*Don't Cut Long Hair.
PERM IT.*

Does your long hair have the "limps?" Do you spend hours with rollers and curling irons to give it a little life, a little body, a little pizzazz? Are you thinking of cutting it, just to end the long-hair blahs?

Well, don't cut it. Perm it at our salon. Give it the long-lasting fullness and body long hair needs to look its feminine best. You can choose lots of curl, just waves, or only fullness and body.

And you'll love the perm...new Wave Lengths Conditioning Perm for long hair. It's new from Zotos, the world's leading maker of fine salon perms.
