plot presents the audience with a clear moral, and the climax in the third act involving Cecil Katz is the most beautiful piece of acting in the play.

In its entirety "Outward Bound" gave to Santa Barbara State audience a play which was satisfying in every detail.

Delegates to A.W.S. Convention Return From Boulder Meet

"Education, Why Not Use It?" was the theme for conventions held in Boulder, Colorado, April 15-18, from which Miss Lois Bennink, dean of women, Lois Jo McPheeters, A.W.S. president, and Ann Seymour, A.W.S. president-elect returned last Tuesday evening. Lois Jo and Ann attended a conference of the Western Intercollegiate Association of Women Students, while Dean Bennink met with the Western Conference of Deans of Women.

Both conferences discussed sororities, honor fraternities, mental hygiene, and vocations in relationship to the application of education. The A.W.S. conference also considered freshmen orientation and the analysis of student opinion.

Delegates were also taken on several trips through the beautiful Colorado scenery.

On their way home, the conferees stopped at Boulder Dam, Grand Canyon and Las Vegas, having stayed overnight at Denver, Colorado, and Salt Lake City, Utah, on their way to the conferences.

Tulley Warren signed up in hope of securing the award for the best attempt. "A man can only do his best," says Warren. Jim Baker warns others that the prize is as good as his.

Marjorie Ward thinks "the contest is cute." Cecile Dillehunt is quoted as saying, "Howie better hadn't." Mr. Peter Riedel, agriculture instructor, is instituting a seminar course in whiskiculture.

Culminating the contest, the Men's club will hold their annual "Brawl" at the beach on May 15, and the judging will be held there.

Election Eligibility

The straining point is being reached. Our constitution, which is suffering its first year of existence, is being put to the supreme test as the petitions for the approaching student body election are posted in the administration building bulletin board. Its true value to the student government will become evident, definitely.

A good deal of controversy has been circulating the campus concerning the eligibility of several students seeking the nominations for student body offices. The question has arisen from Section 2, Article II, which states that "The President, Vice-president and Secretary shall all be upper-classmen and shall have been members of the Associated Students for two consecutive years."

It seems that several students that aspire to student body offices and who have already posted their petitions are, according to the accepted constitution, ineligible. For, in each case, they have not been on the campus more than one year.

Following several heated discussions during the past week, it became evident that there was the proverbial "fly" in our constitutional ointment. Original constitutions clashed and a possible earlier revision was hinted. As the week progressed with the question still prevalent, a definite decision was necessary.

It seems entirely out of place and rather harsh and cold-blooded to allow students to petition for nomination to one of the sought-for and coveted student body offices and suffer the anguish, only to learn late in the race that they were constitutionally ineligible. So, under the supervision of Betty Walker, chairman of the election board, and vice-president of the student body, an effort to clarify questioned authenticity of the constitution was started.

Copies of the original constitution and the handbook constitution failed in agreement, and in the minutes of the last '35 Spring student body meetings a clue was found. "Moved, seconded and carried to accept the report of the constitutional revision committee." That was all. The locality of the said report was an open question. Finally, hours later, it was found and the quotation was thereby definitely settled. "Eligible to hold office after having been here one year, providing they are seniors"

This controversy having been closed, we wish to point out in its defense, that we as students are all striving to extend and provide for efficient student government. To be successful, it is essential to have experienced persons in the executive offices; students who are aware of Gaucho traditions and policies; students who understand the underlying purposes and principles of the student body; and finally, students who demand respect by seniority and experience of every member of the Associated Students. In this way, and in this way only, can we attain new heights in student government.

McNeill Organizes Chapter of V. F. W. on State Campus

"Laugh It Off" with the Veterans of Future Wars, the local chapter at State college of the Veterans of Future Wars was organized last Tuesday with "Spike"-Super-Agitor-McNeill as post commander. "Laugh It Off," slogan of the organization evidently comes from the serious attempts of students to prevent war. As the commander of the American Legion says, "This is the only organization which has been able to make war look ridiculous."

Women are especially invited to the next meeting of the group which will be next Tuesday at 3:30 in the auditorium. The Home Fire Division needs boosting as does the Gold Star Mothers organization. This meeting Tuesday will be an important one, according to McNeill. There will be an election of a local candidate to run for the position of future unknown soldier! Wouldn't you be interested in having your tomb covered with thousands of dollars of flowers every Armistice, after you were dead? Well come to the meeting and see what your chance will be.

Oratory, debate and extemporaneous speeches will be the highlights of the meeting at which time the drive for the bonus and trips to Europe will be continued. No refreshments will be served but students are assured of plenty of entertainment. And who can tell but what the bonus may be granted in time for the "vets" to finish college in luxury and comfort, not to mention the fact that the "Gold" diggin' mammas will also get a share.

Slogans for the meeting are "No REDS allowed" and "America for Americans." Did I hear someone say "What about the Indians," they will just have to take care of themselves, who brought them here anyhow?

As one of our illustrious profs states "The Veterans of Future Wars are proving somewhat of a problem to the political parties, they don't know just how to treat them because most of the members are of voting age." That's just what we need to do is put those scheming politicians in their places, and now we have them on the run.

Most of you have been to the Fox Arlington at one time or another. Probably few of you have arrived early enough or stayed long enough to have seen the drop curtain. And probably few who have known that it is the work of John Gamble, noted member of Santa Barbara's artist colony. But not only did he paint the curtain but he had charge of painting the interior of the theatre, one of the most unique and striking in the country.

Mr. Gamble's name is better linked with—though many have never seen them—his paintings of California wildflowers. It is most appropriate that the Faulkner Art Gallery should be showing an exhibition of these paintings during the present month of April when the California landscape is in bloom. Perhaps many Californians have never seen fields as brilliant as are portrayed in Mr Gamble's oils; it is only that the artist has sought out the gayest splurges of color that nature has ficklely poured forth in philanthropic years of weather prosperity. Just as the Fernand Lundgren pictures (owned by the college and hung in the County National Bank) are exquisite replicas of the desert in color, so are the John Gamble wildflower paintings a permanent glimpse of the undependable glories of the California spring.

State Engages Sagehen Track Men Tomorrow

Cartermen Favored to Win Easily to Reverse Last Year's Meet

MEET STARTS AT TWO

Campbell and Longacre Will Battle for First in Platter Throw

By TED JOHAM

Restrained in their last two meets by lack of condition and by hard luck, Coach Nick Carter's varsity track team will unleash some of their latent power in order to register a win over the cinder artists of Pomona college at Phelps field tomorrow afternoon at 2 p.m.

As a result of Tuesday's meet at Redlands the Gauchos have at last found a relay combination that can compete with the best the conference has to offer. Although they lost the relay to Redlands, they forced the Bulldogs to run the distance in 3m24.5s, and the Gauchos ran the event in 3m25s flat, according to Carter's stop watch.

Hurdles Favored

The high hurdles should see a new Gaucho record, with Captain Bill Crow fresh from a 15.6s victory over Redlands and soph Bill Gray determined to prove that his burst of speed up to the last hurdle was no fluke. However, both runners had better have their eyes peeled for Dave Rumbaugh, because Dave is about ready to crash through with a win over Crow and Gray. Pomona doesn't figure to do much in either of the stick races with Yeager and Gray running the lows together again.

Unless Lindley comes through, Tweedie of the Sagehens is a probable winner in the javelin because of a 176 foot throw to his credit.

Hooper should have little trouble from the southerners in either of the distance races, but Russ Smith of the Pomonans figures to cut capers in the 880, and with MacDonald out, Bowlus will have to take over the double duty again.

Yeager Doped for Win

Yeager is about ready to come through with a win in the hundred, but it is rather doubtful that he will run better than the 9.9s mark he set up at the first of the season.

Campbell is going to give that discuss a ride that it has never taken before and will probably wind up in first place, he has done over 147 feet this year and can do it again. Lindley, Bruce, Westbury and Beat will be the other State representatives in the field.

Rolly MacDonald will not run at all because of doctors orders, "Mac" has been bothered by an injured foot and wants to give it plenty of rest before the all-conference meet which is to be held a week from Saturday at the University of Redlands.

These averages include last week's conference battle with San Diego. The composite average of the team totals .349 percent.

Larry Bowlus

Larry Bowlus, conference 440 champion, who made two new school records at Redlands Tuesday. Larry ran the 440 in 50.3 seconds to break his old record of 50.8 and also broke the 880 mark when he was clocked in 2.31. Larry is a favorite to again annex the conference championship at Redlands on May 2.

GaUCHO Gab

By TULLY WARREN

Each season some athlete comes along who never before has shown much in the way of ability and surprises everybody.

Freddie Monson, of the frosh track team, is developing into a real javelin thrower. Freddie has been throwing the javelin only a month and already has reached 165 feet. Coach Hank Lloyd makes the prediction that he will win the frosh all-conference javelin throw and in so doing will register a mark superior to that of the varsity men.

Morton Reitter, frosh distance man, has been making steady improvement in his events, the 880 and mile, and should be a valuable addition to the varsity next year. Reitter has improved 100 per cent in the past two weeks and may soon surprise a lot of folks. He has as much or more determination than anybody else on the field.

At the Redlands meet Bowlus showed that he is in the peak of condition by winning the 880, the 440, and running a bang-up lap on the relay. If Larry runs only the 440 this week he should get down to 50 flat.

Many people have been wondering why Hooper doesn't make better time in the mile but no one could make any better time if they were running 3 miles in the course of a few hours. When Hooper no longer has to run both the mile and two mile events his time in the mile will come way down.

Bortolazzo is exceedingly kind to his man Friday as is evidenced by his sharing a single bed with him on a recent baseball excursion.

Gauchos Battle Whittier in Return Baseball Fray

Miller Starts on Mound and Attempts to Keep His Undeclared Conference Record Clear; Game at 2 p.m.

The title-bound El Gaucho will do battle on Pershing Park, tomorrow afternoon, when the Poet nine of Whittier College will invade the local camp in an attempt to stem the tide of the "Barbarians." In the first of the present series, which was started a few weeks back, the "Hardermen" walloped the Poets to the tune of an 18-10 score.

Mittmen Meet Amigos Outfit

Twadell and Morelli Put on Exhibition Supreme at Mission Club

State College boxers go to their corners next Monday night at the Mission Athletic club, when they take on the Los Amigos club in a benefit boxing program. The boxers will represent the Anacapa club, and Willie Wilton plans to make this an annual affair.

The main event will be a gigantic tussle between "Strangler" John Twadell and "Midget" Morelli this spectacle will be worth the price of admission alone, but there will be a card of thirty-six rounds of some of the most sensational bouts ever to be witnessed in the local arena.

Varner in Main Event

The scheduled main event will be a contest between Johnny Varner, Gaucho and Rockne Lopez; this promises to be a fast bout. Danny Mulock, Anacapa star, injured his hand in training Wednesday evening, but Jimmie Monson will no doubt take his place as the curtain raiser when he meets Freddie Valenzuela. Freddie Monson will take on an experienced Los Amigos boxer when he does battle with Ray Perez.

In a semi-main event, "Donk" Hart, college star, will perform against Manual Ortez in what promises to be a super effort on the part of these fellows. "Bluck" Strong, "Anacapa" boy, will fight his second bout within the roped arena when he meets Davie Compo. Bill Cahill, frosh athletic ace will take on the highly touted Mexican star, Frankie Garcia. Jackie Smith, Anacapa youth, defends the college club against Tony Valesco. Lester Clemons will meet Joey Padilla of the Los Amigos. John Hall, youthful athlete takes on "Shorty" Ramirez in one of the featured preliminaries.

Amateur Bouts

These bouts are all of the amateur nature, and the cause is a worthy one, that of the benefit of both of these striving organizations, and as tickets can be bought from any Anacapa House member or by calling 28761 for reservations there seems no reason why a full house cannot be expected.

Four chuckers saw service against the Gauchos, but the most effective slants were offered by Nelson, who was originally a first-sacker but who of necessity was made over into a pitcher. He will no doubt be the starting chucker, while Heinrich will be his battery mate. The Poet infield will be taken care of by Sinatra, Stephens, Shively and Clark. "Chief" Newman will have an outfield consisting of Laraway, George and Henderson.

This outfit has a composite batting average of .287 percent as to compare with the "Hilltoppers" .349 percent. The Gauchos strength at bat is indicated by the fact that, of the leading batters in the conference, the locals hold down six of the first ten positions. Bobby "Spider" Murray, second sacker is leading the league with an even .500, and he is followed by Rezzonico and Van Meter, who have percents of .484 and .438 respectively.

Murt Miller, ace chucker of the Gaucho mound staff, will start against the Poets. Miller is leading the conference in games won, with three victories and no losses, and an average of four hits and one run per game. The local squad will take the field with Rezzonico as Miller's battery mate, and Erhard, Murray, Evans and Van Meter composing the infield. Luse, Voorhies, and Fisher will take care of the outfield gardens for Coach Harder's outfit.

These last few conference games mean a great deal to the championship bound mittmen, as there is in the offing a probable summer barnstorming tour for a three months period to the wonder-spot of the world, Australia. Incidentally, if the Gaucho nine comes through with an unblemished conference record, they will become the first horseholders to perform such a feat for the local institution.

Sports heads are up at it, too. Tib Ramsay looks for some lively sets of tennis in the tournament, beginning Monday. To those wishing to participate—step right up and sign on the dotted line. Ann Forsyth reports baseball is three nights a week instead of the usual four, and extends an invitation to all those interested to come out on Monday, Wednesday and Thursday nights.

U. C. L. A. is holding an inter-collegiate play day, May 9, and has invited Santa Barbara State college to participate. Ten girls have signed up to attend the event. Those expecting to journey to Los Angeles are LaRue Steelsmith, Harriet Cooper, Pat O'Brien, Margaret Cooper, Ann Forsythe, Jean Gordon, Nancy Clapp, Marguerite Kohler, Violet Barnett, Ruth Hooker and Dot Taylor.

FROSH TRACKMEN GO TO TAFT FOR THREE WAY MEET

With Louis Trigueiro back in the fold Coach Hank Lloyd will take his freshmen track team to Taft tonight for a three-way meet with Taft Junior college and Cal-Poly. Last week Cal-Poly defeated the Gauchos in a three way meet with Mira Monte Junior college by a score of 63-48-38. The Peagreeners were handicapped without Trigueiro's services. Louie would have been a cinch to score several first places, and thus State would have copped the meet. Coach Hank Lloyd says, "We will have no difficulty in defeating Cal-Poly tonight."

Taft Junior college has one of the strongest J. C. track teams in the northern part of the State and should give the boys more competition than they will be able to cope with. However, the frosh should not be swamped by any means and should garner more than a few firsts.

Swatzberg and Reid will be the frosh representatives in the sprints, and Hackleman will be running the quarter. Reitter has been showing steady improvement and may surprise in the 880 and mile.

Redlands Holds State Runners to Even Score

Bowlus Wins Two Firsts to Lead Teammates in Dual Meet

Piling up their points in the sprints and in the field events, the Redlands Bulldog held the up and coming Gaucho Varsity track team to a 65-1-2 to 65-1-2 tie at Redlands last Tuesday.

The entire State team performed according to expectations, but there were several places during the meet when the Staters could have won the engagement had not hard luck overtaken some of the athletes.

Larry Bowlus ran a scintillating lap in the quarter mile to win in the fast time of 50.3s for a new school record. Larry started out slowly but stretched his legs out on the back straight-away to catch the flying Oliver and to pass him as the runners went into the last turn; Bowlus won going away at the finish. Dudley Shean ran into third place. Bowlus also won the 880 and set a new school standard at 2 minutes 3.1 seconds, Ian Crow ran a close third in this event.

San Diego College Holds Round Table Gathering in South

To discuss the general theme, "Freedom Versus Authority in Education," a round table session will be held at San Diego, Friday and Saturday, April 24 and 25. This discussion is sponsored by San Diego State college in an endeavor to provide a "Clash of Educational Ideas," as they are concerned with the general theme.

At the Saturday morning discussion the leader is to be Ira C. Landis, superintendent of schools in Riverside. Miss Edith Leonard, head of the kindergarten-primary department at Santa Barbara State will be a member of the round table discussion which follows. The topic for this discussion is "How much actual freedom and democracy is there in administrative and learning activities of the classroom? How much is practical or desirable?"

Gnome Clubbers Plan Spring Dance in May

Plans for the spring formal, which is to be held at the Vista Mar Monte hotel on May 1, were made at a meeting of the Gnome club Monday evening at the home of Lorraine Wilkerson in Mission canyon. The meeting was in the form of a Chinese supper at which all the girls wore pajamas and flowers.

Chow mein and rice was served on individual trays with chop sticks for each girl. Following the supper and the short business meeting, Chinese bridge was played around tables, on the floor. Black and red tallies, as well as the prizes that were won by Ruth Hooker and Ruth Parker carried out the Chinese theme. The affair ended with a piano selection of "chop sticks."

'GREEK' Social-Lights

BETA SIGS HOLD FORMAL

The Beta Sigma Chi fraternity will hold its annual spring formal on Saturday evening at the Samar-kand hotel, dancing from 9:00 p.m. until 1:00 a.m., with Douglas Hoag's orchestra furnishing music for the affair. Alumni expecting to attend include Bill Pensinger, Hi Stanley, Jim Dakin, Howard Gammill, Fred Hines, Fred Allred, Joe McFarland, Bob Stuart, Don Stuart, Bob Sawyer, Ray Denno, Denny Baylor, Kenneth Oppe, Reed Prince, Bill Russell, Ed Kerrigan, Al Scott, Bill Brooks, Bill Morsey and Warren Rouse. Pledges of the group are working on display paddles for the Gaucho club and are preparing for a pledge dinner on May 4, according to Leo Butts, social chairman.

S. A. K. ANNOUNCES PLANS

Members and alumni of the Sigma Alpha Kappa, social fraternity, will meet for a formal dinner-dance on May 23 at the Montecito Country club, it was announced by Goldy Goldsmith, social chairman. Dinner will be served at 8:00 p.m. with dancing until 1:00 a.m. An out-of-town orchestra will be engaged. Invitations to the regular event have been sent to 35 alumni of the organization.

ARIZONA DELEGATES RETURN

Jean Henderson, Catherine Caldwell and Evelyn Braman recently returned from a national Kappa Omicron Phi convention held April 1, 2, and 3 in Tucson, Arizona. Miss Florence Clark, advisor of the fraternity, was elected national convclave chairman at the meeting. Kappa Omicron Phi, national home economics fraternity at State, honored Miss Charlotte Ebbets in making her an honorary member.

TAU OMEGANS PLAN DANCE

Announcement of the date for the fraternity formal was made at the last regular meeting of the Tau Omegans at their De la Vina street house. The annual dance will be held on May 16 at the Samar-kand hotel from 9:00 p.m. to 1:00 a.m. with music by Doug Hoag's orchestra. Dr. Charles Pruess will act as sponsor for the group.

ALUMNI ENTERTAIN ACTIVES

Sigma Tau, alumnae chapter of Tau Gamma Sigma sorority, will entertain their active members with a Pajama party tonight at the home of Anita Cochrane Priest on upper Garden street. The party is an annual affair given by the alumnae honoring the new members. Those attending will be Blanche Hillman, Katie Crebs, Jo Denman, Jean McArthur, Betty Townsend, Jane Goslin, Loula Warren, Shirley Moore, Louise Jackson.

Students Make Reservations in Allred's Office for Weekend Event

Final plans made for the annual island trip sponsored by the Outing club as announced today set May 29, 30, and 31 as the dates of the excursion.

Boats will leave at 12 o'clock noon, Friday, May 29, and at eight o'clock in the evening of the same day. The trip this year will accommodate only 70 persons, so all students intending to go should make reservations as soon as possible in Fred Allred's office. By paying one dollar before May 18, students may insure a reservation for the event. Full payment, which will be announced later, must take place before May 25.

Students will be required to bring their own blankets and eating utensils. All those signing to go on the trip should signify their intentions as to which boat they plan to take.

Off-campus persons may also participate, but must pay a charge of one dollar extra.

Committees, which will be in charge of food, transportation, and activity, will be announced soon, according to Wilma Kiesner, president of the Outing club. Several faculty members have been invited to act as sponsors. They include Miss Gladys Van Fossen and Mr. Fred L. Griffin, patrons of the Outing group.

Charlotte Naess, Eleanor Mellinger, Marge Williams, Lois Jo McPheeters, Sue Knox, Isabel Ferguson, Jeanette Banks, Elizabeth Denman, Betty Roulston, Frances Hoelscher, and Alice Hoelscher.

PHI KAPS HONOR MAXWELL

Alumni members of Phi Kappa Gamma sorority were hostesses to the actives at a special meeting held last Tuesday night at the home of Mrs. Arthur Cherrie in Montecito. Dr. William Maxwell, patron, was guest of honor. Social events which the sorority has scheduled for the rest of the semester include the third annual spring formal at La Cumbre Country club on Saturday, May 23, a picnic in the following Sunday at which Marian Call, president, will be hostess, and the final meeting in June, preceded by an informal dinner, when officers for the coming year will be elected.
